

Bigshot 581

Chapter 581: Was Torn Up

He was exasperated. [F*ck, f*ck, f*ck, I was born in a village. The main point is that the family looked down on me and scolded and beat me up. In a fit of anger, when I was finally five years old, I killed them. Everyone in the village said that I was a devil and burned me alive.]

[Didn't I just not follow the system's plan? Why were they so cruel to me?]

This person was really angry.

The messages were sent out one after another.

[Thinking that I died, I could play again. I didn't expect there to be a limit. I can only reincarnate after a week!]

[F*ck! Is there such a game?]

[Then I went over and registered an alternate account. Who knew that it had a limit. One ID can only have two accounts! If I die again, I won't be able to play this week!]

Then, many people returned to the group.

Most of them were discussing the game experience.

Some people started to wonder why Three Realms and Three Realms Competition were so similar.

[Why do I feel more and more like Three Realms Competition plagiarized? The settings of the two are very similar, but Three Realms Competition can't compare to Three Realms.]

These words received the support of many game players.

They also thought that Three Realms Competition was plagiarizing, and not Three Realms.

[In short, I'm standing on the side of the Three Realms. If Long Yue Technology slanders them for plagiarizing, don't blame me for ending up in a fight.]

[Let's not talk about it anymore. I'm going to look for my good brother, Amway.]

With the promotion of this group of players, in just a short day, the download count of Three Realms had reached 10,000.

This number of downloads on the self-created platform was considered very good without a good recommendation.

Three Realms was also arranged by the operators of the self-created platform to recommend the game.

At the same time, the water army hired by Fang Xuelin also came over.

They could only comment after downloading the game.

There were a total of 100 water armies, and the amount of money they spent to download the game was only 500 yuan.

They were ridiculing the game app.

[Hahaha, plagiarizing Three Realms Competition? You even dared to create your own platform?]

[Awesome, if you're so good at plagiarizing, why don't you go to heaven?]

[Scram, scram!]

The group of gamers was obviously unhappy.

If they had played the Three Realms Competition, would anyone with discerning eyes realize that Three Realms was far better than Three Realms Competition?

Could it be plagiarism?

And it was very obvious that this group of people was here to lead the tempo.

These game players often mingled in the entertainment industry, and it was common for people in the entertainment industry to often ask for cybernetic reviews to whitewash themselves and build momentum.

Who would have thought that one day, they would be met by them?

They ended up arguing with the water army.

[Hehe, a group of water army to lead the tempo? Hired by Long Yue Technology? F*ck your tempo!]

[F*ck, I can't stand it. No wonder the Three Realms Competition is so bad. It turns out that Long Yue Technology is concerned about other things. They hired internet trolls to attack Shengshi Technology!]

[Who plagiarized? Don't you know what's going on?]

Many passers-by were really curious when they saw this scene.

The download fee of five yuan was not a lot. Moreover, Three Realms was also on the recommendation spot.

Hence, the number of downloads of Three Realms was increasing at a speed visible to the naked eye.

Soon, the number reached 100,000.

After those players played Three Realms.

Their first reaction was that Three Realms could not possibly plagiarize!

It was obvious that all aspects of Three Realms' technology were top-notch, without any flaws.

Chapter 582: Turned To the Civil Affairs Bureau

On the other hand, Three Realms Competition was fighting for supremacy.

They were all inferior in every aspect, and even the game was not solved properly.

The game maps were also pitifully few.

It was obvious that Long Yue Technology was trying to push the ducks onto the shelves. They did not even have time to perfect the most basic things in the game.

This was because there were only a hundred internet trolls, and the number of players in the Three Realms had already reached tens of thousands.

The water army's comments were quickly drowned out.

The water army was having a headache.

It was very difficult for them to organize too many spammers' comments.

He had to download the game before he could comment on his own platform, but downloading the game required money.

If any more of the water army were to end up in the game, the cost would be quite high.

The water army could only tell Fang Xuelin about the situation here.

Fang Xuelin's face was clearly filled with anger. "Go to Weibo and create a rhythm. Make sure everyone thinks that Three Realms is plagiarizing."

"Yes," the head of the water army replied.

His voice paused. "Chairman Fang, this fee..."

Fang Xuelin waved his hand. "I'll get the finance department to transfer 10 million to you."

The head of the water army was happy. After he left, he followed Fang Xuelin's instructions and made the arrangements.

All of a sudden, Weibo was filled with curses against Shengshi Technology.

They scolded Shengshi Technology for plagiarizing Long Yue Technology. Shameless, plagiarizing a dog!

Many onlookers who did not know the truth were motivated by the water army and joined in the abuse.

