

Bigshot 761

Chapter 761: When They Were Young

Qin Sheng still had a deep memory of that boy. At that time, she was famous for fighting, and her clothes were sewn and mended. She had no friends, and no one was willing to be her friend.

Only that boy was not afraid of her.

Instead, he had been following her.

One day, that boy suddenly disappeared, and they had not seen each other since.

Qin Sheng waited for a few days, but he did not appear. She gave up.

Xie Hen's heart jumped. "What's his name?"

Qin Sheng did not speak anymore.

Xie Hen had a feeling that the boy Qin Sheng was talking about was him.

However, seeing that Qin Sheng was unwilling to speak, he could only stop asking.

He thought that he could properly investigate Qin Sheng.

If Qin Sheng was really her...

Xie Hen's heart was beating very fast.

Qin Sheng had been sitting in the same spot for lunch. Lu Ming held the tray and looked directly at Qin Sheng.

His footsteps paused.

Then, who was that man?

Why was he looking for Qin Sheng?

Lu Ming sneakily picked a spot that Qin Sheng could not see, but it was not far from Qin Sheng.

He had been observing Qin Sheng and Xie Hen.

Xie Hen found a lot of topics to talk about. Qin Sheng was focused on eating the food on her plate and rarely spoke.

Lu Ming touched his chin.

It seemed that this man had taken a liking to Qin Sheng and wanted to pursue her.

Lu Ming sized up Xie Hen carefully.

He had a good temperament and was handsome.

The clothes on his body were also very good. His family background should not be bad either.

He was on par with his brother.

Lu Ming suddenly didn't want to complain to Fu Hanchuan. It was fine if he didn't earn that little bit of money.

It would be good to have a love rival for his brother.

Thinking of this, Lu Ming was kind enough not to disturb Xie Hen.

After Qin Sheng finished eating, she left without saying goodbye to Xie Hen.

In her eyes, Xie Hen was just a stranger.

The moment Qin Sheng left, Lu Ming brought his tray to sit across from Xie Hen.

Lu Ming smiled. "Classmate, do you like Qin Sheng?"

"Is there a problem?" Xie Hen asked with a frown.

Lu Ming shook his head. "No, there's no problem."

After saying that, he went against his conscience and said, "Qin Sheng is beautiful, has good grades, is capable, and has a gentle and considerate personality. She's very suitable to be a girlfriend."

Lu Ming thought of the Black Emperor and his experience of being beaten up by Qin Sheng over and over again.

He secretly ridiculed Qin Sheng, 'Gentle my ass!'

On the surface, she looked very obedient, but on the inside, she was very evil.

Very few people could control her.

If one didn't have some ability, one really couldn't be Qin Sheng's boyfriend.

Xie Hen agreed very much. "She is indeed very good."

"So, you must win her over. You can't let others have her."

Lu Ming thought that with Qin Sheng and Fu Hanchuan's sticky and black-bellied nature, no one would be able to separate them.

But he was happy to see someone pursue Qin Sheng.

His brother had better be a little more jealous.

Lu Ming had always kept in mind the matter of Fu Hanchuan asking Old Master Lu to deduct his pocket money.

He didn't find a chance to take revenge on Fu Hanchuan.

Now that the opportunity had come, he naturally wouldn't let it go.

Xie Hen asked, "What's your relationship with her?"

Lu Ming answered, "Friend and classmate. We were in the same class in high school."

The more he looked at Xie Hen, the more familiar he felt.

Lu Ming suddenly frowned and asked, "Have we met somewhere before?"

At this point, Lu Ming's voice paused, and he vaguely remembered.

He took out his phone.

He typed in the words 'Imperial Capital University's Campus Brother' on the forum.

Soon, messages related to Xie Hen popped up.

Chapter 762: Your Man Has Come To Pick You Up

He held his phone and was very surprised. "You, you are the campus stud of Imperial Capital University, Xie Hen!"

He couldn't even speak clearly.

No wonder he was more handsome than him. So he was the campus stud.

Lu Ming had seen Xie Hen's photo a long time ago, but he still named him the number one handsome guy of Imperial Capital University on the forum.

Xie Hen couldn't understand Lu Ming's reaction. If Lu Ming was a girl, he could understand, but the problem was that he was a boy. How could he react like this?

Lu Ming came closer. "Let's make friends?"

People who were more handsome than him had to be friends, not enemies.

Xie Hen wanted to refuse, but he thought of what Lu Ming had said. He was Qin Sheng's friend.

Xie Hen nodded.

After dinner, the two of them added each other's contact details.

Xie Hen walked out of the cafeteria and picked up his phone. "Have you checked Qin Sheng's background?"

