

## Bigshot 811

### Chapter 811: Pleading For Leniency and Not Apologizing

Wang Xiaoli sat on the chair with her arms crossed in front of her chest. She looked as if she had made up her mind not to apologize.

On the surface, she looked very calm, but deep down, she was very flustered.

She was worried that Xie Hen would post that video online.

At that time, she had already lost face apologizing to Qin Sheng.

Qin Sheng ignored Wang Xiaoli. She looked at Ye Yutong and said, "She is your sidekick. She will listen to you. Ye Yutong, do you have anything to say?"

Ye Yutong frowned and said, "Qin Sheng, look, she has already apologized to you. You should forgive Xiaoli. After all, the two of you are in the same association. You will have to see each other often in the future to avoid awkwardness in the future."

"As you wish," Qin Sheng said nonchalantly.

Ye Yutong continued, "You have to have a good relationship with others in school. It is not good for you to be so aggressive. Qin Sheng, this is not how you behave."

Qin Sheng curled her lips. "I'm sorry. I'm petty. I don't have your magnanimity. Besides, if I can't paint today, would Vice President Wang let me off so easily?"

Ye Yutong frowned. "Qin Sheng..."

Qin Sheng raised her hand to interrupt Ye Yutong. "You don't have to persuade me anymore. I'm not a saint like you. I won't let a person who bullies me stand on my head."

Qin Sheng glanced at the time. She still had to do the experiment in the afternoon, so she did not have much time to waste on Ye Yutong and Wang Xiaoli.

She said directly, "Vice President Wang, remember to apologize. In three days, I will hear your apology on the school broadcast at noon."

Wang Xiaoli straightened her neck. "Qin Sheng, if I don't apologize, what can you do to me?"

She wanted to struggle again.

"Then the video from Senior Xie's phone will be posted online and the whole school will see it."

As long as Wang Xiaoli was not stupid, she would choose to apologize.

Wang Xiaoli was trembling with anger.

She asked Ye Yutong for help, but Ye Yutong avoided her gaze.

Wang Xiaoli could not help but feel a little resentful toward Ye Yutong.

She had been following Ye Yutong since the first year of university.

She had always helped her to do things.

Even when she stood up to make things difficult for Qin Sheng this time, she knew that Ye Yutong did not like Qin Sheng, so she wanted to help teach Qin Sheng a lesson.

Now that she was about to lose face, Ye Yutong did not help her.

There were only twenty minutes left until two in the afternoon.

Ye Yutong changed the topic. "Now, let's pick the three best paintings for the school to participate in the selection."

The best, without a doubt, would be Ye Yutong's painting, and the other two would be Qin Sheng's.

Ye Yutong was very dissatisfied that Qin Sheng would also participate in the selection with her.

However, this was the result of all the members of the Association voting. She did not dare to kick Qin Sheng out without permission.

Looking at Qin Sheng's paintings, Ye Yutong had a very bad feeling in her heart.

She had a feeling that Qin Sheng would take away her spot in the National University Student Painting Competition.

The meeting ended.

Ye Yutong looked at Qin Sheng's back as she left, her eyes filled with gloom.

Wang Xiaoli was still sitting in her original seat, silent.

Ye Yutong's gaze landed on Wang Xiaoli and she narrowed her eyes. She was very dissatisfied, but she still needed Wang Xiaoli to help her with her work.

After closing the meeting room door, she came to Wang Xiaoli's side and sat down. "Xiaoli, I'm sorry. I didn't mean to do that just now. I didn't expect Qin Sheng to really be able to paint it."

## **Chapter 812: They Were Not a Couple**

Wang Xiaoli's eyes were red and bloodshot.

"Yutong, are you saying that everything is fine? Why didn't you help me? I am going to have to apologize in front of everyone in the school!"

Furthermore, many members of the Association saw her reneging on her promise.

They would definitely spread the news.

Ye Yutong comforted her, "I did not expect Qin Sheng to be so despicable. I thought that she would not let you apologize under pressure. Xiaoli, I am sorry."

Wang Xiaoli turned her head away, not wanting to listen to Ye Yutong's apologies.

Ye Yutong comforted her softly, "Xiaoli, I was wrong about this. Let's go shopping tonight. How about it? I will buy you anything you want."

Wang Xiaoli had gotten a lot of things from Ye Yutong over the years.

Ye Yutong would often use this method to comfort her. It worked every time.

As expected, when she heard Ye Yutong's words, Wang Xiaoli's eyelashes trembled. It was obvious that she was moved by Ye Yutong.

Ye Yutong's lips curled into a disdainful smile. She then said, "Xiaoli, let's go to KG clothing store."