All the Big V's and marketing accounts also went to help Long Yue Technology.

Not only that, Fang Xuelin also bribed Weibo to censor the comments.

Shengshi Technology plagiarizing Long Yue Technology was trending on Weibo.

But Fang Xuelin did not notice it.

Many people read Weibo and went to their own platform to download Three Realms with curiosity.

As long as those game players played Three Realms, they wouldn't be able to participate in the Three Realms Competition.

The download volume of Three Realms had already reached 500,000 in two days.

Hong Yuan found it hard to believe when he saw this number.

It could still be played like this?

If Fang Xuelin knew that he had made a wedding dress for the company that he wanted to kill, would he be so angry that he would vomit blood?

—

That day, Mother Lu arrived at Fu Garden early in the morning.

She frowned and glanced at the living room.

She did not expect Fu Hanchuan to be so quick to kidnap Qin Sheng to live in his villa so quickly.

Mother Lu thought that Fu Hanchuan would have to be at least 30 years old to get married.

According to Fu Hanchuan's actions, he might kidnap the young lady to the Civil Affairs Bureau when she was 20 years old.

Mother Lu frowned.

Fu Hanchuan's mother was no longer around, and he was not familiar with the people from the Fu family. She had to bear the responsibility of disciplining Fu Hanchuan.

Qin Sheng was still young, so she could not marry him early.

Fu Hanchuan was busy in the kitchen when Mother Lu walked over.

She smiled and said, "Hanchuan, when are you going to marry Sheng Sheng?"

Fu Hanchuan was silent.

Mother Lu did not care and continued to remind him, "The girl is still young. You can't attack her early."

Fu Hanchuan turned around and his gaze fell on Mother Lu.

His eyes were deep.

This was the first time Mother Lu had seen Fu Hanchuan like this.

She could not help but take a step back.

His eyes were very cold.

Mother Lu could not help but swallow her saliva. "Hanchuan, I'm your aunt. Don't kill me to silence me."

1

It had to be said that Mother Lu was the same as Lu Ming. Both of them were very temperamental.

Fu Hanchuan facepalmed with a headache.

He turned around and did not bother with Mother Lu anymore.

He was still washing the vegetables, but his mind was not on that.

Fu Hanchuan frowned.

He was hesitating. Should he make a faster move on Qin Sheng?

Not only could he not wait any more, but it seemed that everyone in the world was trying to stop them from getting together.

Chapter 583: Dealt With Qin Sheng Faster

Fu Hanchuan had been waiting for Qin Sheng to understand.

It was obvious that Qin Sheng had some feelings for him now.

He didn't mind speeding up the time he spent with her.

Fu Hanchuan originally wanted to only cook breakfast for Qin Sheng and himself, but now that Mother Lu was here, he could only reluctantly make an extra serving.

At around 8 o'clock, Qin Sheng yawned as she came downstairs.

She had just woken up, and her eyes were still drowsy.

She was also wearing a pair of cute pajamas and a pair of rabbit slippers.

These were all prepared by Fu Hanchuan for Qin Sheng.

These cute styles did not go well with Qin Sheng's cool style.

However, Qin Sheng could not bear to reject Fu Hanchuan's good intentions, so she could only wear them.

The pajamas were very conservative. Even though she lived with Fu Hanchuan, she did not change out of her pajamas when she left the room.

Qin Sheng despised the trouble. She would not change out of her pajamas if she could. She would not go out either way.

When she heard the sound, Mother Lu looked toward the stairs.

When she saw Qin Sheng dressed up in cute pajamas, Mother Lu felt that she was extremely adorable.

She could not help but pounce on Qin Sheng and give her a peck on her face.

Qin Sheng was stunned.

Fu Hanchuan, who had just come out of the restaurant: "..."

He clenched his fists.

He tried his best to endure it.

A little jealousy was born in his heart.

He himself... had never kissed Qin Sheng when she was sober.

Mother Lu gave her a peck and felt that it was not enough. She moved closer to Qin Sheng's other cheek and gave her a big kiss.

The lipstick on her lips was all on Qin Sheng's face.

The more Mother Lu looked at Qin Sheng, the more she liked her.

She held Qin Sheng's hand. "Sheng Sheng, why are you so cute? If I had a daughter like you, I would wake up laughing in my dreams."

Qin Sheng's face was stiff.

She could not wait to go back to the room to wash off the remaining lipstick on her face.

Qin Sheng was a germaphobe. She could not stand Mother Lu kissing her like that.

However, she could tell that Mother Lu was genuinely nice to her. Qin Sheng was worried that Mother Lu would notice her thoughts and be sad, so she did not act out of the ordinary.

Fu Hanchuan's eyes were locked on the lipstick mark on Qin Sheng's face.

