Chapter 891: Lin Shuya Finds Out

Thinking of this, Old Master Lin lost his composure. He turned his head and instructed Lin Haocheng, "Keep a close eye on your sister. Don't let Old Man Qin get his way."

Lin Haocheng patted his chest and said confidently, "Don't worry. With me around, there won't be any problems."

Old Master Lin still felt that Lin Haocheng was unreliable. "No, I have to keep an eye on that old man."

Mother Lin's expression was ugly. Had the Lin family and the Qin family gone crazy? Each and every one of them valued a loser this much.

— —

The Lin family was extremely famous in the Imperial Capital. Many reporters were watching the Lin family. Naturally, they knew that the Lin family had recognized their own granddaughter.

They had been waiting for a long time. However, there were people watching near the Qin Hotel and they could not get close.

Old Master Lin also ordered the people attending the banquet not to reveal the news of Qin Sheng. Old Master Lin wanted to tell the world that the granddaughter of the Qin family was Qin Sheng. However, Qin Sheng was unwilling.

Letting the Lin family hold the family identification banquet was already her biggest concession.

Although they could not get any information, those reporters still wrote a big article and posted it on the internet to attract attention.

Some of the articles contained all sorts of praises for Qin Sheng, or all sorts of stories about how Qin Sheng was not good enough for the Lin family, how petty she was at the banquet, and how the Lin family did not like her. These were all fabricated by the reporters. Later on, the reports became more and more outrageous.

It had an impact on Qin Sheng's reputation.

Lin Haoyu specially held a press conference to clarify the rumors on the internet.

In front of the cameras, he said very seriously, "My sister is beautiful, capable, and understanding. She is good in all aspects. Our Lin family regards her as the apple of our eye. She is not as unbearable as you say. If you continue to spread rumors, you will be waiting for a court summons."

The entire venue was very quiet. Lin Haoyu was also known as the grim reaper in the business world.

Those who had offended the Lin Corporation would not have a good ending.

They always felt that this matter would not be so simple.

All the media reporters held their breaths as they waited for Lin Haoyu to deal with the media that were spreading rumors.

As expected, following that... They heard Lin Haoyu say, "Five media outlets in Imperial Capital have already received court subpoenas. These media outlets have severely damaged my sister's reputation. At the same time, they have also brought about an impact on my sister's spirit. Each media outlet will have to compensate for my sister's mental damage and reputation impact, a total of 8 million."

"Hiss."

When the reporters heard this, they could not help but suck in a breath of cold air.

Out of the five media outlets, each of them had to pay 8 million. In total, it was 40 million.

1

This granddaughter of the Lin family was this precious?

It seemed that the Lin family really valued her.

The Lin Corporation's press conference never mentioned anything unrelated to the company. This time, they made an exception for Qin Sheng.

The Lin Corporation's legal team was not to be trifled with. The Lin Corporation's lawsuit had a 96% chance of winning.

These reporters did not dare to casually mention Qin Sheng on the internet.

Lin Shuya was looking at her phone, and coincidentally, she saw the live broadcast of the Lin Corporation's press conference.

All these years, she had been paying attention to the Lin family's matters on the internet.

She naturally knew Lin Haoyu.

She stopped and stared at her phone.

When she heard Lin Haoyu mention his sister, Lin Shuya was stunned and frowned.

Didn't Lin Chengye only have two sons? When did he have a daughter?

Lin Shuya did not think of Qin Sheng.

1

She continued listening. During the segment where the reporters asked questions, she heard the words 'Lin family's granddaughter'.

Chapter 892: Fooling Around

Suddenly, Lin Shuya stood up.

She gripped her phone tightly. It was impossible. How could Qin Sheng return to the Lin family? The Lin family had already severed their relationship with her. It was impossible for them to let Qin Sheng go back.

However, besides Qin Sheng, who else could this granddaughter of theirs be?

Lin Shuya gritted her teeth and revealed an ugly expression.

Indeed, Qin Sheng had great skills. She had managed to win the favor of the Lin family.

Inwardly, she was somewhat jealous of Qin Sheng. Now that the Lin family was developing extremely well, even a hundred Qin Real Estates could not compare to it. When Qin Sheng went back, would she still worry about not having a wealthy life?

It was not that Lin Shuya had not thought about going back.

However, she was a person who cared about her face. At that time, she had said in front of the Lin family that she would never go back.

Previously, Qin Hai had given her a lot of money every month and she had enough to spend.

