

Bigshot 681

Chapter 681: Tried Every Means Possible To Earn Money

Fu Hanchuan narrowed his eyes. "Ye Yutong?"

"Yes, it's her."

Lu Ming had a gossip look on his face. "Brother, I remember that Ye Yutong seems to like you. She even wanted to be on good terms with me back then and use me to get close to you."

Fu Hanchuan recalled that day when Ye Yutong and Fu Shihan went to Fu Garden and asked him to chase Qin Sheng out.

He frowned in disgust.

Lu Ming thought of something and gloated. "Brother, tell me, if Ye Yutong finds out that you are with Sister-in-law, will she attack her because she is jealous of her?"

A deep furrow appeared between Fu Hanchuan's brows. "Keep an eye on her."

Lu Ming felt that his chance had come. "Brother, keeping an eye on Ye Yutong is very difficult. It is also hard work."

Fu Hanchuan was not stingy this time. "200,000. If she does anything to Sheng Sheng, report it once. 50,000

Lu Ming agreed immediately. He said excitedly, "Deal."

Then, he asked, "Brother, how do you plan to handle the campus belle selection this time?"

Fu Hanchuan's fingers tapped lightly on the table.

His eyes were deep.

He could not make up his mind.

If Qin Sheng became the campus belle, she would definitely be noticed by many people and would also be targeted by many boys.

At the thought of this, Fu Hanchuan was almost drowned in jealousy.

He wished he could keep Qin Sheng into his pocket.

He did not want other men to covet her.

Fu Hanchuan wanted to tell Lu Ming to ignore it for a moment.

However, he suppressed this urge.

He did not wish for Ye Yutong to stand on Qin Sheng's head.

Fu Hanchuan did not respond for a long time.

Lu Ming thought that Fu Hanchuan had left. He tried to shout, "Brother, are you still there?"

Fu Hanchuan was pulled back from his thoughts. "I will give you some photos of Sheng Sheng. Send them out."

"Okay," Lu Ming agreed.

Fu Hanchuan opened the photo album on his phone. It was filled with photos of Qin Sheng from all angles.

There were hundreds of them.

Fu Hanchuan picked one for an hour.

He thought it was too beautiful. He didn't want others to see it, but he also thought it was very charming.

Fu Hanchuan didn't want to show these photos to others.

An hour later.

Fu Hanchuan finally sent the photos to Lu Ming. Then, another 210,000 Chinese dollars was sent to Lu Ming's account.

Lu Ming counted the balance of his bank card.

He smiled until his eyes narrowed.

As expected, he hugged his sister-in-law's thigh tightly and had meat to eat.

He replied to Fu Hanchuan, [I'll do it right away.]

Lu Ming looked at the picture that Fu Hanchuan sent him and was stunned.

F*ck, it was taken so well?

If Qin Sheng was not the person that Fu Hanchuan liked, he would probably be moved.

The five pictures each had their own characteristics.

Cold, arrogant, pure...

Lu Ming looked at them carefully for a while. He was very curious. Where did Fu Hanchuan get these photos? Secretly taken?

How could Fu Hanchuan's photo-taking skills be so good?

Lu Ming couldn't figure it out, so he didn't think about it anymore.

He opened the forum and used the photos Fu Hanchuan gave him to edit a post and post it.

This time, Lu Ming used a similar name as H City High School. Imperial Capital University's Number One Most Handsome Guy, very chuunibyou.

[Imperial Capital University's Number One Most Handsome Guy: Let me show you the photos of Qin Sheng, the top scorer of the college entrance examination. Do you feel tempted? I'm here to solicit votes for student Qin Sheng. Remember to choose Qin Sheng for the campus belle's selection.]

Below were a few photos of Qin Sheng.

There were quite a number of active students on the Imperial Capital University Forum.

In addition, there were photos of Qin Sheng on Lu Ming's post. In a short while, there were dozens of replies below the post.

After all, there were pitifully few photos of Qin Sheng on the Internet.

Many students wanted to dig up photos of Qin Sheng, but they couldn't find them.

Chapter 682: Was Ahead of Ye Yutong

Lu Ming's post was naturally welcomed by many people.

[I'll lick and lick this face.]

[This photo is many times more beautiful than the two photos that were selected for the campus belle. It was already beautiful enough, but now it's making my heart beat wildly.]

[Is this photo really not photoshopped? It's too beautiful to be real.]

[I'm in the same class as Qin Sheng. I can guarantee that the photo didn't use any photoshop or beauty filters. It only shows Qin Sheng's original photo.]

[F*ck, Qin Sheng is way more beautiful than Ye Yutong. We have to vote for her to be the campus belle.]

