

Bigshot 501

Chapter 501 Sister-in-Law?

"It's not what you like either." Fu Hanchuan was in a good mood as he drank the tea in his hand.

"So what? Who cares if I like them or not? What's so good about liking someone? There are so many restrictions. It's better to be alone." Lin Haocheng crossed his legs. He casually picked up a grape from the coffee table and put it into his mouth.

Fu Hanchuan drank the tea in his hand and did not speak.

Lin Haocheng asked curiously again, "Hanchuan, do you have a photo of your girlfriend? Let me see it."

Fu Hanchuan looked at his watch. It was time for Qin Sheng to come back.

Thinking of Qin Sheng's abnormality this morning, Fu Hanchuan could not help but chuckle.

Lin Haocheng saw it and touched his arm again. A man who was in love was indeed different.

"Hanchuan, let me tell you, I will stay here today. I will never leave until I see your girlfriend."

Lin Haocheng was thick-skinned.

The sound of footsteps came from the door. It was Qin Sheng. The door of the villa was open. She came to the entrance and changed into her slippers.

Fu Hanchuan looked over.

Lin Haocheng also looked in the direction of Qin Sheng

When he saw Qin Sheng, he was stunned.

Fu Hanchuan went up and asked, "Sheng Sheng, are you done with the company?"

"I'm done. The game's memory has been compressed to 1.3 GB."

When facing Fu Hanchuan, the coldness on Qin Sheng's face faded. "Brother Fu, thank you for your help. Otherwise, it wouldn't have been resolved so quickly."

Fu Hanchuan smiled dotingly. "It's okay."

Fu Hanchuan placed his hand on the top of Qin Sheng's hair and rubbed it as usual.

Qin Sheng still remembered what happened last night. She wanted to avoid Fu Hanchuan's touch, but she forcefully stopped herself.

She wanted to get along with Fu Hanchuan as usual.

Lin Haocheng was dumbfounded when he saw Fu Hanchuan's actions.

Fu Hanchuan had refreshed his understanding. Look at his dotting actions. It was as if he was a different person.

However, his little girlfriend was pretty and had a good temperament.

However, she didn't look old. The more he looked at her, the more familiar he felt. He seemed to have seen her somewhere before.

Fu Hanchuan and Qin Sheng walked over together.

Lin Haocheng stood up from the sofa. "Hello, Sister-in-law."

Qin Sheng was stunned when she heard how Lin Haocheng addressed her.

Fu Hanchuan swept a cold glance over.

Lin Haocheng kept quiet. He was very puzzled. What did he do wrong?

Fu Hanchuan introduced, "Sheng Sheng, this is my friend, Lin Haocheng. He just returned to the country today."

Qin Sheng nodded. "Hello."

"Sister-in-law, you can just call me Haocheng. We're a family. There's no need to treat us as strangers."

Without a doubt, Lin Haocheng once again received Fu Hanchuan's cold gaze.

Lin Haocheng: "..."

His suspicious gaze fell on Fu Hanchuan. Could it be that this brother of his had not caught up to her yet?

The more Lin Haocheng thought about it, the more he felt that it was possible.

He felt that he had guessed the truth.

Fu Hanchuan liked that little girl, but he could not catch up to her.

However, for the sake of his little life, he still did not expose Fu Hanchuan.

At this moment, Qin Sheng's face seemed to be a little hot.

Lin Haocheng smiled in a flattering manner. "Sister-in-law... Sheng Sheng, I'll call you Sheng Sheng just like Hanchuan. You also know that there has never been a woman living in Hanchuan's villa. Didn't I think that you were his girlfriend just because you moved in?"

"It's just a misunderstanding. It seems a little big."

Qin Sheng heaved a sigh of relief. It seemed that she was overthinking things.

Chapter 502 My Family's Cabbage

Lin Haocheng's gaze fell on Qin Sheng's face once again. The more he looked, the more he felt that Qin Sheng was familiar.

He asked, "Have we met before?"

Fu Hanchuan frowned. "She has only been in H City for half a year. You can't have met her."

Lin Haocheng was also a big-hearted person. After hearing Fu Hanchuan's words, he no longer had any doubts. "Then I should be mistaken."

Qin Sheng sat on the sofa while Fu Hanchuan went to the kitchen to wash the fruits for Qin Sheng

Lin Haocheng sighed, "This is the first time I've seen an iceberg like Hanchuan take care of someone so considerately."

