

Bigshot 441

Chapter 441: Drunkenness

The other party also had a mischievous thought and made Qin Sheng drink six bottles of wine. Otherwise, she would not have agreed to cooperate.

Qin Sheng only wanted to help Qin Real Estate through the crisis and agreed to it.

Drinking six bottles of wine by force was not considered low.

The other party was also a man of his word. Seeing that Qin Sheng had fulfilled his request, he signed the contract.

Qin Sheng was admitted to the hospital that day because of alcohol poisoning.

However, Qin Hai and Lin Shuya were only concerned about the contract. During the few days when Qin Sheng was in the hospital, they did not even take a look at Qin Sheng.

They were taking Qin Sheng's efforts for granted.

Although Qin Sheng said that she was fine, Huang Xiaoyan did not believe it this time.

She held the bottle tightly in her hand, refusing to give it to Qin Sheng no matter what.

Huang Xiaoyan was really afraid. If Qin Sheng was really drunk, Fu Hanchuan would definitely not let her off.

Qin Sheng and Huang Xiaoyan argued like this for a while, and their minds became more and more muddled. Not long after, Qin Sheng closed her eyes and fell asleep on the dining table.

"Sheng Sheng."

Fu Hanchuan just happened to come in and saw Qin Sheng sleeping.

Upon hearing Fu Hanchuan's voice, Huang Xiaoyan instantly shivered. She quickly stood up and said, "Teacher Fu."

Fu Hanchuan only had eyes for Qin Sheng. He ignored Huang Xiaoyan and went directly to Qin Sheng's side.

Fu Hanchuan could smell the strong smell of alcohol on Qin Sheng's body. He frowned. He finally noticed Huang Xiaoyan and asked, "Sheng Sheng drank wine?"

"Yes." Huang Xiaoyan nodded. "Teacher Fu, Sheng Sheng drank four glasses of wine. Maybe she's drunk."

"Okay, I'll take her back first. You don't have to pay for the expenses here. After you finish eating, someone will send you back."

Some of the students in Class 4 had drunk a lot of alcohol. Moreover, it was not safe to go back too late.

Fu Hanchuan arranged for the people in the hotel to send all the students of Class 4 home safely.

If it was an ordinary person, Fu Hanchuan would not care, but these were Qin Sheng's classmates.

Qin Sheng seemed to care about them very much. The location of this gathering was decided by Qin Sheng.

If something happened to them, Fu Hanchuan would not be having a good time either.

Huang Xiaoyan nodded. "Okay, okay, okay."

Fu Hanchuan bent down and carried Qin Sheng in the posture of a princess, leaving the private room.

Qin Sheng obediently lay in Fu Hanchuan's arms.

Seeing Fu Hanchuan holding Qin Sheng, Lu Ming clicked his tongue and shook his head.

His brother could eat his sister-in-law's stinky tofu now.

1

With his brother's personality, he would definitely take advantage of such an opportunity.

If he didn't do anything, he would be letting Fu Hanchuan down for staring at Qin Sheng for so long.

Lu Ming could only pray further. Fu Hanchuan wouldn't confirm his relationship with Qin Sheng so soon.

Fu Hanchuan was not clear about the twists and turns in Lu Ming's heart.

At this moment, he carried Qin Sheng back to the car. This time, a staff member of the hotel helped Fu Hanchuan drive the car back to Fu Garden. Fu Hanchuan and Qin Sheng were sitting in the back seat of the car.

Qin Sheng did not wake up. Fu Hanchuan carefully placed Qin Sheng's head on his shoulder.

Qin Sheng was fast asleep.

It was very dark in the car. Fu Hanchuan could only see a blurry side profile of Qin Sheng.

However, he still looked at her for a while and could not bear to look away.

"Brother Fu."

Fu Hanchuan suddenly heard Qin Sheng calling his name in a very low voice. Even though Fu Hanchuan and Qin Sheng were so close to each other, Fu Hanchuan could barely hear her clearly.

Fu Hanchuan moved closer to Qin Sheng.

"Brother Fu, Grandpa Lu, I'm sorry. It's my fault for not recognizing people clearly. I'm sorry..."

Qin Sheng kept apologizing over and over again..

Chapter 442: Previous Life

Fu Hanchuan frowned.

His worried gaze fell on Qin Sheng.

'What had she experienced?

Fu Hanchuan had always felt that Qin Sheng had something on her mind, but Qin Sheng had always been very careful to hide it, so he did not ask.

Fu Hanchuan was waiting, waiting for Qin Sheng to take the initiative to tell him.