From the other end of the phone came a reply. "Not yet. It should be soon."

Xie Hen instructed, "Then send a few more people to check. Be sure to let me know the results tomorrow."

—

After school at night.

Fu Hanchuan came over to pick up Qin Sheng again.

Shen Jiayue and Zhao Xiang walked together, chatting and laughing.

Meng Fangfei followed behind. She quickened her pace and caught up. "Jiayue, Xiang Xiang, our dormitory dinner didn't call Qin Sheng. That's not good, right?"

Shen Jiayue stopped in her tracks, and her tone was very unpleasant. "Qin Sheng? Just based on her alone, does she deserve to be our roommate? Meng Fangfei, do you think Qin Sheng has ever bothered with you? Don't be shy and help her. Besides, I think it's dirty to eat at the same table as a woman like Qin Sheng."

Meng Fangfei didn't dare to say anything after being scolded by Shen Jiayue.

Shen Jiayue said, "Xiang Xiang brought us to Lijiang Hotel for a meal today. It's a high-class hotel. A meal for the three of us would cost at least 100,000 yuan. Does Qin Sheng deserve to be in such a hotel?"

Zhao Xiang raised her head slightly and said arrogantly, "It's only 100,000 yuan or 200,000 yuan. It's not much. My monthly allowance is already several million yuan."

Shen Jiayue said enviously, "Xiang Xiang, you're too lucky. Also, you shouldn't be so modest. There aren't many people who are willing to spend 100,000 yuan or 200,000 yuan to treat their roommates to a meal. Only you are so generous."

After saying that, she snorted coldly. Her tone was very disdainful. "Qin Sheng is kept by a man. You can tell from the high-end products she uses. She must have a lot of money. Isn't she also very stingy? Have you ever seen her treat us roommates to a meal or give us a gift?"

Zhao Xiang was very satisfied with Shen Jiayue's words.

Although Shen Jiayue was a little stupid, her words were very pleasing to her taste.

"It's getting late. Let's go."

Shen Jiayue suddenly pointed to the front. "It's Qin Sheng and the man who kept her."

Zhao Xiang looked over and indeed saw Qin Sheng and Fu Hanchuan.

Her mind spun quickly, and then a smile appeared on her face.

She was worried that she wouldn't be able to see Fu Hanchuan, but she didn't expect that he would take the initiative to come before her today.

Zhao Xiang curled her lips. "Jiayue, let's invite Qin Sheng over too. We are roommates. It would be bad if we left her behind."

Shen Jiayue frowned. She did not know why Zhao Xiang would suddenly change her mind.

However, she still agreed.

"Qin Sheng," Shen Jiayue called out to Qin Sheng.

Her tone was full of disdain for Qin Sheng. She said sarcastically, "Qin Sheng, your man is here to pick you up? We are preparing to have a meal together. You guys should come too."

Not a boyfriend, but a man.

Chapter 763: The Poor Will Sit

Fu Hanchuan narrowed his eyes dangerously. He asked in a low voice, "Sheng Sheng, who are they?"

"My roommates," Qin Sheng answered.

Shen Jiayue's voice rang out again. "Qin Sheng, we are going to Lijiang Hotel for a meal this time. It will cost at least 100,000 yuan. I wonder if your man has taken you there before?"

It was an obvious mockery.

Qin Sheng was about to speak when Fu Hanchuan grabbed Qin Sheng's arm.

He said in a low voice, "Sheng Sheng, let me do it."

"Okay."

After receiving Qin Sheng's response, Fu Hanchuan looked at Shen Jiayue. "Okay, Sheng Sheng and I will go there. Which private room?"

Zhao Xiang answered, "305."

Fu Hanchuan got the answer. He opened the back door of the car and escorted Qin Sheng in.

Shen Jiayue also wanted to follow him in. Although Fu Hanchuan's car was only a few million yuan, Shen Jiayue rarely sat in a car that cost that much.

However, Fu Hanchuan closed the car door just as she took a step out.

"I haven't entered yet?" Shen Jiayue said unhappily.

"You can't sit in my car, and you don't deserve to sit in it." Fu Hanchuan didn't show them any mercy and spoke straightforwardly.

If they had been nicer to Qin Sheng, Fu Hanchuan wouldn't have said that.

But it was obvious that their words were mocking Qin Sheng.

In that case, there was no need for Fu Hanchuan to give them any face.

Shen Jiayue's face alternated between green and white. It was wonderful.

Zhao Xiang also felt awkward.

She was very dissatisfied with Fu Hanchuan.

It was just a car worth millions. What was there to be proud of? Did he really think that she couldn't afford it?

Her family had cars worth tens of millions.

