

Bigshot 921

Chapter 921 Lin Haocheng: Prepare To Pursue Her

For a moment, many people began to wonder how many other skills Qin Sheng had hidden away.

Many people began to dig into Qin Sheng.

However, Qin Sheng's information was hidden very well. They could not find any information and could only give up.

Even some film and television companies that had taken a fancy to Qin Sheng had no way to find her contact information. They had no way to go to Imperial Capital University to wait for Qin Sheng.

In the blink of an eye, a month had passed.

Lin Haocheng was happy that Qin Sheng would let him become an artist in her company.

However, he did not have the time to move away.

After finishing the filming of a movie, he immediately went to Shenghe Entertainment.

Now, there were more than 20 artists in Shenghe Entertainment. Indeed, quite a number of artists had taken the initiative to approach Shenghe Entertainment, wanting to enter. However, most of them were rejected by Shenghe Entertainment.

Shenghe Entertainment pursued high quality and required good conditions in all aspects.

Therefore, those who could join Shenghe Entertainment were mostly in excellent conditions. Shenghe Entertainment would also train them well.

As for the movie given by Qin Sheng, preparations were underway.

Shenghe Entertainment was not in the same building as Shengshi Technology. Instead, they had moved to the building next to them.

On this day, Lin Haocheng came to the company.

Many artists were training, and some met Lin Haocheng.

Those artists thought they were mistaken.

Lin Haocheng would appear in Shenghe Entertainment? Was it fake?

This was an international superstar. Why would he come to their small entertainment company?

But this was Lin Haocheng.

Lin Haocheng wore a pair of sports shoes and greeted them in a good mood.

An artist asked uncertainly, "You are, are you Lin Haocheng?"

Lin Haocheng took off his sunglasses and blinked. "Don't I look like him?"

That artist was also a fan of Lin Haocheng. She clutched her chest. No, she was going to faint. She never thought that she would meet Lin Haocheng, her idol, one day!

Li Wen asked curiously, "Senior Lin, why did you come to our company?"

Actually, she already had a guess in her heart.

Shenghe Entertainment and Star Creator Entertainment could be said to be competitors. Moreover, the media had reported that Lin Haocheng and Star Creator Entertainment were going to terminate their contracts this month.

Lin Haocheng raised his eyebrows. "I've been lured into your company by your boss."

Li Wen covered her mouth and was so excited that she almost cried out.

Sure enough, Qin Sheng was just as she had imagined, creating miracles.

Lin Haocheng blinked his eyes. "Actually, I have taken a liking to your boss's beauty and talent. I'm going to pursue her. When you see her, you have to put in a good word for me and leave a good impression on her."

"Like, like our boss?" Li Wen frowned and sized up Lin Haocheng.

The excited expression on her face also disappeared.

She muttered, "No, I can't say nice things. You're not good enough for her."

She looked at Lin Haocheng and felt that he was careless.

He liked Qin Sheng because of her looks. Who knew when he would fall in love with someone else?

Moreover, Qin Sheng was so talented and beautiful that few people could compare to her.

Lin Haocheng was not good enough for Qin Sheng.

"Little Sister, what did you say?" Lin Haocheng picked his ears, thinking that he had heard wrong.

Li Wen straightened her back and said directly, "Senior Lin, many girls are pursuing you. Don't put your hand on our boss."

Lin Haocheng frowned and said, "I'm an international superstar. I'm handsome, and I come from a good family. I also have the ability. Just my salary alone can earn billions a year."

Chapter 922 Defends Qin Sheng

Li Wen said without hesitation, "Our boss can earn tens of millions a day."

Lin Haocheng: "..."

Alright, he really couldn't compare to Qin Sheng.

He had a heart attack and didn't want to say anything. He went straight into Su Yixiu's office.

When Lin Haocheng left, the artists and employees that had been secretly watching immediately surrounded Li Wen.

“Li Wen, what did Haocheng say to you? Why did he come to our company today?”

Li Wen thought for a moment and felt that he could not tell them about Lin Haocheng’s arrival at the company. If word got out, Shenghe Entertainment would inevitably be targeted by Star Creator Entertainment.

Therefore, she replied, “He came here today to look for the general manager for something, right?”

The artists asked Li Wen some other questions.

Li Wen answered briefly, but did not reveal Lin Haocheng’s intention to come to the company.

At noon, she returned to the dormitory.