It was very glaring.

He took out a handkerchief and walked to Qin Sheng's side.

He wiped Qin Sheng's face.

"Brother Fu." Qin Sheng was very surprised.

Fu Hanchuan pursed his lips. "Dirty."

Qin Sheng couldn't stand the lipstick on her face, so she let Fu Hanchuan do what he wanted.

Mother Lu's face was stiff as she glared at Fu Hanchuan.

Why was this kid the same as Lu Ming?

She really didn't like anything about him.

Fu Hanchuan carefully wiped off the bright red lipstick on Qin Sheng's face bit by bit.

He completely ignored Mother Lu, who was standing at the side and glaring at him.

Fu Hanchuan only took the handkerchief back when the traces were gone and threw it into the trash can at the side.

"Sheng Sheng, it's time for breakfast. You must be hungry."

Qin Sheng was about to nod when Mother Lu interrupted, "Sheng Sheng, Auntie will go shopping with you today. Let's eat outside."

Fu Hanchuan looked at Mother Lu coldly.

Mother Lu held Qin Sheng's hand and ignored Fu Hanchuan.

She blinked her eyes and said pitifully, "Sheng Sheng, it's rare for me to come back. Please fulfill my wish. You and Hanchuan can have breakfast together whenever you want."

What Qin Sheng was most afraid of was that someone would do this to her.

It was hard for her to refuse.

After struggling for a while, Qin Sheng looked at Fu Hanchuan with an apologetic look in her eyes.

“Brother Fu, I’m going out with Auntie.”

Chapter 584: Fu Hanchuan’s Jealousy

Fu Hanchuan did not want to, but since Qin Sheng said so, he could not refuse.

He pulled a strand of Qin Sheng’s hair behind her ear and said dotingly, “Okay.”

Mother Lu was happy. “Sheng Sheng, hurry up and get dressed. We’re leaving now.”

Qin Sheng returned to her room.

Mother Lu looked at Fu Hanchuan with a smug look.

Little brat.

Fu Hanchuan had a headache. Mother Lu was the kind of person who could do whatever she wanted in the Lu family. Father Lu doted on her, and Old Master Lu was also very good to Mother Lu. He would listen to her wherever she went.

“Aunt, you’re an elder.”

The implication was that he shouldn’t bother with the younger generation.

Mother Lu sat back on the sofa.

She didn’t take Fu Hanchuan’s words to heart.

She retorted, “Hanchuan, I saw the look of disdain on your face just now. I’m an elder. Can’t you forgive me?”

Fu Hanchuan had a headache. He didn’t want to talk to Mother Lu anymore.

He turned around and returned to the dining room.

Mother Lu’s eyes kept looking into the dining room.

She had eaten the food prepared by Fu Hanchuan once. The taste was really good. She had originally wanted to stay at Fu Garden for breakfast.

But after Fu Hanchuan’s actions, she wanted to take Qin Sheng out and take revenge.

Qin Sheng quickly tidied up. She put on light makeup and wore a light blue knee-length dress.

Mother Lu held her chin and sized her up.

“Sheng Sheng, you’re only eighteen years old, and you’re already so good-looking. I wonder how stunning you’ll be in a few years.”

Mother Lu deliberately looked at Fu Hanchuan. “Sheng Sheng, pay attention to some big bad wolves who are eyeing you like a tiger. Some people don’t have good intentions.”

This person was naturally referring to Fu Hanchuan.

The veins on Fu Hanchuan's forehead were throbbing.

He said helplessly, "Sheng Sheng, come back soon."

"Okay," Qin Sheng obediently agreed.

Qin Sheng and Mother Lu left Fu Garden.

Fu Hanchuan sat alone at the dining table and ate breakfast. He probably ate some bread.

He grabbed a napkin and wiped his hands.

Then, he picked up his phone and instructed, "Bring tomorrow's meeting forward to today. The company meeting will start in an hour."

Assistant Lin was very surprised. "President, didn't you say that you would take a day off today?"

Fu Hanchuan looked at the empty seat opposite him and rubbed the space between his eyebrows.

"No need. She's not here."

Assistant Lin was stunned for a second before he quickly understood.

It seemed that his president was thinking of taking some time to accompany his wife. It was just that something might have happened and his wife was busy.

His president was lonely and solitary, so he thought of coming to work in the company.

Assistant Lin instantly understood.

He agreed. "I'll make the arrangements right away."

He hung up the phone.

Fu Hanchuan was very helpless.

In the past, Qin Sheng had already entered his heart in his dreams.

But he could distinguish between dreams and reality.

However, five months ago, when he first saw Qin Sheng, he couldn't control his heart and fell for her time and time again.

