

## Bigshot 751

### Chapter 751: Brought Her Home

Suddenly, he stopped in his tracks and came to a sudden realization. "Sheng Sheng has severed ties with the Qin family. This is a good thing. Since they would sell Sheng Sheng, even though they brought Sheng Sheng back, they must have treated her badly. Sheng Sheng has left the Qin family. In this way, isn't Sheng Sheng liberated?"

Lin Haocheng's words made sense.

He sat back beside Old Master Lin. "Grandpa, since Sheng Sheng has broken off her relationship with the Qin family, can we recognize her?"

Old Master Lin did not say a word.

Lin Haocheng could not understand Old Master Lin's thoughts. He advised, "Sheng Sheng is already pitiful enough. She was abused by her adoptive parents when she was young. Now that she is finally brought back, her biological parents favor her adoptive daughter. They even sold her out for their own benefit."

Lin Haocheng's heart was throbbing with pain.

He didn't know how much pain Qin Sheng had been in?

She was so weak and small, yet she had endured so much!

Seeing that Old Master Lin was not moved, he continued to advise, "Grandpa, we will give her the kinship that Qin Hai and Lin Shuya cannot give. With my father, brother, and you, it is enough. We can spoil Sheng Sheng into a little princess."

Lin Haocheng did not mention Mother Lin.

Mother Lin was also a muddle-headed person who valued sons over daughters. He was worried that when Qin Sheng returned, Mother Lin would make things difficult and target Qin Sheng.

Old Master Lin hesitated and wanted to agree to Lin Haocheng's request, but he could not bring himself to say it.

Even if Qin Sheng and Lin Shuya broke off their relationship, they were still blood-related mother and daughter.

What Lin Shuya had done back then was truly unforgivable to Old Master Lin.

Otherwise, Old Master Lin would not have driven his daughter, whom he had doted on for many years, out of the Qin family.

If he let Qin Sheng return to the Qin family, he would remember Lin Shuya.

He would also not be able to get over that hurdle in his heart.

Old Master Lin still did not agree to it, but Lin Haocheng could not help but want to go over and tell Qin Sheng that she was his sister, his biological cousin.

Lin Haocheng stood up. "Grandpa, I'm going over to look for Sheng Sheng. If you don't want to acknowledge her, it's fine. I'll do it. Sheng Sheng can have me as her big brother, but you can forget about it."

He strode towards the door.

"Wait."

Old Master Lin stopped Lin Haocheng.

Lin Haocheng stopped and raised his eyebrows. He knew that his grandfather would call him.

Qin Sheng was so obedient and cute.

His grandfather would definitely like her very much.

He did not agree just now, but he must be feeling uncomfortable in his heart.

Old Master Lin said from behind Lin Haocheng, "Bring her home. Letting a Lin family member suffer outside, our Lin family cannot do such a thing."

Lin Haocheng retorted confidently, "Sheng Sheng is not suffering now. Fu Hanchuan is cooking at home, cleaning, and spoiling Sheng Sheng like he's a dog. How can she suffer?"

At the mention of Fu Hanchuan, Lin Haocheng's heart was filled with anxiety.

His own sister had actually been abducted by Fu Hanchuan, this big bad wolf.

He had not even acknowledged her yet!

Lin Haocheng gritted his teeth, his heart aching.

Fu Hanchuan had actually taken the initiative to do something that her brother had not done.

He had to take care of his sister.

Hearing Lin Haocheng's words, Old Master Lin's brows were knitted tightly together. "Fu Hanchuan cannot give some things that the Lin family can."

Old Master Lin had always admired Fu Hanchuan.

But at this moment, he suddenly felt that Fu Hanchuan was not pleasing to the eye.

Lin Haocheng smiled and nodded. "Understood!"

## **Chapter 752: Sheng Sheng Is My Younger Sister**

Lin Haocheng came to the door and said, "Wait for my good news."

He closed the living room door.

In the car, he kept urging the driver, "Drive faster. I want to go and find Sheng Sheng and acknowledge her as my younger sister."

It was already 2:30 pm.

Lin Haocheng's manager, Yan Feng, called Lin Haocheng. "Are you up? Pack your things and hurry to the filming location."

Fu Hanchuan specially had his subordinates tailor-make a commercial for Lin Haocheng.

It was usually more than an hour.

Because of Fu Hanchuan's instructions, the director's pursuit of advertising was perfect to the extreme. If there was anything wrong, he would have to start all over again.

A week had already passed, and only one-tenth of the commercial had been shot.

Lin Haocheng could see that Fu Hanchuan had really put in a lot of effort to torture him.

Also, he was rich and willful.

If it were any other time, Lin Haocheng would have packed his things and gone over when he heard his manager's words.

