

Bigshot 821

Chapter 821: Her Words Were False

Hearing this, both Father Lin and Lin Haoyu were stunned.

Shengshi Technology was a dark horse in the gaming world. In just four to five months, it had developed an all-intelligent mobile game and defeated a veteran gaming company that had been developing for more than a decade.

They naturally knew about this.

The general manager of Shengshi Technology was Hong Yuan. For the behind-the-scenes boss, many people were guessing that he was a middle-aged man who had been in the business world for many years.

As for what Su Yixiu said back then, the behind-the-scenes boss of Shengshi Technology was a girl who was only about 20 years old, very few people believed it.

Unexpectedly, Qin Sheng was the behind-the-scenes boss of Shengshi Technology.

It was very surprising.

Qin Sheng was only 18 years old now.

However, Lin Haoyu and Lin Haocheng didn't doubt Qin Sheng's words. After all, there was no need for Qin Sheng to lie.

"Shengshi Technology," Lin Haocheng asked, "Sheng Sheng, is it the company that developed the Three Realms?"

Qin Sheng nodded.

Lin Haocheng: "..."

It was over. His sister was so powerful. Didn't it mean that her brother was useless?

Lin Haocheng also liked to play Three Realms.

He naturally knew the attraction of Three Realms.

As for the game recharge, no matter how much money was spent, the equipment of the game character was random. The more money there was, the greater the probability of dropping precious equipment.

Lin Haocheng had already spent 1 million on Three Realms.

His luck was really bad.

He spent a lot of money, but the good equipment was pitifully few.

There were many players in Three Realms. It was completely possible to earn tens of millions in a day.

Lin Haocheng thought for a moment. He approached Qin Sheng, rubbed his hands together, and asked, "Sheng Sheng, I've already spent over a million on your company's game. Do you think this is..."

Qin Sheng raised her eyebrows. "What?"

"Give me a few good pieces of equipment. It's not much. Just five pieces will do."

Qin Sheng rejected him. "If you want equipment, you can replenish your money."

At this moment, she was displaying her money-grubbing nature again.

Lin Haocheng was a big player, so she could induce him to fill it with more money.

Lin Haocheng said, "Sheng Sheng, aren't you going to help your brother?"

There were several pieces of equipment that he really wanted, but they were also very difficult to obtain. If he had Qin Sheng, the behind-the-scenes boss of Shengshi Technology, to help him, wouldn't that equipment be something that could be easily obtained?

Unexpectedly, Qin Sheng rejected him without even thinking about it.

Of course, Lin Haocheng wouldn't have any complaints about this.

Qin Sheng thought for a while and replied, "I rarely interfere in the company's matters."

Old Master Lin was very gratified. "As expected of my Lin family's granddaughter."

The Lin family's talent in business wasn't bad, and only Lin Shuya was an exception.

For Qin Sheng to have this kind of ability, Old Master Lin was naturally happy to see it.

From the moment Qin Sheng mentioned Shengshi Technology, Mother Lin took out her phone to check.

This company that she had never heard of would definitely not be any better.

However, after seeing the encyclopedia, she was stunned and muttered, "Impossible, how could this company be yours?"

According to the above, Shengshi Technology would soon become the leading company in the gaming world.

Mother Lin naturally knew what kind of concept this was. A leading enterprise was the most prestigious in the field they belonged to. The annual profits they earned were in the tens of billions or hundreds of billions.

Qin Sheng was only eighteen years old and already had such a big company.

Mother Lin was unwilling to believe it.

How could Qin Sheng have such an ability?

Qin Sheng's words must be fake. She had used someone else's company to impersonate them.

Chapter 822: Mother Lin's Money Was Gone

Qin Sheng said nonchalantly, "Believe it or not, it's up to you."

Mother Lin was speechless. She sat back down on the sofa.

Old Master Lin also felt happy when he saw Qin Sheng slap Mother Lin's face. Qin Sheng did not feel wronged in this matter, but he did not want to let Mother Lin off just like that.

He was worried that she would become even worse.

Qin Sheng was also a descendant of his Lin family. He could not allow a person with another surname to humiliate her like this.

Old Master Lin said in a deep voice, "In these three months, Wu Wanrong, your 1 million plus pocket money is gone."

1

Mother Lin's face turned pale.

She could not keep the money in her hands and did not have much savings. Her money was already insufficient to spend, and he even deducted the money that he gave her every month.

How was she going to explain this to her mother?

However, Lin Haoyu and Lin Chengye would give it to her.

1

Thinking of this, Mother Lin heaved a sigh of relief. Now that her son was managing the company, the company's funds were also in Lin Haoyu's hands. If she asked him for some money, he probably would not refuse.

