Chapter 711: Cannot Be Casually Confessed To

The owner of the Weibo name [Qin Sheng Is My Wife] was a male student from Imperial Capital University. His name is Zhou Ruoyang. He had a baby face and was very cute.

He still wanted to speak when suddenly, his account was forced offline.

He frowned and wanted to log in again. Suddenly, a sentence popped up on his phone.

[Weibo Assistant: You have been banned for seven days. Reason: You cannot confess your love casually. Also, Qin Sheng is not your wife.]

Zhou Ruoyang: "..."

He can't even confess his love for his goddess?

He was not convinced. He changed to a different account and logged in again.

[Cute Yangyang: Continue to confess. Sheng Sheng, I love you. I love you. be my girlfriend. Be my wife.]

However, one minute later, he was banned again.

Zhou Ruoyang: "..."

F*ck!

He continued to change his account. He wouldn't believe it.

Two minutes later.

His alternate account, again, was banned...

Zhou Ruoyang was flustered. If he could ban him on Weibo, it couldn't be on the forum of Imperial Capital University, right?

He logged into the forum and posted a post.

[Sheng Sheng Is the Most Beautiful: Confess to Sheng Sheng, I'm your loyal little fan. Also, who's so wicked? If I confess to my Goddess, I'll be banned for seven days!]

Many people echoed his post.

[F*ck, I also confessed, and I'm also banned.]

[Could it be that someone has a crush on the Goddess, and can't stand it when someone confesses to her?]

[F*ck! This is too despicable! D*mn capitalist!]

[I curse that he'll never be able to chase after Campus Belle Qin.]

[...]

The forum was very lively. Many people who confessed to Qin Sheng were banned.

Hence, they all came to the forum to complain.

The number of people who confessed and called Qin Sheng their girlfriend and wife decreased a lot on Weibo. Fu Hanchuan was very satisfied with this result.

He turned off his phone and went back to work.

Qin Sheng arrived at the company this weekend for a rare occasion.

Now, the company had already put up its name, Shengshi Technology.

It was naturally not just Shengshi Technology in there. In the future, the real estate industry would be moved over. She would also open an entertainment company and perhaps develop other businesses.

This game of the Three Realms was already popular all over the country.

To be able to develop this game and even bring down Long Yue Technology, which had been developed for many years, naturally meant that they weren't weak.

After learning that the company in the center of Imperial City was Shengshi Technology.

Many people were quite surprised.

Shengshi Technology had moved over to Imperial City so quickly?

Although Shengshi Technology had just been established, with Three Realms, they didn't dare to underestimate it.

Many companies sent their representatives over, wanting to build a good relationship with Shengshi Technology.

Shengshi Technology was cold and aloof, and rejected many companies.

At this moment, Hong Yuan was in the reception room discussing a collaboration with a company.

Qin Sheng walked into the company.

Many of the employees greeted her.

"Boss, you're here."

"Good to see you."

"Boss, the General Manager and Brother Bei are talking about you every day."

Qin Sheng was very cold. At first, these employees did not dare to approach Qin Sheng, and when they spoke to her, they were all trembling with fear.

But after interacting with her for a while...

They knew that Qin Sheng was not as difficult to get along with as they had imagined.

Now, they dared to joke around with Qin Sheng.

Upon hearing the names of Hong Yuan and Yu Bei, Qin Sheng's temples suddenly jumped.

She rubbed the space between her eyebrows.

Could she fire these two people?

Liu Cheng saw through Qin Sheng's thoughts.

He winked at her. "The General Manager went to the hotel to discuss a collaboration with a company. It's an important collaboration, and I'm afraid he'll only be back at noon. Also, Yu Bei took a leave of absence today."

Chapter 712: The Stocks of the Lin Corporation

Qin Sheng heaved a sigh of relief.

"Alright, I got it."

She seemed to have thought of something and said, "In the near future, you can buy some stocks of the Lin Corporation."

Liu Cheng was excited. "Alright, thank you, Boss."

He was thinking that he could use all the funds he had left to buy the stocks of the Lin Corporation. Perhaps he could also borrow a little.

Liu Cheng was really impressed by Qin Sheng.

Every time Qin Sheng revealed the news about the shares, there was not a single mistake and the increase was huge.

Liu Cheng had made a huge profit from this.

Qin Sheng nodded. "You guys continue."

Qin Sheng went straight to Su Yixiu's office. The company was much bigger now and Su Yixiu had a separate office.