However, in these few months, Qin Hai only gave her more than 200,000 yuan a month.

In front of those rich wives, Lin Shuya did not dare to buy anything expensive because she did not have enough money. Because of this, Lin Shuya was often teased by them.

When she returned to the Qin family, although Qin Hai did not divorce her, he still rarely returned.

When the two of them met, they did not have a good expression. They often quarreled.

Lin Shuya was really fed up with this kind of life. Her desire to return to the Lin family grew stronger and stronger.

However, there was a thought in her heart that supported her. The Lin family would not agree to her return. If she humbly begged them, she would only bring humiliation upon herself.

But now, seeing that Qin Sheng had returned, and that the Lin family still protected her, Lin Shuya could not help but feel a glimmer of hope in her heart.

Did the Lin family also want her to return?

2

Qin Sheng was her daughter, and the Lin family wanted Qin Sheng to return. If she returned, would the Lin family specially hold a banquet to welcome her?

Just as this thought appeared, Lin Shuya shook it off.

She would never return to the Lin family in this lifetime. They did not want her as a daughter, so why should she lick her lips and go back?

If they begged her, she might consider it.

Just as Lin Shuya turned off her phone, there was a sound coming from the entrance. It was Qin Hai.

She stood up.

She sneered, "Qin Hai, you're finally willing to come back?"

Qin Hai hadn't returned to the Qin family for two days.

Qin Hai walked in unsteadily. His face was very red. Obviously, he had been drinking.

Lin Shuya smelled a strong scent of alcohol. She frowned.

"Qin Hai, you've been drinking again."

Qin Hai ignored Lin Shuya. He directly laid down on the sofa.

Lin Shuya went over to pull him. "Qin Hai, get up."

Suddenly, her gaze paused.

Her eyes stared at the red lipstick on Qin Hai's collar. Her pupils constricted.

Lin Shuya raised her hand and pointed at Qin Hai. She raised her voice, "Good, Qin Hai, you ran off to fool around again. As expected, a dog cannot change its course. Tell me, who is your current lover after Li Yan ran away?"

An unspeakable grievance welled up in her heart.

All these years, she had treated Qin Hai with all her heart. For the sake of Qin Hai, she had cut off relations with the Lin family.

Even half of the current Qin Real Estate was thanks to her. If she had not taken the last 30 million from the Lin family, Qin Hai would not have had the money to start a company.

As for Qin Hai, he allowed Old Madam Qin to abuse her.

He raised a lover and gave birth to a son.

Qin Hai had let her down.

If she had known earlier, she would not have been with Qin Hai. Then, she would still be the eldest daughter of the Lin family.

Qin Hai was still sleeping. He completely ignored Lin Shuya.

Lin Shuya was furious. She grabbed Qin Hai with her hand. She did not know where the strength came from, but she directly threw Qin Hai to the ground.

Chapter 893: A Loser Who Relies On Women

Qin Hai woke up.

Seeing Lin Shuya in front of him, he stood up impatiently and tugged at his tie. "Lin Shuya, are you crazy again?"

Lin Shuya pointed at the red lipstick on his collar and sneered. "Qin Hai, what's this?"

Qin Hai glanced at it and said indifferently, "I was attending a social event and a woman accidentally fell on me. I just happened to bump into her. You're making a fuss out of nothing."

"Heh, Qin Hai, do you really think I'm that gullible?"

Lin Shuya recalled the past. There was once when Qin Hai came back and there was a red lipstick mark on his clothes.

She ran over and questioned him.

Qin Hai said the same reason.

And she believed Qin Hai at that time.

At that time, it was not long after Qin Sheng was born.

Lin Shuya was stunned. "Qin Hai, you had an affair a long time ago, didn't you? You had an affair not long after we got married."

Qin Hai didn't refute her. "So what if I did? Lin Shuya, you can't really think that I'm together with you because I like you, right?"

1

Lin Shuya bit her lip. "You were interested in my identity."

"That's right."

Lin Shuya liked to show off. She had only been in school for less than a month, and everyone in the school knew that Lin Shuya was the daughter of the Lin family.

At that time, Qin Hai was really in his fourth year and was short of money.

He had his eyes on Lin Shuya. After he dumped his girlfriend, he went to pursue Lin Shuya.

Lin Shuya was very brainless. After he arranged for a hero to save the damsel in distress and said some sweet words to Lin Shuya, Lin Shuya was completely devoted to him. She even agreed to withdraw her money from the Lin family.