However, when this thought appeared in her mind, Old Master Lin guessed her thoughts.

Old Master Lin turned his head and warned, "Lin Chengye, Lin Haoyu, the two of you are not to give Wu Wanrong a single cent for the next three months."

Father Lin knew that Old Master Lin was angry, so he agreed, "Yes, Dad."

Lin Haoyu could not stand seeing Mother Lin embarrass Qin Sheng like this. He ignored Mother Lin's gaze and said, "Alright."

1

Mother Lin was so angry that her face alternated between green and white. She did this to Qin Sheng in order to obtain the greatest benefit for Lin Haoyu and Father Lin to prevent Qin Sheng from taking away the Lin family's assets.

Unexpectedly, all of them stood on Qin Sheng's side.

Mother Lin stood up. "Dad, you can't dock my money. I only said a few words to Qin Sheng. How can you dock my money? Isn't she fine? Instead, I'm the one who's being bullied."

Old Master Lin was so angry that he laughed. He did not expect her to be so thick-skinned.

After being in the Lin family for so many years, she still could not change her personality.

He sneered, "You said a few words about Sheng Sheng? Ha, Wu Wanrong, being kept by a man, saying that Sheng Sheng is vain. How do you feel when others talk about you like that?"

"I..."

Before Mother Lin could speak again, Old Master Lin raised his hand and interrupted her, "Wu Wanrong, I only deducted your money for three months. You should be glad that I did not ask you to get out of the Lin family. This house is mine. I have the right to not let you stay here."

1

Mother Lin did not dare to speak anymore.

"Sheng Sheng, I'm sorry for making you suffer," Old Master Lin said apologetically.

Qin Sheng shook her head. "It's okay. I didn't take this matter to heart."

Qin Sheng had seen many people like Mother Lin.

Naturally, she would not take her too seriously.

As long as she was not provoked, she would not do anything to her. However, if Mother Lin made a move on her, she would not let it go.

Seeing that Qin Sheng's expression did not change much, Old Master Lin was relieved.

Looking at Mother Lin, Old Master Lin instructed, "Sheng Sheng, if she still dares to insult you, tell Grandfather and I will stand up for you."

Qin Sheng nodded lightly. "Okay."

At this moment, a servant came over. "Master, the dishes are ready."

Old Master Lin brought Qin Sheng to the dining room. Other than Mother Lin who was angry, everyone else went in to eat.

The butler wanted to call Mother Lin over to eat, but he was stopped by Old Master Lin. "There's no need to call her over. She's already forty to fifty years old. Does she still need someone to call her over? Does she really think that she's a young miss who is being worshipped by others?"

Chapter 823: Two Brothers Vying For Favor

Mother Lin waited and waited, but no one came to look for her.

Her gaze was heavy.

Qin Sheng was indeed capable. The moment she returned, she snatched away all the attention of the Lin family.

Heh, she must let them know Qin Sheng's true colors.

1

Although Mother Lin was still feeling stifled in her heart, she still entered the dining room in the end.

At this moment, Qin Sheng and the others were already halfway through their meal.

When they saw Mother Lin, Lin Haocheng and Lin Haoyu completely ignored her and did not say a word.

Mother Lin's heart was even more frustrated.

She did not understand why her husband and sons were protecting Qin Sheng, who had just returned to the Lin family not long ago.

Even if Qin Sheng was a member of the Lin family, this was the first time they had met in eighteen years. No matter what, they did not have much kinship.

Lin Haocheng had seen Fu Hanchuan peel shrimp for Qin Sheng many times. He knew that Qin Sheng liked to eat shrimp.

1

He also picked up one, removed its shell, and put it into Qin Sheng's bowl.

"Sheng Sheng, here you go. Eat more. You're too skinny. You need to replenish some nutrition."

Lin Haocheng wanted to fatten Qin Sheng. Her small body made his heart ache just by looking at it.

Qin Sheng did not reject him shyly. "Thank you, Second Brother."

Lin Haocheng smiled until his eyes narrowed. He picked up another prawn. No wonder Fu Hanchuan liked to peel prawns for Qin Sheng. This feeling was too good.

Mother Lin could not stand Lin Haocheng's behavior.

He needed to serve Qin Sheng just for a meal. As expected, he was not a good-for-nothing.

1

Fortunately, she did not place too much hope on him.

Lin Haoyu sat opposite Qin Sheng. He had been paying attention to Qin Sheng the whole time. The fact that Lin Haocheng peeled shrimp for Qin Sheng naturally fell into Lin Haoyu's eyes.

He was very jealous.

After hesitating for a while, he also picked up a shrimp.

Lin Haocheng made a mistake, and Lin Haoyu put the peeled shrimp into Qin Sheng's bowl.

Qin Sheng also thanked him very politely.