Su Yixiu was currently looking at the preparations for the entertainment company.

Qin Sheng knocked on the door.

Su Yixiu said casually, "Come in."

Qin Sheng pushed the door open.

"What's the matter?"

Su Yixiu looked up and saw that it was Qin Sheng's. He was stunned.

Then, he stood up in a panic. "Sheng Sheng, I didn't expect you to come over."

Qin Sheng came to the sofa and sat down. "It's alright. We're partners and classmates. There's no need to be so reserved."

Su Yixiu added silently in his heart.

'You're also someone I like.'

If it were a normal person, he wouldn't be like this.

Su Yixiu didn't show it on his face. He poured a cup of tea for Qin Sheng and handed it to her. "Boss, do you have any instructions for coming over today?"

Qin Sheng took the tea and took a sip.

When she heard this, she raised her eyebrows. "Don't tell me I have to have something to do before I come here?"

Su Yixiu was silent.

It was very obvious that he thought so.

Even Su Yixiu thought of her like this. Qin Sheng frowned and couldn't help but doubt herself.

Did she really come to the company every time she had something to do?

Qin Sheng's memory was pretty good.

She could recall every time she came to the company.

"Ahem." After a while, Qin Sheng coughed lightly. She was indeed such a person.

After she took another sip of tea, she took out a USB drive and gave it to Su Yixiu.

"This is my plan for preparing the entertainment company. You can take a look at it first. If you have any questions, come and ask me."

"Okay." Su Yixiu returned to his desk and inserted the USB drive. There were only documents inside.

After he extracted the documents, Su Yixiu read them very seriously.

Qin Sheng didn't leave. Su Yixiu had just started this job, so there should be a lot of things that he didn't understand. This time, she had a conscience and wanted to teach Su Yixiu.

Qin Sheng looked at the time.

Hong Yuan would be back at noon. She still had two hours.

And now that Su Yixiu had just started looking, there shouldn't be any problems for the time being.

Therefore, Qin Sheng took out her phone.

In less than a minute, Fu Hanchuan sent an emoji.

Qin Sheng chuckled and sent one as well.

The two of them went back and forth for five minutes just like that.

Fu Hanchuan sent another message. He asked, [Sheng Sheng, what time will you be back at noon today?]

Qin Sheng's fingertips tapped lightly on the phone screen. [I'll be back at noon, around 12 o'clock.]

Fu Hanchuan: [I'll pick you up at noon.]

If the higher-ups saw this message from Fu Hanchuan, a huge question mark would definitely pop up in their heads.

Didn't they have a meeting at 11:00 and it had to be held until 12:30?

Qin Sheng replied with a good emoji package.

After thinking for a moment, she sent another few words over. [I'll be waiting for you.]

Fu Hanchuan quickly received the message.

Looking at these two words, the corners of his lips could not help but curl up.

Assistant Lin, who had just entered, was speechless.

Chapter 713: A Good Friend On Penguin

"President," Assistant Lin called out.

Fu Hanchuan was in a good mood. He was not angry that he had been disturbed. He glanced at Assistant Lin and then looked at his phone.

His slender and good-looking fingers poked at the phone screen. [Okay.]

Assistant Lin placed the document on Fu Hanchuan's desk.

He glanced at Fu Hanchuan's phone out of the corner of his eye.

He realizes that Fu Hanchuan was using Penguin.

Assistant Lin frowned. The day before yesterday, he had suggested to Fu Hanchuan to download Penguin so that it would be easier to contact him.

At that time, Fu Hanchuan had ignored him.

He did not expect that he already had a Penguin account.

He thought that Fu Hanchuan, this old fogey, would not download this thing?

Moreover... when did he have it?

Even if he did, he wouldn't tell him?

Assistant Lin couldn't help but ask, "President, shall we add each other as friends? I'll also pull you into our company's higher-ups group chat."

Fu Hanchuan frowned. "Just text and call."

Assistant Lin: "..."

Then why did you download Penguin?

Thinking of a possibility, Assistant Lin asked very carefully, "President, were you just contacting Madam?"

Fu Hanchuan did not hide anything. He nodded and said, "Yes."

Assistant Lin said, "So, you only have one good friend on Penguin, Madam."

Fu Hanchuan nodded again.

Assistant Lin was speechless again

Why did he feel like he was being stuffed with dog food?

So, his president was in Penguin for Qin Sheng. Other than her, he did not add anyone else as a good friend.

Assistant Lin coughed. He did not want to stay any longer.

