

Bigshot 881

Chapter 881: Qin Sheng Was Under His Care

Ye Yutong's eyes flashed with resentment. "It's all because Qin Sheng has the means."

"Yutong, then don't get together with Fu Hanchuan. We don't care about a mere Fu Hanchuan. No matter how rich the Lu family is, Fu Hanchuan is only the grandson of the Lu family. In the future, the Lu family's money will not be able to reach Fu Hanchuan," Father Ye said disdainfully. He looked down on Fu Hanchuan.

1

If he had the ability, he would not set up his own company and gone to HD Group to work for others.

1

No matter what, his income was limited.

If it were not for the Lu family, Father Ye would not have agreed to let Ye Yutong and Fu Hanchuan get together so easily.

Ye Yutong was very stubborn. "Dad, I will never give up like this. He can only be mine."

Father Ye sighed and could only let Ye Yutong be.

On the other side, Old Master Lin also took out a gift for Qin Sheng.

It was a contract.

When Mother Lin saw it, she could already guess what it was.

She stared at it fiercely.

Could this Lin Zhengtao really differentiate the severity of the situation? Qin Sheng was only a granddaughter, yet he gave her the shares of the Lin family?

From Mother Lin's point of view, the Lin family had already done their utmost to accept Qin Sheng.

These shares should all be left to her son.

If not for Father Lin's warning, Mother Lin would have rushed forward to stop Old Master Lin.

Old Master Lin smiled as he stuffed the contract into Qin Sheng's hands. "Sheng Sheng, this is 10% of the shares of the Lin Corporation. You are the granddaughter of the Lin family. You deserve this."

As expected!

Mother Lin's eyes were fixed on the contract. This old b*stard not only gave Qin Sheng shares, he even gave her 10%!

1

Father Lin noticed Mother Lin's strange behavior and was afraid that she would cause some trouble.

He warned, "Behave yourself."

Mother Lin gritted her teeth and said, "I really don't know why all of you Lin family members are standing on Qin Sheng's side. Qin Sheng is Lin Shuya's daughter. Have you all forgotten what Lin Shuya did to your Lin family back then? Be careful of raising another ingrate."

Father Lin knew that he had no way to change Mother Lin's mind, so he simply stopped talking to her.

Mother Lin shifted her attention to Qin Sheng.

She was very disdainful in her heart. Qin Sheng had returned to the Lin family because she valued the Lin family's property. She did not believe that Qin Sheng would not be moved by these shares.

The guests present were also in an uproar.

They did not expect Old Master Lin to give the shares to Qin Sheng.

And it was 10% of the shares!

These shares were in the Lin Corporation. Every year, the dividends would be more than 10 billion.

It seemed that the Lin Corporation valued Qin Sheng to the extreme.

Qin Sheng looked at the contract in her hand. She frowned and rejected it. "I don't need it."

Old Master Lin frowned. "Take it. These shares are yours. Sheng Sheng, you are a descendant of the Lin family. Haocheng and Haoyu already have a lot of shares. You are no exception."

Actually, Old Master Lin had already given most of the shares to Lin Haocheng and Li Haoyu.

Lin Haoyu had the most shares in the management company.

And this 10% of the shares was what he had left.

Lin Haocheng also advised, "That's right, Sheng Sheng. You are my sister. These shares are also yours. Take them."

Fu Hanchuan understood Qin Sheng. He knew that Qin Sheng would not accept these shares no matter what. Qin Sheng was a little money-grubber, but she would not accept these large sums of money from the Lin family.

Therefore, he said expressionlessly, "No need. I will take care of Sheng Sheng."

Chapter 882: Be His Daughter

Lin Haocheng stomped his feet. "Fu Hanchuan, what the h*ll is your care? Sheng Sheng hasn't married you yet!"

Qin Sheng coughed lightly and returned the contract to Old Master Lin. "Grandpa, I won't take this money. I'll get what I want myself."

Old Master Lin thought of Qin Sheng's company.

The Three Realms model under Shengshi Technology had a daily income of 100 million now.

Qin Sheng was not greedy for vanity. If he continued to persuade her, Qin Sheng would not accept it.

Old Master Lin said helplessly, "Okay, then this share will stay with Grandpa. In the future, whenever you think it through, you can come and ask Grandpa for it."

Old Master Qin frowned at the side.

If Qin Sheng was greedy for money, then she would soon agree to come to the Qin family.

However, Qin Sheng didn't care about the money. If he wanted her to come to the Qin family, he had little chance of winning.

However, he was patient.

It was not easy for him to meet a girl who was so suitable for him. He wouldn't let her go so easily.

He wanted to pester Qin Sheng until she agreed.

