

Bigshot 741

Chapter 741: The Qin Family In the Imperial Capital

Qin Sheng was afraid of trouble and liked to buy stocks that had risen several times. As for the rest, she would not buy them unless she had no other choice.

She began to log into her account and began to buy stocks.

Xie Hen felt that he had a chance to get close to Qin Sheng.

He took the initiative and said, "Qin Sheng, if you don't have enough funds, I can lend you some."

"No need, I have money."

Qin Sheng entered the amount of money to buy the stocks, 100 million Chinese dollars.

Xie Hen had been looking at the computer the whole time. He had seen the amount of money that Qin Sheng had entered at the first moment.

100 million?

Xie Hen was very surprised, and his brows furrowed deeply.

Just the amount of money that Qin Sheng had to buy the stocks alone was 100 million. She was probably a young lady from a wealthy family.

Moreover, that girl's clothes were in tatters. How could her family background be good?

Xie Hen tried to ask, "Qin Sheng, can I ask who your parents are?"

Qin Sheng's family background was extraordinary. Her father must be a business elite.

When Xie Hen's father was young, he had started to cultivate Xie Hen's ability. Xie Hen had read many magazines and other books.

Therefore, Xie Hen knew a lot about the business world.

If Qin Sheng told him who her parents were, he would probably recognize them.

There was a Qin family in the capital.

The Qin family had an extraordinary family background. They were the number one wealthy family in the capital, while the Xie family was ranked second.

However, Qin Sheng was from H City, so she shouldn't be a member of the Qin family. Moreover, the young master of the Qin family wasn't married yet. He was a clean person, so he shouldn't have a daughter outside.

Xie Hen was puzzled. H City should not have a particularly outstanding Qin family.

So, whose daughter could Qin Sheng be?

Hearing Xie Hen's words, Qin Sheng smiled sarcastically. "I don't have parents."

Xie Hen was very sorry, and his heart was filled with heartache. "I'm sorry, I didn't say it on purpose."

Qin Sheng said indifferently, "It's nothing. Without parents, you don't have to deal with those so-called kinship. It's good to be alone."

Moreover, she had Fu Hanchuan and Old Master Lu. It was enough.

Xie Hen was silent.

He regretted asking about this.

If he wanted to know, he could get someone to investigate. There was no need to ask.

Qin Sheng logged out of her stock account and carried her bag. "Don't follow me. I'm going back to school."

It was only 10:30 in the morning and it was still class time. Qin Sheng didn't go back to the classroom but went back to the dormitory.

In the classroom.

Zhao Xiang was absent-minded during class. She was hesitating whether she should complain to the professor about Qin Sheng skipping class.

Zhao Xiang paid a lot of attention to Qin Sheng.

She had seen it with her own eyes. Qin Sheng had directly come downstairs. It was obvious that she was skipping class.

Initially, she thought that the professor would take attendance during class, but he did not.

Zhao Xiang wanted to complain, but she was worried that the students in the class would hate her. After all, it was not a glorious thing to snitch. Moreover, many students would skip class.

Professor Li saw that Zhao Xiang was absent-minded and frowned. "The girl in white in the middle, get up and answer the question."

In the middle of the classroom, only Zhao Xiang was dressed in white.

Obviously, he was calling out to Zhao Xiang.

Zhao Xiang did not pay attention to the classroom. She did not know that Professor Li was calling out to her.

Professor Li frowned and repeated what he had just said.

The girl next to Zhao Xiang patted her. "Zhao Xiang, the professor is calling you."

Only then did Zhao Xiang react.

She quickly stood up. "Professor."

Professor Li's expression was serious. "Answer the question I just asked."

Chapter 742: Qin Sheng Had the Privilege of Skipping Class

Zhao Xiang was not paying attention to the lecture. She had been absent-minded. She had heard Professor Li's question, but she had only heard it and did not remember it.

Zhao Xiang's face was stiff.

Professor Li closed the textbook and asked, "Is there a problem?"

Zhao Xiang gritted her teeth. "Professor, can you repeat it? I didn't hear it clearly just now."

Pa!

Professor Li threw the textbook heavily onto the podium. "What's your name?"

Zhao Xiang lowered her head and answered, "Zhao Xiang."

Professor Li's expression was very ugly. He did not expect that there would be people who would be distracted during his class, especially during the first two weeks.