Lin Haoyu's lips curled into a smile. "No need."

Lin Haocheng gritted his teeth.

Lin Haoyu was really too detestable. He actually copied him.

He thought that Lin Haoyu would not be a threat to him. After all, Lin Haoyu's EQ was low, and he was also a workaholic. Other than his work, he did not care about anything else.

He was wrong.

The Lin family loved to dote on girls, and even his big brother was no exception.

Lin Haocheng had a strong sense of crisis, afraid that Lin Haoyu's position in Qin Sheng's heart would be higher than his.

1

Moreover, his ability was not as good as Lin Haoyu's.

Lin Haoyu was a business genius. A large part of the company's development to its current scale was due to Lin Haoyu.

Although he was an international top-notch celebrity, the money he earned in a day was far less than Lin Haoyu's.

Lin Haocheng looked at Lin Haoyu warily.

Following that, the two brothers seemed to be competing as they sent the peeled prawns into Qin Sheng's bowl one by one.

Qin Sheng looked at the bowl full of prawns. "..."

It was a headache. "Big Brother, Second Brother, it's enough. You don't have to take care of me."

Lin Haocheng continued to peel the prawns. "Sheng Sheng, girls should eat more. Look, you're too skinny."

Lin Haoyu nodded in agreement.

Then, he placed a prawn into Qin Sheng's bowl.

At this moment, even Old Master Lin could not take it anymore. "Sheng Sheng still wants to eat other dishes. You've peeled so many of them. Sheng Sheng will get sick of it. Fighting for favor is not like this."

1

Lin Haocheng's hand paused

His attention fell on Qin Sheng's bowl.

Uh... it did seem a little too much.

Lin Haoyu frowned, and finally stopped the action in his hand.

Chapter 824: Holding a Family Identification Banquet

Initially, Mother Lin did not care about the fact that Lin Haocheng peeled shrimp for Qin Sheng. However, she saw that Lin Haoyu had done the same.

Her heart once again felt stifled.

She really wanted to stop Lin Haoyu, but Old Master Lin was here. She was worried that Old Master Lin would deduct her money again, so she could only swallow the words that were about to reach her throat.

This meal that Mother Lin ate was tasteless.

Her heart was filled with anxiety.

After dinner, in the living room.

Old Master Lin was thinking if he should hold a banquet for Qin Sheng and let everyone in the capital know that Qin Sheng was his granddaughter.

With this thought in mind, he told her his plan.

“Sheng Sheng, I will hold a family recognition banquet next Saturday. When you return to the Lin family, it has to be grand.”

Qin Sheng frowned and rejected, “There’s no need to go through so much trouble.”

When that time came, she would have to deal with a lot of guests. It would be troublesome.

If she had the time, she might as well stay at home or go to school to do experiments.

Old Master Lin’s tone did not allow her to reject. “This banquet must be held. Otherwise, people will think that our Lin family does not value you.”

Lin Haocheng nodded with a face full of agreement.

Qin Sheng should return to the Lin family in glory.

Lin Haocheng was a chatterbox. He also joined in to persuade Qin Sheng.

Qin Sheng had a headache. If she did not agree, the two of them would not let the matter rest.

Helplessly, Qin Sheng could only agree.

Lin Haocheng was happy. “Grandfather, when the time comes, you have to invite more people with status and power from the Imperial Capital. It will be more grand.”

Old Master Lin glared at Lin Haocheng. “I will naturally do that. Do I need you to say it?”

Lin Haocheng touched his nose. “No need. I was meddling in other people’s business.”

Old Master Lin said with a smile, "Tonight, I have to think about which guests I want to invite. I have to invite that father and son of the Qin family. I have to tell that old man that I have a good granddaughter. He will die of jealousy."

Old Master Qin and Old Master Lin were close friends.

Old Master Qin only had one son. Old Master Lin had often used Lin Haoyu and Lin Haocheng to show off in front of Old Master Qin.

However, Old Master Qin always rebuked him.

What did he say? It was a grandson, not a granddaughter. What was there to show off?

All the grandsons came to collect debts. Only the granddaughter was a little cotton-padded jacket.

This time, he also had a granddaughter. This time, Old Master Qin didn't have anything to say, right?

Mother Lin poured a glass of water over, and just happened to hear the words 'invite the guests.'

Mother Lin had a very bad premonition in her heart.

It couldn't be a banquet to welcome Qin Sheng back, right?

If that was the case, wouldn't it be telling everyone in the capital that Qin Sheng was a member of the Lin family?

According to Old Master Lin's personality, he would definitely give some of the shares of the Lin Corporation to Qin Sheng at the banquet.

Mother Lin was no longer calm.

She pricked up her ears.