Qi Xuan pounced on her. She asked excitedly, “Li Wen, I heard from the company group that Lin Haocheng came to our company? He even talked to you.”

Li Wen did not hide anything from Qi Xuan. “Lin Haocheng’s contract with Star Creator Entertainment ends this month. I think he will come to our company.”

Qi Xuan could not believe it. “Many entertainment companies wanted to poach Lin Haocheng, but he did not agree. Our company has just started. Is he willing to come? It must be fake.”

Li Wen guessed, “Lin Haocheng must have a deep relationship with our boss.”

The Lin family kept the fact that their granddaughter was Qin Sheng a secret very well.

Only those who had attended the family identification banquet knew Qin Sheng’s identity.

Li Wen and Qi Xuan were not sure.

Qi Xuan did not doubt Li Wen’s words. Li Wen was very smart. What she said should not be a lie.

She sat in front of the table, holding her chin and looking like a fangirl. “Our boss is really too handsome. I can’t believe that even Lin Haocheng can listen to her.”

At this moment, Qi Xuan had obviously forgotten that she was a fan of Lin Haocheng.

Li Wen said again, “Senior Lin said that he has taken a liking to our boss. He is pursuing her and even asked me to put in a good word for him.”

“No way!”

Qi Xuan suddenly stood up, “I love Senior Lin. He is handsome, but he is also very flirtatious. Our boss can’t choose him as her boyfriend. With our boss’s looks and wealth, what kind of man does she want? Senior Lin does have many good qualities, but he’s not qualified to be our boss’s boyfriend.”

Li Wen raised her eyebrows. “Aren’t you Senior Lin’s fan? Why are you constantly belittling him?”

“Fan?” Qi Xuan took out her phone. She quickly tapped on the screen and canceled her follow on Lin Haocheng. Even her comments about Lin Haocheng were deleted one by one.

She mumbled, “It won’t be for long. My idol is the boss.”

Li Wen: "..."

Was it really good to abandon a celebrity that she had been chasing for three years and fall in love with a woman?

—

In the following days, Lin Haocheng went to Shenghe Entertainment very diligently.

Lin Haocheng's contract end date with Star Creator Entertainment was still 15 days away.

Star Creator Entertainment's chairman, Wu Yongli, also saw that Lin Haocheng did not want to renew his contract, so he got his agent to arrange a lot of work for Lin Haocheng.

If Lin Haocheng completed these shoots...

He could generate more than 200 million for the company.

However, these days, Lin Haocheng never listened to the company's arrangements.

Chapter 923 His Connections Were Not To Be Trifled With

Wu Yongli was anxious. His hair had turned white.

There were only ten days left in the contract with Lin Haocheng. Star Creator Entertainment was able to become the leading company in the entertainment industry because of Lin Haocheng.

Now, Lin Haocheng's popularity was soaring.

No matter which company he went to, it would cause that company to soar at a rocket-like speed.

If he went to Jiaxun Entertainment, Star Creator's biggest competitor, Jiaxun Entertainment would probably replace their company's position in the entertainment industry.

All these years, Star Creator Entertainment had been suppressing Jiaxun Entertainment.

If they suppressed Star Creator in turn...

Wu Yongli didn't dare to think about it.

Over the past month, Wu Yongli's temper had become more and more irritable. He often lost his temper in front of his subordinates.

In the conference room.

He threw a document heavily on the conference table.

He said angrily, "This is the contract that you guys made? Why would Lin Haocheng care about this?"

A department manager wiped the sweat off his forehead and said very carefully, "Chairman, this is the result of our department's hard work for two weeks. We really can't think of anything better. After all, Lin Haocheng is a member of the Lin family. He doesn't lack anything."

Wu Yongli naturally understood that it was very difficult for Lin Haocheng to continue staying in the company.

But he still hoped that his subordinates could come up with a perfect contract.

After all, getting Lin Haocheng to renew the contract was more important than anything else at the moment.

Lin Haocheng leaving would be an extremely serious loss to the company.

If he went to a rival company...

Wu Yongli's eyes darkened.

His face was very dark, and the higher-ups in the meeting room did not dare to say a word.

Wu Yongli glanced at the higher-ups in the seats.

He said in a deep voice, "You guys think of a way to keep Lin Haocheng. The company invited you over not to let you eat dry rice!"

Those higher-ups did not dare to refute and could only agree.

Just as he was about to announce the end of the meeting, his assistant ran in anxiously.

"Chairman, something bad has happened!"

