

Bigshot 471

Chapter 471 Began the Counterattack

After Qi Ping left, Qin Hai immediately instructed Li Yan, "Issue a statement saying that the one who framed Shenghua Real Estate was Qi Ping's personal action and had nothing to do with the company. Also, arrange a water army to guide public opinion and make sure to minimize the impact on the company." Li Yan did as she was told.

This time, Qin Hai also spent a lot of money on the marketing number.

Almost all the comments were favorable to Qin Real Estate.

Below the marketing account, a lot of netizens were echoing.

Naturally, those passersby who did not know the truth were led astray.

Only those who had watched the live broadcast of the press conference were ridiculing Qin Real Estate.

[Tsk tsk, they are leading the public opinion. These marketing accounts and most of the people are protecting Qin Real Estate. I can only say that they are rich and willful.]

(Pushing everything onto one person. Good plan. This Qi Ping is just a scapegoat. A small department manager dares to deal with such a big company? What a joke!) [I am waiting for Shenghua Real Estate to make a move.]

Qin Hai had invited too many spammers. The comments of those who had watched the live broadcast were all suppressed.

The hot comments were all spammers' comments.

Qin Sheng casually glanced at Weibo. When she saw these comments, she smiled indifferently.

At this moment, Fang You called.

Qin Sheng picked up. Fang You hurriedly said, "Boss, when will you upload that recording?"

Fang You's voice was faintly excited.

As Qin Hai's sworn enemy, he was also used to Qin Hai's despicable methods. Fang You had long disliked Qin Hai. It was just that the strength of the two companies was about the same, so he couldn't teach Qin Hai a good lesson.

Now that he had this opportunity, Fang You was naturally looking forward to it.

He could imagine that when Qin Hai heard the conversation he recorded, his face would be as red as a pig's liver.

Qin Sheng replied very calmly, "There's no rush. I'll send you some message records before you send that recording." When Fang You heard it, he felt that what Qin Sheng said was good stuff.

He quickly agreed, "Okay, Boss. I'm not in a rush. Take your time."

Qin Sheng put down her phone and turned on her computer.

She hacked into one of the water army accounts and found the water army who had joined a group. The group leader was the water army leader.

Qin Sheng narrowed her eyes and hacked into the water army leader's account.

It was Li Yan who had contacted the water army leader. Their chat records were still preserved.

Qin Sheng directly intercepted the chat records and then hacked into Li Yan's QQ account to find the registered cell phone number.

She packaged them and sent them to Fang You.

When Fang You saw these chat records, he was also stunned.

She could even dig it out?

SU

Fang You suspected that Qin Sheng had a hacker expert under her. After all, the surveillance between Chen Gui and the department manager was also very difficult to get out. However, when he thought of Yu Bei and the others, Fang You felt relieved again. Fang You rarely went to Shengshi Technology, so he did not know that Qin Sheng was also a hacker expert.

Now that he had the evidence to tear apart Qin Hai's face, Fang You could not think of anything else. He directly contacted a marketing account that was very close to him.

That marketing account was also very famous. It had tens of millions of fans on Weibo.

[Fang You: Brother, this is the evidence that Qin Hai personally arranged for a department manager in the company to go and find Chen Gui to slander Shenghua Real Estate. There is also evidence that Qin Hai's secretary personally invited the water army.]

Chapter 472 Counterattack 2

The marketing account owner took a look at the recording and pictures Fang You had sent him.

He replied very quickly.

[Gossipy Marketing Account: F*ck, Old Fang, so explosive? Tell me, where did you find this evidence? Do you know a powerful hacker? Why don't you introduce him to me?]

This marketing account owner was also a man of words. After that, he spoke a very long speech.

Because he had something to ask the marketing account owner for help, Fang You had been very patient in dealing with him.

After half an hour, the marketing account owner finally stopped chattering.

(Gossipy Marketing Account: Old Fang, don't worry, this matter will definitely be handled well for you.)

The marketing account owner threw all this evidence onto Weibo.

[Gossipy Marketing Account: Everyone, come and take a look at someone's real face. Qin Hai is really throwing the blame. @Qin Real Estate]

The previous incident had caused a huge commotion. Although Shenghua Real Estate could be considered a new company, there were still many people who were paying attention to this matter.

As soon as this Weibo post from the marketing account was posted, instantly, there were many replies.

By the time Qin Hai noticed it, there were already hundreds of replies under this Weibo post.