He seemed to have become a lot more petty.

He couldn't stand to see others get close to Qin Sheng, even if that other person was a woman.

Fu Hanchuan's lips curled up into a helpless smile.

He was very happy for her.

—

Mother Lu brought Qin Sheng to breakfast.

Mother Lu's appearance was also the bright type, and Qin Sheng was also beautiful.

When Mother Lu was ordering, the shop assistant could not help but ask, "As expected of mother and daughter, you're really beautiful."

When Mother Lu heard this, she was happy.

She beamed. "Sheng Sheng is indeed very beautiful, and she's obedient and sensible. Who wouldn't like a daughter like this?"

Chapter 585: Like a Little Princess

"Yes, yes, yes. If this were my daughter, I would wake up laughing in my dreams."

Then, the shop assistant continued to flatter her.

Mother Lu and the shop assistant became more and more enthusiastic as they talked.

As for the person they were talking about, Qin Sheng forced herself not to listen. She took out her phone and looked through it.

If she listened to Mother Lu's words, she was really embarrassed, but she could not refute.

Mother Lu took out a few hundred yuan bills and said very generously, "This is your tip. Take it."

"Thank you, Madam."

After breakfast.

Mother Lu brought Qin Sheng to the clothing store.

"Sheng Sheng, a woman must learn to dress herself well. If she looks happy, men will like her too."

Speaking of this, Mother Lu spat twice, "That's not right, Sheng Sheng. You don't have to please men. You're so outstanding. Men should be the ones to please you. If you're with someone and you're unhappy, dump him. Let's move on to the next one."

Qin Sheng: "..."

She coughed lightly. "Auntie, were you and Uncle the same back then?"

Mother Lu counted with her fingers. "He was my fifth boyfriend. I wasn't very satisfied with him either. I wanted to dump him, but he stubbornly refused to leave me. In addition, he was quite good-looking and always went along with me, so I kept this relationship going."

Qin Sheng was very envious of Mother Lu's personality, which allowed her to lead a carefree life.

Mother Lu tried to persuade Qin Sheng again, "Sheng Sheng, you can't fall for a man. Especially if someone is pursuing you, you have to learn to let them hang on and play hard to get, understand?"

Mother Lu's tone was very disdainful. "A man is just like that. If he gets you easily, he won't cherish you."

However, what Mother Lu didn't expect was that not long after she finished speaking, Qin Sheng was already with Fu Hanchuan.

Hearing Mother Lu's words, Qin Sheng's beautiful brows furrowed.

If he gets it easily, he won't cherish it?

Brother Fu probably wouldn't be such a person.

If Mother Lu knew what Qin Sheng was thinking, she would probably vomit blood. After all, she said this to persuade Qin Sheng to be wary of Fu Hanchuan.

She wanted Qin Sheng, this beautiful cabbage, to be eaten by Fu Hanchuan later.

Unexpectedly, when she turned her head, Qin Sheng excluded Fu Hanchuan.

"This dress is really nice. It will definitely look good on you. You will definitely look like a little princess."

Mother Lu took off a piece of clothing and compared it to Qin Sheng's body.

This was another pink dress.

Qin Sheng had a headache.

Why did Old Master Lu and Mother Lu like pink things? Even the room Fu Hanchuan decorated for her was pink.

"Sheng Sheng, how about we buy it?"

Mother Lu's eyes were sparkling.

Qin Sheng could only bite the bullet and say, "Okay."

Mother Lu immediately waved her hand and said, "Buy it for me."

"Okay."

The shop assistant saw through Mother Lu's preferences and brought her to the area with the pink dresses.

Mother Lu's eyes widened.

She wished she could wrap everything up.

She turned around and asked, "Sheng Sheng, what do you think? Do you like it?"

Qin Sheng rejected helplessly, "Auntie, let's go look at other colors of clothes."

Mother Lu thought about it. When she returned, she had already given Qin Sheng a pink princess dress. She had just picked another one and it was enough.

Hence, she nodded. "Alright, I'll listen to you."

Qin Sheng heaved a sigh of relief.

Mother Lu suddenly frowned. "Sheng Sheng, I'll go to the bathroom first. You pick out what you like first. Don't stand on ceremony. Auntie will buy it for you."

After saying that, she quickly left.

Chapter 586: He Liked Qin Sheng

"Miss, what type of clothes do you like?" the shop assistant asked politely.

This shop assistant was very shrewd. She saw Mother Lu and didn't feel the slightest bit of heartache when she spent money. She must be from a wealthy family.

She needed to suck up to her.

Therefore, her attitude towards Qin Sheng was very good.

"I'm just looking around."