But at this moment, he sat leisurely in the car and said slowly, "I'm not going."

Yan Feng frowned. "Lin Haocheng, come over immediately. Aren't you afraid of Fu Hanchuan?"

Lin Haocheng said proudly, "What's there to be afraid of?"

He was Qin Sheng's brother.

If Fu Hanchuan wanted to continue being with Qin Sheng, wouldn't he have to suck up to him?

And he still dared to torture him?

Yan Feng's frown deepened. "Lin Haocheng, what are you trying to do this time? Let me tell you, don't provoke Fu Hanchuan anymore."

"What can I do? Brother Feng, am I that kind of person?" Lin Haocheng was very dissatisfied.

Hearing that, Yan Feng sneered, "Aren't you? How long has it been? Have you offended Fu Hanchuan again?"

Lin Haocheng promised, "This time, even if I provoke him, he won't do anything to me. Also, don't worry, this commercial will be completed very soon."

After saying that, Lin Haocheng hung up the phone. "Uncle Lin, drive faster."

Yan Feng looked at the phone, the veins on his forehead throbbing.

He did not believe Lin Haocheng's words.

He had a feeling that Lin Haocheng would cause him trouble again.

—  
Lin Haocheng went straight to the villa. When he arrived, he rushed into the living room.

His voice was very loud. “Sheng Sheng, I’m here. Did you miss me?”

Fu Hanchuan was sitting in the living room, reading a business magazine in his hand.

Hearing Lin Haocheng’s voice, he raised his hand to look at his watch and frowned. “Lin Haocheng, aren’t you going to work?”

Lin Haocheng sat down on the sofa. “What work? I’m not going to work!”

With that, he scanned the living room. “Where’s Sheng Sheng?”

Fu Hanchuan’s gaze returned to the magazine and answered casually, “She’s at school and hasn’t come back yet.”

Lin Haocheng smacked his head in disgust. “I’m really stupid. Today is a working day and Sheng Sheng has to go to class. If I had known earlier, I would have gone straight to school to look for her.”

“Looking for Sheng Sheng? What’s the matter?” Fu Hanchuan asked casually.

Lin Haocheng took out his phone and looked at the time. It was still early, not even 3 o’clock.

Qin Sheng should be at school.

Even if he went to school, he would not be able to see her.

He could now have a good chat with Fu Hanchuan about the award ceremony.

Therefore, Lin Haocheng rested his hands on the back of his head. When facing Fu Hanchuan, it was the first time he was confident and did not cower.

“Fu Hanchuan, if you dare to order me around in the future and arrange those jobs for me, I won’t let Sheng Sheng be with you anymore.”

Fu Hanchuan closed the magazine and raised his eyebrows.

He was waiting for Lin Haocheng to continue.

Lin Haocheng sat up straight. “Fu Hanchuan, Sheng Sheng is my sister.”

### **Chapter 753: They Will Break Up**

Fu Hanchuan glanced at him. “Sheng Sheng didn’t agree.”

Lin Haocheng said with a smile, “I, Lin Haocheng, don’t fancy godsisters. If I want one, they have to be a real one!”

Fu Hanchuan was stunned for a moment. Although Lin Haocheng was a little unreliable, he never lied.

Could it be that Sheng Sheng was really Lin Haocheng’s sister?

Lin Shuya was also surnamed Lin.

Fu Hanchuan figured out the reason behind it and his brows furrowed fiercely.

Lin Haocheng continued, "Fu Hanchuan, Qin Sheng's mother is my aunt. Even if Sheng Sheng broke off relations with the Qin family, she did not break off relations with the Lin family. Even if you are married to Sheng Sheng, you have to call me brother."

Fu Hanchuan narrowed his eyes dangerously. "Anything else?"

Lin Haocheng cowered for a moment. Then, he remembered that he was Qin Sheng's brother. What was there to be afraid of?

He straightened his back and snorted coldly. "Fu Hanchuan, if you want to be with Sheng Sheng, you have to go through me. So, in the future, you have to please me."

Of course, even if Fu Hanchuan tried to please him, he would not agree to Fu Hanchuan being together with Qin Sheng so early.

He thought about how Fu Hanchuan, the big bad wolf, had set his eyes on Qin Sheng before she even returned to the Lin family, and even kidnapped her as he wished.

Lin Haocheng couldn't help but grind his teeth.

He looked at Fu Hanchuan with hostility in his eyes.

Fu Hanchuan sneered. "Curry favor?"

"Yes." Lin Haocheng raised his chin. "So, help me shorten the process of the commercial that I'm shooting now. Also, pay for the endorsement fee that you used me as free labor."