Qin Sheng could not help but smile.

Lin Haocheng felt that it was very dazzling when he saw it.

He felt that it was only a matter of time before Fu Hanchuan took Qin Sheng down.

He did not seem to wish for such a beautiful girl to be taken away by Fu Hanchuan.

Lin Haocheng frowned. No, when did he become so protective of the fairer s*x?

Lin Haocheng could not help but ask, "Sheng Sheng, how old are you this year?"

Lin Haocheng was one of Fu Hanchuan's few friends. Qin Sheng did not hide anything. "Eighteen."

"Eighteen is still young." Lin Haocheng rubbed his chin as if he was thinking. "Sheng Sheng, your main task now is to study. In terms of relationships, it's better for you not to participate for the time being. Be more alert. You can't be snatched away by some big bad wolf that is eyeing you like a tiger."

Qin Sheng frowned.

Lin Haocheng said again, "Girls, have to keep a clean body. You have to be more careful when it comes to getting close to some people."

Lin Haocheng tried his best to persuade Qin Sheng. He was really afraid that Qin Sheng would become Fu Hanchuan's girlfriend early on.

Fu Hanchuan was indeed a good choice for a boyfriend.

However, when Lin Haocheng thought about Fu Hanchuan and Qin Sheng being together, he felt extremely stifled. He felt as if his family's cabbage had been dug away by a pig.

This feeling was very strange. Even Lin Haocheng could not explain why.

Lin Haocheng was not a person who was willing to suffer. He would do whatever he wanted.

Although he was also afraid of Fu Hanchuan, he still tried to persuade Qin Sheng. Qin Sheng's brows were tightly knitted together.

She did not understand Lin Haocheng's words, but she still nodded her head. She did not want to fall in love so early. She still had a lot of things to do after she had reincarnated.

This included doing research on Grandfather Lu's illness.

She did not have the spare energy to care about other things.

Lin Haocheng nodded his head in satisfaction.

He still wanted to say something, but when he saw Fu Hanchuan carrying a fruit platter over, he quickly shut his mouth.

Fu Hanchuan placed the fruit platter on the coffee table. The fruits on it were already cut open. The apples and the like were all peeled.

Qin Sheng naturally picked up a piece.

Lin Haocheng also reached out his hand.

Without a doubt, he received Fu Hanchuan's warning gaze.

Lin Haocheng was speechless again.

Fu Hanchuan said expressionlessly, "There's one on the side. Take it yourself."

Lin Haocheng looked at the fruit plate in front of him. There were many fruits on it, but other than washing them clean, there was no other treatment. There was also a fruit knife on it.

Then, he looked at the fruits that Fu Hanchuan had just cut. They were arranged very delicately. They were cut, peeled, all of them.

Lin Haocheng: "..."

He didn't know how many times he had been speechless.

This treatment was too great.

Also, was this how they treated their guests?

Lin Haocheng could only pick up an apple. He didn't peel it, but directly bit down.

He looked at Fu Hanchuan with resentment.

Chapter 503 International Best Actor

Fu Hanchuan also picked up a piece of apple from the fruit he had specially prepared for Qin Sheng

Lin Haocheng looked at the fruit in his hand and felt that it did not smell good anymore.

Why did he feel that Fu Hanchuan was showing off to him? Was it his imagination?

Lin Haocheng could not eat this apple anymore. He took the opportunity when Fu Hanchuan was not paying attention and threw the apple into the trash can.

Lin Haocheng asked, "Sheng Sheng, do you know me?"

Qin Sheng frowned.

Lin Haocheng could see the doubt in Qin Sheng's eyes. He reminded her, "I often appear in movies and TV shows."

Qin Sheng never looked at those things. She shook her head.

"Do you know that international brand, Fengqing Perfume? I'm the spokesperson."

Qin Sheng still shook her head. Lin Haocheng was very doubtful, "You really don't know?"

If Qin Sheng wasn't lying to him, then did she live in a village that wasn't connected to the Internet? His fame wasn't considered small anymore. Not long ago, he was even awarded an Oscar for Best Actor. In China, as long as one's family had the internet, it was impossible to not have seen him before.

Qin Sheng was very puzzled. "Do I need to know you?"

Qin Sheng rarely watched television dramas and movies, and she didn't notice those brands or anything. It was normal that she had never seen Lin Haocheng before.