"Okay."

Qin Sheng walked in the shop, her cold gaze sweeping over the clothes one by one.

She had never been picky about clothes.

To Qin Sheng, clothes were enough as long as they could be worn.

Of course, she didn't like those pink and tender princess dresses.

She walked to the front of a knee-length dress, and suddenly, she stopped in her tracks.

She looked at the dress.

Qin Sheng frowned.

The shop assistant thought that Qin Sheng had taken a fancy to the dress. She said apologetically, "I'm sorry, Miss. This dress is the most treasured item in our shop. It's not for sale."

"Okay." Qin Sheng nodded lightly.

But she did not walk away.

She studied the dress carefully.

—

Outside the shop.

Fu Shihan was holding Ye Yutong's arm.

Ye Yutong frowned and asked, "Han'er, has your brother returned to the Fu family during this period of time?"

Ye Yutong had taken the time to return to the capital over the past few days just to see Fu Hanchuan.

Ever since Ye Yutong met Qin Sheng, she had been feeling very uneasy.

She was always worried that Qin Sheng would become her strongest opponent.

Qin Sheng was a few years younger than Fu Hanchuan, but Ye Yutong still had a strong sense of crisis.

The reason was that Qin Sheng had moved into Fu Garden and lived openly with Fu Hanchuan.

Fu Hanchuan was a germaphobe.

She had worked hard for so many years, but still could not get close to him.

She did not expect a young girl to be able to live in Fu Garden.

So, this time, Ye Yutong had returned to H City again. She wanted to see Fu Hanchuan.

Unfortunately, it had been three days since she had returned, but she did not manage to find a chance to meet Fu Hanchuan.

Hearing this, Fu Shihan comforted her, "Brother Hanchuan has something on and has not been back for a long time. Sister Tong, don't worry too much. You are so outstanding. Brother Hanchuan will definitely like you."

Ye Yutong was embarrassed. "But Hanchuan... He seems to like Qin Sheng very much."

At this point, Ye Yutong bit her lip and the jealousy in her eyes disappeared. "He let Qin Sheng live in Fu Garden and even became a teacher for Qin Sheng at H City High School."

"Hanchuan is afraid of trouble. He is also a top student at Imperial University and a teacher at a small H City High School. If it weren't for Qin Sheng, he would never have become a teacher."

Fu Shihan was indignant. "That woman wants to charm my brother forever just because of her looks? How is that possible? Sooner or later, Brother Hanchuan will abandon her."

Ye Yutong did not say anything.

She roughly understood Fu Hanchuan's character. He would not treat her so well just because of Qin Sheng's looks.

He had fallen in love with Qin Sheng.

Ye Yutong had also heard that Qin Sheng was the top scorer in the National College Entrance Examination!

Back then, even she had only managed to get into the top 100 in the National College Entrance Examination.

Ye Yutong's sense of crisis was unprecedentedly strong.

Fu Shihan held Ye Yutong's hand and said, "Sister Yutong, don't worry. You are beautiful, gentle, and have a good family background. You also care about Brother Hanchuan. Brother Hanchuan will be with you in the future."

Ye Yutong forced a smile and said, "Han'er, thank you for comforting me."

"It's okay, Sister Tong. You will be my sister-in-law in the future. If I don't curry favor with you, who will?"

As she said that, Fu Shihan pulled Ye Yutong into the shop.

"Let's go shopping and buy a few more sets of clothes. Then your mood will be better."

Chapter 587: Your Mistress Mother Rose To Power

Qin Sheng stood in front of the set of clothes. Ye Yutong noticed Qin Sheng the moment she entered.

"Qin Sheng?" Ye Yutong frowned.

Her words reached Fu Shihan's ears. Fu Shihan followed her gaze and indeed saw Qin Sheng.

"Qin Sheng, why are you here?" Fu Shihan asked loudly.

When the shop assistant heard her words, she wanted to stop her, but when she saw Fu Shihan, she stopped talking.

Fu Shihan was a regular customer of the shop.

Moreover, she was very generous. She would spend hundreds of thousands, or even millions of yuan, which would be a lot of commission.

Therefore, the shop assistant didn't want to offend Fu Shihan.

Fu Shihan pulled Ye Yutong and strode toward Qin Sheng.

She crossed her arms and sized up Qin Sheng from head to toe. "Qin Sheng, this shop is the most upscale shop in H City. The cheapest piece of clothing inside costs more than 100,000 yuan, a few million more. Can you afford it with how poor you are?"

Then, Fu Shihan sneered, "No, you can afford it. After all, you can buy it with my brother's money."

"Living in my brother's house and using my brother's money to buy clothes for yourself? You're so shameless at such a young age! And you're the top scholar in the National College Entrance Examination, ha."

