

Bigshot 671

Chapter 671: Must Feel Very Good

After Qin Sheng finished speaking, she did not stay any longer. There was only class tomorrow, so she could go back to the villa now.

She did not have much time to waste on these insignificant people.

Zhao Xiang stayed where she was. Her face was green and white from anger.

She was actually taught a lesson by Qin Sheng?

Qin Sheng came from a small city and his family was not as good as hers. What right did she have to teach her a lesson?

Shen Jiayue came over to look for Zhao Xiang. "Xiang Xiang, I didn't expect you to be dismissed so soon."

Zhao Xiang looked at Shen Jiayue.

Shen Jiayue's heart skipped a beat.

She asked very carefully, "Xiang Xiang, what happened? Who offended you?"

Zhao Xiang narrowed her eyes.

She warned, "Qin Sheng is not our roommate. You are not allowed to be friends with her."

If Qin Sheng dared to provoke her, she could only blame herself for Zhao Xiang's rudeness.

Shen Jiayue heaved a sigh of relief in her heart.

She promised, "Don't worry. I don't dare to treat a roommate like Qin Sheng well. She is a person with no respect for anyone. She relies on her good grades to be high and mighty. I don't want to go up to her and stick a hot face on a cold butt."

Zhao Xiang laughed coldly.

"Good grades in college entrance exams don't mean that college grades will be as good as before."

"Yes, yes, yes." Shen Jiayue nodded.

—

The voting for the campus belle of Imperial Capital University was held on Weibo. It was very lively.

Qin Sheng didn't know about it.

Of course, even if she knew, she wouldn't care.

After class, Qin Sheng returned to the villa.

Just as she entered the living room, Lin Haocheng's gaze fell on Qin Sheng.

He was wearing a flashy red suit.

He walked quickly to Qin Sheng. "Sheng Sheng, do you remember me? We've met before."

When Lin Haocheng heard that Fu Hanchuan and Qin Sheng had come to the capital, his thoughts became active.

He had to lure Qin Sheng back home to be his sister.

1

When he was in H City, Fu Hanchuan could arrange a lot of work for him.

However, Fu Hanchuan had just moved to the capital and didn't have many businesses in the capital, so he couldn't do anything to him.

Qin Sheng sized up Lin Haocheng and then replied, "Lin Haocheng."

"Yes, Sheng Sheng, I didn't expect you to still remember me!"

Lin Haocheng was happy.

It seemed that he had a lot of charm that made Qin Sheng, who had only seen him once, remember him.

Lin Haocheng could not control his excitement.

He wanted to reach out and rub Qin Sheng's head. This hair looked very thin and smooth.

Yes, it must feel very good.

However, he had just reached out his hand...

Fu Hanchuan, who had just come out of the kitchen, glanced at him coldly. His gaze was very cold.

Lin Haocheng shivered from the cold.

He retracted his hand timidly.

The veins on Fu Hanchuan's forehead bulged. He knew that Lin Haocheng was up to no good.

He was not a person who liked to hold grudges.

However, Lin Haocheng had said on Weibo that he liked Qin Sheng and wanted to kidnap her. He would never forget this.

He had taught Lin Haocheng a lesson and thought that he would behave himself. He did not expect that he would not learn his lesson.

Fu Hanchuan walked over.

He took Qin Sheng's bag and said in a low voice, "You're back. Dinner is ready."

Lin Haocheng kept looking at the two of them.

He frowned.

Why did it feel like the atmosphere was different this time?

Lin Haocheng shook his head. He should have thought too much.

How could Qin Sheng agree to be with Fu Hanchuan in just a few months?

Lin Haocheng adjusted his mood and forgot Fu Hanchuan's cold eyes.

Chapter 672: Poaching Fu Hanchuan's Corner

He kept talking beside Qin Sheng. "Sheng Sheng, do you know how miserable my life in H City is? Fu Hanchuan is really a sadist."

"Lin! Hao! Cheng!" Fu Hanchuan warned.

Lin Haocheng looked at Fu Hanchuan angrily, his eyes slightly narrowed.

Why did he feel that Fu Hanchuan was very nervous?

Lin Haocheng thought for a moment and thought of it. It seemed that Fu Hanchuan was worried that Qin Sheng would see a bad side of him.

He became even more enthusiastic and said, "Fu Hanchuan's methods of torturing people are simply too much. I'm an international Best Actor, and the endorsement fee is over 100 million. Sheng Sheng, do you know what Fu Hanchuan did?"

Qin Sheng frowned.

Lin Haocheng came over and said resentfully, "He asked me to be the spokesperson for his company or the company he invested in for free."