Although Qin Sheng had told him about the dream she had, he could still sense that she was holding back.

'The image of Qin Sheng in his dream appeared in Fu Hanchuan's mind, and he frowned.

Fu Hanchuan had always been an atheist, and he did not believe that there were any ghosts and gods in this world.

Even though Qin Sheng had appeared in his dream since he was young, he did not think that Qin Sheng was a real person.

Until Qin Sheng appeared...

Could what Qin Sheng had experienced have something to do with his dream?

Fu Hanchuan's heart was aching.

He hoped that everything in his dream was fake. If his Sheng Sheng had really experienced it, how painful would it be?

Soon, the car returned to Fu Garden.

Fu Hanchuan carried Qin Sheng back to the room.

Putting her on the bed, Qin Sheng closed her eyes and kept apologizing from time to time.

Fu Hanchuan's hand held Qin Sheng's hand. Qin Sheng's hand was very small, and Fu Hanchuan's hand could easily wrap around it.

"Sheng Sheng, you didn't let me down. How could you?"

Fu Hanchuan comforted her in a low voice.

Even if his little girl really did something wrong, he would never blame her.

He was willing to accept it.

Under Fu Hanchuan's comfort, Qin Sheng gradually quieted down.

Fu Hanchuan sat by the bed, his gaze fixed on Qin Sheng.

Scenes from his dream appeared in his mind.

In his dream, Qin Sheng was drawing with her left hand. Qin Churou barged in and asked Qin Sheng to help her get through that crisis.

Not long after Qin Churou won the best actress award, scandals were exposed one after another.

Those scandals were enough to make Qin Churou a street rat.

Qin Churou could only beg Qin Sheng to solve it.

Unfortunately, those scandals were all exposed by Qin Sheng. Qin Sheng told Qin Churou in front of her that she created those scandals in order to ruin Qin Churou's reputation.

Qin Churou was furious at that time. She took the fruit knife in the room and stabbed it at Qin Sheng.

Qin Sheng also gave Qin Churou a knife and fell to the ground.

Fu Hanchuan finally kicked the door open and rushed over.

However, he was too late. He could not save Qin Sheng again. He did not even... see Qin Sheng's last words.

'That day, Qin Churou's rescue was ineffective and she passed away.

Later, more information about Qin Churou came out. Everyone finally believed that Qin Churou was a snake and a scorpion.

She was also a big white lotus.

She usually pretended to be weak and weak to garner sympathy. She always showed a kind and understanding appearance. No one knew what kind of vicious face she had behind her back.

'The matter of Qin Churou using Qin Sheng's paintings to participate in the competition was also exposed.

'The painting world was in an uproar.

The paintings that Qin Churou used to display were all extremely excellent.

Arandom painting had already risen to the price of hundreds of millions. Qin Churou's reputation was well-known throughout the world.

Unexpectedly, all of Qin Churov's paintings were Qin Sheng's.

She had stolen them to participate in the competition!

This time, Qin Churou's reputation was completely tarnished.

Qin Churow had originally thought that her life would be smooth sailing. She did not expect that after scheming against someone else, in the end, she would be exposed.

Chapter 443: Was It Real

As for the Qin family, it was Qin Sheng who had single-handedly helped them become one of the top five hundred corporations in the world.

Qin Sheng had not only dealt with Qin Churou, she had also dealt with the Qin family.

She had leaked the information of the Qin family to her rival companies and helped them come up with a plan to deal with the Qin family.

She had also exposed the fact that the Qin family had evaded taxes on their real estate.

The Qin Corporation was finished.

Qin Sheng had destroyed the things that she had personally created. Everything that they had gotten from her, they had returned to her one by one.

Qin Hai had been sent to prison because of the serious problem of evading taxes.

Fu Hanchuan felt that this was not enough, so he dug up some dirty things that Qin Hai had done. Qin Hai would have to stay in prison for the rest of his life.

For Lin Shuya, she was used to a rich and noble life.

As for the Qin family's assets, they were all sealed off. Lin Shuya could not enjoy a good life like before.

Because she dropped out of school early, she did not have a university degree, nor did she have any work experience. When she looked for a better job, basically no one wanted her.

1

Lin Shuya could only do some dirty work to maintain her life.

After a period of time, she really could not stand it anymore. She wanted to return to the Lin family, but the Lin family did not want to see her at all.

Lin Shuya could only continue to live those tough days.

Later, Lin Shuya divorced Qin Hai and married another man. That man's family was not bad, but he drank too much. As soon as he came back, he punched and kicked Lin Shuya.

Every day, Lin Shuya lived in misery. The wounds on her body were added one after another.

