Chapter 421: She Failed

The boys' words reached the ears of the other parents. They heard that Qin Sheng only spent 40 minutes to finish the entire set of papers, not two hours. They could not believe it.

40 minutes?

A whole set of comprehensive examination papers?

Wasn't this directly ascending to heaven?

However, when they remembered that Qin Sheng also spent less than 40 minutes to finish the entire set of papers in the National High School Mathematics Competition, they slowly accepted it. Some parents even thought that Qin Sheng was randomly filling in the papers.

They were waiting for Qin Sheng's college entrance exam results to be released so that they could watch Qin Sheng make a fool of herself.

The math exam was in the afternoon.

Qin Sheng only took less than 30 minutes.

The next day, Qin Sheng took 60 minutes to complete the Chinese language.

The last subject, English, was written in fewer words, mainly multiple-choice questions. This, Qin Sheng only took 20 minutes.

The students who were in the same exam room as Qin Sheng were already numb.

'They were still thinking hard about the answers, but before they could finish a quarter of the papers, Qin Sheng had already fallen asleep on the table.

This kind of scene had been playing out for two days.

The invigilators were different. Some of them recognized Qin Sheng and saw that Qin Sheng was sleeping after she finished writing, so they didn't say anything.

Some of them woke Qin Sheng up.

Qin Sheng directly let them look at the test paper. They were stunned when they saw the answers written all over the paper. Then, they could only leave it to Qin Sheng.

The college entrance exam ended.

'There was still a gathering in the evening, but Qin Sheng didn't return to Class 4.

She left the school together with Fu Hanchuan.

Not long after they walked out of the school gate, they saw Qin Churou standing beside Fu Hanchuan's car.

Qin Churou's eyes were filled with gloom when she saw Qin Sheng.

In the past few days, she had been busy preparing for her exams and had not rested well. Now, her eyes were bloodshot.

Fu Hanchuan and Qin Sheng walked side by side. From time to time, Fu Hanchuan tilted his head and said something to Qin Sheng.

Qin Churou could see the smile on Fu Hanchuan's face.

She clenched her fists.

Jealousy surged from the bottom of her heart.

Qin Sheng was the cause of her downfall.

If Qin Sheng didn't come back, she would still be the school belle that everyone was praising.

The teachers valued her, and the students liked her.

Now, she was being bullied by all the students. Even when she came to the school, she wore a mask, afraid that she would be recognized by others.

When she entered the exam room, she had to take off her mask.

There were indeed many students from other schools in H City High School who came to take the exam, but most of them were students from the same school.

Qin Churou took off her mask and didn't hide her face. Soon, someone recognized her.

'They were whispering.

'When she came to her seat, those strange and mocking gazes would occasionally fall on Qin Churou.

Now that Qin Churou was particularly sensitive, she naturally noticed.

However, she didn't dare to say anything.

Her bad mood affected the examination as well.

Previously, she didn't study well either.

This time, she didn't finish every subject.

She knew that this time, she had failed the examination.

'The matter of Qin Sheng submitting her papers in advance was spread out, and it was completed in an extremely short amount of time.

Those students were all guessing whether Qin Sheng would be able to obtain the top scorer in the national college entrance examination.

Qin Churou was extremely jealous when she heard that. She couldn't take it anymore and ran over to look for Qin Sheng.

She couldn't understand why she was still living such a good life even though Qin Sheng had been sold to Feng Shuo?

And Fu Hanchuan didn't care at all!

Qin Churou walked to a spot less than a meter away from Qin Sheng. She stopped and glared at Qin Sheng fiercely.

"Qin Sheng, why didn't anything happen to you? Why are you still able to participate in the college entrance examination?"

Qin Churou was not convinced. Why could Qin Sheng stay here well, and she wasn't like how she thought, quitting school?

Chapter 422: I'll Be Your Girlfriend

Qin Sheng smiled faintly. "Qin Churou, didn't I tell you before? I was the one who planned to leave the Qin family. I wanted to leave the Qin family. As for Feng Shuo, he was only doing me a favor."

Qin Churou gritted her teeth. She was so angry that she said those words.

Qin Sheng, Qin Hai, and Lin Shuya had planned to sever their relationship.

Perhaps, Qin Sheng did not want to stay in the Qin family for a long time.

She had long thought of this matter, but she had never been willing to believe it.

Qin Sheng being chased out of the Qin family and leaving the Qin family voluntarily were two worlds apart.

Qin Churou regretted it. Why did she persuade Qin Hai to sell Qin Sheng to Feng Shuo?

Qin Churou gritted her teeth. "Qin Sheng, don't be too complacent. Without the Qin family, how can you live?"