Wu Yongli had a very bad feeling. If it was not a particularly serious matter, his assistant would not have rushed in so rashly.

His hand on the table suddenly tightened. "Speak."

The assistant told him what had happened. "Chairman, Lin Haocheng has been going to Shenghe Entertainment frequently these days."

Wu Yongli frowned. "What kind of company is this?"

The assistant replied, "I've checked. It's an entertainment company that has only been established for two months. It hasn't published any movies or TV series yet. Even the artistes, agents, and directors are mostly college students or C-List celebrities. There are also some artistes and agents who have been popular before but are now in dire straits."

"As for who owns this company, their registration information has already been hidden, so I have no way of knowing. However, the current general manager of Shenghe Entertainment is a university student from Imperial Capital University. This year, he was ranked second in the National College Entrance Examination, Su Yixiu."

Wu Yongli did not say anything, but his clenched fists already revealed his feelings.

The assistant guessed, "Chairman, the person behind Shenghe Entertainment should have an extraordinary background. However, I can't understand them letting a freshman manage the company. No matter how powerful he is, Su Yixiu doesn't have any experience. He hasn't even learned the most basic theoretical knowledge, right?"

Wu Yongli's expression was very ugly.

After hearing the assistant's words, he sneered and said disdainfully, "She has a powerful background? The connections behind me are not to be trifled with."

Chapter 924 Being Squeezed Once Again

The assistant flattered, "That's right, Chairman. Even if they target you, you don't have to be afraid of her."

Wu Yongli thought of something and asked again, "Then what did Lin Haocheng go to Shenghe Entertainment for?"

"It seems like he's preparing to sign a contract with Shenghe Entertainment after the contract with our company expires." The assistant looked at Wu Yongli's dark face and spoke nervously.

Li Wen and Qi Xuan did not tell anyone about their speculation of Lin Haocheng at about Shenghe Entertainment.

However, Lin Haocheng did not pay too much attention to this matter.

Moreover, he was happy. When others asked about it, he told them the truth.

He did not think that Star Creator Entertainment would know about this matter.

Of course, even if they knew, he would not care about Wu Yongli. Even if he did, Wu Yongli would not lay a hand on him.

What Lin Haocheng didn't know was that a dog would jump over the wall if it was cornered.

Hearing this, Wu Yongli's face turned completely black. He gritted his teeth and squeezed out his vicious words. "A small company dares to go against Star Creator Entertainment? Do you really think I'm easy to bully?"

The office was very quiet. Other than Wu Yongli's voice, there was no other sound.

The higher-ups did not even dare to breathe loudly, afraid that they would offend Wu Yongli.

The assistant said very carefully, "Then, Chairman, what do you plan to do?"

Wu Yongli frowned. He wanted to directly make a move on Lin Haocheng, but he did not dare to offend the Lin family.

After a long silence, he said, "Call Lin Haocheng to the company and call Yan Feng over."

"Yes." The assistant nodded respectfully.

It was the weekend. Lin Haocheng was in Fu Garden. He had been looking for a conversation, and Qin Sheng rarely responded. Fu Hanchuan was also a man of few words to anyone other than Qin Sheng.

Therefore, it was Lin Haocheng who was chatting alone.

Perhaps it was because he was used to spending time with Fu Hanchuan, so Lin Haocheng did not feel awkward.

Fu Hanchuan was reading a magazine. He closed it with a headache. "Lin Haocheng, it's time for you to leave."

Lin Haocheng sat on the sofa. He had made up his mind not to leave. "No, I have to stay here for lunch today."

Fu Hanchuan glanced at him. Lin Haocheng knew what Fu Hanchuan meant. He wanted to squeeze his labor for free again.

This time, Lin Haocheng was not afraid of Fu Hanchuan anymore.

He crossed his legs and said arrogantly, "Fu Hanchuan, you still want me to help your company shoot an advertisement without paying anything? I'm now an employee of Sheng Sheng's company."

Fu Hanchuan cared a lot about Qin Sheng. If he was an artist in Qin Sheng's company, Fu Hanchuan would not continue to squeeze his labor force.

However, Lin Haocheng's idea failed.

Fu Hanchuan chuckled. "Lin Haocheng, I remember that you haven't terminated your contract with Star Creator Entertainment, so you're still not an employee of Sheng Sheng."

Lin Haocheng choked and could not say anything to refute.

He sat on the sofa. He did not know whether to leave or stay.

If he stayed, Fu Hanchuan might torture him again.