These scenes appeared in Fu Hanchuan's mind.

Fu Hanchuan clutched his chest. The waves of pain from his heart almost made him unable to breathe.

Before this, his dreams were very vague.

He couldn't remember those words clearly, and he didn't know about Qin Churou and Qin Hai.

However, everything that he recalled today seemed to be exceptionally clear.

Fu Hanchuan once again recalled the scenes of Qin Sheng's death.

In the end, his impression was fixed on the scene of him accompanying Qin Sheng in front of her grave.

Fu Hanchuan's face was a little pale, and dense beads of sweat appeared on his forehead.

After a long while, he finally recovered.

He bent down and planted a gentle kiss on Qin Sheng's forehead. "Sheng Sheng, regardless of whether that dream is real or not, I will protect you in this life."

Fu Hanchuan looked at the time. It was 9:30 pm.

He left Qin Sheng's bedroom and went to the kitchen. He cooked a bowl of hangover soup for Qin Sheng.

After it cooled down, Fu Hanchuan returned to Qin Sheng's room with the hangover soup.

He woke Qin Sheng up.

Qin Sheng was drunk and seemed to be exceptionally obedient.

She obediently let Fu Hanchuan feed her the hangover soup.

Fu Hanchuan waited for a while before Qin Sheng finally sobered up.

Her head still hurt a little. When she saw Fu Hanchuan, she was stunned for a while. "Brother Fu."

"Yes," Fu Hanchuan replied. "You were drunk, so I sent you back."

Although Qin Sheng was drunk, she had some vague memories.

She moved her lips and asked, "Brother Fu, did I say anything tonight?"

Fu Hanchuan did not want to lie to Qin Sheng. After a moment of silence, he repeated what Qin Sheng had said in her dream.

He also mentioned his dream.

After hearing the end, Qin Sheng's body trembled faintly.

Fu Hanchuan saw Qin Sheng's reaction and became even more suspicious. Could it be that his Sheng Sheng had really experienced those things?

Fu Hanchuan hugged Qin Sheng in his arms.. "Sheng Sheng, tell me, are those things true?"

Chapter 444 Confession

Qin Sheng's body was trembling slightly. Fu Hanchuan could clearly feel that she was afraid.

Qin Sheng had always kept the events of her previous life in her heart. She had not ever told anyone about it, including Fu Hanchuan.

Now that Fu Hanchuan mentioned it, Qin Sheng once again thought about her estrangement from Fu Hanchuan in her previous life. At that time, he should have been very disappointed with her even though in the end he came to find her.

If he knew, would he be annoyed and hate her?

Qin Sheng was worried about gains and losses.

She did not dare to say anything.

Fu Hanchuan did not speak. He only quietly hugged Qin Sheng. Qin Sheng's ear was pressed against his chest, and she could hear his strong heartbeat.

After a while, Qin Sheng still did not make any movements. Fu Hanchuan thought that Qin Sheng did not want to mention it, and he did not want to force Qin Sheng.

Fu Hanchuan was about to say forget about it, but Qin Sheng nodded at that moment. He could hear Qin Sheng's soft "Mm."

"What I told you before, that dream was real."

Fu Hanchuan listened to Qin Sheng's story of her past life very quietly.

His eyes rolled.

The hands that were hugging Qin Sheng could not help but tighten.

His Sheng Sheng...

After an unknown amount of time, Qin Sheng finally stopped.

Fu Hanchuan was still hugging Qin Sheng tightly, almost wanting to embed Qin Sheng into his body.

Although living a new life was very illusory to Fu Hanchuan, Fu Hanchuan believed Qin Sheng's words.

Fu Hanchuan was afraid that if she didn't have the chance to live a new life, he would have to miss out on his Sheng Sheng.

Fine pain drilled into Fu Hanchuan's heart.

Whenever he thought of Qin Sheng's experiences in his previous life, his heart would ache terribly.

He felt a lingering fear.

"Brother Fu, am I very stupid?" Qin Sheng's voice was a little choked up.

Not to mention others, even she herself felt that she was very stupid in her previous life.

Qin Churou did not hide her thoughts too deeply. She had been deceived by her.

She had always been working for the Qin family.

In her previous life, it was already too late for her to wake up. The only thing she could do was to bring her to the Qin family and destroy everything that she had brought to Qin Churou.

Fu Hanchuan hugged Qin Sheng even tighter. He bent down and rested his chin on the top of Qin Sheng's hair.

"Sheng Sheng, you are not stupid. Grandfather and I will not blame you. Don't think too much."

