

Bigshot 391

Chapter 391: Identity Exposed?

Because of what happened during the day, Qin Churou didn't even dare to open her phone, let alone log in to the forum.

Therefore, she didn't know about the melons on the forum.

When she saw it, it was already the next morning.

Qin Churou walked alone on campus. She could feel the strange gazes of others on her.

Several girls did not lower their voices when they passed by Qin Churou.

"Aiya, isn't this Qin Churou? She doesn't stay at home, but she still dares to appear at school?"

"If it were me, I would hide at home. This Qin Churou is really thick-skinned. We can't compare to her."

"Qin White Lotus has taken over Qin Sheng's identity. She even dares to be so arrogant to Qin Sheng and frame Qin Sheng everywhere. I don't know what her parents are thinking."

"Now that you mention it, I remember. At the last parent-teacher conference, her mother came to attend Qin Churou's parent-teacher conference. and the one who came to attend Qin Sheng's parent-teacher conference was Teacher Fu. What did Qin Churou's lackey, Zhao Jia, do back then?"

"I remember that they seemed to be mocking Qin Sheng. Qin Churou just watched and didn't stop them."

"Qin Churou's parents are really blind to spoil such a vicious white lotus and green tea b*tch."

"According to what they said, Qin Churou's biological parents came from the countryside. So, why does Qin Churou have to be so arrogant and look down on us every day?"

Their voices were not soft, and these words were all heard by Qin Churou.

She finally realized that something was wrong.

Hearing their words, her brain buzzed.

For a moment, she lost the ability to think.

Could it be that Qin Sheng's background had been exposed?

Qin Sheng was the real young miss of the Qin family, and she was just a fake phoenix pretending to be the daughter of the Qin family.

Qin Churou cared about her face the most. She didn't want others to know that her biological parents were from the countryside.

But now, those girls had told her everything.

Qin Churou lost her mind. She rushed up and grabbed the collar of one of the girls who was mocking her.

Her face was ferocious. "B*tch, don't spread rumors."

That girl was also frightened by Qin Churou. She didn't expect Qin Churou to have such an intense reaction.

The other girl who was with her reacted and pushed Qin Churou away.

Qin Churou had never worked since she was young, and she rarely exercised.

In addition, she had been resting at home for the past few days. Because of the school and the disfigurement, Qin Churou ate very little every meal.

Now, she didn't have much strength, so she was easily kicked away by the girl.

The girl who had been grabbed by Qin Churou by the collar patted her chest as if she had just survived a disaster. "Oh my god, you scared me to death. I'm going to have nightmares for a few days with that expression on Qin Churou's face."

Many students around the three of them had already stopped and were watching a good show.

There were still more than ten minutes before class started.

It was still alright to watch the show here.

After the girl recovered, she could not swallow her anger.

She crossed her arms and sized up Qin Churou before sneering. "Qin White Lotus, you're wrong. I'm not spreading rumors. Don't you know what's hidden in that photo?"

"As an adopted daughter, you took over Qin Sheng's identity and even tried to frame Qin Sheng? You're really scheming.."

Qin Churou's face turned pale. What did she mean by that?

Everything about the Qin family in the photo had been censored by her. It was impossible for them to know.

Even if Qin Churou had a hundred guts, she would not dare to expose the Qin family's matter.

After all, this would have a great impact on the Qin family's reputation.

If others knew that Qin Sheng was Qin Hai's daughter and that she was sold by Qin Hai to Feng Shuo in exchange for the company's benefits, many people would not be willing to cooperate with the Qin family.

Qin Hai and Lin Shuya would also be scolded.

Qin Hai would not let her off.

Even she herself did not want Qin Sheng's true identity to be known.

She was the only young miss of the Qin family.

Her parents were only Qin Hai and Lin Shuya. Who was Qin Sheng? She was just a jinx.

She was a phoenix. How could Qin Sheng compare to her?

Qin Churou's face was pale as she asked the girl, "Tell me clearly, what do you mean?"