[Let's go, let's all vote.]

[I didn't want to participate. Looking at this photo, I feel like I have to vote!]

[I really regret voting for Ye Yutong. If only I have a second chance...]

[...]

The discussion on the forum was very lively.

At the same time, many people went to Weibo to vote for Qin Sheng.

Qin Sheng's votes were soaring at a rocket speed. In less than half an hour, her votes had increased by 800 votes. Moreover, the growth was continuing at this pace. By the time the voting ended the next day... Qin Sheng's votes would probably be more than 1,500 votes higher than Ye Yutong's.

Imperial Capital University was one of the two most powerful universities in China.

Many people followed it.

There were 50 million Weibo fans, and 20 million of them were die-hard fans of Imperial Capital University.

Now that they saw Qin Sheng's votes rising so fast, many people thought that Qin Sheng was skimming the votes.

Leaving messages.

[What's going on? Are you on steroids? So fast?]

[Did they buy votes?]

[D*mn, can't your vote be fair? Didn't you see Qin Sheng brush her vote? I suggest that she be disqualified.]

[Oh, oh, oh, my goddess' votes finally went up! Rush, rush, rush! Imperial Capital University's campus belle!]

[Upstairs, the data is abnormal. Do you really think Qin Sheng is the campus belle of Imperial Capital University by virtue of her ability? It's not honorable for her to win. Yutong is the real campus belle.]

[...]

These people, most of them, they were not from Imperial Capital University.

Some of them were students of Imperial Capital University, but they didn't see the forum, so they didn't know there were photos of Qin Sheng.

One of the students who came back from the forum saw these comments and quickly helped Qin Sheng to clarify things.

He was a face dog. He already regarded Qin Sheng as a goddess.

He did not want to see others slandering Qin Sheng.

In the beginning, under their comments, he responded one by one. Those people came for the photos on the forum of Imperial Capital University. It was not fake data.

Many people saw his reply and went to the forum of Imperial Capital University to see it.

People were born to love beauty.

When these people saw Qin Sheng's photo, they could not move their eyes away.

Beautiful!

Too beautiful!

They finally knew why Qin Sheng's vote count was so fast. So, it was because of these photos.

Not to mention, they were thinking that if they had the chance to vote, they would also go and vote for Qin Sheng.

That night, Qin Sheng's vote count had been rising, and the votes of the other campus belle candidates had almost stagnated, including Ye Yutong.

Ye Yutong thought that she would be the campus belle for sure.

Therefore, she rarely looked at the votes on Weibo.

It was not until the next day that her sidekick, Wang Xiaoli, called her.

"Xiaoli, what's the matter?" Ye Yutong asked.

Wang Xiaoli was very anxious. "Yutong, Qin Sheng is now 1,600 votes ahead of you."

Chapter 683: Ye Yutong's Alternate Account

Ye Yutong frowned. "What happened?"

Wang Xiaoli told her what had happened. "According to what I know, the ID of Imperial Capital University's Number One Most Handsome Guy posted a thread last night to solicit votes for Qin Sheng. There were also five pictures of Qin Sheng in the thread, so many students went to vote for her."

Ye Yutong gripped the pen in her hand tightly and asked, "Is it possible that the votes were bought?"

Wang Xiaoli shook her head. "I can confirm that it wasn't bought. Yutong, what should we do? There are less than two hours left until the deadline for voting."

Ye Yutong's expression darkened. "Can we still get votes?"

Wang Xiaoli replied, "It's very difficult. I have already tried very hard to find the 700 votes from yesterday. Moreover, the gap between us and Qin Sheng is too big. It's very difficult to surpass it just by soliciting votes."

"Alright, I will think of a way myself."

Ye Yutong leaned back in her chair. Her expression was very ugly.

She opened the forum.

The first thing she saw when she entered was the post that Lu Ming had posted.

Ye Yutong clicked on it and looked down.

When she saw the five photos of Qin Sheng, a hint of jealousy and hatred appeared on Ye Yutong's face.

As expected, she was able to attract those people to vote for her.

She was really a vixen!

These men from Imperial Capital University were seduced by her.

Even Fu Hanchuan was wholeheartedly loyal to Qin Sheng.

However, what Ye Yutong did not know was that one-third of the people who voted for Qin Sheng were girls.

When they saw the photos of Qin Sheng, they were all bewitched and obediently went to vote for Qin Sheng.

Qin Sheng was too beautiful.

They did not dare to be jealous of Qin Sheng anymore.

Some people would reach a height that you could not reach, so it was very difficult for jealousy to arise in their hearts.