Fu Hanchuan could vaguely remember him in his dreams. He would often hide at the side and look at her.

He also knew his own character very well.

For the girl he liked, he would choose to tolerate everything about her without any bottom line. Even if she hated him, he would not have any complaints.

When Qin Sheng heard Fu Hanchuan's comforting words, her mood slowly calmed down.

She nodded her head gently. "Okay."

There was a moment of silence.

After a long while, Fu Hanchuan looked at the time. It was already 11 o'clock.

He let go of Qin Sheng. "Sheng Sheng, rest early."

Qin Sheng's eyes were a little red. Hearing that, she nodded. "Good night."

After Fu Hanchuan left, Qin Sheng took her pajamas and went into the bathroom.

Perhaps because she had shared the things that she had been hiding, Qin Sheng slept exceptionally soundly that night.

The next day, Fu Hanchuan prepared breakfast for Qin Sheng and waited in the living room for her to come downstairs.

Qin Sheng slept very late last night and even drank alcohol. She only woke up after 9 o'clock.

When she saw Fu Hanchuan, a smile appeared on her face. She greeted Fu Hanchuan, "Brother Fu."

"Mm." Fu Hanchuan also smiled..

Chapter 445 Yu Bei's Resentment

The two of them had breakfast together in the dining room, and they tacitly did not mention what happened last night.

After breakfast, Fu Hanchuan had something to do at the company. Before he left, he specifically reminded Qin Sheng, "Sheng Sheng, if you go out, ask the driver to drive you."

Fu Hanchuan only had one driver, and he had always followed Fu Hanchuan.

However, after Qin Sheng came to Fu Garden, as long as Qin Sheng was at home, Fu Hanchuan would keep the driver at Fu Garden. He was worried that it would be inconvenient for Qin Sheng to go out. Qin Sheng thought that she was indeed going out, so she nodded and said, "Okay."

Therefore, Fu Hanchuan went to the company, and Qin Sheng went to her own company.

Su Yixiu came to work right after the college entrance exam.

Qin Sheng valued Su Yixiu very much, so she arranged for him to learn from Hong Yuan.

In the future, if Qin Sheng wanted to continue being a hands-off manager, she needed more loyal and capable people to help her manage the company. Su Yixiu was one of them.

Yu Bei also knew that Qin Sheng had specially arranged for Su Yixiu to come to the company.

Qin Sheng despised trouble. When it came to trouble, she would hide as much as she could. Otherwise, she would not have been avoiding him and Hong Yuan all day long, not even coming to the company. In the company, other than him and Hong Yuan, the rest of the employees were found by himself and Hong Yuan.

Qin Sheng had full authority over them.

And Su Yixiu was personally found by Qin Sheng. She even specially let him learn from Hong Yuan. Yu Bei knew that Qin Sheng valued Su Yixiu very much.

After Su Yixiu took care of his grandmother, he went to the company.

Yu Bei didn't go back last night because he wanted to solve a procedural problem. He slept in the company. When he saw Su Yixiu, he was stunned for a second. "You are?"

Su Yixiu was only wearing a white shirt and black casual pants. He was dressed very neatly.

He was also very handsome.

Yu Bei looked at Su Yixiu warily.

In this company, he was the most handsome. Now, there was actually someone who was even more handsome than him!

Su Yixiu nodded. "I'm here to work."

The company was not big. Yu Bei was already familiar with all the employees in the company. He had never met Su Yixiu before. Then, he thought about what Hong Yuan said yesterday. There would be a new employee coming over today.

Yu Bei recognized Su Yixiu.

He patted his head. "Oh, I know. You're the genius that Boss specially recruited. You're called... Su Yixiu, right?"

Su Yixiu nodded.

Although this was the first time Yu Bei had met Su Yixiu, he was a natural-born people person.

"Yixiu, what do you think of Boss?"

Su Yixiu thought for a moment and said, "She's very good."

When Yu Bei heard his answer, he was not satisfied.

He shook his head and said, "No, you haven't seen her bad side. Don't be fooled by her simple appearance."

Su Yixiu frowned in confusion.

Yu Bei pulled Su Yixiu and said, "Our boss is very vengeful. Didn't I just play a little prank? She tortured me and I took a long time to recover. Also, this is her company. She left everything to me and the general manager.

The number of times she came to the company can be counted on one hand."

Yu Bei's tone was rather accusatory. "Tell me, is there such a boss? Those who don't know would think that the company belongs to me and the general manager."

Su Yixiu frowned and wanted to defend Qin Sheng. "She's still in her third year of high school. She doesn't have the time."