1

Qin Hai had never liked Lin Shuya.

Qin Hai said with disdain, "Lin Shuya, you were so unruly and rude in school. Other than having a good appearance and a good family background, you don't have any other advantages. Why would I like you? If you weren't the eldest daughter of the Lin family and could help me, I wouldn't even look at you."

Lin Shuya was so angry that her entire body was trembling. "Aren't you afraid that I will let my father destroy Qin Real Estate?"

“Ha.” Qin Hai laughed mockingly, “Lin Shuya, you have already severed your relationship with the Lin family. The Lin family has not bothered with you for eighteen years. Why would they bother with you now? Moreover, after what you have done, I am afraid that the Lin family would want you dead.”

Lin Shuya’s entire body was trembling. She was angry.

She raised her hand and gave Qin Hai a vicious slap on the face. Instantly, Qin Hai’s face tilted to the side and a palm print appeared on his face.

“Qin Hai, I really regret marrying you. If it weren’t for me, would you have gotten to where you are today? You would still be a poor boy! Without my money, the company wouldn’t be able to start, let alone you having the good life you have now.”

Lin Shuya’s face was full of regret.

If she had known, she would have listened to her father. She wouldn’t have fallen into this situation.

Even if Qin Hai cheated on her and betrayed her, she could only continue to stay in the Qin family. She had nowhere to go.

Qin Hai was angered by Lin Shuya’s words. What he hated the most was for someone to mention in front of him the matter of relying on a woman’s money to make a fortune.

“Lin Shuya, say it again.”

His face was so dark that ink could drip out. It was as if if Lin Shuya dared to say it, he would strangle her to death.

Lin Shuya’s head shrank. Soon, she straightened her back.

She straightened her neck and said, “I’ll say it then.”

Qin Hai clenched his fists.

Lin Shuya sneered and said, “You, Qin Hai, are just a good-for-nothing who relies on women. Without me, Lin Shuya, you are nothing.”

Chapter 894: You Can’t Go Anywhere Except For the Qin Family

Qin Hai’s eyes were bloodshot. He reached out and grabbed Lin Shuya’s neck. “Lin Shuya, I told you to shut up!”

He tightened his grip inch by inch.

Lin Shuya saw Qin Hai’s expression and knew that she had completely angered him. She was afraid and did not want to die.

She kept struggling. “Qin Hai, let go of me!”

At this moment, Qin Hai’s rationality had been eroded.

Normally, he would not have such a big reaction when he heard Lin Shuya's words. However, Li Yan had taken away a large portion of the company's funds. The company was in a difficult situation and she had even taken away his son.

He had gone to look for Li Yan, but Li Yan seemed to have disappeared into thin air.

These few days, other than at the company, Qin Hai had gone to the bar.

This red lipstick was also caused by a woman who got close to him in the bar.

The air in Lin Shuya's chest was gradually sucked away, and the strength of her struggle was reduced.

Qin Hai gradually regained his rationality and let go of Lin Shuya.

Once he let go, Lin Shuya held her neck and gasped for breath.

Qin Hai stood in front of Lin Shuya and looked down at her from above. "Lin Shuya, I'm already being merciful to you by letting you continue to stay in the Qin family and give you money each month. Without me, the Lin family doesn't want you, and you don't have the ability to work. Lin Shuya, where else can you go besides the Qin family?"

If it were any other time, Lin Shuya would definitely quarrel with Qin Hai.

However, at this moment, Lin Shuya was a little afraid of Qin Hai. She just kept shrinking her body to reduce her presence and had no way to refute him.

At this moment, Qin Hai's phone rang.

He picked it up in front of Lin Shuya. It was the woman from the bar who had seduced Qin Hai. Qin Hai had left her his number.

It was unknown what the other party said, but Qin Hai coaxed her, "Okay, baby. I'll be there right away. Wait for me."

Lin Shuya felt a chill. She thought of Qin Hai having s*x with another woman. It made her stomach churn with disgust.

Qin Hai put away his phone and said coldly, "I won't be coming back for the next few days."

After saying that, he strode toward the door.

Bang! He slammed the door shut.

"AH—"

Lin Shuya could no longer control her emotions. She swept all the things on the coffee table onto the floor.

There was a series of noises.

When the servants saw this, they quickly retreated to the side and did not dare to go forward.