Lin Haocheng raised his eyebrows. "Grandfather, aren't you worried that he will take a liking to Sheng Sheng at the family recognition banquet and turn Sheng Sheng over to be his granddaughter?"

Old Master Lin: "..."

His heart was drenched in cold water.

But on second thought, he felt relieved. "Sheng Sheng has me as her grandfather. There's no need to acknowledge him as her grandfather. Sheng Sheng won't acknowledge him either."

Furthermore, he was Qin Sheng's grandfather. The Lin family also had a few of Qin Sheng's older brothers. Qin Sheng was unwilling to return to the Lin family, not to mention that the Qin family had no blood relationship with her.

He trusted Qin Sheng.

But what Old Master Lin didn't know was that he was slapped in the face not long after.

Lin Haocheng nodded. That was indeed the case.

After all, when he wanted Qin Sheng to acknowledge him as her second brother, it took a lot of effort on his part.

Chapter 825: No One Dared To Bully Her

Mother Lin heard clearly what Lin Haocheng said about the family recognition banquet.

Instantly, her heart sank.

Indeed, they were going to hold a banquet for Qin Sheng, a person from a poor place.

For a person like Qin Sheng who had never seen the world, weren't they afraid of losing face?

Next, Lin Haocheng, Lin Haoyu, and Old Master Lin were all discussing the matter of holding the family recognition banquet. As for Father Lin, he had already returned to his room.

Old Master Lin thought for a moment and said: "When the time comes, let's hold it at the Qin Hotel. We will take over the entire hotel. The Qin Hotel is the most famous one in the country and is worthy of Sheng Sheng."

The Lin family also had a hotel under their name. In the end, it would not be as good as the Qin Hotel.

Lin Haoyu and Lin Haocheng did not object to these words.

After all, they thought the same way.

After that, they discussed many things about the banquet.

Sometimes, they would ask for Qin Sheng's opinion.

Qin Sheng raised some objections. After all, the banquet was too extravagant. She calculated that this banquet would probably cost 100 million.

However, Old Master Lin and the rest did not listen.

Qin Sheng was helpless and could only take out her phone to look.

Even if Old Master Lin still came to ask for her opinion, Qin Sheng handled it very casually. Left and right, they would not listen to her advice.

Mother Lin had been holding back.

She glared at Qin Sheng. Qin Sheng was Lin Shuya's daughter. Lin Shuya had already severed her relationship with the Lin family. How could Qin Sheng have the face to return to the Lin family?

Mother Lin still felt that Qin Sheng had returned to the Lin family because she had taken a fancy to the Lin family's property.

Mother Lin's gaze was very intense. Qin Sheng had noticed it.

She raised her eyes and met Mother Lin's gaze.

She frowned and looked back at her phone nonchalantly.

Qin Sheng had seen a lot of people like Mother Lin. They were all brainless. There was no need for her to waste too much time on Mother Lin.

Qin Sheng ignored Mother Lin, which made Mother Lin even angrier.

She was her aunt and elder. Qin Sheng even dared to ignore her like this!

On the other side, Old Master Lin and Lin Haocheng were still discussing enthusiastically.

Mother Lin couldn't help but say, "Dad, Qin Sheng has just returned to the Qin family. Let's not hold a banquet."

"No." Old Master Lin immediately denied it, "It has to be held. Otherwise, people will think that the Lin family doesn't value Sheng Sheng. The children of the Lin family should be in the limelight. If anyone wants to bully Sheng Sheng, they have to think carefully."

Old Master Lin felt that Qin Sheng did not have the love of her parents. She came from H City, so many people would look down on her.

Although Qin Sheng had a company, she did not publicize it, so very few people knew about it.

In the school, most of the qualities of Imperial Capital University were very high, but there were always a few people who looked down on Qin Sheng.

If they knew that Qin Sheng was the granddaughter of the Lin family, they would have to think twice before they dared to lay their hands on Qin Sheng.

Mother Lin frowned and said, "No one dares to bully Qin Sheng." With Qin Sheng's sharp tongue, even if they bullied her, they would not have a good ending.

Of course, Mother Lin did not dare to say the rest of the words.

When Old Master Lin heard this, he narrowed his eyes and said, "Wu Wanrong, are you thinking of some evil idea again?"

Mother Lin shrunk her neck and shook her head. "No, I just don't think it's necessary. This will waste a lot of money and time. They just need to know when Qin Sheng returns to the Lin family, right?"

Old Master Lin snorted coldly. "Our Lin family still lacks this bit of money? Wu Wanrong, don't think that I don't know what you're thinking."

Chapter 826: Was Supposed To Help the Wu Family

Mother Lin knew that she couldn't stop Old Master Lin, so she shut her mouth.