Qin Churou's tone was very unpleasant.

The girl said mockingly, "Qin Churou, do you still think that those experts can't remove the mosaic? "The pictures in the Campus Gossip Lord's post have all been removed. So, are you surprised? Are you surprised?"

"I didn't expect that your Qin family would dare to do such a wicked thing. Selling your daughter in exchange for the company's benefits? It really broadened my horizons."

The surrounding students who were watching the show were also talking in low voices.

Their gazes would occasionally fall on Qin Churou. There was mockery and disdain, but there was no sympathy.

Even those boys didn't stand out to speak for Qin Churou.

Qin Churou had been exposed so many times in such a short period of time. They also felt that Qin Churou was too vicious.

They didn't dare to have a crush on such a woman anymore.

Qin Churou's mind was blank as she stood where she was. Her face alternated between green and white, like a color palette. It was very interesting.

At the end, the girl kindly reminded, "Qin Churou, go to the forum and take a look."

It was almost time for class. If she didn't go to class, she would be late.

They didn't want to waste this learning time on Qin Churou.

The two girls ignored Qin Churou and returned to the classroom while chatting and laughing.

Qin Churou didn't have the face to stay any longer. She quickened her pace and rushed back to the classroom. Throughout the whole process, she lowered her head and didn't dare to look at anyone else.

Qin Churou couldn't accept the strange looks from those people.

When she returned to the classroom, it just so happened that the bell for class rang.

Qin Churou studied science and didn't need to recite in the morning. As for formulas and whatnot, the teachers at H City High School would let the students memorize them after they went back.

At this moment, the students in Class 1 were all studying quietly.

Qin Churou gritted her teeth and took out her phone from her desk.

She turned on her phone and logged onto the forum.

The first thing she saw was the post of H City High School's Number One Handsome Guy. At the top of the post, there were already over a thousand comments.

Qin Churou clicked on it and first looked at the picture.

As expected, the content of the contract was completely leaked out without any concealment.

Qin Churou clenched her phone tightly.

H City High School's Number One Handsome Guy!

Who was he? What did she do to offend him, going against her everywhere?

Qin Churou suspected that H City High School's Number One Handsome Guy was the person by Qin Sheng's side. Otherwise, why would he protect Qin Sheng all the time?

However, Qin Churou thought about it again, but she couldn't find anyone who could be H City High School's Number One Handsome Guy.

Chapter 393: You Tricked Me

Qin Churou bit her lip, lowered her head, and replied under the desk, "Qin Sheng is not a member of the Qin family at all. Everyone is discussing so intensely. Those who don't know would think that you guys are detectives who have all the information in my family."

This time, Qin Churou's reply was much calmer.

She did not start off with a rebuke.

Qin Churou's identity had been stripped, so she didn't dare to scold people as she did in the past.

Almost everyone on the forum knew about Qin Churou's identity, so they couldn't change her name on the forum.

Therefore, Qin Churou's ID was still [Qin Sheng Is a B*tch].

In H City's High School class, many students would secretly play with their phones.

As soon as Qin Churou's comment appeared, there were many replies.

"Who do I see? Isn't this our Qin White Lotus? She's finally willing to show her face."

"This evidence is conclusive, and this picture is real. Then tell me, what's going on?"

"Don't quibble. Your parents are selling their daughter for some money. Otherwise, that picture would be fake."

"I think it's most likely true. Didn't you see? Qin Churou is starting to panic."

Qin Churou looked at the comments and didn't dare to appear again.

She gritted her teeth and stuffed her phone into the drawer.

When the class teacher saw Qin Churou looking at her phone, she shook her head.

She didn't say anything and returned to the office.

On the other side, Qin Churou was holding a pen. The tip of the pen kept poking at a spot. Her mind was completely not focused on her studies.

Her mind was filled with the matters on the forum.

She was worried that if this matter was spread, Qin Hai would not let her off.

The only thing she could rely on was the Qin family.

If Qin Hai did not treat her well, and Old Madam Qin hated her, then there would be no way out for her in the Qin family.