Fu Hanchuan opened the magazine again. "Lin Haocheng, you missed work today. You don't have to rest this weekend."

"You!!" Lin Haocheng was furious.

He poured himself a cup of tea and barely suppressed the anger in his heart.

"Fu Hanchuan, aren't you afraid that I'll stop you from being with Sheng Sheng?"

Fu Hanchuan curled his lips. "You can't stop her. Sheng Sheng is close to me. In her heart, I'm more important than your Lin family."

Lin Haocheng: "..."

The confidence in his heart was inexplicably reduced by half.

Qin Sheng was indeed closer to Fu Hanchuan.

However, Lin Haocheng was unwilling to admit it. He gritted his teeth. "I'm Sheng Sheng's family. It's fine to dump her boyfriend, but can you do that to a family member?"

Fu Hanchuan: "Sheng Sheng has severed her relationship with the Qin family."

In other words, Qin Sheng could also ignore the Lin family.

Lin Haocheng: "..."

His expression was ugly, but he could not say a word to refute it.

The Qin family did not treat Qin Sheng well.

As for the Lin family, they had not contacted Qin Sheng in the past eighteen years.

Now, Qin Sheng also had Fu Hanchuan.

Fu Hanchuan had taken care of Qin Sheng meticulously and considerately. Even Lin Haocheng had to admit that very few men could do what Fu Hanchuan did.

The Lin family did not give much to Qin Sheng.

Qin Sheng could indeed kick out the Lin family.

Fu Hanchuan flipped through a magazine. "Lin Haocheng, speaking of which, you still need my help to recognize Sheng Sheng."

Lin Haocheng gritted his teeth, "Fu Hanchuan, don't think that just because you are close to Sheng Sheng, you can be arrogant! I have to tell you, everything is unknown. Moreover, didn't you only know Sheng Sheng for half a year? In this half a year, will your relationship with Sheng Sheng still be very strong? Who knows when you will break up."

When he said this, Lin Haocheng felt very uncomfortable.

They had only known each other for half a year and they were already together, and they even lived together.

Should he say that Fu Hanchuan was too scheming, or should he say that Qin Sheng was not reserved?

#### **Chapter 754: You Are the Most Handsome**

Of course, Lin Haocheng would not think that it was because of Qin Sheng.

It must be because Fu Hanchuan was scheming and had his ways.

Fu Hanchuan's expression was serious. "Lin Haocheng, I'm afraid you'll be disappointed. Sheng Sheng and I will never be separated."

His eyes were filled with danger.

Even his body was emitting a chill.

Lin Haocheng touched his arm. It was very cold.

He muttered unhappily, "Who knows what will happen in the future?"

Fu Hanchuan closed the magazine and threw it on the coffee table.

Lin Haocheng's body trembled subconsciously. He looked at Fu Hanchuan warily. "What do you want? Fu Hanchuan, I have to tell you that I am Sheng Sheng's brother. If you dare to do anything to me, she will definitely not let you off."

It had to be said that Lin Haocheng's personality was as funny as Lu Ming's.

Fu Hanchuan rubbed the space between his brows with a headache. "Lin Haocheng, the Feng family and the Qin family have done things to Sheng Sheng. I think you know very well that she doesn't dare to believe in family love now and is very resistant. I won't stop you from recognizing her, but you have to consider her feelings."

1

Fu Hanchuan also hoped that Qin Sheng could enjoy the love of her family.

Although Qin Sheng didn't say it, Fu Hanchuan could also notice that she yearned for family love. When Lu Ming, Old Master Lu, Father, and Mother Lu were together, Fu Hanchuan saw the envious look on Qin Sheng's face.

He didn't want to see Qin Sheng envy others.

Qin Sheng should be envied by others.

Hearing this, Lin Haocheng withdrew his careless behavior.

He also frowned. "I will, definitely."

Fu Hanchuan said again, "Lin Haocheng, if your Lin family dares to treat Sheng Sheng badly, I can also bring them away from your Lin family at any time."

Lin Haocheng promised, "This will definitely not happen. Even if you don't say it, we will do the same."

Fu Hanchuan nodded. He looked at the time and said, "Sheng Sheng's classes will end at 4:10 pm. Go and pick her up."

The curriculum of Imperial Capital University was very tight.

However, at night, it was the students' free time. They would not arrange any classes for the students.

Therefore, the students of the university would usually end their classes at 4:30 pm or 6:15 pm.

Hearing this, Lin Haocheng was excited. "Okay, I promise to complete the task."

Fu Hanchuan's gaze fell on Lin Haocheng. His attire was very simple and stylish. He wore a white t-shirt and a pair of black casual pants. He also wore a necklace around his neck.

Lin Haocheng was very famous.