He said, "President, this document I gave you is the revenue data for this month."

After Assistant Lin walked out of the office, he still felt extremely full after eating that mouthful of dog food.

He frowned. Should he go look for a girlfriend too?

Meanwhile, Fu Hanchuan was still exchanging messages with Qin Sheng in the office.

On the other side, Su Yixiu did indeed encounter some things that he did not understand. He searched online but could not find an explanation.

He looked at the young lady sitting on the sofa.

Qin Sheng was looking at her phone, and the corners of her lips curled up from time to time.

Su Yixiu could not bear to disturb her.

He continued to read. After he had found all the questions, he went over to ask Qin Sheng.

Su Yixiu was also very fast.

In less than forty minutes, he finished reading. He marked out the questions one by one.

Qin Sheng put her phone away.

She walked over. "Yixiu, are there problems?"

Qin Sheng was standing behind him. There was an arm-length distance between them.

Even so, Su Yixiu could still faintly smell the fragrance on Qin Sheng's body. His heart was beating very fast.

She did not receive an answer from Su Yixiu.

Qin Sheng frowned slightly. She asked again, "Yixiu?"

Su Yixiu came back to his senses.

His face turned red, but with his back facing Qin Sheng, Qin Sheng did not notice anything unusual about Su Yixiu.

After adjusting his state of mind, he opened the places that he had marked before.

"These are probably the four places."

Qin Sheng took a glance and wanted to start explaining.

Su Yixiu forced himself to stop thinking too much.

He was worried that he would spend a lot of time, so he suggested that Qin Sheng go to the sofa to explain. Su Yixiu also carried the computer over.

He put the computer on his lap.

While listening to Qin Sheng's explanation, he quickly typed on the keyboard, recording some of Qin Sheng's important words.

By the time Qin Sheng finished explaining, 30 minutes had already passed.

Qin Sheng looked at her watch.

There were still about 50 minutes before Hong Yuan returned. It was still early.

Chapter 714: Yu Bei's Return

However, Qin Sheng was worried that Hong Yuan would come back early, so it was better for her to leave early.

She stood up.

"That's all for today. Yixiu, if there's anything you don't understand, feel free to contact me."

Su Yixiu was very capable and could learn information quickly.

He was also a very loyal person and would not easily betray her.

Qin Sheng intended to groom Su Yixiu and make him the president of the company.

Actually, with Qin Sheng's ability, she would not spend much time on her work in a day.

However, Qin Sheng disliked the trouble.

She only wanted to arrange the company's affairs properly so that Su Yixiu could take charge of it alone. Then, she could completely leave the company and not have to care about the company's matters.

When she heard this, Su Yixiu nodded. "Okay."

Qin Sheng hesitated for a moment before asking, "Yixiu, how's your grandmother's condition?"

Su Yixiu did not hide anything. "She's very healthy now. She doesn't need someone to be by her side at all times."

Qin Sheng heaved a sigh of relief. "Congratulations."

"If it wasn't for your money, I'm afraid she wouldn't be around at this time."

A smile appeared on Su Yixiu's face. "Sheng Sheng, thank you."

If Qin Sheng hadn't given him that sum of money in time, his grandmother would have passed away by now.

He wouldn't have been able to enter Imperial Capital University either.

Qin Sheng smiled. "There's no need to thank me. I was willing to help you back then because I had my own motives. I only used a million yuan and was able to lure a talent like you into my company. No matter what, it was still a profit for me."

This was the truth.

Using a million yuan to poach a talent was indeed a good deal.

Su Yixiu had the ability.

There should be many people eyeing him like a tiger. However, seeing that Su Yixiu was still in his third year of high school, those people did not take such a big risk to let Su Yixiu into the company. After all, it would cost a lot of money to hire Su Yixiu.

As for those large companies, they did not pay attention to Su Yixiu, who was a high school graduate.

However, if Su Yixiu had graduated from Imperial Capital University and was looking for work, with Su Yixiu's ability, there would definitely be many companies fighting over him.

Therefore, it was better to pull Su Yixiu over early.

Su Yixiu was very stubborn. "The company is also very important to me. I have learned a lot from it. Sheng Sheng, I am very grateful to you."

The two of them had different thoughts.

Qin Sheng did not continue arguing with Su Yixiu.

"It's getting late. I'll go back first."

Qin Sheng said goodbye and walked out of Su Yixiu's office.

"Boss," an employee called out respectfully.