Therefore, clarifying this matter was her only choice.

The matter that she had spread, she needed to step out and say that she was spreading rumors and admit that she was trying to frame Qin Sheng.

By now, many people had guessed that she was the one who had leaked the news to the Campus Gossip Lord.

Qin Churou regretted it. She knew that she wouldn't show the contract to Campus Gossip Lord.

Before this, she had been ridiculed by many people, but she could still go to school as usual.

Now, the school probably couldn't tolerate her anymore.

Qin Churou gritted her teeth and took out her phone again to contact Campus Gossip Lord.

For Qin Churou, the sooner this matter was resolved, the better. If it got out, Qin Hai knew that he would definitely not let her off.

Campus Gossip Lord didn't reply to Qin Churou. Qin Churou waited anxiously and would look at her phone from time to time.

Campus Gossip Lord only replied to her after class.

"What's the matter?"

Qin Churou took what she had edited a long time ago and sent a message over. "That, that contract was forged by me. Help me clarify it."

Campus Gossip Lord was unhappy.

Back then, Qin Churou had made a solemn promise that the contract was real. Now, she actually said it was fake!

Wasn't she playing with him?

Campus Gossip Lord also sent this sentence over. "Qin Churou, are you playing with me?"

To provide gossip to Campus Gossip Lord, she had to provide her true identity. Of course, she had to ensure that the other party's information would not be leaked from him.

Therefore, he knew Qin Churou's name.

Qin Churou hurriedly explained, "I'm not playing you, I..."

Qin Churou did not dare to continue. If she said it and Campus Gossip Lord leaked it, it would be hard to explain..

Chapter 394: I Want 100,000 Yuan

"Qin Churou, are you kidding me? Do you think I'm a fool?" Campus Gossip Lord sounded very unhappy.

Qin Churou gritted her teeth. "I'll give you 10,000 yuan as compensation."

The Campus Gossip Lord quickly replied, "100,000 yuan."

He offered a price that was ten times higher than what Qin Chu said.

Qin Churou clenched her fists. She usually spent a lot. Although Qin Hai would give her 20,000 yuan a month as pocket money, Lin Shuya would occasionally give her some money.

But she didn't save much.

Last time, she gave the gangsters 300,000 yuan, and now she only had 50,000 yuan.

She couldn't take out 100,000 yuan.

"I don't have 100,000 yuan," Qin Churou replied.

Campus Gossip Lord: "Qin Churou, your family has money, and this 100,000 yuan isn't much. If you want to get it, you'll definitely get it."

Qin Churou could only agree.

But...

"Can you help me clarify this? I'll give you the money in the future."

Campus Gossip Lord knew that Qin Churou had promised her, and she didn't dare to break the promise, but he couldn't take it lying down.

Qin Churou was anxious, so he dragged it out.

Campus Gossip Lord laughed mockingly. "Qin Churou, hand over the money and I'll do the work."

Qin Churou could only go back first and take the money from Lin Shuya.

After class, many students were pointing fingers at Qin Churou.

Qin Churou was so angry that her whole body was trembling. If she didn't care about her image, she would go up and fight with them.

In the future, if she wanted to work in the entertainment industry, Qin Churou didn't dare to add more dirt on herself.

Qin Churou secretly glared at them with hatred.

After leaving the classroom, the moment Qin Churou walked out of the door, the voices in the classroom became louder. A lot of mocking words entered Qin Churou's ears.

Qin Churou's face flushed red as she quickened her footsteps.

When she arrived at the office, Qin Churou knocked on the office door. When the class teacher saw that it was Qin Churou, he shouted, "Come in."

"Teacher." Qin Churou came in front of the class teacher.

"Speak, what's the matter?"

Qin Churou's hands were clasped together. "Teacher, I want to take a leave of absence for a period of time. I have no way to study in school."

Just the ridicule from those people was enough for Qin Churou.

In the few days since she came to school, Qin Churou really wanted to immerse herself in her studies and use her results to slap those people's faces.