Lin Shuya sat on the ground and covered her face as she cried. Tears of regret kept falling from her face.

She regretted it.

If she was given another chance to choose, she would never be with Qin Hai.

1

—

Su Yixiu was very efficient. Within a month, he had opened up an entertainment company.

Shenghe Entertainment already had several managers, actors, singers, and so on.

These people were all people with potential and relatively strong abilities that Qin Sheng had picked out from the memories of her previous life.

Because some of them were students, and some of them were actors who were temporarily down and out, therefore, the cost of recruiting them was not high.

If they were properly groomed, it would bring a lot of profits to the company.

An artiste who stood out could support the entire company, not to mention that in their previous life, they were gold-medal managers and A-List celebrities.

Although Shenghe Entertainment wasn't even considered a start-up company, they couldn't resist the good treatment.

Moreover, they were full of uncertainty about their future. After Su Yixiu found them, they only considered for a while before agreeing to Shenghe Entertainment.

Chapter 895: Qin Sheng Was An Artiste

Right now, Shenghe Entertainment was mainly training them. They hadn't arranged any work for them yet.

On this day, Qin Sheng came to the company.

Because there were a lot of things to do in the company this week, the employees of Shengshi Technology had to work overtime.

Qin Sheng didn't avoid Hong Yuan and Yu Bei. As usual, she was pulled over by them to deal with their problems before she was able to get away.

This semester, because the company had moved to the capital, there were many things that had to be dealt with. That was why Qin Sheng came to the company many times.

After Qin Sheng left Yu Bei's office, she rubbed the space between her eyebrows with a headache.

If she had no other choice, she would not have come to the company.

She had invited Hong Yuan and the others to be a hands-off manager. Who knew that when they saw her, all of them wanted to hand over the unresolved matters to her to deal with?

Qin Sheng had no way to refuse. Otherwise, she would not be able to leave the company.

Only Su Yixiu could behave himself.

Qin Sheng came to the fourth floor.

The fourth floor was currently allocated to Shenghe Entertainment. When Qin Sheng passed the hall on the fourth floor, there were quite a few artistes discussing their roles.

The sound of Qin Sheng's footsteps could be heard. They all looked over.

When they saw Qin Sheng, they were all stunned.

There was no other reason. The main reason was that Qin Sheng was shockingly beautiful. Even her temperament was something that few people could compare to.

One of the artistes instantly became vigilant.

1

Could it be that this woman was invited by Su Yixiu?

A sense of threat rose in her heart. Among the artistes in the company now, she was the most outstanding looking. She was even the most capable in all aspects. If nothing went wrong, the company would vigorously support her in the future.

Even if Shenghe Entertainment was just a newly established company, if all the resources were spent on her, she would not need to worry about her popularity.

Moreover, Shenghe Entertainment and Shengshi Technology were in the same building. Therefore, the two companies were likely to be under the same boss.

Then, Shenghe Entertainment did not lack money.

In the future, she would only have more resources.

But now, there was actually such an outstanding woman in the company.

Wang Yufei did not consider Qin Sheng's ability. After all, in the entertainment industry, beauty was highly valued. Sometimes, one's ability would be overlooked.

The few little flowers that were popular now were all good-looking and their acting skills were terrible. Weren't they still being pursued by a large group of fans?

Wang Yufei felt a sense of crisis rise in her and she looked at Qin Sheng warily.

Qin Sheng ignored her and directly entered Su Yixiu's office.

Wang Yufei's hands that were hanging by her side tightened.

An artiste came back to her senses and she grabbed the hand of a girl beside her. "Is this a newcomer to our company? She's too beautiful. I don't know where she came from."

She was also a fan of appearances.

“Wait, I keep feeling that she looks a little familiar. Is she the one I know?”

Another artiste quickly picked up her phone and searched for photos of the top scorer of this year’s National College Entrance Examination.

The photo caught her eye, but her mouth did not shut for a long time. “This, this girl is the top scorer of the National College Entrance Examination. Qin Sheng, that pervert. She’s currently studying at Imperial Capital University.”

“Qin Sheng?!”

The artiste who spoke first was very surprised. Although she was now a junior at Capital of Film and Television University, she had heard of Qin Sheng.

It could be said that there were very few people who had not heard of Qin Sheng’s name in university, high school, or even junior high school.

She said in puzzlement, “That Qin Sheng came to our company to be an artiste too? That doesn’t make sense. Her grades are so good. Does she want to find a job in the future?”