However, she still couldn't get rid of the anger in her heart. She could only vent her anger on Lin Haocheng. She shouted in a deep voice, "Lin Haocheng."

Lin Haocheng was very confused. He didn't understand why Mother Lin called him.

"Mom, what's wrong?" he asked.

Mother Lin said directly, "Don't you have a computer? Take it out. I'll send it to your cousin."

Mother Lin originally wanted to spend money to buy it for Wu Jinghao, but her pocket money had been deducted by Old Master Lin, and Lin Haocheng happened to have a computer, so Mother Lin's attention was on Lin Haocheng.

Lin Haocheng was unwilling. "Mom, I bought that computer myself and assembled it with those accessories. I spent a lot of effort."

Mother Lin glared at him. "You even rejected it? I'm your mother."

Lin Haocheng was unwilling no matter what. "Go buy it for him yourself. Wu Jinghao has already taken quite a few things from me."

That computer was extremely well-equipped.

Lin Haocheng had specially used it to play games, so he naturally wasn't willing to give it to Wu Jinghao for free.

Of course, the most important thing was that he wanted to be tough in front of Qin Sheng.

If he agreed to it casually, would Qin Sheng think that he was a wimp?

Mother Lin's face darkened. "Lin Haocheng, it's just a small computer. Can't you just buy it yourself?"

Lin Haoyu couldn't stand it anymore. "Mom, if that's the case, you can let Wu Jinghao buy it himself. After all, it won't cost much. Just the money you brought from the Lin family to the Wu family, it's already 200 million yuan."

Actually, he had said this to Mother Lin countless times.

But Mother Lin was still stubborn.

Previously, Mother Lin had 3 million a month. Seeing that Mother Lin was always helping the Wu family, Old Master Lin cut the money he gave her in half and gave her 1.5 million a month.

Mother Lin didn't expect Lin Haoyu to refute her. She was furious. "Haoyu, are you blaming me for helping the Wu family?"

Lin Haoyu was silent. It was obvious that this was what he meant.

Mother Lin did not realize that she was wrong and insisted on doing things her own way. "The Lin family is rich. The banquet that you are holding for Qin Sheng will cost tens of millions or even hundreds of millions. I have only given the Wu family a total of more than 200 million over the past 20 years. Is that too much? The Wu family is living in poverty. As the daughter of the Wu family, shouldn't I help them?"

1

Qin Sheng looked at Lin Haocheng. Lin Haocheng did not have any expression on his face, but it was not difficult to see that he was in a bad mood.

Qin Sheng had always protected her family. Lin Haocheng was her elder brother, so she would naturally protect him as well.

Qin Sheng raised her eyebrows and asked, "So, if you want to help the Wu family, why do you have to sacrifice Second Brother's interests and give Second Brother's things to the Wu family?"

Mother Lin acted as if it was a matter of course. "He's my son, so I'll take it."

Qin Sheng sneered. "You only care about the Wu family and don't care about your son's feelings. Do you deserve to be a mother?"

Mother Lin choked for a moment.

Qin Sheng continued, "You keep saying that Second Brother's acting career is an actor. Heh, he earns money through his own hard work. He didn't steal or rob. His career is very good. You don't have the right to question it."

Lin Haocheng's eyes reddened a little. His face was flustered.

Very few people would help him like that.

Mother Lin explained in a deep voice, "He has been in the limelight on TV all day. Some of the characters even pretend to be crazy and act dumb. What's so good about that?"

Chapter 827: He Was a Traitor

"Ha." Qin Sheng laughed mockingly. "Showing his face in public? It seems that First Aunt hasn't come out of her feudal mindset."

Mother Lin was so angry that her chest heaved up and down vigorously. She pointed at Qin Sheng and said, "The matter between my son and me is not something that a person who has just returned to the Lin family should interfere with."

"Your son is my Second Brother," Qin Sheng said in a very indifferent tone.

Lin Haocheng saw that Qin Sheng had been defending him, so he did not back down anymore. He stood up, "Mom, Sheng Sheng is right. I have no obligation to help you curry favor with the Wu family. I will not give my computer to Wu Jinghao. In the future, I will not give him anything. If you want to give it to him, you have to think of a way."

Mother Lin did not expect Lin Haocheng to talk to her like this.

Previously, when she asked Lin Haocheng what she wanted, he might reject her at first, but in the end, he would usually give it to her.

Lin Haocheng must have rejected her like this because of Qin Sheng.

Mother Lin gritted her teeth and said, "Lin Haocheng, I am your mother. You have to listen to me."

Lin Haocheng glanced at her face but did not say anything.

Qin Sheng pulled his wrist without batting an eyelid. When Lin Haocheng met Qin Sheng's worried gaze, the bitterness in his heart disappeared.