If he left, wouldn't he look like a coward? What would Qin Sheng think of him?

Lin Haocheng didn't want to leave any bad impression in front of Qin Sheng.

Lin Haocheng was restless. At this moment, a call came in. It was from Wu Yongli's assistant.

He picked up the call. When he heard that he had to go to the company, Lin Haocheng was unusually active. "So urgent? Okay, I'll be there right away."

He put away his phone.

Lin Haocheng coughed and said, "Sheng Sheng, Star Creator Entertainment is looking for me. It seems that there's an urgent matter."

Chapter 925 Around Lin Haocheng

Qin Sheng's eyes were smiling as she nodded. "Alright."

Lin Haocheng heaved a sigh of relief and immediately left Fu Garden.

Qin Sheng and Fu Hanchuan looked at each other and chuckled.

They naturally knew that Lin Haocheng was looking for an excuse to leave, but they did not expose him.

—

In the office of the chairman of Star Creator Entertainment.

Wu Yongli sat at his desk. Yan Feng was already in the company, so he quickly came over.

Wu Yongli pointed at the sofa. "Sit."

He personally brought a cup of coffee for Yan Feng.

Yan Feng took the coffee and asked straightforwardly, "Chairman, what's the matter?"

Wu Yongli deliberated for a moment before saying, "Yan Feng, you're Haocheng's manager. You only brought him along. You must know him very well."

Yan Feng frowned. "I usually only arrange jobs for him. I rarely ask about his personal life."

Wu Yongli smiled. "These few days, he hasn't filmed a single movie. However, I heard that he has been going to Shenghe Entertainment these few days."

Yan Feng was silent.

He naturally knew that Lin Haocheng was preparing to go to Shenghe Entertainment. Of course, he did not stop him.

He even wanted to go there after canceling the contract.

Wu Yongli was nice to Lin Haocheng on the surface, but it was because he could bring huge benefits to Star Creator Entertainment. Moreover, the Lin Corporation was not something that Wu Yongli dared to provoke.

Wu Yongli had been wanting to train new people for the past few months so that he could replace Lin Haocheng's position in the company.

Not renewing the contract was the best choice for Lin Haocheng

It was not easy for Yan Feng to meet such a talented artist. He did not want anything to happen to Lin Haocheng.

"And I heard that after he terminated the contract with the company, he wanted to enter Shenghe Entertainment," Wu Yongli continued, "Yan Feng, our Star Creator Entertainment is the leading company in the entertainment industry. No other entertainment company can compare to our company."

Yan Feng asked, "Chairman, so you're saying that Lin Haocheng should renew his contract with the company?"

Wu Yongli nodded. "That's right. This is a win-win situation. Yan Feng, the problem is now..."

He sighed and said, "Lin Haocheng was manipulated by Shenghe Entertainment's people and is bent on terminating his contract with us. Shenghe Entertainment is just a company that hasn't been established for long. This is really not a good place for Haocheng."

Yan Feng did not say anything. He had already guessed Wu Yongli's motive.

Sure enough, he heard Wu Yongli say, "Yan Feng, you are Haocheng's manager. He listens to you more. Help me persuade him to renew the contract with the company."

Yan Feng's eyes were locked on Wu Yongli. Wu Yongli frowned. He always felt that Yan Feng could see through his thoughts.

Yan Feng said, "Chairman, will you always value Haocheng and give him enough resources?"

"Of course," Wu Yongli answered without thinking.

Yan Feng exposed him mercilessly. "Then why are you thinking of training new artists like Qin Churou to replace Hao Cheng?"

It had been two years since Li Xueyun had brought in a new artist, and now, he asked him to bring along Qin Churou as soon as she arrived. Qin Churou had only been in the company for two months, and she had already participated in two variety shows and a movie, there were also some record shoots.

For a newcomer who had just arrived at the company, it was already considered extremely good to be able to get a resource within two months.

It was very obvious that Wu Yongli was deliberately flattering Qin Churou.

The purpose was also obvious. To nurture a new artist as popular as Lin Haocheng, so that the company would not be restricted by Lin Haocheng, so as to control Lin Haocheng.

Chapter 926 They Left the Company

Hearing this, Wu Yongli's face froze, he explained, "With Haocheng's fame, he's the number one person in the entertainment industry. Who can catch up to him? I only thought of grooming Qin Churou because I saw that she's a good seedling."

Yan Feng stood up and didn't listen to his explanation.

