

## **Bigshot 951**

### Chapter 951 The Ability of Shenghe Entertainment

On the way here, Gu Qinyue went through all the posts on Weibo.

She also probably understood that these were all Lin Haocheng and Shenghe Entertainment's handiwork.

As for her own Weibo, she didn't dare to look at the contents.

She didn't need to think to know that the higher-ups must be cursing her.

Hearing this, Wu Yongli was stunned. He couldn't believe it. "Impossible, how could Shenghe Entertainment have such a skill?"

He quickly clicked into Weibo's hot search list.

Right now, the topic of Star Creator Entertainment's rumor about Lin Haocheng was already there. Moreover, on the left, there was a very conspicuous word 'explosive.'

Wu Yongli's hands were trembling.

After looking through Weibo, his face was drained of all color.

He mumbled over and over again, "Impossible, impossible. This must be fake."

"Chairman, what should we do now?" Gu Qinyue asked anxiously.

Gu Qinyue was the first one among those celebrities to stand up to defend Star Creator Entertainment, while at the same time criticizing Lin Haocheng.

The bird that takes the lead gets shot.

Naturally, she became the target.

Especially the fans who had been deceived by Star Creator Entertainment. After attacking Star Creator Entertainment, they all went to her Weibo to curse.

She regretted being the first one to stand up in order to ride on Lin Haocheng's popularity.

Wu Yongli was already in a bad mood. When he heard Gu Qinyue's words, he snapped, "Shut up!"

Gu Qinyue's neck shrank, and she didn't dare to speak.

Wu Yongli's assistant came out of the office after tidying up the documents for the meeting.

"Tell Lin Rong to come to my office immediately," Wu Yongli ordered.

Seeing Wu Yongli's expression, the assistant knew that there must be something urgent. After agreeing, he took out his mobile phone and opened the Public Relations Department.

"The Chairman asked your department head to come to the company." He looked at the time and added, "Be here in three minutes."

After the member from the Public Relations Department hung up, he said worriedly, "Manager, the Chairman is looking for you. He wants you to go to his office now."

The head of the Public Relations Department stood up and straightened his clothes.

He said nonchalantly, "Don't worry. Wu Yongli can't do anything to me. I want to resign. I can't stay in such a company anymore."

On the contrary, he admired Shenghe Entertainment's public relations ability.

In public relations, the biggest taboo was the stubbornness of the company's leaders, who insisted on their own ideas and refused to listen to the opinions of the professionals.

There were very few companies that dared to go against Star Creator Entertainment, so Wu Yongli usually didn't get involved.

And this time, all the disclosures and procedures were arranged by Wu Yongli alone.

He had put forward his opinions countless times, but Wu Yongli had ignored him.

The head of the Public Relations Department didn't want to stay at Star Creator Entertainment anymore.

With his ability, he could still enter many good companies.

The member heaved a sigh of relief. "Okay, Brother Rong. If you want to leave in the future, take me with you."

"Alright," he said.

The head of the Public Relations Department went straight to the chairman's office without any hesitation.

Bang!

As soon as the head of the Public Relations Department entered, a coffee cup was thrown at his feet, and his shoes were stained with coffee.

The head of the Public Relations Department walked in without a change in expression. "Chairman, you're looking for me?"

Wu Yongli pointed at the photo on the table and said with a sullen face, "How can you not tell me such a big thing?"

"Yes," the head of the Public Relations Department replied respectfully. "It was you who asked me not to disturb you because of Shenghe Entertainment."

Chapter 952 The Black Material of A-List Celebrities

"Is this a small matter?" Wu Yongli slammed the desk hard, his whole body shaking with anger. "Lin Rong, I think you're deliberately going against me."

The head of the Public Relations Department didn't say anything. It was obvious that he had agreed.

Wu Yongli raised his hand and pointed at the head of the Public Relations Department. He was so angry that he laughed. "I'm your superior. How dare you? I think you don't want to work in the company anymore!"