"Student Zhao Xiang, right? It's only been a little over a week since the start of the semester, and you're already starting to lose focus, not to mention the rest of the time. Don't think that you can rest easy just because you've entered Imperial Capital University. If you don't work hard, you'll still lag behind others."

Zhao Xiang didn't dare to retort. "I'm sorry, Professor. I won't do it again."

Professor Li waved his hand. "Sit down. If you dare to do it again, write a 10,000-word self-criticism for me."

Zhao Xiang's face was completely red.

She could already feel the students in the class looking at her mockingly.

She clenched her fists.

How could she be mocked here alone?

Professor Li saw that Zhao Xiang did not sit down and asked with a frown, "Is there anything else?"

Zhao Xiang finally made up her mind to complain. "Professor, there are not enough students in our class. We are still short of one person. Did you forget to take attendance today?"

Professor Li's brows furrowed even tighter. "Who didn't come to class?"

Zhao Xiang replied, "Qin Sheng."

Upon hearing this, Professor Li Remembered Qin Sheng's name.

Qin Sheng, this year's top scorer of the college entrance examination, the only one who had a perfect score since the college entrance examination was held.

Professor Li had read Qin Sheng's paper before.

It was clear and organized, and the content of the answers was not limited to high school knowledge. It contained a lot of university knowledge, and even a lot of cold and biased knowledge.

At that time, Professor Li was shocked.

Professor Li was biased towards Qin Sheng. After all, who wouldn't love such a genius?

Moreover, the school had given Qin Sheng a 'special pardon'.

However, Professor Li looked down on Zhao Xiang's snitching behavior. However, she was still his student. Professor Li wouldn't do anything to Zhao Xiang because of this.

He said expressionlessly, "Student Zhao Xiang, you should take care of yourself. You should stay out of this matter."

Zhao Xiang didn't expect Professor Li not to punish Qin Sheng. She became anxious. "But, Professor..."

"Alright." Professor Li raised his hand and interrupted Zhao Xiang. "The school specially allows Student Qin Sheng to skip class at any time."

Professor Li's words exploded among the students in the class.

Qin Sheng could skip class without asking for leave?

This treatment was too good!

When Zhao Xiang heard this, she was also stunned. She subconsciously said, "How could the school make such a condition for Qin Sheng?"

This condition was so good that it made people jealous.

The school only allowed Qin Sheng to skip classes at any time.

Other than this, the school also gave Qin Sheng many benefits.

Professor Li glanced at her. "Zhao Xiang, if you can get full marks in the college entrance examination, the school will also agree to your condition."

He did not show any mercy and said again, "Be yourself in the future. Don't care too much about other people's matters."

Zhao Xiang's face became even redder. It was unknown whether she was angry or embarrassed.

She stood on the seat, her hands holding her clothes and feet. She did not dare to raise her head, afraid to see the mocking gazes of the students in the class.

Chapter 743: Qin Sheng Was Reading For Show

Professor Li turned his head and looked at the clock hanging on the wall.

Because of Zhao Xiang's matter, they had already been delayed for ten minutes. There were still a lot of teaching tasks for today.

Therefore, he waved his hand and let Zhao Xiang sit down.

“Let’s continue with the class.”

At noon, Qin Sheng went to have lunch early and returned to the dormitory.

As for Zhao Xiang, because she made a fool of herself in class, she did not have the appetite to eat. She also returned to the dormitory.

Qin Sheng sat at her desk and read.

Zhao Xiang pushed the door open and entered.

When she saw Qin Sheng, she remembered how she had embarrassed herself in class today because of Qin Sheng.

Her anger rose from the bottom of her heart.

She stepped forward and questioned, “Qin Sheng, where did you go when you skipped class today?”

Qin Sheng raised her eyebrows in amusement. “Where did I go when I skipped class today? Does it have anything to do with you?”

Zhao Xiang sneered. “Skipping class at will, Qin Sheng? Do you look like a student like this?”

Qin Sheng flipped through a page of her textbook. When she heard this, her hand paused. “Zhao Xiang, aren’t you being too nosy? Annoying.”

“I just like to be nosy. Qin Sheng, it’s none of your business.”