He kept on saying, "Free is not a big deal. After all, my family is a wealthy family and we have so much money that we can't spend it all. I don't care about this small endorsement fee. It hurts our feelings to talk about money between brothers."

"The key is the work that he has arranged for me. It's a pile of work. I go there at 8 o'clock every morning and can only finish work at 9 o'clock at night. Tell me, isn't this person holding a grudge?"

Qin Sheng frowned slightly. "Brother Fu should have his own reasons for doing this."

Hearing this, Fu Hanchuan's eyes flashed with a smile.

Seeing Lin Haocheng, he was no longer so unpleasant to look at.

Lin Haocheng was almost angered to death by Qin Sheng's words.

"Nonsense! What reason could he have? He just doesn't like what I posted on Weibo. It's a public service for personal revenge."

"Weibo?" Qin Sheng was a little puzzled.

Lin Haocheng nodded. "Yes, it's Weibo. At first, I said that I wanted to poach his corner, but didn't I change it later? I said that I wanted you to be my sister, but this guy is still unwilling to let me go."

His voice was full of accusations.

He had a lot of resentment.

Back then, he had been tired to death for a month and a half.

Every day when he returned to the villa, he would sleep on the bed immediately. When had he ever been so tired?

Even when he was filming, he had plenty of time to rest.

The only person who dared to treat him like this was Fu Hanchuan.

Later on, he was finally done with his work. He wanted to look for Qin Sheng, but Fu Hanchuan had tortured and scared him, so he did not go over.

After packing his things, he returned to the capital dejectedly.

He really missed Qin Sheng very much. Now that he knew Fu Hanchuan and Qin Sheng had come to Imperial City, he rushed over eagerly.

Fu Hanchuan rubbed the space between his eyebrows, and the veins on the back of his hand bulged.

He was enduring. He couldn't let Qin Sheng see the side of him teaching others a lesson.

Also, wasn't the lesson he had taught Lin Haocheng enough?

Fu Hanchuan looked at Lin Haocheng, thinking in his heart about how to make Lin Haocheng appear less in front of Qin Sheng.

Lin Haocheng saw Fu Hanchuan's dark eyes.

He subconsciously backed down.

But soon, he straightened his back.

The fear in his eyes toward Fu Hanchuan disappeared.

This was the capital, not H City, but his territory. Fu Hanchuan couldn't do anything to him even if he wanted to.

Qin Sheng had also seen Lin Haocheng's Weibo post at that time.

She didn't think that Fu Hanchuan's actions were inappropriate because of Lin Haocheng's words.

On the contrary, Qin Sheng's heart warmed up when Fu Hanchuan became jealous because of these jokes.

If Lin Haocheng knew Qin Sheng's thoughts, he would probably vomit blood.

Of course, Qin Sheng was also defending Fu Hanchuan at this moment. "Brother Fu is a good person. You should be the one who did something inappropriate."

Chapter 673: They Were Together

Lin Haocheng: "..."

His expression froze for a while. It turned out that he had made himself sound so miserable, yet he had not attracted Qin Sheng's sympathy.

On the contrary, she was still standing on Fu Hanchuan's side.

Lin Haocheng felt that his little heart had been hurt by billions of points.

He clutched his heart and said pitifully, "Sheng Sheng, what you said really made me sad."

Finally, Lin Haocheng added, "Fu Hanchuan is too evil. I really reminded you to be careful of him. I didn't expect you to protect him."

Fu Hanchuan glanced at Lin Haocheng and said slowly, "Lin Haocheng, call her Sister-in-law."

Lin Haocheng frowned. "Sister-in-law? What sister-in-law?"

He stopped abruptly. His eyes suddenly widened in disbelief.

He looked at Qin Sheng and then at Fu Hanchuan.

After a while, he finally reacted.

"Ahem." Lin Haocheng coughed a few times, and his face turned red.

Pointing at Fu Hanchuan, he really couldn't believe it. "Hanchuan, don't tell me that you kidnapped Sheng Sheng? Are you two boyfriend and girlfriend now?"

"Yes." Fu Hanchuan wanted Lin Haocheng to know that Qin Sheng was taken. He didn't hide it and nodded.

Lin Haocheng looked at Qin Sheng again. It was obvious that Qin Sheng had also admitted it.

Lin Haocheng held his heart. "No, I need to rest."

He sat on the sofa and rested for a while. He could not accept the fact that they were already together.

It had been less than three months since they last met. They were already together so soon?

Wasn't Fu Hanchuan a little too fast?

No wonder he felt that the atmosphere between Qin Sheng and Fu Hanchuan was not right. It turned out to be this reason.

