

Bigshot 941

Chapter 941 A Messy Private Life

There were two videos. One was Lin Haocheng saying that Gu Qinyue wasn't worthy of him, and the other was Lin Haocheng deliberately making things difficult for Qin Churou.

When this Weibo post was posted, Lin Haocheng's fans couldn't believe it.

Lin Haocheng was indeed a bit casual usually, but there was very little real black material.

They were stunned for a moment.

Below this Weibo post, there were a lot of fake reviewers.

[Blackie: Sure enough, after a certain entertainment star with the surname Lin became popular, he drifted off to god knows where. You guys still want to be fans of such a celebrity? Your three views are not right!]

[I Love King: Hehe, I don't need to explain why I'm no longer a fan. I'm one of your female fans, and people like you are obviously discriminating against women. Sorry, I can't accept this.]

[Trash Is Black All Over: I don't care anymore. I'm out. I'm a fan of such a person? Do you think I'm blind? No wonder you would do such an ungrateful thing like jumping ship to another company without caring about the favor they've given. To think that I thought you had some unspeakable difficulties and tried my best to protect you.]

Of course, many fans still wanted to defend Lin Haocheng.

However, the evidence was right in front of them, and they couldn't say anything to refute it.

So, they all ran to Lin Haocheng's latest Weibo post, asking for an explanation.

However, they had not recovered yet when another marketing account posted.

This time, it wasn't about Lin Haocheng being a big shot, but about his messy private life.

[Entertainment All-Knowing: I have seen some netizens privately talking about Lin Haocheng. I got a few photos and I was very shocked. I always thought that Lin Haocheng was clean and honest.]

There were a few photos attached to the Weibo post.

There were photos of Lin Haocheng smoking in the bar with a woman in his arms, kissing, and even bed photos.

It was unsightly.

Lin Haocheng had a lot of fans. Among Lin Haocheng's fans, although they spanned across all ages, girlfriend fans still occupied the majority.

They could accept other things, but they couldn't accept Lin Haocheng being ambiguous with women outside the film.

There were already quite a few fans who had started to leave.

Some even turned black and attacked Lin Haocheng.

[Lin Family's Daughter-in-Law: Lin Haocheng, I've been your fan for two years, and now you're treating me like this?]

[Tears In My Eyes: Give us an explanation!]

[I'm a Baby: D*mn it, it turns out that I'm a fan of such a scumbag, I've never met such a black-hearted man like Lin Haocheng!]

[My Good Son: Upstairs, don't get too excited. Maybe Brother is being slandered? Wait for Brother's explanation.]

As soon as the last comment was posted, a lot of fake reviewers started to attack.

[If it was fake, then why hasn't Lin Haocheng said anything until now? Don't whitewash. No matter how much you whitewash, you can't wash away the fact that your brother is a big shot and his private life is a mess.]

[Is it a demonic pen? Can you even wash away this with irrefutable evidence?]

[I'm really worried about the quality of someone's fans. They're all primary school students.]

Lin Haocheng didn't know anything about all this. He played games for two days.

Yan Feng contacted Lin Haocheng again and instructed, "Go to Weibo and clarify things now so that your fans can be at ease. Now that your Weibo is in chaos, it's time for you to come out."

Lin Haocheng randomly grabbed the messy hair on his head and muttered, "Don't they know what kind of person I am? You still need me to step in?"

Yan Feng rubbed the space between his eyebrows and said with a headache, "Do it immediately."

Chapter 942 He's Not a Jerk

"Oh."

Lin Haocheng reluctantly left Three Realms.

He logged into Weibo.

He didn't post on Weibo immediately, but browsed through the posts about him.

At first, Lin Haocheng didn't pay much attention to those marketing accounts.

He could admit that he was deliberately making things difficult for Qin Churou, but who asked Qin Churou to bully Qin Sheng?

If they said that he said Gu Qqinyue wasn't worthy of him, he would admit it. After all, he did say such words. He had never been kind to women who seduced him by stripping.

However, when she saw the Weibo post that said his private life was messy, especially when he saw the pictures about himself, he was stunned.

Lin Haocheng was completely stunned.

The mouthful of tea he had just drunk was spat out.

He coughed a few times, and tears flowed out.

“F*ck!” Lin Haocheng cursed. He knew that Wu Yongli was insidious and shameless, but he didn’t know that he was so insidious.

He didn’t expect that such a photo could be forged.