"Pfft, such a depraved top scholar in the college entrance examination. Whichever university you enter will be unlucky."

Hearing this, the shop assistant's gaze changed when she saw Qin Sheng.

She had thought that Qin Sheng was a rich lady, but she didn't expect that she was also a kept woman.

The husband of the shop assistant divorced her because of a mistress.

Therefore, the shop assistant looked down on women who were mistresses.

Qin Sheng ignored Fu Shihan's words. After all, she did not want to waste too much time with these people.

Ye Yutong also frowned and advised, "Qin Sheng, you are still young. It is not appropriate for you to buy such expensive clothes. Moreover, it will not be good if Hanchuan knows about it."

Qin Sheng finally had some reaction.

She turned around and smiled. "Since Brother Fu is willing to give me money, I will naturally accept it. I think that Brother Fu and I have nothing to do with you. What right do you have to question me?"

Fu Shihan was exasperated. "I am Brother Hanchuan's blood-related sister!"

Qin Sheng raised her eyebrows. "Brother Fu has already severed his relationship with you."

"Brother Hanchuan will definitely return to the Fu family," Fu Shihan retorted.

She pointed at Qin Sheng. "Qin Sheng, you are a seductive woman who likes to seduce men. What right do you have to criticize me?"

"It's because I have a good relationship with Brother Fu. It's because I moved into Fu Garden, and you?"

The corners of Qin Sheng's lips curled up into a mocking smile. "You're just the daughter of a mistress."

"Ah!! My mother isn't a mistress! She's Mrs. Fu who married into the Fu family." Fu Shihan couldn't help but shout out loud. She hated it the most when people said that her mother was a mistress.

She was really fed up with that kind of gaze.

Ever since she was young, there had been people pointing at her nose and scolding her mother for killing the first wife. It was a mistress who got the upper hand, and she was the daughter of a mistress.

Therefore, Fu Shihan was very sensitive about this matter.

When several customers in the shop saw this, they gathered around.

They wanted to watch a good show.

Ye Yutong hugged Fu Shihan's shoulders and comforted her, "Shihan, Auntie is not a third party. Didn't Uncle only get together with Auntie after his divorce?"

Ye Yutong had forgotten that Fu Mingxu and Fu Hanchuan were only one year apart.

Even if she remembered it, she would say the same thing.

After all, she wanted to please Fu Shihan.

Chapter 588: Chasing Qin Sheng Away

Fu Shihan nodded and her eyes turned red. "That's right, Sister Tong. You're the best."

The contrast between Ye Yutong and Qin Sheng was very obvious.

The more Fu Shihan thought about it, the more Ye Yutong was more suitable to be her sister-in-law. As for Qin Sheng, in her dreams!

Fu Shihan felt that she could not save face for Qin Sheng.

She pointed at Qin Sheng and turned her head to the shop assistant. "Such a woman is kept as a mistress. Aren't you afraid of dirtying your shop by keeping her in the shop?"

Her tone was aggressive.

"Yes, yes, yes, she is indeed not worthy to stay in our shop," the shop assistant agreed.

Fu Shihan looked at Qin Sheng proudly, and then continued, "In that case, why don't you hurry up and get her out?!"

"We'll do it right away."

The shop assistant turned to Qin Sheng. She changed her previous attitude of fawning over Qin Sheng, and her face was very cold.

The shop assistant really looked down on Qin Sheng, a woman who liked to seduce men.

Even talking to her felt dirty.

She said coldly, "Miss, please leave."

Qin Sheng did not move. Ye Yutong frowned. "Qin Sheng, you should go out first. After all, this will also embarrass you. You really should not stay in this place."

"Oh?" Qin Sheng, who had been watching the show, smiled. "Then I want to see who is not worthy."

Qin Sheng took a look at the decorations in the shop.

She clearly remembered that this was a clothing store under HD Group.

She edited a message and sent it to Fu Hanchuan in front of Ye Yutong and Fu Shihan.

Ye Yutong had a bad feeling when she saw Qin Sheng's actions.

Fu Shihan was still being aggressive. "Qin Sheng, why aren't you leaving?"

"Miss, it's best if you don't waste our time. If you don't leave now, we'll have to hire security."

Qin Sheng still didn't move. The shop assistant was getting impatient and shouted at the door, "Where's the security?"

Mother Lu came back from the bathroom. Hearing that, she frowned. "Who are you chasing out?"

Mother Lu often stayed abroad with Father Lu and rarely came back. This shop assistant had only worked here for a year, and she had never seen Mother Lu before.

The shop assistant thought that Mother Lu was Qin Sheng's mother.