Lin Haocheng started to dislike Fu Hanchuan.

A 23-year-old man actually had his attention on a little sister who had just come of age. How could he be so shameless?

He stood up from the sofa.

At this moment, Qin Sheng and Fu Hanchuan had already entered the dining room.

Lin Haocheng did not see Qin Sheng and Fu Hanchuan in the living room, so he walked into the dining room in a huff.

When he entered the dining room, a very rich fragrance entered his nose.

It was so fragrant.

Lin Haocheng took a deep breath. This was too fragrant. Was Fu Hanchuan's cooking so delicious?

He walked to the dining table.

The dishes were not only fragrant, but they also looked appetizing.

Lin Haocheng forced himself to look away. It was very difficult.

Fu Hanchuan was expressionless. "Something's up."

Lin Haocheng then remembered his business. He glared at Fu Hanchuan. "Of course something's up. It's a big deal."

Fu Hanchuan frowned slightly.

Lin Haocheng ignored Fu Hanchuan. He pulled a chair over from the dining table and got closer to Qin Sheng.

He asked patiently, "Sheng Sheng, do you know that Hanchuan is already 23 years old?"

Qin Sheng was puzzled. "What's wrong?"

Lin Haocheng said, "You're only 18 years old and have just become an adult. There's a five-year age difference between you and Fu Hanchuan. Don't you think he's too old?"

Qin Sheng shook her head. "I don't think so."

Lin Haocheng choked. Five years old and she still didn't think he was old? Was there not a big age difference?

Lin Haocheng had a headache. He changed the topic. "Fu Hanchuan is a wolf with a big tail. He doesn't have good intentions."

He began counting with his fingers, "He deliberately got close to you and ran off to be an English teacher at H City High School to let you live in Fu Garden. I think he has been scheming against you for a long time. Sheng Sheng, why are you foolishly watching him jump into his trap?"

Fu Hanchuan narrowed his eyes.

It seemed that he could not let Lin Haocheng go just like that.

Chapter 674: Imperial City, His Territory

Putting down his chopsticks, Fu Hanchuan smiled and said, "Lin Haocheng, are you very free?"

Lin Haocheng replied casually, "I'm fine. I haven't had any work for the past few days."

Fu Hanchuan raised his eyebrows and said, "Our company has just moved to Imperial City. We have several brands under us that have all moved here. Now, we need to make a name for ourselves and shoot some promotional videos. Since you're so free, come over to our company."

"F*ck." Lin Haocheng could not help but swear.

He gritted his teeth and said, "Fu Hanchuan, you're trying to squeeze my labor force for free again!!"

Fu Hanchuan glanced at him and said, "There's a salary."

However, he had the final say on how much the money was.

Lin Haocheng shook his head. "I have something to do. I'm not taking it."

Fu Hanchuan said, "You don't have a choice."

Lin Haocheng straightened his back and retorted, "Fu Hanchuan, this is Imperial City, my territory."

Fu Hanchuan raised his eyebrows. "Try it."

Finally, he added, "Three years ago..."

When he heard these three words, Lin Haocheng's expression changed. He quickly interrupted Fu Hanchuan, "Hanchuan, it's my fault. Please be magnanimous and let me go."

How could he have forgotten about that? Fu Hanchuan had a hand in everything. When he was studying at Imperial Capital University, he had developed a lot of connections in the capital.

It was indeed very easy to deal with him.

Moreover, although his family was a wealthy family and had a lot of authority in the capital, they would not help him.

Lin Haocheng's brows were knitted together. If Fu Hanchuan were to deal with him...

He would at least lose a layer of skin.

Lin Haocheng was afraid.

Now he could only pray that Fu Hanchuan would forget this matter.

Fu Hanchuan heard Lin Haocheng's plea for mercy and did not speak.

Naturally, he would not let him off so easily.

Lin Haocheng pretended to be calm. He shifted his attention to the dishes on the dining table.

It had to be said that Fu Hanchuan was a little bad. There was no way to be picky about his culinary skills.

He had eaten once before, and he could not forget it.

No matter what, he was going to have a free meal today.

Lin Haocheng knew that Fu Hanchuan would not leave him here to eat, so he could only turn his attention to Qin Sheng.

He looked at Qin Sheng and said, "Sheng Sheng, I'm hungry. Anyway, there's a lot of food here. I'll stay tonight."

Fu Hanchuan frowned and emphasized, "Call her Sister-in-law."

Lin Haocheng still insisted on his own idea. If he wanted him to call Qin Sheng sister-in-law, in his dreams!

In the future, he was going to treat Qin Sheng as his sister.