And it even exploded!

He didn’t know any of these women. In fact, he had never even seen them before. Outside of the scenes, he would never have any ambiguous actions with any woman.

Not to mention kissing someone else in bed.

When he saw the last bed photo, Lin Haocheng couldn’t take it anymore and directly exited the post.

He was afraid of getting a sty.

He suppressed his disgust and used his own account to post a Weibo message.

[Lin Haocheng: I left Star Creator Entertainment and went to Shenghe Entertainment. I have my own personal reasons. Don’t worry, everyone. I’m fine. As for the rumors about me being a big shot and my messy private life, they will be clarified in the future. Be good, trust me.]

Some of Lin Haocheng’s fans were stubborn and didn’t stop being fans. They didn’t want to believe that Lin Haocheng was the kind of person the marketing account said.

They had been waiting for Lin Haocheng’s explanation.

As soon as Lin Haocheng stood up, they seemed to have been injected with a tube of cardiac stimulant. The initial wavering in their hearts disappeared.

The fans were in an uproar and their emotions were high.

They were crazily scrolling through comments on Lin Haocheng’s Weibo.

The comments that questioned Lin Haocheng were all brushed off.

[Lin Haocheng’s Little Fangirl: Ah, ah, ah, Brother, you’re finally out! If you say it’s not, then it’s not. I’ll definitely support you unconditionally.]

[Mother of the Triplets: Someone must be slandering you. Cheng Cheng, be good. Don’t worry, I’ve seen it all. It’s Star Creator Entertainment who is not happy that you jumped to another entertainment company, so they slandered you. I believe that you will definitely be innocent.]

Wu Yongli had been paying attention to Lin Haocheng’s news. At this time, he saw the comments under Lin Haocheng’s Weibo.

He sneered in disdain.

As expected, they were a group of brainless fans. The evidence was in front of them, but they were still unwilling to believe it.

As for Lin Haocheng, he would like to see what evidence he could find.

Wu Yongli didn't believe that Lin Haocheng could get away with such a big blow.

Moreover, the public opinion was overwhelming, and Shenghe Entertainment was a small company that had just been established. How could they compete with Star Creator Entertainment?

Lin Haocheng was destined to never be able to turn things around.

Things were going smoothly.

Wu Yongli didn't suspect anything.

Meanwhile, Lin Haocheng, who had just posted on Weibo, could not wait to find Qin Sheng.

After Qin Sheng picked up, he started complaining. "Sister, is Wu Yongli still human? He actually dared to release fake photos! Have you misunderstood that I'm a scumbag? Those photos are fake, and the person in them is not me."

Chapter 943 Hacking Into Star Creation Entertainment's System

Lin Haocheng had told Qin Sheng about this mainly because he could not stand the disgust and wanted to find someone to complain about it. The second reason was to explain it to Qin Sheng.

If Qin Sheng really thought that he was that kind of person, then his image in Qin Sheng's mind would definitely drop a lot.

This, Lin Haocheng was naturally unwilling to accept.

There was a smile in Qin Sheng's eyes, and her red lips parted slightly. "Is that so?"

Lin Haocheng blurted out, "That, Second Brother is still a virgin?"

Qin Sheng coughed lightly, and Lin Haocheng finally realized what he had said.

Her face immediately turned red.

Qin Sheng stopped teasing Lin Haocheng and got down to business. "Second Brother, don't worry. I'll help you investigate this matter. I won't let you suffer."

Lin Haocheng suddenly clutched his heart, feeling extremely comforted.

No wonder his friends were showing off their little sisters every day.

He did not think that being protected by Qin Sheng was an embarrassing thing. Instead, he said excitedly, "Okay, then, Little Sister, Second Brother will leave it to you in the future."

Qin Sheng ended the call with v and turned on his computer.

Wu Yongli had almost used up all his chips, so it was time for her to hack into the communication records of Wu Yongli, the director of the Public Relations Department, and some other people.

Qin Sheng directly hacked into Star Creator Entertainment's internal network system.

Her eyes were focused on the computer screen as she browsed through it seriously.

Qin Sheng was very patient.

There were many records, but she still looked at them one by one.

Two hours passed, and Qin Sheng finally found the evidence.

The internal system of Star Creator Entertainment was well protected.

Star Creator Entertainment also used this to pass on important information and documents.

Wu Yongli thought that no one could hack into the system of Star Creator Entertainment, so he spoke to his subordinates without any restraint.

