Chapter 871: He Was Cuckolded

It was obvious that Fu Hanchuan had noticed them.

These hedonistic sons felt a chill down their spines and looked toward Fu Hanchuan. They just happened to meet Fu Hanchuan's cold gaze.

Their bodies trembled. They had a feeling that Fu Hanchuan would kill them if they continued to speak.

They didn't dare to speak anymore.

Of course, these few good-for-nothings did not end well when they went back. Fu Hanchuan remembered them. After the banquet ended, he caused trouble for their family and they lost a few big partnerships.

The reason Fu Hanchuan gave them was to control their genitals and lower half of their bodies.

Because of this, these few good-for-nothings suffered a good beating at home. Some even lost their pocket money.

They quickly thought of Fu Hanchuan. They regretted it. They should not have thought about Qin Sheng.

Fu Hanchuan would not allow anyone to set their sights on Qin Sheng.

On the other side, Zhao Xiang heard everyone's discussion about Qin Sheng, and the corners of her lips curled up proudly.

Qin Sheng was still too young to fight with her.

Zhao Xiang sneered and said, "Fu Hanchuan, this Qin Sheng has cheated on you, yet you're still protecting her. How much do you like her? Or did Qin Sheng give you some kind of bewitching potion to make you die for her?"

Fu Hanchuan's voice was very cold, and his eyes were filled with disgust as he looked at Zhao Xiang. "I trust her. It's not up to you, an outsider, to tell me what to do."

Zhao Xiang was disdainful. "I've seen with my own eyes how intimate Qin Sheng is with a man wearing a mask."

As long as he thought about Qin Sheng, it was clear.

The person Zhao Xiang was talking about was Lin Haocheng.

Only Lin Haocheng had worn a mask to pick her up.

Fu Hanchuan naturally thought of it as well.

Lin Haocheng wanted to rush up and explain again. His sister's reputation could not be tarnished.

However, he was stopped by Qin Sheng.

Qin Sheng wanted to teach Zhao Xiang a lesson. At this moment, the more she jumped, the more she would lose face.

Father Zhao, who was talking to others, noticed them. He asked someone and roughly understood the whole situation. He walked up and said in a deep voice, "Xiang Xiang, apologize now!"

Father Zhao also thought that Qin Sheng was being kept by Fu Hanchuan, so he did not take Qin Sheng seriously.

However, today was the Lin family's banquet. If this happened, it would not be good for the Lin family's reputation.

He was worried that the Lin family would hold a grudge against the Zhao family.

Zhao Xiang did not know where to cause trouble and recklessly did it at the Lin family's banquet.

Zhao Xiang did not feel that she was in the wrong. She straightened her neck and said, "Dad, I'm in the right. Qin Sheng clearly did this, so why can't I say it?"

Father Zhao had a headache. It seemed that he usually spoiled Zhao Xiang too much.

With a dark face, he scolded her in a low voice, "Xiang Xiang, do you want our Zhao family to lose face?"

Zhao Xiang had made up her mind to chase Qin Sheng out.

She directly rushed in front of Lin Haoyu. "President Lin, Qin Sheng snuck in and is kept by a sugar daddy. The people invited to this Lin family banquet are all important figures of high status. It's not appropriate for her to appear here. It will lower the level of the banquet."

Lin Haoyu raised his eyebrows and was about to speak.

A strong voice was heard. "Who is the mistress?"

It was Old Master Lin's voice.

The people who formed a half circle walked to the side and made way for Old Master Lin.

Lin Haocheng smiled and went up to greet him. "Grandfather, someone said that Sheng Sheng is a mistress and is asking Big Brother to chase her out."

Zhao Xiang heard Lin Haocheng's address of Sheng Sheng and had a very bad feeling in her heart.

Chapter 872: The Man Was Him

Old Master Lin's expression darkened. He asked, "Who is it?"

Lin Haocheng pointed at Zhao Xiang. "Her, the daughter of the Zhao family."

Father Zhao's heart skipped a beat. He quickly apologized, "I'm sorry. I didn't discipline her properly and caused her to cause this incident at the banquet. When I go back, I will definitely teach her a lesson."

After saying that, he glared fiercely at Zhao Xiang. "You've completely embarrassed me, and now you're still not apologizing to this gentleman and lady!"

Zhao Xiang did not dare to say anything at this time.

However, she was unwilling to apologize no matter what. Father Zhao could not make her apologize to Qin Sheng.

Old Master Lin ignored Father Zhao. His gaze fell on Zhao Xiang. "Are you the one who said that Sheng Sheng is kept as a mistress?"

Zhao Xiang forced herself to nod her head. "Yes, Qin Sheng is kept as a mistress by a man. There is more than one."