Zhao Xiang’s tone was full of disdain. “Qin Sheng, if you skip classes like this, your grades will definitely fall. Don’t think that just because you became the top scorer in the college entrance exam, you can sit firmly in first place. I will definitely surpass you.”

Qin Sheng curled her lips. “Unfortunately, you won’t have the chance.”

After all, she was going to take the exam very soon and finish her four-year university course.

Zhao Xiang thought that Qin Sheng was looking down on her.

She gritted her teeth and said, “Qin Sheng, we’ll wait and see.”

Qin Sheng skipped class and didn’t listen to class. After class, she rarely spent time studying. Zhao Xiang didn’t want to believe that she could get first place just like that.

However, Zhao Xiang ignored the report about Qin Sheng.

In the second semester of the third year of high school, Qin Sheng spent a total of five days reviewing. She could still get first place in every exam, and she even got a perfect score in the college entrance exam.

Qin Sheng didn’t pay attention to Zhao Xiang anymore. She didn’t have much time to waste on Zhao Xiang.

Qin Sheng shifted her attention to the textbook and read it seriously. Her speed was very fast. In less than thirty seconds, she had flipped through a page of the textbook.

Zhao Xiang threw her bag on her desk and glared at Qin Sheng angrily.

In the next exam, she must surpass Qin Sheng.

They would see what she still dared to be arrogant about!

Suddenly, she noticed Qin Sheng's action of flipping through the book.

Zhao Xiang frowned. Was Qin Sheng studying?

Seeing Qin Sheng flip through a page, Zhao Xiang's lips curled into a disdainful smile.

Initially, she was a little worried that Qin Sheng would use her time to study well in the future. Unexpectedly, it was just for show.

She did not believe that Qin Sheng would be able to learn by flipping through the book like this.

She did not have to worry anymore.

She would definitely be number one in this semester's medical major exam.

Zhao Xiang was very confident.

Qin Sheng did not read for long. She lay on the bed and rested for a simple 20 minutes before she went to experiment.

As for the afternoon classes, Qin Sheng did not attend it either.

Now that Gao Yongliang's experimental research had been arranged, Qin Sheng did not want to waste too much time in class.

She had already mastered everything that she needed to learn.

When Gao Yongliang went to the laboratory in the afternoon, he was very surprised. "Student Qin Sheng, don't you have class?"

Qin Sheng was observing the fusion of the two reagents.

When she heard this, she answered casually, "No."

Gao Yongliang frowned. "I suggest that you still need to master the theoretical knowledge."

Qin Sheng looked up. "I will teach myself."

Chapter 744: You Should Apologize

Gao Yongliang's brows relaxed as he nodded. "I was the same as you back then, self-taught theoretical knowledge. If you can arrange it well, then it's up to you. Don't delay the study of theoretical courses because of the experiments."

Qin Sheng poured some more reagents in.

Gao Yongliang looked at the steps of Qin Sheng's experiment and frowned.

But in the end, he didn't say anything.

It was also good to let Qin Sheng learn a lesson.

If Qin Sheng had a problem, he would help solve it.

If Qin Sheng had nothing to do, he didn't need to rush to give guidance to Qin Sheng.

"Qin Sheng, if you have any questions, you can come and ask me."

After Gao Yongliang finished his advice, he went over to do his experiment.

—

At night, before F had even logged into Black Emperor, many hackers had sent messages to F, mocking him in all sorts of ways.

Among them, many were hackers from Black Emperor. They mentioned the matter of F and Qin Sheng competing last night.

[Hahaha, double standard dog, you don't dare to come to Black Emperor anymore, right? Who was the one who said at that time that no one in Black Emperor could compare to you? You were still beaten by QS!]

[The weather is getting cold. You should apologize.]

[F, you're also Chinese. Don't think that you're not Chinese just because you've settled down in G Country. If we are trash, what are you?]

[I advise you to apologize. However, even if you apologize now, it's too late.]

F frowned. He was very puzzled.

How did they know his phone number and that he was the hacker, F?

After reading the messages sent by the hackers, he also sensed that something was wrong.

Could QS have found his identity information?

Thinking of this possibility, F's hand trembled.

If his identity information was exposed on the internet, he didn't dare to think about it.

Not to mention, he would become a great shame for the hacker world. The hacker world would not tolerate him in the future, and he would also be arrested in prison.

He had used his identity as a hacker to do many illegal things.