Qin Sheng took out a screenshot.

She also downloaded the file that Wu Yongli sent to the head of the Public Relations Department.

When she exited, Qin Sheng did not do so quietly. Instead, she deliberately triggered the alarm.

She even destroyed Star Creator Entertainment's defense system, just like she did to Long Fei Corporation.

Star Creator Entertainment's internal system was rarely hacked. At this time, when they heard this warning, they didn't react for a moment.

"What is this?" he even asked with a frown.

The other technician was also stunned for a few seconds before he reacted. His eyes widened. "Not good!"

He quickly turned on his computer.

Three minutes later, his hands were shaking and his face was pale. "It's over, we're done for. The hackers hacked into our company's internal system and destroyed our security system."

"What? Let's inform the manager."

They didn't dare to hesitate and directly told the department manager.

The department manager was originally drinking tea very contentedly, but when he heard the two technical staff's words, he choked.

After a while, he finally recovered.

He thought he had heard wrong. Star Creator Entertainment's defense system could be hacked?

There had been hackers who tried to hack in the past, but they were all blocked in the end.

"Are you sure?" he asked, frowning.

“I’m sure, Manager,” one of the technicians replied. “I’m afraid that the hackers will steal some of the company’s information.”

The department manager turned on his computer and looked at it.

It showed that several important documents had been destroyed.

The department manager frowned. This was a serious matter, so he didn’t dare to hesitate and told Wu Yongli about it.

Wu Yongli’s face turned green with anger. He gritted his teeth and said, “Who is it?”

“Chairman, could it be someone from Shenghe Entertainment?” the department manager guessed.

Chapter 944 How’s Shenghe Entertainment?

Wu Yongli denied it without a second thought. “Impossible. How could Shenghe Entertainment have such ability?”

The department manager frowned. Shenghe Entertainment’s building was built in the center of the Imperial Capital. It could not be bought without a billion yuan.

In that case, the person behind Shenghe Entertainment must be very powerful.

However, seeing Wu Yongli’s ugly face, he didn’t dare to raise any objection.

Wu Yongli clenched his fists and said, “Call the police and ask a few more employees to keep watch. If they dare to come here again, we must catch them.”

“Chairman, I’m afraid it’ll take a lot of money to repair the security system,” the department manager said carefully.

Wu Yongli gritted his teeth and said with a gloomy look, “Let the company allocate the finances.”

The department manager agreed.

After he left, Wu Yongli fell back into his chair and frowned. He couldn’t figure out which company would send a hacker to attack their system.

Wu Yongli didn’t think of Shenghe Entertainment, and he ruled it out first.

No matter what, he refused to believe that Shenghe Entertainment had such a capability.

On the internet, Lin Haocheng’s matter was still brewing.

Under Lin Haocheng’s Weibo, there were also a lot of abuse and attacks.

Lin Haocheng had disappeared since the last Weibo post. Those haters thought that Lin Haocheng was afraid and in the wrong and didn’t dare to come forward, so they scolded him even more.

Shenghe Entertainment, on the other hand, did not show up at all.

The public opinion on the internet was leaning toward Star Creator Entertainment. Those artists also saw that Lin Haocheng had no chance of making a comeback. The Lin family also didn't come forward to help Lin Haocheng, so they should have given up on Lin Haocheng.

Therefore, these celebrities unscrupulously posted on Weibo to trample on Lin Haocheng.

As for Lin Haocheng, because a large number of reporters were waiting for him outside the villa, Lin Haocheng simply didn't show his face. He stayed at home and played games every day, feeling very comfortable.

And that day, Su Yixiu also contacted Qin Sheng.

"Sheng Sheng, Star Creator Entertainment has also poached seven artists from our company," he said with a frown.

Qin Sheng said nonchalantly, "It's fine. Artists who can be poached will leave sooner or later. There's no need for us to keep them around."

Su Yixiu's brows relaxed, and he nodded. "Okay."

"So, Sheng Sheng, when are you going to fight back?" he asked after hesitating for a while.

Qin Sheng narrowed her eyes. "There's no rush. Let's wait until the weekend. You'll be free then."

Most of the evidence had been handed over to Su Yixiu.

The process of the counterattack had also been arranged. As long as Su Yixiu followed it, there should not be many problems.

"Alright," Su Yixiu agreed.

Hong Yuan had been paying close attention to this matter. After finding out the exact time of the counterattack, he finally understood.