However, very few people had come into contact with entertainment programs like Qin Sheng. It was pitifully rare.

Lin Haocheng choked for a moment.

His expression collapsed.

She really did not know him. He still wanted Qin Sheng to worship him.

Lin Haocheng still did not give up. "Sheng Sheng, let me give you an autograph. My autograph is very rare. If I take it out, I don't know how many people will be envious."

Qin Sheng frowned and rejected him directly. "I'm not your fan. Your autograph means nothing to me."

Fu Hanchuan's eyes were smiling.

Lin Haocheng's expression froze.

He was an international best actor with 200 million fans in the country. His autograph was a difficult thing to obtain.

He did not expect that one day, he would take the initiative to give an autograph to someone and be rejected?

Fu Hanchuan raised his hand and looked at the time. It was already past 11.

He stood up and said, "Sheng Sheng, I'll go make lunch first."

Lin Haocheng was excited and wanted to stay for lunch.

He had eaten Fu Hanchuan's cooking once. It was even better than his family's chef's cooking.

as et

Ever since that time, Lin Haocheng had been obsessed with Fu Hanchuan's cooking. He had always wanted to find an opportunity to have another meal.

However, Fu Hanchuan did not give him the chance.

Now, Lin Haocheng had made up his mind to stay and freeload.

With Qin Sheng around, Fu Hanchuan would not act so stingy.

Fu Hanchuan naturally saw through Lin Haocheng's thoughts.

He rolled up the sleeves of his shirt and said casually, "Lin Haocheng, don't you have something to take care of?"

Lin Haocheng was confused. "Ah? What do I have to do?"

Fu Hanchuan threw a warning look at Lin Haocheng.

Lin Haocheng understood Fu Hanchuan's meaning. He really wanted to say that he was fine, but Lin Haocheng was a coward. He did not have the courage to refute Fu Hanchuan.

He squeezed out a sentence from between his teeth. "I do have something to do!"

Before Lin Haocheng left, he reminded, "Sheng Sheng, remember what I said to you just now."

Fu Hanchuan became suspicious.

Qin Sheng saw the doubt in Fu Hanchuan's eyes and took the initiative to explain, "Just now, he told me not to fall in love too early. Now, my main task is to study and to be on guard against people with malicious intentions." If Lin Haocheng knew what he had just said and was told to Fu Hanchuan by Qin Sheng just like that, he would probably vomit blood.

Fu Hanchuan's eyes narrowed dangerously.

Chapter 504 Posting, Poaching the Wall

He placed his hand on the top of Qin Sheng's hair. "Sheng Sheng is now done with her college entrance exam and can start dating. If you meet someone you like, don't suppress your feelings."

Fu Hanchuan would not have said this before, but after what happened last night, he had already confirmed that Qin Sheng had some feelings for him.

What he needed to do now was to let Qin Sheng completely understand her feelings.

Qin Sheng nodded and agreed. She felt that she wouldn't like anyone for the time being, so she didn't need to think too much about it.

Fu Hanchuan entered the kitchen.

Qin Sheng was curled up on the sofa, scrolling through her phone.

She just happened to see the words 'Lin Haocheng returned to China' on Weibo's top search.

Normally, she wouldn't click on these gossip and entertainment news.

Now, Qin Sheng clicked on it.

In that Weibo post, there was only a brief introduction. Someone bumped into Lin Haocheng at the international airport in H City.

It also said that Lin Haocheng had been abroad for a year.

Lin Haocheng's popularity was indeed very high. This Weibo post had only been out for two hours, but it already had 500,000 comments.

Qin Sheng roughly skimmed through the comments below.

They were all comments from some little fangirls.

[Ah, ah, ah, Brother, you're finally back in China. Look at me.]

(Oh my god, I'm going to faint. If Brother Haocheng could look at me, I would wake up from my dreams laughing.)

(Brother, Brother, you're too handsome. Oh my god, I'm going to faint.)

Qin Sheng read a few of the comments and felt a headache coming on. Lin Haocheng's coquettish appearance appeared in her mind. She backed out because she did not want to read anymore.

Qin Sheng continued to read the other news.

—

Lin Haocheng returned to the villa his manager had prepared for him. He hadn't been in H City for long. He had originally wanted to move into Fu Garden, but Fu Hanchuan refused no matter what, so he could only ask his manager to find him a villa.