If he called her sister-in-law, wouldn't the seniority in this generation be messed up?

Lin Haocheng was very obsessed with making Qin Sheng his sister.

Lin Haocheng ignored Fu Hanchuan and didn't even look at him. His eyes were on Qin Sheng the whole time.

He blinked. "Sheng Sheng, is that okay?"

Qin Sheng replied, "This meal was prepared by Brother Fu. Go and ask him."

Fu Hanchuan's eyes were filled with affection. He smiled and said, "Lin Haocheng, you should go. I didn't prepare the meal for you."

Lin Haocheng: "..."

The two of them were echoing each other. Why did it feel like they were feeding him dog food?

Qin Sheng did not agree. Lin Haocheng knew that his plan of freeloading food would be ruined.

He was still unwilling to leave. He glanced at the food on the table and swallowed hard. What a f*cking glutton.

However, wasn't it just a meal?

If he did not eat it, he would not eat it.

Chapter 675: He Was Very Well-Behaved

After Lin Haocheng comforted himself, he thought of something and said to Qin Sheng with a hopeful expression, "Sheng Sheng, why don't you be my sister? I have an elder brother and a grandfather. Even my father likes girls very much. Moreover, the Lin family is very powerful in the capital."

He tried to seduce Qin Sheng.

"Sheng Sheng, if you become my little sister, you can do whatever you want in the capital. Furthermore, you can also focus on being a rice worm. You can eat and wait for death every day. You can wear gold and silver every day. You can buy whatever you want. Our Lin family has the money to support you."

Lin Haocheng was very generous.

However, the Lin family indeed had the ability to do so.

He also dared to guarantee that his grandfather and his father would definitely like Qin Sheng.

Right now, Lin Haocheng's mind was filled with thoughts of bringing Qin Sheng home to be his sister.

Fu Hanchuan did not stop Lin Haocheng.

Even he had to admit that if Qin Sheng entered the Lin family, it would be the best choice.

Qin Sheng had never experienced family love.

Perhaps the Lin family could give her these.

Qin Sheng rejected without even thinking. "I don't need them."

She did not dare to hope for any kinship now.

Hence, Qin Sheng did not dare to think about Lin Haocheng's suggestion.

Lin Haocheng did not give up. "Sheng Sheng, aren't you going to consider it?"

Qin Sheng lowered her eyes and remained silent.

Fu Hanchuan frowned. "Lin Haocheng, you can go."

His gaze was very cold.

Lin Haocheng did not dare to bring up this matter for the time being. He coughed and said, "Then I'll be leaving."

Before he left, he did not forget to remind him.

"Sheng Sheng, Fu Hanchuan is a wolf with a big tail. Don't let your heart sink in."

Lin Haocheng came to the entrance of the villa. He turned on his phone and it was a picture of Qin Sheng eating in the restaurant.

Lin Haocheng heaved a sigh of relief.

This trip was not in vain.

If he added the pictures of Qin Sheng on the Internet, it should be enough.

He could not get Qin Sheng to be his sister.

Then, he would let his grandfather do it.

His grandfather's ability to trick people was better than his.

With his help, there would be no problem.

Lin Haocheng rushed home happily.

However, while he was on the way, his manager called him. Lin Haocheng had a bad feeling.

He picked up the call, and his manager's roar came from the phone. "Lin Haocheng, what did you do?"

Lin Haocheng held the phone a little further away.

He picked his ears.

Then he answered, "I was very well-behaved. I didn't do anything."

Yan Feng laughed coldly. "Nothing? Fu Hanchuan came to the company for no reason?"

Lin Haocheng's heart skipped a beat.

He asked weakly, "Brother Feng, what did he come to you for?"

Yan Feng said snappily, "He asked you to be the spokesperson for the three brands under his company."

Lin Haocheng: "..."

He leaned back in his seat, feeling very helpless. He was really done for. Fu Hanchuan would definitely torture him to death.

He really did not want to experience what happened a month ago again.

F*ck, how ruthless!

Yan Feng rubbed the space between his brows and said with a headache, "Lin Haocheng, tell me, can't you be a little more obedient? It has only been a short while, and you've already provoked him again? Can't you learn a lesson?!"

Lin Haocheng had a look of despair on his face and did not hear Yan Feng's words clearly.

Yan Feng was very helpless towards Lin Haocheng.

He was very clear that at this time, Lin Haocheng must have put his phone far away.

Yan Feng's voice rose, shouting: "Lin Haocheng, Fu Hanchuan cannot be provoked, cannot be provoked!"

Chapter 676: Becoming the Spokesperson

Lin Haocheng came to his senses and said in a low voice, "Didn't he lure Sheng Sheng back home to be his girlfriend? Don't blame me."