With a daughter who was adopted as a mistress, it seemed that she was not a well-behaved person.

The shop assistant did not give Mother Lu a good look either.

"This person is a mistress. She doesn't deserve to stay in our shop," the shop assistant said coldly.

Mother Lu frowned very tightly. "You said that Sheng Sheng is a mistress?"

“Who else could it be?” Fu Shihan’s tone was very unpleasant.

She had never met Mother Lu before, so she did not recognize her.

Ye Yutong’s expression changed drastically.

She recognized Mother Lu.

The Ye family and Mother Lu’s maiden family had a close relationship. They fell out with each other and had not been in contact for all these years.

Ye Yutong knew that Fu Hanchuan valued the Lu family very much, so she naturally valued Mother Lu very much.

If she offended Mother Lu and Mother Lu told Fu Hanchuan about it, Fu Hanchuan’s impression of her would not be good.

It was not that Ye Yutong did not think about fawning over Old Master Lu, Father Lu, and Mother Lu, but the Lu family had never paid her any attention.

Ye Yutong could only give up.

She did not expect to see Mother Lu in a clothing store one day.

She smiled demurely and said politely, “Aunt Lu.”

“Who are you?” Mother Lu asked with a frown.

Ye Yutong did not expect Mother Lu to forget about her. Her expression stiffened and she quickly regained her composure.

1

She replied, “Aunt Lu, I am Ye Yutong, the daughter of the Ye family.”

Chapter 589: They Met the Parents

Mother Lu thought for a long while before she finally remembered.

“So you are Yutong. I didn’t expect you to have grown so much after not seeing you for so many years,” Mother Lu said casually.

Fu Shihan was very puzzled. “Sister Yutong, do you know her?”

Ye Yutong smiled very gently. “Auntie Lu is Brother Hanchuan’s aunt.”

Fu Shihan heard this and immediately felt hostile towards Mother Lu.

She did not like the Lu family very much.

Ye Yutong pulled at Fu Shihan’s clothes without batting an eyelid.

Only then did Fu Shihan manage to suppress her anger.

Although Mother Lu knew Ye Yutong, she did not treat her well.

She could tell at a glance that a woman like Ye Yutong was a scheming person.

On the surface, she appeared to be understanding, but behind her back, she was full of evil intentions.

“Are you saying that you want to chase her out?” Mother Lu asked in a deep voice.

Ye Yutong did not notice that Mother Lu had called her Sheng Sheng. She nodded. “Yes, Aunt Lu. Her name is Qin Sheng. She is staying at Hanchuan’s house. Aunt Lu, this is really inappropriate. Qin Sheng must have spent Hanchuan’s money to come to the clothing store. Hanchuan must have been bewitched by Qin Sheng.”

Ye Yutong thought that if she portrayed Qin Sheng in front of Mother Lu as someone who was greedy for wealth, Mother Lu would be disgusted with Qin Sheng.

Who knew...

Mother Lu scoffed. “I brought Sheng Sheng here. How did she spend Hanchuan’s money?”

Ye Yutong’s exquisite face froze.

A thought appeared in her mind.

Could it be that Fu Hanchuan had already introduced Qin Sheng to the Lu family?

Ye Yutong bit her lip.

Her sharp nails dug into her flesh until she felt pain in her hands. Only then did she manage to suppress the jealousy in her heart.

Qin Sheng was just a student who had just graduated.

How could she compare to her?

Her family background was good, she was knowledgeable, and she was gentle and generous.

Ye Yutong did not understand. She had pursued Fu Hanchuan for so many years, but he had not even looked at her. He had chosen Qin Sheng instead.

Mother Lu said mockingly, “As for Hanchuan being bewitched by Sheng Sheng, Sheng Sheng is very capable. Ye Yutong, I know that you like Hanchuan, but Hanchuan does not like you. Don’t say that the grapes are sour because you can’t eat them.”

Mother Lu had the same character as Qin Sheng. She was very protective of her own shortcomings.

The people that she was protecting were not allowed to be slandered.

The people who were watching the show changed the way they looked at Ye Yutong.

It turned out that the person she liked had a girlfriend and she was jealous of her, so she casually slandered the reputation of others.

Whispers of discussion could be heard from the surroundings.

Ye Yutong’s face alternated between green and white. It was an exciting scene.

“Aunt Lu, I’m just worried.”

Ye Yutong wanted to explain but was interrupted by Mother Lu. “The Lu family has nothing to do with you, let alone Hanchuan. So, what position are you in to interfere with Hanchuan’s matters?”

“We are friends. We have known each other since we were young.”

“Does Hanchuan treat you as a friend?”

Ye Yutong clenched her fists slowly, feeling very awkward.