Qin Sheng smiled. "I have Brother Fu. Naturally, I can live on."

Qin Sheng brought out Fu Hanchuan.

Hearing this, Fu Hanchuan was stunned. He was shocked by Qin Sheng's words.

'When he came to his senses, the corners of his lips curled up into a smile. His eyes were filled with affection.

When Qin Churou saw this, she became even more jealous.

In a moment of anger, she pointed at Qin Sheng. "Qin Sheng, do you still have any face to cling to Teacher Fu? Why don't you think about what kind of person you are? How could Teacher Fu fall for you? With your seductive methods, you can seduce Teacher Fu for a while, but you won't be able to seduce him for the rest of his life!"

"Qin Sheng, I am just waiting for the day that Teacher Fu abandons you."

Fu Hanchuan's expression turned cold. "Qin Churou, if you don't want anything to happen to Qin Real Estate, then shut up."

Qin Churou was stunned and soon thought of something.

“Teacher Fu, so you helped Qin Sheng leave the Qin family? You also planned the crisis of the Qin family?”

Besides Fu Hanchuan, Qin Churou couldn't think of anyone else who was willing to help Qin Sheng.

From the beginning to the end, Qin Sheng only relied on Fu Hanchuan.

Before Fu Hanchuan could answer, Qin Churou continued, “You must have helped her. Otherwise, how could Qin Sheng have such ability? Teacher Fu, Qin Sheng is a gold digger. You can't be fooled by her.” Qin Churou's tone was very agitated.

In her eyes, it was Qin Sheng who had snatched Fu Hanchuan away.

She had used improper means to make Fu Hanchuan completely devoted to her.

If one day Fu Hanchuan saw Qin Sheng's character clearly, Fu Hanchuan would not protect Qin Sheng.

He would also see her good side.

Qin Sheng curled her lips and said sarcastically, “Qin Churou, you like Brother Fu?”

Qin Sheng could understand the feelings of others, but she couldn't see her own feelings clearly.

Qin Churou didn't hide it. “I do like Teacher Fu. Teacher Fu is outstanding and still young. Why can't I like him?”

Qin Churou looked at Fu Hanchuan expectantly and said softly, “Teacher Fu, I like you. Look at me, okay? I want to be your girlfriend.”

She stepped forward and wanted to hold Fu Hanchuan's hand.

Qin Churou had not rested well these few days and her face looked haggard.

When she came out in the morning, she had put on makeup.

The thick layer of powder on her face made her entire face look ugly.

However, Qin Churou did not know her own limits.

A trace of impatience flashed across Fu Hanchuan's eyes as he avoided Qin Churou.

“It seems that you are not afraid that something will happen to Qin Real Estate.”

He dropped this sentence to protect Qin Sheng as he got into the car.

Qin Churou gritted her teeth and stared at the back view of Qin Sheng and Fu Hanchuan as they left.

One day, she would become even more outstanding and let Fu Hanchuan see how good she was.

Other than Qin Sheng's face, what else was there?

Chapter 423: The Two of Them Met

In the car, Fu Hanchuan was driving.

There was a moment of silence in the car.

It was Qin Sheng who spoke first, "Brother Fu, you don't have to worry too much about Qin Real Estate. I have a way to teach them a lesson."

After the college entrance exam was over, those things could be put on the agenda.

"It's okay, I am only teaching Qin Real Estate a small lesson."

Qin Sheng didn't mention it again after Fu Hanchuan said this.

This small lesson from Fu Hanchuan was a heavy blow to Qin Hai.

The business partner that Qin Hai had spent a lot of effort to find was canceled.

Fu Hanchuan told Qin Hai that Qin Churou had offended someone she shouldn't have.

After this, Qin Hai's impression of Qin Churou, which had been eased with great difficulty, dropped again.

In the evening, Qin Sheng and the others all went to the Luxury Hotel.

This hotel was under the name of Fu Hanchuan's company. It was expensive, but there were still many people fighting to reserve it.

Even when the company was talking about cooperation, they all came to this hotel.

Because the price was too expensive, it was difficult to get a place. Therefore, those who were not in the upper-class circle would not usually come to the Luxury Hotel for dinner.

After a long time, everyone treated the Luxury Hotel as a place that only the upper-class circle could enter.

This hotel was arranged by Fu Hanchuan for Qin Sheng.

Qin Sheng also knew that this hotel was under Fu Hanchuan's company's name, so she did not reject it.

Qin Sheng told Huang Xiaoyan and the others.

Huang Xiaoyan naturally knew about the Luxury Hotel. Even she could count the number of times she had been here with one hand.

'When she had just learned that Qin Sheng had chosen the Luxury Hotel as the venue for the gathering, Huang Xiaoyan's mouth was agape, and she did not close it for a long time.