KG was an internationally famous brand of women's clothing.

Even the cheapest set cost more than a hundred thousand yuan.

Wang Xiaoli tugged at the corner of her shirt and let out a sigh of relief. "Yutong, I didn't mean to be angry with you. I just felt uncomfortable thinking about apologizing in front of so many people, so I couldn't control my emotions."

Ye Yutong smiled and said, "I understand. I still have something to do later. Let's go out together tonight. Speaking of which, it's been a long time since we went out together."

Wang Xiaoli smiled and said, "Alright."

Ye Yutong's eyes were filled with disdain.

She was indeed a vain person.

This little bit of money could buy her over.

—

Qin Sheng left the meeting room and Xie Hen followed beside Qin Sheng.

Qin Sheng stopped in her tracks and said, "Xie Hen, thank you."

Xie Hen's pair of beautiful eyes sparkled. "It's alright. We are friends."

"Friends," Qin Sheng murmured softly as if she had thought it through. She then nodded. "Yes, we're friends."

Xie Hen heaved a sigh of relief. Qin Sheng had finally admitted that she was his friend.

He had thought that he did not even have the chance to be her friend.

Perhaps, he could approach her step by step by becoming her friend.

If he really had no other choice, he could just watch her be happy.

A sharp pain came from his heart.

Xie Hen frowned.

The two of them walked for some distance. When Qin Sheng saw that it was about time, she nodded and said, "I'll go to the lab first."

"Okay."

Qin Sheng left.

Xie Hen looked at Qin Sheng's back as she left and was a little stunned.

After a long while, the corners of Xie Hen's lips curled up into a bitter smile.

Although Qin Sheng had agreed to become friends with him, he could still feel that Qin Sheng was clearly estranged from him.

Was she doing this for Fu Hanchuan?

Xie Hen's eyes dimmed.

Some of the girls had just seen Qin Sheng and Xie Hen walking together and were very excited. After all, a few of them were Qin Sheng and Xie Hen's CP fans.

"The two of them are too compatible. I love them, I love them."

"Look at them walking together. Are they already together?"

"Even if they aren't, they will still be together in the future. No girl would not be moved by a high-quality boy like Campus Hunk Xie."

They were discussing enthusiastically.

Xie Hen walked past them and heard their conversation. He denied, "We're not a couple, we're just friends. She..." he had a boyfriend.

He couldn't say the rest.

### **Chapter 813: Told Her About the Lin Family**

Xie Hen had clarified this matter because he did not want to bring trouble to Qin Sheng.

Those girls did not expect Xie Hen to stop and talk to them. One had to know that back then, Xie Hen had been very cold and aloof to the girls. He had never paid any attention to them.

For a moment, they were flattered. "Yes, I'm sorry. We thought wrong."

Xie Hen nodded and left with one hand in his pocket.

"Campus Hunk Xie actually stop to talk to me. But, are you serious? Are they just friends?"

"Friends can also become lovers, but let's not discuss this matter for the time being. We don't want to upset the campus hunk."

“What you said makes sense, but I always feel that Campus Hunk Xie likes the campus belle. Look at the way he looks at the campus belle. I wouldn’t believe it even if he said he doesn’t like her. He clarified this matter to us because he doesn’t want to bring trouble to the campus belle. That’s too considerate.”

“Right, don’t look at the campus hunk who doesn’t like women. Isn’t it better this way? He’s very clean. Being liked by him is too blissful for the campus belle.”

“...”

Xie Hen wasn’t clear about the discussion of these girls.

He returned to the classroom for class and was absent-minded. Even when Fang Ke talked to him, Xie Hen ignored him.

Fang Ke could see that Xie Hen was in a bad mood, so he didn’t dare to disturb him anymore.

In the afternoon, Qin Sheng stayed in the laboratory.

The next morning, she also went to the laboratory. At noon, Qin Sheng tidied up and went to the cafeteria.

On the way, Old Master Lin stopped her.

Ever since he met Qin Sheng last time, Old Master Lin Hao had fallen in love with Qin Sheng. However, he was stubborn and unwilling to admit it, so he could not bring himself to come and look for Qin Sheng.

He had thought that Lin Haocheng would bring Qin Sheng back to the Lin family.

Unexpectedly, he had waited for more than a week and still hadn’t seen her.

Thus, he couldn’t hold it in any longer and personally came to look for Qin Sheng.

When Qin Sheng saw Old Master Lin, she raised her eyebrows and asked, “Grandfather, what’s the matter?”

Old Master Lin coughed. “I’m here to thank you. Sheng Sheng, right? Can I call you that?”