Old Master Qin came to Qin Yufei's side and whispered, "Yufei, what do you think of this little girl, Sheng Sheng?"

Qin Yufei's gaze landed on Qin Sheng. His eyes were filled with a gentleness that even he could not detect. "She's very good, very obedient, and very cute."

It was rare for Qin Yufei to have such a high evaluation of a person. Old Master Qin knew that Qin Yufei was extremely satisfied with Qin Sheng.

Old Master Qin's eyes narrowed into slits. "How about letting her be your daughter? In the future, I won't nag about letting you get married anymore."

Qin Yufei agreed without thinking. "Sure."

It was good for Qin Sheng to be his daughter.

Old Master Qin was happy. "Then in these few days, go and look for Sheng Sheng more often. You must make her agree."

These days, the Qin Corporation had a lot of things to do.

Qin Yufei could not spare too much time.

However, when he heard this, he still nodded. "Okay, I will work hard."

Qin Sheng didn't know what Qin Yufei and Old Master Qin were planning, or else she would have a headache.

In the next month, almost every time she returned to Fu Garden after school, she would run into Qin Yufei and Old Master Qin.

From the looks of it, they had made up their minds. If Qin Sheng didn't agree, they would all go to Fu Garden.

As the heir of the Xie Corporation, Xie Hen also came.

He was a little late because he was delayed on the way.

When he found out that Qin Sheng was the main character of this banquet, Xie Hen was stunned.

He didn't expect Qin Sheng to have such a status.

He tightened his grip on the gift. If he had known earlier, he would have gone to prepare this gift meticulously.

He would also have dressed up properly.

Because he came in a hurry, Xie Hen casually changed his outfit and came over. He didn't even tidy his hair properly.

Xie Hen's gaze landed on Fu Hanchuan, who was beside Qin Sheng.

The two of them sat together and were extremely close to each other. Fu Hanchuan poured a glass of fruit juice for Qin Sheng, and a sweet smile appeared on Qin Sheng's face.

Qin Sheng had always been cold and aloof in front of others. It was rare for her to smile like this.

He had only seen it when Qin Sheng and Fu Hanchuan were together.

Xie Hen's heart ached.

He suppressed the emotions in his eyes, walked up, and handed the gift to Qin Sheng. "Xiao Sheng, this is for you on behalf of the Xie family."

Qin Sheng politely nodded and took it. "Thank you."

Hearing the address 'Xiao Sheng', Fu Hanchuan narrowed his eyes and sized Xie Hen up.

Chapter 883: Jealousy

Fu Hanchuan was exceptionally sensitive in this aspect.

He could tell that Xie Hen liked Qin Sheng.

He opened his thin lips and said, "The Xie family is the second largest wealthy family in Beijing."

Xie Hen looked straight into Fu Hanchuan's eyes and said, "Yes."

Old Master Lin admired Xie Hen very much. He was very polite and capable.

He frowned and asked, "Xiao Hen, do you know Sheng Sheng?"

Xie Hen answered truthfully, "When we were in the countryside, Xiao Sheng and I were in the same primary school. We had a very good relationship. It was only after we were separated for a period of time that we got to know each other at Imperial Capital University."

Fu Hanchuan pinched the tips of his fingers. His eyes were deep.

Childhood sweethearts.

Heh!

Fu Hanchuan knew that there would not be anything between Qin Sheng and Xie Hen, but he could not help but feel jealous.

Why didn't he get to know his Sheng Sheng earlier?

Fu Hanchuan's expression didn't look bad.

Qin Sheng noticed Fu Hanchuan's strange behavior, and she held Fu Hanchuan's hand.

Fu Hanchuan was stunned. He felt the softness in his hand, and his heart softened as well.

The corners of his lips couldn't help but curl up.

Even if he didn't participate in Qin Sheng's childhood life, he would be with her for the rest of her life.

Fu Hanchuan felt relieved at the thought of this.

Regardless of whether Xie Hen liked Qin Sheng or not, he could not snatch her away.

Xie Hen had been paying attention to Qin Sheng, so he naturally noticed their movements.

His heart was filled with bitterness.

It was indeed as Su Yixiu had said. How could he interfere between them? No, it should be that no one could break them up.

Old Master Lin remembered that Qin Sheng had stayed in the Feng family until the third year of high school. Later, she was brought back.

Every time he thought of this matter, Old Master Lin could not help but be furious.

Qin Hai and Lin Shuya were too unworthy.

Even if she was accidentally replaced, after she was brought back, they still treated Qin Churou so well. On the contrary, they were extremely mean to Qin Sheng. They even sold Qin Sheng to the Feng Corporation for profit.

This loss was in Qin Sheng's plan. Otherwise, Qin Sheng would have died of grievance.

