

Bigshot 701

Chapter 701: Raising a Daughter

Back then, Su Yixiu gave the textbook back to Shen Jiayue.

Shen Jiayue stared blankly at Su Yixiu. Before she could thank him, Su Yixiu had already left.

She wanted to find Su Yixiu.

She found out Su Yixiu's name through others.

She just didn't expect to see him so soon.

However, he greeted Qin Sheng and ignored her.

Shen Jiayue bit her lip.

She was very unwilling.

Qin Sheng again!

Su Yixiu looked at Shen Jiayue and frowned slightly. He did not know her.

He nodded his head in response.

"Student Su Yixiu, let me introduce myself. My name is Shen Jiayue. I am a freshman like you. I admire you very much."

Shen Jiayue looked shy and timid.

Su Yixiu frowned slightly. He did not want to stay any longer. He still needed to go back and take care of his grandmother.

"I don't have time. I'll leave first."

Su Yixiu did not wait for Shen Jiayue's response and left quickly.

Throughout the whole process, Su Yixiu's attitude towards Shen Jiayue was very perfunctory.

Su Yixiu was a very indifferent person. In H City High School, he rarely talked to people. In one day, he rarely spoke more than ten sentences in school.

Even Lu Ming, who had been in the same class with him for more than two years, was rarely talked to, let alone Shen Jiayue.

Shen Jiayue naturally felt Su Yixiu's cold attitude.

She watched Su Yixiu leave.

Her eyes were determined to win.

She was also comforting herself that Su Yixiu was cold to her because he was not familiar with her. After he got to know her better, he would not ignore her like this.

—
Fu Hanchuan brought Qin Sheng back to the villa.

He cut some fruits and poured some milk for Qin Sheng and sent it into the bedroom.

Qin Sheng had just finished her shower.

She was wiping her hair.

Fu Hanchuan walked over and placed the milk and fruits on the table.

“Sheng Sheng, sleep early later.”

Qin Sheng looked at the clock on the wall. It was already 10:40. It was indeed very late.

However, she still shook her head. “I still have something to do later.”

Since Shen Jiayue dared to steal the speech script, she would naturally not let her off.

1

Qin Sheng was not a saint. She would not tolerate being bullied by others.

It was only a matter of time before she made a move.

“Okay.”

Fu Hanchuan did not force her.

He glanced around Qin Sheng’s bedroom and went to get a hairdryer.

Qin Sheng was stunned. She frowned. “Brother Fu, what are you doing?”

“I’m drying your hair,” Fu Hanchuan answered briefly.

Qin Sheng understood that Fu Hanchuan was going to dry her hair.

No one had dried her hair yet.

Qin Sheng was a little uncomfortable, but she didn’t refuse.

Qin Sheng sat in front of the makeup mirror, and Fu Hanchuan stood behind her.

His slender fingers moved through her hair.

His movements were gentle.

Before this, Fu Hanchuan was not a meticulous person. However, after meeting Qin Sheng, he strived for perfection in many things.

At this moment, he helped Qin Sheng blow-dry her hair.

He was very careful, as if he was treating a treasure.

His nose was filled with the fragrance of the body wash from Qin Sheng. It smelled very nice.

Fu Hanchuan looked at Qin Sheng's face in the mirror.

The corners of his lips could not help but curl up.

He wanted nothing more than to let time stop at this moment forever.

Fifteen minutes passed.

Qin Sheng's hair was completely dry.

Fu Hanchuan reluctantly put down the hair dryer.

He whispered, "Remember to drink milk."

Fu Hanchuan was raising Qin Sheng like a daughter.

"Okay." Qin Sheng very obediently answered.

Chapter 702: Hacking Into School Surveillance

It was getting late. Fu Hanchuan did not stay for long and left.

Qin Sheng sat in front of the makeup mirror and could not help but smile.

There seemed to be starlight in her eyes.

Her slender and beautiful hand picked up the milk, which was a pure white color.

Qin Sheng's eyelashes trembled slightly as she took a sip.

A rich milk fragrance spread in her mouth.

Then, she turned on the computer.

Speaking of which, it had been a long time since she had hacked into someone else's computer.

However, Qin Sheng and Fu Hanchuan often competed on Black Emperor, so she was not unfamiliar with it.

Qin Sheng hacked into the school's surveillance cameras with ease.

The computer screen was shockingly showing the scene backstage of the auditorium.

Qin Sheng adjusted the time.

She adjusted the surveillance camera to the time when Qin Sheng was talking to the person-in-charge. Then, she pressed the fast-forward button and played it twice as fast.