However, Qin Churou realized that she simply could not do it. Now, she could only take a leave of absence to go home and revise by herself.

There was not much time left until the college entrance examination.

If the gap between her and Qin Sheng's results was too obvious, Qin Hai would probably have to scold her again.

Qin Churou was quite happy before. Qin Sheng had been sold to Feng Shuo as a lover, so she would definitely drop out of school, or her grades would drop drastically.

But now, it seemed that Qin Sheng was not affected.

Qin Churou was unwilling. Everything seemed to be developing in a direction that she could not control.

Class 1's form teacher frowned and said, "Is it because of the forum?"

Qin Churou nodded.

Class 1's form teacher moved his lips, but in the end, he could not say anything to defend Qin Churou.

[Qin Sheng Is a B*tch]. Even as a teacher, he felt that what this account said was very shameful.

He did not expect that Qin Churou, a delicate and weak girl, who usually looked obedient and obedient, would have such a face behind everyone's backs.

After all, he was Qin Churou's teacher. The Class 1 teacher exhorted, "There isn't much time left. Your main task now is to study and get into a good university.. Don't be affected by what happened on the forum."

Chapter 395: Apply For Leave

In the end, the class teacher added, "Qin Churou, I also hope that you can take good care of your own behavior. That kind of wrong behavior, it's best that you don't do it again."

That behavior was naturally referring to Qin Churou's registered alternate account, [Qin Sheng Is a B*tch], where she had no scruples in scolding people.

Qin Churou clenched her fists. She felt extremely embarrassed.

The other three class teachers in the office were all looking at them.

Qin Churou lowered her head, not daring to look at the Class 1 form teacher again.

The Class 1 form teacher was a male. He also knew that girls were thin-skinned. After saying that sentence, he did not say anything else.

He changed the topic. "Student Qin Churou, how long are you planning to take leave?"

Qin Churou replied with red eyes, "If it's possible, I want to directly come back and participate in the college entrance exam. Also, I want to enter Capital Film and Television University. I still have to go over for the written exam and interview in a few days."

The form teacher thought for a moment before nodding. "Alright. However, the time taken for you to apply for leave is a little long. I still need your parents to come over and do the procedures for applying for leave."

Qin Churou's body stiffened.

Under normal circumstances, she would have hoped that Lin Shuya would come over to the school.

After all, her results were extremely good back then. Even if Lin Shuya came over, she would still have some face.

And this time, she got 20th place while Qin Sheng was still first.

She didn't dare to let Qin Hai and Lin Shuya know about it.

Qin Churou pinched the corner of her shirt. "Teacher, can you not tell my mother about what happened on the forum and my results in the monthly exam? I don't want her to worry."

Qin Churou's request wasn't excessive. The form teacher nodded and agreed.

"Alright, go back and adjust your mood properly. Don't delay your studies."

After Qin Churou left the office, she carried her textbooks to the private car alone.

She went back and forth a few times.

Without someone to help her carry them, and the driver couldn't come in, Qin Churou had to go back and forth a few times before she finished moving all the textbooks.

When Qin Churou returned to the Qin Residence, Lin Shuya asked with concern, "Rou'er, are you feeling unwell again?"

Qin Churou's face was pale. She said, "Mom, I took a leave of absence again. I'll go over after the college entrance examination."

Lin Shuya was stunned. "Why?"

Tears fell from Qin Churou's face, "Because I don't know who sent the photo of my disfigurement to school. Now, those people are all pointing fingers at me. Mom, I want to stay at home and study. The atmosphere at home is pretty good too."

Lin Shuya asked in disbelief, "Who dared to spread the news of your disfigurement?"

Qin Churou bit her lip and didn't say anything.

Lin Shuya quickly thought of someone. She frowned and said, "It's Qin Sheng, right?"

Qin Churou didn't deny it. "Maybe Sister was kicked out and couldn't take it."

As soon as she said that, Lin Shuya interrupted unhappily, "Rou'er, Qin Sheng has been kicked out of the Qin family. She's not your sister. You can just call her Qin Sheng."