Liu Cheng walked up and coughed. "Boss, do you want to leave now?"

Qin Sheng frowned slightly.

Liu Cheng explained, "Brother Bei already knows that you're here. He should be on his way."

He looked at the time and said, "It's been 20 minutes. He should be here by now."

The company had a unified dormitory.

The dormitory was less than 10 minutes away from the company.

The veins on Qin Sheng's forehead twitched.

She narrowed her eyes dangerously. "Who told him?"

Liu Cheng immediately shook his head. "It wasn't me. It was Old Cai who told him."

Old Cai was a hacker friend that Yu Bei had scammed over.

Qin Sheng had a headache. "Alright, I got it."

After saying that, she did not stay any longer. She only wanted to leave the company before Yu Bei rushed over.

Chapter 715: Heavy Workload, Busy

Yu Bei would ask her a lot of questions.

It would take at least twenty minutes to solve it. By then, Hong Yuan should be back by then.

However, it was too late for her to leave.

Just as she reached the door, she bumped into Yu Bei.

Yu Bei was very excited.

At this moment, when he saw Qin Sheng, he smiled like a flower. "Boss."

As for Qin Sheng, she rubbed the space between her eyebrows. Her expression was complicated.

"I'll go back first. The university's workload is very important."

Qin Sheng still wanted to fight to leave.

Yu Bei blocked the door. "Boss, I have some questions to ask you. It's related to work. As a boss, you should at least solve the problems of your capable subordinates."

Yu Bei's attitude was very good on the surface.

But in his heart, he was filled with disdain.

As if he really believed her. His ass!

He had seen the news. Qin Sheng had started to study medical knowledge during the first two months of her senior year. Now that so much time had passed, she should have finished the first semester's content.

Moreover, with Qin Sheng's ability, even if she did not study ahead of time, wouldn't it be very easy to complete the school's work?

If it was someone else who said that they were busy, Yu Bei would believe it.

But Qin Sheng, busy?

Who was she kidding?

Qin Sheng was probably the person who had the most free time in Imperial Capital University.

All the students in their third year of high school were rushing for the college entrance exam, but Qin Sheng was an exception.

While others were studying, she was reading stock books and medical books.

In a semester, she only read books two days before she transferred to H City High School and the college entrance exam.

D*mn it, she even got full marks in the college entrance examination. Wasn't this infuriating?

Qin Sheng still did not respond.

Yu Bei threatened, "If you don't help, I will block you here today and not let you go back. I will also call you a few times a day. If you block me, I will continue to find someone to borrow their phone to continue calling. I will also harass your QQ account."

Qin Sheng: "..."

It was a headache.

It seemed that he would not give up if she was not busy with Yu Bei's work today.

In the end, Qin Sheng could only nod. "Okay, I'll limit it to five questions."

Yu Bei was happy.

He brought Qin Sheng back to his office.

He picked and chose from the dozen or so questions he had prepared earlier.

He frowned.

He wanted to ask Qin Sheng all these questions.

However, he knew that it was already rare for Qin Sheng to agree to solve five questions for him.

Yu Bei did not dare to push his luck. He was afraid that Qin Sheng would quit.

After all, it was not like Qin Sheng had never done this before.

In the end, Yu Bei reluctantly picked out five questions from the list.

Qin Sheng was in a hurry, so she did it exceptionally fast today.

In 15 minutes, she had solved all the questions above.

Yu Bei looked at the computer document, which was full of code, and could not help but swallow his saliva.

Although he had seen Qin Sheng solve the program problem many times, he could not help but be surprised.

This speed was too fast!

He might not be able to solve a problem in a day.

As for Qin Sheng, she only needed to read through the problem once and think about it for less than a minute before she started writing. Her hand speed was very fast, and in less than two minutes, she could list dozens of lines of code.

Yu Bei was envious.

If he could be like Qin Sheng, why would he need to wait for Qin Sheng to come to the company every day?

Yu Bei could not help but ask, "Boss, since you are so fast, help me solve the remaining eight programming problems. Anyway, this is only a matter of twenty minutes for you."

Chapter 716: Hong Yuan Rushed Back

Qin Sheng leaned against the back of the chair and smiled. "No."

Yu Bei: "There's no room for discussion?"

Qin Sheng raised her eyebrows. "What do you think?"

Yu Bei was speechless. He knew that there was no way he could get Qin Sheng to agree to him today. He had already given up.

"Then Boss, take care."