Father Zhao stood at the side, cold sweat beading on his forehead.

Did Zhao Xiang have a brain? Didn't she hear Old Master Lin call her Sheng Sheng?

Old Master Lin must have known Qin Sheng since he addressed her like that.

He was thinking about his excuse when he heard—

"Ha." Old Master Lin sneered. "My, Lin Zhengtao's, granddaughter still needs to be kept?"

He looked at Fu Hanchuan and snorted. "Some people are too eager to come over."

'Some people' was talking about Fu Hanchuan.

Zhao Xiang raised her head in disbelief.

Qin Sheng was the granddaughter of the Lin family? Was this banquet held for her?

1

Ye Yutong, who had been watching the show, was also taken aback.

Qin Sheng had such a background?

She clenched her fists tightly, her heart filled with unwillingness.

Qin Sheng was actually the granddaughter of the Lin family. Her background was not inferior to hers. How could she?

She should be a pitiful little girl.

A person who did not have parents to dote on her and had no family background.

Ye Yutong's face turned pale. Did that mean that she would not have a chance?

She had lost her only bargaining chip.

Even she had to admit that Qin Sheng was more outstanding than her in all aspects. Previously, she had relied on her family background to be better than Qin Sheng. Now, this last point had been surpassed by Qin Sheng.

Zhao Xiang reacted and shouted, "Impossible! How could Qin Sheng have such a background? Isn't she kept by a man?"

Lin Haocheng sneered, "Fu Hanchuan is Sheng Sheng's boyfriend. How could she be kept? Even if someone was kept, it should be Sheng Sheng who kept Fu Hanchuan."

Fu Hanchuan did not refute his words. He nodded in agreement, "That's true. I sent her here."

Wasn't it true?

Back then, Fu Hanchuan had spent a lot of effort to make Qin Sheng fall in love with him. He had set up a trap step by step so that Qin Sheng would not know what he was thinking.

It had been half a year since he had started to confess to Qin Sheng after Qin Sheng had fallen in love with him.

Qin Sheng coughed lightly and her ears turned a little red.

Zhao Xiang was still unwilling to believe it. "How about Qin Sheng and the other man?"

Lin Haocheng raised his eyebrows and said, "The man with the mask is me."

Zhao Xiang quickly took out her phone and compared Lin Haocheng to the man in the photo.

His eyes, hairstyle, and figure were all very similar to Lin Haocheng.

With a bang, the phone fell to the ground.

Zhao Xiang was stunned on the spot.

The misunderstanding was cleared up. It was purely Zhao Xiang who was making trouble without reason.

The guests wiped away their cold sweat. They did not expect that the person they were discussing just now was the main character of this banquet, the granddaughter of the Lin family.

If they were to speak ill of Qin Sheng like that and Lin Haoyu and the rest were present, wouldn't they have offended the Lin family?

Chapter 873: She Did Not Accept An Apology

Thinking of this, they could not help but complain about Zhao Xiang.

"Doesn't Zhao Maotong often brag about his daughter? He even said that she was ranked 20th in this college entrance exam. If everything is good, then isn't she just creating rumors and trouble outside?"

"It seems that we don't have to cooperate with the Zhao Corporation any more. With such a daughter, I don't think Zhao Maotong will be any better. One day, we won't even know that we were tricked by Zhao Maotong."

"After we go back, I have to quickly withdraw my cooperation with the Zhao Corporation. They have offended the Lin family, so the outcome won't be good. We better not be implicated by them."

“We just said bad things about the Lin family’s granddaughter. We can only hope that the Lin family won’t pursue this matter.”

Father Zhao listened to some of their words. Most of these people had companies under their names that worked with the Zhao Corporation.

He could already imagine that after the banquet ended, there would be a lot of companies coming to cancel the cooperation.

This was undoubtedly a very serious blow to the Zhao Corporation.

Zhao Xiang was still standing where she was. It was obvious that she did not want to apologize.

Father Zhao was furious. He raised his hand and slapped Zhao Xiang hard on the face.

Zhao Xiang was stunned.

Father Zhao usually indulged Zhao Xiang to the extreme. He rarely scolded her, let alone hit her.

Zhao Xiang did not expect Father Zhao to do such a thing. The pain on her face caused Zhao Xiang’s tears to fall. She covered half of her face and felt extremely wronged.

Her father actually hit her in front of so many people.

She could already feel the strange gazes of these people on her.

She felt a lump in her throat. “Dad, you actually hit me?!”

The moment Father Zhao’s palm landed, he regretted it. But now, he could not afford to be biased toward Zhao Xiang.

He darkened his face and said again, “Apologize immediately.”