Qin Sheng nodded. “You can call me anything.”

“You can call me Grandfather. My surname is Lin,” Old Master Lin said bluntly.

Qin Sheng’s heart trembled. “You...”

She had thought of meeting other members of the Lin family besides Lin Haocheng, but she had not expected it to be so soon.

“Let’s talk, shall we?”

Old Master Lin and Qin Sheng found a quiet place.

Old Master Lin sat on the bench while Qin Sheng stood to the side in silence.

Old Master Lin sighed and said, “Sheng Sheng, I’m sorry. I haven’t looked for you all these years. I think I should tell you about what happened between Lin Shuya and the Lin family.”

Qin Sheng lowered her eyes and looked at the tip of her shoe.

“Lin Shuya is my daughter. She has been spoiled by my family since she was young. She was charmed by Qin Hai less than a year after she went to university. I sent people to investigate Qin Hai. Qin Hai is a vain man. He was not pure when he was with Lin Shuya.”

Old Master Lin’s eyes were red. “At that time, my family tried to persuade Lin Shuya, but Lin Shuya was stubborn. When the Lin family was in danger, Lin Shuya would often go back to the Lin family to withdraw money. In the end, she even wanted to take 10 million yuan.”

Qin Sheng was very surprised. She knew that Lin Shuya was not clear-minded, but she did not expect Lin Shuya to help outsiders trick her parents.

“At that time, the Lin family had no money, and we couldn’t gather 10 million, so we could only sell the house. At that time, I gave Lin Shuya two choices. One was to leave the Lin family with 10 million, and the Lin family would have no relationship with her in the future. The second choice was to break up with Qin Hai.”

#### **Chapter 814: Became More and More Stingy**

Old Master Lin smiled bitterly, “I never thought that Lin Shuya would choose Qin Hai without any hesitation. In the Lin family, Lin Shuya was the only girl. In the Lin family, we always went along with her wishes. At that time, I sold our house and gave her 10 million yuan. My wife was originally very sick, but because of Lin Shuya, she was also angered to death.”

Qin Sheng frowned.

The Lin family company was facing a serious crisis, and Old Madam Lin had been seriously ill. With Lin Shuya’s incident, they must have been in despair.

Qin Sheng was not a compassionate person, but at this moment, her feelings were complicated.

“From then on, I did not go to find Lin Shuya. We don’t know about your existence either. We also made up our minds not to contact Lin Shuya, and you are her daughter. I did not plan to introduce myself to you.”

Old Master Lin was worried that Qin Sheng would misunderstand, so he immediately said, “It wasn’t until I met you that I found out about your background, including the fact that you and Qin Churou had switched identities. After you were brought back, Qin Hai and Lin Shuya treated you badly.”

Qin Sheng was expressionless. “I don’t need sympathy.”

Old Master Lin’s heart ached. How much had this child gone through to say this?

He lowered his voice. “I want to recognize you back into the Lin family. It’s not out of sympathy. It’s mainly because of the ties of blood. I want to treat you as my granddaughter, and Haocheng also wants you to be his sister.”

“Blood ties?” Qin Sheng’s lips curled into a mocking smile.

She didn't act pretentious and said straightforwardly, "I return to the family, but I won't invest too much emotion. If you can accept it..."

"Sure." Although Old Master Lin did not understand why Qin Sheng would say that, he still agreed.

Now, as long as he could lure Qin Sheng back to the Lin family, it would be fine.

As for the rest, he would make plans in the future.

Qin Sheng's heart was in a mess. She looked at the time and did not stay with Old Master Lin any longer.

"Old M..."

Before she could say the words 'Old Master Lin', Old Master Lin stopped her. "Call me Grandpa."

Qin Sheng was helpless and could only say, "Grandpa."

"En," Old Master Lin replied. The serious expression on his face disappeared as he smiled.

Qin Sheng did not stay any longer. "I'm going to have lunch first."

Old Master Lin knew that Qin Sheng was still unable to accept the fact that she had returned to the Lin family, so he did not let Qin Sheng stay any longer.

The butler said from behind Old Master Lin, "Old Master, congratulations. Young Miss has finally agreed to return to the Lin family."

Old Master Lin snorted coldly, "That kid, Lin Haocheng, did not contribute at all. He can't even handle such a small matter well."

The butler replied repeatedly, "Yes, it's fortunate that you came forward. Otherwise, who knows how long it would take for the Young Miss to come back?"

"Let's go. We'll have extra food tonight. Oh, right, tell Haoyu to come back before the weekend."

The butler asked, "Old Master, should we bring Young Miss back to the Lin family to introduce her to everyone during the weekend?"

Old Master Lin nodded. "Yes."