Old Master Lin said with heartache, "Sheng Sheng, with the Lin family protecting you in the future, you don't have to care about Qin Hai and Lin Shuya."

Qin Sheng nodded. "I won't. I haven't treated them as my parents for a long time."

Old Master Lin saw Qin Sheng's determined look and nodded with satisfaction. "It should be like this, Sheng Sheng. If Qin Hai dares to look for you in the future, you can ask me to help you chase him away."

Qin Sheng owned a company called Shengshi Technology. Qin Hai valued profit the most. Once Qin Hai found out about it, it was inevitable that he would have designs on Qin Sheng's company.

1

Old Master Qin frowned. He had a feeling that Qin Sheng's family was not simple.

However, he did not ask on the spot.

He could check it out when he went back.

After Qin Sheng stayed with Old Master Lin for a while, she went to look for Huang Xiaoyan.

Seeing Qin Sheng walking over, Huang Xiaoyan couldn't help but pull Qin Sheng over.

"Sheng Sheng, you... you and Teacher Fu are not brother and sister. Are you... lovers?" Huang Xiaoyan was so excited that she couldn't even speak.

She had always thought that Qin Sheng and Fu Hanchuan were really brother and sister.

Even so, she was still on their CP.

She didn't expect that one day, they would really be a couple.

Qin Sheng coughed lightly and did not hide anything. "We got together not long after the college entrance exam."

Huang Xiaoyan was very pleased. "Sheng Sheng, I didn't expect you to leave the single life so quickly. I thought that no one was good enough for you. But if it is Teacher Fu, then everything would make sense. Sheng Sheng, you and Teacher Fu are really a good match."

1

Chapter 884: He Was Taken

Huang Xiaoyan felt that there was nothing happier than the fact that the CP she had been with for half a year had come true.

Huang Xiaoyan mumbled, "Sheng Sheng, the two of you are not brother and sister. It was a pity that you didn't tell me. You're too disloyal."

Qin Sheng said helplessly, "At that time, I really only thought of Brother Fu as a brother. Do you believe it?"

At that time, she might have already fallen in love with Fu Hanchuan, but she had never noticed it.

She had also always thought of Fu Hanchuan as a friend and a brother. She had never thought that she would be together with him.

Huang Xiaoyan did not doubt it. She nodded. "Of course I believe you!"

Huang Xiaoyan's mind spun quickly. She had a feeling that this matter was not that simple.

At that time, it seemed that Fu Hanchuan had said it first. He was Qin Sheng's brother.

Huang Xiaoyan quickly figured it out.

It seemed that this was Fu Hanchuan's scheming. He had openly approached Qin Sheng in the name of a brother. He had let Qin Sheng be off guard and had taken down Qin Sheng in one fell swoop.

1

At the thought of this, Huang Xiaoyan was excited. No wonder a person like Qin Sheng who was not emotionally enlightened could only be taken down by Fu Hanchuan in less than half a year.

Fu Hanchuan was very scheming, but Huang Xiaoyan thought he was very handsome.

2

Huang Xiaoyan looked at Qin Sheng with a kind of gratification of marrying off her daughter.

"Sheng Sheng, men like Fu Hanchuan who is handsome and rich are the most popular with girls. You have to make good use of him. You can't push him to another woman," Huang Xiaoyan advised earnestly.

After spending so much time with Qin Sheng, Huang Xiaoyan also knew that Qin Sheng's EQ was pitifully low.

She was worried that one day, Qin Sheng would suddenly have a hole in her brain and push Fu Hanchuan out.

2

Although the possibility was very small, Huang Xiaoyan wanted to be on the safe side.

She didn't want to see her hard-won CP gone. Who would she cry to when that happened?

Qin Sheng's hand that was holding the fruit juice paused. "Brother Fu won't."

Huang Xiaoyan choked. "No, Sheng Sheng, you have to be careful."

Qin Sheng frowned and said, "If he takes a fancy to another woman, I will leave. I can't force him."

She believed that Fu Hanchuan would not betray her.

After all, in her previous life, she had never given Fu Hanchuan any response, and she had alienated him time and time again. Until her death, Fu Hanchuan had never had a woman by his side.

Huang Xiaoyan: "..."

She actually felt that what Qin Sheng said made sense, and she had no way to refute it.

1

Fu Hanchuan walked over and just happened to hear what Qin Sheng said, and his eyes darkened.

He walked over.

Qin Sheng noticed Fu Hanchuan and shouted, "Brother Fu."

"Mm." Fu Hanchuan held Qin Sheng's slender waist and moved intimately.

Huang Xiaoyan's eyes were wide open. They were so compatible, so loving!

She took out her phone and started taking pictures of Qin Sheng and Fu Hanchuan.