As he spoke, Su Yixiu felt that his words were not very believable.

Anyone might not have the time, but Qin Sheng did not.

In school, although he rarely paid attention to those busybodies, he had heard that even when Qin Sheng was near the college entrance examination, she rarely spent time on her studies. She only read extracurricular books..

Chapter 446 Qin Sheng Was a Black-Hearted Person

As expected, Yu Bei refuted him very quickly. "Aren't you guys done with your college entrance exams now? You should have some time this time. Do you want to make a bet? Let's make a bet. The number of times Boss has visited the company in the past two months doesn't exceed seven times."

Su Yixiu suddenly looked in the direction of the door and his gaze paused.

Yu Bei said from the side, "Our boss is a black-hearted person. If it wasn't for the fact that I can't beat her..."

"Student Qin Sheng," Su Yixiu shouted.

Su Yixiu wasn't used to calling Qin Sheng 'boss', so he could only call her by her previous address.

Yu Bei was subconsciously vigilant when Su Yixiu called her Qin Sheng. However, on second thought, with his boss's personality, would she come to the company? Wasn't this a joke?

Yu Bei said, "Don't scare me. It's useless against me."

As he said that, he looked towards the door.

Yu Bei's voice paused when he saw a familiar figure. His eyes widened abruptly.

Qin Sheng had just entered.

And they were standing not far from the door.

"Cough, cough, cough." Yu Bei let out a series of coughs.

Qin Sheng looked at Yu Bei with a faint smile. "If you could defeat me, what would you do?"

Yu Bei's mind spun quickly as he said cowardly, "I don't think I can beat you. Boss, I can't beat you, so this assumption doesn't exist. Even if I could beat you, you're my boss, so I wouldn't dare to do anything to you, right?"

Yu Bei was afraid. If Qin Sheng challenged him to a match, he would be badly beaten.

He only dared to show off in front of outsiders, but he didn't dare to speak ill of Qin Sheng in front of Qin Sheng.

If Qin Sheng retaliated, would he still need to live?

He did not want to endure the experience of being slapped in the face again.

Yu Bei laughed like a lackey.

The employees who were watching the show saw Yu Bei's reaction, and their eyeballs almost fell out.

Was Yu Bei that afraid of their boss?

The employees were used to Yu Bei bragging that he was not afraid of Qin Sheng. Plus, Qin Sheng rarely came over, so they rarely saw Yu Bei's lackey-like attitude toward Qin Sheng.

Qin Sheng saw Yu Bei's attitude and felt a headache coming on.

Was she very fierce?

Qin Sheng did not expose Yu Bei. She looked at Su Yixiu and said, "Follow me first."

Su Yixiu followed Qin Sheng to the office.

Yu Bei let out a breath of turbid air. It was as if he had just survived a disaster.

He patted his chest.

The employees at the side teased, "Brother Bei, aren't you not afraid of Boss? Now, it seems like it's not like what you said."

Yu Bei glared at him. "She's my boss. On the surface, shouldn't I be more respectful towards her?"

Even though he said that, Yu Bei's face was flushed with embarrassment.

He impatiently dismissed him. "Go, go, go. Why aren't you working? You're all chatting here. Be careful that I don't ask the general manager to deduct your salary."

After saying that, Yu Bei quickened his pace and returned to the office.

The few employees smiled. They all understood what Yu Bei meant.

They had a good relationship with Yu Bei. It was not because of the relationship between a boss and employees, but because they were friends. They naturally knew that Yu Bei would not really let Hong Yuan deduct their wages, but they still cooperated and went back to work.

It was just that in the future, it was not certain whether they would use this matter to tease Yu Bei.

In the office, Qin Sheng gave some instructions to Su Yixiu.

Qin Sheng understood Su Yixiu's aspirations. What he wanted to learn was management. It was just right for the job that Qin Sheng was going to assign to him in the future.

"Alright, Yixiu. You can learn from Uncle Hong for a period of time. This will be beneficial to your major," Qin Sheng said.

Su Yixiu nodded. "Okay."

Chapter 447 School District Housing

Qin Sheng's matters had been settled, so she let Su Yixiu go out first.

Su Yixiu bowed to Qin Sheng. "Sheng Sheng, thank you."

If not for Qin Sheng, his grandmother might have already passed away. If not for Qin Sheng, he would not have been able to participate in the college entrance examination this year. Even now, he was still busy working every day to earn money.

Qin Sheng had her own reasons for helping him, but she had never mistreated him.

As soon as he arrived at the company, she gave him a salary of 20,000 a month.

This was an extremely good treatment for a student who had just finished the college entrance exam.