Lin Haocheng sat in the living room. After thinking for a while, he logged on to Weibo.

Usually, Lin Haocheng was a reckless person. When he posted on Weibo, he followed his heart.

He had offended many people. Fortunately, Lin Haocheng's family was well-off, and not many people dared to offend him.

However, Lin Haocheng's manager did not allow Lin Haocheng to post on Weibo without his permission.

At this moment, Lin Haocheng did not have any scruples about his manager.

He edited a Weibo post and posted it.

(Lin Haicheng V: I Met a little sister today. She's cute and well-behaved. Unfortunately, she's already taken, and she belongs to my good brother. Do you guys think I should do it?)

The moment Lin Haocheng's Weibo post was posted, it caused a huge sensation.

Through the screen, one could feel that Lin Haocheng's girlfriend's fans were all heartbroken.

[Ahhhhh, what did I see? Tell me, it must not be true!]

(Brother, you actually like someone else! Are you worthy of your girlfriend fans who are waiting to be fed?)

(Who is this little girl? Where's my big knife?)

IIII

Because Lin Haocheng himself was handsome enough, he also played the role of a little puppy and was very popular. He had a large group of mommy fans.

The comments were completely different from his girlfriend's fans.

[If you like someone, go chase after them. Who cares if they're good brothers or not? This relationship is a fair competition. If you can win, no one can stop you.]

[Chengcheng, there's no wall in this world that can't be moved. You're so handsome, which girl wouldn't be moved? Go ahead and do it.]

(Chengcheng, I'll support you no matter what you do.)

Chapter 505 Billions of Family Assets

Lin Haocheng's Weibo post had received 4,000 comments in less than three minutes.

Lin Haocheng read the comments and ridiculed them.

He didn't dare to go against that perverted Fu Hanchuan. Did he still want to live? Even if he had a hundred guts, he wouldn't dare.

When Lin Haocheng first met Qin Sheng, he had a good impression of Qin Sheng, as if he had a natural affinity with her.

This explosive Weibo post from Lin Haocheng quickly became the top trending topic.

dil

The Weibo title was also eye-catching enough.

(Shocking! Best Actor Lin Haocheng has taken a fancy to a married woman!)

Fu Hanchuan's food was not ready yet. Qin Sheng was still curled up on the sofa, reading Weibo.

When she refreshed the Weibo page, she saw this Weibo title.

Qin Sheng frowned slightly and clicked on it.

After she finished reading Lin Haocheng's Weibo post, she frowned even more.

At first, Qin Sheng was not sure that Lin Haocheng was talking about her, but now, when she saw the words 'good brother', she was sure that Lin Haocheng was talking about her and Fu Hanchuan.

However, Qin Sheng did not think much about it.

In the beginning, Lin Haocheng had called her sister-in-law.

Qin Sheng thought that Lin Haocheng was a person who could come at a moment's notice.

As for the Weibo post he posted, it was just a spur of the moment.

Qin Sheng didn't continue reading it. Instead, she turned off her phone and walked into the dining room

Not long after, Lin Haocheng's manager saw this Weibo post from Lin Haocheng. He was so angry that he immediately rushed back in the car.

Lin Haocheng was crossing his legs to read the comments under Weibo. "Lin Haocheng!"

His manager's roar came from beside his ear.

Lin Haocheng dug his ears and said nonchalantly, "I've already posted it. If I delete it now, won't it make things worse? I'm afraid it will be even worse."

Seeing that Lin Haocheng was like a dead pig that was not afraid of boiling water, his manager was even more furious.

"You know this is serious, why are you still posting? Lin Haocheng, just wait to lose your fans," his manager said angrily.

Lin Haocheng rested his hands on the back of the sofa and said faintly, "I have 200 million Weibo fans. So be it. And even if I can't become an actor, I still have hundreds of millions of family assets. I don't have to worry about eating."

His manager clutched his chest.

Being Lin Haocheng's manager for one day meant that he would lose one day of his life.

"Alright, Lin Haocheng, aren't you afraid of losing your fans? Aren't you afraid that your good brother will know that you've taken a fancy to his girlfriend?"

Lin Haocheng didn't think much of it. "He won't know. He doesn't browse Weibo."

Lin Haocheng had predicted that Fu Hanchuan wouldn't browse Weibo, so he dared to post it.

The manager looked at Lin Haocheng with disdain. "Are you sure that no one will tell him?"