Fortunately, he had a considerate and precious little sister.

The corners of his lips curled up into a smile as he comforted her, “Sheng Sheng, I’m fine. I’m already used to this.”

Mother Lin pointed at Lin Haocheng, her whole body trembling with anger. “Lin Haocheng, you actually listen to an outsider! I’m your mother, and you don’t even listen to me. I don’t have a son like you who is a traitor.”

Lin Haoyu also frowned and said, “Mother, Sheng Sheng is right. You are indeed wrong in this matter. As a mother, you can’t sacrifice your own son’s interests for others. Haocheng doesn’t owe you anything.”

When Lin Haoyu appeared, Mother Lin became even angrier.

She also felt wronged. Why were they all on Qin Sheng’s side?

Lin Haoyu was her pride. Although she was very bad to Lin Haocheng, Lin Haoyu was different. She would often take care of Lin Haoyu. She didn’t expect Lin Haoyu to also side with Qin Sheng.

“It seems that I really can’t control you two brothers,” Mother Lin said in a low voice.

At this moment, Father Lin came down from upstairs.

He could clearly feel the change in the atmosphere in the living room. He frowned and asked, “What happened?”

Old Master Lin’s expression was very bad, “A certain someone did not want to hold a banquet for Sheng Sheng and even asked Haocheng to give his computer to Wu Jinghao. She said that the Wu family is poor and the Lin family is rich, so we should help the Wu family. Lin Chengye, your wife is really sensible.”

Father Lin also felt embarrassed

He understood Wu Wanrong’s character, but she would usually restrain herself. He didn’t expect that today, she would actually disregard her own image.

1

He berated with a dark face, “Wu Wanrong, go back to your room!”

Mother Lin also felt that she didn’t want to stay here anymore. She snorted coldly and went back to her room.

Lin Haocheng was a big-hearted person. The emotions he had just now quickly disappeared.

However, he still showed a pitiful expression on his face. “Sheng Sheng, thank goodness I have you. My mother has despised me countless times over the years. This is the first time someone has protected me like this.”

Lin Haoyu: “...”

Old Master Lin: “...”

Was it really alright to lie in front of them like this?

Old Master Lin exposed him. “Sheng Sheng, don’t listen to his nonsense. Other than his mother, his father is also a coward. The rest of the Lin family will protect him.”

As he said this, he deliberately looked at Father Lin.

Father Lin coughed. In front of so many juniors, how could he still want to be insulted like this?

Chapter 828: Opening An Entertainment Company

However, he could not refute his father’s words. It was true that he was not a good father.

Father Lin felt guilty towards Lin Haocheng and had warned Mother Lin countless times in private.

However, she did not change her character.

Not long after dinner, Lin Haocheng and Lin Haoyu sent Qin Sheng back to Fu Garden. The two of them sat on the left and right sides of Qin Sheng.

Lin Haocheng rubbed his hands and asked, “Sheng Sheng, do you plan to open an entertainment company?”

Qin Sheng paused, then raised her eyebrows and asked, “What do you want to do?”

Lin Haocheng had a fawning look on his face. “If you open an entertainment company, I want to join your company.”

He was afraid that Qin Sheng would not be willing. He promised again, “Sheng Sheng, you open an entertainment company. With me around, you will definitely not suffer any losses. Even if the other artists in the company don’t make money, with me alone, you don’t have to be afraid. My fees are very high. I can earn one to 200 million just by acting in a movie.”

Qin Sheng teased, “But I remember that you were the spokesperson for Brother Fu’s company, but you didn’t have a single cent.”

Lin Haocheng: “...”

Could you not bring this up?

He had a bitter expression on his face, “Sheng Sheng, your boyfriend is really too evil. He’s rich and powerful. The boss of my company is still afraid of him, so he’s trying his best to squeeze out my value. If I didn’t see him as my brother, I would have quit long ago.”

Lin Haocheng naturally wouldn’t tell Qin Sheng that he was a coward.

He still had to establish a tall and mighty image in front of Qin Sheng.

A hint of a smile flashed across Qin Sheng’s eyes as she denied, “He’s not evil.”

Lin Haocheng: “...”

He felt very uncomfortable.

Lin Haocheng was holding back his anger. "ShengSheng, don't you feel that you have a filter on Fu Hanchuan?"

Qin Sheng frowned. "Do I?"

Lin Haocheng nodded. "Yes."

Qin Sheng did not hesitate anymore. "It's good that I have a filter."

Lin Haocheng choked to death.

It was over. His sister was completely mesmerized by Fu Hanchuan. Why didn't he know that Fu Hanchuan had such abilities?

Wasn't his EQ low and he did not get close to women?