The first time he provoked Fu Hanchuan was three years ago.

From then on, Lin Haocheng didn't dare to provoke Fu Hanchuan.

But after meeting Qin Sheng, he also knew that Fu Hanchuan was eyeing Qin Sheng like a tiger. Lin Haocheng wanted to go up and separate them, so he was very uncomfortable.

He also found Fu Hanchuan to be an eyesore.

Therefore, he could not control himself.

He courted death time and time again.

When Yan Feng heard Lin Haocheng's words, the veins on his forehead bulged. "Are you still not giving up? Are you still eyeing the woman Fu Hanchuan has his eyes on?"

Lin Haocheng retorted, "I'm treating her as my younger sister."

Yan Feng rubbed his aching glabella. "They're all the same. Lin Haocheng, you're too good at courting death. I can't save you. You should continue living the life you had a month ago."

Lin Haocheng's body trembled.

He tried to negotiate. "Can I not go?"

Yan Feng was expressionless. "No."

He looked at the time. "Fu Hanchuan gave you 20 minutes. There are still 12 minutes left. You can go directly to HD Group. I'll be there later."

After saying that, he hung up the phone.

A busy tone came from the phone. Lin Haocheng's hand that was holding the phone froze in midair.

Unresigned words were squeezed out through the gaps between his teeth. "Uncle Jiang, go to HD Group."

HD Group had been moving to Imperial City since a long time ago.

Everything had been arranged very early.

Many people with status in Imperial City knew the location of HD Group.

Naturally, Lin Haocheng also knew.

At this moment, he was extremely resentful.

In his heart, he kept scolding Fu Hanchuan for being black-hearted and despicable.

Lin Haocheng suddenly had an idea. If Qin Sheng had an entertainment company under her name, would Fu Hanchuan not dare to squeeze him like this?

The more Lin Haocheng thought about it, the more he felt that it was possible.

He had to kidnap Qin Sheng to be his sister and then send Qin Sheng to an entertainment company.

He would come to Qin Sheng's company to be an artist.

Thinking of professionalism, Lin Haocheng was even more determined to let Qin Sheng be his sister.

—

Over here, in the villa.

Fu Hanchuan hesitated for a moment before finally saying, "Sheng Sheng, do you want to consider what Lin Haocheng said? Be his godsister."

Qin Sheng said nonchalantly, "Brother Fu, I don't value those so-called family ties anymore. I'm afraid."

She lowered her eyes and said bitterly, "Even biological parents don't treat their own biological daughter well, let alone outsiders."

Qin Sheng didn't dare to try again.

She was afraid that she would be hurt all over again.

Fu Hanchuan frowned slightly and didn't force Qin Sheng anymore.

He picked up a piece of seafood and put it into Qin Sheng's bowl.

"Sheng Sheng, no matter what your choice is, I'll support you. Just follow your heart."

Qin Sheng replied softly, "Okay."

—

On the Internet, the voting for the school belle was still going on.

He Manyun and Zhao Xiang had both signed up on their own initiative. As for Ye Yutong, it was her friend who had helped her sign up. She had used carefully prepared photos and had also developed her beauty.

Qin Sheng, a hot figure with good grades, good looks, and a cold and noble temperament, was one of the few people in Imperial Capital University who could compare to Ye Yutong. Naturally, someone had also helped her sign up.

There were very few photos of Qin Sheng. There were only two. One was taken by the girl, and the other was taken by a reporter at the H City High School.

Neither of the two photos showed her beauty.

Chapter 677: Snatched Fu Hanchuan Back

Most of the students from Imperial Capital University had already participated in the voting.

The voting was very lively.

Ye Yutong and Qin Sheng's votes were far ahead of He Manyun and Zhao Xiang.

Qin Sheng had 300 more votes than Ye Yutong.

Ye Yutong had indeed stayed at Imperial Capital University for four years. Many people knew her and had good relationships with her. Logically speaking, Ye Yutong should have more votes.

However, just by looking at her appearance, Ye Yutong was far away and could not compare to Qin Sheng.

Among the students at Imperial Capital University, there were quite a number of face dogs.

They would support whoever was more handsome and more beautiful.

Ye Yutong turned on her phone and went straight to the campus belle selection page.

She believed that Qin Sheng would not have the chance to snatch her position as the campus belle.

After all, she had not wasted her three years at Imperial Capital University.

Therefore, Ye Yutong did not put Qin Sheng in her eyes when it came to the campus belle selection. She only came to see the voting results after an afternoon had passed.

However, the first thing she saw when she clicked on it was Qin Sheng.