"F*ck." Lin Haocheng almost stumbled and fell off the sofa.

He had not thought of this.

He managed to stabilize his body and looked horrified. "Can I withdraw it?"

The manager smiled. "What do you think?"

Lin Haocheng fell on the sofa and his face was a little pale. "It's over. I'm going to be finished. Fu Hanchuan will definitely not let me off."

"Brother Feng, why don't we pack our things and return to the capital?"

Lin Haocheng was very flustered. He had been friends with Fu Hanchuan for several years, so he naturally knew Fu Hanchuan's methods very well.

Those who offended Fu Hanchuan would definitely not have a good time.

He had even publicly said on Weibo that he wanted to climb over Fu Hanchuan's wall, and Fu Hanchuan clearly cared a lot about Qin

Sheng.

The more he thought about it, the more Lin Haocheng felt that he couldn't stay in H City any longer and had to leave immediately.

Chapter 506 Spokesperson

The agent raised his eyebrows. "Before you returned to China, you said that you would first go to H City to develop your business. You received quite a number of endorsements. Those endorsements are all top-notch brands. Can you simply withdraw them?"

Lin Haocheng looked like he had a lot of money. "I'll pay the penalty for breaching the contract."

The agent reminded him again, "There's an endorsement that's under HD Group."

Lin Haocheng kept quiet.

He looked like he had nothing left to live for.

Ten minutes later, he added another Weibo post.

(Lin Haocheng V: I don't dare to show off my good brother's side. The little sister I just mentioned, Hahaha, I mainly wanted her to be my little sister. I don't like her, I was just joking.)

On this side, Assistant Lin saw the Weibo post Lin Haocheng posted.

He immediately told Fu Hanchuan, "President, this is a Weibo post from Lin Haocheng. The little sister in it should be Madam. You can take a look at the details on Weibo. It's the top trending topic."

Assistant Lin attached a screenshot of Lin Haocheng's Weibo post.

After Fu Hanchuan finished his lunch, he saw this message from Assistant Lin.

The storm in his eyes gathered.

"Hehe." Fu Hanchuan sneered in a low voice.

He picked up his phone and asked expressionlessly, "How many of our investment companies in H City don't have a spokesperson yet?" Assistant Lin replied, "About four more."

"Okay." Fu Hanchuan narrowed his eyes. "Get them to prepare the contract and sign Lin Haocheng as the spokesperson."

"President." Assistant Lin was a little hesitant. "This Lin Haocheng's endorsement fee is quite a lot."

Fu Hanchuan's lips curled into a smile. "Don't worry, he won't dare to accept it. Give me a list of the companies that you need to endorse."

Assistant Lin immediately understood. He nodded and agreed. "Okay."

He asked again, "Then, President, do you need to arrange more work for him?"

Fu Hanchuan raised his eyebrows. "Sure."

A few minutes after he hung up, Assistant Lin sent the names of the companies over.

Fu Hanchuan also sent a message to Lin Haocheng.

Then, he put his phone aside. It seemed that Lin Haocheng had not had the time to come over recently.

Fu Hanchuan did not think that Lin Haocheng had fallen in love with Qin Sheng.

He had some understanding of Lin Haocheng. Although Lin Haocheng looked like a romantic, it was actually very difficult for him to fall in love with someone.

Not to mention, Lin Haocheng had only met Qin Sheng once.

When he was in Fu Garden, Fu Hanchuan did not see Lin Haocheng reveal a trace of admiration for Qin Sheng. Otherwise, he would not have left Lin Haocheng in the villa for so long

However, Lin Haocheng's mistake was that he shouldn't have sent that Weibo post.

On this side, Lin Haocheng received the message Fu Hanchuan sent to him at the first moment.

He picked up a glass of water, drank it, and opened his phone. "Fu Hanchuan?"

II.

Lin Haocheng frowned. Thinking of the Weibo post he had sent before, he felt guilty again.

He hoped that Fu Hanchuan would show mercy to him on account of them being brothers.

Lin Haocheng took a few deep breaths before opening the message.

In front of the message were the names of the four companies.

Lin Haocheng's frown deepened.

What did Fu Hanchuan mean by sending him the names of these companies?

Lin Haocheng continued reading.

When he saw Fu Hanchuan asking him to be the spokesperson of these companies, his eyes widened. Fu Hanchuan knew that this would torture him. When he became the spokesperson of these companies... He didn't know how many jobs he would assign to him.