Ye Yutong's eyes were fixed on the photos of Qin Sheng, as if she wanted to poke a hole in it.

After a long while, she looked away and continued to look down.

There were a lot of people who said that Qin Sheng was beautiful and wanted to vote for Qin Sheng.

There were also quite a number of people comparing her to Qin Sheng and saying that Qin Sheng was more beautiful than her by more than ten times.

Ye Yutong gripped her phone and her face turned green with anger.

A bunch of people who didn't play by the rules!

Ye Yutong recognized a few of the IDs in the replies to the post.

They usually said that they would always support her, but who would have thought that they would fall on Qin Sheng's side so quickly?

Ye Yutong flipped through two pages but did not continue reading.

Her expression became more and more unsightly.

She logged out of the forum and logged into Weibo. She switched to her alternate account.

Many people knew that she was Ye Yutong's biggest fan, but very few people knew that it was Ye Yutong's alternate account.

Ye Yutong posted on Weibo.

[Yutong's Favorite: Qin Sheng is now ahead of Yutong by 1,600 votes. How can this be? Yutong is our school's campus belle! In order to support Yutong, from now on, as long as you vote, send me a screenshot and I'll transfer 100 yuan to you.]

Many students at Imperial Capital University followed the Weibo post of Yutong's Favorite.

After all, she was really rich.

She would often organize some activities, and the prizes were not cheap either.

At this moment, this Weibo post was sent out, and very quickly, there were many replies.

A large number of people immediately went to vote, and even said that Yutong's Favorite was a big nouveau riche.

Ye Yutong posted on Weibo, and then posted on the forum.

At the same time...

Ye Yutong's votes were also rising rapidly.

She was getting closer and closer to Qin Sheng's votes step by step.

Chapter 684: Had Lost Completely

In the blink of an eye, there was only a difference of 800 votes.

Lu Ming had been paying attention to the situation the whole time. When he saw Ye Yutong's vote count, he frowned and followed the comments below to find Yutong's Favorite's Weibo post.

His frown deepened.

Why did he feel that this Yutong's Favorite was very strange?

It was just like someone's alt account, like Qin Churou's alt account back then.

Thinking of this, Lu Ming was excited. If it really was an alternate account, then it would be fun.

Lu Ming turned on his computer and directly hacked into the data.

It wasn't Ye Yutong's?

Lu Ming turned off his computer with a lack of interest and then went back to Weibo to check the votes of Ye Yutong and Qin Sheng.

He didn't dare to let Ye Yutong get the position of campus belle.

His brother took out the five photos of Qin Sheng as if he was willing to part with his love.

If Qin Sheng was still outclassed by Ye Yutong, he would be the unlucky one.

—

Half an hour later.

Ye Yutong was still 600 votes behind Qin Sheng.

Obviously, the method of canvassing votes on Weibo that Yutong posted was not very effective anymore.

Ye Yutong's votes increased very slowly.

Many students of Imperial Capital University were not short of money and did not care about 100 yuan of Chinese currency.

On the other side, more and more Imperial Capital University students saw Qin Sheng's photo on the forum and ran over to vote.

The gap between their votes started to widen.

Lu Ming was relieved.

If Ye Yutong did not do anything, Qin Sheng's position as the campus belle would be secure.

Ye Yutong had also been paying attention to the progress of the campus belle selection.

When she saw that the number of votes cast for Qin Sheng was more than a thousand votes higher than hers, her face turned green with anger. However, she could no longer find a way to canvass votes.

She could only watch helplessly as the time reached 12 o'clock.

The voting ended.

In the final vote count, Qin Sheng was first, Ye Yutong was second, Zhao Xiang was third, and He Manyun was fourth.

Other than Qin Sheng and Ye Yutong, the votes of those people were all very low. The higher ones only had a few hundred votes, while the lower ones had more than a dozen votes.

Meanwhile, Qin Sheng and Ye Yutong had a difference of more than 1,100 votes.

Ye Yutong had lost. She had lost completely.

She leaned against the back of her chair weakly, her face pale.

She did not expect that she would still lose to Qin Sheng.

Ye Yutong clenched her fists tightly, her eyes filled with unwillingness.

This incident had also caused Ye Yutong to hate Qin Sheng completely.

—

Qin Sheng did not pay attention to the matter of the campus belle selection.

After the morning class, Qin Sheng went to the cafeteria to have lunch. She could feel the gazes that would fall on her from time to time.

These gazes were more than usual.

When Qin Sheng looked over, those students averted their gazes as if nothing had happened.

But as long as Qin Sheng looked away, they would stare at Qin Sheng again.