The head of the Public Relations Department did not say anything.

"Alright, get out of the company immediately. There's no place in my company to provide for an employee like you."

"I'm more than happy to."

The head of the Public Relations Department left the company without any hesitation.

The assistant frowned. "Chairman, our company is now in need of public relations. Isn't it inappropriate to let Manager Lin leave like this?"

Wu Yongli sneered disdainfully, "Do you really think that our company is finished without Lin Rong? Xu Fan, go and recruit a new public relations talent immediately."

Just as the assistant was about to respond, a computer call came in.

"What's the matter?" he asked as he picked up his phone.

The receptionist said something, and the assistant's brows furrowed even more.

Wu Yongli frowned when he saw his assistant's expression.

"Alright, I got it." The assistant hung up the phone and turned to Wu Yongli. "Chairman, Su Yixiu came to the company. He said he wants to see you, and it's something very important."

Wu Yongli frowned. "Su Yixiu!"

He couldn't figure out why Su Yixiu had come to find him.

Wu Yongli's heart sank as he thought of something. There was a high probability that Su Yixiu was here to mock him.

Wu Yongli clenched his fists. "Let him in."

Five minutes later, Su Yixiu appeared in the reception room.

Wu Yongli did not arrange for his assistant to pour tea for Su Yixiu. He asked gloomily, "What's your purpose?"

Su Yixiu didn't keep Wu Yongli in suspense. He took out a document from the leather folder and pushed it in front of Wu Yongli. He pointed at it and said, "Chairman Wu, take a look."

Wu Yongli had a very bad feeling in his heart.

Wu Yongli looked up at Su Yixiu, who had a smile on his lips and didn't seem to be inappropriate.

Wu Yongli opened the document.

At first glance, he frowned. He looked up, his lips trembling. "Su Yixiu, you guys!"

Su Yixiu smiled. "Chairman Wu, keep looking. Count how many artists' scandals your company has listed on this."

Wu Yongli clenched the document in his hand, the veins on the back of his hand throbbing.

As he continued reading, his expression became uglier and uglier.

The list of scandals covered almost all the A-List celebrities in his company.

He didn't dare to think about it if these things were exposed.

Because of the company culture and company regulations, most of the A-List celebrities had bodies that were not clean.

These celebrities were also often arrogant outside because they were artistes of Star Creator Entertainment and often bullied artistes from other companies.

For a hacker like Yu Bei, it wasn't difficult to dig out their dirty secrets.

If this information was leaked, even if it wasn't, their reputation would be greatly damaged.

It would be a fatal blow to the company.

Wu Yongli subconsciously wanted to tear up the information, but Su Yixiu saw through his intentions and raised his eyebrows. "There's a backup on the company's computer. Besides, even if the information is gone, we can find it again."

Wu Yongli was so angry that his face turned pale.

Chapter 953 Luring Them To Star Creator Entertainment

He thought of something and narrowed his eyes. "Su Yixiu, the hacker who invaded our company a few days ago, was he sent by you?"

It had to be. Otherwise, how could Shenghe Entertainment have gotten the information and screenshots?

Su Yixiu frowned, looking as if he didn't know anything. "What?"

Wu Yongli sneered, "Stop pretending. It's your Shenghe Entertainment. I didn't expect you to be so despicable to use such a method."

Su Yixiu only smiled and did not say anything.

Wu Yongli threw the document on the table. "Tell me, Su Yixiu, what's the purpose of Shenghe entertainment?"

Su Yixiu said directly, "I want you to apologize to Lin Haocheng and Shenghe Entertainment in front of everyone. In addition, use your company's official Weibo to post an article to tell everyone how you slandered Lin Haocheng and Shenghe Entertainment."

As soon as Su Yixiu finished speaking, Wu Yongli stood up emotionally, "No!"

If they did that, wouldn't they be embarrassing Star Creator Entertainment?