Many people were looking for him.

In the past few years, he had always concealed his identity very well. Those people could not find his information at all, so he was unscrupulous.

Now, they were telling him that his information had been exposed?

If that group of people knew...

He did not dare to think about the consequences.

F's face was pale. He turned on his computer, his hands trembling.

He kept mumbling, "Impossible! How could QS find out my identity so easily?"

Once F logged into Black Emperor, many hackers found out.

They sent messages one after another.

[He Tianqing, you're finally online. I've been waiting for you all day, and I finally got you.]

[Didn't you say that it's impossible for QS to find your identity information? Come, come, come, come, take a look at the top post on the forum. Your identity information is detailed enough, right?]

[F, you've been slapped in the face again. This face hurts even when I see it.]

When F saw their words, even his lips began to turn white.

He didn't dare to continue reading and directly went to the forum's section.

The top post had a very eye-catching title.

[Exposed! F's identity!]

F shook his hand and clicked into the post.

His gaze quickly swept down.

At the end, F's face was already without a trace of color.

It was actually found by QS!

The contents listed above were very detailed and there was not a single mistake.

It was over, he was completely over!

F weakly released the mouse and collapsed on the chair.

He didn't expect QS and C to really have the ability to crack his system and steal all the information he stored on the computer.

Moreover, they didn't spend much time.

Only a little more than an hour.

Chapter 745: Love Scene

Many people were still attacking F, and no one stood up to defend him.

After all, F's words and actions were really looked down upon.

Those hackers were worried that F would not read the news in the discussion forum. Among them, some hackers had sent a private message to F, and some even directly sent the message to F's phone.

[F, remember to apologize to US Chinese people. If you don't apologize, I will send your identity information to the entire internet. A person's identity as a hacker has been exposed. You should know what this means? If you did not do anything illegal, those police officers will not be able to do anything to you. But with your personality, is this possible?]

[Hahahaha, I'm dying of laughter. Yesterday, you swore that QS would never be able to find out your identity information. In less than an hour, you were slapped in the face.]

[F, this is the price you pay for not apologizing. Can't you just apologize earlier? You didn't have to have your identity revealed.]

The notifications on his phone kept ringing.

F sat in his chair for a long time before he mustered up the courage to pick up his phone.

There were already more than a hundred unique messages.

F scrolled through a few messages.

Even so, he was so angry that he almost vomited blood.

He quickly tapped on the phone screen because his hand was shaking non-stop. Even typing 30 words took him three minutes.

F wrote this sentence to insult the other party.

But his hand did not click to send it.

If it was usual, he would have cursed if he wanted to.

But now, all his identity information was exposed. He could not speak without scruples.

F could imagine that if he really dared to reply like this, that hacker would definitely post his reply and mock him.

After hesitating for a long time, F deleted all the words he had painstakingly written.

His gaze fell on the computer.

At this moment, Qin Sheng came online.

She took the initiative to look for F. [How is it? Are you satisfied with the speed at which C hacked into your computer? He Tianqing.]

F gritted his teeth. This time, his tapping speed was very fast. [Don't be too proud. You didn't find out my identity information, but C!]

It could be seen that F was still very unconvinced.

F hated women and looked down on them in all sorts of ways. QS was a woman.

Being defeated by QS, he felt that it was a kind of insult to him.

Therefore, F was unwilling to admit that QS could also hack into the protective system that he had worked hard for three years to set up.

Qin Sheng curled her lips and typed slowly, [I think you also know that C and I are boyfriend and girlfriend. What's the difference?]

Fu Hanchuan, who had been silent the whole time, followed behind Qin Sheng. His words were full of doting. [Well, everything I own belongs to QS, including myself. There's no difference between us.]

When Qin Sheng saw this, the corners of her lips could not help but curl up.

The other hackers who were watching were caught off guard and choked on this mouthful of dog food.

[What was originally a passionate scene suddenly changed into a show of affection?]

[I beg of you, stop showing off your affection, okay? How are we single dogs going to live if you do this?]

[Show off your love, and you'll split up quickly! I'll give you a vicious curse, and you guys will break up tomorrow.]

[I just broke up with my girlfriend, and I really want to curse when I see your words!]

[...]

Fu Hanchuan looked at these hackers' comments very seriously.