Qin Sheng was very sensitive. She had noticed the abnormality of those people.

However, she only frowned slightly and ignored them.

Qin Sheng also did not consider the reason. She did not want to think about these unimportant things.

Qin Sheng took her lunch and sat alone near the window.

Lu Ming came over after taking his lunch.

He sat opposite Qin Sheng.

Su Yixiu and Qin Sheng were not in the same major, but their school buildings were very close. After class, it was more convenient for them to have dinner in the same canteen.

Su Yixiu saw Qin Sheng's figure in the crowd at first sight. He originally did not plan to go over.

But when he saw Lu Ming...

He hesitated for a moment, but still walked toward Qin Sheng.

Chapter 685: Doesn't Like To Be Alone

"Lu Ming, Sheng Sheng."

After Su Yixiu called out to them, he sat down next to Lu Ming.

Lu Ming was very surprised. "Su Yixiu, you're also coming over to eat with us? Don't you always like to be alone?"

Su Yixiu had been in the same class as Lu Ming for two and a half years.

Lu Ming admired Su Yixiu very much and wanted to make friends with him. However, Su Yixiu's attitude was polite and distant. Lu Ming had worked hard for two months, but there was no progress at all.

So, he gave up.

So, at this moment, he was quite surprised that Su Yixiu would take the initiative to look for them.

Su Yixiu glanced at Qin Sheng without leaving a trace, and a complicated emotion quickly flashed across his eyes.

This, he did not let Qin Sheng notice.

Su Yixiu picked up the spoon, and he answered, "Sometimes, I don't want to be alone."

Lu Ming nodded and patted Su Yixiu's shoulder as if they were brothers.

"That's more like it. How can you not have friends? Just follow me from now on. I definitely won't let you feel lonely."

Qin Sheng looked at Lu Ming's sloppy manner and was a little puzzled.

Fu Hanchuan and Lu Ming's personalities were very different.

It was difficult for ordinary people to tell that they were related.

Qin Sheng thought of Mother Lu and Old Master Lu and could not help but laugh. It seemed that Lu Ming had followed their personalities.

Only Fu Hanchuan was different.

This probably had something to do with his experience.

Qin Sheng's heart couldn't help but ache for a moment.

She lowered her eyes and hid the emotions in them.

Their movements soon attracted the attention of many students.

Lu Ming and Su Yixiu were both very handsome and could be considered male idols, not to mention Qin Sheng.

The three of them looked extremely pleasing to the eye.

Many people started discussing.

"F*ck, the men are handsome, and the woman is beautiful. Looking at them, I can even eat a few bowls of rice."

“Do they know each other?”

“The woman, I know that she’s the newly selected campus belle, the top scorer in this year’s college entrance exam. The man in the innermost corner is called Lu Ming. This year’s college entrance exam, he is ranked 11th in the country. Just like Qin Sheng, they’re both from H City. I only know these two.”

“I know the other guy. His name is Su Yixiu. He’s ranked second in the national college entrance exam. He’s also a super scholar. I saw him in the competition before. I was beaten up by him. He’s amazing. I think he’s also from H City.”

“F*ck, H City High School? I can’t believe they’re all from H City High School! The top scorer in the college entrance exam, second place, and 11th place are all gathered in H City High School. This school is too awesome.”

“They’re handsome and beautiful, but their grades are actually so good. I’m jealous.”

Their discussion was very lively.

It was unknown which female students interjected, but the topic of their discussion changed again. It started to become about CPs.

Slowly, the school began to produce a batch of CP fans.

Some were on Qin Sheng and Lu Ming, but most of them were on Qin Sheng and Su Yixiu.

After all, Lu Ming looked unreliable, and Qin Sheng had a cold personality.

They felt that it was impossible for Qin Sheng to be with Lu Ming.

Qin Sheng and the other two didn’t know what the students were talking about.

While eating, Lu Ming said, “By the way, Sheng Sheng, you won the campus belle selection this time.”

Qin Sheng frowned. “The campus belle selection?”

Her voice was filled with doubt.

Lu Ming was speechless. “Don’t tell me you don’t know about this?”

Qin Sheng picked up a piece of vegetable. When she heard this, her hand paused. “Is there a problem?”

Chapter 686: Lu Ming Was Suspicious

Lu Ming quickly shook his head. “No problem.”

He did not forget that Qin Sheng was QS, so he did not dare to offend Qin Sheng. Not to mention that Fu Hanchuan would come and find trouble with him if he offended Qin Sheng, just the lesson Qin Sheng taught him was unbearable.

Qin Sheng’s methods were really too perverse.