Qin Sheng leaned against the chair, holding the milk in her hand.

She looked at the computer screen indifferently.

Three minutes had passed, and Shen Jiayue's figure finally appeared on the surveillance screen.

Qin Sheng curled her lips, her gaze mocking.

It was indeed her.

Shen Jiayue glanced around the backstage in the surveillance screen. When she saw that no one was paying attention to her, she walked in and took the speech script.

Qin Sheng pressed the pause button.

Then, she cut off the surveillance camera.

Qin Sheng's finger gently tapped on the mouse. She found the person-in-charge's phone number and sent the surveillance camera over.

Of course, this was just an appetizer.

Qin Sheng then asked Lu Ming to help her send the video to Weibo the next day.

[Imperial Capital University's Number One Most Handsome Guy: Shen Jiayue stole the speech script of the freshmen representative, Qin Sheng, and in turn ridiculed Qin Sheng for losing the script. She asked the person-in-charge to change the representative to give the speech.]

A video was attached to Weibo.

Because Lu Ming had posted Qin Sheng's photo on the forum last time, it attracted the attention of many Imperial Capital University students.

This time, it was about Qin Sheng again. His Weibo quickly received a lot of replies.

[Spongebob Squarepants: ?? What's going on? Can someone tell me what happened?]

[I Love Nails: I know. I had a performance last night. It seemed like Shen Jiayue said that Qin Sheng lost her script and made a mistake in her speech, which would embarrass the school. But looking at this video, it was Shen Jiayue who stole it. Is she calling a thief to catch a thief?]

[Trash Defying the Heavens: F*ck, there's actually a thief in our school!]

[Vegetable Thinking Eunuch: Campus Belle Qin lost her script? What's going on? I saw that she gave a very good speech. It doesn't seem like she lost her script.]

[Shuang Shuang'er: Now that you mention it, I remember. Campus Belle Qin didn't bring her script.]

[Little New Love Rich Woman: F*ck, looks Like Campus Belle Qin memorized the script. It's too awesome. As expected of the god of learning. As expected of the top scholar in the college entrance examination.]

More and more students from Imperial Capital University came to this Weibo post.

Many people who were at the scene that day talked about what happened that day.

The people who were watching on Weibo were all very shocked.

F*ck!

So shameless!

She stole Qin Sheng's script, and now she was mocking Qin Sheng?

Seeing Zhao Xiang who appeared behind the monitor, they were also suspicious.

[Jingdang Cat: By the way, who would write a speech for no reason? She even brought her there. This Zhao Xiang is too suspicious. I suspect Shen Jiayue and Zhao Xiang are in cahoots.]

[Family Pet Dog: Upstairs, I think so too. Luckily our Campus Belle Qin is smart. Otherwise, they would have really succeeded.]

Lu Ming looked at the comments above and nodded in satisfaction.

They dared to provoke Qin Sheng. They were really bold!

It had only been a while, and they were already caught.

Terrible!

So terrible!

Qin Sheng knew how to hack. Wasn't it a piece of cake for her to pull out the surveillance camera?

Chapter 703: They Were Discovered

Shen Jiayue had a bad feeling.

When she scrolled to this Weibo post, her heart skipped a beat. What was going on?

She clicked on it.

Shen Jiayue widened her eyes in disbelief.

How did Qin Sheng have this video? How could there be surveillance cameras in the auditorium?

Under this Weibo post, there was a long list of words that scolded her, as well as various speculations about her and Zhao Xiang.

Shen Jiayue's hands were trembling.

She turned off her phone in a panic.

It was over. She had actually been discovered.

She could not care less about the strange gazes of the surrounding students when they looked at her. The moment class ended, she ran over to look for Zhao Xiang.

Zhao Xiang was packing up her textbooks and preparing to leave.

She only had one class in the morning and had been in it for more than an hour, so she could leave now.

Just as she was done packing, Shen Jiayue ran into the classroom.

She looked very anxious. "Xiang Xiang."

Suddenly, her gaze paused. She saw Qin Sheng sitting by the window.

Shen Jiayue glared at Qin Sheng resentfully.

It must have been Qin Sheng. If it wasn't her, no one would know that she would steal the speech script, let alone find the surveillance camera.

When Qin Sheng noticed her gaze and was about to look over...

Shen Jiayue turned her head in a panic again, not daring to look at Qin Sheng again.

"Xiang Xiang." Shen Jiayue was about to tell Zhao Xiang about what happened on Weibo, but there were still many students in the class looking at her.