Ye Yutong furrowed her brows tightly.

She was very puzzled. She was the first place. Why was Qin Sheng at the top?

A possibility surfaced in her heart.

Ye Yutong slid down the rankings.

Looking at the votes of the two of them, Qin Sheng was actually 347 votes higher than her. Furthermore, the gap between the two of them was still widening.

Ye Yutong gritted her teeth.

If this continued, she would definitely lose to Qin Sheng.

She must not lose!

Ye Yutong bit her lip. Her eyes were filled with hatred for Qin Sheng.

She made a call to her friend. "Xiaoli, help me pull my votes up."

Wang Xiaoli was very surprised. "Yutong, aren't you number one?"

Ye Yutong gripped her phone tightly. "Go and settle it."

"Alright, leave it to me."

Wang Xiaoli found someone to buy the votes for the campus belle selection. Each vote was 20 yuan.

When voting, one needed to enter their school ID to vote. A person only had one chance to vote, so it was very difficult to buy votes.

In the end, Wang Xiaoli bought 800 votes for Ye Yutong.

Ye Yutong saw this.

She heaved a sigh of relief.

Based on this development, it was basically impossible for Qin Sheng to surpass her.

She put down her phone and picked up the brush again.

However, she could not calm down.

Half an hour later, her heart was getting more and more chaotic. The painting on the drawing board was stained with paint.

Ye Yutong grabbed the painting directly.

She crumpled it into a ball.

Her beautiful face was full of malevolence.

She gritted her teeth. "Qin Sheng!"

She would never lose. The position of the campus belle was hers. Even Fu Hanchuan, she would snatch back.

—

Qin Sheng had never paid attention to the campus belle selection.

The next morning and afternoon, there were classes.

Qin Sheng was resting in the dormitory. She ignored Shen Jiayue's sarcastic remarks.

Zhao Xiang also found Qin Sheng displeasing.

She had also applied for the campus belle selection. The photos she had applied for were all the ones she had chosen for a long time. Unexpectedly, she was still left far behind by Qin Sheng.

Qin Sheng was suppressing her in every way.

Zhao Xiang felt very uncomfortable.

In the dormitory, she was flaunting her family background, but Qin Sheng did not even give her a glance. Instead, she saw disdain in Qin Sheng's eyes.

Zhao Xiang was furious.

Qin Sheng was from a small city. Why did she look down on her?

Zhao Xiang immediately pointed at Qin Sheng and scolded, "Qin Sheng, you dare to look down on me? Be careful that I won't let you stay in Imperial Capital University. My father has a close relationship with the shareholders of Imperial Capital University."

Qin Sheng raised her eyebrows. "As you wish."

"Okay, Qin Sheng, just you wait."

Chapter 678: Qin Sheng Was Kept As a Mistress?

Zhao Xiang was so angry that she stomped her feet.

She wanted to see Qin Sheng's frightened look, but she did not expect that she did not react to her words from the beginning to the end.

Qin Sheng did not pay any more attention to Zhao Xiang. She continued to read the medical book in her hand.

Now, she had already seen the textbook of the senior year of Imperial Capital University.

After a while, she would apply for a waiver.

Qin Sheng did not want to waste too much time on theoretical studies.

Zhao Xiang saw that Qin Sheng ignored her and felt bored. She returned to her bed and sat down. Shen Jiayue also came to Zhao Xiang's side.

“Xiang Xiang, let’s ignore her in the future. We don’t need to pay attention to people like her. This will only waste our mood. In the future, let’s treat her as an invisible person.”

Shen Jiayue glanced at Qin Sheng.

She was very disdainful. “Xiang Xiang, I heard that on the day Qin Sheng came to report, there was a man who brought her here.”

Zhao Xiang frowned. “Is there a problem?”

Shen Jiayue nodded. “There’s a big problem. Xiang Xiang, let me tell you. Look at Qin Sheng’s food and clothes. They’re all pretty good. The problem is, when Qin Sheng was in high school, I heard that she transferred from the countryside to H City High School.”

Qin Sheng was the top scorer in the college entrance examination. Back then, the reporters had dug up a lot of information about Qin Sheng’s background.

Naturally, they also knew that Qin Sheng transferred to the school. They even dug up Qin Sheng’s results at that time and carried out a large-scale report.

Shen Jiayue’s eyes rolled, “Xiang Xiang, think about it. A poor family or a person with a relatively ordinary background, why would they need to be so particular? There are still quite a number of branded goods. Even if she has the ability to earn money, can she earn so much?”

Shen Jiayue’s voice was not soft, and it reached Qin Sheng’s ears without missing a single word.