Chapter 507 Abducting a Younger Sister

When he saw that he was not allowed to collect any fees, Lin Haocheng was speechless.

Lin Haocheng: "..."

He held his breath and turned his head to ask his manager, who was sitting at the side.

"Brother Feng, tell me, is this a person? With my net worth, one endorsement is worth several hundred million. Fu Hanchuan actually thought that I would endorse for them for free? How can such a good thing happen in this world?"

His manager glanced at him in disdain. "You can refuse? You dare to refuse?"

Lin Haocheng's face stiffened.

It seemed that he couldn't refuse...

He didn't dare to either...

He tried to ask, but his voice was very soft. "Brother Feng, can you tell the company not to let me accept this endorsement? You see, if I accept this endorsement, I won't earn a single cent. It's a loss."

"Hehe." The manager sneered. "Go by yourself. If the company helps you, consider it my loss. I won't restrain you anymore."

Lin Haocheng was completely speechless.

"Forget it, forget it."

Lin Haocheng kept cursing Fu Hanchuan in his heart.

The company he worked for was afraid of Fu Hanchuan and would not stand on his side at all.

He originally wanted to return to H City to relax.

He did not expect to be tricked by Fu Hanchuan.

Lin Haocheng thought of Qin Sheng. He pinched his fingers. It would be great if she could be his sister.

Lin Haocheng only had one older brother. He also hoped to have a sister.

When he was young, he had hoped that his mother would give birth to a sister for him. However, she had never been able to do so.

Even so, he had no intention of acknowledging other girls as his sister.

They were very pretentious, and Lin Haocheng hated girls like them.

He had thought that all the girls in the world were like this. After all, most of the girls he had met were like this.

However, he had never expected that he would have such thoughts the moment he saw Qin Sheng

This was the appearance of his sister in his dreams.

She looked obedient, beautiful, and was not clingy.

"Sigh." Lin Haocheng sighed.

His manager frowned. "Lin Haocheng, what's wrong with you?"

"Actually, I'm not in love with her. I just want her to be my sister."

His manager spat out a mouthful of saliva. "Lin Haocheng, you said on Weibo that you like her. This matter hasn't stopped yet. You're saying that you want her to be your sister again? Can't you make people less worried?"

As Lin Haocheng's manager, he would have to live half a year less. Not a single day could be saved.

Lin Haocheng retorted indignantly, "She's someone that Fu Hanchuan likes. I don't dare to snatch her away. It shouldn't be a problem for me to be an older brother, right?"

When his manager saw Lin Haocheng's expression, he knew that he couldn't persuade him anymore.

He rubbed the space between his brows, feeling a headache coming on, "Alright, I'll let you be. Lin Haocheng, don't regret it in the future. Also, don't forget that your fans have misunderstood you. People like you will lose their fans sooner or later."

Lin Haocheng waved his hand, as if he didn't care. "If I don't become an actor, I'll go home. I still have hundreds of millions of assets to inherit and live on."

His manager: "..."

He was completely angered by Lin Haocheng.

He stood up because he didn't want to talk to Lin Haocheng anymore. "Alright, you have money. You have nothing to fear."

Lin Haocheng's manager had brought him along since Lin Haocheng debuted. It had been four years since then.

Lin Haocheng was talented and a good seedling. He was the one who was willing to take him on.

If it were anyone else, he would have quit long ago.

Chapter 508 Adultery

Lin Haocheng picked up his phone and wanted to tell Qin Sheng that he would be very busy for the next few days and would not have time to look for her.

However, when he was looking for her phone number, he realized that he did not seem to have Qin Sheng's number.

Lin Haocheng slapped his head in annoyance.

"How stupid." Lin Haocheng's eyes lit up when he thought of something

He could also treat Qin Sheng as his sister, and Fu Hanchuan would have to do whatever he wanted?

The more Lin Haocheng thought about it, the more he felt that it was possible. One day, he would definitely get Qin Sheng to be his sister.

—

—

The game's memory problem had been solved. The employees of Shengshi Technology had also taken a long vacation.

Now, they could only wait for the game to come online.

The company didn't have much to deal with. Qin Sheng stayed in Fu Garden and spent every day writing plans, reading medical books, and visiting Black Emperor.

Qin Sheng and Fu Hanchuan already knew each other's identities as hackers.