If it were someone else, even if they helped him, they would try their best to extract more value from him. In terms of salary, they would even lower it to a very low level.

Qin Sheng was the person who changed his life.

If he had not met Qin Sheng, he would probably be in a confused and struggling state now.

Hearing this, Qin Sheng smiled. "There's no need. This is what you deserve."

After Su Yixiu left, Qin Sheng did not want to stay in the company any longer. She went to look for Hong Yuan again.

There were a few documents on Hong Yuan's desk. He had just sorted them out.

When Qin Sheng came over, Hong Yuan would always find a reason to get Qin Sheng to help him with the documents.

He smiled and fawned over her. "Boss, take a look."

Qin Sheng glanced at the documents in Hong Yuan's hands. She had a headache. If she didn't have something to do, she wouldn't have come to the company. In the end, she took the documents.

Qin Sheng was very fast. She finished a whole page in less than 20 seconds.

Her hands were still writing from time to time, drawing out some small problems, and sometimes adding her own thoughts.

The paper was constantly being flipped.

In the end, Qin Sheng only spent less than half an hour to finish it.

Hong Yuan had seen Qin Sheng's speed in processing documents many times, but he couldn't help but be amazed.

Other people might not be able to finish the work in a day, but Qin Sheng only used less than half an hour. It was really too enviable.

Hong Yuan took the documents that Qin Sheng had finished processing and looked at them. He couldn't help but nod.

These questions were very subtle. If he were to look at them, it would be very difficult for him to see through them.

Qin Sheng didn't want to stay in the company anymore. She opened her mouth and said, "You can start preparing to sell the house under the name of Chen's real estate."

Hong Yuan was stunned. "Boss, isn't the price still low? It won't go up much in a short period of time. Are you sure?"

Qin Sheng smiled. "Very soon, the price of the houses will soar."

Soon, there would be an order to build a school nearby.

The houses nearby would become school district buildings.

School district buildings were always in high demand.

In a short period of time, the price of the houses would rise to a very high level.

In her previous life, Fei Long Group earned a lot of money because of this.

Qin Sheng clearly remembered that if it had been anyone else, Qin Sheng would not have interfered and snatched the Chen Corporation away. However, Qin Sheng did not want to show mercy to the Fei Long Group.

Coincidentally, she wanted to develop a real estate company. The housing in that area was a shortcut to her success.

Hearing Qin Sheng's confident words, Hong Yuan was a little curious. "Boss, how do you know?"

Qin Sheng glanced at Hong Yuan indifferently. Hong Yuan instantly recalled his past experiences.

He didn't dare to doubt Qin Sheng anymore.

It seemed that as long as Qin Sheng wanted to do something, there was nothing that couldn't be achieved.

Qin Sheng seemed to have a kind of natural magic that could make the things in her hands very simple..

Chapter 448 Ridiculed

Qin Sheng stood up. "Uncle Hong, also, prepare to buy that piece of land in the north of the city. I will transfer the funds into your account."

Hong Yuan was very surprised. "Boss, that piece of land seems to have caught the eye of Qin Real Estate."

Qin Sheng smiled. "It's because they have taken a fancy to it that I want to snatch it."

After Qin Hai received insider information, that place would soon be expropriated.

The expropriation would be a huge amount of money.

Qin Hai was thinking that he could use this time to make some money and help the Qin Corporation get out of the crisis.

Although he had received several hundred million from Feng Shuo, the Qin Corporation's real estate had suffered a great loss. Many companies had canceled their cooperation with him and had not fully recovered until now.

Qin Hai was determined to get that piece of land.

In fact, if Qin Hai wanted to buy it, he would have bought it long ago.

It was just that Qin Hai wanted to get that piece of land at a lower price, but the other party was not willing to give in.

Thus, it dragged on for four to five days.

Qin Hai knew that the other party needed money urgently, so Qin Hai was waiting, waiting for the seller to take the initiative to look for him.

In his previous life, Qin Hai had indeed bought that piece of land at an extremely low price.

Later on, it had increased tenfold.

Qin Hai had earned 600 million from it.

Qin Sheng did not want Qin Hai to have a good time this time.

"Boss, is that piece of land going to rise in value again?" Hong Yuan asked.

Hong Yuan roughly understood Qin Sheng's character. Qin Sheng would not do business that lost money.

Since Qin Sheng was willing to fight with Qin Hai for that piece of land, that piece of land must have a very high value.

Even if Qin Sheng wanted to take revenge on the Qin family, if that piece of land was not valuable, Qin Sheng would not interfere.