They even made everyone think that Star Creator Entertainment was afraid of Shenghe Entertainment.

In the future, Star Creator Entertainment would forever be trampled under Shenghe Entertainment's feet.

Wu Yongli naturally didn't want to accept this.

Su Yixiu picked up the document and flipped through it casually. "Chairman Wu, don't be in such a hurry. I have another condition."

Wu Yongli's hands were clenched tightly, and his fingertips were white. Obviously, he had endured Su Yixiu to the extreme.

"Speak!"

"You don't have to pay any termination fee for terminating the contract with Lin Haocheng and Yan Feng. However, you have to announce to the public that you have terminated the contract with Lin Haocheng."

Wu Yongli's eyes were gloomy. He could not accept either of Su Yixiu's conditions.

He glared at Su Yixiu and said in a deep voice, "President Su, you have to leave a way out. Besides, Shenghe Entertainment's development is far behind that of Star Creator Entertainment. You're just a small general manager. It's not your place to show off in front of me."

Su Yixiu smiled. "The boss has authorized me to manage the company. I'll make all the decisions. You don't have to worry about anything."

Hearing this, Wu Yongli felt disdainful.

The boss behind Shenghe Entertainment was willing to hand over all his power to his subordinates? Aren't you afraid that your subordinates will empty the company?

What a joke!

Wu Yongli naturally did not believe Su Yixiu's words.

Seeing that Su Yixiu was not convinced, he frowned and a thought suddenly crossed his mind.

Perhaps, he could use Su Yixiu to get rid of Star Creator Entertainment's current crisis.

Wu Yongli narrowed his eyes and threw out another bait to Su Yixiu. "President Su, Shenghe Entertainment needs a long time to develop to have the achievements of Star Creator Entertainment, and the company's scale is far less than that of Star Creator Entertainment. If you're in Shenghe Entertainment, it's not as good as Star Creator Entertainment. Your future will be better this way."

Afraid that Su Yixiu would misunderstand, he added, "Of course, Mr. Su, I don't have any other motives. I just value your talent. It's a waste of your talent to stay at Shenghe Entertainment."

Su Yixiu's expression didn't waver at all. "Chairman Wu, I know your purpose. You just want to use me to solve your Star Creator Entertainment's crisis. I'm sorry that your wishful thinking has failed. I will never leave Shenghe Entertainment."

“You!” Wu Yongli was furious.

Su Yixiu looked at his watch and didn't want to waste too much time on Wu Yongli.

He said directly, “Chairman Wu, do as I say, or else...”

Chapter 954 Lin Haocheng's Termination of Contract

Su Yixiu flipped through the documents in his hand and smiled. “I can't guarantee that the things inside will not appear on the internet.”

Wu Yongli's face was dark.

He stared at Su Yixiu as if he was going to eat him.

Su Yixiu looked at Wu Yongli. “Chairman Wu, I hope you can think about it carefully. If this gets out, 80% of your company's A-List stars will be affected.”

Wu Yongli was very resistant to Su Yixiu's conditions.

But he didn't dare to refute.

He was afraid, afraid that Su Yixiu would really expose this. If that happened, it would be very difficult for the company to make a comeback.

Su Yixiu fixed the sleeves of his suit jacket. “I'll only give you two days to think about it. By tomorrow at the latest, I want to see your audio book and the termination of the contract between Star Creator Entertainment and Lin Haocheng and Yan Feng.”

After that, Su Yixiu was about to leave. Just as he opened the door, Wu Yongli said, “Su Yixiu, once I fulfill your conditions, will the things inside not be revealed?”

Su Yixiu stopped and replied with certainty, “Of course, if you're really worried, I'll sign an agreement with your company when you terminate your contract with Lin Haocheng.”

After he finished speaking, he closed the door.

Su Yixiu had left the information in the meeting room and did not leave with it.

Wu Yongli fell back onto the sofa weakly.

The assistant at the side asked nervously, “Chairman, are we really going to apologize? And you want Lin Haocheng and Yan Feng to terminate their contract in advance?”