Qin Sheng basically wouldn't refuse Fu Hanchuan's request from Black Emperor.

As usual, as long as Qin Sheng appeared, Fu Hanchuan would also come online.

The two of them had similar hacker logos, but they often appeared in pairs, feeding the people of Black Emperor a mouthful of dog food.

Unfortunately, their hacking skills were superb, and they rarely came online.

These hackers could not bear to miss such a wonderful competition. Moreover, they could learn a lot from their competition.

Therefore, they were eating dog food while watching their competition.

Two similar hacker logos, and they were always together. If there was no adultery, they would not believe it.

On this day, Qin Sheng and Fu Hanchuan appeared on the Black Emperor together.

As the number one hacker, once they appeared, there would be world news to inform everyone on Black Emperor.

Whether those hackers were chatting or competing, most of them would go over to watch their matches.

Lu Ming was also there.

Those hackers couldn't care less about watching their matches.

They didn't dare to ask C, but The Most Handsome In the Universe called him brother. C had also helped The Most Handsome In the Universe many times.

At this moment, their gazes fell on Lu Ming.

(DD: Handsome, Handsome, C is your brother. You should know about his relationship with QS. Are they a couple?)

[Trash: Handsome, is this QS a man or a woman?]

(You're Too Weak: Handsome, you have such a good relationship with C, don't tell me you don't know QS. You'd better tell us.)

Lu Ming held his breath.

Could he say that he really didn't know QS?

No, maybe he did know QS. QS was Qin Sheng, that pervert.

He and Qin Sheng were classmates for less than a semester. Qin Sheng's grades were better than his, and she was also good at basketball. He had always been proud of his hacking skills, thinking that this was the only thing that he could compare to Qin Sheng with.

Unexpectedly, Qin Sheng was very likely to be QS.

QS had beaten him countless times, and he had also provoked QS time and time again. He also often said that QS was a hunk or something.

The image of Qin Sheng appeared in Lu Ming's mind.

A girl who looked very obedient.

No matter what, he could not associate Qin Sheng with this arrogant QS.

The difference was too big.

Thinking of his previous experience of being beaten by QS, Lu Ming broke out in cold sweat.

If Qin Sheng was really QS, if he was seen by the people of Black Emperor, where would his face go?

Lu Ming could only numb himself. Qin Sheng was not QS.

How could QS be a girl? Could a girl be so powerful?

Chapter 509 I Like It

His fingers were on the keyboard, typing rapidly. (The Most Handsome In the Universe: I don't know anything. Don't ask me. You know C's character. He's very cold. If he doesn't tell me, what can I do? I can't beat him.)

[Xiaoxiao: Handsome, isn't he your brother? QS and C are very close. Have you never met him?]

In less than two seconds, Lu Ming's message was sent.

[The Most Handsome In the Universe: If I knew him, would I dare to provoke him? As you all have seen, I was beaten up very badly. If I knew him, he would at least be a little gentler.]

When Lu Ming said these words, his face burned.

When those hackers heard Lu Ming's words, they did not have any doubts.

Back when Lu Ming was slapped in the face by QS, he was really miserable. Lu Ming often provoked QS to compete with him, and in turn, he was beaten up by QS.

They all felt their faces hurt for him.

One after another, they began to comfort Lu Ming

[Xiaoxiao: Handsome, it's normal that you lost back then. After all, QS is Boss C's equal number one existence.]

[Dog: A wise man submits to circumstances. Handsome, now that you realize that you can't compete with QS, you won't have to endure those face-slapping experiences anymore.]

[Eat: Handsome, don't worry, we brothers will support you!]

When Lu Ming saw this, he was speechless.

His face burned even more.

He went offline and left early. He didn't even watch Qin Sheng and Fu Hanchuan's match.

On the other side, Fu Hanchuan and Qin Sheng had only fought on Black Emperor for more than an hour.

[Brother Fu, good night.] Qin Sheng sent it over.

Fu Hanchuan's lips curled up. (Good night.)

Qin Sheng went offline.

Fu Hanchuan leaned back in his chair and looked at Qin Sheng's hacker logo on the computer screen that had turned dark. The corners of his lips slowly curled up into a smile.

A hacker mustered up his courage and went forward to ask, [Boss, can I ask, what is your relationship with QS?]

That hacker did not expect Fu Hanchuan to answer him. After waiting for a minute, he wanted to give up.

(I'm sorry. If you don't say it, it's okay.)