On Saturday, he and Yu Bei ran to Su Yixiu's office with excited faces.

Su Yixiu looked at the two of them and felt a headache coming on. "Manager Hong, Brother Bei, what are you guys doing?"

Hong Yuan grinned and said, "You guys can fight back. You don't have to worry about Yu Bei and me. Of course, Yu Bei and I have pretty good computer skills. You can order us around."

Su Yixiu didn't think about it anymore. He could ask Yu Bei and Hong Yuan for help, which would save him some trouble.

He packed his things and was about to enter the meeting room.

At that moment, his phone rang. It was an unfamiliar number.

Su Yixiu frowned and answered the call.

A proud voice came from the phone. "Mr. Su, is Shenghe Entertainment doing well?"

Chapter 945 Blacklisted Wu Yongli

“You’re Wu Yongli,” Su Yixiu said with certainty, frowning.

Wu Yongli turned his office chair. He didn’t hide his identity. “Yes, that’s right.”

When Yu Bei heard Wu Yongli’s name, he came over. he was very curious about why Wu Yongli called Su Yixiu.

“President Su,” Wu Yongli sneered and said, “tell your boss that this company has only been established for two months and has not produced any works yet. It’s still too young to compete with Star Creator Entertainment. If you know what’s good for you, shut down the company as soon as possible to avoid greater losses in the future.”

Su Yixiu said expressionlessly, “You don’t have to worry about that.”

Wu Yongli sneered, “President Su, do you really think you can turn the tables with Lin Haocheng? Lin Haocheng is now being beaten up and can’t even take care of himself. How would he have the time to care about you? As for the Lin family, ha, they haven’t shown up until now, so you can’t count on them.”

Su Yixiu did not reply.

Wu Yongli continued, “Your company doesn’t need to think about returning Lin Haocheng to Star Creator Entertainment. We’ll let him go. We can’t afford to pay for Lin Haocheng.”

After this incident, Lin Haocheng’s future would definitely not be good, and he would no longer have the glory of the past.

Naturally, Wu Yongli didn’t like it.

What’s more, he didn’t want to see Lin Haocheng’s face all day long in the company.

Hearing this, Yu Bei was dumbfounded. How much confidence did Wu Yongli have to say these words?

Su Yi had a good temper and was a gentleman. He could tolerate it, but he couldn’t.

Yu Bei snatched Su Yixiu’s phone away.

“You piece of trash. Let me tell you, if you want to mess with Shenghe Entertainment, in your next life, don’t say that you have the upper hand. Just you wait. We’ll show you later. I’ll see how long you can laugh! Hmph, don’t blame me for hitting you when you’re down.”

After that, he didn’t give Wu Yongli a chance to scold him back.

He hung up the phone directly and blacklisted Wu Yongli’s mobile phone number.

After doing all this, Yu Bei let out a deep breath. “I’m feeling much better now.”

Even the anger that he had accumulated from watching those R-rated films from Hong Yuan and Qin Sheng had disappeared.

He returned the phone to Su Yixiu. “Is it okay for me to scold him like this?”

Su Yixiu’s expression was hard to describe, but Yu Bei’s words were beautiful.

“No problem.” he shook his head.

Yu Bei was relieved and quickly walked out of the office. "Su Yixiu, aren't you going to deal with Star Creator Entertainment? Then let's hurry up and leave."

He couldn't wait to see Wu Yongli's defeated look.

Yu Bei had not forgotten that Wu Yongli was the ultimate reason why Qin Sheng and Hong Yuan had shown him those disgusting photos and videos.

He had to give in to Qin Sheng and Hong Yuan and did not dare to deal with them.

Therefore, Yu Bei vented all his anger on Wu Yongli.

When he was looking for scandals about celebrities from Star Creator Entertainment, he was also particularly enthusiastic.

On this side.

After hearing Yu Bei's words, Wu Yongli was so angry that his face turned green and white.

He called again.

Wu Yongli was even angrier when he was notified that Su Yixiu's phone was turned off. Su Yixiu had obviously blacklisted him.

He actually dared!

Wu Yongli's eyes darkened as he kicked the desk.

He wanted to see what Shenghe Entertainment could do to solve this crisis.

Chapter 946 Start of the Counterattack

Wu Yongli picked up his phone. "Keep a close eye on Shenghe Entertainment. If there's any news, let me know immediately."