Meng Fangfei, who had been silent the whole time, said, "Let's take the bus and subway."

"Bus and subway?" Zhao Xiang sneered. "I've never sat on that thing since I was young. It's something that only poor people will sit on."

Shen Jiayue felt very uncomfortable.

Wasn't Zhao Xiang talking about her?

Shen Jiayue's family was also a well-off family. They had a car that cost 200,000 to 300,000 yuan, but Father Shen didn't have that much time to drive to pick Shen Jiayue up.

She usually took public transportation subway wherever she went.

No matter how she thought about it, Shen Jiayue didn't dare to show any dissatisfaction with Zhao Xiang on her face.

Meng Fangfei asked in confusion, "Then, Xiang Xiang, how are we going?"

"My family's private car. I've already asked the driver to come and pick us up. He should be arriving soon. It's a car worth more than 10 million yuan, and this is the cheaper one in my family."

Zhao Xiang deliberately emphasized the last sentence.

Fu Hanchuan ignored her and directly opened the car door and sat inside.

The car slowly drove away.

Zhao Xiang did not see the surprise on Fu Hanchuan's face. She was very displeased.

Shen Jiayue, on the other hand, exclaimed, "Oh my god, more than 10 million! You just took out a car with more than 10 million so casually. Xiang Xiang, your family is too rich."

"Let's go."

Zhao Xiang was not in the mood to listen to Shen Jiayue's flattery anymore.

In the private room of Lijiang Hotel.

Qin Sheng was a little puzzled. "Brother Fu, why did you agree to let them come over for dinner?"

"They looked down on you. I want to help you vent your anger," Fu Hanchuan replied.

Qin Sheng frowned. "They provoked me, and I won't let them go. Brother Fu, they are not worth your time."

Qin Sheng was not resisting Fu Hanchuan's help, but she was worried that Shen Jiayue and Zhao Xiang would tarnish Fu Hanchuan's reputation.

Fu Hanchuan chuckled. "Sheng Sheng's matter is not a small matter."

Qin Sheng was teased.

She coughed lightly and avoided looking at Fu Hanchuan.

Chapter 764: He Had a Girlfriend

Ten minutes later, Zhao Xiang, Shen Jiayue, and Meng Fangfei came over.

Qin Sheng and Fu Hanchuan sat together. Zhao Xiang wanted to sit next to Fu Hanchuan, so Fu Hanchuan said, "You can't sit next to me."

Zhao Xiang was very confused. "There's someone? Isn't it just us? Who else is there?"

Fu Hanchuan glanced at her indifferently. "I have a girlfriend. If a woman like you sits next to me, she won't be happy."

His words were full of affection for Qin Sheng.

Hearing this, Qin Sheng lowered her head.

Her face was very red, but her heart was very warm.

Zhao Xiang's face froze. Fu Hanchuan's words also indirectly indicated that she was not reserved and ran to seduce another man who had a girlfriend?

Shen Jiayue did not hear what Fu Hanchuan meant.

She sneered. "Qin Sheng is your girlfriend? Who are you lying to?"

Fu Hanchuan narrowed his eyes dangerously. "If she's not my girlfriend, then what is she?"

"A mistress. Qin Sheng is your mistress." Shen Jiayue straightened her neck.

Fu Hanchuan's entire body was emitting a cold air. Qin Sheng held Fu Hanchuan's hand and whispered, "Brother Fu, you don't have to do anything."

Only then did Fu Hanchuan calm down.

He nodded. "Okay."

Qin Sheng looked at Shen Jiayue. "Not everyone is as dirty as you think."

Shen Jiayue pulled out a chair and sat down. "Qin Sheng, do you dare to say that you didn't seduce Mr. Fu with your good looks?"

Qin Sheng curled her lips and smiled mockingly, no longer paying attention to Shen Jiayue.

At this moment, the waiter came in.

She pointed at the three menus on the table. "May I know what you would like to eat?"

Fu Hanchuan took a menu and ordered a few dishes that Qin Sheng liked.

Zhao Xiang said, "Mr. Fu, can you help us order?"

Fu Hanchuan rejected her. "No, I'll only help Sheng Sheng order."

Zhao Xiang's face darkened.

Being rejected by Fu Hanchuan time and time again, no matter how magnanimous she was, she was still very dissatisfied with Fu Hanchuan.

Zhao Xiang had always looked down on Fu Hanchuan. His family definitely could not compare to the Zhao family. If it were not for Qin Sheng, she would not even bother to talk to him.

Now that she took the initiative to approach Fu Hanchuan, he actually did not appreciate her kindness.

Zhao Xiang gave Shen Jiayue a look.