The location chosen was the Luxury Hotel?

The first time she had mentioned the gathering with Qin Sheng was two days ago. It only took two days to get a reservation. Didn't they say that it was difficult to get a reservation at the Luxury Hotel?

Not to mention that it was difficult to get a reservation at the Luxury Hotel, even the price was ridiculously expensive.

A private room cost 100,000 yuan per night, and that did not even include all kinds of food.

Huang Xiaoyan thought that she had heard wrong, but she still asked in disbelief, “Sheng Sheng, are you sure that it’s the Luxury Hotel? Are you sure?”

“Yes,” Qin Sheng replied very plainly.

Huang Xiaoyan was very surprised. “Sheng Sheng, how did you manage to get a reservation at the Luxury Hotel in just two days?”

Qin Sheng blinked and was quite puzzled. “Is it difficult to get a reservation? It was Brother Fu’s help.”

Huang Xiaoyan smacked her head. How did she forget about Teacher Fu?

Huang Xiaoyan had already believed Qin Sheng when she mentioned Fu Hanchuan.

At night, Huang Xiaoyan arrived at the hotel happily.

After Fu Hanchuan sent Qin Sheng to the hotel, he said in a low voice, “Sheng Sheng, I have a collaboration to discuss. I’ll come and pick you up later.”

Assistant Lin reminded him from the side, “President, it’s almost time.”

“Okay.”

Fu Hanchuan rubbed Qin Sheng’s hair and left with Assistant Lin.

Huang Xiaoyan watched from the side. Her eyes were sparkling, and she couldn’t help but feel it once again.

Why were they brother and sister?

‘The way he rubbed her hair just now was really too cute!

It was so good if they were a couple, but they were brother and sister.

Look at how well-matched they were!

It was still early, and the students from Class 4 had not arrived yet. Huang Xiaoyan and Qin Sheng were waiting in the lobby on the first floor.

At the entrance of the hotel.

Qin Churou got out of the car. She looked at the Luxury Hotel, her eyes full of pride.

This was also Qin Churou’s first time at the Luxury Hotel.

It was set up by Qin Hai and Li Shuya to celebrate the end of Qin Churou’s college entrance examination.

It was a very prestigious thing to have been to the Luxury Hotel..

Chapter 424: Came To Look For Her

Lin Shuya also got out of the car. Qin Churou held Lin Shuya’s arm. “Mom, let’s wait for Dad before we go in.”

“Okay.” Lin Shuya nodded.

After Qin Hai parked the car, the family of three entered the Luxury Hotel.

Qin Hai held his head high and puffed out his chest. He sized up the hotel without anyone noticing. In his heart, he also felt that he had stepped into the upper-class circle.

H City was developing very well. It was a first-tier city in the country, and there were many rich people.

Even with Qin Hai's assets of more than one billion yuan, he could not enter the upper-class circle.

The location of the Luxury Hotel was not guaranteed even if one had money. One also needed status.

Even Qin Hai was able to book the Luxury Hotel this time because he had found a lot of connections.

"Dad and Mom, thank you for celebrating for me," Qin Churou said gratefully.

Hearing this, Qin Hai also softened his tone, which was rare. "Rover, after your college entrance exam is good, I will also hold a banquet for you as a reward."

Qin Churou's face was a little stiff. This time, she didn't answer.

She was very clear that she didn't do well in the college entrance exam.

She might not even be able to pass the Capital Film and Television University exam.

Qin Churou was very worried about the results.

She could hide her results from Qin Hai and Lin Shuya in school, but she couldn't hide the results of the college entrance exam.

Qin Hai didn't notice Qin Churou's abnormal mood.

He continued to look around.

It had to be said that the Luxury Hotel was worthy of being the number one hotel in H City. The decorations were very luxurious. Even the hall was decorated with a lot of antiques, ranging from hundreds of thousands to millions.

In short, it was just one word, 'rich'

Qin Hai could also see several company bosses that he wanted to curry favor with appear in the hotel.

Qin Hai went up and wanted to talk to them.

'When the other party asked about Qin Hai's identity, Qin Hai quickly took out a business card. "I am the boss of Qin Real Estate, Qin Hai."

Those bosses did not take his business card.

They only politely said that they had something to do, but they did not bother with Qin Hai anymore.

They really did not care about Qin Hai's identity.

Qin Hai's face was full of awkwardness.

Qin Hai was a person who cared about his reputation. He did not take initiative to go up to talk to people since he had been rebuffed twice.

Qin Churou, who was initially sizing up the hotel, saw a familiar figure.

She widened her eyes and called out, "Qin Sheng."