When Qin Hai clicked on that audio, he was so angry that his face turned pale.

How could it be?

That despicable person Fang You had recorded their conversation!

With this evidence, Qin Hai had no way of refuting it.

He slumped in his office chair, his face drained of color.

Li Yan pushed open the office door and walked in quickly. She said anxiously, "Chairman, the police are coming to the company." "Police!"

Qin Hai suddenly stood up. He couldn't believe it. "Fang You actually reported the case!"

Qin Hai was panicking. If he were to go to jail, wouldn't he be completely humiliated?

"No, I have to find someone to help me."

Qin Hai picked up the suit jacket that was casually placed on the sofa and walked out.

When he opened the door, he met the police who had just arrived. They showed their police officer identification. "Qin Hai, right? Please come with us."

With a pale face, Qin Hai could only follow the police officers to the police station.

In the end, Qin Hai was locked up for two days before he was released. This was the result of his connections.

The reputation of Qin Real Estate had collapsed, and several partners had withdrawn their cooperation with Qin Real Estate.

Qin Hai had spent millions of dollars to hire marketing numbers and the water army.

This time, he had lost and was forced to fold. Shenghua Real Estate had the backing of HD Group. When HD Group dealt with Qin Real Estate, it was as easy as stepping on an ant.

Qin Hai did not dare to provoke Shenghua Real Estate again.

Qin Sheng had previously arranged for Hong Yuan to investigate Qin Hai's recent whereabouts.

Two days later, Hong Yuan sent the report to Qin Sheng.

Qin Sheng looked at Qin Hai's schedule and her gaze finally landed on a land auction.

It was a land auction three days later. It was an auction held in H City for six pieces of unused land.

Qin Sheng narrowed her eyes.

In her previous life, Qin Hai had indeed participated in the auction. He had bought a piece of land to use as an amusement park. That piece of land was very big. Just that piece of land alone would cost him 200 million yuan.

In this life, Qin Hai probably wouldn't be able to take out so much money.

Then, he would probably settle for the second best and buy a piece of land that was cheaper. Qin Sheng's fingertips tapped lightly on the table. After a long while, her hand paused, and the corners of her lips slowly curled up.

Then, she contacted Hong Yuan.

"Uncle Hong, tell Qin Hai the news. Let Qin Hai feel that the piece of land in Red Lake that H City is preparing to auction is very useful."

Once Hong Yuan heard Qin Sheng's words, he knew that Qin Sheng was scheming against Qin Hai.

Chapter 473 Counterattack 3

Hong Yuan had long disliked Qin Hai. This time, Qin Sheng had caused Qin Hong to fall flat on his face when he plotted against Shenghua Real Estate. He felt very happy.

He had thought that this matter would pass just like that. Unexpectedly, Qin Sheng had started to deal with Qin Hai again.

Hong Yuan hurriedly agreed. "Okay, I'll do it later."

After saying that, Hong Yuan asked very carefully, "Boss, is there anything wrong with the land at Red Lake?"

Qin Sheng glanced at Hong Yuan and smiled. "In three months, H City will build a dock there."

If Qin Hai bought that area, he would definitely think of building houses there.

She was afraid that the land would be taken back by H City when the houses were halfway built. Even if Qin Hai was lucky, and the land was kept for Qin Hai...

The dock was noisy. No one was willing to buy the houses there even if they were built.

Thus, Qin Hai had no choice but to stop the construction of the houses.

Perhaps Qin Hai would get a part of the compensation, but the compensation was far less than the time and financial resources that Qin Hai would spend on the land.

Upon hearing this, Hong Yuan secretly broke into a sweat for Qin Hai.

How could he offend his boss?

Hong Yuan did as Qin Sheng instructed.

Under Hong Yuan's special arrangement, Qin Hai noticed the piece of land near Red Lake.

He asked his subordinates to investigate that piece of land. The more he thought about it, the more he felt that it was worth it. It was very cheap. It only cost about 60 million yuan, which was more than 100 million yuan less than the piece of land that he originally had his eyes on.

The funds in Qin Hai's hands were enough now.

On the day of the auction, Qin Hai arrived at the venue early.

There were many representatives of companies nearby. Usually, they were from real estate companies. Of course, there were also some companies from other industries.

The auction had not started yet.

The representatives of those companies were talking. Qin Hai had wanted to join their conversation countless times, but only a few people would pay attention to him.