He did not want to do it again after being abused by her in Black Emperor.

Lu Ming began to take credit. "Sheng Sheng, yesterday, Ye Yutong bought votes for herself. You were supposed to lose, but I have sharp eyes. I saw it and immediately went to look for my brother. He gave me five photos. As soon as I sent them out, your votes rose with a whoosh."

Qin Sheng's brows were tightly knitted.

Lu Ming was worried that Qin Sheng was worried about the campus belle selection. It was all thanks to Fu Hanchuan.

He added, "If I didn't tell my brother, he would never know."

Qin Sheng casually said, "Thank you."

Lu Ming said cheerfully, "In the future, you just have to say nice things about me in front of my brother."

Lu Ming knew that Qin Sheng was the person that Fu Hanchuan cared about the most. Fu Hanchuan would definitely agree to any request Qin Sheng made.

That was why he wanted to hug Qin Sheng's thigh tightly.

However, he had forgotten that Fu Hanchuan was a jealous man.

Su Yixiu, who had been silent the entire time, frowned. He asked, "Lu Ming, is your brother Teacher Fu?"

Lu Ming did not hide anything. "Yes, it's him."

He was very gossipy. "Tell me, is my brother especially scheming? He chased Sheng Sheng all the way to the school and even became an English teacher in Class 4. Tsk tsk, I have to say, he really struck fast. During the summer vacation, he already established a relationship with my sister-in-law."

Lu Ming was so excited that he blurted out the word 'sister-in-law'.

Qin Sheng coughed lightly. "I'm still not your sister-in-law."

At this moment, Qin Sheng also remembered that Lu Ming had called her sister-in-law a long time ago. It was just that she didn't understand it at the time, so she didn't pay too much attention to it.

But at this moment, Lu Ming mentioned it again.

Those memories were all drawn out.

Lu Ming blurted out, "Not now, but soon."

He realized what he had said.

Lu Ming quickly reached out and made a zipper gesture to his mouth. "I'll shut up."

Qin Sheng didn't pay attention to Lu Ming anymore. She lowered her eyes and began to eat seriously.

Su Yixiu heard Lu Ming's words.

His heart was filled with bitterness.

So Fu Hanchuan had been courting Qin Sheng so early?

And he was so attentive.

No wonder Qin Sheng agreed to be with him.

Su Yixiu's gaze fell on Qin Sheng.

Deep in his eyes was a love that could not be dispelled.

When Qin Sheng looked over, he quickly lowered his head so that Qin Sheng would not notice his abnormality.

Lu Ming was very puzzled. "Yixiu, were you looking at Sheng Sheng just now?"

A hint of panic quickly flashed across Su Yixiu's eyes. He denied, "I was just thinking about some questions."

"Oh."

Lu Ming did not think about anything else.

Su Yixiu changed the topic. "Sheng Sheng, regarding the matter of the entertainment company, the General Manager asked me to tell you that there is still no way to find a suitable company. Many companies raise their prices from the ground up, and the talent of the artists inside are not good either."

Qin Sheng frowned. "Then open one. There's no need to buy it."

Buying other entertainment companies was just to save time.

Since there was no company to buy, there was no harm in opening one.

Finally, Qin Sheng added, "If the company doesn't have enough funds, come and look for me."

After buying that company, she only had 500 million left.

It seemed that she would have to buy shares again.

Su Yixiu nodded. "Okay."

"Wait." Lu Ming frowned. "Why can't I understand what you're talking about? What company? What do you mean by coming to look for her when you don't have money?"

Chapter 687: Investing In a Company

Qin Sheng and Su Yixiu did not answer.

Lu Ming suddenly thought of something and cursed, "Sheng Sheng, are you investing in a company right now?"

It was not that he had not thought of the possibility of Qin Sheng starting a company.

But how old was Qin Sheng?

Was it possible for her to start a company at the age of eighteen?

Therefore, Lu Ming thought of Qin Sheng's investment.

He heard from his brother that Qin Sheng had more than a billion yuan in her hands. It was normal for her to invest it.

Hearing this, Qin Sheng smiled without saying a word.

Lu Ming felt that his guess was right. He said sourly, "Sheng Sheng, you're really rich."

Was it too late for him to turn into a girl now?

If he was a girl, would Fu Hanchuan give him so much money? It didn't need to be more than a billion yuan, just 100 million yuan would be enough.

Lu Ming was very envious of Qin Sheng. She could just waste her time and wait for her death.

If she did not do anything, she would have more than 1 billion in funds.

Lu Ming felt very sour in his heart. He did not even have the appetite to eat the food in his mouth.

He took a few quick bites and stood up.