"Chairman, if you want Haocheng to stay in the company, then you can persuade him yourself. This is not within my responsibility."

"You!" Wu Yongli's face instantly turned cold. Sure enough, Yan Feng disobeyed him once again.

Wu Yongli disliked Yan Feng very much since he disobeyed him time and time again.

Lin Haocheng was the same. He did not put him in his eyes at all.

They were unlike Li Xueyun and Qin Churou, who listened to him very much and never refuted him.

He held the coffee cup tightly. He said in a deep voice, "Yan Feng, although Lin Haocheng's contract has expired, you only have two years left in your cooperation with the company. Aren't you afraid that the company will ban you? You're already in your forties. If you're banned for two years, will you still have the glory you have now?"

Although Yan Feng was a manager, if he was banned for two years, it would be difficult for him who did not have an artist who was popular to continue in the entertainment industry in the future.

Canceling the contract would require more than 20 million. It was impossible for Yan Feng to have so much money.

Wu Yongli's words were a blatant threat to Yan Feng.

Yan Feng did not waver. "I'm sorry, there's nothing I can do."

Wu Yongli was instantly so angry that his chest heaved up and down vigorously. His expression was very ugly. "Yan Feng, didn't I just ask you to persuade Lin Haocheng? Is it so difficult? For the sake of Lin Haocheng, you're risking your own future?"

Yan Feng stood where he was and remained silent.

At this moment, Lin Haocheng entered.

He could clearly feel the tense atmosphere in the office. He ignored him and went straight to the sofa to sit down.

Lin Haocheng crossed his legs and asked casually, "Chairman, why are you looking for me?"

Wu Yongli suppressed the anger in his heart. His attitude toward Lin Haocheng was extremely good.

He asked with great concern, "Haocheng, are you not used to anything in the company?"

Lin Haocheng rested his hands on the back of the sofa and answered casually, "Pretty good."

"If there's anything that you're not satisfied with, feel free to mention it."

Lin Haocheng raised his eyebrows. "If I have to say it, there are two more people that I'm not satisfied with. One of them is you, and the other one is Qin Churou."

Lin Haocheng did not forget that Qin Churou had stolen Qin Sheng's identity and had repeatedly framed Qin Sheng.

Over the past month, he had targeted Qin Churou many times in the company.

Lin Haocheng's popularity and status in the company could not be compared to many people. Therefore, when the artistes saw that Lin Haocheng was deliberately torturing Qin Churou, they followed him and caused trouble for Qin Churou.

Qin Churou's days in the company were not easy.

When he heard Lin Haocheng's words, Wu Yongli was stunned. He had never expected him to say such a thing.

When he came back to his senses, Wu Yongli smiled. "Haocheng, I didn't expect you to joke around."

Lin Haocheng glanced at him. "I'm not joking. If you and Qin Churou leave the company, I might consider staying in the company for a while."

Wu Yongli's face stiffened. He changed the topic. "Haocheng, your contract with the company is about to expire. I've prepared a new contract. This time, the contract will be signed for five years. Take a look first. If you have any requests, feel free to mention them. The company will try its best to satisfy them."

Chapter 927 Had His Brother's Help

Lin Haocheng said the same thing as before, "You must have no relationship with the company. Also, ban Qin Churou."

After saying that, he looked at Wu Yongli's ugly expression in a good mood.

Lin Haocheng patted the clothes on his body.

He looked at Wu Yongli and his tone was full of disdain, "Wu Yongli, I will never return to this lousy company again. Don't say that Star Creator Entertainment occupies half of the entertainment industry. This is mostly because of me. Have you forgotten that three years ago, Star Creator Entertainment could only be considered a third-rate entertainment company? In the end, it is not an exaggeration to say that it is because of me that you have achieved what you are now. Without me, you are nothing."

Wu Yongli was so angry that his entire body was trembling. He gritted his teeth and said, "Lin Haocheng, how have I mistreated you?"

"I've seen all the little tricks you've done behind my back. Time and time again, you've made the female celebrities in the company use me to hype themselves up. In the end, you even pushed such a disgusting woman like Qin Churou to my side. Even if you're not disgusted, I'm disgusted."

Lin Haocheng was really disgusted.

Especially one time, Qin Churou deliberately came to his lounge to seduce him.

Fortunately, he was a determined person, so he didn't fall for it.

Wu Yongli straightened his neck and said, "Those are all artistes from the company. For the sake of the company, it's just a scandal. Can't we just clarify it later?"