Her words were stuck in her throat.

Zhao Xiang frowned impatiently. "What is it? Tell me quickly."

Shen Jiayue lowered her voice, afraid that others would hear her. "Let's go outside."

Zhao Xiang didn't understand. "Let's talk here."

Shen Jiayue insisted. Her voice was even lower, and even Zhao Xiang couldn't hear clearly.

She reminded, "It's about the speech from yesterday's freshmen assembly."

Zhao Xiang's heart skipped a beat. Had they been discovered?

She followed Shen Jiayue uneasily all the way downstairs and into the woods. There were very few people around.

"Xiang Xiang, we've been discovered," Shen Jiayue said straightforwardly.

Zhao Xiang could not believe it. "Weren't you very secretive? How could we have been discovered?"

Shen Jiayue bit her lip. "I don't know where Qin Sheng got a surveillance camera and recorded the entire process of me stealing the speech."

"Idiot!" Zhao Xiang glared at Shen Jiayue. "You can even be recorded!"

Shen Jiayue shrank her neck. "I didn't know that there would be surveillance cameras backstage. If there weren't, wouldn't we have been unable to find out?"

Zhao Xiang temporarily ignored Shen Jiayue.

She took out her phone and browsed the forum.

Although Shen Jiayue had stolen the speech script, she appeared together with Shen Jiayue after that.

Furthermore, Shen Jiayue had suggested to the person-in-charge that she be the freshmen representative to speak on stage.

Many students backstage saw this scene.

Zhao Xiang was worried that others would suspect her.

After looking around, there were indeed many posts on the forum about Shen Jiayue stealing Qin Sheng's speech script. However, it was obvious that this was not the first piece of news.

Zhao Xiang asked in a deep voice, "Where is it?"

Shen Jiayue replied in a very low voice, "On Weibo. Xiang Xiang, you can look for the top Weibo of Imperial Capital University's Number One Most Handsome Guy."

Hearing that, Zhao Xiang logged out of the forum and entered Weibo.

The first thing she saw was the Weibo that Shen Jiayue had mentioned.

The title was very eye-catching and it was also very sophomoric.

#F*ck, Our New Campus Belle Was Schemed Against#

Zhao Xiang took a quick glance at the content of Weibo. It was all about Shen Jiayue and had nothing to do with her.

Chapter 704: Slapped Her

She heaved a sigh of relief.

She continued to read.

The first and second comments on Weibo were all scolding Shen Jiayue.

But when she saw the third comment, her gaze suddenly stopped.

After reading it...

Her expression could not be described as ugly anymore.

It still implicated her, saying that she and Shen Jiayue were in cahoots, and that they had framed Qin Sheng together.

She held her phone tightly.

Shen Jiayue was very afraid of Zhao Xiang's reaction.

"Xiang Xiang," Shen Jiayue called out weakly.

Slap—

A slap landed on Shen Jiayue's face. The force was not light, and half of Shen Jiayue's face began to swell at a speed visible to the naked eye.

Shen Jiayue covered her face with one hand. "Xiang Xiang, what are you doing?"

Zhao Xiang's tone was very unpleasant. "Shen Jiayue, why did you drag me into this?"

Shen Jiayue said very aggrievedly, "Xiang Xiang, this has nothing to do with me. Didn't I steal it by myself at that time? As for bringing you there, I only wanted to help you get the chance to be the freshmen representative. I don't know why they would drag you into this."

Zhao Xiang's mind quickly thought of a way to deal with this.

She absolutely could not be affected by this matter.

Zhao Xiang quickly thought of a countermeasure. She ordered, "Shen Jiayue, apologize to Qin Sheng immediately and take responsibility for everything that happened today."

Shen Jiayue did not expect Zhao Xiang to push all of this onto her and let her bear the consequences alone.

She subconsciously wanted to reject. "But..."

Zhao Xiang's warning gaze landed on Shen Jiayue.

The threat in her eyes was very obvious.

No matter how unwilling she was, she could only accept it. "Okay."

Her hands that hung by her side tightly revealed her feelings.

Of course, Zhao Xiang did not notice.

Hearing this, Zhao Xiang was satisfied and opened her mouth to say something rare. "Jiayue, if you listen to me obediently, I won't treat you unfairly. After all, I have four to five million in pocket money in a month. If I give you tens of thousands or hundreds of thousands, it won't be a problem."

Hearing this, Shen Jiayue was delighted.

If she really had that much money, then she wouldn't have to worry about her future expenses.

When she spent money, there was no need to be restrained.