After the incident at Shenghua Real Estate, Qin Hai's reputation was very bad. Plus, Qin Real Estate was far from enough in H City, so these companies didn't want to continue their relationship with Qin Hai.

Qin Hai's expression was very ugly. No one knew if he was angry or embarrassed.

"Chairman." Li Yan was also very embarrassed.

Qin Hai gave a cold snort. "Don't mind them."

Those people did not treat him well, so he did not need to send his face up to them to be trampled on.

Qin Hai and Li Yan sat in the seats of the auction.

The representatives of those companies were all talking, and it was still early. Only a few people were sitting in their seats and playing with their phones.

Li Yan also looked at her phone for a while, then stood up.

When she caught a glimpse of a familiar figure, her gaze paused and she was very surprised. "Qin Sheng?"

Qin Hai frowned. "It's impossible for her to have the opportunity to come to such a place. You must have seen wrongly."

Li Yan also frowned. "Did I get it wrong?"

Qin Hai followed Li Yan's gaze and indeed, he saw Qin Sheng.

Why was she here?

Qin Hai's gaze then fell on the man next to Qin Sheng. This man was Fu Hanchuan.

Qin Hai's brows furrowed even tighter. Could it be that this man was the one who had been protecting Qin Sheng all this while and had given Qin Sheng the opportunity to enter the Luxury Hotel? Qin Hai's location was near the corridor. Qin Sheng passed by Qin Hai, and since Qin Hai was standing, Qin Sheng naturally saw Qin Hai. She calmly averted her gaze, pretending that Qin Hai didn't exist.

She walked past Qin Hai with Fu Hanchuan.

Chapter 474 Counterattack 4

Qin Hai felt uncomfortable being ignored by Qin Sheng. Even if Qin Sheng had severed their relationship, she was still his blood-related daughter. When Qin Sheng saw him, she had to be respectful to him.

“Qin Sheng,” Qin Hai shouted in a deep voice.

Qin Sheng stopped and turned around. “Mr. Qin, what’s the matter?”

“This is an auction. What are you doing here?” Qin Hai questioned.

Qin Sheng looked around and was very curious. “Mr. Qin, you can come in. Why can’t I?”

Qin Hai suddenly pointed at Fu Hanchuan. “He brought you in, didn’t he?”

Qin Sheng’s gaze was very indifferent and didn’t answer Qin Hai’s question.

Qin Hai felt that he had guessed correctly. “Qin Sheng, this is the man who kept you.”

Qin Hai’s tone was very certain.

If it were not for the fact that Qin Sheng had someone backing her, she would not have lived such a comfortable life.

She could even get Feng Shuo to help her break away from the Qin family.

Qin Hai could not help but suspect that when the Qin family was in danger, it was also because of this man behind Qin Sheng.

Only, Qin Hai could not believe that this man had such ability.

Fu Hanchuan narrowed his eyes dangerously. “Chairman Qin, think before you speak.”

Fu Hanchuan’s gaze was very cold.

Qin Hai glanced at Fu Hanchuan’s eyes and brows. He felt that they were very familiar, as if he had seen them somewhere before.

However, if he had seen such an extraordinary man before, he would definitely recognize him.

Qin Hai extended his hand and smiled ingratiatingly. “Sir, how do you do? I am Qin Sheng’s father, Qin Hai.”

Fu Hanchuan merely glanced at him indifferently and ignored Qin Hai.

Just like that, Qin Hai’s hand froze in the air.

With an awkward expression, he could only withdraw his hand.

“Sir, how should I address you?”

Qin Hai had hit a wall with Fu Hanchuan. He was not willing to give up. After all, Fu Hanchuan must be a very capable person with an excellent background. or else, he would not have asked Feng Shuo to help Qin Sheng.

The hundreds of millions that Feng Shuo had injected into Qin Real Estate must have come from this Fu Hanchuan.

There were not many people who could casually take out this money.

Right now, Qin Hai was thinking of using Qin Sheng to curry favor with Fu Hanchuan and get him to help Qin Real Estate.

Fu Hanchuan smiled and did not leave any face for Qin Hai. "I don't need to report to Chairman Qin how you should address me."

o

Qin Hai became embarrassed again. He clenched his fists and said again, "Sir, look, I am Qin Sheng's father, and Sheng'er is my daughter. Since you are with her, I have to know your identity and background out of consideration for Sheng'er, right?"

Qin Hai said matter-of-factly, "Even if you don't tell me your identity, you must at least tell me your name."