Wu Yongli left with a pale face. He glanced at his assistant and asked, “Do we still have a choice?”

The assistant was speechless.

Star Creator Entertainment could only compromise. If the information was leaked, it would be a devastating blow to them.

After Su Yixiu went back, he contacted Lin Haocheng and told him about today's incident.

Finally, Su Yixiu said: "You should get ready. Wu Yongli should be looking for you tomorrow to terminate your contract with Yan Feng. Before you go, come to the company first."

"F\*ck!" Lin Haocheng almost fell from the sofa.

"You actually made Wu Yongli agree to terminate the contract, and you even brought Yan Feng along with you!" he asked in disbelief.

Su Yixiu only smiled and did not say anything.

Lin Haocheng covered his heart. It was beating very fast and he was very happy.

The feeling of being protected by his sister was just too good.

But Lin Haocheng's heart also rose a trace of defeat.

His sister was too powerful, which made him seem useless as an elder brother.

Lin Haocheng was also an optimistic person and quickly threw this matter to the back of his mind.

However, at the thought of Yan Feng, Lin Haocheng's face fell. "Yixiu, why did you get Yan Feng out?"

Lin Haocheng thought that if he left Star Creator Entertainment, he would be able to get rid of Yan Feng.

Yan Feng was one of the few people who could control Lin Haocheng.

Even Lin Haocheng was afraid of his methods of dealing with people.

Su Yixiu relayed Qin Sheng's words to Lin Haocheng. "Sheng Sheng arranged it. She said that Yan Feng is very capable. More importantly, he can control you."

Lin Haocheng, "..."

He frowned and didn't want to say anything.

After calming down for a while, Lin Haocheng told Yan Feng about this matter.

Yan Feng was surprised.

He didn't expect Qin Sheng to make Wu Yongli make such a concession.

Yan Feng's understanding of Qin Sheng had once again been refreshed.

He had always felt that Qin Sheng was a person who could wake people up, and her abilities were far more powerful than he had ever seen.

Chapter 955 Lin Haocheng's Termination of Contract 2

Initially, Yan Feng did not have much hope that Qin Sheng would be able to resolve the crisis perfectly. Fu Hanchuan and Lin Haoyu might be able to help.

But in fact, Qin Sheng really did it.

Her counterattack was impeccable.

On the second day.

The hot topic of Star Creator Entertainment slandering Lin Haocheng and Shenghe Entertainment didn't diminish in the slightest.

Gu Qinyue also stayed at home. There was a large group of media and paparazzi waiting for her to go out, so she didn't dare to show her face.

She had also been regretting not listening to her manager and being the one to stand out.

Although the other celebrities who followed the trend were also affected, they were far from being as affected as Gu Qinyue.

Lin Haocheng's fans, in particular, had shifted their anger to Gu Qinyue and Star Creator Entertainment.

The netizens went to the official Weibo of Star Creator Entertainment and demanded an explanation from Star Creator Entertainment.

Wu Yongli delayed the matter until the afternoon.

He followed Su Yixiu's request and posted a Weibo.

[Star Creator Entertainment V: This incident was indeed thoughtless of us, and it has damaged the reputation of Shenghe Entertainment and Lin Haocheng. We sincerely apologize to Shenghe Entertainment and Lin Haocheng, and the company has also terminated the contract with Lin Haocheng. The following is the entire process of the arrangement by Star Creator Entertainment.]

After that, Wu Yongli logged out of Weibo.

He didn't have the courage to read the comments below. He didn't need to think to know what they would do to Star Creator Entertainment.

Everyone had been waiting for Star Creator Entertainment to make a statement.

At this time, Wu Yongli posted on Weibo, and the comments soared instantly. In just ten minutes, the comments had reached 2000.