If he walked out, he would be easily recognized.

Fu Hanchuan frowned. "Don't let anyone recognize you. Sheng Sheng doesn't like trouble."

If Qin Sheng and Lin Haocheng were found to have a relationship, many of Lin Haocheng's fans would come looking for Qin Sheng.

Lin Haocheng understood. "I'm the best at disguising."

Even so, Lin Haocheng felt that it was a pity.

He could not put on the most handsome smile to welcome Qin Sheng.

Before it was time, Lin Haocheng had already arrived at Imperial Capital University early. There were still fifteen minutes left before class ended.

He looked outside the car nervously. His palms were sweating profusely.

From time to time, he would ask the driver, "Uncle Li, am I handsome enough today? Is this look okay?"

"Tell me, how will Sheng Sheng react when she sees me? Will she feel a special surprise?"

"Who's more handsome? Me or Fu Hanchuan?"

The chauffeur was speechless.

He answered Lin Haocheng perfunctorily, "Young Master, you're the most handsome. You're even more handsome than Fu Hanchuan. You're also dressed perfectly today. Miss Qin will definitely be very happy to see you."

#### **Chapter 755: Shen Jiayue Secretly Takes a Photo**

Lin Haocheng did not realize that the driver was just dealing with him perfunctorily.

He had a face full of joy. "I told you, how can Fu Hanchuan compare to me? If I wasn't Sheng Sheng's brother, I would definitely be able to poach Fu Hanchuan's corner."

The driver was silent and did not say anything.

At 4:10, Qin Sheng arrived on time at the location that she and Fu Hanchuan had agreed on.

She didn't see Fu Hanchuan's car.

Fu Hanchuan was always on time.

Qin Sheng frowned slightly. At this moment, QQ's notification rang. Qin Sheng had set up a special notification for Fu Hanchuan. Qin Sheng knew that Fu Hanchuan was looking for her.

She turned on her phone.

[Brother Fu: Sheng Sheng, today, Haocheng will pick you up. ]

Qin Sheng replied with a [Okay.]

In the car, Lin Haocheng, who had been dawdling, tidied up his hair and clothes for a while. He asked the driver countless times, "Uncle Li, are my clothes cool? Is there anything wrong with them?"

The driver was very impatient with Lin Haocheng's pestering.

He answered patiently, "Young Master, your outfit is perfect. Miss Qin will also like it when she sees it."

Lin Haocheng was satisfied.

Qin Sheng also came over for a while. Lin Haocheng did not want Qin Sheng to continue waiting like this.

He finally let the driver go.

After getting out of the car, he specially put on a mask to be safe.

He leaned against the car and made a pose that he thought was very handsome. He winked at Qin Sheng. "Sheng Sheng, I've come to pick you up."

Qin Sheng could not help but chuckle. Her eyebrows were slightly curved.

When Lin Haocheng saw this, his heart itched.

So cute. He wanted to rub Qin Sheng's head.

Lin Haocheng controlled his thoughts. He stood up straight and opened the car door. Very gentlemanly, he said, "Sheng Sheng, come in."

Qin Sheng nodded. "Okay."

She sat in the back seat of the car.

Lin Haocheng also went to the other side of the car and sat in it.

He was very nervous and did not know what to say to Qin Sheng. He could only tell the driver, "Uncle Li, drive."

The car slowly drove away.

Shen Jiayue walked out from behind the tree with her phone in her hand.

She looked at the photo that she had just taken. This photo was the action of Lin Haocheng opening the car door to protect Qin Sheng. From the angle that Shen Jiayue took the photo, the two of them looked very intimate.

Shen Jiayue curled her lips mockingly. She did not expect Qin Sheng to be kept by a man, and now there was another one.

She did not know how many men there were behind Qin Sheng.

As expected, she was a seductive woman who seduced people based on her looks!

On the surface, she looked aloof, but behind their backs, she was somehow so promiscuous.

Lin Haocheng was a person who liked to be high-profile. The car he sat in was worth tens of millions.

Shen Jiayue recognized the brand of this car. The owner of this car must be a very rich person.

Hence, Shen Jiayue watched from afar.

She did not expect to meet Qin Sheng.

That man looked very young. Moreover, seeing him make a move on Qin Sheng, Shen Jiayue felt that their relationship was not simple.

Shen Jiayue did not think that they were friends.

And her first reaction was that Qin Sheng was being kept by Lin Haocheng.

Shen Jiayue's face showed a trace of distortion.

One day, she would destroy Qin Sheng's reputation.

Heh, Qin Sheng was the only top scorer with full marks in the college entrance examination, so what?

She did not believe that the university would protect her even if they knew Qin Sheng's character.