Yu Bei looked at the time and a gloating look suddenly appeared in his eyes. "Boss, I reckon that the General Manager will be back soon."

Qin Sheng: "..."

Yu Bei whistled, "Boss, if you don't leave now, it'll be too late."

Qin Sheng stood up.

She was thinking if she had to blacklist Yu Bei's phone number again.

However, when Yu Bei said this, she started to have a bad feeling.

She had a feeling that she would run into Hong Yuan.

Qin Sheng did not stay any longer and quickly walked toward the door.

Yu Bei did not care about the program code that Qin Sheng had solved for him and followed her.

He wanted to see how Qin Sheng would run into Hong Yuan.

In order to take revenge on Qin Sheng, he had already told Hong Yuan that Qin Sheng would be coming over to the company.

Hong Yuan could not get away from the discussion of the cooperation for the time being.

But he would probably end the discussion as soon as possible.

Yu Bei followed behind Qin Sheng slowly.

Qin Sheng glanced around but didn't see Hong Yuan. She let out a slight sigh of relief.

She took out her phone and sent a voice message to Fu Hanchuan on QQ. "Brother Fu, are you here? I'm going down now..."

Before she could finish speaking, Hong Yuan's voice was heard. "Boss."

Qin Sheng's expression was a little stiff.

She accidentally let go of the recording and sent it out.

Fu Hanchuan quickly replied, [I'm almost at the company's building.]

Qin Sheng couldn't bother replying to Fu Hanchuan's message for the time being.

She asked, "Uncle Hong, what's the matter?"

Hong Yuan was afraid that Qin Sheng would leave immediately, so he said straightforwardly, "Yes, there are many documents in the company. Can you take a look?"

"How many are there?" Qin Sheng narrowed her eyes, and there was a hint of warning in her eyes.

Hong Yuan didn't dare to look into Qin Sheng's eyes anymore. He told her according to the original plan, "Not many. There are about a hundred pages in total."

Qin Sheng had a headache.

She was very frustrated.

If she had known earlier, she would have invited Su Yixiu out instead of coming to the company to look for him.

Hong Yuan looked at Qin Sheng's appearance, and he knew that she really didn't want to help deal with it.

But Hong Yuan wasn't willing to give up.

After all, with Qin Sheng's personality, if she was allowed to do as she pleased, she would probably not handle the documents in her own company.

He asked very carefully, "Boss, this isn't a difficult problem for you, and it won't waste much time."

Fu Hanchuan was waiting for her downstairs. Qin Sheng didn't want to waste too much time.

"Take out all the documents that need to be processed. I'll bring them back to process."

Hong Yuan nodded. He was happy. "Okay, right away."

There were many documents that needed to be processed. Hong Yuan searched for a while before he finally found all the documents and brought them over to Qin Sheng.

When Qin Sheng saw this, she was speechless

The expression on her face was complicated. "Uncle Hong, is this the 100 pages that you mentioned?"

Hong Yuan frowned and took a look.

Uh... it was indeed too much.

They had just moved to Imperial City not long ago, and there were quite a few companies that needed to establish a partnership. They also needed to add in the information on Three Realms, as well as some small games that were being developed. There were a lot of documents that needed to be handled.

He had handled some of the urgent matters, and the remaining documents were not particularly urgent. There were also some that needed Qin Sheng to look at.

Even so, there was still a huge pile of documents.

Chapter 717: His Sheng Sheng Was Very Cute

Hong Yuan coughed lightly. "Boss, this shouldn't be more than 300 pages. With your speed, you should be able to finish it in less than two and a half hours."

He didn't have enough confidence.

Qin Sheng sighed. "Give it to me."

Right now, she was filled with a thousand regrets.

She shouldn't have come to the company.

Hong Yuan was delighted and hurriedly handed the document to Qin Sheng.

Suddenly, a big hand took it. It was Fu Hanchuan's. No one knew when he had arrived behind Qin Sheng.

"Let me do it."

A deep and mellow voice.

Fu Hanchuan took the document from Hong Yuan's hand.

Qin Sheng was very surprised. "Brother Fu, when did you come over?"

"Just now," Fu Hanchuan answered.

Lin Dong, who was at the side, said, "Boss, I was the one who brought Mr. Fu in. I bought lunch and saw him downstairs, so I asked him to follow me in."

Lin Dong knew that Fu Hanchuan and Qin Sheng were lovers.

Moreover, Qin Sheng was entangled with Yu Bei and Hong Yuan, so she should not be able to get away for a while. Therefore, he brought Fu Hanchuan to look for Qin Sheng.