Lin Haocheng changed the topic. "Sheng Sheng, really. You can consider opening an entertainment company. With me around, there's absolutely no problem."

Lin Haocheng really wanted Qin Sheng to open an entertainment company.

This way, Fu Hanchuan wouldn't dare to casually squeeze him.

Qin Sheng raised her eyebrows and deliberately teased Lin Haocheng, but she didn't say anything.

Lin Haocheng thought that Qin Sheng wouldn't agree, so he became anxious. "Sheng Sheng, I'll give you the money to open an entertainment company. The company can still be yours. The money I earn from acting, participating in variety shows, and being a spokesperson, I'll give it all to the company. I don't want a single cent."

As he said this, Lin Haocheng felt a little conflicted.

After all, he wanted to earn more money to support Qin Sheng.

If he did not have the money to film, Lin Haocheng would feel a little heartache.

Qin Sheng did not continue to hang on to Lin Haocheng. She nodded her head and said, "Sure, but if you give me money and filming, I don't want a single cent. There's no need for that."

There was a visible joy on Lin Haocheng's face.

Then, he heard Qin sheng say, "The entertainment company is probably ready now. As for the employees, they're also in the midst of recruiting."

Lin Haocheng: "..."

Why did it feel like Qin Sheng had already set her sights on him a long time ago? Was she just digging a hole for him to jump into?

With this thought in mind, Lin Haocheng asked, "Sheng Sheng, have you been thinking of letting me join your company for a long time?"

Chapter 829: Enmity Between the Two Parties

Qin Sheng did not deliberately hide it. She nodded and said, "Yes."

Lin Haocheng looked sullen. "Sheng Sheng, don't imitate Fu Hanchuan."

Qin Sheng frowned and denied, "I didn't imitate Brother Fu."

She had not intended to trick Lin Haocheng. She had intended to tell Lin Haocheng about this matter directly, but she did not expect Lin Haocheng to bring it up first.

Lin Haocheng moved his lips but did not speak in the end.

Forget it. He had spoiled his own sister. It was fine even if he knelt down.

He could tell that Qin Sheng was as black-bellied as Fu Hanchuan.

Even so, he still felt that Qin Sheng was, uh... very cute.

Lin Haoyu sat on the right side of Qin Sheng. He had been listening to Lin Haocheng and Qin Sheng's conversation, and he felt very jealous.

However, when he faced Qin Sheng, he was very dumb and did not know how to speak.

When they were about to reach Fu Garden, Lin Haoyu finally found an excuse. "Sheng Sheng, you started a company? I can help you."

Qin Sheng rejected him. "No need. I can handle it myself."

Lin Haoyu choked for a moment. He was silent.

At that moment, he really despised himself for being dumb.

Unknowingly, the car arrived at Fu Garden.

After Lin Haocheng and Lin Haoyu sent Qin Sheng back, they did not leave immediately. Instead, they followed Qin Sheng into the villa.

Fu Hanchuan was sitting on the sofa and reading the newspaper.

However, his mind was rarely on the newspaper. He would occasionally raise his hand to look at his watch.

It was already 7 pm, but Qin Sheng was still not back.

He could not help but contact Qin Sheng with QQ.

Fu Hanchuan: [Sheng Sheng, when will you be back?]

Qin Sheng quickly replied, [I'll be there soon.]

Fu Hanchuan was slightly relieved. [Okay.]

He put the newspaper aside and went outside the villa. He was waiting for Qin Sheng.

Not long after, Fu Hanchuan heard Lin Haocheng's voice.

He frowned slightly.

He could not care too much. He strode over and took the bag from Qin Sheng's hands. He asked in a low voice, "Sheng Sheng, are you tired?"

Qin Sheng shook her head. "No."

Lin Haoyu did not speak. He narrowed his eyes and sized up Fu Hanchuan.

Before this, he had never seen Fu Hanchuan before.

He heard from Old Master Lin and Lin Haocheng that Fu Hanchuan was very powerful and had an outstanding IQ.

Lin Haoyu had once admired Fu Hanchuan and wanted to meet Fu Hanchuan.

Now that they had met, he was very displeased with Fu Hanchuan.

The main reason was that Fu Hanchuan had become Qin Sheng's boyfriend early on. Although Lin Haoyu thought that it would be great for Qin Sheng to have Fu Hanchuan as her boyfriend, however, he felt that Fu Hanchuan had acted too early.

At this moment, Fu Hanchuan was completely focused on Qin Sheng and did not notice Lin Haoyu.

Fu Hanchuan and Qin Sheng were very close to each other. When they walked into the villa, Fu Hanchuan stopped and said with a frown, "You can go back now."

Lin Haoyu was the first to enter the villa. "There's no rush. You're Sheng Sheng's boyfriend. I just happen to want to get to know you."