Qin Hai was trying to find Fu Hanchuan's identity through Fu Hanchuan's name.

Fu Hanchuan naturally saw through Qin Hai's purpose.

He sneered, "Chairman Qin, Sheng Sheng has already left your Qin family. It's also stated in the disconnection letter that Sheng Sheng will have no relationship with your Qin family in the future. Chairman Qin, aren't you being a little too controlling?"

Qin Hai was speechless for a moment.

Fu Hanchuan also knew that as long as Qin Sheng was useful, Qin Hai would always want to suppress Qin Sheng with her blood relationship, regardless of her identity and disconnection letter.

Since Qin Sheng was worried about trouble, he would help Qin Sheng reduce this trouble.

Fu Hanchuan warned, "If you still dare to find trouble with Sheng Sheng, don't blame me. To tell you the truth, the crisis in your Qin Real Estate last time was my doing."

Fu Hanchuan had lied and blamed himself for what Qin Sheng had done.

He wanted to give Qin Hai some deterrence and did not want Qin Hai to know how powerful Qin Sheng was.

If he knew, at that time, Qin Hai would not let Qin Sheng off.

Chapter 475 Counterattack 5

Qin Hai's face turned pale. It was really Qin Sheng who had seduced this man.

Qin Hai didn't dare to say anything now.

"Sheng Sheng, let's go." Fu Hanchuan tilted his head. When his gaze landed on Qin Sheng, it instantly softened.

“Okay.” Qin Hai watched helplessly as Qin Sheng and Fu Hanchuan left together. They walked upstairs. Qin Sheng did not give Qin Hai a single glance throughout the entire process, completely ignoring him. Qin Hai was so angry that his face turned ashen.

He kept looking at the backs of Qin Sheng and Fu Hanchuan with a heavy gaze.

Then, he saw them enter the private room together. The private rooms in the auction house here were usually reserved for people of high status.

The man who kept Qin Sheng could actually enter the private room!

Qin Hai sat back in his seat. He really wanted to curry favor with Fu Hanchuan, but Qin Hai didn't dare to forget Fu Hanchuan's warning.

Qin Hai sat back in his seat.

“Chairman, this...” Li Yan wanted to say something, but she stopped herself.

“Don't worry about her.” Qin Hai was angry. “She ran into the private room alone and let her father sit here. I, Qin Hai, can't afford to have such a good daughter like Qin Sheng.”

If Qin Sheng let him sit in that room, it would be a matter of pride.

Those people would also think that he had a strong backer.

At that time, would they dare to look down on him?

However, Qin Sheng was born with a rebellious bone. Qin Hai couldn't do anything to Qin Sheng

He had never benefited from Qin Sheng when he fought with Qin Sheng.

The more Qin Hai thought about it, the angrier he got.

He looked in the direction of Qin Sheng and Fu Hanchuan's private room again, his eyes full of gloom.

Li Yan sensed Qin Hai's displeasure and didn't dare to say anything more.

Fang You walked in.

As the general manager of Shenghua Real Estate, and the backing of Shenghua Real Estate was HD Group, many people wanted to talk to him as soon as he walked in.

Fang You was very polite.

“Chairman, Fang You is also here,” Li Yan lowered her voice.

Qin Hai frowned. “Fang You?”

He looked in the direction Li Yan was pointing and saw that Fang You was surrounded by many people. They seemed to be very respectful to Fang You.

Qin Hai clenched his fists.

He looked in the direction of Fang You with a gloomy face.

Fang You raised his hand and looked at his watch. There were still fifteen minutes before the auction started.

He nodded and said, "Director Li, Director Chen, it's about time. We'll talk again when we have time."

The few of them quickly replied, "Okay, okay, okay. Chief Fang, you go and do your work first."

Fang You also walked past Qin Hai. Qin Hai had never been on good terms with Fang You. After the incident at Shenghua Real Estate, Qin Hai hated Fang You to the core.

Fang You also saw Qin Hai.

He ignored him and walked past Qin Hai.

Qin Hai didn't dare to provoke Fang You, so he could only swallow his unwillingness. Fang You came to Fu Hanchuan and Qin Sheng's private room and pushed the door open.

Li Yan was very surprised. "Chairman, is this room related to the man just now?"

Qin Hai frowned.

Li Yan told him her guess. "Could it be that this man is the behind-the-scenes boss of Shenghua Real Estate?"

Qin Hai looked at Li Yan. Li Yan was very nervous. "Chairman, did I guess wrong?"