Zhao Xiang bit her lip and struggled for a while before she slowly came to Qin Sheng.

Her voice was so soft that even Qin Sheng could not hear her. “Qin Sheng, Mr. Fu, I’m sorry.”

Lin Haocheng jeered from the side. “Did you apologize? I didn’t hear you.”

Zhao Xiang could only apologize again. “I’m sorry.”

Lin Haocheng picked his ears. “It’s still soft. Sheng Sheng, did you hear that?”

“No.” Qin Sheng shook her head seriously.

Fu Hanchuan had a doting look on his face. It seemed that his little girl was teasing others again.

However, Fu Hanchuan did not think that Qin Sheng was evil. Instead, he felt that... she was very cute.

Zhao Xiang glared at Qin Sheng angrily. Qin Sheng could clearly hear her voice.

She could tell that Qin Sheng was purely trying to embarrass her.

Zhao Xiang did not speak for a long time.

Lin Haoyu stood out. He looked at Father Zhao and frowned. "President Zhao, this is your attitude?"

Now, Lin Haoyu was in charge of all the affairs of the Lin Corporation. Lin Haoyu's methods in the business world were extremely ruthless. Very few people dared to provoke him.

He was very tall.

At this moment, when he stood in front of Father Zhao, Father Zhao felt a strong sense of oppression that almost suffocated him.

Father Zhao did not dare to offend Lin Haoyu.

He glared at Zhao Xiang. "Apologize immediately."

Father Zhao's face was so dark that ink could drip from it.

Zhao Xiang knew that Father Zhao was completely enraged. She gritted her teeth and bowed to Qin Sheng. "Qin Sheng, Mr. Fu, I'm sorry. I've offended all of you. Please forgive me."

She lowered her voice, but her gaze was as if she wanted to kill Qin Sheng.

Qin Sheng curled her lips. "I don't accept it."

Chapter 874: Offended His Sister

Zhao Xiang clenched her fists tightly. She only used a voice that the two of them could hear and said angrily, "Qin Sheng, you tricked me!"

It was rare for Qin Sheng to be in a good mood today. That was why she wasted so much time on Zhao Xiang.

When she heard this, she did not hide it. "Yes."

Zhao Xiang's face was gloomy. "Is it fun to fool me?"

Qin Sheng said lightly, "It is indeed very fun. Zhao Xiang, the fault lies with you. You have repeatedly come to my door and tried to trip me up. I will return to people who have offended me ten times, a hundred times, or even a thousand times over."

Qin Sheng was not a saint. She could not forgive someone who had offended her.

Even if Qin Churou's parents came to her door to admit their mistakes and even chased Qin Churou out of the Qin family, Qin Sheng would not waver in the slightest.

After what happened in her previous life, Qin Sheng had long tempered a heart of stone.

Hearing this, Zhao Xiang's back suddenly felt a chill.

In an instant, she felt that Qin Sheng was very scary.

She felt some fear in her heart.

Qin Sheng did not deliberately lower her voice. Many people around her heard Qin Sheng's words clearly.

They touched their arms.

It seemed that the granddaughter that the Lin family had just recognized was just like Lin Haoyu. She was a ruthless character.

Thinking of this, they did not dare to offend Qin Sheng.

Of course, they did not think that Qin Sheng was strong. They could not afford to offend Qin Sheng just because she had the backing of the Lin family.

At this moment, Zhao Xiang did not dare to offend Qin Sheng in front of so many people. She could only stand beside Father Zhao and lower her head. "Father, I want to go back."

Father Zhao originally wanted to bring Zhao Xiang over so that she and Qin Sheng could become friends.

He did not expect her to offend Qin Sheng the moment they met.

Father Zhao hated the fact that she did not live up to his expectations. He also knew that he could not stay any longer today.

Father Zhao nodded and said, "President Lin, Old Master Lin, I will bring my daughter home now and discipline her properly."

"Heh." Lin Haoyu sneered. "She offended my sister. Can she leave so easily?"

Father Zhao's face stiffened. "Didn't Xiang Xiang already apologize? She also received the punishment she deserved."

"But she destroyed my sister's reputation that she's being kept as a mistress. If this gets out, where will my sister's face go?" Lin Haoyu was unwilling to let it go.

He had long wanted to stand out and teach Father Zhao a lesson.

However, Qin Sheng had her own plan, so he could only endure it for now.

Father Zhao was speechless for a moment.

He thought for a long time before saying, "My daughter misunderstood. President Lin, I'll hand my daughter over to you. You can do whatever you want with her."

Father Zhao had a fawning look on his face.

In front of the company and Zhao Xiang, he chose the company without hesitation.