Lin Haocheng picked his ears. His serious look from before had disappeared. Now, he looked like a playboy.

"I only care about my own happiness. I can't care about others. Let's cut the crap. I won't renew my contract with you."

What a joke. He had finally begged Qin Sheng to let him join Shenghe Entertainment. In the future, he would no longer have to be squeezed by Fu Hanchuan.

He could also get in touch with his sister and cultivate their relationship.

If he renewed his contract with Star Creator Entertainment, wouldn't all his plans be ruined?

These days, he had been counting his fingers and living his life, waiting for the day that he would terminate his contract with Star Creator Entertainment.

Therefore, no matter how good Wu Yongli's conditions were, Lin Haocheng would not agree to it.

At this moment, Wu Yongli did not have a good expression. His voice was gloomy as he said, "You've found a new company. Shenghe Entertainment, right?"

Lin Haocheng frowned.

Wu Yongli sneered and said, "Shenghe Entertainment is just a newly established company. I can shut it down with a flick of my finger."

Lin Haocheng: "..."

Why didn't he think of this?

Wu Yongli was a cunning and narrow-minded person. If any entertainment company was targeted by him, it would not be easy.

If Wu Yongli took action against Shenghe Entertainment...

Lin Haocheng's brows were tightly knitted, and regret appeared in his eyes.

Seeing Lin Haocheng's reaction, Wu Yongli said proudly, "Haocheng, our company is the most suitable choice for you. If you join Shenghe Entertainment, I'm afraid that in less than a month, this entertainment company will go bankrupt."

Lin Haocheng appeared very calm on the surface, but in his heart, he was panicking.

He understood Wu Yongli's methods. He was extremely ruthless. He was worried that Shenghe Entertainment would not be able to cope.

Wu Yongli sat on the sofa, the corners of his lips curling into a disdainful smile. His worried heart was greatly relieved.

No matter how good Lin Haocheng's family background was, no matter how famous he was, wouldn't he still be in his hands?

Lin Haocheng thought of something and his tightly furrowed brows relaxed.

His sister was the behind-the-scenes boss of Shengshi Technology, an existence that many people outside did not dare to provoke.

Compared to Long Yue Technology, Star Creator Entertainment's foundation was shallow. His sister could even take down a veteran company like Long Yue Technology, so why would she be afraid of a mere Star Creator Entertainment?

No matter what, she would still have Fu Hanchuan's help.

And the Lin family.

With his brother's character of spoiling Sheng Sheng, he would not let Qin Sheng suffer at all.

Chapter 928 He Had Made a Mistake

Lin Haocheng regained his confidence and straightened his back. "Wu Yongli, you don't have to worry about whether the company will go bankrupt or not. With me around, even if I'm the only one with the salary, I can still maintain the operation of the entire company."

If 2 billion a year was not enough, he could just work harder and earn 5 billion.

Wu Yongli did not expect Lin Haocheng to be unafraid of his threat. After being stunned for a while, his face turned extremely gloomy.

"Then don't blame me for being merciless," Wu Yongli said through gritted teeth.

Lin Haocheng was no longer afraid of Wu Yongli, and he did not take his threat seriously.

He stood up and said, "Let's go. I don't have much time to waste here. With this free time, I might as well go back and have a good sleep."

Bang...

Wu Yongli was so angry that he slammed the table hard. Even the teacup on the table shook.

He suddenly stood up and said, "Lin Haocheng, don't think that you can continue to be famous. Without Star Creator Entertainment, you're nothing!"

Lin Haocheng stretched lazily and said carelessly, "If it gets cold, it will get cold. At worst, I'll go back and help my brother take care of the company. I don't lack money."

With that, he walked out of the office.

When he got back to the car, Lin Haocheng's legs were, er... a little soft.

He took out his phone and tried to call Qin Sheng a few times, but his hands stopped.

He did not dare to tell Qin Sheng that because of him, Shenghe Entertainment was targeted by Wu Yongli.

After struggling for a while, Lin Haocheng finally dialed Qin Sheng's number.

Qin Sheng picked up very quickly. "Is there something wrong?"

Hearing Qin Sheng's voice, Lin Haocheng was terrified again. He subconsciously answered, "No."

Qin Sheng's beautiful eyebrows were tightly knitted together. If it were any other time, Lin Haocheng would talk a lot. It was obvious that he had something.

Qin Sheng leaned against the back of the chair and said, "Tell me."