Qin Hai retracted his gaze and sneered. "I didn't guess wrong. He should be from Shenghua Real Estate."

"Chairman, then what about that piece of land last time?"

Qin Hai's face darkened, "Isn't it related to Qin Sheng? Or else, why would they snatch it from me?"

"It must be Qin Sheng who sent her lover to deal with Qin Real Estate. I regret it very much. Why did I bring her back? Qin Sheng is a jinx. Ever since she came back, not a day has gone by peacefully!"

Chapter 476 Auction 1

Li Yan lowered her eyes. She did not hear the rest of the words clearly.

It seemed that Qin Real Estate was about to collapse. It was only a matter of time before it went bankrupt.

She had to start looking for a way out for herself.

Li Yan and Qin Hai were more than ten years apart. Of course, Li Yan was with him not because she liked Qin Hai, but because she liked Qin Hai's property.

If the Qin Corporation went bankrupt, she would not be able to benefit from Qin Hai.

There was no need for her to continue to be with Qin Hai.

Li Yan had disguised herself well. She had wanted to leave a long time ago, but Qin Hai did not notice.

—
In the private room.

Fang You walked in and called out respectfully, “Boss.”

Fu Hanchuan took a glass of fruit juice and came in. Then, he sat next to Qin Sheng. He and Qin Sheng were very close. Fang You was stunned for a moment.

This was his boss’ boyfriend?

And judging from his appearance and temperament, he was not simple either. Fu Hanchuan passed the juice to Qin Sheng. Qin Sheng smiled and took it.

The more Fang You looked, the more he felt that they were a good match.

Qin Sheng looked up. “Uncle Fang, I’ll leave the auction to you.”

“Okay.” Fang You nodded.

He sat on a sofa next to Qin Sheng.

As soon as he touched the sofa, he stood up again.

He sat a little further away from Qin Sheng. That man’s aura was too strong, so it was better not to get too close to him.

Moreover, he had a feeling that if he got closer to Qin Sheng, this man would give him cold air.

The auction began very soon.

Qin Hai didn’t like most of the land in the previous auction. The ones he liked were all expensive. With Qin Hai’s current funds, there was no way he could buy them.

Qin Hai was waiting for the last piece of land, the land by Red Lake.

Li Yan paid attention to the movements in Qin Sheng’s private room. Seeing that they didn’t participate in the auction, Li Yan became suspicious. “Chairman, is Shenghua Real Estate also waiting for the last piece of land to be auctioned?”

Qin Hai also thought of this. He said in a deep voice, “No matter what, we have to take this piece of land.”

When Fang You saw that the last auction had begun, he sat up straight. The host introduced the auction on stage and then said, “The bidding begins now. The starting price is 40 million, and each bid is no less than one million.”

Because this place was close to the lake, it was difficult to set up a factory. There were less than four real estate companies participating in the auction.

“43 million.”

“44 million.”

“45 million.”

“50 million.”

In the end, the voices became quieter and quieter.

Only two companies were bidding.

Qin Hai raised the card in his hand. “60 million.”

When he said this number, Qin Hai subconsciously looked in the direction of the private room.

There was no movement there.

Up until now, Shenghua Real Estate had not participated in the competition for a piece of land.

Qin Hai frowned. Maybe Qin Sheng and the others just came to take a look and did not think of competing with him for the land?

Qin Hai was slightly relieved.

He was very worried that Shenghua Real Estate would go against him and raise the price of the land. Qin Hai did not have much money on hand, so he could not afford to pay too high a price.

His 60 million was already considered a relatively high price, so there should be no one who would fight with him.

The host stood on the stage and asked, “Is there any price higher than 60 million?”

Qin Hai’s palms were sweating profusely. He was nervous.

“60 million, going once.”

“60 million, going twice.”

“60 million, three...”

Before the host could say anything, there was a sound from the private room. It was Fang You’s voice.
“65 million.”

Chapter 477 Auction 2

The host smiled and said, “The person in Private Room 1 gave a high price of 65 million. Is there anyone higher than 65 million?”

“Chairman, this...” Li Yan was very anxious. At that time, the highest price that Qin Hai estimated was only 60 million.

Now, the people of Shenghua Real Estate directly jumped to 65 million.

Qin Hai’s face darkened. He raised the card in his hand again. “66 million.”

Did Fang You let Qin Hai off? “70 million.”

171 million.”

Fang You continued to raise the price. "80 million."

Qin Hai: "90 million."