Shen Jiayue's dissatisfaction toward Zhao Xiang had also faded a lot.

She thanked her, "Alright, thank you, Xiang Xiang."

Zhao Xiang looked at Shen Jiayue, her eyes full of disdain.

She had been bribed with such a small amount of money.

As expected of a poor person.

Speaking of which, Shen Jiayue's family was a well-off family. Her living expenses for a month of university were already 4,000 yuan.

This amount, even in a big city like Imperial City, if she could save some money, it would be enough to spend.

However, Shen Jiayue liked to buy branded clothes and cosmetics.

4,000 yuan was not enough to cover her living expenses.

At this moment, Zhao Xiang offered to give her tens of thousands of yuan a month, or even hundreds of thousands.

Shen Jiayue was very happy.

Even her resentment toward Zhao Xiang disappeared.

Shen Jiayue thought of something and asked worriedly, "But, if I steal the speech script, the school will punish me."

Zhao Xiang comforted her, "I will ask my dad to help you. You don't have to worry about punishment."

Shen Jiayue heaved a sigh of relief. "Alright, I'll go over and apologize right away. I'll take care of everything."

Then, Shen Jiayue took out her phone.

She edited a Weibo post.

She didn't post it right away. Instead, she showed it to Zhao Xiang.

Chapter 705: Apologizing On the Radio

After confirming that there were no problems, Shen Jiayue took a deep breath before posting on Weibo.

[Yueyue Wants To Ride In a BMW: Student Qin Sheng, I'm sorry, I did steal your speech script. I said a few words to you the day before yesterday at noon, and you broke my wrist. I was so angry that I thought of stealing your speech script.]

[As for Zhao Xiang, she is innocent. I wanted to suck up to her, so I told her that the school made her the freshmen representative and asked her to prepare the speech script. Zhao Xiang doesn't know anything. I hope that everyone can treat it rationally and not implicate the innocent @Imperial Capital University's Number One Handsome Guy.]

After posting, Shen Jiayue didn't have the courage to look at the comments below.

She immediately logged out of Weibo.

Without a doubt, the comments below were full of abuse, and there were many people questioning it.

[Beat the B*tch To Death: She's here, she's here to clear her name.]

[Beat Little Lotus To Death: Do you really think we're stupid? Zhao Xiang is innocent? Who are you trying to fool?]

[Flower Thief: Hehe, you're indeed a loyal follower. You've taken all the blame. Tell me, how much did Zhao Xiang give you?]

A lot of people also noticed what Shen Jiayue said. Qin Sheng's words about breaking her wrist caused a lot of discussion.

[Violent Loli: Breaking her wrist! F*ck, is it so cruel? Hehe, but I love it.]

[Qin Sheng Is the Most Beautiful: No matter what the Goddess is like, I like it.]

[Vegetables Want To Stop Updating: Handsome! When dealing with such people, you have to fight! Don't show mercy!]

[Game Newbie: God of learning really has a personality!]

Shen Jiayue originally wanted to lead the public opinion and pretend to be a victim.

It was Qin Sheng who made the first move. It was understandable that she was angry enough to make a move on Qin Sheng.

However, what she did not expect was that most of the students of Imperial Capital University were on Qin Sheng's side. Only He Manyun and the others would mock Qin Sheng. However, the comments that slandered Qin Sheng quickly sank.

When the person-in-charge saw the surveillance footage Qin Sheng sent him, he was furious.

He was furious.

He was actually fooled by a student.

He immediately reported this matter to the Department of Political Education's administration. However, before he could punish Shen Jiayue, a major shareholder called and asked them not to expel Shen Jiayue.

The director of the Department of Political Education could only agree helplessly.

However, they only said that they would not expel. Other punishments could not be left behind.

She needed to give the other students and Qin Sheng an explanation.

Otherwise, it would be easy for someone with ulterior motives to make a fuss.

Therefore, the administration of the Department of Political Education called Shen Jiayue and asked her to apologize to Qin Sheng in the school's broadcast at noon the next day.

Hearing this, Shen Jiayue's face turned stiff.

If she apologized in the broadcast, wouldn't everyone know what she had done?

Shen Jiayue wanted to refuse. She cherished her face a lot. If she went on the broadcast, she would lose all her face. Shen Jiayue didn't want to be criticized.

Moreover, if Su Yixiu heard her apology, how would he look at her?

But now, she did not dare to refuse, so she could only agree. "Okay."

After hanging up the phone, she immediately called Zhao Xiang. "Xiang Xiang, the school wants me to apologize to Qin Sheng in the broadcast tomorrow afternoon."