—

The weekend.

Lin Haocheng came over to the villa to pick up Qin Sheng and bring her back to the Lin family. This time, Fu Hanchuan did not follow them.

The villa was empty. He was the only one left.

Fu Hanchuan sat on the sofa, feeling a little regretful.

Should he not have let Qin Sheng and the Lin family recognize each other back then?

More and more people were surrounding her. This would distract her attention.

Fu Hanchuan rubbed the space between his eyebrows. He had a headache.

It seemed that he was becoming more and more stingy. From the moment he met Qin Sheng, he could not help but be jealous, even if the other side was also a girl.

1

### **Chapter 815: Fancied the Lin Family's Property**

On this side, Qin Sheng came to the passenger seat.

She noticed a man sitting in the back seat of the car.

He wore a black suit and looked very handsome. He looked very similar to Lin Haocheng. It was not difficult to tell that they were brothers.

It seemed that he was Lin Haocheng's big brother, Lin Haoyu.

Lin Haoyu was expressionless.

Qin Sheng was originally sitting in the back seat of the car, but Lin Haocheng thought of Lin Haoyu at the back, so he let Qin Sheng sit in the front seat.

Lin Haocheng's tone was very sour. "Sheng Sheng, I wanted to bring you back to the Lin family, but you refused. As soon as Grandfather made a move, you agreed."

1

Qin Sheng frowned. "Didn't I call you Second Brother?"

Hearing that, Lin Haocheng did not hesitate anymore. "Yes, you called me Second Brother first, then you returned to the Lin family. Compared to the rest of the Lin family, you care more about me."

1

Qin Sheng was helpless and did not dampen Lin Haocheng's mood.

"Sheng Sheng, my father will like you, and so will my grandfather. So when you come to the Lin family later, don't be too reserved."

Lin Haocheng talked nonstop on the way from the villa to the Lin family.

And Lin Haoyu had never said a word.

His palms were already covered in sweat. He was nervous.

Before Lin Haoyu came to see Qin Sheng, he had already prepared what he wanted to say to Qin Sheng. He had even practiced it countless times. However, after seeing Qin Sheng, he could not open his mouth.

1

Lin Haocheng snorted coldly in his heart.

'Who let you be arrogant!'

However, this was also good. With his brother's EQ, he still wanted to snatch his sister away from him? Hmph. In the future, his position in Qin Sheng's heart would definitely be higher than his brother's.

Very soon, they arrived at the Lin family home.

Old Master Lin had been waiting outside the villa for a long time. From afar, he saw Lin Haocheng's car driving over. He retracted his gaze and walked straight towards the villa.

1

The butler was very puzzled. "Old Master, didn't you want to wait for the Young Miss?"

Old Master Lin did not stop in his tracks. "There's no need. Does a junior need an old man like me to personally welcome her in?"

The butler: "..."

Then who was the one who had sent Lin Haocheng over to pick up Qin Sheng early in the morning?

Also, from time to time, he would run outside to wait for Qin Sheng. His mouth would not stop muttering about it. Who was the one who still would not come over?

The butler was muttering in his heart, but he did not dare to say it out loud.

He had been by Old Master Lin's side for more than thirty years. He knew Old Master Lin well enough and knew that he was being arrogant. He could not bring himself to let Qin Sheng know that he was waiting for her.

Old Master Lin returned to the villa in the living room. He sat on the sofa with his back straight.

His eyes kept glancing behind him.

Seeing that Qin Sheng hadn't come in yet, he frowned. So slow?

He asked the butler beside him, "Is the food in the kitchen ready?"

The butler answered respectfully, "It's still early. They still need another hour."

"Okay, remember to ask the kitchen to prepare a few more dishes."

Old Master Lin did not know what dishes Qin Sheng liked to eat, so he asked the kitchen to prepare more.

Mother Lin was displeased when she saw how much Old Master Lin cared about Qin Sheng.

Initially, she thought that after Lin Shuya was kicked out of the Lin family, no one would compete with her son for the family's assets. She did not expect that another daughter of Lin Shuya would appear.

When Mother Lin knew that Qin Sheng had acknowledged the Lin family, her first reaction was that Qin Sheng had taken a fancy to the Lin family's property.

Mother Lin said unwillingly, "Dad, isn't she just a little girl? She's also Lin Shuya's daughter. Is she worthy of your attention?"

Old Master Lin frowned and said, "Sheng Sheng is my granddaughter, but she has nothing to do with Lin Shuya."

### **Chapter 816: Was Her Plan**

Mother Lin spoke again, "Father, Qin Sheng was brought back midway. You don't know what kind of character she has, yet you're so assured? What if she's coveting the Lin family's assets..."