Shen Jiayue understood. "Mr. Fu, isn't this a little inappropriate? Today is Xiang Xiang's treat, and you're not even willing to help order the dishes?"

Fu Hanchuan was expressionless. "There's no need for you to treat me. I can still afford this bit of money."

Shen Jiayue choked and did not know how to answer.

She took a menu and flipped to a page. She asked, "Xiang Xiang, what do you want to eat?"

Zhao Xiang was in a bad mood today, so she casually mentioned a few names.

Shen Jiayue also ordered a few of her favorite dishes. She looked at Meng Fangfei. "Fangfei, you can eat with us. Anyway, you came from the countryside to Imperial Capital University. You haven't eaten most of the dishes here, so you probably don't understand."

Meng Fangfei was very embarrassed.

She pinched the corner of her shirt and nodded. "Okay, I'll just have some."

Shen Jiayue closed the menu. "Waiter, that's all."

"Okay, please wait a moment."

The waiter left the private room.

Shen Jiayue glanced at the private room and sighed. "This is indeed a place where only the rich can come. Look at the decorations. It's really too luxurious. Xiang Xiang, it's all thanks to you that I can come here once."

Zhao Xiang especially looked at Fu Hanchuan. "Our Zhao family is one of the top wealthy families in the capital. Our family's assets are tens of billions. It's already common for me to come here."

Chapter 765: Abandoning Qin Sheng and Choosing Her

Zhao Xiang's tone was full of pride.

Her background had always been a source of pride for her. Her family assets were worth tens of billions. In the capital, it was considered extremely good.

And this man drove a car worth millions. His family background was far inferior to hers.

She did not believe that he would not be moved.

Who knew that Fu Hanchuan did not even give her a glance?

He lowered his eyes from time to time and was talking to Qin Sheng.

Zhao Xiang's expression was very ugly.

Fu Hanchuan was the second person who dared to ignore her!

Hearing Zhao Xiang's words, Shen Jiayue said enviously, "Xiang Xiang, your family background is too good. How many people can't get it? If I had a family background like yours, I would be able to wake up from my dream with a smile."

Zhao Xiang said coldly, "Unfortunately, some people do not know the concept of this ten billion family fortune."

It seemed that the man who supported Qin Sheng was only so-so.

He was not ambitious.

Shen Jiayue nodded in agreement. "Yes, those people must be brainless."

A hint of viciousness flashed in Qin Sheng's eyes.

It seemed that she had to teach Zhao Xiang and Shen Jiayue a lesson.

They should not have slandered Fu Hanchuan.

Fu Hanchuan lowered his voice and said with a chuckle, "Sheng Sheng, they said it about me. Help me get revenge."

Fu Hanchuan didn't feel that it would be shameful to let Qin Sheng help him.

If Zhao Xiang heard Fu Hanchuan's words, she would definitely be furious.

The dishes were served.

Fu Hanchuan brought the dishes he ordered to Qin Sheng's face.

Shen Jiayue frowned. "Mr. Fu, what do you mean?"

"You guys pick up a plate of dishes together. It's dirty," Fu Hanchuan replied.

Qin Sheng couldn't help but smile.

Shen Jiayue and Zhao Xiang, on the other hand, looked as if they had eaten flies. Their faces were very dark.

The chef of Lijiang Hotel was very good at cooking.

However, Shen Jiayue and the others ate very little.

In the end, Qin Sheng put down her chopsticks.

"Brother Fu, I'm going to the washroom."

"Okay." Fu Hanchuan nodded.

Zhao Xiang let out a sigh of relief. Qin Sheng had finally left.

She looked at Fu Hanchuan and said, "Mr. Fu, our Zhao Corporation is ranked in the top 30 in Imperial City. If you manage to hook up with our Zhao family, you will definitely receive a lot of benefits."

Fu Hanchuan raised his eyebrows. "Oh?"

He wanted to see what Zhao Xiang would say.

Zhao Xiang felt that Fu Hanchuan was considering her words. She felt very proud and disdainful.

She thought that Fu Hanchuan was very noble and did not put money in his eyes. He was just like those ordinary men.

Zhao Xiang then said, "I can ask my father to help you, but on one condition."

"Xiang Xiang, why are you helping him? He is obviously on Qin Sheng's side." Shen Jiayue was very confused.

Being interrupted by Shen Jiayue, Zhao Xiang's tone was very bad. "I have my own arrangements."

Shen Jiayue shut her mouth.

"Speak." Fu Hanchuan looked at his watch. Qin Sheng should be coming out soon.

Zhao Xiang smiled and stated her request. "Abandon Qin Sheng and be with me."

When Qin Sheng, who had just returned, heard Zhao Xiang's words, the hostility in her eyes gathered.