"Then what do you want me to do?" Zhao Xiang asked with a frown.

Shen Jiayue revealed her purpose. "You can ask Uncle to help me contact the school and cancel this apology. You also know that once I apologize, I don't know what those students will think of me."

Chapter 706: Don't Provoke Qin Sheng

Zhao Xiang naturally understood Shen Jiayue's words.

After all, she didn't want to be pointed out by others, so she pushed all the blame onto Shen Jiayue.

However, she still refused. "Jiayue, I've already asked my dad to help you cancel the punishment. I Can't help you with this apology, and you won't lose anything. Let's just leave it at that."

"But..."

Shen Jiayue wanted to say something, but was interrupted by Zhao Xiang. She said impatiently, "I still have to study. I don't have time. During this period of time, don't come and look for me."

After saying that, Zhao Xiang directly hung up the phone.

She picked up the textbook again and studied very seriously.

Although Zhao Xiang's family was wealthy and didn't have to worry about food and clothing, her parents were very strict with her studies. They had hired all kinds of tutors for her since she was young.

Zhao Xiang was also a strong person. She was determined to become the most outstanding one.

Otherwise, Zhao Xiang would not have been able to get the 18th place in the country.

At this moment, she had also made up her mind that her first-year exams and performance would definitely be better than Qin Sheng's.

In terms of doing experiments, she was also better than Qin Sheng.

She was not the one who was involved.

Zhao Xiang had also paid a lot of attention to Qin Sheng over the past few days. Qin Sheng was absent-minded in class and played with her phone after class. She had seen all of these.

She was very disdainful.

According to Qin Sheng's studies, her grades would definitely drop.

The top scorer of the college entrance exam with full marks would still be defeated by her.

—

A busy tone came from her phone. It was obvious that Zhao Xiang had hung up.

Shen Jiayue's dissatisfaction with Zhao Xiang was once again stirred up.

This matter was clearly going to succeed and Zhao Xiang had benefited the most. Now that she had taken on all the responsibility, Zhao Xiang was not even willing to help with such a small matter.

Of course, no matter how Zhao Xiang treated her, Shen Jiayue did not dare to do anything to Zhao Xiang.

At noon the next day.

Shen Jiayue's voice appeared in the broadcast.

"I am a freshman, Shen Jiayue from Computer Science Class 2. Today, I solemnly apologize to Student Qin Sheng. I am sorry, Student Qin Sheng. I stole your speech script at the freshmen assembly and caused you trouble. I will definitely learn from my mistakes. I will not make the same mistake again in the future. Please forgive me."

After Shen Jiayue finished speaking, she walked back to the dormitory with her head lowered.

She did not dare to raise her head, afraid that she would see the disgust of others.

Suddenly, a pair of white sports shoes appeared in front of her.

"Shen Jiayue." It was a very gentle voice.

Shen Jiayue recognized this voice. She was not done for either. It was Su Yixiu's.

She hurriedly raised her head and was momentarily at a loss. "Student Su Yixiu."

Su Yixiu narrowed his eyes. "You dealt with Qin Sheng."

His voice was very cold.

There was unconcealable disgust in his eyes toward Shen Jiayue.

There were very few people who could make Su Yixiu show such an expression. Shen Jiayue was one of them.

Shen Jiayue was stunned.

Then, she hurriedly denied, "I didn't. It's not like that."

Su Yixiu was 50 centimeters away from her. Shen Jiayue wanted to get closer to him, but Su Yixiu frowned and took a few steps back.

It was obvious that they were estranged.

Shen Jiayue bit her lip and could only stop.

She pinched the hem of her dress. "Student Su Yixiu, I didn't do it on purpose. I was just angry for a moment. If Qin Sheng hadn't hit me, I wouldn't have treated her like this. We are roommates and I want to get along well with her, but she, she..."

Chapter 707: Being the Peacemaker

Shen Jiayue did not continue speaking.

Su Yixiu would understand what she meant.

Shen Jiayue had pushed the blame onto Qin Sheng.

Su Yixiu frowned.

If she had not provoked her, with Qin Sheng's cold and indifferent personality, she would not have bothered with Shen Jiayue.

“Shen Jiayue, right?” Su Yixiu narrowed his eyes and warned, “No matter what she did, I don’t want you to provoke her.”

Shen Jiayue was very unconvinced. “But Qin Sheng is also at fault.”

Su Yixiu’s eyes revealed some impatience. “It’s your fault.”

Shen Jiayue froze on the spot.

She looked at Su Yixiu’s back as he left.