Chapter 896: Revised Script

“What’s so strange about that? I think Qin Sheng is suitable to be an artiste. Look at the entertainment industry now. Which artiste has a temperament and looks that can compare to her? She will definitely be popular when she debuts. Don’t forget, she already has 3 million fans on Weibo.”

“3 million!” The artiste’s mouth was agape in shock. “What did she do?”

3 million fans was not a small number. Many B-List celebrities only had 1 or 2 million fans.

“She’s a god of learning and no one can compare to her looks. How can these not be attractive?”

When the artiste heard this, he nodded in agreement. “If I saw her, I would also fall for her.”

Another artiste touched his chin and said thoughtfully, “In the past, President Su and Qin Sheng were in the same school. President Su came in second in the college entrance exam this time. I have a feeling that their relationship is not simple.”

“Do you mean that they are very likely to be boyfriend and girlfriend? They must be. Look, how compatible they are.”

This artiste was a fan of appearances. When she saw Qin Sheng and Su Yixiu, the man was handsome while the woman was beautiful, she felt that they were very suitable to be together.

1

Wang Yufei, who was at the side, suddenly shouted, “Shut up!”

The other two artistes looked at each other. They did not understand why this Young Miss Wang Yufei had gone crazy again.

Wang Yufei's family could only be considered to be well-off.

But after coming to the company, in front of the other artistes and managers, she was arrogant and looked down on them.

Only in front of Su Yixiu would she be more restrained.

At this moment, Wang Yufei's expression was very ugly. "Isn't Qin Sheng just a little better looking? How can she be President Su's girlfriend? What is President Su's status? What is Qin Sheng's status? Is Qin Sheng worthy of President Su?"

The two artistes looked at each other and ignored Wang Yufei.

They knew that Wang Yufei liked Su Yixiu. Moreover, Wang Yufei's personality wasn't good. If they were to refute her, it was inevitable that they would quarrel with Wang Yufei.

They didn't want to get into trouble.

Hence, they ignored Wang Yufei and continued to practice.

Wang Yufei's mind was completely focused on Su Yixiu's office.

She clenched her fists and stared at the office.

In the office.

When Su Yixiu saw Qin Sheng, he quickly stood up from his desk and asked, "Sheng Sheng, why are you here today?"

"I have some matters to settle." Qin Sheng went straight to the sofa in the office and sat down.

Su Yixiu poured a cup of tea for Qin Sheng.

Qin Sheng took a sip and started to talk about serious matters. "These days, Lin Haocheng will come to our company, but he will officially enter the company in more than a month. At that time, his contract with Star Creator Entertainment will end. You can arrange it."

"Okay." Su Yixiu nodded.

He was not surprised that Lin Haocheng came to the company. After all, Lin Haocheng was Qin Sheng's cousin, and the Lin family doted on Qin Sheng.

As long as Qin Sheng suggested it, Lin Haocheng would definitely come.

Of course, what Su Yixiu did not know was that Lin Haocheng was the one who suggested to come to the company.

Qin Sheng took out a script that had already been printed and placed it in front of Su Yixiu. "Our company can already prepare to shoot the first movie. This is the adapted script. Follow this."

Su Yixiu picked it up and looked at it. The script name was very familiar.

Su Yixiu's memory was very good. He flipped through the script. The plot and the name of the main character were all for him to remember.

Chapter 897: Went To the Stock Market

This book was very popular. In the past three years, its popularity had not decreased. Previously, in the bookstore, he had glanced at it out of curiosity.

Later, when he was online, he had also seen it.

Su Yixiu suddenly frowned. "Filming this drama, Sheng Sheng, how did you persuade her to license this drama to you?"

This was a university novel, focusing on love.

This novel was very suitable for adaptation. In addition to its popularity, many people approached the magazine to buy the movie rights.

Unfortunately, the author refused to sell.

What Su Yixiu didn't know was that this book was written by Qin Sheng three years ago. At that time, she sold the publishing rights to the magazine to save time, and the movie rights were still in her hands.

And the author of this book was called Sheng.

A guess appeared in Su Yixiu's mind.

However, Qin Sheng was still very young at that time..

Qin Sheng didn't hide anything and said directly, "This book was written by me."

Hearing this, Su Yixiu was very surprised. At that time, Qin Sheng should have been only 15 years old. To be able to write such a bestseller at the age of 15, it was probably very difficult for anyone to do so.