He felt that the Lin family couldn't do anything to Zhao Xiang. If Zhao Xiang suffered a little, this matter would be over.

However, if the Lin family attacked the Zhao Corporation, it would be very difficult for the Zhao Corporation to accept it.

However, when these words fell into Zhao Xiang's ears, she felt that Father Zhao only cared about his own interests and didn't want her anymore.

Zhao Xiang widened her eyes in disbelief. "Father, you don't want me?"

The guilt that had just risen in Father Zhao's heart was instantly dispelled by Zhao Xiang's words.

He felt that Zhao Xiang was insensible and only cared about herself. She did not understand his intentions at all.

Father Zhao looked at Lin Haoyu nervously. "President Lin, look, it's my daughter who is insensible. Can you let her go? I can guarantee that she will not make such a mistake next time."

Chapter 875: Was Where She Was Expelled From School

Lin Haoyu raised his eyebrows and looked at Qin Sheng dotingly. "But my sister won't forgive you."

Father Zhao was afraid that Lin Haoyu would make a move on the Zhao Corporation, so he quickly turned to Qin Sheng. "Miss Qin, you are the same age as Xiang Xiang. She is currently studying at Imperial Capital University and her results are quite good. She also got 20th place in this college entrance exam. In the future, if you have any problems with your studies, you can look for Xiang Xiang. See if you can forgive Xiang Xiang. In the future, the two of you can still be friends."

Qin Sheng narrowed her eyes and sized up Father Zhao. The mockery in her eyes became more and more intense. She opened her red lips slightly and said, "My name is Qin Sheng."

Father Zhao was stunned. He did not understand what Qin Sheng meant.

Why did she tell him her name?

He frowned. This name actually felt very familiar to him, but he could not remember it at the moment.

At this moment, Zhao Xiang's mind was clear. She had guessed Qin Sheng's purpose.

Her heart was in her throat.

She tugged at Father Zhao's clothes. "Dad, let's go back. Don't stay here and let them humiliate us."

Father Zhao naturally wouldn't agree. If they went back just like that, he couldn't bear the consequences of the Lin family dealing with their company.

He pulled Zhao Xiang's hand away and said angrily, "I'm cleaning up your mess. Zhao Xiang, if you embarrass me again, get out of the Zhao family."

Zhao Xiang shrank her neck and did not dare to speak.

When Father Zhao faced Qin Sheng, he was respectful and humble. In Zhao Xiang's eyes, she was very unwilling.

Zhao Xiang had always thought that her father was omnipotent. She did not expect that he would lower his voice in front of Qin Sheng today.

Father Zhao asked fawningly, "Miss Qin, what do you want?"

Qin Sheng curled her lips. "I'm also a student of Imperial Capital University. Back then, you threatened the principal to expel me, right? The reason was that I was kept as a mistress and my morals were corrupted."

Father Zhao's flattering smile froze on his face.

He had also completely remembered Qin Sheng's words.

Wasn't the 'kept as a mistress' student that Zhao Xiang had mentioned at Imperial Capital University the same as the one that Zhao Xiang had accused Qin Sheng of being kept as a mistress at the banquet?

By making Qin Sheng withdraw from the university, she had instead snatched away the shares of Imperial Capital University.

At that time, he had told Zhao Xiang not to offend Qin Sheng. Even if Qin Sheng was kept as a mistress, the financial backer behind her was not simple.

He did not expect Zhao Xiang to throw his words to the back of her mind.

When Lin Haocheng heard Qin Sheng's words, he instantly exploded, "Sister, this Zhao Maotong actually dared to arrange for someone to make you drop out of school? If it wasn't for your strong ability and being just an ordinary person, you would not have been able to continue staying in Imperial Capital University for a long time. No, I must avenge you."

Lin Haoyu raised his eyebrows and asked, "You are just a celebrity. You have money, but your connections and influence are not strong."

He was mercilessly exposing Lin Haocheng's shortcomings.

Normally, he would take Lin Haocheng's feelings into consideration, but now, in front of Qin Sheng, he did not want to fall into a disadvantageous position.

Hearing this, Lin Haocheng's next words were stuck in his throat.

Lin Haoyu was really right. He indeed did not have this kind of ability.

Lin Haocheng could only reluctantly say, "I'll let my big brother take revenge for you."

Fu Hanchuan frowned and said, "Sheng Sheng and I have already settled this matter. There's no need for you to do anything."

Lin Haocheng's expression was very ugly at this moment.

How could he forget that Fu Hanchuan, this big bad wolf, was watching from the side like a tiger watching its prey?

Fu Hanchuan was a scheming person. He would naturally not let go of this opportunity to curry favor with Qin Sheng.