"Zhao Xiang, your skin is quite thick. I didn't make a move, but do you really think I'm a pushover?"

Zhao Xiang felt awkward for a moment.

Soon, she became confident again. "Qin Sheng, what can you have? You only have good looks and achievements. Other than these, what can you give Mr. Fu? You only know how to spend his money and can't give him anything. I'm not like you, I can help Mr. Fu develop."

Chapter 766: Qin Sheng Had Several Partners

Fu Hanchuan stood up and walked over to hold Qin Sheng's waist. He said dotingly, "I'm willing to dote on Sheng Sheng. Even if she doesn't know anything, it's okay."

Qin Sheng felt the warmth of Fu Hanchuan's hand, and her face was burning.

Fu Hanchuan did not leave any face for Zhao Xiang.

Zhao Xiang could not help but be annoyed. Since Fu Hanchuan did not appreciate her kindness, there was no need for her to leave any face for him.

Wasn't there a lot of men like Fu Hanchuan out there?

She only paid a little attention to him because he was Qin Sheng's boyfriend.

Who did he think he was? How dare he humiliate her again and again!

Zhao Xiang immediately sneered. "Then go and spoil her. When something happens to your family in the future, don't come and look for me."

Qin Sheng sneered. "You don't have to worry about that."

Then, she looked up at Fu Hanchuan. "Brother Fu, let's go."

"Okay."

Fu Hanchuan smiled dotingly.

"Wait." Zhao Xiang suddenly stopped Fu Hanchuan.

She walked to Qin Sheng and Fu Hanchuan, pointed at Qin Sheng, and sneered. "Mr. Fu, do you know that Qin Sheng has several partners? Wait, I'll show you the evidence."

Qin Sheng was very confused. "Brother Fu, this..."

Fu Hanchuan lowered his voice. "I believe you."

Fu Hanchuan would never think that Qin Sheng would do anything to let him down.

He had not forgotten how much effort he had put into pursuing Qin Sheng.

It was very difficult to move Qin Sheng's heart.

But if Qin Sheng fell in love with someone, she would not change her heart easily.

Moreover, he felt that he was good enough to Qin Sheng. There was no reason for Qin Sheng to flirt with other men.

Besides Qin Sheng's class time, they were almost always together.

Fu Hanchuan was very confident that as long as he did not do anything bad to Qin Sheng, Qin Sheng would not leave him.

Zhao Xiang took out the photo that Shen Jiayue had sent her. "Mr. Fu, take a look at this man."

Fu Hanchuan narrowed his eyes. He recognized him at a glance.

The person wearing the mask was Lin Haocheng.

Fu Hanchuan was jealous. He didn't want others to get close to Qin Sheng like this, and neither did he want her cousin to be near her.

It seemed that he could keep Lin Haocheng busy for a few more days.

However, Fu Hanchuan forgot that he was the one who had asked Lin Haocheng to come to the school to pick up Qin Sheng.

Shen Jiayue was very proud when she saw Fu Hanchuan's dark face.

Sure enough, no man could accept his woman's infidelity.

Qin Sheng was done for. She didn't believe that Fu Hanchuan would still protect her today.

Zhao Xiang said, "Mr. Fu, Qin Sheng is a fickle woman. Besides this man who I saw, who knows how many other men there are? It's not worth it for you to protect her wholeheartedly."

After saying that, she crossed her arms and waited for Fu Hanchuan to get angry at Qin Sheng.

Unexpectedly, Fu Hanchuan sneered.

His eyes were cold. "It has nothing to do with you. This person is Sheng Sheng's brother. Where did this promiscuous woman come from? You'd better watch your mouth first."

Brother?

Zhao Xiang was stunned, and Shen Jiayue was also in disbelief.

That man drove a car worth tens of millions. It was obvious that his family background was extraordinary.

How could Qin Sheng have such an elder brother?

Zhao Xiang quickly reacted. She questioned, "Other than the number one wealthy family in the capital, there is no prominent family with the surname Qin. He is Qin Sheng's elder brother? Mr. Fu, who are you lying to?"

Fu Hanchuan did not explain further.

He directly took Qin Sheng and left.

Shen Jiayue looked at their departing backs and frowned. "Xiang Xiang, they..."

Chapter 767: Make Qin Sheng Drop Out of School

Zhao Xiang's expression was very ugly. "Don't worry about them. He's just sitting in a car that's worth a few million yuan. What's there to be proud of? Even if he gets cheated on, he'll help Qin Sheng cover it up."

Shen Jiayue echoed, "Right, Xiang Xiang. We don't need to care about a man like him."