1

She looked like a fanatic fan.

Lin Feng looked at Huang Xiaoyan's actions with disdain.

At this moment, Fu Hanchuan said seriously, "I will never betray Sheng Sheng. Sheng Sheng is the first person I like, and also the last. My future wife will only be Sheng Sheng, so you don't have to worry."

These words were meant for Huang Xiaoyan on the surface, but this was actually his promise to Qin Sheng.

Hearing this, Qin Sheng's earlobes turned slightly red.

Huang Xiaoyan's eyes were filled with peach hearts. He was too handsome!

She nodded vigorously. "Teacher Fu, I believe in you."

Lin Feng was jealous. "Huang Xiaoyan, take back your infatuation. Teacher Fu is already taken."

2

Chapter 885: Signing Huang Xiaoyan

Huang Xiaoyan turned around and glared at Lin Feng. "Teacher Fu is Sheng Sheng's. Am I the kind of person who would dig a friend's corner?"

Moreover, wasn't there a hole in her brain if she went to dismantle the CP that she had taken a fancy to?

Huang Xiaoyan had never dared to dream of Fu Hanchuan, a flower from the highest mountains. Only Qin Sheng was worthy of him.

Lin Feng was relieved, but he still couldn't stand Huang Xiaoyan's stubborn personality when she saw a handsome man.

Of course, he did not dare to let Huang Xiaoyan know about this. Otherwise, with Huang Xiaoyan's fiery personality, he would not end up well.

Qin Sheng got down to business. "Xiaoyan, have you signed with any other companies?"

Huang Xiaoyan went to Imperial Media University. She wanted to be a manager.

Although it was only the beginning of her first year, there were still some people who would sign with entertainment companies in advance.

Huang Xiaoyan shook her head. "No."

She blinked. "Sheng Sheng, why did you ask about this?"

Qin Sheng replied, "I've started an entertainment company and it's just starting out. If you're interested, you can come to our company."

Su Yixiu was currently in charge of the entertainment company.

It had to be said that his speed was very fast. In just a short month, he had already started his company.

He had also invited those artistes and managers over from the list Qin Sheng had given him.

Huang Xiaoyan's mouth was wide open, and she was very surprised. "Heavens, Sheng Sheng, you've set up your company? This is too amazing, isn't it?"

Lin Feng looked at Huang Xiaoyan and said, "Sister Sheng, I went to the same Imperial Media University as Huang Xiaoyan. It's just that I studied directing. Look, you've arranged a job for Xiaoyan. What about me?"

Lin Feng's face was full of anticipation.

After learning about his score in the college entrance examination, Lin Feng had initially followed his father's instructions to major in management so that he could take over the company in the future. However, when he saw Huang Xiaoyan applying for Imperial Media University, he had also applied for it out of the blue.

1

Lin Feng's father was furious because of this and beat Lin Feng up.

Lin Feng cried like a ghost and lay in bed for two days.

The time for applying for the exam was already up, so there was no way to change it. Lin Feng's father was helpless, so he could only let Lin Feng do as he pleased.

Huang Xiaoyan stared at him. "Lin Feng, what are you doing here?"

Lin Feng touched his nose and said unconscionably, "I just want to enter Sister Sheng's company, it has nothing to do with you."

Huang Xiaoyan choked. She had no way to refute, so she could only turn her face away and stop talking to Lin Feng.

Qin Sheng looked at them and raised her eyebrows.

Huang Xiaoyan and Lin Feng were like happy enemies. Lin Feng had obviously been chasing after Huang Xiaoyan.

Qin Sheng did not think that Lin Feng would also study at Imperial Media University.

She could see the feelings of others clearly. It was only for her and Fu Hanchuan that she began to show her low EQ.

Qin Sheng held her chin with one hand and looked very interested. "Xiaoyan, when are you going to find a boyfriend?"

Huang Xiaoyan stuffed a big piece of cake into her mouth and said vaguely, "Boyfriend, can you eat it? Let nature take its course. If we see eye to eye, we'll be together."

Lin Feng avoided her gaze for a moment and said in disgust, "Huang Xiaoyan, who would want to be your boyfriend when you're so carefree and don't have a woman's face?"

Only he was willing to accept it.

Lin Feng was stunned when this thought appeared in his mind.

Why would he think of being with Huang Xiaoyan?

2

Chapter 886: Saying Nice Things In Front of Qin Sheng

Lin Feng shook his head.

He must have been led astray by Huang Xiaoyan. How could he possibly like a woman like Huang Xiaoyan who did not have a hint of womanliness?

When Huang Xiaoyan heard Lin Feng's words, she pounced on Lin Feng and pinched his ear. "Lin Feng, are you itching?"