Lin Shuya added, "I'll ask Qin Sheng to apologize to you tomorrow."

Qin Churou quickly stopped Lin Shuya. "Mom, let's forget about this."

Lin Shuya said helplessly, "Rou'er, you can't be too kind to some people."

Lin Shuya was thinking that she would have to go to school one day.

Otherwise, Qin Sheng would slander Qin Churou.

Qin Churou opened her mouth again. "Mom, I'll have to trouble you to look for my form teacher to apply for leave."

Qin Churou's leave period was a little long, and she still needed her parents to come forward..

Chapter 396: Clarified

Lin Shuya nodded. "Alright, I'll head over tomorrow."

Qin Churou was relieved. However, the 50,000 yuan was not a small sum. She did not know how to say it.

Time could not be delayed any longer. She had to take out this sum of money.

Qin Churou asked hesitantly, "Mom, do you have money? I want to go shopping tomorrow to relax."

Normally, when Lin Shuya heard Qin Churou's words, she would have stuffed tens of thousands of yuan into Qin Churou's hands without hesitation. But recently, Qin Hai was angry and the amount of money he gave Lin Shuya had decreased

Lin Shuya was also a spendthrift and did not save any money.

Right now, she only had 80,000 yuan in her hands.

"Rou'er, how much do you want?" Lin Shuya asked hesitantly.

Qin Churou's eyes were filled with hope. "50,000 yuan."

"50,000 yuan?" Lin Shuya subconsciously raised her voice.

When Lin Shuya saw Qin Churou's red eyes, she realized that she had overreacted. She quickly changed her words. "50,000 yuan isn't much. Take this 50,000 yuan to relax. It's worth it to get a good result in the college entrance examination."

After giving Qin Churou 50,000 yuan, Lin Shuya only had 30,000 yuan left this month.

Moreover, this month had just started.

Lin Shuya didn't dare to go out for the rest of the month.

She usually spent money and was very generous in front of a group of wealthy ladies.

Lin Shuya was also a person who cared about her reputation. If those wealthy ladies knew that she didn't have money, how would she face them?

However, Qin Churou opened her mouth. She had always complied to Qin Churou's requests.

In the end, she still gave Qin Churou the 50,000 yuan.

Lin Shuya transferred the money to Qin Churou in front of her.

Qin Churou heaved a sigh of relief in her heart.

"Mom, I'm a little tired. I'll go back to my room first." Qin Churou wanted to immediately go back and transfer the money to Campus Gossip Lord. She didn't want to delay any longer.

Lin Shuya was very worried. "Okay, you have a good sleep first. When it's time for lunch, I'll go and call you down."

Qin Churou nodded and returned to her room.

As soon as she closed the door and put down her bag, she transferred the money that Lin Shuya had given her, as well as the 100,000 yuan that she had saved previously, to Campus Gossip Lord.

"Help me clarify that I was also deceived and received the wrong information from others."

Campus Gossip Lord took the money and was quite straightforward. "Okay, I'll send it right away."

Qin Sheng was the daughter of the Qin family. For the sake of his company, Qin Hai had sold Qin Sheng to another man as his lover. After a period of ferment, everyone in the school knew about it and caused a huge commotion.

If this continued, it would probably spread outside the school very soon.

With this, Qin Hai's company's stock price was in danger.

Campus Gossip Lord edited a post and posted it on the forum.

[Campus Gossip Lord: I'm sorry, I previously posted that Qin Sheng was sold to someone else as a lover. When I found out that Qin Sheng was involved with the Qin family in the morning, I verified this matter with the informant. The informant apologized to me, but she was also deceived. The contract in the photo was a forgery, causing everyone trouble. It also harmed Qin Sheng's reputation. I'm sorry.]

Campus Gossip Lord's attitude was not bad.

Previously, Campus Gossip Lord's posts would also have mistakes, and everyone had forgiven him.

But now, everyone started to ridicule him.