Qin Sheng was the top scorer in the college entrance examination, and her painting ability was strong. Even in writing, there were very few people who could compare to her.

He did not know how many surprises she would bring him.

Qin Sheng took a sip of tea. "In the future, there will be a lot of people in the company. I have already bought the building next door. In the future, it will be used exclusively for the entertainment company. You can renovate it and move in. I will transfer 100 million into your account and you can use it as you wish."

That building had a total of 13 floors. It had not been sold at that time, so Qin Sheng let Shenghe Entertainment and Shengshi Technology squeeze into one floor first.

At this moment, Qin Sheng bought it immediately. Qin Sheng was also generous and did not haggle with the other party.

This transaction went very smoothly. It took less than a day to complete the transaction.

Su Yixiu frowned and asked, "Sheng Sheng, if you don't have enough funds, just give me more than 10 million first."

Qin Sheng's hand paused. "It's indeed not much, but it's alright. I still have this bit of money."

She was thinking that she should make another trip to the stock market.

She had already used 1 billion to buy that building, and with the money she had given Su Yixiu, she only had 900 million left.

When she had paid, Qin Sheng had felt her heart ache for quite a while.

Su Yixiu thought of Shengshi Technology's daily revenue and thought that Qin Sheng had returned to the company to withdraw money, so he did not hesitate anymore.

Qin Sheng said, "I'll look at some of the training programs for artists and managers."

"Okay."

Su Yixiu nodded. He organized a document and listed all of them on it.

This time, Qin Sheng flipped through it very slowly. She looked at it very seriously.

After a long while, she closed the document and gave her opinion.

She stood up.

Su Yixiu asked, "Sheng Sheng, are you going back? I'll send you back."

Qin Sheng looked at her watch and refused. "I'm going to look around the company."

It had been more than a month since the company moved to Imperial City. Qin Sheng had never really looked around. She didn't even know the positions of the various departments.

Because of this, Hong Yuan had complained to her a lot.

Was there such a boss?

She left these tasks to her subordinates every day and blocked his and Yu Bei's cell phone numbers. Not only that, she didn't even know the most basic structure of the company.

Qin Sheng had done a thorough job of being a hands-off manager. Those who did not know would think that Qin Sheng had nothing to do with the company.

Chapter 898: She Was Just a Vase

Of course, what Hong Yuan cared about the most was that Qin Sheng had blocked his cell phone number.

When there was an urgent matter, he could use his employee's cell phone number to contact Qin Sheng, but it was always inconvenient. Moreover, he didn't dare to casually go over to look for Qin Sheng.

Su Yixiu closed the document. "Sheng Sheng, it just so happens that I'm not busy right now. I'll go over with you."

Qin Sheng still refused. "I'll be fine by myself."

Su Yixiu did not insist. Qin Sheng walked out of the office.

When the two artistes saw Qin Sheng, they walked up one after another.

They were very enthusiastic. "Qin Sheng, I remember you. You're this year's college entrance exam top scorer. You're really too amazing."

Qin Sheng, the college entrance exam top scorer, was different from the previous years. In the past, even if they were the national college entrance exam top scorer, few people would pay attention to them.

However, Qin Sheng had scored full marks in all subjects in this year's unprecedented exam difficulty. This was the only top scorer in the history of the college entrance examination who had scored full marks.

Qin Sheng's ability was extremely strong. Because she had only studied for two to three days before and after the third year of high school, coupled with her good looks, she had been widely reported by the media. She had even been on hot searches a few times.

Therefore, nowadays, as long as one was able to surf the internet, very few people would not have heard of Qin Sheng's name.

Another artiste asked with anticipation, "Qin Sheng, are you also an artiste at Shenghe Entertainment?"

Before Qin Sheng could say anything, she continued, "As an artiste, you will definitely become very popular. With your looks and temperament, you will definitely have a lot of fans. Moreover, with your ability, I believe that your acting skills are pretty good too."

At this moment, Wang Yufei interrupted. She said sarcastically, "It's just that you have good looks. What's there to be proud of? Qin Sheng, don't think you can do it just because you have good looks. Even if you enter the entertainment industry, you will only be a vase and won't last long."

1

Qin Sheng narrowed her eyes and looked at Wang Yufei.

It seemed that she was not tactful. There were many people who liked to find a sense of presence.

Qin Sheng had a headache. She always felt that it was a system that caused trouble.