Huang Xiaoyan's force was not light. Lin Feng was in so much pain that he was gasping for air. However, his mouth was not forgiving. "Huang Xiaoyan, look at you. You're doing such a violent action in public. Aren't you a tomboy?"

Huang Xiaoyan looked around and indeed saw many people looking at her.

Huang Xiaoyan was also a little embarrassed. After all, this was Qin Sheng's banquet. She could not afford to cause trouble for her.

She withdrew her hand.

"I'll deal with you when I get back."

Lin Feng rubbed his aching ears. He had not forgotten about the matter of entering Qin Sheng's company. "Sister Sheng, just let me enter your company. I swear that I will work hard and definitely not let you suffer. Sign me and I will definitely direct a few big movies for you."

Qin Sheng did not believe Lin Feng's words.

But she still agreed. "Okay."

Lin Feng was happy. "Sister Sheng, I will definitely work hard in the future."

Huang Xiaoyan snorted, then pulled Qin Sheng over to a table and sat down.

She had not seen Qin Sheng for a long time. It was not easy for her to have a shoulder to talk to Qin Sheng. Huang Xiaoyan had a belly full of words to say to Qin Sheng.

His arms suddenly became empty.

Fu Hanchuan frowned slightly. His gaze fell on Huang Xiaoyan's hand that was holding Qin Sheng's, and he felt jealous.

He rubbed the space between his eyebrows and suppressed the urge to pull them away.

Then, he walked up and sat down beside Qin Sheng.

"Sheng Sheng, I have a few outstanding people around me who are also professionals like me. How about I introduce them to your company?"

As she spoke, Huang Xiaoyan touched her arm. She felt a little cold.

Qin Sheng nodded. "Okay."

Huang Xiaoyan had noticed Fu Hanchuan, and she instantly understood.

So it was him.

No wonder every time she was with Qin Sheng, she would feel cold when Fu Hanchuan bumped into them.

Fu Hanchuan was jealous. Jealous of a girl like her?

Huang Xiaoyan thought about it and understood.

Other than Fu Hanchuan, all the men in Qin Sheng's life kept a distance from her. Only when they were together would they get closer.

It was normal for Fu Hanchuan to be jealous.

Huang Xiaoyan did not feel uncomfortable. Instead, she was even more excited.

The more jealous Fu Hanchuan was, the more he cared about Qin Sheng. He would not allow others to get close to Qin Sheng.

Huang Xiaoyan blinked her eyes and suddenly said, "Sheng Sheng, Teacher Fu really cares about you."

The cold air around Fu Hanchuan lessened.

Huang Xiaoyan felt it. She seemed to have discovered a new world. If she said nice things about him in front of Qin Sheng, would Fu Hanchuan treat her better?

Following that, Huang Xiaoyan kept praising Fu Hanchuan.

Qin Sheng frowned. She felt that Huang Xiaoyan was very abnormal today.

Huang Xiaoyan drank a glass of water, then, she said, "Sheng Sheng, Teacher Fu is handsome and rich. Most importantly, he is focused and only treats you well. It's rare to see such a good man. You must take good advantage of him. I don't know how many women are eyeing Teacher Fu covetously."

These words were true. When she was in H City High School, she found that a few girls often secretly sized up Fu Hanchuan. It was obvious that they liked him.

Qin Churou was one of them.

Chapter 887: Sending the Photo to Qin Sheng

There was once when Qin Churou pretended to fall on Fu Hanchuan's body, which made her extremely nervous.

Luckily, Fu Hanchuan avoided her directly and didn't show any mercy to her.

Qin Churou fell heavily to the ground.

Fu Hanchuan left without looking back.

At that time, Huang Xiaoyan thought that Fu Hanchuan was very handsome.

Qin Sheng frowned. She thought of Qin Churou and Ye Yutong.

Fu Hanchuan sensed that something was wrong with Qin Sheng and gave Huang Xiaoyan a cold glance.

A chill rose from the bottom of her feet. Huang Xiaoyan hurriedly said, "Of course, Sheng Sheng, you don't have to worry. No matter how many women there are outside, Teacher Fu won't even look at them."

As soon as she finished speaking, the chill on her body disappeared.

Huang Xiaoyan heaved a heavy sigh of relief. It was too torturous to stay by Fu Hanchuan's side.

Fu Hanchuan's attitude would only be better when he was facing Qin Sheng.

Huang Xiaoyan had originally prepared some words to tell Qin Sheng, but now that Fu Hanchuan was staring at her like this, she didn't dare to bend her back even a little. She was trembling in fear, like a primary school student waiting for the teacher-in-charge to punish her.

She did not dare to pester Qin Sheng for too long.