Hearing this, Fang You asked Qin Sheng, "Boss, do we still need to raise the price?"

Qin Sheng's lips curled into a smile. "Raise!" Fu Hanchuan knew that Qin Sheng wanted to teach Qin Hai a lesson. Qin Sheng did not want to buy this piece of land. She was only raising the price now. Fu Hanchuan's eyes were filled with affection. Since his little girl liked to play, he would accompany her.

Fu Hanchuan poured a new cup of fruit juice in his hand and handed it to Qin Sheng.

Fang You was a little worried. "Boss, will he not raise the price?"

Fu Hanchuan answered first. "If Qin Hai doesn't raise the price, I'll pay for the land."

Qin Sheng looked at Fu Hanchuan in surprise and nodded. "Yes, don't worry." Fang You: "..."

Was he imagining things?

On the stage, the host waited for quite a while for the people in Private Room 1 to continue bidding. She asked again, "90 million. Is there a higher price than 90 million?"

Qin Hai stared nervously at the private room. 90 million was already the limit for him.

If there was any more, he would have to borrow it from someone else.

Fang You's voice sounded again. "95 million."

Qin Hai held his breath. It was obvious that Fang You was going against him.

They had come to Shenghua Real Estate today to snatch the land that he had set his eyes on.

Then, he had to get this land today. Qin Hai did not want to lose to Shenghua Real Estate.

He gritted his teeth and shouted, "100 million."

As soon as Qin Hai finished speaking, a low discussion broke out in the surroundings.

"Qin Hai is willing to spend 100 million on this land? He must be blind to buy it. This land is only worth 70 million at most. It can't be too much."

"Who knows? Maybe Qin Hai has money but no place to spend it."

"Qin Hai has money? Ha, have you forgotten that Qin Hai encountered a crisis previously? Moreover, I've also heard that Qin Hai has lost a lot of cooperation in the past few days. How could he have money?"

However, someone had just seen someone enter the private room.

He rubbed his chin and said, "In the private room, the person bidding against Qin Hai is Fang You. Fang You is the general manager of Shenghua Real Estate. Do you think that the two families are fighting to see who wins?"

Those people all felt that the man's words were very reasonable.

They suddenly came to a realization. "Let's not talk about it. Maybe it's really because of this reason. Qin Hai had previously framed Shenghua Real Estate and caused the reputation of Shenghua Real Estate to fall. Fortunately, this matter was resolved. I think Shenghua Real Estate must not be convinced, so they wanted to fight with Qin Hai for this piece of land."

"Yes, yes, yes, it should be like this. It seems that we can watch a good show today."

"Qin Hai is looking for trouble for offending Shenghua Real Estate. You must know that the background of Shenghua Real Estate is the HD Group. If the HD Group wants to deal with Qin Real Estate, wouldn't it be as easy as stepping on an ant?"

At this time, beads of sweat appeared on Qin Hai's forehead.

He was worried that Shenghua Real Estate would continue to increase the price.

Chapter 478 Auction 3

Qin Hai was now in a dilemma.

He wasn't willing to give up, but he would also become a joke.

If he didn't give up, he wouldn't be able to afford such a high price.

In the private room, Fang You looked at Qin Sheng again. "Boss, is it alright now?"

There was a big screen in the private room, which could clearly see the auction downstairs.

Qin Sheng's gaze fell on Qin Hai. When she saw that his face was pale, she smiled and said, "Continue."

"Okay."

Another bid was raised for the room. "110 million."

"Chairman." Li Yan wanted to advise Qin Hai not to raise the price anymore. After all, that piece of land was far from worth 100 million. However, Qin Hai had already said, "120 million!"

"Okay, 120 million." The host's voice was very excited, "Qin Real Estate offered a price of 120 million. Chairman Qin is really rich. I wonder what price the Shenghua Real Estate in Private Room 1 will offer next?"

Now, Qin Hai also understood that he was acting on impulse. The total amount of funds available to the company was only about 90 million.

120 million, it was far more than 90 million.

If he really bought it at this price, he couldn't afford it and could only borrow it. However, the bank might not agree to lend it to him.

"Chairman." Li Yan frowned. "Are you acting impulsively? What if Shenghua Real Estate doesn't follow the price?"

“No, they will definitely follow. Yan’er, you don’t have to worry.” Qin Hai comforted Li Yan. It was more like he was comforting himself.