Leaning against the back of his chair, a smile slowly appeared on his face.

Chapter 746: F Apologizes!

He liked to show off in front of others that Sheng Sheng was his girlfriend.

If it weren't for Qin Sheng's disapproval, Fu Hanchuan would have really wanted to announce to the world that Qin Sheng was with him.

When F saw Qin Sheng and Fu Hanchuan's words, he was very disdainful. [You are you, and he is him. How can you be compared? Moreover, the two of you will break up sooner or later. Don't talk about not being able to differentiate each other. Aren't you ashamed?]

Qin Sheng's eyes narrowed dangerously. [You can apologize now.]

F's heart trembled. He subconsciously typed on the computer to apologize.

However, in the end, F stopped himself from sending those three words out.

He gritted his teeth. [My identity and information were all found out by you. If I don't apologize, you don't have any leverage to threaten me. You exposed my identity and want me to apologize? QS, do you really think I'm stupid? Ridiculous!]

[Is that so?]

Qin Sheng's message was sent very quickly.

F's heart skipped a beat, and a very bad premonition arose in his heart.

He clenched his fists.

QS wouldn't have any other evidence against him!

As he was thinking, Qin Sheng sent another long message. There were many names on it.

F saw it at first glance. He knew many of the people on it.

In order to make money and his own bad taste, he hacked into many people and companies' computers and spread their news and information.

Many people hated F to the bone.

The cold sweat on F's forehead kept falling.

How did QS find these people?

At this time, F also thought that he had kicked an iron plate.

He shouldn't have come to Black Emperor to provoke QS and the others.

Black Emperor's notification sounded.

Qin Sheng sent him another private message.

QS: [You should be very familiar with the people above. Tell me, if I tell them your identity, what will happen to you?]

F's face was extremely gloomy. [QS, don't be too despicable.]

Qin Sheng curled her lips. [No matter how despicable you are, I can't be compared to you. I'll give you two minutes to consider. If you don't apologize within three minutes, your message will appear in these people's phones within fifteen minutes. The choice is in your hands.]

F clenched his fists tightly.

QS actually dared to threaten him?

F was extremely against apologizing to the Chinese, but this time, he did not dare to refuse.

If those people knew, his ending would definitely be very bad.

..

Time passed by minute by minute.

F's hands were tightly clenched, his fingertips turning white.

Compared to F's restlessness, Qin Sheng slowly picked up a cup of tea on the table and sipped it carefully.

She was certain that F would apologize. He had no choice.

However, even if he apologized, F would not end up well because F's identity had already been exposed in Black Emperor. It was likely that many people would spread this news.

When the time came, those people that F had offended would naturally know.

It was only a matter of time.

At the last minute, Qin Sheng raised her eyebrows. "It's time. Have you made your decision?"

Qin Sheng's words were not aggressive. Instead, they forced F's face to turn pale.

Qin Sheng's fingertips lightly tapped on the table.

She was waiting for F to apologize.

At the last moment, F announced the news in the world.

F: [I, He Tianqing, am officially sorry to all the Chinese people in Black Emperor today. I should not have insulted you or looked down on you. You are very strong. You are not trash. I am. I will fulfill my promise. From tomorrow onwards, I will get out of Black Emperor. I will not take another step into Black Emperor.]

Chapter 747: Was Devoted To Qin Sheng

After F apologized, he ran over and messaged Qin Sheng.

F: [I have apologized as promised. QS, don't forget what you said.]

Qin Sheng replied very quickly, [Don't worry. After all, not everyone will be as untrustworthy as you.]

F was relieved.

He quit Black Emperor because he did not dare to look at the news of Black Emperor mocking him.

F didn't dare to waste time. He booked a plane ticket online and prepared to return to China.

No matter how long those people's hands were, they wouldn't reach China. He could hide in China and he already had enough money on him.

With this money, even if he stopped being a hacker, he could still live a good life in the future.

F was also clear that his identity and information had been exposed in the underworld. Those people would find him sooner or later.

The reason he agreed to apologize to Qin Sheng was to buy time for him to leave.

F was afraid of going to jail.

However, even so, F could not leave.

In the morning, he took his luggage out and wanted to go to the airport.

Just as he went to the garage to get his car, two policemen appeared. F subconsciously wanted to escape, but the two policemen held onto his shoulders and could not break free.