Before she could speak, Old Master Lin interrupted her.

He berated, "Wu Wanrong, watch your words!"

Mother Lin shrunk her neck and muttered, "Isn't that so? Who wouldn't be greedy after seeing the Lin family's wealth?"

If Qin Sheng didn't know that the Lin family was rich, she wouldn't have come back at all.

It was also very likely that Qin Sheng was the one who planned for her to recognize the Lin family.

Otherwise, how could it be so coincidental that she cut off her relationship with Lin Shuya?

Mother Lin and Old Master Lin were not far from each other, so that sentence was clearly heard by Old Master Lin.

Old Master Lin narrowed his eyes. "Wu Wanrong, not everyone is as dirty as you think. When Sheng Sheng comes back later, don't do anything."

After that, he looked at Father Lin. "Lin Chengye, take care of your wife."

Mother Lin was a muddle-headed person.

Lin Chengye would usually reprimand her, but he could not change her character.

Old Master Lin was afraid that Mother Lin would embarrass Qin Sheng.

She was his granddaughter that he had brought back with great difficulty. He could see that Qin Sheng did not care about returning to the Lin family.

The Lin family was dispensable to her.

If Qin Sheng went back on her word because of Wu Wanrong and left the Lin family, how could he let Qin Sheng return to the Lin family?

His face darkened when he thought of this.

Father Lin agreed repeatedly, "Dad, I will take good care of her."

Seeing Father Lin's expression, Old Master Lin was furious. "You let a woman ride on your head? Lin Chengye, you are really capable!"

Old Master Lin was also fond of girls, but he detested Mother Lin's ignorance.

However, since Lin Chengye insisted on marrying her, he could only let him be.

Hearing this, Lin Chengye did not dare to speak.

The sound of footsteps came from the door. It was obvious that Qin Sheng and the others had come. v immediately sat up straight.

The butler was looking forward to Old Master Lin's performance.

"Sheng Sheng, don't be nervous. Our Lin family is pretty good," Lin Haocheng was worried that Qin Sheng would be nervous, so he comforted her.

Qin Sheng nodded.

"Young Miss." The butler's tone was very respectful.

Father Lin also stood up. "Sheng Sheng, I'm your eldest uncle, Lin Chengye."

Qin Sheng nodded. "Eldest Uncle."

"Okay." A smile appeared on Father Lin's face. The first time he saw Qin Sheng, he also liked her very much. It was as if he had a natural affinity with her. "I didn't expect you to have grown so much. It's a pity that you have suffered for more than ten years."

"It's alright. That bit of suffering is nothing to me." Qin Sheng smiled.

When Old Master Lin heard Qin Sheng's words, he frowned.

He knew Qin Sheng's experience very well, including the abuse she suffered in the Feng family. After returning to the Qin family, Qin Hai and Lin Shuya protected Qin Churou. Later on, they even sold Qin Sheng.

After experiencing all this, those with a bad mentality would probably be depressed or even commit suicide.

Yet, Qin Sheng was still able to say it so casually. She must have trained a lot of mental endurance.

At this moment, Old Master Lin did not pretend anymore.

He also stood up and pulled Qin Sheng over to the sofa to sit down. "Sheng Sheng, those people from the Qin family and the Feng family did not treat you well. It's because they are not blessed. In the future, with our Lin family, this old man will definitely protect you."

### **Chapter 817: An Actor Was Just An Actor**

Qin Sheng wanted to say that she didn't need their protection.

But she didn't want to spoil Old Master Lin's mood, so she didn't say anything.

Lin Haocheng patted his chest and said, "Yes, I will protect you well too."

Mother Lin's heart was already filled with anger. Now that she heard Lin Haocheng's words, she vented all her anger on Lin Haocheng. "You can protect her, Lin Haocheng? What ability do you have? Other than acting, what else do you know?"

1

Mother Lin was very traditional. She thought that an actor was just an actor.

Ever since she was young, Lin Haocheng's grades had been very poor. Mother Lin always felt that Lin Haocheng was embarrassing her.

Therefore, she rarely had a good expression toward Lin Haocheng.

Lin Haocheng frowned. "What's so bad about acting? At least I can support myself. The company's matters are taken care of, so there's no need for me."

"Lin Haocheng, do you think you're very honorable doing acting?" Mother Lin sneered.

Old Master Lin's face darkened as he looked at Father Lin.

Father Lin also felt that Mother Lin did not understand the bigger picture. In front of Qin Sheng, she spoke in such a manner. He wanted to scold her, but Qin Sheng opened her mouth and said, "It's indeed very honorable."