Why did Su Yixiu protect Qin Sheng?

Why did he stubbornly think that Qin Sheng was right?

Qin Sheng was clearly the one who provoked her first. Otherwise, she wouldn’t have stolen the speech script, not to mention what would happen after that.

1

Now that she was the victim, why did she have to be looked down upon by others?

Didn’t Qin Sheng not make any mistakes on stage?

Shen Jiayue’s eyes turned red.

She felt very wronged.

And now, many students had eaten lunch. On the way back to the dormitory, when they passed Shen Jiayue, they frequently looked at her and discussed in low voices.

“This is Shen Jiayue?”

“It should be her. Someone posted her picture on Weibo. I recognize her.”

“It’s too disgusting. If it weren’t for our Campus Belle Qin being more powerful, they would have really let their scheme succeed.”

“It’s better for us to stay away from such people. I didn’t expect such a student to appear in Imperial Capital University.”

“Disgusting. I’m still in the same class as her. I’m worried that if I accidentally offend her one day, she will target me. Campus Belle Qin has the ability to deal with it. I’m not as powerful as Campus Belle Qin!”

“Tsk tsk, a thief. I don’t know why the school didn’t expel her.”

“Maybe she has a backer.”

“...”

Their voices were not loud, but they didn’t avoid her either.

At this moment, their words entered Shen Jiayue’s ears without missing a single word.

Shen Jiayue was so angry that her entire body was trembling.

However, she did not dare to go up and argue with them.

She could only lower her head and head all the way back to the dormitory.

Meng Fangfei had just returned to the dormitory not long ago. At this moment, she had just taken out a book that she had borrowed from the library and was ready to read it.

Seeing that Shen Jiayue had returned, she went forward and asked, "Jiayue, are you alright?"

Shen Jiayue placed her school bag heavily on the desk.

She did not say a word.

Meng Fangfei comforted her, "Jiayue, let's put this matter behind us. You and Qin Sheng are both in the wrong. If you apologize, this matter can come to an end. Everyone should get along well. After all, we are roommates who will be together for four years."

Shen Jiayue glared at Meng Fangfei. "You want me to forgive Qin Sheng? Impossible!"

Her voice was filled with hatred.

Because of Qin Sheng, she had lost face in the entire school. Everyone had seen her as a thief.

It was also because of Qin Sheng that Su Yixiu had warned her.

Meng Fangfei frowned. "But, with you like this, how should we get along in the same dormitory?"

Shen Jiayue sneered. "I don't need to build a good relationship with Qin Sheng."

"Besides, Meng Fangfei, you're really a blind peacemaker. Didn't you see that Qin Sheng provoked me? If Qin Sheng hadn't treated me like that that day, I wouldn't have stolen Qin Sheng's script."

"And now, I'm the one who's embarrassed. I apologized to Qin Sheng in front of the entire school. Did Qin Sheng lose anything? Without the script, her speech was even more perfect."

Chapter 708: Was About Su Yixiu

Meng Fangfei choked for a moment.

What Shen Jiayue said was indeed very reasonable.

1

She fell silent.

Shen Jiayue glanced at Meng Fangfei. Then, she said, "Meng Fangfei, you should also mind your own business. Since you like to learn, then go learn by yourself. You don't have to come here every day to be a peacemaker. I don't need it. Today, I'll leave these words here. Qin Sheng and I are irreconcilable enemies!"

Meng Fangfei really wanted to persuade her again.

She wanted the dormitory to be peaceful.

Moreover, if the people in the dormitory were to go against each other, she would also be affected.

She was about to open her mouth, but she met Shen Jiayue's cold eyes.

Her words were stuck in her throat.

She moved her lips. After a long while, she finally opened her mouth. "Jiayue, you'd better calm down and think about it carefully."

Meng Fangfei returned to her desk and started reading again.

Shen Jiayue lay back on the bed.

She closed her eyes.

Her mind was filled with Su Yixiu's taunting words that afternoon.

Qin Sheng came back soon.

She changed into her slippers and went into the bathroom to wash her hands.

She returned to her seat.

Seeing that it was still early, she took out a medical textbook for the second semester of her senior year.

Qin Sheng did not want to waste too much time in class.

She wanted to pass the four-year university exam early.

She also wanted to get her bachelor's degree.

Qin Sheng read very quickly. In less than five minutes, she had already read eight pages.

Shen Jiayue appeared behind her without her knowing.

"Qin Sheng!"

Qin Sheng was thinking about a question when she was interrupted by Shen Jiayue's two words.