Qin Sheng nodded. "Thank you."

Lin Dong was flattered and waved his hand. "No, it's no trouble."

Qin Sheng's gaze fell on Hong Yuan again. "Uncle Hong, if there's nothing else, I'll leave."

"Wait."

Qin Sheng's temples seemed to jump.

She had a bad feeling.

Sure enough, she heard Hong Yuan say, "There are still some electronic documents. Boss, look..."

Qin Sheng rubbed the space between her eyebrows with a headache. It was rare for her to say, "Uncle Hong, aren't you taking things a little too far?"

These paper documents and some electronic documents...

It would probably take an entire afternoon to deal with these.

Hong Yuan retorted, "Boss, you can't blame me for this. Which company's boss is as reckless as you? You pushed everything to your subordinates. Do your calculations. Have you been in the company more than ten times?"

"My phone number is still on your blacklist. Yu Bei's phone has already been released."

Hong Yuan's tone was full of resentment.

He could not forget the fact that he had been blacklisted by Qin Sheng.

Qin Sheng said expressionlessly, "I'll blacklist Yu Bei later."

"F*ck!"

Yu Bei, who was watching the show, cursed. Why was he involved in this?

He had been using Qin Sheng's blacklist to show off in front of Hong Yuan.

Now, she was trying to drag him into it again.

Yu Bei complained, "What did I do wrong?"

Qin Sheng glanced at Yu Bei. "If you hadn't come back, would I have needed to deal with this?"

Yu Bei: "..."

It turned out that Qin Sheng was mad at him for letting her deal with the coding problem, and then because of him, she ran into Hong Yuan.

A hint of a smile flashed across Fu Hanchuan's eyes.

Yu Bei wanted to take revenge, so he complained to Fu Hanchuan, "Look, isn't your girlfriend very bad? Marry her and be careful of being abused by her. Also, you have to do all the housework."

A lazy person like Qin Sheng would definitely not do housework.

Fu Hanchuan smiled and said dotingly, "My Sheng Sheng doesn't need to do housework. I can do it all by myself. And this is her true nature. She's not bad, she's very cute."

Yu Bei: "..."

The surrounding employees: "..."

This mouthful of dog food was really sour and refreshing.

Although Hong Yuan had been married before, and he had shown off his love in front of others many times before, he still felt that Qin Sheng and Fu Hanchuan's dog food was really f*cking filling.

Chapter 718: Fu Hanchuan's Favor

Yu Bei's face turned red. "No wonder you're with Boss."

Fu Hanchuan ignored Yu Bei.

He felt that it would be best if he could spoil Qin Sheng so much that she could not leave him and would not look at other men.

In this way, he would not have to worry about someone stealing his little girl.

He knew very well.

Qin Sheng was very charming.

He turned to Hong Yuan. "Send the electronic documents over. Also."

Fu Hanchuan's gaze fell on the paper documents in his hand and asked, "Which ones don't need to be personally handled by Sheng Sheng?"

Hong Yuan didn't understand Fu Hanchuan's words for a moment.

Was he... going to help Qin Sheng handle these documents?

Hong Yuan answered, "The top three documents need to be personally inspected by Boss."

"Okay." Fu Hanchuan nodded.

Qin Sheng frowned. "Brother Fu, what are you doing?"

"I happen to be free in the afternoon. I can help you with some documents."

Fu Hanchuan knew enough about Qin Sheng's company and was usually able to handle it well.

Qin Sheng quickly rejected him. "Brother Fu, I can do it. Moreover, these won't take long."

Yu Bei clicked his tongue and shook his head. He was cursing silently in his heart.

Now she would admit that this was not difficult for her?

She had been avoiding the company's matters. She did not even want to spend this little bit of time.

She was really a mastermind.

Fu Hanchuan passed the three documents that Qin Sheng needed to handle to Qin Sheng. "Sheng Sheng, it's enough for you to handle this."

Qin Sheng could only agree.

Yu Bei looked at the documents in Fu Hanchuan's hands and then at Qin Sheng. There was a difference of ten times in thickness between the two. Moreover, Fu Hanchuan would probably have to handle all the electronic documents.

F*ck!

He even helped to handle the company's documents!

He was pampering Qin Sheng to the heavens.

Yu Bei could not help but say, "Mr. Fu, I'm afraid it will take you a few days to handle these. Our boss will only need less than an afternoon to handle them..."