[Little Wimp: Yo, yo, you finally stopped being a coward. Entertainment companies like you are so petty. Whoever follows you will be unlucky. Fortunately, Shenghe Entertainment has the ability. Otherwise, Lin Haocheng would have been bullied by you for some reason.]

[Lin Haocheng's Little Fangirl: Phew, congratulations on escaping from the wolf's den.]

Although Star Creator Entertainment had apologized, the netizens did not buy it.

There were only a few comments that defended Star Creator Entertainment.

Wu Yongli didn't dare to ask for help from the internet water army, for fear that Shenghe Entertainment would dig it out again.

The assistant asked carefully, "Chairman, Lin Haocheng and Yan Feng are..."

Wu Yongli clenched his fists and his face turned pale. "Is the contract ready?"

“It’s ready.”

“Then call them to the company.”

Lin Haocheng couldn’t wait to leave Shenghe Entertainment. He had been waiting near Star Creator Entertainment since early in the morning.

Wu Yongli’s assistant contacted him less than ten minutes ago and showed up in the chairman’s office.

Lin Haocheng put one hand in his pocket and looked around the office casually. “Wu Yongli, you don’t have to feel sorry for me after I go to Shenghe Entertainment. I think with your ability, you will be able to develop Star Creator Entertainment well.”

Wu Yongli’s face was gloomy. He knew that Lin Haocheng was being sarcastic.

Lin Haocheng was mocking him. Star Creator Entertainment developed because of Lin Haocheng, so Lin Haocheng thought that without Star Creator Entertainment, it basically couldn’t develop.

“Lin Haocheng, I’d like to see how you’re doing in Shenghe Entertainment,” Wu Yongli sneered. “Don’t think that everywhere will give you resources like Star Creator Entertainment.”

Lin Haocheng frowned, as if he heard a big joke.

“The resources you gave me, are you sure it wasn’t those companies and directors who found me to be the spokesperson and film? If I’m not mistaken, you took quite a lot of resources from me.”

Chapter 956 They Are Not Welcome

Lin Haocheng didn’t care about the resources at first, so he let Wu Yongli take them.

Now, he only felt pain in his heart.

If he had it in his hands, perhaps he could save up more money for Qin Sheng’s dowry.

Wu Yongli’s face turned green and white, and it was hard to tell whether it was from embarrassment or anger.

The smile on Lin Haocheng’s face disappeared, and his eyes were very cold. “In fact, Wu Yongli, you’re not bad, but you made a mistake in dealing with Shenghe Entertainment. You can’t afford to offend Shenghe Entertainment.”

What a joke. Putting aside the fact that Qin Sheng was extremely capable, Lin Haoyu and Fu Hanchuan could easily bring down Star Creator Entertainment.

Hearing this, Wu Yongli’s pupils shrank.

In the past two days, he had calmed down and naturally understood that Shenghe Entertainment was not as simple as it seemed.

But fortunately, Shenghe Entertainment agreed. As long as he followed their orders, they would not expose the scandal.

Wu Yongli was relieved.

In the end, he was very unwilling. He felt annoyed when he saw Lin Haocheng.

Lin Haocheng's reputation was not affected by this storm, but instead grew.

If Lin Haocheng jumped to Shenghe Entertainment, Shenghe Entertainment wouldn't have to worry about the resources in the entertainment industry, and it would also attract a large number of artists.

Even he had to admit that it was because of Lin Haocheng that Star Creator Entertainment was completely developed.

In just four years, it had become a leading enterprise in the entertainment industry.

And Lin Haocheng was in Shenghe Entertainment. Shenghe Entertainment might one day ride on top of Star Creator Entertainment.

Wu Yongli hated it, but he couldn't do anything about it. In a short period of time, Star Creator Entertainment would not dare to provoke Shenghe Entertainment and Lin Haocheng.

He threw out an agreement and said in a deep voice, "Let's sign the contract."

Hearing this, Lin Haocheng's eyes lit up. He immediately picked up the termination contract. He let the lawyer he brought look at it. After no objection, he signed it.