She quickly finished her sentence and even chased Qin Sheng away. "Sheng Sheng, you are the main character of today's banquet. It is not appropriate for you to always stay with me. Hurry up and accompany the others."

Qin Sheng did not stay any longer. She stood up and said, "Xiaoyan, if you need anything, you can look for me at Imperial Capital University."

"Okay, okay, okay."

Huang Xiaoyan nodded perfunctorily. All she wanted now was for Qin Sheng to leave as soon as possible.

She felt that if she continued to stay with Fu Hanchuan, she would go crazy.

Fu Hanchuan raised his arm, and Qin Sheng skillfully put her hand in.

Just as she took a step forward, Fu Hanchuan suddenly said, "Send that photo to Sheng Sheng."

"What?" Huang Xiaoyan, who had just caught her breath, was scared half to death by Fu Hanchuan's words. She didn't know what Fu Hanchuan meant for a moment.

Qin Sheng, on the other hand, remembered.

When Fu Hanchuan had just come over and put his arm around her waist, Huang Xiaoyan had taken a photo of them. That should be the one Fu Hanchuan was talking about.

Her face was slightly red.

Fu Hanchuan answered very patiently, "The one you took just now."

At this moment, Huang Xiaoyan finally understood. She nodded blankly and said, "Okay."

Only then did Fu Hanchuan leave with Qin Sheng in satisfaction.

As soon as the two of them left, Huang Xiaoyan sat on the chair. She patted her chest, looking as if she had just survived a disaster.

This Fu Hanchuan was really too terrifying.

The smell of jealousy could drown a person.

When Huang Xiaoyan started to speak well of Fu Hanchuan, Fu Hanchuan did not show too much of an abnormality.

Huang Xiaoyan complimented Fu Hanchuan for nearly ten minutes in front of Qin Sheng. She was already at the end of her words.

Moreover, she still had a lot of things to say to Qin Sheng.

She thought that her actions just now had already appeased Fu Hanchuan's jealousy.

Who knew that just as she and Qin Sheng were in the middle of their conversation, a sense of oppression assaulted her face, and her body felt even colder?

The longer it took, the colder the air around Fu Hanchuan's body became.

In the end, it was almost as if she was suffocating under the pressure. Only then did Huang Xiaoyan eagerly ask Qin Sheng to leave.

Seeing Huang Xiaoyan's reaction, Lin Feng sneered and said, "Huang Xiaoyan, you're too cowardly."

Huang Xiaoyan glared at Lin Feng. "Mind your own business!"

Huang Xiaoyan felt very upset. It was not easy for her to finally meet Qin Sheng, but Fu Hanchuan had messed it up.

She forcefully suppressed the anger in her heart.

Fu Hanchuan was the male protagonist of the CP that she had been on for more than half a year. She could not be angry!

Chapter 888: He Did Not Stand a Chance

On the other side, Fu Hanchuan was holding Qin Sheng's hand and was already surrounded by many people.

"Miss Qin, congratulations on returning to the Lin family."

"Miss Qin, I heard that you are the top scorer in the college entrance examination. You are indeed the granddaughter of the Lin family. Even if you are wandering outside, you are still outstanding."

"Miss Qin, you are beautiful, and your boyfriend is handsome. His family background is also not bad. You are indeed a good match. You are a match made in heaven. Miss Qin, Mr. Fu, I wish you a hundred years of good marriage."

"..."

They were all flattering her, and their tone was quite fawning.

Qin Sheng was backed by the Lin family. Her boyfriend was from the Lu family, which was ranked eighth in the country. Now, Old Master Qin wanted to acknowledge her as his granddaughter.

Moreover, these three families were extremely protective of Qin Sheng.

In the Imperial Capital, there was probably no other person with such a background.

Therefore, even though Qin Sheng came from a small city, they didn't dare to look down on her. It was too late to fawn on her.

Fu Hanchuan frowned. Qin Sheng liked peace and quiet.

He could already see the obvious impatience on his little girl's face.

Fu Hanchuan held Qin Sheng's shoulders and protected her in his arms. "You can go find the Lin family. Sheng Sheng doesn't like to be disturbed."

As he spoke, Fu Hanchuan protected Qin Sheng as they passed through the crowd.

Those people did not dare to stop them.

The two of them came to a quiet place and sat down.

Xie Hen was also sitting in a corner, looking in their direction from afar. There was a bitter smile on his lips.

He poured a glass of wine into his glass.

He raised his head and drank it.

"Xie Hen."

Lu Ming came in front of him and called out hesitantly.

Xie Hen glanced at him, then poured a glass of wine for Lu Ming. "Come, have a drink."

He poured himself another glass.

Lu Ming looked at him with a complicated gaze.