Qin Sheng smiled mockingly and ignored her.

Zhao Xiang guessed what Shen Jiayue was going to say, and she pretended to be puzzled. “Jiayue, what do you mean?”

Shen Jiayue said very mockingly, “I think this Qin Sheng is most likely being kept by someone, and the person who brought Qin Sheng here that time was the person who kept Qin Sheng.”

Zhao Xiang said doubtfully, “That can’t be. I heard that the man who was with Qin Sheng that day was very young.”

Shen Jiayue was disdainful. “What’s so strange about that? Even if they’re not a sugar daddy, that man is just playing with Qin Sheng. After a long time, he will get tired of her and dump her. It’s already good enough for such an unequal relationship to last for a year.”

Zhao Xiang sneered. “It seems that we can’t trust someone’s appearance. They look pure and innocent, but behind their backs, they’re dirty.”

Shen Jiayue echoed, “Isn’t that so? Now we’re just waiting to see a good show. Let’s see how she gets dumped.”

The two of them chimed in.

Qin Sheng was slandered for being kept as a mistress. This was not the first time, but she had never paid attention to it.

However, at this moment, the two of them had been talking non-stop beside her.

Qin Sheng frowned and she closed her textbook.

Her red lips spat out a single word, "Noisy."

Shen Jiayue immediately gave a disdainful laugh. "What does it have to do with you? If you find it noisy, then don't stay in our dormitory. Don't you have money? Then go rent a room on the outside."

When Meng Fangfei heard this, she retorted in a low voice, "It's break time now. It's really inappropriate for you to be so noisy."

She was reading just now, and she couldn't read anymore because of the two of them.

But she didn't dare to mention it.

Chapter 679: The Stingy Fu Hanchuan

Hearing this, Shen Jiayue glared at Meng Fangfei unhappily.

"Aren't you reading? If you were serious about reading, would we be able to influence you?"

Hearing Shen Jiayue say this, Meng Fangfei retracted her gaze and didn't dare to speak anymore.

Qin Sheng returned to the bed.

She stuffed her ears with her earphones.

She was thinking in her heart.

She could ask the principal for a single dormitory.

Qin Sheng had never thought that living in the same dormitory with others would be so troublesome.

Shen Jiayue crossed her arms and looked at Qin Sheng who was lying on the bed from afar.

She went over and asked, "Xiang Xiang, when will you get your father to chase Qin Sheng away?"

Zhao Xiang curled her lips and sneered, "Soon. Isn't she just a person from a small city who dares to go against me? The top scorer in the college entrance examination? The school will offend the major shareholders just because of a small top scorer in the college entrance examination? What a joke."

Shen Jiayue flattered her. "Right, Qin Sheng was nothing just now, yet she dared to act so arrogantly in front of you?"

Qin Sheng had already closed her eyes and fell into a deep sleep.

When Shen Jiayue and Zhao Xiang saw that Qin Sheng had already fallen asleep, they also felt bored and returned to their own beds to rest.

—

At night, in the campus belle selection, Ye Yutong was ahead of Qin Sheng by 300 votes.

Moreover, the increase in votes was slowing down. At this rate, Ye Yutong would be number one by noon the next day.

Lu Ming was a gossip person.

Naturally, Lu Ming was involved in the selection of the campus belle.

That night, Lu Ming logged in to take a look.

When he saw Ye Yutong's votes, he frowned. In the morning, Qin Sheng was number one. Moreover, Qin Sheng's votes were growing faster than Ye Yutong's. Would Ye Yutong be ahead of Qin Sheng by 300 votes?

Lu Ming felt that there must be something fishy going on.

He rolled his eyes and made up his mind. If he told his brother about this, would he be able to scam some more money?

The more he thought about it, the more he felt that it was feasible.

He called Fu Hanchuan. Fu Hanchuan was processing documents in the study. When he saw Lu Ming's call, he frowned and answered the call.

Lu Ming's voice came from the phone. He said mysteriously, "Brother, Sister-in-law is being held down by someone. Do you want to know what it is?"

Fu Hanchuan frowned and said, "Speak."

Lu Ming offered, "I want 50,000."

"10,000."

Fu Hanchuan was very stingy with people other than Qin Sheng.

He needed to save money.

Otherwise, with Qin Sheng's earning speed, Fu Hanchuan was worried that he would fall behind.

He would not be with these insignificant people.

"10,000?!" Lu Ming almost choked on his own saliva.

He was stunned. "Brother, when did you become so stingy? I remember when you used to buy a luxury car worth tens of millions."

Fu Hanchuan held his phone to his ear and continued to read the documents on his computer.