Lin Haocheng had a carefree personality.

Usually, he would not be so cautious. He was worried that he would cause trouble for Qin Sheng, so he had brought his lawyer over to be on the safe side.

He also let the lawyer take a look at Yan Feng's contract termination.

Ten minutes later, Yan Feng came over and signed the contract.

Lin Haocheng asked the lawyer to give the agreement that Su Yixiu had given to Wu Yongli. "Wu Yongli, sign it. Don't worry, Star Creator Entertainment will keep its promise to you."

He touched his chin and his eyes flickered.

Lin Haocheng also knew about Qin Sheng's plan. He could only say that his sister was really evil.

She had given Wu Yongli hope, but had completely destroyed it.

Tomorrow, Qin Sheng would start carrying out her plan.

Wu Yongli would probably have a heart attack.

Lin Haocheng was very excited and couldn't wait for tomorrow to arrive.

Wu Yongli flipped through the two documents carefully and signed his name.

He heaved a sigh of relief. As long as the information was not exposed, Star Creator Entertainment still had a chance to make a comeback.

Wu Yongli put down his pen and said rudely, "Lin Haocheng, Yan Feng, you're no longer part of Star Creator Entertainment. Please get out, my company doesn't welcome you."

This was an order for him to leave.

Lin Haocheng also retorted, "You think I care?"

Then, he turned to Yan Feng. "Brother Feng, let's go. After you go to Shenghe Entertainment, I'll make sure you live a good life. You don't have to suffer from someone's wrath."

Lin Haocheng was in a good mood because of the termination of his contract, so he talked a lot more.

Chapter 957 She's Very Beautiful and Has a Temperament

Lin Haocheng and Yan Feng left.

Wu Yongli watched the door of the office close, and his back bent down instantly.

His face was very pale.

Lin Haocheng's ability to make money was extremely strong. He alone could account for more than 40% of the company's total profit, and the resources he brought to the company were also unimaginable.

As for Yan Feng, he was also a rare manager.

And now, the two of them had left together...

—

In the hall downstairs.

Lin Haocheng had just stepped out of the elevator when he bumped into Qin Churou, who was waiting for the elevator.

He didn't even look at Qin Churou. He pretended that Qin Churou didn't exist and walked past her.

Qin Churou felt very indignant that she had been ignored.

Lin Haocheng's reputation was very good, and having a good relationship with him was beneficial to her. Lin Haocheng had a lot of resources in his hands, and if he shared some with her, she would have a much smoother time in the entertainment industry.

And Lin Haocheng was from the Lin family.

If she were to become the Lin family's young mistress...

Qin Churou bit her lip, but Lin Haocheng had been picking on her a lot in the company.

And when she took the initiative to approach him, Lin Haocheng was also indifferent.

"Senior Lin."

Qin Churou gathered her courage and ran to Lin Haocheng.

Lin Haocheng stopped in his tracks. He narrowed his eyes and sized Qin Churou up. "What's the matter?"

Qin Churou's eyes reddened and she said pitifully, "Senior Lin, what did I do wrong to annoy you?"

Lin Haocheng kept his distance from Qin Churou, afraid that he would lose control and hit her.

When he saw Qin Churou, he was reminded of how Lin Shuya and the others had treated Qin Sheng in the Qin family according to the investigation data. Qin Churou had played a big role in this.

Lin Haocheng's eyes were very cold, and there was no trace of frivolousness on his face.

"Qin Churou, you know Qin Sheng?" he asked.

When she heard this familiar name, a trace of hatred quickly flashed across Qin Churou's eyes.

She had not seen Qin Sheng since they met at the hotel that day.

However, Qin Sheng was a regular on Weibo's hot search, and Qin Churou had seen her on Weibo many times.

Qin Sheng was very well-off.

She even had more Weibo fans than her.

She was the top scorer in the college entrance examination, the campus belle of Imperial Capital University, a painting genius, and had professors competing for her with the school.