Mother Lin did not think that Qin Sheng would speak up for Lin Haocheng.

Her face immediately darkened. "What do you mean?"

"Second Brother earns money through his own labor. What's not honorable about that?" Qin Sheng asked in return.

"Labor? Why don't you see what he's doing?"

Old Master Lin put down his teacup heavily. "Wu Wanrong!"

Father Lin also scolded, "Shut up!"

Mother Lin snorted coldly and turned her face away.

Qin Sheng frowned. She initially thought that Lin Haocheng's parents were also good. She did not expect that Mother Lin was almost the same as Lin Shuya.

If it were not for Old Master Lin, Lin Haocheng would have been kicked out long ago.

Old Master Lin changed the topic. He took out a bank card and stuffed it into Qin Sheng's hand.

"This is?" Qin Sheng frowned.

Old Master Lin said very kindly, "It's the pocket money I gave you. Take it and use it."

Qin Sheng wanted to reject him. "I don't lack money."

Old Master Lin's face darkened. "This is a small token of my appreciation. You're not willing to accept it? Furthermore, there's not much money in it. It's only 20 million."

Hearing that, Qin Sheng accepted it.

20 million was indeed not a lot.

After Fu Hanchuan brainwashed her the last time, it was relatively easy for Qin Sheng to accept this 20 million.

However, in the future, she would also need to buy some gifts to give to Old Master Lin.

20 million!

Mother Lin bit her lip. 20 million was not much?

She only had 1.5 million a month and was afraid of spending money.

As for Qin Sheng, Old Master Lin had given her 20 million on their first meeting. When she first came to the Lin family, he had only given her a few thousand.

Mother Lin glared at Qin Sheng. The more she looked at Qin Sheng, the more she disliked her.

As expected, when she returned to the Lin family, Qin Sheng had taken a fancy to the Lin family's property.

No, this Lin family belonged to her and Haoyu. She could not let Qin Sheng interfere!

When Lin Haocheng saw that Old Master Lin had taken out a gift, he did not dare to show weakness. He took out a set of jewelry. This was something he had started preparing since he wanted to acknowledge Qin Sheng as his sister. It took him several months to choose this set of jewelry. He had been waiting for this day to present it to Qin Sheng.

He placed the gift box in front of Qin Sheng and opened it. What entered her eyes was an extremely exquisite set of jewelry. There were many diamonds embedded in it.

It could be seen that the value of this set of jewelry was not low.

Lin Haocheng said very gently, "Sheng Sheng, I specially picked this for you. It's a unique style in the world. You will definitely look very beautiful when you wear it."

### **Chapter 818: Was a Gift For Her**

Mother Lin looked over and saw the jewelry on it.

She clenched her fists tightly.

This must have cost a lot of money.

He was indeed an unfilial son. He had given such an expensive gift to Qin Sheng, who had just returned to the Lin family.

However, he had never prepared a gift for her.

Qin Sheng did not put up a pretense. She took it and said, "Thank you, Second Brother."

Lin Haocheng immediately smiled and said, "No need to thank me. It's my responsibility as a big brother to give something to my younger sister."

Although this gift cost him 60 million yuan, he still felt extremely happy.

He felt that it was worth it even if he spent 1 billion yuan on Qin Sheng's gift.

Father Lin gave Qin Sheng a Lamborghini. "Sheng Sheng, this is a gift that Eldest Uncle prepared for you. The gift is not expensive. You should accept it. After all, this is the first time that Eldest Uncle has given you a gift in the past 18 years."

"Thank you." Qin Sheng took the car keys that Father Lin gave her.

She liked the car that Fu Hanchuan had prepared for her, and she did not intend to change it.

However, since Father Lin had given it to her...

She did not have to decline.

Father Lin saw Qin Sheng take the car keys directly. He did not think that Qin Sheng was vain or anything. On the contrary, she was very straightforward, much better than those girls who liked to beat around the bush.

Father Lin admired Qin Sheng's character very much.

Lin Haocheng raised his eyebrows and looked at Lin Haoyu. His brother had to speak this time, right?

Ever since he went to pick up Qin Sheng, Lin Haoyu hadn't said a word.

If he didn't know, he would really think that he was a mute.

Just as Lin Haocheng thought, Lin Haoyu also took out a key. "Sheng Sheng, I'm your big brother, Lin Haoyu. This is the gift I prepared for you."

Lin Haoyu forced himself to calm down, not wanting to make a fool of himself in front of Qin Sheng.

Lin Haocheng looked from afar and frowned. "Car keys?"

Lin Haoyu answered, "A set of keys to a villa."