Imperial Capital University paid more attention to the students' character. If their character was not good, no matter how good their grades were, they would still be expelled.

Without hesitation, Shen Jiayue went directly to Zhao Xiang and showed her the photo.

#### **Chapter 756: Did Not Care About This Brother of His**

Shen Jiayue said disdainfully, "Xiang Xiang, I told you, Qin Sheng is not a good person. Look, one sent her to school before, and now there's another man. She must be kept by many men, and not just one."

Zhao Xiang looked at Lin Haocheng's picture and felt that he was very familiar, but she did not think too much about it.

She also sneered, "Qin Sheng can only use that face to confuse others."

Shen Jiayue's tone was very sour. "Yes, Qin Sheng's face. I have to say, if a man saw it, he would probably be moved."

Shen Jiayue was not only jealous of Qin Sheng's appearance, but she was also very jealous of the many outstanding men on Qin Sheng's list.

"Beauty is something that will disappear when you get old," Zhao Xiang sneered.

"Yes, yes, yes." Shen Jiayue nodded. "Then, Xiang Xiang, should we expose Qin Sheng? I believe that with this photo, many people will be able to see Qin Sheng's true colors."

Zhao Xiang curled her lips sinisterly. "There's no rush. Let's leave the photo for now. When the time comes, I will naturally expose it."

Shen Jiayue agreed. "Okay."

—

In the car.

Qin Sheng was sitting next to Lin Haocheng. The two of them were three fists apart.

Lin Haocheng was very nervous. Even his palms were sweating.

He would look at Qin Sheng from time to time, wanting to say something but stopping.

Qin Sheng was resting with her eyes closed.

She opened her eyes and frowned slightly. "What's the matter?"

It was obvious that Lin Haocheng had been caught looking at Qin Sheng.

He clenched his fist and placed it by his lips. He coughed lightly to cover up his awkwardness.

"Sheng Sheng, about that." Lin Haocheng hesitated for a moment before saying, "Sheng Sheng, do you want a brother?"

Qin Sheng frowned. "You?"

Lin Haocheng nodded and looked at Qin Sheng expectantly. "How am I? I will definitely dote on my sister."

Qin Sheng closed her eyes and spat out the words on her red lips. "Not interested."

Lin Haocheng: "..."

Don't reject him so completely!

It pierced his heart.

Lin Haocheng was unwilling to give up. "Sheng Sheng, you don't want godbrother, but you do want your biological brother, right?"

Qin Sheng did not open her eyes. "I don't need him. Besides, you're not either."

Lin Haocheng choked for a moment.

He was still struggling. "I have a lot of money and am handsome. I also know how to cook. I like my little sister very much. If you let me be your big brother, I definitely won't be at a disadvantage."

Of course, he did not know how to cook.

However, every time he saw Fu Hanchuan, it was Fu Hanchuan who cooked dinner for Qin Sheng. It was also possible that Fu Hanchuan relied on his good cooking skills to successfully make Qin Sheng his girlfriend.

Yes, he could learn cooking skills to make Qin Sheng happy.

Qin Sheng did not say anything. It was obvious that Lin Haocheng was rejected by her.

Lin Haocheng sat in the car dejectedly, feeling very powerless.

It was over. His sister did not want her brother.

However, even if Qin Sheng did not want him, he still wanted her. After all, they were blood-related cousins.

Qin Sheng could not deny this.

Lin Haocheng said very carefully, “Sheng Sheng, have you ever thought of looking for your grandfather’s family?”

Qin Sheng’s heart trembled. She opened her eyes. “They have nothing to do with me. I don’t need to look for them.”

She didn’t need any family.

Qin Sheng wasn’t sure if Lin Shuya had any family. She hadn’t heard her mention it before.

She had never seen this so-called grandfather’s family in her previous life.

Naturally, she had no need to look for them.

To Qin Sheng, they were just strangers.

### **Chapter 757: She Did Not Need Family Ties**

When Lin Haocheng heard Qin Sheng say this, he shut up.

In his heart, he was thinking about how to get Qin Sheng to agree to return to the Lin family.

Difficult!

Could it be that he could only ask Fu Hanchuan for help?

Qin Sheng leaned against her seat and closed her eyes again.

In the villa, Fu Hanchuan had also prepared dinner and was waiting for Qin Sheng.

That night, Fu Hanchuan very rarely asked Lin Haocheng to stay for dinner.

However, Lin Haocheng’s mind was not on the food Fu Hanchuan cooked. He ate it without taste.

He kept winking at Fu Hanchuan.

He wanted Fu Hanchuan to help him talk about that matter and persuade Qin Sheng.

However, Fu Hanchuan only cared about peeling shrimp for Qin Sheng and ignored Lin Haocheng.