Pa! The luggage fell to the ground.

F's face turned pale as he asked, "Why did you arrest me?"

He had already guessed the reason, but F still could not help but ask.

One of the policemen answered expressionlessly, "You hacked into someone else's computer and caused the data to be leaked. We are to bring you back for interrogation. If the situation is true, not only will you have to stay in prison for more than five years, all of your assets will also be seized."

F struggled and shouted loudly, "You can't seize my assets!"

After he got out, he had to count on this little money to live.

He only knew how to hack, but after the incident with Black Emperor, the hacker world could no longer tolerate him.

He could no longer rely on this to make money.

He was used to a rich and noble life, and he did not want to live those miserable days.

"Take him back."

The police officer pushed F into the police car.

F was destined to have a hard time. He had offended many people, including many powerful people.

He was tortured every day in prison.

After he got out of prison, under the deliberate design of those people, F couldn't find a good job. He could only work hard and be tired every day, and there wasn't much salary.

He wanted to return to China, but those people also restricted his scope of action.

F regretted it countless times. He shouldn't have gone to Black Emperor to provoke them.

—

Early the next morning, Xie Hen appeared at the medical major's teaching building.

After Fang Ke sent his girlfriend off, on the way back, he subconsciously looked at the spot where Xie Hen had stayed the day before.

Sure enough, he saw Xie Hen leaning against the tree again.

Fang Ke walked over. "Xie Hen, are you waiting for Campus Belle Qin again?"

Xie Hen glanced at him and stood up straight.

He didn't hide anything and replied calmly, "Yes."

Fang Ke staggered. "No, are you really so devoted to Campus Belle Qin?"

“Weren’t you the one who asked me to pursue her?” Xie Hen asked back.

Furthermore, he didn’t reject Qin Sheng. Instead, he wanted to be close to her. Thus, Xie Hen followed his heart.

If Qin Sheng was his girlfriend, this would feel pretty good.

Hearing this, Fang Ke choked.

He had no way to refute this.

Fang Ke sensed something was wrong.

If Xie Hen really wanted to fulfill their request, there was no need for him to come to Qin Sheng so early.

Chapter 748: He Was Destined To Suffer

Xie Hen’s behavior was very similar to how he had reacted when he had taken a liking to Xiao Die.

This Xiao Die was naturally Fang Ke’s girlfriend.

Xie Hen was usually a lazy person and would often go to class on time.

He would never wake up so early.

Fang Ke’s intuition told him that Xie Hen was very different from Qin Sheng.

He frowned. “Xie Hen, as your good brother, I hope that you won’t let yourself get too deep into it so that you won’t be sad.”

Xie Hen frowned.

Fang Ke explained, “Campus Belle Qin, she shouldn’t be so easily caught up to.”

Xie Hen asked confidently, “I can’t either?”

As long as Qin Sheng didn’t have a boyfriend, he would have a chance.

It wasn’t that he was narcissistic. His looks, talent, and family background weren’t something that people his age could compare to.

Even if she had a boyfriend, he would still be able to steal her away.

Fang Ke’s brows were tightly knitted together. “Xie Hen, I know that you have good qualities and many girls in school like you, but...”

Fang Ke stopped and did not continue.

Xie Hen glanced at him and asked, “But what?”

Fang Ke hesitated for a moment before answering, “I have a very strong intuition that you will never be able to catch up to her. If you completely fall in love with Qin Sheng, it will definitely be very painful.”

Xie Hen did not think much of it. "Fang Ke, everything depends on man."

He ignored the discomfort in his heart.

At this time, there were still five minutes left for class.

Xie Hen had classes in the morning, so he did not stay any longer.

Fang Ke remained where he was. His tightly knitted brows did not relax for a long time.

Hopefully, he was thinking too much.

—

Lin Family.

Old Master Lin was sitting on the sofa. He was watching television.

Suddenly, Old Master Lin furrowed his brows. Feeling frustrated, he took the remote control and turned off the television.

Leaning against the sofa, he rubbed his forehead in annoyance.

He despised himself. Wasn't she just Lin Shuya's daughter? What was there to be troubled about?

Lin Shuya had long broken off relations with the Lin family.

Naturally, her daughter had nothing to do with the Lin family anymore.

Lin Haocheng came back in the afternoon.