She thought of something and voiced out her guess. "Xiang Xiang, could it be that he doesn't dare to admit it and is afraid of losing face? Maybe he'll only vent his emotions after he leaves."

Zhao Xiang felt that Shen Jiayue's words were very reasonable.

She said sarcastically, "Let's wait and see. Even if Qin Sheng isn't abandoned by him, her life will not be easy."

At this moment, Zhao Xiang did not want to snatch Fu Hanchuan away from Qin Sheng anymore.

Fu Hanchuan had been used by Qin Sheng. Although he was extremely handsome, she was not a garbage collector.

Even if Fu Hanchuan begged her in the future and wanted to be with her, she would not care.

She would not bother with him.

Hearing this, Shen Jiayue nodded repeatedly. "Yes."

Meng Fangfei had always been invisible and rarely spoke during the whole process.

At this moment, she could not hold it in anymore. "Jiayue, Xiang Xiang, it's getting late. Shall we go back?"

She still needed to read and study.

She did not have much time to waste here.

Zhao Xiang said in a deep voice, "Go back."

She wanted to find her father and kick Qin Sheng out of Imperial Capital University.

Zhao Xiang was extremely displeased with Qin Sheng.

Zhao Xiang did not go back to school that night. Instead, she went back to the Zhao family and told Father Zhao about Qin Sheng's incident.

Father Zhao slammed the coffee table hard. "How dare she bully my daughter!"

Zhao Xiang hugged Father Zhao's arm. "Father, you must avenge me. It's best if you can get her to drop out of school."

"Don't worry. I can handle a small fry." Father Zhao was very confident.

Zhao Xiang was delighted. "Then, Dad, why did you come to school?"

"I don't have time tomorrow. I'll be free the day after tomorrow. I'll go directly to the principal," Father Zhao replied. Qin Sheng was just an ordinary person. He could still get an ordinary student to drop out of school.

Zhao Xiang was relieved. "Okay, I'll have to trouble you, Dad."

Her eyes were full of pride. Qin Sheng had been kicked out of Imperial Capital University. In the future, she would be the best person in the Medical Department. No one would compete with her.

—

At night, Qin Sheng returned to her room.

She immediately turned on the computer and her fingertips were typing rapidly on the computer keyboard.

Lines of code appeared on the computer.

She was now hacking into the Zhao Corporation's system.

She would not let go of those who had provoked Fu Hanchuan.

Shengshi Technology had no conflict with the Zhao Corporation. Qin Sheng had not intended to attack the Zhao Corporation at first.

However, Zhao Xiang could only blame herself for provoking the wrong person.

The Zhao Corporation's defense system was well designed, but Qin Sheng still hacked into the Zhao Corporation's internal system in less than thirty minutes.

There was a lot of information inside.

Qin Sheng leisurely walked around inside and slowly curved her lips.

The speed of her typing on the computer keyboard was very fast.

She directly deleted several important documents of the Zhao Corporation and then modified some of the information inside.

After doing this, Qin Sheng began to exit the system.

She deliberately touched an alarm.

The alarm system of the Zhao Corporation sounded.

The technician who was playing with his phone was stunned for a moment. He hurriedly logged into the computer to check.

Qin Sheng was destroying the protective system.

Seeing that someone was coming, Qin Sheng did not speed up, but the technician was still unable to catch Qin Sheng.

Qin Sheng curled her lips and pressed the enter key. The protective system of the Zhao Corporation was completely destroyed.

Chapter 768: Hacking the System

Before Qin Sheng left, she arrogantly left a message, [I deleted a few files and tampered with some information. I also destroyed your protection system. This is the interest I collected. Take care of Zhao Xiang. Otherwise, I will come again next time.]

1

Then, Qin Sheng's hacking mark disappeared.

The technician had no choice but to watch Qin Sheng escape from under his eyes.

He did not dare to delay and immediately reported this matter to the department head.

The department head paced back and forth in the room and asked anxiously, "Who is he?"

This was the first time the Zhao Corporation had encountered such a situation.

It was not that they had not been attacked by hackers before, but the Zhao Corporation's protective system had blocked them from entering.

This was the first time someone had hacked into the Zhao Corporation's computer system since its establishment.

The technical staff said respectfully, "I don't know. I had no way of catching up to them. Furthermore, before they left, they gave us a warning."

Some of the supervisors frowned. "What warning?"

"They said that if we didn't manage the Young Miss properly, they will still come over," the technical staff replied.

The department head was very puzzled. "Is it related to the Young Miss?"

"That's what they said."

"Alright, I got it. Now look after the company's information. Don't let any other hackers break in!"

The department head did not blame the technical staff for the matter.