Lin Shuya was very puzzled. "Rou'er, why did you call her?"

Qin Churou pointed at Qin Sheng. "Mom, why is Sister here? Based on her identity, she can't enter the Luxury Hotel."

Lin Shuya frowned and looked in the direction Qin Churou was pointing.

As expected, she saw Qin Sheng.

"Qin Sheng?"

Lin Shuya wondered if Feng Shuo brought her here.

However, she only saw Huang Xiaoyan and didn't see Feng Shuo.

Although Qin Sheng said that Feng Shuo was the one who helped Qin Sheng leave the Qin family, Lin Shuya only thought that Feng Shuo was doing Qin Sheng a favor. Feng Shuo helping Qin Sheng was just returning a favor.

Now that the favor was returned, Feng Shuo would not help Qin Sheng with anything else.

Soon, Lin Shuya suppressed the thought that Feng Shuo was the one who helped Qin Sheng enter the Luxury Hotel.

So, how did Qin Sheng get into the hotel?

Qin Hai also frowned.

The three of them walked toward Qin Sheng.

Huang Xiaoyan saw them. She didn't know Qin Hai, but she recognized Qin Churou and Lin Shuya.

She quickly reminded in a low voice, "Sheng Sheng, Qin Churou and the others are here to look for you."

Chapter 425: Apologize To Qin Churou

Qin Sheng glanced at Lin Shuya and Qin Churou before averting her gaze.

She had already left the Qin family, so the people from the Qin family naturally had nothing to do with her. She didn't need to pay attention to them.

However, some people liked to find a sense of presence.

Qin Hai came in front of Qin Sheng and frowned. "Qin Sheng, how did you get here and sneak in? Hurry up and get out. Don't lose our face here."

His voice had a berating tone.

Qin Sheng laughed mockingly. "Mr. Qin, it seems like where I am is my freedom. It's none of your business."

"Qin Sheng, you!"

Qin Hai wanted to say that Qin Sheng could not embarrass the Qin family, but when he met Qin Sheng's indifferent gaze, his words were stuck in his throat.

Qin Sheng had already left the Qin family.

Few people in the outside world knew that Qin Sheng was his biological daughter.

Qin Sheng had never listened to him in the first place.

Now that she had left the Qin family, she would not bother with him anymore.

At this moment, Qin Churou said softly, "Qin Sheng, only the upper class can enter this hotel. How did you get in?"

Just as she said that, she quickly changed her words. "I don't want to say anything, I'm just a little worried about you."

Huang Xiaoyan had long disliked Qin Churou's hypocritical white lotus face.

Qin Churou's words showed that she was concerned about Qin Sheng on the surface, but in the dark, she was hinting that she had obtained the opportunity to enter the hotel through improper means. Huang Xiaoyan was not convinced and immediately began to argue.

"Qin Churou, are you out of your mind? Our Class 4 is having a gathering here. What are you hinting at? Sure enough, a person with a black heart is a person with a black eye."

Qin Churou bit her lip. "Qin Sheng, I'm concerned about you. Besides, Class 4, has about 30 people, so it's even harder to book seats. The food in the Luxury Hotel is famous for being expensive. With so many of you, you'll have to spend at least a million. Qin Sheng, do you have that much money?" It had to be said that Qin Churou's acting was very good.

Her eyes and voice revealed her concern for Qin Sheng.

People who didn't know her true colors would be fooled by her.

Lin Shuya and Qin Hai didn't notice the inappropriateness in Qin Churou's words.

Lin Shuya frowned and said unhappily, "Qin Sheng, Rou'er is concerned about you. How can you say that?"

1

"What about me? What does it have to do with Qin Churou? Does Qin Churou have to interfere in everything in the world?" Qin Sheng retorted mercilessly.

"Qin Sheng, you left the Qin family, but I'm your mother! This blood relationship can't be broken. Maybe Rou'er doesn't have the right to control you, but I do! I want you to apologize to Rou'er immediately," Lin Shuya ordered.

2

The commotion over here was not small, and many people had already noticed them.

People were born to gossip, and so were these elites.

They would naturally pay more attention to the commotion.

Just like that, Lin Shuya revealed that Qin Sheng was her daughter in front of everyone.

Qin Hai had been trying his best to hide Qin Sheng's identity. Now that he heard Lin Shuya's words, he glared at her.

Lin Shuya did not notice Qin Hai's gaze. "Qin Sheng, are you going to apologize?"

Qin Sheng chuckled. She took out her phone and flipped through the news.

Lin Shuya saw that Qin Sheng did not put her in his eyes, so she was angry again.

"Okay, you don't want to apologize, right? Qin Sheng, don't blame me."