Lin Haocheng was anxious, but even if Fu Hanchuan didn’t help him, he didn’t dare to do anything to Fu Hanchuan. After all, he still had something to ask Fu Hanchuan.

What if Fu Hanchuan was unhappy and said all kinds of bad things about him?

Then, it would be even more difficult to recognize a younger sister.

After Qin Sheng finished her dinner, she looked at Lin Haocheng and thought of what he had said in the car. She frowned and did not want to stay any longer.

She nodded. “Brother Fu, I’ll go back to my room first.”

“Sheng Sheng, wait,” Fu Hanchuan called out to Qin Sheng.

Qin Sheng must have sensed that something was wrong, which was why she had asked to go back to her room earlier.

She must be running away.

However, she had to face it eventually.

Fu Hanchuan took Qin Sheng's hand and wrapped it in his palm. He said in a low voice, "We have something to tell you."

Qin Sheng frowned.

They went to the sofa and sat down.

Fu Hanchuan looked at Lin Haocheng. "Go ahead."

Lin Haocheng coughed and said nervously, "Sheng Sheng, actually, I wasn't joking when I told you in the car that I'm your biological brother."

Qin Sheng's heart trembled, and she was stunned on the spot.

Lin Haocheng said very carefully, "My grandfather's daughter is called Lin Shuya. Because she did some things, the Lin family broke off their relationship with her. They haven't contacted each other for almost twenty years."

Fu Hanchuan looked at Qin Sheng worriedly.

He couldn't see any strange emotions on Qin Sheng's face.

The calmer she was, the more worried Fu Hanchuan became.

"When I first met you, I wanted to recognize you as my sister. This feeling was very strong. Later, I took your photo and showed it to my grandfather. He sensed something was wrong, so he sent people to investigate and found out the truth."

Lin Haocheng did not hide anything and told her everything. "My grandfather initially did not want to acknowledge you. After all, you are Lin Shuya's daughter. However, when he found out that you had broken off your relationship with Lin Shuya, he arranged for me to come over and acknowledge you."

Qin Sheng said calmly, "So, you want me to return to the Lin family."

Lin Haocheng nodded. "Yes, we are all your family. Sheng Sheng, we will dote on you well. I will also dote on you to the heavens."

He scratched the back of his head. "I have wanted to have a sister for a long time, but I don't like other women. I like you very much."

Qin Sheng said mockingly, "But, I don't need family."

Lin Haocheng was stunned. He didn't expect Qin Sheng to say that.

He didn't know how to speak for a moment.

Fu Hanchuan gave Lin Haocheng a look and told him to leave.

Lin Haocheng could only stand up reluctantly. “Sheng Sheng, think about it carefully. Don’t worry. Our Lin family is not those heartless people like Qin Hai.”

Qin Sheng sat on the sofa in silence.

### **Chapter 758: Fu Hanchuan Was a Capitalist**

Fu Hanchuan hugged Qin Sheng’s shoulder and comforted her silently.

After a long time, Qin Sheng finally spoke with a hoarse voice, “Brother Fu, I don’t want to acknowledge them. I don’t need these ridiculous family ties.”

This time, Fu Hanchuan did not let Qin Sheng do whatever she wanted.

“Sheng Sheng, not everyone is like Lin Shuya and Qin Hai. Doesn’t Grandpa treat me very well?”

Qin Sheng fell silent.

Fu Hanchuan’s voice was very low. “Sheng Sheng, maybe you can give it a try. There’s no need to invest too much emotion. You deserve to enjoy this. If the Lin family dares to treat you badly, you can ignore them.”

Qin Sheng didn’t agree immediately.

“Brother Fu, I’ll think about it.”

Fu Hanchuan nodded. “Okay.”

Qin Sheng returned to her room.

Fu Hanchuan sat on the sofa with a solemn expression.

Actually, he hoped that he would be the only one by Qin Sheng’s side. No one would come and snatch her away from him.

However, Qin Sheng should be cared for by many people.

Fu Hanchuan knew that Qin Sheng had not walked out from the shadow of her past life.

—

Lin Haocheng returned to the Lin family.

Old Master Lin hesitated for a moment before asking, “Did you go look for her?”

Lin Haocheng changed into his slippers. “I did.”

“Then what did she say?” Old Master Lin asked again.

Lin Haocheng went to the sofa and sat down. “She didn’t agree.”

Old Master Lin frowned.

Lin Haocheng explained, "Grandpa, this is understandable. Sheng Sheng has gone through the Qin family and the Feng family. They all treat Sheng Sheng very badly. She must have psychological trauma. Moreover, we just found Sheng Sheng. To Sheng Sheng, we are just strangers. It won't be so easy to get her to acknowledge us immediately."