“If Shenghua Real Estate wants to beat me, they will definitely follow. I just happen to be able to let Shenghua Real Estate be this sucker, right? If Shenghua Real Estate raises the price again, I will just let them be and not follow.”

With that being said, Li Yan felt that things were not that simple.

Fang You was not a fool. Not to mention that with that man around, they would not be willing to spend hundreds of millions of yuan to buy a piece of land that was only worth tens of millions.

Li Yan had a feeling that this was a trap set by Shenghua Real Estate for Qin Hai. They were just waiting for Qin Hai to jump down.

“I hope so.” Li Yan was not in a good mood.

Qin Hai also prayed in his heart that Shenghua Real Estate followed the price.

In the private room, when Fang You heard Qin Hai shout out 120 million yuan, he asked again, “Boss, do you want to follow?”

Qin Sheng narrowed her eyes and continued to look at Qin Hai.

Fu Hanchuan also observed Qin Hai’s expression for a while and analyzed, “Qin Hai is already nervous. His secretary is also talking to him. She must be trying to persuade him. If you follow this time, Qin Hai will give up.”

Fang You listened, and he also looked at the screen.

After a while, he did not see anything. Fang You gave up.

“Brother Fu’s analysis makes sense. I won’t follow this time. Our Shenghua Real Estate is not a sucker.”

Qin Sheng was very stingy. This piece of land was obviously worthless, not to mention that it would be taken back by H City at a low price in the future.

Qin Sheng was unwilling to do such a loss-making business.

At the auction venue downstairs.

The host had already called for the second time. “120 million twice. Will Shenghua Real Estate in Private Room 1 still follow?”

Qin Hai looked at the host, then at the direction of the private room, switching back and forth. He wanted to hear the bidding for the room.

However, there seemed to be no one in the private room, and there was no movement.

“120 million, three times!”

A hammer fell on the table, very loud.

Chapter 479 Auction 4

Qin Hai's body trembled as well.

"Congratulations to the chairman of Qin Real Estate, Qin Hai has bought that piece of land by Red Lake for 120 million."

The host announced loudly. After a moment of silence, there was a round of warm applause.

When Qin Hai got this piece of land, he was not happy at all.

120 million. It was 60 million more than the original price he had planned.

He was sweating all over and could not believe it. "Why is Shenghua Real Estate not raising the price? Why did they give up the land so willingly?"

Li Yan looked meaningfully in the direction of the private room.

It seemed that this was a trap set by Shenghua Real Estate.

Qin Sheng had a good backer.

No wonder she moved out of the Qin family without any reluctance and cut off her relationship with Qin Hai and Lin Shuya.

Li Yan could understand why Qin Sheng was unwilling to stay in the Qin family. Having a backer was one of the reasons.

Most importantly, Qin Hai and Lin Shuya disliked Qin Sheng and went to dote on an adopted daughter who didn't have any blood relationship with them.

No one could stand such a family.

—

In the private room.

Fang You also heaved a sigh of relief. He said with great interest, "Boss, Qin Hai's face has turned green from anger."

Qin Sheng also revealed a smile. "Qin Hai needs to rest for a while."

"I'm afraid that Qin Hai will hate our Shenghua Real Estate very much. Under normal circumstances, he would probably continue to make things difficult for us."

Fang You listened. He wanted Qin Sheng not to worry. He would deal with it well and not let the company suffer any losses. If he could not deal with it, wouldn't there still be Qin Sheng?

At this time, Qin Sheng tilted her head and looked at Fu Hanchuan. "However, with Brother Fu's threat, Qin Hai will not dare to make a move on Shenghua Real Estate."

Fu Hanchuan reached out his hand and rubbed Qin Sheng's hair. "Sheng Sheng, I also borrowed your power. Qin Hai thought that I was the one who caused the crisis at Qin Real Estate."

TO

His voice was very dotting and low.

Fang You: "..."

For some reason, he was stuffed with dog food again.

He withdrew his gaze because he didn't want to see Qin Sheng and Fu Hanchuan again.

The auction ended after ten minutes or so.

"Chairman, we don't have so much money on hand." Li Yan was very anxious.

Even if they took out all the money from the company, it would only be 85 million. They still needed 35 million more to pay the auction. This was not a small amount.

"Then go and borrow it!" Qin Hai said.

"However, the bank probably won't lend us any money. If we ask other companies to lend us money, we won't be able to raise this thirty million in a short amount of time," Li Yan analyzed.

Qin Hai was also anxious.