He originally thought that Xie Hen's pursuit of Qin Sheng was just a spur of the moment, but he didn't expect Xie Hen to really like Qin Sheng.

Lu Ming and Xie Hen were relatively close. He had seen Xie Hen's deep affection for Qin Sheng these days.

Xie Hen often looked at Qin Sheng from afar, but he didn't dare to go forward.

Lu Ming wanted to confess to Xie Hen that Qin Sheng and Fu Hanchuan were boyfriend and girlfriend, but he couldn't bring himself to say it.

But today, he bumped into them.

Lu Ming felt sorry for Xie Hen. If he had told Xie Hen earlier that Qin Sheng already had a boyfriend, Xie Hen wouldn't have fallen so deeply in love.

Seeing Xie Hen pour another glass of wine for himself, Lu Ming suddenly grabbed the glass of wine forcefully, not allowing Xie Hen to continue drinking. He opened his mouth and said, "Xie Hen, I'm sorry. We're friends, but I've never told you the truth."

Xie Hen laughed mockingly. "I've known for a long time. I just didn't want to believe that Xiao Sheng has a boyfriend and had fantasies. Is Fu Hanchuan treating Xiao Sheng badly? I feel like I have a chance."

"But..."

The corners of Xie Hen's lips curled up into a bitter smile. The wine glass was held by Lu Ming, so Xie Hen simply picked up the bottle and poured it into his mouth.

He took a big gulp.

His hand gripped the bottle tightly, and his voice was trembling. "But I can't interfere in their relationship. There's no hope."

Perhaps, he had used some sinister means to break them up.

However, paper could not cover fire. With Fu Hanchuan's methods, Qin Sheng would find out sooner or later.

Moreover, he had no way of getting Qin Sheng's heart.

Lu Ming looked at Xie Hen worriedly.

Xie Hen put the bottle down heavily. "Lu Ming, do you know? I actually had a chance to be with Xiao Sheng. The first person she met was me, but I missed it..."

At that time, if he had not left without saying a word, would it have left a mark in Qin Sheng's heart?

He would rather not be brought back to the Xie family.

That way, he could grow up together with Qin Sheng.

Lu Ming did not know how to comfort Xie Hen.

He could only sit quietly at the side.

After Xie Hen finished drinking that bottle of wine, he did not continue drinking.

He looked at Qin Sheng's figure with infatuation in his eyes.

There was also pain.

Qin Sheng would only show a different side when she was with Fu Hanchuan. She must have fallen in love with him.

When he thought of this, Xie Hen felt a piercing pain in his heart. His hand was on his chest.

During this banquet, Xie Hen's gaze was always on Qin Sheng. Fu Hanchuan naturally noticed it.

He did not go over to vent his anger. Instead, he became even more intimate with Qin Sheng.

He was showing off.

When dealing with love rivals, Fu Hanchuan would not simply talk to them. Being with Qin Sheng was the biggest blow to them.

Those people paid attention to Fu Hanchuan and Qin Sheng from time to time.

The actions between the two of them also fell into their eyes.

They had noticed that Fu Hanchuan would not let Qin Sheng do anything. Whatever Qin Sheng wanted to eat, Fu Hanchuan was the one who prepared it in front of Qin Sheng.

Even the napkins were prepared early.

His actions were so practiced that it was obvious that he had done it often.

He was not putting on an act.

Fu Hanchuan spoiled Qin Sheng to the extreme. These guests could not help but sigh at Qin Sheng's good fortune with such a family background and a fiancé who doted on her so much.

Ye Yutong stood in the shadows, her delicate face twisted together.

Her eyes were filled with jealousy.

The person that Fu Hanchuan treated so gently should be her, not Qin Sheng.

She was the one who met Fu Hanchuan first. Both families had agreed to their marriage. Why did Qin Sheng still shamelessly hook up with Fu Hanchuan?

Ye Yutong suddenly smiled. Her dark eyes were very scary.

No matter how deep the relationship between the two of them was, the person who would marry Fu Hanchuan in the end would still be her.

‘Qin Sheng, you can’t snatch him away.’

Ye Yutong looked at Qin Sheng and Fu Hanchuan with a gloomy expression.

Fu Hanchuan’s considerate care for Qin Sheng was an eyesore in the eyes of Old Master Qin and Old Master Lin.

1

They could see that Fu Hanchuan was a wolf with a big tail.

He treated Qin Sheng well in all sorts of ways, but he still had the intention of making Qin Sheng inseparable from him.

However, Qin Sheng had always stood on Fu Hanchuan’s side and protected him. No matter how displeased they were with Fu Hanchuan, they could not do anything to him.

Old Master Qin had now completely taken on the role of Qin Sheng’s grandfather.