At this moment, Lin Shuya was not as dignified and virtuous as before.

Although she was dressed like a rich lady, she looked like a shrew in the marketplace..

Chapter 426: She Was Not Allowed To Enter

Qin Hai frowned and thought of the gentle and considerate Li Yan.

However, Qin Hai did not stop Lin Shuya. He thought that it was good to teach Qin Sheng a lesson. If Lin Shuya did anything out of the ordinary, he would stop her.

There were many people around Qin Sheng. When the lobby manager saw them, he quickly walked over.

"What happened?"

Lin Shuya said, "Manager, your hotel doesn't allow people who have failed to reserve a seat and have no status to enter, right?"

"Yes," the hotel lobby manager answered politely.

"Then how did she sneak in? As far as I know, she is alone in H City and studying. How can she be qualified to enter your Luxury Hotel?"

Lin Shuya pointed at Qin Sheng.

The hotel lobby manager sized up Qin Sheng. Because Qin Sheng was wearing the clothes specially made for her by Fu Hanchuan, he couldn't tell what brand of clothes it was. Moreover, Qin Sheng was dressed simply.

The hotel lobby manager frowned.

It seemed that someone really did sneak in.

The hotel lobby manager was very capable. She arranged everything in the hotel in an orderly manner.

But she was also a snob. She had always looked down on poor families.

Those who came from poor families would be kicked out by her once they entered the hotel.

For those who came from good families, the lobby manager was humble and polite.

Fortunately, most of the people who entered Luxury Hotel were either rich or noble. The hotel lobby manager did not cause any big trouble.

Whenever something went wrong, she would settle it in private.

At this moment, she also thought that she wasn't mistaken.

Qin Sheng did seem to have snuck in.

Even if someone invited her over, based on Qin Sheng's identity, it wouldn't be a big problem for her to offend her.

Thinking of this, the hotel lobby manager said with a bad tone, "Which private room did you book?"

Qin Sheng thought for a moment but didn't remember.

Fu Hanchuan had said that a manager would come to pick her up, so she didn't need to remember which private room.

She only said three words, "I don't know."

Lin Shuya immediately sneered. "I told you that Qin Sheng sneaked in. Otherwise, she wouldn't be qualified to enter such a high-end place. Without the Qin family, Qin Sheng is nothin;

Qin Hai berated her, "Lin Shuya, what does she have to do with the Qin family?"

Lin Shuya once again mentioned that Qin Sheng was a member of the Qin family in front of others. Qin Hai was unhappy.

He had repeatedly stressed that she could not let others know that Qin Sheng was the daughter of the Qin family.

If word got out, those people would know that he had driven his biological daughter out of the Qin family. Where would he put his face?

Lin Shuya did not take his words seriously at all.

After hearing Qin Hai's words, Lin Shuya finally realized that she was wrong.

Her expression changed and she shut her mouth.

The hotel lobby manager also confirmed that Qin Sheng had sneaked in. She looked unhappy, "Miss, our hotel is the best hotel in H City. Those who come in are all people of status. Not just any cats and dogs can come in."

Qin Sheng smiled. "Aren't you going to verify if it was someone else who brought me in? Aren't you afraid of offending him?"

The lobby manager crossed her arms. Hearing this, she laughed mockingly. "You don't have to worry about it. Miss, your backer can't touch me."

Huang Xiaoyan was not convinced. "Who are you looking down on? Someone booked a hotel for us in advance. Why? Can't we enter?"

Huang Xiaoyan had been to Luxury Hotel before. The lobby manager had a good memory and had some impression of Huang Xiaoyan.

After all, she had seen too many people of high status.

The lobby manager did not think much of Huang Xiaoyan.

“You can enter.” The lobby manager pointed at Qin Sheng. “She can’t..

Chapter 427: Cats and Dogs

Huang Xiaoyan was furious. She grabbed Qin Sheng’s hand and said, “Sheng Sheng, tell Teacher Fu to support you.”

Qin Sheng’s gaze was indifferent. She did not call Fu Hanchuan.

Fu Hanchuan was still discussing the collaboration. Qin Sheng did not want to disturb him.

She glanced at the lobby manager and asked, “Where’s your general manager?”

The lobby manager said disdainfully, “Is our general manager is someone you can easily find? How busy would they be if they were to interfere with such trivial matters?”

It was night now, and she still had a lot of things to do. She didn’t want to waste any more time with Qin Sheng.

She looked at her watch. “Do you want to go out by yourself, or do you want the security guards to kick you out?”

Lin Shuya also stood aside and gloated. “Qin Sheng, you’d better not stay here and embarrass yourself.”

Qin Hai frowned. Although he didn’t say anything, it was obvious that he had the same intention.