Chapter 876: Withdrawal of Cooperation

Lin Haocheng gritted his teeth.

However, when he saw Lin Haoyu's equally ugly expression, he felt much better.

In any case, there was nothing he could do to help, and Lin Haoyu, who had the ability, could not get in either.

Lin Haoyu tried his best to endure. After a minute, he finally managed to squeeze out a sentence, "Sheng Sheng, in the future, if you have any problems, you can look for Big Brother to help you. Although this Fu Hanchuan is your boyfriend, there will always be times when it's inconvenient."

"Okay," Qin Sheng agreed obediently. Anyway, she didn't really need their help.

Of course, even if she needed help, Qin Sheng would still ask Fu Hanchuan for help at the first moment.

1

In Qin Sheng's heart, Fu Hanchuan was much closer than the Lin family. Even Old Master Lu and the Lin family couldn't compare.

If Lin Haocheng, Lin Haoyu, and Old Master Lin knew what Qin Sheng was thinking, they would probably vomit blood.

When Lin Haoyu saw Qin Sheng agree, a smile appeared on his face.

The people around him looked as if they had seen a ghost when they saw Lin Haoyu's smile.

Lin Haoyu could be considered a cold-faced demon. When they were dealing with Lin Haoyu, Lin Haoyu had always been very cold and expressionless. They all thought that Lin Haoyu would never smile.

Lin Haoyu's doting attitude toward Qin Sheng made them re-evaluate Qin Sheng's status in the Lin family.

Although Qin Sheng was a granddaughter that they had just recognized, it was obvious that Qin Sheng's status was extremely high.

Thinking of this, they all urged their sons and daughters that they had brought over, telling them not to offend Qin Sheng and to try their best to curry favor with her.

Father Zhao stood where he was. He did not know how to respond. He was even more dissatisfied with Zhao Xiang.

She had actually caused him such big trouble.

Zhao Xiang knew that she was in the wrong. She lowered her head and tried her best to minimize her presence.

Father Zhao was waiting for Lin Haoyu's judgment.

His palms were sweating. The Lin family had made up their mind to seek justice for Qin Sheng. Father Zhao knew that he could not sway Lin Haoyu.

Seeing that the banquet was about to begin, Lin Haoyu did not waste any more time with Father Lin. He said directly, "The collaboration between the Lin Corporation and the Zhao Corporation has been canceled."

The investment of the Lin Corporation in the project of the Zhao Corporation had already reached 1 billion.

If it was canceled, Father Zhao did not dare to think about it.

At this moment, he wished he could pretend to faint.

However, the thing that made him break down the most was yet to come.

Qin Yufei, who had been silent all this time, also opened his mouth. "Also, the collaboration between the Qin Corporation and the Zhao Corporation will be voided. In the future, the Qin Corporation will not have any collaboration with your company."

Father Zhao's body was completely frozen.

He only felt a buzzing sound by his ear and could not hear anything clearly.

He had worked hard for almost a year to make great concessions to the Qin family to get Qin Yufei to agree to cooperate with him.

The Zhao Corporation was counting on this cooperation to climb up.

If the Lin family canceled the cooperation, it would be a big blow. If the Qin family canceled the cooperation, it would hurt the Zhao Corporation.

In the future, the development of the Zhao Corporation would probably stop here.

Father Zhao's face alternated between green and white. It was wonderful.

He could hear his voice trembling. "President Qin, you, you see, this is just a small fight between children. The cooperation is not small. It concerns billions of dollars a year. President Qin, do you want to reconsider?"

Chapter 877: She Was the Granddaughter-In-Law of the Lu Family

"There's no need. It's just a small company's cooperation. Our Qin Corporation will not take it seriously." Qin Yufei's tone was unquestionable.

The annual profit of the Qin Corporation could reach 100 billion.

And this cooperation with the Zhao family, the annual return would not exceed 6 billion.

Of course, Qin Yufei did not take this small amount of money seriously.

When the directors of the other companies saw that the Qin Corporation and the Zhao family had canceled the cooperation, they also began to have thoughts.

It would be difficult for them to bear this contract breaking fee. However, they could also not renew the contract after the cooperation with the Zhao Corporation had ended.

They were not afraid of offending the Zhao Corporation. On the contrary, they could use this to curry favor with the Qin and Lin families.

If they continued to cooperate with the Zhao Corporation, it was inevitable that they would offend the Qin Corporation.

This was undoubtedly a chain reaction. Father Zhao had caused big trouble for the Zhao Corporation during this banquet. The Zhao Corporation was going to be depressed for a period of time.

Father Zhao was afraid that the Lin family would not give up, so he wanted to leave with Zhao Xiang.