"Grandpa."

Lin Haocheng started to shout loudly at the door.

Old Master Lin pressed his index finger on his temple and scolded, "Why are you making such a fuss? What do you sound like?"

His tone was very disdainful. "You're back. What's the matter?"

Lin Haocheng sat beside Old Master Lin and was very speechless. "Grandpa, why did you say that? Do I have to come back only if there's something?"

Old Master Lin was expressionless. "If there's nothing else, you can leave now."

"No, no, no." Lin Haocheng raised his hands in surrender. "I do have something."

"Speak!"

Lin Haocheng said very carefully, "Grandpa, it's about Qin Sheng. The one I said that I wanted to acknowledge my younger sister."

Lin Haocheng did not forget.

Last time, when he mentioned Qin Sheng, Old Master Lin's face was dark.

Even so, Lin Haocheng was still unwilling to give up the idea of acknowledging Qin Sheng as his sister.

After all, he had never met a girl as desirable as Qin Sheng.

Old Master Lin picked up a cup of tea. "Is there a problem?"

Lin Haocheng sat very straight. "Of course there's a problem. Grandpa, I feel that you don't like Sheng Sheng. It must be because you don't know her well enough."

Old Master Lin frowned. "You've only met her two or three times and you already know her well?"

Lin Haocheng choked.

He didn't know how to answer for a moment.

Soon, he found a reason. "Intuition. Besides, how can Fu Hanchuan's girlfriend not be good?"

Chapter 749: Qin Sheng's Experience

Old Master Lin glanced at him but didn't say anything.

Lin Haocheng took out his phone and showed Old Master Lin the information he had gathered.

"Grandpa, look, Sheng Sheng is so outstanding. She will definitely be worthy of our family, the college entrance examination champion and the National High School Mathematics Competition champion."

Lin Haocheng's tone was full of pride.

Old Master Lin took a quick look and returned the phone to Lin Haocheng. Lin Haocheng's information could be found on the internet.

Old Master Lin had been at home for the past few days, often using his phone to look up information about Qin Sheng.

He had even downloaded the forum of H City High School.

He had also seen some gossip, including some posts that guessed the relationship between Qin Sheng and Qin Churou.

Lin Haocheng held his phone with a puzzled look on his face.

Was his grandfather not moved at all?

Where could he find a good-looking granddaughter with good grades?

"Grandpa, don't you like Sheng Sheng?" Lin Haocheng was curious. "What did Sheng Sheng do to offend you? She made you have a problem with her at first sight."

Old Master Lin denied it. "Who said I don't like her?"

Lin Haocheng frowned. "If you didn't like her, why didn't you even want to look at her information just now?"

Old Master Lin blurted out, "I've looked through all the information you've found."

As soon as he said that, Old Master Lin understood that he had said something wrong. He could only snort coldly and did not say anything else.

He was thinking in his heart, hoping that Lin Haocheng did not hear clearly.

However, Lin Haocheng's ears were very sharp.

When he heard this, his eyes widened. He could not believe it. He did not hear wrongly, right? No way.

His grandfather had actually secretly looked up Qin Sheng's information!

It was not that his grandfather did not like Qin Sheng, it was that he was arrogant and did not admit it.

Lin Haocheng smiled and narrowed his eyes. He sat closer to Old Master Lin. "Grandpa, are you going to inspect Sheng Sheng for a period of time?"

Old Master Lin felt uncomfortable all over.

He kept feeling that Lin Haocheng had seen through his thoughts.

"Lin Haocheng, aren't you busy? Why aren't you leaving?"

Lin Haocheng shook his head. "No, no. I'm taking a break at noon today. I'll start work at 3 in the afternoon. It's still early."

His gaze fell on Old Master Lin. "Grandpa, since you like Sheng Sheng, then lure her back. If it's too late, it'll be too late, not only will someone take her as a granddaughter first, even that big bad wolf Fu Hanchuan is eyeing her like a tiger. If you hesitate any longer, Sheng Sheng will belong to someone else."

Old Master Lin frowned.

Suddenly, his phone rang. Old Master Lin picked it up. It was his subordinate's number.

He wanted to pick it up, but he glanced at Lin Haocheng.

He took the phone and went outside. Lin Haocheng had a hunch that something was wrong, so he quietly followed.