Qin Churou’s eyes were filled with pride.

She was able to openly enter Luxury Hotel, but even if Qin Sheng entered, she would be chased out.

Qin Sheng’s conditions were not good enough for the Luxury Hotel.

She said softly, “Sister, you should go out first. You’re a girl. It’s quite embarrassing for you to be surrounded here. If you’re chased out, you’ll be criticized.”

Hearing this, Qin Sheng only smiled faintly and didn’t pay attention to Qin Churou’s words.

Qin Sheng’s attitude made Qin Churou secretly clench her teeth.

She didn’t like Qin Sheng who didn’t care about anything.

She didn’t get much pleasure from humiliating her.

Even when Qin Sheng had just returned to the Qin family, Qin Hai and Lin Shuya didn’t like her. She didn’t manage to see any disappointment and sadness on Qin Sheng’s face.

Qin Churou was helpless in the face of Qin Sheng.

On the other side, Assistant Lin knew what had happened downstairs. He reported it to Fu Hanchuan, and Fu Hanchuan's face darkened.

However, he could not walk away from the business deal for the time being.

After saying a few words to the other party, he took out his phone and called the general manager of the hotel. Only then did he heave a sigh of relief and continue to discuss the business deal.

'When the general manager of the hotel rushed over, he coincidentally bumped into the security guard.

The lobby manager instructed the security guards, "Chase her out. She snuck in. Not everyone can come in the Luxury Hotel."

The two security guards were about to go up and grab Qin Sheng.

"Wait." The general manager of the hotel rushed over. He wiped the sweat from his forehead.

This was someone whom the President had personally instructed to take good care of. This was a little ancestor.

Ever since the establishment of the Luxury Hotel, this was the first time Fu Hanchuan personally ordered to take special care of someone.

Even Old Master Lu did not have such treatment.

'Where did this Su Qianqin get the courage to chase away this little ancestor?

Assistant Lin had told the general manager of the hotel early on that he had to treat Qin Sheng well.

However, he had something to attend to at the last minute.

He let the lobby manager receive Qin Sheng.

But he didn't expect her to make such a fuss.

What an idiot!

He smiled apologetically at Qin Sheng.

'When he faced the lobby manager, he had a different attitude. His face was gloomy. "What happened?"

The lobby manager didn't realize the general manager's unusual attitude.

She pointed at Qin Sheng. "General Manager, she wants to sneak into the hotel. I'm trying to maintain order in the hotel. I've already warned her that if she doesn't leave, I can only let the security guards in."

"Oh? Su Qianqin, how did you know that she doesn't have the right to enter the hotel?" the general manager of the hotel asked in a deep voice.

The lobby manager looked at Lin Shuya and Qin Hai, "They told me. They knew this woman and reported it to me. I also see that her clothes are ordinary and she doesn't look like someone from the upper class. Our Luxury Hotel naturally doesn't allow cats and dogs to enter."

Chapter 428: Face-Smacking the Lobby Manager

“Cats and dogs?” Lu Ming had just entered the hotel when he heard the lobby manager’s words and came up to her.

Young Master Lu.”

The lobby manager saw that it was Lu Ming and immediately spoke respectfully.

Lu Ming didn’t have much pocket money, so he rarely came to the Luxury Hotel.

However, Lu Ming’s family was prominent, and he was considered a top family in H City. Even though Lu Ming rarely appeared in the Luxury Hotel, the lobby manager still recognized Lu Ming.

“Lobby manager, who are you calling a cat or dog?” Lu Ming asked again.

The lobby manager pointed at Qin Sheng. “She is.”

Lu Ming sneered. “Then in my eyes, you are also a cat or dog. After all, your identity is not just a little bit inferior to mine.”

1

Lu Ming was not polite when he insulted people.

Since he was young, he did not stand on ceremony with the lobby manager.

Hearing this, the lobby manager’s expression changed. She lowered her head and did not dare to speak.

Lu Ming did not let her go. “Lobby manager, the cat and dog that you are talking about is my classmate, my friend.”

Classmate? Friend?

The lobby manager’s face turned even paler.

She did not expect that this ordinary-looking female student would actually have Lu Ming protecting her.

Qin Churou watched from the side and bit her lip.

Qin Churou was unwilling to accept this. She had been in the same class as Lu Ming for several years, but Lu Ming had never given her a good look. Even when she tried to curry favor with him, Lu Ming didn’t even look at her.

How long had Lu Ming and Qin Sheng known each other? He was already protecting Qin Sheng?

Qin Churou clenched her fists.

As expected, Qin Sheng was a vixen. She was full of seductive tricks.

She looked cold and aloof, but somehow, she was doing it behind her back. She was so flirtatious.