After hanging up the call with his subordinate, he opened his Weibo.

He saw that Weibo was full of attacks on Lin Haocheng, and Lin Haocheng's fans had fallen to 80 million.

Wu Yongli sneered.

From the beginning, this incident had already happened for six days, and until now, no one had come out to clarify. Only Lin Haocheng posted a non-significant Weibo post.

Shenghe Entertainment had always been a coward. They had always been hiding and had never stood out to face the reporters.

In this way, Lin Haocheng and Shenghe Entertainment could make a comeback?

What a joke!

Wu Yongli was ready to laugh at Shenghe Entertainment.

Meanwhile, in the meeting room of Shenghe Entertainment.

Su Yixiu sat at the top of the conference table, while Yu Bei and Hong Yuan sat on either side of the table. A few of his subordinates were also present.

They all had a computer in their hands.

These employees were all from the Public Relations Department of Shenghe Entertainment.

Su Yixiu looked at his watch. "Let's start."

Immediately, the sound of someone tapping on a computer could be heard in the office.

Some of them sent the evidence to some Weibo verified accounts. These verified accounts didn't participate in slandering Lin Haocheng before. On the contrary, they still didn't defend Lin Haocheng's verified accounts much.

Some of them even contacted the internet water army.

Yu Bei crossed his legs and asked, "Yixiu, what are the General Manager and I doing? I can't just sit here and watch you guys."

Su Yixiu could only arrange some things for Yu Bei to do.

"Brother Bei, you're in charge of observing the situation on the internet. If there's anything wrong, you're good with computers. You should be able to handle it."

As for Hong Yuan, Su Yixiu frowned. He really couldn't think of any work to arrange for him.

Su Yixiu did not expect Hong Yuan and Yu Bei to come over. He had already arranged all the work in the morning.

Hong Yuan was the first to speak. "Yixiu, go do what you need to do. Don't worry about me. I'll just play with Weibo."

Su Yixiu nodded. "Alright."

He also clicked into Shenghe Entertainment's official Weibo account that he had previously registered.

He posted his first Weibo post since he registered.

Shenghe Entertainment: [Lin Haocheng is indeed preparing to sign a contract with our company, but this is only on the basis of Lin Haocheng's contract renewal with Star Creator Entertainment. This is a normal employee turnover. You have no right to criticize him. Lin Haocheng and Shenghe Entertainment are not at fault.]

Without a doubt, other than Lin Haocheng's loyal fans, very few people would defend Shenghe Entertainment.

There were seven million people following Shenghe Entertainment. Not long after this Weibo post was sent out, there were only curses below, and very few people defended it. [Little Chicken: Trash company, get lost! It's better to close down as soon as possible.]

[Iron Doll: It's just an entertainment company that has been established not long ago. How dare they compete with a leading company like Star Creator Entertainment for people? How capable are they? You brought this upon yourself.]

[Stinky Brother: Hehe, my idol ended up like this because of you guys, and you still have the nerve to come out?]

Su Yixiu didn't read any of these comments.

After posting on Weibo to express the company's attitude, he logged out of the company's Weibo and switched to his own account.

An employee from the Public Relations Department asked, "Everything is ready now. General Manager, can we start?"

Chapter 947 12 Billion in Four Years

Su Yixiu's fingertips tapped the table. Hearing this, he looked up. "Let's start."

The staff then sent a message to the verified user.

In an instant, three very famous internet celebrities came forward to voice their opinions.

They or the fans of their son, Lin Haocheng, did not charge Shenghe Entertainment any fees this time.

When Shenghe Entertainment had approached them, they had agreed without hesitation.

[Lin Youcheng V: Some people say that it was Star Creator Entertainment that made Lin Haocheng successful. There are also marketing accounts that say that the money Lin Haocheng earned these years is far less than what Star Creator Entertainment has paid for him. Here is a set of data that proves that Lin Haocheng earned a total of 12 billion in these four years. Of which, 7.2 billion fell into the pocket of Star Creator Entertainment. Isn't this enough? Star Creator Entertainment?]

A set of data was listed below, all of which were internal data of Star Creator Entertainment, and they were very credible.

While they were surprised, they also raised their doubts.

12 billion in four years? Lin Haocheng's net worth was indeed very high, but generally speaking, it was difficult to earn so much money.

This was obviously trying to arrange work for Lin Haocheng.

Moreover, out of the 12 billion, 7.2 billion went into the pocket of Star Creator Entertainment.