[Campus Gossip Lord, if H City High School's Number One Handsome Guy didn't stand out, Qin Sheng's reputation would have been ruined by you.. But an apology, and it's over?]

Chapter 397: Clarified 2

[Campus Gossip Lord, I thought you were a good person, but now you're actually defending the informant. As for you, you didn't even verify the truth before you posted it. I've finally seen your character clearly. You're not much different from a Weibo marketing account. Unfollowed.]

[Why don't I believe a single word of Campus Gossip Lord's words this time?]

[Do you think we're fools?]

[Did you receive money? You said it was a forgery, but where's the evidence? Who said that it was true back then?]

[I have a feeling that the person who leaked the information is Qin Churou.]

[Upstairs, I also think it's Qin Churou. No matter what, I have unfollowed this Campus Gossip Lord.]

Almost everyone in the school paid attention to Campus Gossip Lord. Within an hour after this post was posted, more than 200 people had unfollowed it.

Many people had long suspected that the person who leaked the information to Campus Gossip Lord was Qin Churou.

That contract might not be fake.

Qin Sheng and Qin Churou had the same surname, and Qin Churou often targeted Qin Sheng, so all of this could be explained.

But they had no evidence, so these were just guesses.

Therefore, many students ran to private message Lu Ming.

[Handsome, check if the person who leaked the information to Campus Gossip Lord is Qin Churou. You're so amazing, you can definitely do it.]

[Handsome, I'll be waiting for your good news.]

After Lu Ming finished his class, he opened his phone and it kept ringing.

Seeing the 99+ messages on the private message, his eyes lit up. He could once again please his sister-in-law. He could use this to ask Fu Hanchuan for conditions.

It was as if Lu Ming could see his pocket money waving at him.

Lu Ming went up to the forum and looked at Campus Gossip Lord's post. He already had a plan in his mind.

Huang Xiaoyan also saw Campus Gossip Lord's post.

She turned her head and stared at Lu Ming with sparkling eyes. "Lu Ming, do you have a way to find the person who wants to frame Sheng Sheng?"

Seeing Huang Xiaoyan's expression, Lin Feng was disgusted. He deliberately reached out a hand to block Huang Xiaoyan's eyes.

Huang Xiaoyan pushed Lin Feng's hand away and glared at him. "What are you doing?"

Lin Feng said in disgust, "Huang Xiaoyan, do you really think that Lu Ming is that good? That he knows everything?"

Huang Xiaoyan rolled her eyes. "Lin Feng, are you as handsome as him? Are you as good as him? Can you remove the mosaic from the photo? Can you find out Qin Churou's alternate account?"

Four consecutive questions left Lin Feng dumbfounded.

Indeed... he could not compare.

In front of Lu Ming, he was just a rookie.

Lin Feng was reluctant, but he still did not give up. "Lu Ming, tell Huang Xiaoyan that you won't."

Lu Ming leaned against the back of the chair and raised his eyebrows proudly. "What a coincidence. I will."

Lin Feng: "..."

He should seriously consider whether he should continue to treat Lu Ming as a brother.

Huang Xiaoyan rubbed Lin Feng's buzz cut. Lin Feng's hair was quite hard and a little prickly.

With this rub, Huang Xiaoyan withdrew her hand in disgust.

"Lin Feng, be good. Recognize your own strength."

"Huang! Xiao! Yan!" Lin Feng's fierce voice came out of his mouth.

It was the first time someone dared to touch his hair.

If it wasn't for the fact that Huang Xiaoyan was a woman, he would definitely beat Huang Xiaoyan to the ground.

Lu Ming was used to the banter between Lin Feng and Huang Xiaoyan, so he ignored them the entire time.

Lu Ming moved closer to Qin Sheng again and was very obsequious. "Sheng Sheng, I'm here to find this informant and help you take revenge."

Qin Sheng was still reading a medical book.. When she heard Lu Ming's words, she nodded her head, but her gaze did not leave the textbook.