Before he could finish his sentence, he was interrupted by Fu Hanchuan.

"It won't take me much time either. One afternoon will be enough."

Yu Bei: "..."

He was stunned and could not react in time.

Fu Hanchuan casually went to a desk and wrote down an email with a pen. He tore it off and gave it to Hong Yuan.

"This is my email. Send me those documents."

Hong Yuan took it.

He sighed in his heart. Fu Hanchuan pampered Qin Sheng too much. Very few men could do this.

Qin Sheng asked again, "Uncle Hong, are there any other questions?"

Hong Yuan shook his head. "No."

If there were, he wouldn't dare to say it.

If he dared to nod his head, if he said it, Qin Sheng wouldn't dare to come to the company again.

He had a feeling that this man would not let him off either.

Qin Sheng nodded her head in satisfaction.

She tilted her head. "Brother Fu, let's go."

"Okay."

Fu Hanchuan took the documents in Qin Sheng's hands and left with her.

Su Yixiu walked out from the corner.

He had wanted to see Hong Yuan come back just now.

He did not expect to see Fu Hanchuan and Qin Sheng when he came out.

He knew very well that Fu Hanchuan treated Qin Sheng very well, but he never thought that Fu Hanchuan would treat Qin Sheng so well.

The bitterness in Su Yixiu's heart was spreading.

That's right. Fu Hanchuan was willing to be a little English teacher in H City High School for Qin Sheng.

If he did not love Qin Sheng to the extreme, why would Fu Hanchuan give up so much?

Fu Hanchuan and Qin Sheng looked very compatible when they stood together, and they were also very eye-catching.

In particular, from the way the two of them met eyes from time to time...

He just knew, he would never be able to insert himself between them.

Chapter 719: The Two of Them Gathered Together

Su Yixiu had been looking at them the entire time. His lips were tightly pressed together, and it was difficult to see the strange expression on his face.

However, his clenched fists revealed his emotions as they hung by his side.

Qin Sheng's figure disappeared from his sight. Only then did Su Yixiu drag his heavy footsteps toward the office.

Yu Bei had been standing in the same spot the entire time.

Qin Sheng and Fu Hanchuan had left, and neither of them could react in time.

Hong Yuan frowned and shouted, "Yu Bei?"

Yu Bei still did not have any reaction.

"Brother Bei." It was only when Liu Cheng knocked on Yu Bei's shoulder that Yu Bei slowly came back to his senses.

“F*ck!”

Yu Bei directly cursed.

Hong Yuan glanced at Yu Bei and said in disdain, “What’s wrong? Why are you making such a fuss?”

Yu Bei pointed at the door, “Did you hear that? Boss’ boyfriend said that he only needs an afternoon to finish all the documents. General Manager, how much time do you need to process those documents?”

Hong Yuan also frowned.

He didn’t notice this sentence.

Hong Yuan replied, “At least five days.”

Yu Bei looked as if he had been struck by lightning. “I thought our boss was a pervert among perverts. Basically, there won’t be a second pervert like her. Who would have thought that there would be another one!”

Liu Cheng nodded in agreement. Then, he said with great interest, “Brother Bei, have you been struck hard?”

“Isn’t that right?” Yu Bei clutched his chest and looked speechless. “As expected, a pervert’s boyfriend is also a pervert. Otherwise, they wouldn’t be together.”

Liu Cheng patted Yu Bei on the shoulder. “Brother Bei, aren’t you going to have lunch?”

“I’ll be there right away.”

Yu Bei thought of lunch and felt a little better.

So be it if he was a pervert, as long as they did not mess with him.

Moreover, he did not have to worry about the company going bankrupt if he stayed at Shengshi Technology.

Just Qin Sheng alone could bankrupt Long Yue Technology, which had a foundation of more than ten years. If Qin Sheng and Fu Hanchuan were to make a move together, he did not dare to imagine it.

Yu Bei took his lunch and returned to his office.

Many employees outside were discussing as they ate lunch together.

“I feel that our boss’ boyfriend is not simple. Judging from his looks, he must be from a good family background and is very capable.”

“Isn’t that obvious? Our boss is beautiful, elegant, and capable. We’ve seen it too. She’s too capable. How can a normal person be together with our boss?”

“I didn’t see anything else, I just saw that he dotes on our boss. His expression, his words of defending our boss, he really dotes on her to the heavens. Even someone like me who has a girlfriend has been fed a big mouthful of dog food.”

“Don’t say that. If I had a girlfriend like our boss, I would also provide for her.”