Lin Haocheng and Star Creator Entertainment, 40 – 60 split?

At this moment, many people believed the words of Lin Youcheng, a Weibo verified account. After all, there was real data for them to see.

[Cute Little Luban: 7.2 billion yuan to make up for the resources Star Creator Entertainment gave Lin Haocheng? Hehe, Star Creator Entertainment, what you're doing to slander Lin Haocheng is ridiculous.]

[Holy Crap: I suspect that this incident with Lin Haocheng was caused by Star Creator Entertainment. They can't bear to see Lin Haocheng jump to Shenghe Entertainment.]

These two comments were at the top.

It had been six days since the incident broke out. The emotions of the passers-by had also stabilized and become rational.

They read the Weibo post patiently.

They also noticed that something was wrong.

The Public Relations Department of Star Creator Entertainment reported to Wu Yongli immediately.

Wu Yongli's heart skipped a beat, and he frowned.

The head of the Public Relations Department wiped the sweat from his forehead. "Chairman, I have a feeling that Shenghe Entertainment will use other evidence to clarify."

Wu Yongli was sitting at the conference table. He clenched the pen in his hand.

His gaze was heavy.

He laughed disdainfully. "Impossible. Do they have that kind of ability?"

The head of the Public Relations Department's heart sank.

This Wu Yongli was indeed too arrogant. Shenghe Entertainment had not made a sound and let things develop like this for six days, which was obviously not right.

However, Wu Yongli stubbornly believed that Shenghe Entertainment did not have the ability to compete with Star Creator Entertainment.

Shenghe Entertainment's building was located in the center of the Imperial Capital, which meant that they had sufficient funds and had made up their mind to develop Shenghe Entertainment well. It would not be too bad.

Even if it didn't work out, with Lin Haocheng around, the Lin family would also help.

However, when he mentioned it, Wu Yongli didn't listen to him at all. Instead, he thought that he was deliberately going against him.

The other senior executives in the conference room heard Wu Yongli's words and echoed, "Yes, Chairman, Shenghe Entertainment is just a small company. How can it be compared with us? Isn't that a joke?"

"Chairman, you don't have to pay too much attention to them. They can't cause any trouble."

"Yes, Chairman, how can a young boy like Su Yixiu compare to you in your ability? Lin Rong, you shouldn't be so nervous."

Wu Yongli was flattered by his subordinates and felt a lot more comfortable. He also felt that Shenghe Entertainment could not compete with Star Creator Entertainment.

“Go out,” he said. “In the future, you don’t have to report such trivial matters to me.”

The head of the Public Relations Department’s heart sank completely.

He could only leave the meeting room.

A member of the Public Relations Department came forward and asked, “Manager, what did the Chairman say?”

The head of the Public Relations Department sneered. “He’s still as arrogant as ever. We’ll just wait for Star Creator Entertainment to fall because of this. It’s time for us to prepare to jump ship.”

— —

It had been less than 20 minutes since the last Weibo post was posted.

Another Weibo verified account had posted.

[Dog Lover: As for some marketing accounts that criticized Lin Haocheng for being a big shot, let me analyze it. Everyone also knows that Lin Haocheng hates female stars who want to have a scandal with him the most. Was there a problem with Qin Churou doing this and Lin Haocheng doing this to her? As for Gu Qinyue, she seduced Lin Haocheng before, so why would Lin Haocheng need to be nice to her?]

They threw out a video.

This video was a complete recording of Gu Qinyue seducing Lin Haocheng.

There were many comments below the Weibo post.

[Lin Haocheng’s Little Fangirl: This Gu Qinyue is too shameless! She actually dared to seduce my brother. Previously, she even posted on Weibo about how good Star Creator Entertainment was to Brother and even acted as if she was doing it for Brother’s good. I thought it was strange back then. She turned out to be a big white lotus.]

[Jianghu Swordsman: It’s time to slap your face. I want to ask those who said that my brother is being arrogant, do their faces still hurt?]

[Jubilant Joy: I have a feeling that there will be another round of face-smacking. I’ll wait.]

Gu Qinyue was putting on makeup. When her manager saw the Weibo post, he immediately rushed over to find Gu Qinyue.

“Qinyue, take a look.”

The manager showed the phone to Gu Qinyue. When Gu Qinyue saw the content, her originally nonchalant gaze froze and she sat up straight.