This technical staff was a graduate of Peking University. His abilities were not bad, and the department head had seen it with his own eyes.

Someone who could attack the computers of the Zhao Corporation would probably be one of the best in the world.

If he couldn't stop them, it was normal.

After the department head of the Technology Department explained the matter, he contacted Father Zhao.

He repeated the entire matter.

Father Zhao was so angry that his chest heaved up and down. He noticed a name. "Xiang Xiang?"

The department head replied, "That hacker who hacked into the company's internal system did say so."

"Alright, I got it." Father Zhao's face was gloomy. "Go and find someone to repair the firewall immediately. Also, think of a way to recover the deleted information."

"As for the information that was tampered with..."

Father Zhao had a headache. This was more difficult. If the deleted files could not be recovered, they could make a new copy. However, the content that was tampered with was very difficult to find and would be confused. It would cause a huge loss to the company.

He thought for a moment and said, "See if you can find any traces of tampering."

"Yes," the department head agreed.

Of course, they would not be able to discover what Qin Sheng had done, let alone restore the documents.

Because of Qin Sheng's intrusion this time, the Zhao Corporation had to bear a conservative loss of 100 million yuan.

1

Father Zhao was really angry that someone had provoked him like this. He was even worried that they would once again hack into the company's protective system and cause the theft of the data.

To the company, Qin Sheng was a ticking time bomb.

Therefore, Father Zhao said in a deep voice, "Report the case! We must capture him."

After hanging up the phone, Father Zhao came to the living room.

Zhao Xiang was talking to Mother Zhao.

Father Zhao only had one daughter, Zhao Xiang, and he loved her to the bone. Even though Qin Sheng said that it was because of Zhao Xiang that she invaded the Zhao Corporation... Father Zhao also asked very patiently, "Xiang Xiang, have you offended anyone recently?"

Zhao Xiang gritted her teeth and replied, "Yes, it's that Qin Sheng that I told you about."

Chapter 769: Released the Recording

Father Zhao frowned. "Is there anything else?"

"No," Zhao Xiang replied.

Father Zhao told her about the company.

Zhao Xiang's first reaction was disbelief. "It can't be Qin Sheng. Qin Sheng is a nerd. How could she be a top hacker?"

Father Zhao also felt that it was impossible.

An 18-year-old girl wouldn't be this powerful.

Father Zhao rubbed his brows, feeling a headache coming on. "Xiang Xiang, you should pay attention to your words and actions recently. I'm afraid we can't afford to offend that hacker."

Zhao Xiang felt very wronged.

During the time that she entered Imperial Capital University, other than Qin Sheng, she hadn't offended anyone else.

How could it be because of her that the company had been hacked?

Fu Hanchuan's figure appeared in Zhao Xiang's mind.

But she had denied it.

It would not be him.

He was very young, so it was impossible for him to be a top-notch hacker.

Zhao Xiang voiced out her guess. “Dad, could he have been sent by a hostile company? By saying this, he is just deliberately trying to confuse you.”

No matter what, Zhao Xiang did not want to believe that it was because of her that the company would suffer such a huge loss.

Father Zhao frowned. “It could also be because of this.”

Zhao Xiang said angrily, “Dad, we have to catch him.”

Father Zhao nodded. “Okay.”

Zhao Xiang looked at the time and stood up from the sofa. “I’ll go back to my room to study.”

During this period of time, other than attending classes and doing experiments in the laboratory, Zhao Xiang had been studying medicine.

She had made up her mind to surpass Qin Sheng and get first place in the exam.

Mother Zhao said with heartache, “Xiang Xiang, take a break. It’s not easy for you to come back.”

Zhao Xiang shook her head. “I have to learn. First place is mine.”

With that, she returned to her room.

Father Zhao also started to call a shareholder of Imperial Capital University. “President Huang, this is Zhao Biao. I need your help with something. Help me expel a student from Imperial Capital University.”

—

After Qin Sheng hacked into Zhao Corporation, she found a recording of her in the dormitory and sent it to Lu Ming.

Shen Jiayue provoked her again and again. Qin Sheng had prepared this recording a long time ago.

However, it was never sent out.

If it wasn’t for today’s incident, this recording would have been put on hold.

Lu Ming loved to gossip. Without saying anything else, he sent the recording to Weibo.

[The Number One Most Handsome Guy At Imperial Capital University: How a dog licks! Refreshing the worldview. The main characters are freshmen at Imperial Capital University, Shen Jiayue and Zhao Xiang. They live in the same dormitory as Qin Sheng.]

In the recording, Shen Jiayue ridiculed Qin Sheng in all kinds of ways.

When she faced Zhao Xiang, she was extremely flattering.