Just as he was about to send it out, Fu Hanchuan sent a message. (I like them.)

"Cough, cough."

The hacker coughed a few times.

He wanted to ask if QS was a man or a woman.

Fu Hanchuan went offline.

It was a pity for the hacker. If QS had not left so quickly, he would have been able to ask properly. as a

If QS was a man, and C was a man, this news was explosive.

If QS was a woman, this news was not bad. After all, many hackers had been tortured by QS. Even now, there was still speculation that QS was a hunk.

No matter what they thought, they could not associate the arrogant QS with a delicate little sister.

If QS was a female, it was more explosive than the news if QS was a male.

This hacker was also a natural gossiper. Once he got the news that C liked QS, he would run to the forum of Black Emperor to post.

[Little Grey Ash: Extra, extra, extra! I got big news! Just now, I went to ask Big Boss C about his relationship with QS, and he actually answered me!! C likes QS!!! And looking at their relationship, it doesn't seem like a one-sided liking. It's about 90% that they are already lovers!]

This post was posted on the forum, and it instantly exploded.

Qin Sheng and Fu Hanchuan were both ranked first on the Black Emperor rankings, so they naturally received a lot of attention, not to mention such explosive news.

Chapter 510 Bonus

In less than a minute, there were 200 comments under this post.

[F*ck, like? Is that true? C likes men, men in love? That's hot.]

[Little Grey, you actually chatted with C and he even told you such hot news? I seriously suspect that it's fake.]

[Little Grey Ash, did you find out if QS is a man or a woman?]

Originally, these hackers had already assumed that QS was a hunk, but Fu Hanchuan had fallen in love with QS and was openly showing off their love on the dark side. They had begun to suspect whether QS was a girl.

But on second thought, if QS was a girl, why would she be so arrogant?

They couldn't figure out whether QS was a girl or not.

The hacker replied with some posts, (I'm not sure, I didn't have the time to ask.)

Even so, all kinds of speculations emerged among the hackers. It was very lively, and they even specially opened some posts to bet whether Qin Sheng was a boy or a girl.

They were really curious about the gender of

QS.

Qin Sheng naturally didn't know about what was happening on Black Emperor.

The game was now completed. Five days later, the company would conduct a comprehensive inspection of the game, followed by a trial by the staff.

This inspection was very important. It was rare for Qin Sheng to make a trip to the company.

Everyone in the company was present. The meeting room was packed with people. There were also quite a number of people standing at the door, looking into the meeting room.

Qin Sheng sat at the conference table. The big screen was playing the game.

In less than five minutes, everyone in the meeting room heaved a sigh of relief. Smiles appeared on their faces.

This time, the game was completely completed.

There was basically no problem. They were just worried that there would be an accident, so they let the people in the company play for a period of time before the closed beta. If the closed beta was successful, then the game could be released.

“This game is done very well. Thank you for your hard work.” Qin Sheng’s lips curled into a smile.

Those employees were flattered.

This was the first time Qin Sheng had praised them.

They hurriedly waved their hands, “Boss, if it weren’t for the technology and ideas you provided, we wouldn’t have been able to make this game to this extent. Otherwise, we wouldn’t even dare to think about this game, let alone make it.”

These words weren’t just polite.

In just four to five months, they had made this large-scale game. To many people, this was a fantasy.

However, it had been realized at Shengshi Technology.

They had also experienced a sense of accomplishment that they had never experienced before.

It was an epoch-making symbol in the game world that they had created with their own hands.

Qin Sheng’s gaze fell on Hong Yuan. “Uncle Hong, let’s bring them out for a meal tonight to relax. Also, this month, the bonus for the ordinary employees is 30,000 yuan per person, and the other 50,000 yuan.”

Hong Yuan froze for a second.

There are a lot of people in the company. The bonus alone would be close to 3 million, not to mention the salary. This month’s salary will cost at least 5 million.

Hong Yuan want to let Qin Sheng think about it again, but after good consideration, he thought that Qin Sheng in the stock market could easily earn tens of millions. He was relieved.

“Good.” Hong Yuan answers. Qin Sheng’s voice was not loud, but those employees all heard Qin Sheng’s words.

They also knew that Qin Sheng was rich, and Qin Sheng was generous by giving them bonuses. They would not shirk accepting it.

Of course, even if Qin Sheng did not give them bonuses, they would not have any complaints.