“Enough. Look at your pathetic appearance. Do you think you’re worthy?”

“I’m just thinking!”

“Don’t think about it. Don’t say that you’re worthy of a girl like the boss. You definitely can’t be like our boss’s boyfriend. Who doesn’t know how to talk?”

Then, there was a burst of laughter. The atmosphere was very cheerful.

—

Sunday.

Lin Haocheng lay on the big bed in the hotel, sound asleep.

His phone rang.

This was a demonic sound to Lin Haocheng.

It shook him until he woke up.

Lin Haocheng covered his face with the quilt and did not answer.

But the ringtone did not stop.

Lin Haocheng could only reach out and bring it over.

Sure enough, it was his agent.

Could he not answer it? Could he go on strike?

Chapter 720: Introduced Qin Sheng To Old Master Lin

Lin Haocheng thought of his manager’s arrogant attitude and the methods he used to punish him, and his body trembled.

He laughed bitterly as he picked up the call. “Brother Feng.”

Yan Feng ordered, “Haocheng, it’s already 9 o’clock. Have you forgotten what I said yesterday? Go to HD Group immediately.”

Lin Haocheng frowned. “How can I not go? Look, I’ve been busy for five days. It’s already Sunday, and you still won’t let me rest! Isn’t that right?”

His tone was rather accusatory.

Fu Hanchuan had been arranging work for him for the past five days. His schedule was full every day, from 8 in the morning to 10 at night.

Wasn’t he just trying to take Qin Sheng as his sister?

It wasn’t like he was trying to poach her!

Yan Feng frowned and said, "Today's work will only be arranged until noon."

Lin Haocheng's eyes widened in disbelief. "Fu Hanchuan is willing to let me off? Brother Feng, are you sure?"

"You're not willing to rest? Alright, I'll arrange some other work for you."

Lin Haocheng hurriedly said, "No, no, no, I'm very willing. It's not like you don't know how long I've been looking forward to this vacation."

Moreover, he could also take advantage of today to go home.

He could show the photo to his grandfather.

He could let his grandfather kidnap Qin Sheng back to be his granddaughter. If he became Fu Hanchuan's brother-in-law, let's see how he would dare to bully him?

Lin Haocheng's little calculations rang out.

At noon, after he finished his work.

He slipped back to the Lin family.

"Grandfather."

Grandfather Lin was trimming the potted plants in the living room, and Lin Haocheng directly ran to the side of Old Master Lin.

Old Master Lin frowned. "What's the matter?"

Lin Haocheng said with a smile, looking like a human trafficker, "I've taken a fancy to a girl and want her to be my sister."

Old Master Lin retracted his gaze and continued trimming the potted plants.

He said, "Since you like her, go ahead."

Old Master Lin's gaze revealed some sadness.

Lin Haocheng was discouraged. "Someone didn't want to give her to me, so I could only come to you for help."

"Who?" Old Master Lin was very confused.

Lin Haocheng said angrily, "Fu Hanchuan."

"Hanchuan?"

Grandpa Lin had heard Lin Haocheng talk about Fu Hanchuan quite often. He also quite admired Fu Hanchuan.

"Yes, it's him!" Lin Haocheng sat down on the sofa. "That girl is his girlfriend."

Old Master Lin's hand paused, and he became interested. "Fu Hanchuan has a girlfriend? It seems that the girl is very outstanding."

“Of course. The sister that I like, how can she not be outstanding?”

Lin Haocheng took out his phone. “Grandfather, wait. I’ll show you. You’ll definitely like her.”

Old Master Lin shook his head.

Lin Haocheng was still looking for pictures when Old Master Lin had already put down the scissors and sat down on the sofa.

“It’s her.”

Lin Haocheng showed Old Master Lin the photo of Qin Sheng on his phone.

Grandpa Lin was also a little curious about who was so attractive to Lin Haocheng.

This was the first time Lin Haocheng said he wanted to recognize someone as his sister.

When did he not dislike girls for being troublesome?

He looked over.

His casual gaze suddenly paused.

His eyes stared at the photo of Qin Sheng on his phone, and the hands on his thighs slowly tightened.

Lin Haocheng did not notice Old Master Lin’s strange behavior.

“Grandpa, how is she? Isn’t she especially cute?” Lin Haocheng said excitedly.

Old Master Lin took Lin Haocheng’s phone.

He flipped through page after page, flipping through a few photos in a row.

His brows were tightly knitted.