"Brother, you're giving Sheng Sheng house keys? Are you saying that you don't want Sheng Sheng to come back to the Lin family? You don't welcome Sheng Sheng?" Lin Haocheng deliberately said this because he was worried that Lin Haoyu would compete with him for favor in the future.

He couldn't compare to Fu Hanchuan in Qin Sheng's heart. At least, he was better than his brother, who had low EQ.

Lin Haoyu quickly denied it. "Sheng Sheng can come back to the Lin family at any time. However, the Lin family is far away from Imperial Capital University, so it's not very convenient. This villa is near Imperial University. You can live in it."

In the end, he added, "You and Fu Hanchuan are boyfriend and girlfriend. After all, you're not married. It's not very good to live like this all the time."

Lin Haocheng naturally hoped that Qin Sheng would not live with Fu Hanchuan.

However...

“Brother, that’s true. If Sheng Sheng lives alone, wouldn’t it be unsafe? Besides, with Fu Hanchuan around, can you take care of her?”

Lin Haocheng’s tone was unwilling.

Lin Haoyu wanted to say that he would move in with Qin Sheng.

His words were stuck in his throat.

He often stayed in the company and didn’t have much time to spend with Qin Sheng.

As for Lin Haocheng, he often had to go out to film, so he didn’t have much time.

Lin Haoyu could only think about it.

“Then, this...” Lin Haoyu frowned, his eyes lonely.

Lin Haocheng was in a crisis. This was too despicable. Lin Haoyu was obviously trying to win Qin Sheng’s sympathy.

Why didn’t he know that his brother was so scheming?

What if Qin Sheng liked Lin Haoyu more than him in the future because of his brother’s scheming?

Qin Sheng’s heart inexplicably softened. She took the key from Lin Haoyu’s hand. “Thank you, Big Brother, for the villa. I like it very much.”

### **Chapter 819: Showed Her Her Savings**

Lin Haoyu’s eyes were filled with visible joy. “It’s good that you like it.”

Lin Haocheng’s heart was sour when he saw this, but there was nothing he could do.

From the moment Lin Haoyu said that he would give Qin Sheng the villa, Mother Lin had already been angered. Now that she saw Qin Sheng take over Lin Haoyu’s keys, she could no longer control her emotions.

The villa near Imperial Capital University, which Lin Haoyu had given to Qin Sheng, must be an excellent villa. It must be worth at least hundreds of millions.

This was not a small amount.

Mother Lin suddenly stood up, wanting to snatch Qin Sheng’s key.

But Qin Sheng avoided her.

Old Master Lin’s face darkened. “Wu Wanrong, what do you want to do now?”

Mother Lin pointed at Qin Sheng and questioned, "Qin Sheng, tell me, when you came back to the Lin family, did you take a fancy to the Lin family's money?"

Qin Sheng raised her eyebrows. "Take a fancy to the Lin family's money?"

Mother Lin said again, "Yes, do you dare to say that you're not? The moment you returned to the Lin family, you accepted so many gifts from the Lin family. It's fine if the value is slightly lower, but the cheapest one costs more than 10 million yuan. You actually accepted all of this money with a clear conscience?"

Father Lin stood up and berated in a deep voice, "Wu Wanrong, shut up! We gave all of this voluntarily. Sheng Sheng is a member of the Lin family. It's not wrong for us to give her such a small gift. Moreover, you're her first aunt. Don't you look like an elder when you speak like this?"

Mother Lin crossed her arms across her chest. She glanced at Qin Sheng's face and did not listen to Father Lin's words.

Father Lin said apologetically, "Sheng Sheng, your First Aunt is insensible. You don't have to take her words to heart. I apologize to you on her behalf."

Qin Sheng said indifferently, "It's fine. I won't pay too much attention to some people who bite people."

Mother Lin glared. "Qin Sheng, how can you say that? I'm your elder. You love vanity. Isn't it my duty to teach you?"

Old Master Lin could not stand it anymore. He said with a dark face, "Wu Wanrong, if you don't act like an elder anymore, then get out of the Lin family!"

Old Master Lin knew very well that Qin Sheng was not a vain person. Not to mention that she did not have such a personality, Qin Sheng also did not lack money.

Fu Hanchuan would give her whatever she wanted. There was no need to be greedy for the Lin family's money.

Lin Haoyu also frowned and said, "Mom, Sheng Sheng is not the kind of person you say she is. Don't say that again."

Seeing that no one supported her, Mother Lin snorted coldly and sat back on the sofa.

Qin Sheng narrowed her eyes. "I'm a vain person?"

"Heh." She sneered. "I can obtain whatever I need on my own. There's no need to rely on other people's charity. I have the ability to buy things that the Lin family has given me."