Only then did Fu Hanchuan notice Lin Haoyu.

Lin Haoyu was a business genius. Everything in the Lin Corporation's company was managed by Lin Haoyu alone.

The capital's news media had often reported on Lin Haoyu.

Fu Hanchuan recognized him at a glance.

Lin Haoyu extended his hand. "Hello, Mr. Fu. I'm Lin Haoyu, the general manager of the Lin Corporation."

"Hello."

Fu Hanchuan also extended his hand. They only shook for a moment before they separated. They could see the hostility in each other's eyes.

Fu Hanchuan poured Qin Sheng a cup of tea.

Chapter 830: Called Him Big Brother

Lin Haocheng placed a teacup in front of Fu Hanchuan, waiting for Fu Hanchuan to pour the tea for him. Unexpectedly, after Fu Hanchuan poured the tea for Qin Sheng, he put down the teapot.

“Go ahead.”

Lin Haocheng felt very uncomfortable. After scolding Fu Hanchuan, he could only obediently pour the tea for himself.

However, there was no more water in the teapot.

Lin Haocheng put down the teapot. “Fu Hanchuan, there’s no more tea.”

He felt a little smug.

This time, Fu Hanchuan was going to pour tea for him.

Lin Haocheng’s little calculations were very sound.

However, Fu Hanchuan only glanced at him lightly. “The kitchen is over there. Boil the water and make it yourself.”

Lin Haocheng: “...”

After a long while, Lin Haocheng finally said, “Fu Hanchuan, I’m a guest!”

Fu Hanchuan said expressionlessly, “Do you treat yourself as an outsider? You’re Sheng Sheng’s cousin.”

Hearing this, Lin Haocheng felt extremely stifled. He really wanted to say that he did not want to drink anymore, but his throat was very dry.

The corner of his lips forced out a smile. He gritted his teeth and said word by word, “Okay, I’ll go.”

Lin Haocheng entered the kitchen.

Lin Haoyu narrowed his eyes and said, “Sheng Sheng is the granddaughter of the Lin family. You know the family background of the Lin family. Sheng Sheng is also very capable in all aspects. I wonder, Mr. Fu, what is your family background like?”

Lin Haoyu almost said that Fu Hanchuan was not good enough for Qin Sheng.

Of course, Lin Haoyu did not look down on Fu Hanchuan. It was just that Fu Hanchuan had already taken Qin Sheng as his girlfriend long ago. Lin Haoyu’s heart was very upset. He always felt that Fu Hanchuan’s actions against Qin Sheng, who had just finished her college entrance examination, were very shameful.

Just by looking at the decorations in Fu Garden, one could tell that Fu Hanchuan was not short of money.

However, Lin Haoyu did not notice this.

Fu Hanchuan sneered, “Mr. Lin is very capable. He managed such a big company like the Lin Corporation at such a young age.”

Lin Haoyu was not modest. He nodded. "We Lin family members are all very strong. Sheng Sheng is the same."

Fu Hanchuan did not beat around the bush. He said directly, "I started a company."

Lin Haoyu frowned and said, "Haven't you always worked at HD Group?"

He did not know that Fu Hanchuan was the CEO of HD Group.

Lin Haocheng and Old Master Lin did not tell him.

Fu Hanchuan raised his eyebrows. "I am the behind-the-scenes CEO of HD Group."

Lin Haoyu's frown deepened.

The behind-the-scenes CEO of HD Group was indeed surnamed Fu.

It was impossible for Fu Hanchuan to lie.

Lin Haoyu put on a fake smile and said, "Mr. Fu's ability is indeed very strong."

Fu Hanchuan nodded and agreed, "Indeed."

Lin Haoyu originally wanted to use the Lin Corporation to let Fu Hanchuan see his ability clearly so that he would cower and be with Qin Sheng later.

However, at this moment, he heard that Fu Hanchuan was the mysterious mastermind behind HD Group.

He was completely speechless.

Fu Hanchuan smiled and said, "Big Brother, my company has moved to the capital now. Perhaps we can work together."

Lin Haoyu felt that Fu Hanchuan's 'Big Brother' was very harsh.

"You're not married to Sheng Sheng. You don't have to call me Big Brother. Just call me by my name."

Fu Hanchuan smiled but did not reply.

Lin Haoyu mustered up his courage and told Qin Sheng, "Sheng Sheng, don't get married to Fu Hanchuan too early. It's better for girls to get married after they turn 22."

In the end, he added, "The later the better."

In his heart, he always thought that Fu Hanchuan would go over and kidnap Qin Sheng to the Civil Affairs Bureau when Qin Sheng turned 18.

Therefore, he wanted to give Qin Sheng a good shot early.