She asked expressionlessly, "What's the matter?"

Shen Jiayue questioned, "What's your relationship with Su Yixiu?"

Qin Sheng asked back, "Is it related to you?"

Shen Jiayue gritted her teeth and said, "Qin Sheng, did you know that Su Yixiu came to look for me?"

Qin Sheng raised her eyebrows with interest. "Oh? What did he say?"

"He said that you weren't in the wrong and that I was the one in the wrong. He even told me not to provoke you."

Shen Jiayue continued to say unwillingly, "Qin Sheng, aren't you at fault? Why should I be embarrassed and you be fine?"

Qin Sheng curled her lips and nodded. "He's right."

Shen Jiayue was infuriated by Qin Sheng.

She stretched out her hand and pointed at Qin Sheng.

“Qin Sheng, you’ve already been kept by a man. Don’t hang around Su Yixiu.”

Shen Jiayue had a feeling that Su Yixiu liked Qin Sheng.

Otherwise, why would he treat her so coldly and treat Qin Sheng so well?

Qin Sheng’s gaze fell on Shen Jiayue’s finger that was pointing at her with a faint smile.

Her red lips parted slightly. “Have you forgotten the lesson I taught you?”

Shen Jiayue’s body trembled and she subconsciously withdrew her hand.

She still could not forget the pain of that day.

“Qin Sheng, don’t be so proud!”

After Shen Jiayue said this, she returned to her bed. For the time being, she didn’t dare to provoke Qin Sheng.

Qin Sheng was a devil!

In less than a week since she came to Imperial Capital University, Qin Sheng had made her suffer twice. The last time was even more humiliating. Walking upstairs, she was afraid of being criticized by others.

Qin Sheng shook her head and put her attention back to the textbook.

—

At 8 pm, the edited video of the university’s freshmen assembly was released on the internet.

The official Weibo of the university also released the video.

As one of the top universities in China, many people followed the video. There were also many people waiting for the video of the freshmen assembly.

That night, many people opened their Weibo and were waiting for the university to release the video.

By 8:00, it would be released on time.

Chapter 709: Hide Her

In less than a minute, more than 10,000 people clicked on it.

In front was the principal’s speech.

They had no interest in listening to the principal recite such a long speech.

As a result, many people exited.

There was no way to fast-forward this video, so they could only wait for the principal to finish his speech.

After 15 minutes, many people re-entered.

This time, it was Qin Sheng's speech.

Seeing that the performance had not started yet, they originally wanted to withdraw, but Qin Sheng's voice slowly flowed out of their phones, and they stopped the impulse to press the back button.

F*ck!

This voice was too good to listen to!

It was very pleasing to the ear, cold and lazy at the same time. It could make people inexplicably calm down.

Just listening to Qin Sheng's voice was a kind of enjoyment.

The Weibo post from Imperial Capital University that released the video of the freshmen assembly had already been trending.

At this moment, more and more people had already clicked on it.

There were already more than 2,000 comments under the Weibo.

[Goddess: This voice can make people's ears pregnant. F*ck! It's so f*cking nice to listen to. She's even beautiful. This young lady, I love her.]

[I Love Eating Chicken: This is the top scorer of this year's college entrance exam, Qin Sheng? The host just introduced her. She's so sweet, and her grades are so good. I'm going to be a lemon.]

[Little Fatty Who Loves Eating: Goddess! No, I have to study hard. Next year's college entrance exam, I'm going to enter Imperial Capital University to meet the Goddess.]

[Spicy Chicken: Lick lick lick, I'll lick. This celestial appearance, I love it.]

[Useless: This is a person blessed by God. Ordinary people like me can't compare to her.]

[Strongest Sister: She can't help but be beautiful. Moreover, this figure and skin are too good. She didn't put on too much makeup, right? But under the high-definition camera, it's 360 degrees without any blind spots. Her skin is too delicate.]

[I'm a Scumbag: Who has this little sister's Weibo? I want to follow it. F*ck! She's a goddess.]

There were many people begging for Qin Sheng's Weibo again!

A computer science student from Imperial Capital University replied, [Wait, if I knew, I would definitely announce it. It's mainly because Qin Sheng's Weibo is too hard to find. I suspect that she doesn't have a Weibo.]

This student was also quite persistent.

He had searched for a few days and did not have any leads. He did not give up.

Moreover, from the looks of it, he would not give up until he found out.

The computer science student's comment did not sink for long, and it was quickly picked up.

Within ten minutes, the number of likes exceeded 300.