Her lips trembled slightly. “How did you get this video?”

The manager said worriedly, "Qinyue, you have the image of a pure goddess. Now that this video is out, it will have a huge impact on your image."

Gu Qinyue's face looked extremely pure, and she was the goddess of many otakus.

If this video were to be leaked, her image would be ruined.

The number of her fans would also fall greatly.

Hearing this, Gu Qinyue was completely flustered and couldn't be bothered with the next scene.

She didn't even have time to change out of her filming clothes. She stood up and walked quickly to the door. "No, I must go to the Chairman. He will help me deal with it."

She didn't even respond to the director's shouts.

On Su Yixiu's side, the Weibo and verified accounts were ordered to post another piece of evidence less than five minutes after they posted the evidence.

[Make Big Money To Support the Family: You said that Lin Haocheng's private life is chaotic, then I would like to ask a certain marketing account and Star Creator Entertainment, what is their intention in slandering Lin Haocheng using fake photos?]

In the following photos, there was a photo of Lin Haocheng flirting with another woman that the marketing account had exposed, and there was also a photo of Lin Haocheng for comparison.

They had circled the red birthmark on the man's neck on purpose.

Lin Haocheng's neck didn't have this birthmark at all.

It was obvious that this man wasn't Lin Haocheng.

Seeing this, those bystanders all understood that Lin Haocheng had been slandered.

What messy private life? That was not it at all.

They continued to watch...

Chapter 949 Turning the Situation Around

It was a chat record, which was the chat record of Wu Yongli contacting the head of the Public Relations Department.

The other one was Wu Yongli chatting with a man.

The man sent a photo to Wu Yongli, and the face in the photo was very similar to Lin Haocheng's. Obviously, he had plastic surgery according to Lin Haocheng's appearance.

However, the birthmark on his neck was more conspicuous.

Wu Yongli was very satisfied. He asked the man to take some ambiguous pictures with the woman and send them to him.

And the pictures that the marketing account had exposed were all on it.

Finally, Wu Yongli arranged for the head of the Public Relations Department to ask the marketing account to reveal the news.

When the bystanders saw the content, they were so shocked that they couldn't close their mouths.

What Lin Haocheng's chaotic private life, what acting like a big shot, all these were fabricated by Star Creator Entertainment!

Following that, the same Weibo verified account did not stop and posted a few more pictures.

It was a picture of the head of the Public Relations Department contacting the internet water army, as well as contacting the marketing accounts and paparazzi.

The higher-ups were very clear about the arrangements for the exposure this time.

There was no doubt that this storm about Lin Haocheng was produced by Star Creator Entertainment.

[Earn Big Money To Support the Family: I wonder what explanation Chairman Wu has for this? Star Creator Entertainment?]

As these Weibo posts came down, the Weibo users were completely blown up.

[Melon-Eating Youngster: F*ck, f*ck, f*ck! What did I just see? This Star Creator Entertainment is too shameless. Seeing Lin Haocheng's ability to make money, they can't stand Lin Haocheng jumping into other companies. They deliberately hired fake water army, created fake evidence, and defamed Lin Haocheng and Shenghe Entertainment's image. This is really a little white lotus.]

[Yi Qingfeng Mingyue: Lin Haocheng is too pitiful to encounter such a company. I can understand why Lin Haocheng wants to leave Star Creator Entertainment. It was because of him that Star Creator Entertainment was able to rise up, and now he is being backstabbed.]

[Xiao Xin is Super Cute: F*ck! Thank god they clarified it, otherwise, Brother would have suffered a lot.]

[Water Army Dogleading: I feel that this is all Shenghe Entertainment's doing. Shenghe Entertainment did not say a word before, but after that Weibo post, all the evidence has been exposed. I have to say, Shenghe Entertainment is really amazing.]

Yan Feng also knew that Shenghe Entertainment would make a move today, so he came to Lin Haocheng's place early in the morning.

Lin Haocheng did not play games that day, which was a rare occasion. He wanted to see how Qin Sheng would defend him.

Perhaps, he could show off to his big brother.

Yan Feng also waited very patiently. After the last Weibo post arranged by Su Yixiu was posted, the direction of the wind on the internet had completely changed.

Now, everyone was leaning toward Lin Haocheng and Shenghe Entertainment's side, all criticizing Star Creator Entertainment.

It was several times more intense than the previous attack on Lin Haocheng and Shenghe Entertainment.