He looked at Fu Hanchuan and felt that Fu Hanchuan was like a stinky pig that had taken Qin Sheng, this white and tender cabbage, for granted.

The banquet ended at 10 o’clock in the evening.

Even though Fu Hanchuan had helped Qin Sheng block many people who wanted to come up and talk to her, Qin Sheng still felt very tired.

She was very regretful. Back then, if she had resolutely stopped the Lin family from hosting this banquet, there wouldn’t have been so much trouble.

Of course, even if Qin Sheng wanted to stop them, it would be useless.

Fu Hanchuan was still holding Qin Sheng’s hand.

Lin Haocheng squeezed into the middle of them and separated. “Fu Hanchuan, the weather is so hot. Aren’t you making her suffer by holding onto Sheng Sheng every day?”

The hotel had plenty of air conditioning so she wouldn’t feel hot.

It was obvious that Lin Haocheng was looking for an excuse to separate the two of them.

Old Master Lin secretly gave Lin Haocheng a thumbs up. Well done.

Chapter 890: They Stayed Together

The guests left one after another. Old Master Lin and the rest also sent Qin Sheng to the entrance of the hotel.

Old Master Qin was still very reluctant. "Sheng Sheng, when you go back, remember to consider my words. Come, let's exchange phone numbers."

Qin Sheng did not refuse. There were very few contacts on her phone. It was basically the phone of some people who were on good terms with her. However, at this moment, she could not explain why she agreed to add Old Master Qin's phone number.

Old Master Qin looked at Qin Sheng's phone number and was happy. He looked at Old Master Lin smugly.

Who was the one who said that Qin Sheng would not agree?

Old Master Qin was too greedy and asked Qin Sheng to save Qin Yufei's phone number.

He was satisfied. "Sheng Sheng, if you have any problems, you can contact me and Yufei at any time. The Qin family still has some influence in the capital."

Old Master Lin gritted his teeth. "Sheng Sheng, you and Hanchuan can go back first."

"Sheng Sheng, I'll ask Yufei to send you off," Old Master Qin said hurriedly. He didn't want to miss any opportunity to get close to Qin Sheng.

Old Master Lin snorted coldly. "They live together. You don't need to send them off."

"Live together?" Old Master Qin's voice rose. He was no longer calm. "They're not married yet. How can they live together?"

He looked at Fu Hanchuan with a strong hostility.

He was indeed a wolf. He had lured Qin Sheng to his house early on.

Fu Hanchuan had already bypassed Lin Haocheng and came to Qin Sheng's side. He put his arm around her waist. "Back then, Sheng Sheng broke off relations with Lin Shuya and Qin Hai and moved into my house. In the future, Sheng Sheng will also be the mistress of the villa. There's nothing wrong with that."

Old Master Lin and Old Master Lu were so angry that they couldn't help but stare at each other. However, they had no way to refute it.

Old Master Lin's face was burning with anxiety. Fu Hanchuan's meaning was very clear. When Qin Sheng was chased out of the Qin family in H City, the Lin family wasn't by Qin Sheng's side. Now, there was no need to interfere in the matter of where Qin Sheng lived.

He also regretted it. If he had known that Lin Shuya could give birth to such an outstanding and obedient daughter like Qin Sheng, he would have gone over to acknowledge Qin Sheng a long time ago.

On the other hand, Old Master Lu's face was full of relief. At this moment, he found Fu Hanchuan particularly pleasing to the eye.

Fortunately, Fu Hanchuan was there. Otherwise, Qin Sheng would have been snatched back by the Lin family.

Qin Sheng, Fu Hanchuan, and Old Master Lu left together.

Qin Yufei looked in the direction of the car and frowned. Old Master Qin reminded him again with a very serious tone, "Qin Yufei, if you don't take Sheng Sheng back as your daughter within two months, you don't have to come back to the Qin family."

Old Master Qin's feelings for Qin Sheng were very strange. Old Master Lin showed off in front of him, which made him curious about Qin Sheng. Then, he fell in love with Qin Sheng at first sight. He felt that Qin Sheng should be the child of his Qin family.

2

His feelings for Qin Sheng became more and more out of control.

Looking at Qin Sheng, he felt that she was impeccable.

Therefore, he wanted to take Qin Sheng back to the Qin family as his granddaughter.

Qin Yufei nodded. "Okay."

Hearing their words, Old Master Lin snorted. "Sheng Sheng is a member of our Lin family. Do you really think that you can get her just because you want to?"

"Definitely!" Old Master Qin said confidently. Then, he ignored Old Master Lin and got into the car.

Old Master Lin stared in the direction he had left. He had a bad feeling. Old Master Qin's methods were the most insidious. He was worried that Qin Sheng would fall into his trap.