"I'm leaving."

He thought of something and sat back down.

He lowered his voice. "Sheng Sheng, Ye Yutong might have used her votes back then. Fortunately, I turned the tide and helped you pull the votes up. Now, you have snatched away Ye Yutong's position as the campus belle. Moreover, you are with my brother now. Ye Yutong might trip you up."

Qin sheng frowned slightly.

Ye Yutong...

This woman liked Fu Hanchuan. Although Fu Hanchuan would not bother with Ye Yutong, she still disliked Ye Yutong.

At the clothing store owned by Fu Hanchuan, Qin Sheng initially did not want to bother with those people who came to cause trouble for no reason.

But when she faced Ye Yutong, she could not help but want to teach Ye Yutong a lesson.

She really did not like those people who tried to get close to Fu Hanchuan.

At this moment, she gave Lu Ming a rare sincere smile. "Alright, I understand."

Lu Ming felt overwhelmed by the favor.

He stood up in a panic and said, "Sister-in-law, no, Sheng Sheng, my brother asked me to keep an eye on her. You don't have to worry too much."

At this point, Lu Ming felt that what he had said to Qin Sheng just now was a little unnecessary.

How could a pervert like Qin Sheng be schemed against by Ye Yutong?

It was already pretty good that she did not torture people.

Lu Ming did not stay any longer. He took the tray and left. Only Qin Sheng and Su Yixiu were left.

Qin Sheng was a quiet person.

Su Yixiu did not say much either.

The two of them did not feel awkward and just ate their meal quietly.

Of course, Su Yixiu's gaze would often fall on Qin Sheng without anyone noticing. It was very secretive and Qin Sheng did not notice it.

They ate at a similar speed.

It only took them more than a minute to finish eating.

"Yixiu, if you have any problems with the company, feel free to look for me. If you feel that you can't handle it, you can also find someone to help you," Qin Sheng reminded before leaving.

Su Yixiu nodded. "Okay, I will."

"Okay."

Qin Sheng nodded and left.

On the way back to her dormitory from the cafeteria, Qin Sheng received a call from the principal.

Qin Sheng picked up the call and asked, "Principal, have you arranged my dormitory?"

The principal of Imperial Capital University coughed lightly and said with some embarrassment, "I still need some time. Currently, the dormitory has no vacancies. I still need to make some adjustments."

Qin Sheng did not force him. After all, she had proposed to the school to change her dormitory at the last minute.

Now that the whole school had started, coupled with the fact that the dormitory in Imperial Capital University was quite limited, it was normal that there was no way to allocate it properly.

Chapter 688: The Position of Campus Belle

Qin Sheng only said, "Okay, but please hurry."

"We will arrange it as soon as possible."

Originally, the principal of Imperial Capital University didn't have to personally arrange such a small matter for Qin Sheng, but he valued Qin Sheng very much. After all, he had already tasted the sweetness after Fu Hanchuan came to the school.

At this moment, he was trying his best to satisfy Qin Sheng's request.

Such a genius had to be provided with.

As long as it wasn't some particularly unreasonable request, he could satisfy it.

He had seen that Peking University was eyeing Qin Sheng like a tiger eyeing its prey.

If Qin Sheng was snatched away by Peking University and made a big research topic, who would he cry to?

The principal smiled and said, "Sheng Sheng, you will be the representative for this year's freshmen assembly. How about it?"

Qin Sheng felt that this was a troublesome matter. She had to write a draft and read it at the assembly.

Wasn't it good to use this time to sleep?

Qin Sheng tried to negotiate. "Can you find someone else? Yixiu is not bad."

The principal's voice was unquestionable. "There's no better choice than you."

Qin Sheng was this year's top scorer for the college entrance examination. She was the first person in history to get a perfect score in the college entrance examination. She was beautiful and had a pleasant voice.

It was most appropriate for Qin Sheng to speak on behalf of the new students.

Those little rascals would not doze off either.

Qin Sheng rubbed her aching glabella and said helplessly, "Alright, I'll prepare. When does it start?"

The principal frowned and asked, "You don't know? There should be news in the class notification group."

Qin Sheng: "..."

She seemed to have forgotten. No, it shouldn't be that she had forgotten. She had seen the news, but she did not click on it because she found it troublesome.

Qin Sheng coughed lightly and explained, "I haven't had the time to read it yet."

The principal didn't doubt it. "It starts at 7:30 tonight. Make good preparations."

"Okay."

Qin Sheng agreed.

During the time that the two of them were talking, Qin Sheng had already returned to the dormitory.

The dormitory door was already closed.

Qin Sheng took out the key and opened it.