First, Fu Hanchuan, and then Lu Ming were all seduced by her. Each and every one of them was speaking up for her.

Qin Hai frowned and looked at Qin Churou.

He was a little dissatisfied. Qin Churou and Lu Ming had been classmates for many years, but they had not been able to curry favor with the Lu family.

As for Qin Sheng, she had only been with Lu Ming for less than a semester, but she was already having a good time with him.

Why didn't he know that Qin Churou was so useless?

1

Huang Xiaoyan secretly gave Lu Ming a thumbs up. Well done!

Lu Ming looked at the general manager of the hotel again. "How are you going to deal with such an employee?"

The general manager wiped the cold sweat off his forehead. "Young Master Lu, we won't let such an employee off."

He glared at the lobby manager. "Idiot! Didn't I ask you to take good care of Miss Qin? What did you do? Did you turn a deaf ear to my words?"

The lobby manager had simply slandered others and did not have a good attitude towards those who came from ordinary families. It was not that the hotel's general manager did not know this. 'When he saw that the lobby manager was capable and did not cause any big trouble, he turned a blind eye to it.

He did not expect that she would actually offend someone whom the President was protecting today. Even he could not help Su Qiangin.

He was still worried that Su Qiangin would implicate him.

1

The lobby manager's eyes widened in disbelief. "General Manager, is she the Miss Qin you're talking about?"

"What do you think?"

The lobby manager's legs went weak and she almost fell to the ground.

Although Lin Shuya had called out Qin Sheng's name before..

She didn't expect that Qin Sheng was the person whom the hotel's general manager had specifically instructed to treat well.¹

At that time, she had thought that Miss Qin's status was particularly honorable.

And although Qin Sheng's appearance and temperament were good, her dressing could not be compared to being honorable.

The lobby manager hurriedly bowed and apologized, "Miss Qin, I'm sorry. I've offended you. I'm sorry. Forgive me. I was blind. Miss Qin, you're a magnanimous person.. You won't blame a small fry like me, right?"

Chapter 429: Resignation

Huang Xiaoyan had regained some of her face. She said disdainfully, "Who was the one who arrogantly said that she wanted the security guards to chase us away just now? Now she's so humble, tsk tsk." Huang Xiaoyan was not someone who liked to deliberately find fault.

However, she could not swallow her anger once she had offended Qin Sheng.

Qin Sheng did not say anything. The lobby manager apologized again, "Miss Qin, I'll pay for everything in the hotel today as an apology."

Qin Sheng opened her red lips slightly and said indifferently, "There's no need."

The lobby manager was delighted. She thought that Qin Sheng had forgiven her, and she didn't need to pay for Qin Sheng.

The Luxury Hotel had a lot of expenses, and Qin Sheng had booked a top-class private room. It would cost more than a million dollars a night.

Of course, the lobby manager couldn't bear to spend this money.

'When she said it out loud, she just wanted to be polite.

Usually, according to the character of rich people, and for the sake of face, when they heard this, they would forgive her and not need her to fork out the money.

She also thought that Qin Sheng was such a person.

She smiled and said, "Thank you for your forgiveness, Miss Qin."

'Who knew that Qin Sheng would only look at her indifferently and then say to the hotel's general manager, "Deal with her. I don't accept her apology."

The lobby manager was stunned. She couldn't believe what Qin Sheng said.

Didn't she forgive her?

"Okay." The general manager of the hotel nodded.

Even if Qin Sheng didn't say anything, he would still deal with Su Qiangin.

After all, Fu Hanchuan had personally instructed him.

He looked at the lobby manager whose face was pale and said mercilessly, "Su Qianqin, pack your things and leave."

"Leave?"

The lobby manager's voice was high and sharp.

She had never thought that it would be such a heavy punishment.

She had only offended someone. At most, she would be fined and demoted. Why would she need to leave?

Of course, if she offended someone, the lobby manager did not need to leave.

The mistake was that she had offended Qin Sheng.

Fu Hanchuan had always been protective of his own shortcomings. Qin Sheng was a little girl that he cared about. Even he could not bear to bully her. How could he tolerate others bullying Qin Sheng?

“Yes, Su Qianqin. You can leave the hotel today.” The hotel general manager’s tone was unquestionable.

“General Manager, I’ve been working in the hotel for three years. Including the fact that I’m an elder of the hotel, even if I don’t have any merits, I still work hard. I can take a demotion and a salary cut. Don’t make me leave. I won’t offend people casually in the future. Give me another chance.”

The treatment at the Luxury Hotel was very good. Just the salary alone was 200,000 yuan a month.

Not to mention, the people here were all from the upper-class circles.