Old Master Lin listened to Lin Haocheng's words.

If it were him, he probably would not return to the Lin family immediately.

Qin Sheng was not the kind of person who was greedy for wealth. Naturally, she would not put the Lin family's assets in her eyes.

If she did not return to the Lin family, Qin Sheng would be fine.

Lin Haocheng narrowed his eyes. "Grandpa, at that time, you still despised Sheng Sheng. Now, it's Sheng Sheng's turn to despise you."

Old Master Lin glared at Lin Haocheng. "When did I ever despise her?"

He was just feeling uncomfortable in his heart. On the surface, he pretended not to care about Qin Sheng.

Lin Haocheng did not believe Old Master Lin's words. "Grandpa, you didn't like her at the beginning. Stop quibbling."

Old Master Lin choked for a while. He was too lazy to talk to Lin Haocheng.

—

The next day, Qin Sheng appeared in the dining room as if nothing had happened.

Qin Sheng and Fu Hanchuan had a tacit understanding and did not mention what happened last night.

Meanwhile, Lin Haocheng had called his manager to the shooting location of the commercial early in the morning.

Yan Feng sneered, "I told you not to provoke Fu Hanchuan. You even said that Fu Hanchuan wouldn't dare to deal with you in the future and would even shorten the shooting process of the commercial. I didn't see Fu Hanchuan show mercy to you."

Lin Haocheng was indignant. "Who knew that Fu Hanchuan didn't take my threat seriously and threatened me instead?"

Yan Feng said, "Lin Haocheng, get ready. You don't have a weekend anymore, and the shooting schedule is very tight. You don't even have time to rest."

"F\*ck!"

Lin Haocheng swore. "Fu Hanchuan is a capitalist, a big capitalist!"

He had planned to go over to Qin Sheng to cultivate his relationship with her in the next few days, but now it was all ruined.

When Qin Sheng was willing to be his sister, he would see how he would deal with him!

Yan Feng glanced at him. "Go get your makeup done and get ready for work."

### **Chapter 759: Privileges, No Need For An Interview**

Lin Haocheng sat in front of the makeup mirror.

In his heart, he was thinking that when Qin Sheng was willing to return to the Lin family, he would definitely send Qin Sheng to an entertainment company.

He wanted to go to Qin Sheng's company.

Fu Hanchuan would definitely not squeeze him like this.

—

Qin Sheng came to school after breakfast.

This morning at Imperial Capital University, the first-year students did not have classes. The students chose the clubs.

Qin Sheng stayed in the laboratory for more than three hours. When it was close to lunchtime, she came out and casually strolled around.

There were many clubs in Imperial Capital University.

The Student Union, and so on. In total, there were more than a hundred of them.

Qin Sheng was a popular figure in the school. The moment she appeared, she attracted the attention of many students.

They were very enthusiastic.

"Student Qin Sheng, come to our association. You don't need an interview to come in. The treatment will definitely be very good."

Qin Sheng's face was just a façade in the association.

If she went out to get sponsors, she would be able to get quite a lot without wasting too much effort.

Not to mention, Qin Sheng was the top scorer with full marks.

Why did she need an interview?

Those students were very unprincipled and made an exception for Qin Sheng.

Qin Sheng frowned and walked past those associations, ignoring them.

In the end, she stopped in front of the Painting Association.

A boy who was dozing off immediately woke up.

He stood up and gave a silly smile. "Campus Belle Qin, what's the matter?"

Qin Sheng's gaze landed on the registration form. "I want to register."

Hearing that, Wu Bin was stunned for a moment, unable to react.

Register? Sign up?

Qin Sheng's brows furrowed slightly. "Can't I sign up?"

"Yes." After he reacted, Wu Bin quickly nodded. He took out a pen and gave it to Qin Sheng. "After you fill in the registration form, you can join."

Wu Bin was the Vice President of the Painting Association, so he had the authority to do so.

Qin Sheng asked, "There's no need for an interview?"

"There's no need." Wu Bin's face flushed red. "Campus Belle Qin, you're a special case."

Qin Sheng was no longer conflicted.

It was good that there was no need for an interview. It saved her a lot of trouble.

After filling out the form, Qin Sheng went to have lunch.

A member of the Painting Association asked Wu Bin, "You agreed to let Campus Belle Qin in just like that? Aren't you going to ask her if she knows how to paint?"

Wu Bin finally remembered that he did not ask Qin Sheng how her painting and drawing was.

Wu Bin said nonchalantly, "No, but she should know how to do it. Otherwise, she wouldn't have signed up for our association."

Qin Sheng had not left for long.

Xie Hen also came over.