At this time, Old Master Lu stood up. "Sheng Sheng is the future granddaughter-in-law of me, Lu Zhongguo. Her family background is very big. It's not up to you, a small family like the Zhao family, to tell us what to do."

1

Father Zhao's pupils constricted.

Lu Zhongguo?

The Lu Corporation of H City was also ranked in the top ten in the country. It was even higher than the Zhao Corporation and the Lin Corporation.

He did not expect Qin Sheng's boyfriend to have such a background.

Father Zhao could not even stand firm now.

Old Master Lu was not familiar with the company's affairs. He picked up his phone and asked Father Lu, "Has the company cooperated with the Zhao Corporation of Imperial City?"

"No," Father Lu answered truthfully. Then, he asked curiously, "Dad, you've never asked about the company. Did something happen to you?"

Old Master Lu was in a bad mood when he heard Father Lu's answer.

If there was, he could also say that the Lu Corporation and the Zhao Corporation had canceled their cooperation.

At this moment, he actually couldn't help Qin Sheng much.

"How useless."

After Old Master Lu said this, he hung up the phone.

A busy tone came from the phone. Father Lu took the phone in front of him and was very confused. What was wrong with his father this time?

On the other side, Old Master Lu put away the phone.

He snorted coldly and said, "Our Sheng Sheng has everything that she wants. There's no need for her to be kept by someone else. Why is your Zhao family trying to show off in front of Sheng Sheng?"

Although the Lu family and the Zhao Corporation did not cooperate, he still had to protect Qin Sheng. They had to maintain an imposing manner.

Cold sweat broke out on Father Zhao's forehead.

The banquet was about to begin in two minutes. Lin Haoyu raised his hand to look at the time and said mercilessly, "President Zhao, are you going to leave with your daughter, or are you going to let the security guards take you away?"

This was an order to leave.

When Father Zhao wanted to leave, Lin Haoyu did not allow him to say this in front of so many people.

It was obvious that Lin Haoyu was going to embarrass Father Zhao.

Father Zhao did not dare to refute Lin Haoyu and could only leave the hotel with Zhao Xiang dejectedly. His face was flushed red. No one knew if he was angry or embarrassed.

Zhao Xiang lowered her head the entire way, feeling very uneasy.

She also realized how much trouble she had caused today.

Along the way, Father Zhao's face was gloomy, but he did not say a word.

When they reached the hotel entrance, Father Zhao stopped in his tracks.

Zhao Xiang's heart instantly jumped. She moved her lips. "Dad."

Father Zhao looked coldly at Zhao Xiang. "Now that the company is being targeted by the Lin and Qin families, are you satisfied? No, there's even a Lu family added."

Chapter 878: Be His Godgranddaughter

Zhao Xiang bit her lip. She lowered her head and did not dare to speak.

"The Qin Corporation is ranked number one in the country. No matter how international it is, it can still be ranked in the top ten. The Lin Corporation is ranked eleventh, and the Lu family is ranked eighth. And our Zhao Corporation can only be ranked in the top fifty in the country. Because of you, when they attack the Zhao Corporation. Not only them, many companies will follow. Zhao Xiang, you are forcing the Zhao Corporation to a dead end!"

Zhao Xiang's face was pale as she pinched the hem of her dress. "Dad, I... didn't do it on purpose. I don't know."

She was very unwilling. Why did Qin Sheng have such a family background?

And that man, wasn't his family very ordinary? He was only sitting in a car that was worth a few million yuan. How could he be from the Lu family, which was ranked eighth?

Father Zhao did not have a good expression toward Zhao Xiang at this moment. He was very regretful. He usually let Zhao Xiang have her way too much, causing her to be unable to differentiate priorities. She only cared about following her own personality.

At a banquet of the Lin family's standard, even if Qin Sheng did not have any identity, Zhao Xiang should not have exposed her in public.

Father Zhao's face was so dark that ink could drip out. "If you cause trouble for the company in the future, get the h*ll out of the Zhao family! And that Qin Sheng, aren't you in the same class as her? In the future, when you see her, try to avoid her as much as possible."

Father Zhao naturally knew that Qin Sheng was the top scorer in the college entrance examination.

At this moment, he recalled how he had bragged to Qin Sheng that Zhao Xiang had scored 20th place in the college entrance examination. He wished he could go back and stop himself from saying that.

Zhao Xiang was still silent.

Father Zhao's voice rose. "Zhao Xiang!"

Zhao Xiang clenched her fists tightly and said with difficulty, "Okay."

"Hmph." Father Zhao snorted coldly. He was really angered by Zhao Xiang today. He left without looking back and did not pick up Zhao Xiang.