Zhao Xiang and the other two had already returned.

Shen Jiayue said sarcastically, "Oh, our great Campus Belle Qin is back. She pushed Ye Yutong out of the position of campus belle. Qin Sheng, you are really capable."

Qin Sheng returned to her seat.

She lowered her eyes and looked indifferent.

Qin Sheng ignored her. Shen Jiayue was still unwilling to let Qin Sheng go.

Although she did not participate in the selection of the campus belle, Zhao Xiang did.

Zhao Xiang didn't become the campus belle, but Qin Sheng did. Zhao Xiang would definitely dislike Qin Sheng even more.

She could use this to curry favor with Zhao Xiang.

Zhao Xiang would feel better after mocking Qin Sheng. This way, with Zhao Xiang's generous personality, she would definitely give her a lot of benefits.

Shen Jiayue crossed her arms and said sarcastically, "Qin Sheng, initially, Senior Sister Ye's votes surpassed yours, but when those photos of you leaked out, many male students voted for you. Your ability to seduce people is really strong."

Photos?

Qin Sheng thought of Lu Ming's words.

Those photos that were posted on the school forum?

Qin Sheng opened her phone and downloaded an app for the Imperial Capital University Forum. She registered an account.

Her fingertips tapped lightly on the phone screen.

Qin Sheng's actions were very fast.

It only took her two minutes.

She logged into the forum.

Lu Ming's post was still at the top of the forum, and there were already thousands of replies.

Probably in a few days, this post would become the most popular since the appearance of the Imperial Capital University Forum.

Qin Sheng's eyes fell on the poster.

Chapter 689: Teach Shen Jiayue a Lesson

Imperial Capital University's Number One Handsome Guy?

The first thing that came to Qin Sheng's mind was the name that Lu Ming had used in the forum of H City High School.

This was undoubtedly Lu Ming.

Qin Sheng clicked on the post.

She began to read the content.

Meanwhile, Shen Jiayue continued to mock her, "Qin Sheng, I've seen your photos on the forum. There are all kinds of styles. Tsk tsk, I didn't expect you to be so versatile. Should I say that you're very good? Or should I say, Qin Sheng, you really know how to act."

Qin Sheng looked at the post, but she didn't listen to Shen Jiayue's words.

If Shen Jiayue knew about it, she would probably be so angry that she would vomit blood.

It turned out that she had talked for so long, but it didn't have any effect on Qin Sheng. Did Qin Sheng just treat her as air?

Qin Sheng quickly scanned through the post and Lu Ming's comment.

Her gaze fell on the five photos. She looked at them very seriously.

These were all taken in Fu Garden. There were photos of her sitting on the sofa, and there were photos of her sitting in front of the desk, looking down at her textbook seriously.

Obviously, other than Fu Hanchuan, no one else could take these photos.

So, he took these photos secretly?

Qin Sheng had never realized that Fu Hanchuan would take photos of her.

The corners of her lips curled up, and there seemed to be starlight in her eyes.

Seeing that she was only looking at her phone, Shen Jiayue frowned. She was not happy.

"Qin Sheng, are you listening to me or not?"

As she spoke, she reached out with one hand, wanting to snatch Qin Sheng's phone.

Qin Sheng's gaze sharpened.

When Shen Jiayue touched the phone, her slender hand held Shen Jiayue's wrist tightly.

Qin Sheng's strength was very strong. Shen Jiayue could feel the pain in her wrist, as if waves of pain were coming from her bones.

Shen Jiayue could not break free. She screamed, "Qin Sheng, what are you doing? Let go of me!"

Qin Sheng's hand was still tightening inch by inch.

Her gaze was very cold.

At this moment, Shen Jiayue's tears fell.

She was constantly struggling.

Zhao Xiang came up and wanted to pull Qin Sheng away.

However, she was stopped by Qin Sheng's cold gaze.

Zhao Xiang was very afraid of Qin Sheng's appearance. She was afraid that she would lay a hand on her, so she did not dare to say anything else.

Shen Jiayue was someone who wanted to suck up to her.

Shen Jiayue was deliberately looking for trouble with Qin Sheng. She did not instruct her to do so. There was no need for her to stand up for Shen Jiayue.

Meng Fangfei went forward and said worriedly, "Qin Sheng, this is very inappropriate. Roommates should be close and affectionate. After all, we will be together for four years. You should let go of Jiayue."

Shen Jiayue's eyes were still dripping.

Deep in her eyes was hatred for Qin Sheng.

She actually dared to teach her a lesson!

What was there to be proud of for a person who lived on a man? What right did she have to teach her a lesson?

What right did she have?