Lu Ming asked again, "Brother, then I don't want 50,000. How about 30,000? 10,000 is too little."

He had a bitter expression on his face. His entire four years of university had been counting on that little scholarship and using Qin Sheng's information to exchange for living expenses with Fu Hanchuan.

How could Fu Hanchuan be so stingy?

After all, it was not often that there was news about Qin Sheng.

“10,000.” Fu Hanchuan insisted on his own idea.

Lu Ming threatened him, “Brother, if it’s not 30,000, I won’t tell you.”

Fu Hanchuan narrowed his eyes threateningly.

Lu Ming thought that Fu Hanchuan would agree to his threat.

Who knew...

Chapter 680: Saving Money As a Betrothal Gift

A busy tone sounded on his phone.

Lu Ming was stunned. He looked at his phone.

He couldn’t believe it.

Fu Hanchuan, he, he actually hung up the phone?

Didn’t he care about Qin Sheng the most?

This time, why was it so abnormal?

Lu Ming thought about the conversation between him and Fu Hanchuan.

An idea appeared in his mind.

Could it be that his brother thought that 30,000 yuan was too much?

Lu Ming quickly dismissed this idea. Fu Hanchuan was rich, and he wouldn’t even blink if he gave away 10,000,000 yuan. Why would he care about 30,000 yuan?

Lu Ming couldn’t figure out Fu Hanchuan’s thoughts.

But he didn’t want to give up this opportunity to make money, so he called Fu Hanchuan again.

After 30 seconds, Fu Hanchuan finally picked up.

Lu Ming asked very carefully, “Brother, why did you hang up?”

“30,000 is too much.” Fu Hanchuan’s words were very succinct.

Lu Ming had just drunk a mouthful of water when he heard that, and he spat it out.

F*ck!

It was true!

Lu Ming coughed a few times before he recovered.

He was very puzzled. “Brother, 30,000 isn’t much. It’s nothing to you. Why are you so stingy?”

Fu Hanchuan curled his lips. “Save money. I’ll give it to your sister-in-law as a betrothal gift.”

Lu Ming: “...”

How could he be fed dog food for such a small matter?

Lu Ming's expression was complicated. "Brother, your money isn't enough for a betrothal gift?"

Who was he trying to fool?

The CEO of HD Group was worth tens of billions.

In another year, he would probably be worth hundreds of billions.

Fu Hanchuan's savings should be around 10 billion, so how could it not be enough?

Fu Hanchuan answered patiently, "Yes, it's not enough."

His eyes sparkled with starlight, and the corners of his lips could not help but curl up. "Sheng Sheng is amazing. She already has more than a billion."

Soon, Qin Sheng might catch up to him.

Fu Hanchuan could only save his money properly. Otherwise, he was worried that he would not be able to support Qin Sheng.

"F*ck, more than a billion!" Lu Ming could not help but swear.

He was completely shocked. "Really? Brother, don't lie to me."

Qin Sheng transferred to H City. It was only a semester and a summer vacation. How could she earn over a billion in such a short time?

Unless she robbed a bank?

If earning money could be so easy, the world would be filled with rich people.

Soon, Lu Ming found another excuse. "Even if Sister-in-law has over a billion, you must have given it to her. Brother, you gave Sister-in-law over a billion, but you're not even willing to give your own brother 20,000. You're valuing your lover over your friend!"

Lu Ming's tone was full of resentment.

If he could dig a little out of Fu Hanchuan's fingernails, would he have to live such a miserable life?

Fu Hanchuan agreed very much. "It's just a cheap brother. I don't care if I don't want it."

Lu Ming shut himself off.

He changed the topic. "Brother, are you sure you don't want to exchange 30,000 yuan for Sister-in-law's news?"

Fu Hanchuan said, "You won't tell me if it's not 30,000 yuan?"

Lu Ming straightened his back and said firmly, "Yes."

"Alright, I'll send someone to investigate. I think I'll find out in two hours."

Fu Hanchuan was about to hang up the phone.

Lu Ming was anxious. He had never thought that Fu Hanchuan would not play by the rules.

He looked sullen. "Brother, 10,000 yuan then."

Fu Hanchuan said, "Okay, if the news is useful, I'll send the money over."

Lu Ming felt extremely stifled. He had originally planned to ask for 50,000 yuan, but he did not expect it to turn into 10,000 yuan in the end.

He organized his words.

He told him what had happened.

"Brother, our school has been organizing a voting for the campus belle since noon yesterday. Sister-in-law is one of the candidates. Originally, Sister-in-law would have been able to become the campus belle, but someone has been scamming the votes. Ye Yutong is ahead by 300 votes."