She knew very well that Fu Hanchuan had never taken her seriously.

Mother Lu turned her head and held Qin Sheng’s hand.

She felt very sorry for her. “Sheng Sheng, you must have suffered. Sigh, it must have been hard for you to meet some people who came up to you so casually and thought that they were the best.”

Qin Sheng shook her head. “It’s alright.”

Very few people in the outside world could influence her. In her eyes, Ye Yutong and Fu Shihan were just a bunch of clowns.

Even though Qin Sheng said that, Mother Lu still felt her heart ache.

How could a young lady not be wronged by a bunch of villains and people who did not know the truth?

Qin Sheng only said that because she was worried that she would be worried.

Chapter 590: Pretending To Be a Little White Lotus and Feeling Wronged

Mother Lu’s heart ached even more when she thought of this. “Sheng Sheng, don’t swallow your grievances. You should know how to fight back, right?”

Qin Sheng was stunned when she saw the undisguised concern in Mother Lu’s eyes. She nodded obediently and said, “Okay.”

“Sigh, you’re so obedient.” Mother Lu was very pleased.

Fu Shihan sneered. “Qin Sheng, why are you pretending to be a little white flower that has been wronged? Did you forget that sharp-tongued look of yours just now? You really know how to act!”

Mother Lu acted as if she was protecting her child. “Even if Sheng Sheng knows how to act, it’s only because she’s capable. Is she going to stand here and wait for you guys to bully her? Why are you talking about Sheng Sheng? You should reflect on yourself instead. You keep talking about being kept as a mistress and being a lover.”

“Dirty people see everything as dirty.”

Mother Lu did not give Fu Shihan any face.

In Mother Lu’s eyes, no matter what Qin Sheng did, it was the right thing to do.

Fu Shihan was furious.

She pointed at Mother Lu and Qin Sheng.

She ordered the shop assistant, "Hurry up and chase them out!"

Ye Yutong wanted to stop Fu Shihan. "Han'er, let's forget about this matter."

"I can't take it anymore." Fu Shihan was used to being pampered. She could not suppress her anger when she was scolded like this by Mother Lu.

"Get rid of them. Otherwise, I won't come to your shop to buy things anymore."

Ye Yutong's eyes were filled with disgust for Fu Shihan when she heard that.

An idiot!

This made Mother Lu's impression of her even worse.

Ye Yutong really wanted to leave.

But she knew that if she left, she would have to coax Fu Shihan for a long time.

Mother Lu's impression of her was very bad.

Ye Yutong did not want to suck up to Mother Lu anymore.

The shop assistant was initially hesitant. After all, even though she looked down on Qin Sheng and Mother Lu, Mother Lu was still a big customer.

At this moment, she had made up her mind. Losing a customer like Fu Shihan was a huge loss.

The shop assistant's expression was very cold. "You can leave now. The two of you are not welcome in our shop."

Mother Lu held Qin Sheng's hand. "Sheng Sheng, let's go. We don't want such a bullying shop."

Qin Sheng smiled. "Auntie, we don't have to leave."

Her cold gaze swept past Fu Shihan, Ye Yutong, and the shop assistant. She raised her hand and pointed at them. "They are the ones who should leave."

Fu Shihan scoffed. "Qin Sheng, what kind of dream are you having? I'm a regular customer of the shop, and who do you think you are?"

The shop assistant was getting impatient. "Security, chase them out!"

"Okay."

Mother Lu frowned. "Sheng Sheng, this?"

Qin Sheng comforted her, "Auntie, they should be here soon."

Mother Lu did not know what Qin Sheng had done, but she still trusted Qin Sheng. She nodded and said, "Okay."

The security guard went forward.

He wanted to grab Qin Sheng, but Qin Sheng was just about to dodge...

A male voice came from the door. "Wait."

The security guard had no choice but to withdraw his hand.

He said respectfully, "Manager."

"Manager," the shop assistant said.

When Manager Li came over, sweat was still dripping from his forehead. He was also panting.

It was obvious that he had rushed over in a hurry.

"What happened?" Manager Li asked in a deep voice.

The store assistant pointed at Qin Sheng and Mother Lu. "These two people are causing trouble in our store. I'm asking the security to chase them out."

Manager Li glared at the store assistant. "Causing trouble? I think you're causing trouble!"

Assistant Lin personally called him and asked him to come over and help Qin Sheng.

Assistant Lin was the assistant of the HD Group's president. He represented Fu Hanchuan to the outside world.

In other words, Qin Sheng was the person protected by the president of the HD Group, and even he did not dare to provoke her.

A small shop assistant actually dared to provoke such a person!

She was really brainless!