Wang Yufei suddenly approached Qin Sheng and questioned, "Qin Sheng, what's your relationship with President Su?"

"Me and him?" Qin Sheng frowned. She didn't understand what Wang Yufei meant.

Seeing Qin Sheng's reaction, Wang Yufei thought that she had guessed correctly. Her expression was very ugly. "Qin Sheng, I thought that you could be together with President Su. He only thinks that you're good-looking and wants to have some fun. If you're sensible, leave President Su as soon as possible. Otherwise, he will get tired of you in the future. After being abandoned, you will have nothing."

Qin Sheng raised her eyebrows.

It seemed that Wang Yufei had fallen in love with Su Yixiu.

Wang Yufei also misunderstood. She thought that she and Su Yixiu were boyfriend and girlfriend. She thought that she was a love rival.

Qin Sheng's red lips moved slightly. "It has something to do with you?"

Wang Yufei sneered. "Of course it has something to do with me. In the future, the one who will be together with President Su will only be me. Moreover, Shenghe Entertainment will support me greatly in the future. Qin Sheng, you should be more sensible."

Wang Yufei raised her chin, her eyes full of disdain for Qin Sheng.

Qin Sheng sneered. "Can you be sure that Su Yixiu will be with you, and that Shenghe Entertainment will also throw resources at you?"

Wang Yufei was very confident. "Of course."

Wang Yufei felt that with her ability and beauty, it was difficult for her not to be popular. If she became an A-List celebrity, it would be more than enough to match Su Yixiu.

"Is that so?" Qin Sheng said in a low voice.

It seemed that she had miscalculated. This Wang Yufei was not as kind as she appeared to be. She was also used to acting.

Chapter 899: Falling Down and Slandering

The list Qin Sheng gave to Su Yixiu was filled with famous actors and gold-medal managers from her previous life. Qin Sheng had also considered their character. Qin Sheng knew very little about Wang Yufei. However, she had never seen any rumors about her.

Hence, she had also included Wang Yufei in the list.

However, the trainee contract that she had signed now could terminate Wang Yufei's contract at any time without any compensation.

They would only sign a formal contract when they started filming their first movie.

Qin Sheng thought about it and decided that it was time to terminate Wang Yufei's contract.

Even if Wang Yufei would become famous in the future, Shenghe Entertainment would not be lacking someone like her. She was not short of money. At most, she would visit the stock exchange a few more times.

Wang Yufei said arrogantly, "Qin Sheng, if you apologize now and break up with President Su, I will put in a good word for you in the future and give you some resources."

Actually, Wang Yufei also knew that with Qin Sheng's looks, she would be very popular in the company. Even if the company didn't treat her as a big sister, she would still have a lot of resources.

However, she didn't want to lower her head to Qin Sheng.

The moment she saw Qin Sheng, she felt threatened.

She was worried that Qin Sheng would take away her resources in the company. In Wang Yufei's eyes, Qin Sheng was also together with Su Yixiu.

Just these two things alone, Wang Yufei would not give Qin Sheng any good face at all.

The other two artistes could not stand it anymore. They stood up to defend Qin Sheng. "Wang Yufei, who are you trying to scare here? Will Qin Sheng still lack resources? Do you still need to share resources with her? Stop joking."

"Wang Yufei, you've always been high and mighty in front of us. You think that the company will definitely focus on you. Now that Qin Sheng has appeared, you must be worried that she will snatch away your position."

Wang Yufei's thoughts were struck and her expression stiffened.

After a long while, she started to sneer, "I'm still afraid that she will snatch my position? Hahaha, don't joke around. Isn't she just a vase? Is she worthy of my attention? Li Wen, Qi Xuan, if you want to suck up to her, why don't you take a look at her identity? Is she worthy of you sucking up to her?"

Wang Yufei had made up her mind.

In the future, if she became popular, Li Wen and Qi Xuan would never have a good day.

At this moment, Qin Sheng opened her mouth and said, "I'm not an artiste."

Wang Yufei was stunned and said in disbelief, "You're not an artiste, Qin Sheng? Ha, who are you lying to?"

She also thought of a possibility.

Qin Sheng might really not be an artiste. She came here today just to look for Su Yixiu.

Wang Yufei's expression did not ease up.

Su Yixiu's office door suddenly opened. Wang Yufei's eyes flashed and she let out a blood-curdling scream before falling to the ground.