Because it involved Qin Sheng, there were many comments on Weibo very quickly.

[F*ck! It’s too disgusting. I feel bad that Campus Belle Qin is roommates with such a person.]

[These two people are singing in harmony. Campus Belle Qin is too miserable. She is being targeted for no reason.]

[These two people, not to mention that Campus Belle Qin doesn't want to talk to them, even I don't want to talk to them.]

[Shen Jiayue? Isn't this the person who stole Campus Belle Qin's speech script the last time? She's acting like a demon again, how f*cking disgusting.]

[Shen Jiayue really doesn't have a good memory.]

Shen Jiayue often scrolled through Weibo, and she also paid attention to Lu Ming.

When Lu Ming posted this Weibo, the first thing she noticed was that she had a very bad feeling in her heart.

She clicked on the recording.

Chapter 770: Expulsion From Imperial Capital University

After listening to the entire recording, Shen Jiayue's face turned black. She was so angry that her whole body was trembling.

It must be Qin Sheng.

Qin Sheng actually dared to record what she said to Zhao Xiang!

Shen Jiayue had lost face. Last time, because of the speech script, she lost all her face.

Now, it was because of Qin Sheng again.

Everyone was saying that she was a licking dog.

Shen Jiayue could already imagine that countless students would point fingers at her while she was walking.

"Qin Sheng! I, Shen Jiayue, will never be at peace with you!"

The next day, Zhao Xiang came to school. Shen Jiayue had been waiting for her since early in the morning.

When she saw Zhao Xiang, she quickly went up to her. "Xiang Xiang."

Zhao Xiang still didn't look good because of what happened last night.

She looked at Shen Jiayue. "What's the matter?"

Because there were quite a number of students looking over. Some of them were pointing at Shen Jiayue and discussing something.

It was obvious that they were talking about Shen Jiayue licking Zhao Xiang.

Shen Jiayue's face was very red. She was embarrassed.

She pulled Zhao Xiang to a place with very few people.

Zhao Xiang's tone was very unpleasant. "What's the matter? I have to study, and I don't have much time."

Shen Jiayue asked, "Xiang Xiang, did Qin Sheng find trouble with you?"

"Other than my company having an accident, no," Zhao Xiang answered truthfully.

After saying that, she asked in puzzlement, "Did something happen to you?"

Shen Jiayue's tone was filled with resentment. "Qin Sheng recorded my words and posted it on Weibo. It's all about me being a licking dog. Xiang Xiang, Qin Sheng also recorded your words. Those people also said that you can't compete with Qin Sheng and still dare to mock her."

She took out her phone and found a Weibo post that Lu Ming had posted and showed it to Zhao Xiang.

"Xiang Xiang, listen to that recording and look at the comments under Weibo."

Zhao Xiang took Shen Jiayue's phone.

Two minutes later, her face turned dark.

Shen Jiayue gritted her teeth and said, "Qin Sheng is a despicable person. She actually used such a method."

Shen Jiayue thought of something and guessed, "Xiang Xiang, could Qin Sheng have done something to your company? After all, the timing is too coincidental."

"Impossible," Zhao Xiang denied, "My company's computer system was hacked by a hacker. That hacker is quite capable. My dad said that he is a top-notch hacker in the world. Qin Sheng doesn't have that kind of ability."

Hearing that, Shen Jiayue also stopped guessing.

It was indeed impossible for Qin Sheng to be such a powerful hacker.

Zhao Xiang sneered, "Jiayue, we don't have to see Qin Sheng anymore."

Shen Jiayue had a vague guess in her heart. She asked, "Xiang Xiang, this..."

"My father will come over tomorrow with a shareholder of Imperial Capital University and demand that Qin Sheng be kicked out of Imperial Capital University." Zhao Xiang's face was full of mockery.

Qin Sheng dared to fight with her. Did she really think that she had that much ability?

If the Zhao family made a move, Qin Sheng would not have the strength to retaliate.

In the future, not only Imperial Capital University, but even Peking University and other universities would not dare to accept Qin Sheng.

Even if she was looking for a job, Qin Sheng could forget about getting a good job.

Shen Jiayue was very excited. "Xiang Xiang, that's great. Qin Sheng is finally going to be kicked out. Every day when I see Qin Sheng, I feel like my eyes are dirty."

Zhao Xiang sneered. "I'm going to class. Just wait for the good news tomorrow."

With that, Zhao Xiang returned to the classroom.

Shen Jiayue turned on her phone again. When she saw Lu Ming's Weibo post, she did not feel angry anymore.

Qin Sheng had been kicked out of Imperial Capital University.

Su Yixiu would no longer put his attention on Qin Sheng.