Mother Lin did not believe her. "You're just a person who has yet to step out of society and doesn't have a mother or father to love you. How can you be rich? Heh, aren't you afraid of being laughed at?"

As she spoke, she thought of a possibility and immediately questioned, "Did Lin Haocheng give you the money?"

Lin Haocheng denied it. "Mom, I didn't give Sheng Sheng any money. Don't talk nonsense."

He really wanted to give it to her, but with Fu Hanchuan around, he did not have the chance.

Qin Sheng scoffed. "I have my own money."

As she spoke, she took out her phone and flipped through her bank card records.

Because of Three Realms, Shengshi Technology had earned quite a lot of money. Hong Yuan had already transferred most of the funds into her account. There was 2.5 billion yuan. Including her own, there was already 3 billion yuan.

As for the funds from Shenghua Real Estate, they had already been used to buy land, build houses, and expand the business.

Mother Lin frowned as she watched Qin Sheng's actions. She had a very bad feeling in her heart.

Soon, Qin Sheng showed Mother Lin her deposit information.

### **Chapter 820: She Started a Company**

Mother Lin's mocking gaze paused, and then her eyes widened in disbelief. Thinking that she had seen wrongly, she looked at it again.

She snatched Qin Sheng's phone and looked at it carefully.

When Lin Haocheng saw Mother Lin's expression, he had a feeling that the thing in Qin Sheng's phone was not simple.

He started to be curious and came over.

Then, Lin Haocheng was also stunned.

Was he mistaken?

How many zeros were there?

Why did it feel like it was more than his savings?

Lin Haocheng admitted that he counted the series of numbers seriously.

"Three, three billion, 21,030,000?"

Lin Haocheng's mouth was wide open in disbelief.

His sister was so rich? More than him?

After all, he had the Lin Corporation's dividends.

Lin Haocheng had a feeling that Fu Hanchuan did not give her this money.

"Sheng Sheng, you're too rich. I didn't expect you to be a hidden little rich lady."

Lin Haocheng's heart turned cold. As an older brother, he was poorer than his sister. It was too embarrassing.

When Lin Haoyu and Old Master Lin heard Lin Haocheng's words, they were also very surprised.

At this moment, Mother Lin also came to her senses. "Impossible! Qin Sheng, how could you have so much money? Where did you get all this money? It must be fake."

Although Mother Lin said so, in her heart, she already believed that the 3 billion was real.

Because the message from the bank could not be fake.

Qin Sheng took the phone back from Mother Lin's hand and casually turned it off.

She took out this message for Mother Lin to see. She only wanted to slap her in the face and tell the Lin family that she was not here for the Lin family's money.

She did not need anyone's charity.

Qin Sheng smiled. "I will fight for what I like. First Aunt, you don't get to point fingers at me."

Mother Lin straightened her neck. "I still don't know where you got these things from. It was someone else who gave them to you. Qin Sheng, I don't think that you can earn so much money."

Qin Sheng was only eighteen years old, but she already had 3 billion in capital.

She must have gotten this money through illegal means.

Could it be that a man gave it to her because of Qin Sheng's looks?

The more she thought about it, the more she felt that it was possible.

Otherwise, she wouldn't have found any other reason for Qin Sheng to have such a large sum of money.

Mother Lin sneered, "Qin Sheng, are you not being kept by someone anymore? You've bewitched that man and asked him to give you the money."

As she spoke, she looked at Old Master Lin. "Dad, Qin Sheng already has a sugar daddy at such a young age. She's so vain. Asking her to come back to the Lin family must be a huge hidden danger. Who knows, she might steal the Lin family's money one day. You can't let her come back to the Lin family."

Old Master Lin's expression was impatient.

Father Lin's face completely darkened. Just as he was about to scold Mother Lin, Qin Sheng opened her mouth. "I've opened a company. I can earn tens of millions a day."

Qin Sheng did not deliberately hide her identity.

Previously, she did not tell anyone that she had a company under her name. It was only because she felt that it was troublesome and unnecessary.

But now, she did not want to hide it from the Lin family.

Mother Lin was stunned for a second before she said mockingly, "Earn tens of millions a day? Qin Sheng, who are you lying to? You don't even know how to lie. Then tell me, which company did you start?"

Mother Lin did not believe Qin Sheng's words.

Starting a company and earning tens of millions? Ha, she really thought she was gullible.

Mother Lin was waiting for Qin Sheng to make a fool of herself.

She wanted everyone in the Lin family to see Qin Sheng make a fool of herself.

“Shengshi Technology,” Qin Sheng said slowly.