Her eyes were red as she looked up at Qin Sheng. "Qin Sheng, how did I offend you? Why did you push me?"

Li Wen and Qi Xuan were both very surprised. They did not expect Wang Yufei to be a white lotus.

Qin Sheng wasn't surprised by Wang Yufei's actions. Wang Yufei had such a personality. In her previous life, no one had a good opinion of her. She must be used to disguising herself.

She had already seen many of Wang Yufei's tricks from Qin Churou.

Qin Sheng's face was filled with a sneer and mockery.

Wang Yufei had the wrong idea. However, Qin Sheng wanted to see Su Yixiu's reaction.

Qi Xuan and Li Wen were worried that Su Yixiu would misunderstand Qin Sheng, so they stood up for him.

"President Su, Wang Yufei fell on her own. It has nothing to do with Qin Sheng."

"Yes, I can prove it too."

Chapter 900: Rescission of the Contract

1

Su Yixiu frowned. He looked at Qin Sheng with concern. Seeing that Qin Sheng was fine, he heaved a sigh of relief.

Wang Yufei's tears fell. "Li Wen, Qi Xuan, I know that you want to suck up to Qin Sheng, but you can't just lie about me. If I was faking it, why would I be so cruel to myself?"

She stretched out her leg and turned her palm over so that Su Yixiu could see the wounds on her leg and hand.

Su Yixiu only glanced at her before shifting his gaze away. His gaze was indifferent.

Clearly, he was not concerned about Wang Yufei's wounds.

Wang Yufei's expression stiffened.

She bit her lip and said, "President Su, I'm fine. This injury is nothing. Just endure it and it will pass. It's just that..."

Su Yixiu wanted to speak but was stopped by Qin Sheng.

Qin Sheng raised her eyebrows and asked, "Just what?"

Wang Yufei met Qin Sheng's teasing gaze and clenched her fists tightly. Qin Sheng actually dared to mock her. What right did she have?

Just a woman who relied on Su Yixiu?

Wang Yufei supported herself on the floor and stood up. She frowned and looked like she was in great pain.

Qin Sheng crossed her arms and looked at her mockingly.

Wang Yufei looked at Su Yixiu and said, "It's just that it's not good for the company's image. Our company has just started, we can't be affected by one person."

Qin Sheng chuckled. "I won't trouble you to care about that. This company can't go bankrupt, it doesn't lack money."

Wang Yufei subconsciously looked at Su Yixiu. Su Yixiu's expression couldn't be seen clearly, but Wang Yufei felt that Su Yixiu must be angry. Even if Qin Sheng was Su Yixiu's girlfriend, men would usually think of benefits. They wouldn't let their girlfriend lose face outside.

And Qin Sheng obviously didn't put the company in her eyes.

No matter how much money he had, it would be squandered by her.

Wang Yufei frowned and said, "Qin Sheng, even if President Su protects you and President Su has money, you will still spend all his money."

Qin Sheng curled her lips and said arrogantly, "Wang Yufei, you are just a small employee. Aren't you being too controlling?"

Wang Yufei straightened her neck and said, "Qin Sheng, I'm doing this for the company's sake."

After saying that, she walked up to Su Yixiu and bowed to him. "President Su, I hope you'll consider my words."

Su Yixiu frowned in disgust and took a step back, distancing himself from Wang Yufei.

Qin Sheng looked at the time and saw that it was almost time, so she didn't continue to act with Wang Yufei.

She directly said to Su Yixiu, "Cancel the contract with her. Our company can't afford such an artist."

Su Yixiu heaved a sigh of relief and nodded. "Okay."

Li Wen and Qi Xuan were both very surprised. Wang Yufei was fired just because she said so?

Other than her bad temper, Wang Yufei had excellent conditions in all aspects and would be very popular in the future.

Qin Sheng only said a simple sentence and Su Yixiu agreed to kick Wang Yufei out of the company.

Wang Yufei was also stunned.

She had never expected Su Yixiu to make such a decision.

Shouldn't Su Yixiu have berated Qin Sheng and said that he wanted to break up with her?

Why did he want to kick her out of the company instead? She was clearly the one who had suffered.

Wang Yufei's face turned pale. She looked at Su Yixiu in disbelief. "President Su, why? What did I do wrong for you to kick me out?"

Su Yixiu did not speak. He knew that Qin Sheng had wasted so much time on Wang Yufei. She must have her own plans.

Therefore, Su Yixiu did not interfere.