Star Creator Entertainment's Weibo had already fallen.

The fans who stopped being Lin Haocheng's fans also returned to follow Lin Haocheng again.

Yan Feng's brows relaxed. It seemed that Lin Haocheng's sister was not a kind person.

She could actually turn the tables from this kind of decline!

Lin Haocheng's face was full of pride as he asked Yan Feng, "How is it? Big Feng, isn't my sister amazing?"

It was rare for Yan Feng to praise someone. "She is indeed powerful."

Lin Haocheng puffed up his chest as if the person Yan Feng was praising was himself. "Of course, don't you know whose sister she is?"

Yan Feng rubbed his eyebrows and was too lazy to look at Lin Haocheng.

"I'll be less worried if you're half as good as Qin Sheng," he said.

Lin Haocheng picked his ear and could only ignore Yan Feng's words.

Chapter 950 Wu Yongli Learned

In the president's office of Lin Corporation.

Lin Haoyu was seated in his office chair. He had not dealt with any of the company's affairs today, but had been keeping an eye on the happenings at Shenghe Entertainment.

He had arranged for people to collect a lot of black material about Star Creator Entertainment. If he did something, it would be enough to bring down Star Creator Entertainment.

He was planning to make up for any mistakes made by Shenghe Entertainment.

However, Shenghe Entertainment had solved it perfectly.

If the follow-up public relations of Star Creator Entertainment were good, perhaps they could clear their name, but Star Creator Entertainment could not threaten Shenghe Entertainment with Lin Haocheng's job-hopping.

Lin Haoyu had thought that Qin Sheng would be able to handle it well, but he had not expected her to arrange it so perfectly that no one would be able to pick out a single flaw from Shenghe Entertainment.

Lin Haoyu felt a little dejected in his heart, but even more so, he felt proud.

He was also feeling heartache.

Qin Sheng was only 18 years old and had just come of age, but she already had such strong abilities. How much did she suffer when she was young?

If it was not for Qin Sheng's objection, he would have directly made a move on the Qin and Feng families in H City.

Lin Haoyu felt that he had to protect Qin Sheng even more. He could not allow Qin Sheng to suffer any more grievances.

He would give Qin Sheng double the love he owed before.

Qin Sheng did not know what Lin Haoyu was thinking, or else she would definitely have a headache.

On the other side, the director of the Public Relations Department of Star Creator Entertainment had also seen the Weibo accounts of those Weibo big Vs arranged by Shenghe Entertainment.

He read it expressionlessly, without a trace of emotion in his heart.

Shenghe Entertainment wasn't a good company, and for the past six days, there had been no news from them.

He had already expected that Shenghe Entertainment would come to clear things up.

Now that the evidence was here, there was no way for Star Creator Entertainment to clarify.

"Manager, this..."

His subordinate was shocked. They didn't expect that Shenghe Entertainment would clear up all the excuses they used to deal with Lin Haocheng.

The chat records of Star Creator Entertainment contacting the internet water army were exposed.

Now, it was Star Creator Entertainment's turn to be at the forefront of public opinion.

"Don't worry about it," the head of the Public Relations Department said sarcastically. "The Chairman asked us not to disturb him because of Shenghe Entertainment."

Wu Yongli didn't come out of his office until the one-hour meeting.

He took out his phone and was about to check the situation on the internet.

At this moment, Gu Qinyue ran in. Her hair was messy and her makeup was not done properly. She looked very ugly.

"Gu Qinyue, watch your personal image. If the paparazzi take photos of you and leak it online, you'll be in trouble," Wu Yongli said unhappily.

Gu Qinyue said, feeling wronged, "Chairman, I have something urgent to tell you."

Wu Yongli frowned and asked, "What is it? Why are you in such a hurry?"

"Chairman, have you seen the Weibo posts on the internet?" Gu Qinyue asked anxiously.

Wu Yongli's brows furrowed even deeper. He opened his Weibo.

"I don't know why, but a photo of me seducing Lin Haocheng has been posted online," Gu Qinyue said.

Wu Yongli raised his head and said with an ugly expression, "You seduced Lin Haocheng?"

Seeing this, Gu Qinyue hurriedly said, "Chairman, it's not just this. Those big V's even revealed the money Lin Haocheng earned in the past four years. Also, also, the company contacted the internet water army to slander Lin Haocheng and let a man impersonate Lin Haocheng to take those ambiguous photos."