Chapter 398: Protecting Fu

Lu Ming rubbed his hands together and said, "Then can you put in a good word for my brother and ask him to give me a little more pocket money? I'm a little short of money recently."

Lu Ming's family was well-off. His grandfather was a master painter, and a painting could be sold for tens of millions. Lu Ming's father also started a large company.

Logically speaking, Lu Ming would not be short of money.

However, Lu Ming's pocket money was given by Old Master Lu. Old Master Lu was very stingy and gave Lu Ming a month's worth of money, up to three thousand.

He would often deduct his pocket money.

Old Master Lu's reason was also very justified. He said that only girls needed to be well-off. If Lu Ming wanted pocket money, he had to return to his mother's womb and turn himself into a girl.

After Father Lu returned, Lu Ming asked Father Lu for money. Father Lu did not give it to him and only said that Old Master Lu would make the decision.

The 1 million yuan he lost with Qin Sheng last time was saved up by using his hacking skills.

However, Fu Hanchuan would not allow him to earn money like this.

Lu Ming felt bitter. which young master from a wealthy family had such a miserable life like his?

Hearing this, Qin Sheng put down her textbook and smiled. "You don't have to investigate."

Fu Hanchuan would listen to her, but Qin Sheng didn't want to use this to make Fu Hanchuan do something he didn't want to do.

Fu Hanchuan and Old Master Lu didn't give Lu Ming enough pocket money. Naturally, they had their reasons.

Moreover, she could investigate this herself. She didn't need Lu Ming.

Lu Ming: "..."

He smiled embarrassedly. "Sheng Sheng, there's no need. I was just joking just now. Between classmates, there's no need to talk about money. Am I, Lu Ming, that kind of shallow person?"

Qin Sheng glanced at Lu Ming. The meaning in her eyes was very obvious.

He was.

The smile on Lu Ming's face froze. His face turned red and he returned to his seat.

Fine, he admitted that he was the kind of shallow person.

After all, he was a layman. Who didn't love money?

After school, Lu Ming didn't even go to the cafeteria. He went straight back to his dorm and took out his computer.

His fingers flew over the computer keyboard.

As the ninth-ranked in Black Emperor, Lu Ming's hand speed was extremely fast.

Lines of code flashed through his eyes.

Lu Ming knew the phone number of Campus Gossip Lord. It was not difficult to find out the connection between the informant and Campus Gossip Lord.

Moreover, the informant should have contacted Campus Gossip Lord in the morning or last night.

Lu Ming had already guessed that the informant was Qin Churou.

But now he needed evidence to properly slap Qin Churou's face.

In just half an hour, their chat records appeared on the computer screen.

Lu Ming quickly looked through them and intercepted them. Then, based on their chat records, Lu Ming found out about Qin Churou's transfer information.

Qin Churou transferred 100,000 Yuan to Campus Gossip Lord.

Lu Ming quickly edited another post and posted it on the forum.

[H City High School's Number One Handsome Guy: The evidence you wanted is here. It's good enough, right? You guessed it right. The informant is Qin Churou.]

At the end of the post, there was also a record of the transfer and a picture of the conversation between the two.

When everyone sent private messages to Lu Ming, Lu Ming promised to capture the informant at noon.

While they were eating, they had been scrolling through the forum, waiting for Lu Ming's post.

Now, as soon as Lu Ming's post came out, they saw it.

They clicked into the post one after another.

They looked through the content of the picture very seriously..

Chapter 399: Exposed Again

The screenshot given by Lu Ming also included the record of Qin Churou finding Campus Gossip Lord to reveal that Qin Sheng had been sold to Feng Shuo as a lover.

They exploded very quickly. In the blink of an eye, dozens of replies appeared. Fck, fck, f*ck. I originally wanted to be a bystander quietly, but now the melon seeds have all been dropped.

[Qin Churou is really a peerless white lotus! You don't know when she will stab you in the back. Being classmates with such a person really makes my back feel

cold. Luckily, I didn't offend Qin Churou. Otherwise, I wouldn't even know how I died.]