He hid by the door and listened to Old Master Lin's call.

On the phone, the subordinate reported, "I've found out Qin Sheng's background."

"Speak," Old Master Lin ordered.

Thus, the subordinate told him everything he had found out about Qin Sheng's background.

He investigated very carefully.

Qin Sheng was abused in the Feng family and went out to work alone to earn tuition and living expenses.

In the second semester of her third year of high school, she was brought back to the Qin family. After she returned, Qin Hai and Lin Shuya treated Qin Sheng very badly. Her food and clothing couldn't compare to Qin Churou's adopted daughter.

Later on, in order to obtain the investment of Feng Entertainment, Qin Hai cut off his relationship with Qin Sheng.

It also included some of Qin Sheng's academic achievements.

After hearing the words of his subordinate, Old Master Lin fell silent.

"Anything else?"

Chapter 750: Severed Ties

The subordinate replied respectfully, "So far, this is all we've found."

Old Master Lin hung up the phone.

Lin Haocheng appeared in front of Old Master Lin. He did not hear what the subordinate said, and Old Master Lin only said a few words.

He was very puzzled. "Grandpa, what problem are you discussing?"

Lin Haocheng had a hunch that Old Master Lin's call was related to Qin Sheng.

Old Master Lin did not say anything. He returned to the sofa and sat down.

The living room was very quiet. Even the sound of a needle falling could be heard clearly.

Lin Haocheng felt uncomfortable all over. He could not help but ask, "Grandpa, quickly tell me what happened."

After a long silence, Old Master Lin finally spoke. "Haocheng, actually, in our family, besides your father, we have another daughter. She is your father's sister. You were young, so you don't know."

Lin Haocheng was confused. "Where is she?"

Old Master Lin's expression couldn't be seen clearly. "She severed her relationship with the Lin family."

"Why?" Lin Haocheng was even more puzzled. It could be seen that Old Master Lin liked his daughter and granddaughter very much. How could they sever their relationship?

Old Master Lin was silent. He didn't answer Lin Haocheng.

Instead, he said, "Lin Shuya will never be a member of the Lin family in the future. You don't have to know about her."

Lin Haocheng shut his mouth.

There must be a secret behind this. Lin Shuya must have done something unforgivable.

Old Master Lin: "Qin Sheng is Lin Shuya's only biological daughter."

"What?" Lin Haocheng could not believe it. "What a coincidence?"

The sister that he wanted to acknowledge at first sight was really his biological cousin?

What a coincidence?

Lin Haocheng finally understood why he had the urge to acknowledge Qin Sheng as his sister when he first saw her.

However, he saw how much Old Master Lin hated Lin Shuya.

Lin Haocheng felt that it would be difficult for Qin Sheng to return to the Qin family.

Old Master Lin's gaze was distant. "I didn't like Qin Sheng because she had a relationship with Lin Shuya, and Lin Shuya had broken off her relationship with the Lin family..."

Lin Haocheng felt that he could still save her. "Grandpa, Sheng Sheng, she shouldn't be Lin Shuya's kind of person. We can recognize her back. Besides, my parents gave birth to two brats. Can't we have a goddaughter?"

Lin Haocheng liked Qin Sheng very much and wanted her to be his sister.

He didn't want to give up just like that.

Old Master Lin squeezed his hands. "Qin Sheng has already severed her relationship with the Qin family."

Lin Haocheng, who was drinking a cup of tea, spat out a mouthful of water when he heard Old Master Lin's words.

"D*mn, severed, severed her relationship? So explosive! No wonder Sheng Sheng moved into Fu Garden."

Then, Lin Haocheng frowned with heartache. "The Qin family must have done something to Sheng Sheng to make Sheng Sheng break off her relationship with them."

Old Master Lin's expression was solemn. "To be precise, the Qin family sold off Qin Sheng."

Sold?

Lin Haocheng widened his eyes. "What's going on?"

Old Master Lin told him what had happened.

Lin Haocheng stood up abruptly and was furious. "F*ck, is he even human? He actually dared to sell his own daughter? Also, doesn't he have an adopted daughter? Selling his own daughter and leaving an adopted daughter behind, is there something wrong with his brain?"

He paced back and forth in the living room.

The more he thought about it, the angrier he got.

He kept scolding Lin Shuya and Qin Hai.