Zhao Xiang stood rooted to the ground in a daze. She felt wronged and indignant.

Tears streamed down her face.

Zhao Xiang had always been doted on and pampered by the Zhao family. She had never experienced such an embarrassing thing.

To be humiliated in front of everyone in the capital's upper-class circle...

Zhao Xiang blamed Qin Sheng for all her mistakes. If it weren't for her, she wouldn't have gone through all this.

1

Of course, Zhao Xiang didn't dare to provoke Qin Sheng for the time being. She stayed quiet for a while.

Father Zhao's words weren't a joke.

—

At the banquet.

The small interlude came to an end. Those people didn't dare to speak ill of Qin Sheng anymore.

Old Master Qin's gaze fell on Qin Sheng, and he nodded with a satisfied expression. The first time he saw Qin Sheng in person, he already had a good impression of Qin Sheng. It was as if he had an innate affinity with her.

1

Old Master Qin didn't think too much about it. He only felt that Qin Sheng was sent by the heavens to be his godgranddaughter.

They were fated.

Old Master Qin said with a smile, looking like a human trafficker. "Sheng Sheng, I heard that you are no longer in contact with your family. Why don't you come to our Qin family and take Qin Yufei as your father? You will be my godgranddaughter in the future."

Qin Sheng frowned and wanted to reject him directly.

Old Master Qin continued to add, "Sheng Sheng, you will not be wronged if you come to our Qin family. Yufei is not married and has not had a child yet. He also does not plan to get married and may be single for the rest of his life. You will be the only child in the Qin family. Look, your surname is also Qin. Aren't we fated?"

1

When Old Master Qin saw Qin Sheng, he threw the matter of Qin Yufei giving birth to his granddaughter to the back of his mind.

He felt that if Qin Sheng came to their Qin family, it would be fine even if Qin Yufei didn't get married.

Chapter 879: Three Old Men Gathered At a Table

Qin Yufei frowned when he heard Old Master Qin's words, but he didn't reject him in his heart.

He didn't plan to get married either.

It would be good if he had a daughter like Qin Sheng by his side.

Old Master Lin rushed up. He pulled Qin Sheng over and protected her behind him, as if he was afraid that Old Master Qin would snatch Qin Sheng away.

He was angry. He had thought that Old Master Qin would target Qin Sheng. However, he didn't think that he would mention at the banquet that he wanted to recognize Qin Sheng as his granddaughter.

Old Master Lin glared at Old Master Qin. "Old Man Qin, do you really think that I don't exist? You actually dare to steal someone's position in front of them?!"

Old Master Qin didn't think much of it. "You are Sheng Sheng's grandfather, and I am her godgrandfather. This doesn't conflict."

Old Master Lin was even angrier. "Old Man Qin, your face is going to be ruined. Let me tell you, Sheng Sheng will definitely not agree!"

"Sheng Sheng has not even spoken yet. How do you know whether she will agree or not?" Old Master Qin snorted coldly.

Old Master Lu also jumped out. "Wait, are the two of you treating me like I don't exist?"

Old Master Lin and Old Master Qin's gazes fell on Old Master Lu at the same time.

1

Old Master Lu straightened his back and said, "I'm the first person Sheng Sheng knows. Logically speaking, I'm the most important person in Sheng Sheng's heart. Both of you should stand aside."

After saying that, he glared at Old Master Qin and said, "You're not related to Sheng Sheng by blood. What are you doing here?"

Old Master Qin was not convinced. "Aren't you also not related to Sheng Sheng?"

Hearing this, Old Master Lu puffed out his chest and said proudly, "Sheng Sheng is my grandson's girlfriend. She will enter the Lu family in the future. How can she not have something to do with me?"

Old Master Qin choked. There was a sense of anger in his heart, and he did not feel good about it.

Old Master Lin did not give Old Master Lu a good look. "You still have the cheek to say that? Fu Hanchuan had his eyes on Sheng Sheng a long time ago. She has just come of age."

"That's because my grandson is capable." It was rare for Old Master Lu to find Fu Hanchuan useful, and his tone was very smug.

Old Master Lin could not stand Old Master Lu's smug look.

He had yet to take care of his family's cabbage properly, and she was already being taken advantage of by a stinky pig. How could he tolerate this?

Old Master Lin took a deep breath and forcefully suppressed the anger in his heart.

"Sheng Sheng hasn't married Fu Hanchuan yet. Who knows what will happen in the future?" Old Master Lin choked Old Master Lu.

The Lin family was Qin Sheng's family. There was no escape.

And Qin Sheng and Fu Hanchuan might break up in the future. Naturally, at that time, Qin Sheng and the Lu family would no longer have a relationship.