Previously, who said that the informant wasn't herself? It was another large-scale face-smacking scene. She flipped over so quickly. I'm dying of laughter.

[I realized that recently, every time she tried to cover up her identity, she would lose it in the end. She went from being the school belle that everyone adored to becoming a joke. I suddenly feel some sympathy for Qin Churou.]

[This melon is so explosive. Giving a thumbs up to Handsome. It's too awesome, you can even find out this.]

(So, is this contract real or fake?)

(The contract? I think it's fake. Otherwise, if Qin Sheng was sold Feng Shuo as his lover, would she still be able to attend school? Moreover, with Teacher Fu's protection, would anything happen to Qin Sheng?)

(So, it was Qin Churou who wanted to spread rumors and destroy Qin Sheng's reputation. Oh my god, this is such a huge grievance, it's too vicious!]

This Campus Gossip Lord, although he had asked Qin Churou whether this matter was real, after that, Qin Churou gave money and lied to clear her name. I'm sorry, I can't accept it. I've unfollowed him. Thank you.]

There were also many graduates who paid attention to Campus Gossip Lord. originally, there were 4,000 people who paid attention to him.

Once this matter was out, there were only 1,000 people left who paid attention to him.

Campus Gossip Lord was regretting it.

For the sake of that 100,000 yuan, his account that he had kept for so many years was going to be destroyed. He could earn several hundred thousand yuan a year through this account, but now it was all gone.

Even if he posted in the future, no one would believe him anymore

There were many comments about Qin Churou. Qin Churou's dishonor on the forum could be said to have been completely exposed.

Until now, there were still many people who could not believe that Qin Churou would be so vicious.

One had to know that although Qin Churou was a little arrogant, her voice was also very weak. She usually showed a kind and understanding appearance, which had always been synonymous with beauty.

The truth was in front of them, and they had no choice but to believe it.

The Qin family.

Qin Churou received a positive reply from Campus Gossip Lord, and her heart that had been worried all this time was finally set at ease.

She turned off her phone and lay on the bed.

Last night, Qin Churou didn't have a good rest and had insomnia the whole night, so she slept soundly in the afternoon that day. Lin Shuya woke her up to have lunch.

Qin Churou didn't turn on her phone the whole time. After lunch, she sat with Lin Shuya for a while before returning to her room and logging into the forum. The post that Campus Gossip Lord helped Qin Churou clarify wasn't followed by anyone else. It had already been deleted. Now, the post that appeared at the top of the forum was the one that Lu Ming posted. Qin Churou saw a very eye-catching title that Lu Ming posted, (Shocking! The person who leaked the news is actually her! It's her! That b*tch!) When she saw the reply from Campus Gossip Lord below, a bad premonition suddenly rose in her heart. With trembling hands, she clicked on it. Qin Churou finished reading the content in less than a minute.

Chapter 400: Lin Shuya Goes To School

“AH—”

Qin Churou slammed her phone to the ground, and the screen shattered.

She was so angry that her whole body was trembling.

Why was it different from what she thought?

H City High School's Number One Handsome Guy!

It was him again!

Who exactly was he? Why was he targeting her every day? What did she do to provoke him? Was he going to expose everything about her?

Qin Churou's heart was filled with anger. However, she didn't know who H City High School's Number One Handsome Guy was, and she blamed everything on Qin Sheng.

It was all Qin Sheng. If it wasn't for her, how could all of this have happened?

Ever since Qin Sheng returned to the Qin family, she had encountered one unfortunate incident after another.

First, she was robbed of the top three spots, then she was robbed of a spot in the National High School Mathematics Competition. And because of Qin Sheng, she was disfigured.

Qin Churou now suspected that Qin Sheng's departure from the Qin family was designed by Qin Sheng and Fu Hanchuan together. Qin Sheng didn't have the ability, but Fu Hanchuan did.

They were the ones who had protected her in the beginning, and now they were the ones who were attacking her!

However, Lin Shuya was in a hurry, so she didn't say anything about the security guard..