Lin Haocheng gritted his teeth and mustered up his courage to tell her what had happened. "Sheng Sheng, I, I did something wrong."

He could clearly hear his own violent heartbeat.

Qin Sheng did not say anything. Lin Haocheng coughed and said very carefully, "Sheng Sheng, Wu Yongli found out that I went to Shenghe Entertainment. He said that he wanted to deal with Shenghe Entertainment. I even said that he could deal with it however he wanted."

He swallowed his saliva and closed his eyes, waiting for Qin Sheng's reprimand.

Qin Sheng rubbed the space between her eyebrows with her slender and fair fingers. She said with a headache, "Did you expose yourself?"

Lin Haocheng nodded nervously. "Yes, Sheng Sheng. Well, I said this matter. Will it affect the company? Can you deal with it?"

Qin Sheng opened a page of a medical book and was silent.

In the two months since she came to Imperial Capital University, she had almost finished learning the medical books.

There were only ten days left before she would finish reading all of them.

These days, she had been busy with other things. Moreover, she felt that she had almost finished reading, so she spent very little time on reading.

Lin Haocheng did not hear Qin Sheng's voice. He became even more nervous, afraid that Qin Sheng would be angry.

Lin Haocheng's palms were sweating. He raised his finger and promised, "Sister, I made a mistake. Next time, I will definitely not give you and the company any more trouble. Really, trust me."

"It's alright. If you come to our company, Wu Yongli will make a move on our company sooner or later. It's just a matter of time."

Hearing this, Lin Haocheng knew that Qin Sheng did not blame him anymore.

He heaved a heavy sigh of relief.

Chapter 929 Cooperating With Scandalous Rumors

He thought of something and asked worriedly, "Sheng Sheng, be careful. Wu Yongli's methods are sinister. Don't be tricked by him."

"No problem." Qin Sheng didn't put Wu Yongli in her eyes. Dealing with Wu Yongli was just a matter of surfing the internet.

It was just a little troublesome.

Lin Haocheng could hear Qin Sheng's confident tone and was completely relieved.

A smile appeared on his face, which made him look like a lackey. "Sheng Sheng, you really don't have to be afraid of him. After all, you can even destroy Long Yue Technology, so why should you be afraid of a Star Creator Entertainment? Moreover, I'm still here. Once I go to your company, I'll definitely attract a lot of artists for you."

After hesitating for a while, he said hesitantly, "Of course, Sheng Sheng, if you want to help your company's female artists quickly increase their popularity and stir up scandals, feel free to look for me. I can cooperate."

Qin Sheng frowned and said, "Don't you hate stirring up scandals the most?"

Lin Haocheng smiled in an obsequious manner. "I do hate it, but if my sister asks me to do it, I definitely won't refuse."

Qin Sheng was really too strong.

She didn't lack money. Even if it was a troublesome matter, she could completely solve it herself.

He couldn't help Qin Sheng.

Only the scandal could play his role.

The corner of Qin Sheng's lips curled up. "There's no need. Our company's artistes don't need to rely on scandals to gain popularity."

Lin Haocheng heaved a sigh of relief.

After ending the call with Qin Sheng, Lin Haocheng was still worried that Qin Sheng would be at a disadvantage. He called Lin Haoyu again and told him about the situation on his side.

When he heard that it was about Qin Sheng, Lin Haoyu, who was processing the documents, stopped. He frowned and listened very seriously.

Lin Haocheng's mouth was already dry after he finished speaking. He opened a bottle of mineral water in the car, took a sip, and casually wiped his mouth.

"Big Brother, you must take good care of Sheng Sheng. Don't let her be bullied by a villain like Wu Yongli. Also, hide behind and help her secretly. Don't let her find out."

Lin Haocheng said the rest of his words mainly because he had his own plans.

He did not want Qin Sheng to know that Lin Haoyu was helping her. Otherwise, wouldn't it be helping Lin Haoyu improve the relationship between him and Qin Sheng? Lin Haocheng was naturally unwilling.

Another plan was that he had said that he trusted Qin Sheng to do well.

But now, he had looked for Lin Haoyu. What if Qin Sheng misunderstood him that he did not trust her?

Lin Haoyu's tone was very unpleasant. "Lin Haocheng, why did you attract Wu Yongli's attention to Shenghe Entertainment?"

Lin Haocheng knew that he was in the wrong and did not say anything.

Lin Haoyu said, "Back then, I said that Wu Yongli is a sinister and cunning person. You shouldn't have entered Star Creator Entertainment."