Old Master Lin was angry. How could Fu Hanchuan act so quickly?

Old Master Lu snorted coldly. "Just think about it. I have the confidence that Sheng Sheng will be my granddaughter-in-law. Sheng Sheng and Hanchuan will never be separated."

The three old men gathered together. It was very lively.

Old Master Qin suddenly bypassed Old Master Lin and came to Qin Sheng. He asked, "Sheng Sheng, how about coming to our Qin family?"

His eyes were filled with anticipation.

Since Qin Yufei didn't want to give birth for him, he would go and look for his granddaughter.

Old Master Qin didn't know why he had such a good impression of Qin Sheng. At first glance, he had fallen in love with Qin Sheng. There was a voice in his heart telling him crazily to take Qin Sheng home and acknowledge her as his granddaughter.

Old Master Qin had never been a person who wronged himself, so he followed his heart.

Chapter 880: Her Fate Was Good

Qin Sheng rejected without thinking, "I don't need it."

Old Master Qin was not willing to give up just like that. "Sheng Sheng, think about it carefully. There's no rush."

His tone was quite amiable.

Although Qin Sheng rejected him, he did not feel that Qin Sheng did not know what was good for her.

On the contrary, he felt that Qin Sheng was very straightforward and was not a person who was greedy for vanity.

The Qin family was the number one wealthy family in China. If it were any other girl, she would definitely agree without a second thought when she heard that the Qin family wanted to treat her as their granddaughter.

Qin Sheng was still holding Fu Hanchuan's arm. The two of them were very close and looked extremely intimate.

Old Master Qin had already treated Qin Sheng as his granddaughter.

He looked at the actions of the two of them and found them extremely annoying.

He mumbled, "Even though they're boyfriend and girlfriend, they can't be so close in public. This Fu Hanchuan doesn't know his limits at all."

Of course, his voice was very soft.

Old Master Qin naturally knew that there was nothing wrong with their actions. He just felt uncomfortable and complained for a while.

Qin Sheng didn't notice them.

Fu Hanchuan listened to Old Master Qin's words.

He had a headache.

Why did everyone not want him to be with Qin Sheng?

1

They even came to snatch Qin Sheng away from him.

Fu Hanchuan felt suffocated. He wanted to go over and register with Qin Sheng immediately so that he could keep Qin Sheng by his side.

But he couldn't do it now.

Qin Sheng wasn't old enough yet.

He could only keep an eye on Qin Sheng for the remaining two years.

The guests nearby noticed the commotion.

They were dumbfounded. "The Qin family wants to treat Qin Sheng as their granddaughter?"

"Didn't the Qin family look down on adopted children? There were many people who sent their daughters to the Qin family before, but they were all rejected."

"What kind of magic does this Qin Sheng have?"

"If the Qin family, Lin family, and Lu family were to join forces, wouldn't it be like ascending to heaven?"

1

They also understood more clearly that they could not provoke Qin Sheng.

Just the Lin family alone was already too much for them to handle. If the Qin family and Lu family were to join forces to deal with their company, they simply could not handle it.

After thinking it through, the few of them shut their mouths one after another.

The hotel was silent for a moment.

The banquet was about to begin, but Old Master Qin did not persuade Qin Sheng for the time being.

Everyone sent gifts to Qin Sheng.

There were jewelry, antiques, and other things. Lin Haocheng gave Qin Sheng three sets of jewelry, and Lin Haoyu gave Qin Sheng a few more houses.

Ye Yutong looked at Qin Sheng who was surrounded in the middle from afar.

She held her hands by her side, her eyes filled with jealousy.

Why was Qin Sheng's life so good?

Father Ye was very curious about Ye Yutong's reaction. "Yutong, didn't you say that you were going to get to know Qin Sheng?"

Ye Yutong gritted her teeth and said, "Dad, I know her."

"You know her?" Father Ye frowned.

Ye Yutong pointed at Fu Hanchuan. "The man next to her is the Fu Hanchuan that I told you about."

Ye Yutong had mentioned Fu Hanchuan in front of Father Ye many times, so Father Ye naturally knew him.

“Fu Hanchuan?” Father Ye frowned. “Didn’t the Fu family make an agreement with the Ye family to let you marry him? Why is he with another woman?”

Fu Hanchuan was the grandson of the Lu family. Father Ye had taken a fancy to the Lu family’s company, so he had agreed to let Ye Yutong be with him.

A few months ago, Ye Yutong also returned to H City to look for Fu Hanchuan.

Ye Yutong was extremely outstanding in all aspects.

Father Ye did not expect Fu Hanchuan to take a fancy to another woman.