H City had a rule that the entire sum had to be paid on the day of the auction.

Time was tight. Normally, he would be able to borrow this 35 million, but he did not have much time left.

He gritted his teeth. "If it really doesn't work, didn't we already buy a piece of land ten days ago? Many people are eyeing it, so we'll sell it."

Li Yan frowned. She really wanted Qin Hai to reconsider. That piece of land had been snatched by Qin Hai after much effort. It was likely that the price of that piece of land would be much higher in the future than it was now.

Qin Hai's original plan was to build a villa complex for the rich here and earn a good sum of money.

Li Yan moved her lips. In the end, she swallowed back the words that she wanted to use to persuade Qin Hai.

She agreed.

This was the only way now. Li Yan didn't waste any time and quickly went to make the arrangements.

Qin Hai's face was pale. He sat in his seat and didn't move.

Chapter 480 Return To the Qin Family

Some people from other companies surrounded them.

"Chairman Qin, you are really generous. 120 million to buy this piece of land that is only worth a few tens of millions." "Chairman Qin is rich. I think this few hundred million won't affect Qin Hai."

"What's wrong with this Shenghua Real Estate? They don't want to bid anymore? I thought they would continue to bid."

“It’s a very simple reason. 120 million is not a small amount. Do you think anyone would be willing to be this sucker?”

They were praising Qin Hai for being rich, but in fact, they were mocking him.

Qin Hai was so angry that his face was ashen. He did not dare to retort back.

Most of those companies had developed better than Qin Real Estate. If Qin Real Estate was targeted by them, it would not be easy for Qin Real Estate.

He did not want to stay here any longer.

Qin Hai suddenly stood up from his seat. “I still have something to do at the company. I will leave first.”

“Chairman Qin, isn’t the auction just over? Don’t be in a hurry to leave.”

“Chairman Qin, let’s talk about the company first. There’s no hurry to leave in a few minutes. Even if Qin Real Estate is in a serious crisis, it won’t be any less than a few minutes, right?”

Qin Hai walked out of the encirclement with a solemn face and lowered his head.

Some mocking laughter came from behind.

Even if Qin Hai didn’t face them, he could feel those people pointing fingers at him. In this business circle, many people were used to mocking others and flattering high-status companies that had developed well.

Now that the Qin Corporation was in a decline, they had also offended Shenghua Real Estate. Shenghua Real Estate’s backer was HD Group, an existence that almost everyone in H City didn’t dare to provoke.

Of course, they did not have much respect for Qin Hai.

Qin Hai’s face alternated between green and white. It was a wonderful scene.

Almost everyone from the auction had left. Only then did Qin Sheng and Fu Hanchuan come out of the private room. Not long after they left the auction venue, they ran into Qin Hai.

Clearly, Qin Hai had been waiting for them to come out since the beginning. “What’s the matter?” Qin Sheng raised her eyebrows.

Fu Hanchuan walked beside Qin Sheng. When Qin Hai saw Fu Hanchuan, he was subconsciously afraid.

He moved his lips. “Qin Sheng, you can come back to the Qin family anytime.”

Qin Hai had changed his mind. Qin Sheng was of value to him, so there was no harm in letting Qin Sheng come back to the Qin family.

Qin Sheng sneered. “It wasn’t easy for me to leave the Qin family. Do you think I will go back?”

Qin Hai’s chest was filled with anger. However, at this moment, he did not dare to vent it out on Qin Sheng

He spoke nicely, “Sheng’er, after you came back, your mother and I neglected you. You were not raised by our side, so it’s inevitable that we would be biased. Sheng’er, don’t worry. We’ll definitely treat you

well and do our duty as parents.” Qin Sheng asked with interest, “What about Qin Churou? I don’t like her.”

Fu Hanchuan’s lips curled into a doting smile. His little girl had become mischievous again.

Qin Hai was in a difficult position. “Sheng’er, Rou’er is your younger sister. She has been by my side for more than ten years. Your mother and I will always have feelings for her.”

Qin Hai did not intend to give up on Qin Churou.

Although he was very dissatisfied with Qin Churou’s performance over the past few months, Qin Churou was a lucky star and had talent in painting.

Qin Hai was unwilling to give up.

He wanted Qin Sheng’s backing. As for the value of Qin Churou, Qin Hai was also unwilling to give up.

Qin Sheng sneered. “Qin Hai, your wishful thinking is really good. I’m sorry, as long as Qin Churou is around, I will not return to the Qin family.”