Those students also responded, [Okay, okay, okay. When you find the Goddess' Weibo, don't forget to announce it.]

—

In the study.

Fu Hanchuan had also downloaded Weibo because of Qin Sheng, and he was currently in a state of mutual connection with Qin Sheng.

Because of the matter of the last campus belle selection, Fu Hanchuan followed Imperial Capital University's Weibo.

Imperial Capital University had released the video of the freshmen assembly today, so he naturally knew about it. Moreover, at 8 o'clock, he opened his Weibo on time.

At the beginning, it was the president of Imperial Capital University who spoke.

Fu Hanchuan frowned, put his phone aside, and started to process the documents.

When Qin Sheng went on stage, Fu Hanchuan picked up his phone again.

He had seen Qin Sheng's speech at the freshmen assembly.

But now, he still watched it again tirelessly.

Looking at the dazzling Qin Sheng on stage, Fu Hanchuan's frown deepened.

Too dazzling.

He... wanted to hide Qin Sheng.

Chapter 710: Qin Sheng Is My Wife

After watching Qin Sheng's speech.

Fu Hanchuan was not interested in other programs, so he quit the video.

He started to read the comments under Weibo.

Fu Hanchuan read it very roughly and very quickly.

Suddenly, his gaze stopped, and his eyes narrowed dangerously.

Because this comment was a confession of Qin Sheng.

[Qin Sheng Is My Wife: Ahhh, my wife is too beautiful, too outstanding. Sheng Sheng, I love you, I want to marry you! When will you marry me?]

There were hundreds of comments below this comment.

[Trash Woman: Get lost! Who is your wife? Qin Sheng is my girlfriend.]

[Philandering: Upstairs, get lost too. Qin Sheng has agreed to be with me.]

[Red Wolf: All of you, get out of my way. Do you want to taste my frying pan? Qin Sheng is mine, mine!]

Fu Hanchuan's eyes were filled with a storm.

His eyes were dark.

The cold air on his body was constantly being released.

Although he knew that this was just a joke, he still could not control himself.

Fu Hanchuan put down his phone, leaned against the back of his chair, and rubbed the space between his eyebrows.

Ten minutes later.

His irritable heart still could not be suppressed.

He picked up his phone and took down the comments on Weibo, then sent them to Assistant Lin.

Assistant Lin was also in the study, dealing with documents.

There were a lot of things to do in the company, and Fu Hanchuan now had a lot of free time to accompany Qin Sheng, leaving a lot of company matters to Assistant Lin.

Assistant Lin also graduated from Imperial Capital University. He was very capable and loyal.

Therefore, Fu Hanchuan pushed the job to Assistant Lin without any scruples.

After work, Assistant Lin was still busy at this time.

Assistant Lin gave Fu Hanchuan a special message tone. Fu Hanchuan had sent a message, so he quickly picked up his phone to read it.

After opening it, he saw the content inside.

He thought he had read it wrong.

[Fu Hanchuan: block these Weibo accounts for seven days.]

Assistant Lin: "..."

When did his president download Weibo?

And he even wanted to block someone else's account?

Assistant Lin rubbed his eyes to make sure that he hadn't seen it wrongly.

He opened the two pictures that Fu Hanchuan had sent.

Seeing the contents, Assistant Lin was once again: "..."

So, Fu Hanchuan was looking for him because of this matter?

Assistant Lin was speechless.

They were just joking. Fu Hanchuan was going to ban them. Was he too jealous?

However, this was only a seven-day ban. It seemed that Fu Hanchuan was already merciful enough.

Assistant Lin mumbled and still went to do it.

Just as he gave the order, Fu Hanchuan's message was sent again.

Fu Hanchuan: [On Weibo, those who called Sheng Sheng their girlfriend and wife, and those who confessed, find them and ban them all.]

Assistant Lin was stunned. He replied with an [Okay.]

He touched his arm, and there were many goosebumps on it.

If he did not know that Fu Hanchuan liked Qin Sheng, he would have thought that Fu Hanchuan had been switched.

Assistant Lin thought that he knew Fu Hanchuan well enough.

However, ever since Qin Sheng appeared, Fu Hanchuan had done many unimaginable things.

Assistant Lin frowned, and he was very puzzled.

Could it be that when a man met a woman he liked, he would really change?

Assistant Lin could not figure it out, so he did not continue to think about it.

He sent Fu Hanchuan's message to his subordinates.

He asked them to handle it.

They were very efficient. In less than ten minutes, they blocked the accounts that Fu Hanchuan had ordered.

As a result, more than thirty Weibo users were forced to go offline.