Qin Sheng raised her eyebrows. "Or else?"

Hong Yuan secretly felt nervous for Qin Hai. It was alright to offend anyone else, yet he had to offend Qin Sheng. If Qin Sheng wanted to destroy Qin Real Estate, it was very simple.

Qin Sheng continued: "The day after tomorrow, you will go and contact the seller. Presumably, sign the contract as soon as possible. He won't disagree."

"Okay, I'll make the arrangements right away." Hong Yuan nodded.

Because Fang You was still dealing with the company's restructuring, Qin Sheng did not leave this matter to Fang You. Instead, she left it to Hong Yuan.

After arranging these matters, Qin Sheng left the company very quickly and did not dare to stay any longer.

Yu Bei was caught talking bad about Qin Sheng behind her back. This time, Yu Bei did not have the face to look for Qin Sheng to solve the procedural problems. He was so embarrassed that he could not hold it in.

As soon as Qin Sheng left, he ran to Su Yixiu's side to complain.

"Look, isn't she very irresponsible? She doesn't even treat this company as her own."

Su Yixiu did not speak.

Yu Bei was still complaining non-stop. "She has only been here for less than an hour and a half, and she's already running faster than a rabbit. Presumably, she's been here seven times during summer vacation. This is already a compliment. I don't know if it even reached five times."

"Boss."

Su Yixiu suddenly looked towards the door.

Yu Bei's body stiffened, and cold sweat broke out on his back.

His back was facing the door, but he could already feel Qin Sheng staring at him...

Yu Bei turned around stiffly, "Boss, I didn't say anything."

He lowered his head, looking like he was admitting his mistake obediently.

The laughter of an employee came from the surroundings, "Brother Bei, Boss has left. Don't be afraid."

Only then did Yu Bei raise his head. As expected, he did not see Qin Sheng. It turned out that Su Yixiu was lying to him!

Yu Bei was furious. "Su Yixiu, I'm telling you this because I trust you. How dare you set me up!"

Su Yixiu glanced at him indifferently and ignored him.

He took the documents and went to Hong Yuan's office..

Chapter 449: Battle

Translator: Dragon Boat Translation **Editor:** Dragon Boat Translation

Yu Bei glared angrily at Su Yixiu's back. No, he had to teach this brat a good lesson. Otherwise, he would not know who his senior was.

Of course, the final result was that Yu Bei was tortured by Su Yixiu until he doubted his life.

Yu Bei also deeply realized that a genius could not be provoked.

—

Hong Yuan followed Qin Sheng's instructions and got a contract. The contract said that he would spend 120 million to buy the land in the north of the city.

On the third day, Hong Yuan went to the seller with the contract.

The seller was also the boss of a company. When he first bought this land, he wanted to make a good profit.

However, the company was in a crisis, so he had to sell it.

To buy this piece of land, because it required a lot of money, the people who wanted to buy it basically couldn't afford it.

And those who had the ability really looked down on this area.

Only Qin Hai, who knew the inside story, was interested in that piece of land.

However, Qin Hai thought of buying it at the lowest price, but the seller was unwilling, so he kept delaying it.

Hong Yuan brought his assistant over to look for Gu Wen.

Gu Wen frowned and said, "Are you sent by Qin Hai?"

Before Hong Yuan could say anything, Gu Wen continued, "It's impossible to buy this land for 60 million. Tell Qin Hai that he doesn't need to contact me anymore."

Gu Wen's attitude was tough. He would rather the company go bankrupt than sell the land cheaply.

Hong Yuan said very politely, "President Cru, you've misunderstood. I'm not Qin Hai's person."

Gu Wen sized up Hong Yuan and frowned. "You are?"

Hong Yuan handed Gu Wen a business card. "I'm the deputy manager of Shenghua Real Estate, Hong Yuan."

Although both the gaming and real estate companies belonged to Qin Sheng, Qin Sheng did not use the same name for both companies.

Right now, the company's foundation was still shallow. If it attracted the attention of other companies, it would be big trouble.

Although Qin Sheng could handle these problems well, no matter how bad it was, she still had Fu Hanchuan's help.

However, some problems were better to avoid if they could be avoided.

Gu Wen recalled for a moment. He had never heard of any Shenghua Real Estate. There were not many companies that could take out tens of millions or hundreds of millions in one go.

It was impossible for them to not have any reputation in H City.

However, this was not something that he needed to consider. The important thing was that Hong Yuan came over to buy land.

Gu Wen's tone was unyielding. "Without 100 million, there's no deal."

Hong Yuan smiled. He glanced at his secretary. The secretary understood and handed the contract in his hand to Gu Wen.