Shen Jiayue also began to fear Qin Sheng a little.

In the past few days, Qin Sheng had not resisted her ridicule.

Therefore, she had become even more aggressive. She thought that Qin Sheng was someone who would be bullied by others.

She didn't expect Qin Sheng to explode today.

Qin Sheng glanced at Meng Fangfei. She didn't think much of Meng Fangfei.

However, the lesson for Shen Jiayue was almost over.

Qin Sheng smiled coldly and let go of Shen Jiayue.

Shen Jiayue was freed. She was afraid of Qin Sheng and stayed far away from her.

Qin Sheng turned off her phone and said casually, "Don't touch my things in the future, understand?"

She looked at Shen Jiayue.

Chapter 690: Freshmen Representative

Shen Jiayue's body trembled and she bit her lip.

She was very unwilling, but in the end, she still nodded her head. "I, I understand."

Qin Sheng retracted her gaze.

She smiled. "In the future, you guys better not come and provoke me. I ignored you guys, but that doesn't mean that I don't have a temper. You guys can't bear the consequences."

At this point, Qin Sheng looked at Shen Jiayue and Zhao Xiang with a faint smile.

Zhao Xiang felt that she came from a wealthy family.

It was already good enough that she did not deal with Qin Sheng. How could she let Qin Sheng lay her hands on her?

Zhao Xiang said unhappily, "Qin Sheng, you don't have the ability to lay your hands on me yet."

Qin Sheng raised her eyebrows. "Oh? You want to try?"

Zhao Xiang could not stand Qin Sheng's mockery of her. She immediately said, "Qin Sheng, don't be complacent. Don't think that I will be afraid of you. My parents, as long as they lay their little fingers on you, you will be kicked out of school."

Hearing this, Qin Sheng sneered, "Really? Then I'll wait and see."

After saying that, she did not bother with Zhao Xiang anymore and turned on the computer.

She still had 3,000 words of a manuscript to write. She did not have much time to waste on these people.

When Meng Fangfei saw that things had calmed down, she heaved a sigh of relief and sat back in her seat. She began to flip through her textbooks.

Meng Fangfei was a bookworm. She paid a lot of attention to her studies.

Basically, the moment she returned to her dormitory, she would start reading.

At this moment, Qin Sheng had already opened the document. Her fair and slender fingers were typing on the computer keyboard.

At the same time, lines of words appeared on the document.

Every minute, she was able to enter 150 words. This was the result of her deliberately slowing down her speed.

Shen Jiayue had already recovered.

The throbbing pain on her wrist had already subsided.

She looked at Qin Sheng's back view as she sat in front of the desk. Her eyes were filled with hatred.

She came to Zhao Xiang's side.

"Xiang Xiang, this Qin Sheng really doesn't put you in her eyes. She dares to treat you like this just because of her status as the top scorer of the college entrance examination. Don't you know what kind of status she has?"

Zhao Xiang sneered disdainfully. "One day, I will chase Qin Sheng out of Imperial Capital University. Let's see what she still has to be proud of."

A hint of pride flashed across Shen Jiayue's eyes.

She thought that Qin Sheng would definitely not be able to defeat Zhao Xiang.

"Xiang Xiang, when are you going to get your dad to help?"

Zhao Xiang's gaze was dark. "Soon. I'll let her jump around for a while."

Shen Jiayue smiled and flattered, "With you helping, Qin Sheng definitely won't be able to survive in Imperial Capital University."

Zhao Xiang sat back in her seat and turned on her phone.

She entered the QQ group chat.

She saw a message on the class notification group.

Zhao Xiang frowned. "The freshmen assembly?"

Shen Jiayue had been following Zhao Xiang the entire time. When she heard her words, she said, "Yes, it will start at 7:30 Tonight."

Zhao Xiang's frown deepened. "There should be a freshman representative giving a speech."

Shen Jiayue did not think and followed Zhao Xiang's words. "Xiang Xiang, this freshman representative is very likely to be you."

Zhao Xiang glanced at her. "I didn't receive any notice."

Moreover, she was only ranked 18th in the college entrance examination. Among the people at the front, ten of them were studying at Imperial Capital University, which meant that she was ranked 11th in the entire grade.

Although Zhao Xiang loved to be in the limelight, she knew that this freshmen representative would never fall on her head.

Shen Jiayue's eyes suddenly widened. "Xiang Xiang, this freshmen representative can't be Qin Sheng, right?"

Hearing this, Zhao Xiang clenched her fists tightly.

Qin Sheng was indeed the most likely. After all, she was the top scorer in the college entrance examination and the top scorer with full marks.