Wu Bin asked, "Campus Belle Xie, what are you doing?"

"I want to sign up too," Xie Hen said straightforwardly.

Wu Bin coughed a few times and tried to persuade him. "The students who sign up are usually freshmen. Look, you're already a junior."

Xie Hen said impatiently, "Is there such a rule?"

Indeed, there was no such rule.

Wu Bin could only use another reason. "Campus Belle Xie, do you know how to paint or draw?"

"If I don't know, then I can't enter?" Xie Hen asked with a frown.

Wu Bin nodded.

Xie Hen said without hesitation, "I know. I want to enter the Painting Association directly. There's no need for an interview."

Xie Hen's results were also very good.

His family background was not bad.

Wu Bin weighed the pros and cons in his heart. Qin Sheng was beautiful, and Xie Hen was also extremely handsome. The two of them could totally act as the face of the association.

Moreover, Xie Hen could also sponsor the association quite a lot.

It would not be a loss to let Xie Hen enter.

Wu Bin agreed to Xie Hen's request.

Xie Hen was satisfied. He quickly filled out the registration form. "That's it. After I enter, I will sponsor your association for 500,000 yuan."

### **Chapter 760: Xie Hen Also Entered the Association**

"Alright, thank you, Campus Belle."

A smile appeared on Wu Bin's face.

With this 500,000 yuan, the association would not need to attract sponsors for a long time.

As expected, he was rich and overbearing.

Many students were observing Qin Sheng and Xie Hen.

Once they left, they surrounded them.

"I want to sign up for the Painting Association."

"I want to join Campus Belle Qin as well."

"I can't believe that Senior Brother Xie will join an association one day. No, I want to join the same association as him."

In an instant, Wu Bin received a lot of application forms.

He had only prepared 120 sheets. The application forms were not enough.

He said apologetically, "I'm sorry, but our association is not recruiting anyone else for the time being."

Those students were very regretful and did not pester Wu Bin anymore.

In the morning, almost all the first-year students had filled out the application forms. Only the interview stage was left.

Ye Yutong returned to the Painting Association.

She was the president of the Painting Association.

Ye Yutong asked, "How many people have signed up for our association this year?"

"One hundred and twenty." A member of the association passed the application forms to Ye Yutong. "It's all here."

"There are so many?" Ye Yutong took it and flipped through it casually.

Suddenly, her gaze paused and her brows furrowed. "Qin Sheng?"

"Yes, it's Campus Belle Qin. Vice President Wu has already given Qin Sheng permission to enter the association directly without an interview. There's also Xie Hen. He joined the association without an interview."

Ye Yutong did not hear what the member of the association said at the end.

Her eyes darkened and the corners of her lips curled into a mocking smile.

Qin Sheng was qualified to enter the Painting Association?

Qin Sheng was good at her studies and was the top scorer in the college entrance examination. What kind of talent could she have in drawing?

Since she had entered her territory, she would teach Qin Sheng what she could and could not touch.

The association member asked doubtfully, "President, is there a problem?"

Ye Yutong returned the registration form to the association member. "No problem. Prepare for the interviews."

Qin Sheng did not know much about the Painting Association, so she did not know that Ye Yutong was the president of the Painting Association.

Of course, even if she knew, she would still enter the association.

Qin Sheng did not like trouble, but she was not afraid of trouble when faced with someone like Ye Yutong who coveted Fu Hanchuan.

After Qin Sheng finished eating, she picked a seat by the window and sat down.

Xie Hen had also specially come to look for Qin Sheng.

He directly sat down across from Qin Sheng, afraid that Qin Sheng would forget him. Xie Hen reminded her, "Qin Sheng, I am Xie Hen, the person who went to the stock exchange with you the last time."

Qin Sheng nodded lightly. "En."

Xie Hen found a topic to talk about. "I saw you enter the Painting Association. Coincidentally, I am also in the Painting Association."

Of course, Xie Hen wouldn't say that he had just entered the Painting Association.

He was worried that Qin Sheng would think that he had ulterior motives.

Qin Sheng's beautiful brows furrowed slightly. "Xie Hen, you've been looking for me time and time again. What's your purpose?"

Xie Hen said, "I want to be friends with you. I find you very pleasing to the eye. Having a female friend should be a very good experience."

Xie Hen was thinking of getting closer to Qin Sheng by being Qin Sheng's friend.

This way, he would be able to woo Qin Sheng.

Of course, Xie Hen would not know that his relationship with Qin Sheng would stop at being friends.

Qin Sheng suddenly looked at Xie Hen. "You look like someone."

Xie Hen's interest was piqued. He asked, "Who? Shouldn't I be unique? There's actually someone like me?"

"A boy I met when I was a child."