The tips that she usually received were comparable to her salary.

In H City, it was difficult to find a good job like the Luxury Hotel.

The general manager of the hotel didn’t relent. “Su Qiangin, you’ve committed a lot of crimes. Together, it’s enough to fire you. If you still want to find a good job, take the initiative to leave. Don’t let the company fire you.”

Su Qiangin knew that there was no hope of begging the general manager of the hotel.

She then shifted her target to Qin Sheng.

As long as Qin Sheng was willing to help her, she did not need to leave her job.

She quickly pleaded, “Miss Qin, please, help me plead for mercy and forgive me. As long as I don’t leave my job, I’ll do anything you want me to do.”

Seeing that Qin Sheng did not agree, she knelt down.

This was obviously forcing Qin Sheng. If Qin Sheng didn’t help her, she would be unreasonable.

With so many people watching, it was inevitable that Qin Sheng’s reputation would be damaged.

As long as Qin Sheng cared about her face, she would help her plead for mercy.

Chapter 430: Lin Shuya’s Complaint

Su Qiangin’s wishful thinking rang out.

However, Qin Sheng was not a person who liked to be coerced, and she did not care about the gazes of outsiders.

Therefore, Su Qiangin’s calculations were wrong.

Qin Sheng took a step back, and a trace of disgust flashed in her eyes.

“If you want, then I’ll beg your general manager. You’re the one who made a mistake, and I’m an outsider. How he punishes you has nothing to do with me.”

Hearing this, Su Qiangin’s heart turned cold.

Her eyes were filled with hatred.

It was all her fault. If it weren’t for her, she wouldn’t have been fired! She had lost such a good job.

1

It was just a small matter, yet she wasn’t willing to forgive her.

Su Qiangin clenched her fists. She stood up from the ground and gritted her teeth. “Miss Qin, you’re so young, Don’t you know how to conduct yourself?”¹

“Of course, I can’t compete with you.” Qin Sheng laughed lightly.

After being reborn, she would not let herself be wronged for the sake of the so-called eyes of others.

She wanted to live according to her heart.

She would not care about those so-called principles.

When the general manager of the hotel saw Su Qiangin repeatedly seeking death, the last bit of affection in his heart for Su Qiangin disappeared.

If he did not punish Su Qiangin properly, he would be the one to pack up and leave.

The general manager of the hotel rubbed the space between his eyebrows. “Su Qiangin, you don’t have to submit your resignation anymore. There will be a notice of resignation for you.”

1

In this way, Su Qiangin would be left with a stain. If she wanted to find another job in the future, the other party would have to consider the reason why Su Qiangin was fired by the Luxury Hotel.

It would be very difficult to find such a good job.

Su Qiangin panicked. “General Manager, you can’t treat me like this. I’ll resign on my own accord. Don’t fire me!”

The security guard who had been called in by Su Qiangin just now was standing by the side and had not left yet.

The hotel general manager instructed the security guard, “Bring Su Qiangin out of the hotel. Don’t let her in.”

“Yes.”

Su Qiangin refused to leave, so the security guards dragged her away.

She was making a big fuss.

In just a short while, the security guards dragged her far away, so Qin Sheng couldn’t hear her voice.

The general manager of the hotel said apologetically, "Miss Qin, sorry to bother you."

Qin Sheng's gaze was indifferent, but she didn't say anything.

Lin Shuya and Qin Hai watched all of this with their mouths agape. They couldn't believe that the general manager of the hotel would protect Qin Sheng.

Or did he specifically order them to receive Qin Sheng well?

Although Qin Hai had never been to the Luxury Hotel before, he knew how cold the Luxury Hotel was. He had never heard that the general manager of the Luxury Hotel would specially receive someone. Who on earth was helping Qin Sheng?

Lin Shuya was not as roundabout as Qin Hai thought.

She glared at Qin Sheng. "Qin Sheng, which man did you follow? You're still young, but you're already learning how to seduce men from the women in the romantic places. How did I..." give birth to a daughter like you?

Lin Shuya was furious, but she still retained some of her rationality.

She did not dare to say the rest of her words.

Qin Sheng's gaze was indifferent. "What I do has nothing to do with you. Mrs. Qin, aren't you meddling too much?"

Huang Xiaoyan was standing beside Qin Sheng. When she heard her words, she raised her head high.

It was too f*cking satisfying.

She knew that Qin Sheng would not be bullied. After spending so much time with Qin Sheng, she had never seen Qin Sheng suffer.

Lin Shuya choked.

She was still angry. Qin Sheng was her biological daughter, and she actually embarrassed her in public.

Since Qin Sheng did not treat her as her biological mother, she did not have to give Qin Sheng any face..2