Lin Haocheng: "..."

Back then, Wu Yongli did not have the ability to deal with him. Moreover, he was not afraid of Wu Yongli, so he did not care about this matter.

Who knew that one day, Qin Sheng would appear?

"I will keep an eye on this matter. Sheng Sheng is also my sister. This matter was caused by you, so you don't have to care about it."

After saying that, Lin Haoyu did not wait for Lin Haocheng's reply and directly hung up the phone.

Lin Haocheng held the phone in his hands and was very unconvinced.

He muttered, "Sheng Sheng said that it's fine. She said that sooner or later, Wu Yongli will target their entertainment company. I just moved the time forward."

Of course, Lin Haocheng was in the wrong after all. He did not call Lin Haoyu to defend himself.

Chapter 930 Dealing With Shenghe Entertainment

On this side, in the office of the chairman of Star Creator Entertainment.

Lin Haocheng left, and so did Yan Feng. In the huge office, only Wu Yongli was left.

For a long time, Wu Yongli was so angry that he could not recover.

His face alternated between green and white. It was a wonderful scene.

The assistant pushed the door open and walked in. When he saw Wu Yongli's expression, his heart skipped a beat. It seemed that Yan Feng and Lin Haocheng had angered Wu Yongli quite a lot.

He instantly regretted entering at this time.

Wu Yongli would probably treat him like a punching bag.

The assistant carefully looked at Wu Yongli and realized that Wu Yongli had not noticed him. He took a few steps back and wanted to leave immediately.

However, just as he turned around...

Wu Yongli's voice came from behind. "Xu Fan, come in."

The assistant's body trembled. He could only come in front of Wu Yongli. He lowered his head and said, "Chairman, is... is there something wrong?"

Even his voice was trembling. He was afraid.

Wu Yongli said in a deep voice, "Have the director of the Public Relations Department come to the meeting room for a meeting."

The assistant frowned. "Chairman, what are you doing?"

Wu Yongli sneered. "Didn't Lin Haocheng say that I should deal with Shenghe Entertainment? Then I'll show him."

"But, Chairman..."

The assistant wanted to raise an objection, but Wu Yongli gave him a cold glance.

He didn't dare to speak for a moment. After leaving the office, he followed Wu Yongli's instructions and called the director of the Public Relations Department over to the chairman's office.

Wu Yongli sat in front of his desk. He glanced at the director of the Public Relations Department and said, "Prepare to deal with Shenghe Entertainment and Lin Haocheng at once."

"Deal with Lin Haocheng?" The head of the public relations department was very surprised. "Chairman, what are you doing?"

"Lin Haocheng insists on leaving Star Creator Entertainment after his contract expires. With Lin Haocheng's reputation, no matter where he goes, it will be a great loss to the company. Lin Haocheng didn't consider that it will hurt the company's interests, so there's no need for us to protect him."

Wu Yongli's face was gloomy.

The director of the Public Relations Department hesitated. "But Lin Haocheng is a member of the Lin family..."

Wu Yongli sneered, "The Lin family's hands shouldn't be able to stretch so far. Moreover, it's been three years, but I've never seen the Lin family protect Lin Haocheng. A wealthy family like the Lin family, it's very likely that they won't agree to Lin Haocheng joining the entertainment industry, let alone help him."

In fact, this was just Wu Yongli's reason to forcefully console himself.

Seeing that Wu Yongli was determined to deal with Lin Haocheng, the Public Relations Department's director didn't say anything else.

He thought to himself that perhaps he could find a new job.

Wu Yongli began to arrange the work. "Go down and mainly capture Lin Haocheng's departure from Star Creator Entertainment and his entry into Shenghe Entertainment. Make sure that everyone thinks that Lin Haocheng is a wolf-hearted dog. Meanwhile, Shenghe Entertainment will use any means to create a public opinion advantage and make Star Creator Entertainment into a pitiful appearance."

The corners of his lips curled up into a smile. "Perhaps, we can use this to boost the popularity of the other artistes in the company."

The head of the Public Relations Department hesitated, but in the end, he still agreed.

Once he left the office, he began to make arrangements.

As for Qin Sheng, she also picked up her phone and finally pulled Hong Yuan out of her phone blacklist.

Hong Yuan was busy with his work, so he set a special ringtone for Qin Sheng's phone number.

Hearing the call, he thought he had misheard. How could Qin Sheng come to find him?