"President Gu, take a look at this contract. I believe it can reach the amount in your heart," Hong Yuan said very confidently.

Gu Wen had some doubts. He took the contract and flipped through it very seriously. He saw the amount on the three-page contract at a glance 120 million!

Gu Wen was stunned.

Hong Yuan raised his eyebrows and asked, "How is it?"

Gu Wen couldn't believe that Hong Yuan would give such a large sum of money. Businessmen valued profits the most. Who didn't want to buy his land at a low price?

However, this contract clearly stated it.

Hong Yuan offered twice the price of Qin Hai.

Gu Wen only thought for a while, then looked at the other parts of the contract. There was no problem. He said, "Okay."

Gu Wen signed the contract without hesitation.

Hong Yuan also signed it.

He stretched out his hand to Gu Wen. "Happy cooperation."

Gu Wen replied, "Happy cooperation."

Hong Yuan left. Gu Wen held the contract in his hand and felt like he was in a dream.

That piece of land was not only sold, but it was also sold for a price of 120 million yuan. It was even higher than the price he wanted in his heart by 20 million yuan...

Chapter 450 How Much Did They Give You

Gu Wen narrowed his eyes and looked at the business card in his hand.

Hong Yuan.

He frowned.

At this moment, his assistant ran in. "President, Qin Hai is here."

Gu Wen's eyes flashed with disdain. "Tell him to come to the reception room."

Gu Wen's company was very small, but it also had a simple reception room.

Qin Hai was drinking tea when Gu Wen came in. He didn't even look at him and said disdainfully, "President Gu, have you thought about it? I don't have much time to waste with you."

Gu Wen didn't answer. He walked over and sat opposite Qin Hai.

The secretary brought him a cup of tea.

Qin Hai saw that Gu Wen didn't pay attention to him and became impatient. "President Gu, do you want to sell it for 60 million yuan?"

Gu Wen raised his eyes lazily. "I've said it before, I will only go as low as 100 million yuan. President Qin, it's been almost two years since I bought that land for 50 million yuan. You still want to buy it for only 60 million yuan? Your wishful thinking is really good."

Qin Hai sneered. "President Gu, you don't have a choice. Aren't you in a hurry to sell it? Unfortunately, no one else is willing to buy it except for me."

Qin Hai had accidentally helped a person with a strong background. In order to repay him, the other party had specially revealed this information to him.

He was certain that the land would be expropriated.

If that land was in his hands, he could make a good profit.

The amount of money expropriated would definitely be more than 100 million.

Qin Hai's current company had been collecting money everywhere, but he could only take out a total of 90 million.

Qin Hai had no way of taking out 100 million.

Gu Wen did not waver. "President Qin, please go ahead. The price is not negotiable."

He looked at his assistant. "Chen Chen, send President Qin out."

"Wait."

Qin Hai stood up. He had to get that piece of land today.

However, seeing Gu Wen's confident expression, he could only take a step back. "President Gu, let's meet each other halfway. How about 80 million?"

Gu Wen sneered. "100 million."

Qin Hai looked displeased. "Gu Wen, don't push your luck!"

Gu Wen put down his teacup. He didn't want to deal with Qin Hai anymore.

"President Qin, to tell you the truth, that piece of land has been sold. Please go back."

Sold?!

Qin Hai widened his eyes in disbelief. "How is that possible?!"

Gu Wen sneered. "Qin Hai, your price was unfair. You tried your best to lower the price. Of course, I have to sell this land to someone else."

"How much did they give you?" Qin Hai questioned.

In Qin Hai's eyes, he had asked Gu Wen to buy the land first. Even if the price was not high enough, Gu Wen should have asked for his opinion first. If he did not want it, only then could he sell it to someone else.

What he could take out was only 10 million short of the 100 million Gu Wen had asked for.

if he went to raise it, he could still raise it.

He had already made up his mind. If Gu Wen was really unwilling to give in and he agreed to give him this 100 million, what would happen?

It would not be long before he could take back the money.

Now, he was telling him that he had already bought the land?

Gu Wen smiled and replied, "120 million."

Qin Hai couldn't control his emotions and ordered, "Gu Wen, quickly cancel the cooperation. I'll give you 100 million if you sell the land to me."

Gu Wen looked at Qin Hai as if he was looking at a fool. "100 million? Compared to 120 million, why would I sell the land to you?"

Hearing this, Qin Hai was even more annoyed. "Gu Wen, who bought the land?"

"I don't need to tell you this."

Gu Wen looked at his assistant. "See the guest out."