Qin Sheng took all the glory on herself.

Qin Churou was indignant. Clearly, Qin Sheng should have been in dire straits without the Qin family's help.

But now, Qin Sheng was so dazzling that even Qin Churou felt a little inferior.

Qin Churou clenched her fists tightly.

After all, she was used to acting, so she quickly adjusted her expression.

"I know her, Senior Lin. I'm also from H City High School, but we weren't in the same class. I know her a little. Do you know her, Senior Lin?"

Lin Haocheng's eyes flickered with a touch of adoration. "I've seen her. She's very beautiful and also has a temperament."

Qin Churou saw Lin Haocheng's expression and was stunned, her face stiffening.

She thought that Lin Haocheng had seen Qin Sheng before and had fallen for her.

She was unwilling to accept this.

What ability did Qin Sheng have to make so many men fall for her?

Lu Ming was very good to Qin Sheng, Fu Hanchuan liked her, and now even Lin Haocheng had a good impression of her.

What right did Qin Sheng have?

She wanted to snatch away all the men she had her eyes on.

Qin Churou clenched her fists so tightly that her nails almost dug into her palms.

She adjusted the expression on her face and said, "Qin Sheng is the top scorer in the National College Entrance Examination this year. She's excellent in all aspects, but..."

Qin Churou's voice paused.

Chapter 958 Qin Sheng Is His Younger Sister

Lin Haocheng narrowed his eyes. "But what?"

Qin Churou seemed to be in a difficult position. "She doesn't have a good reputation in our school. She's close to many boys. There are also rumors that she's a kept woman."

Lin Haocheng's face was expressionless.

Qin Churou looked at Lin Haocheng carefully. "Senior Lin, Qin Sheng seems to have a boyfriend now."

"Then what do you think of her?" Lin Haocheng asked again.

Qin Churou thought for a while and analyzed, "Qin Sheng is indeed capable. Her looks and temperament are excellent, and she has many boys pursuing her. Such a person is the easiest to cheat on. There's no smoke without fire. The rumors in school might not be false. Besides, Qin Sheng is too arrogant. I'm afraid it'll be very tiring to be with her."

"Ha." Lin Haocheng laughed coldly and looked at Qin Churou with burning eyes. "You have a grudge against Sheng Sheng."

Qin Churou denied it without a second thought. "I don't have much interaction with Qin Sheng. I usually only get news about her from the internet. How could there be a grudge between us?"

Lin Haocheng sneered, "Qin Churou, as expected, you can fool the Qin couple and make them treat their own daughter like this. I have to say, your acting skills are really good, very suitable for the entertainment industry."

Qin Churou was stunned, not expecting Lin Haocheng to say something like that.

She pinched the corner of her clothes and felt very uneasy. "Senior Lin, I don't understand what you mean."

"I forgot to tell you that Qin Sheng is my sister. I've always known about you and Qin Sheng. Otherwise, I wouldn't have been targeting you. If it weren't for Sheng Sheng, you, Qin Churou, wouldn't be worth my attention." Lin Haocheng's lips curved, his eyes full of ridicule.

Lin Haocheng's words made Qin Churou look like a dancing clown.

Qin Churou stood in place and lowered her head. A layer of humiliation appeared in her heart. It was obvious that Lin Haocheng was trying to get information out of her and mock her.

Many people in the company were looking at Qin Churou.

Qin Churou's face was burning.

However, she did notice the word 'younger sister'.

"Senior Lin," Qin Churou said in disbelief. "How could Qin Sheng be your sister?"

Lin Haocheng was impatient, "If I said she is, she is."

Qin Churou bit her lip.

Deep in his eyes, there was a strong unwillingness to accept this. Lin Haocheng had taken Qin Sheng as his sister. This was even more unacceptable than Lin Haocheng liking Qin Sheng.

After all, with Fu Hanchuan around, Lin Haocheng would basically not be with Qin Sheng.

The Lin family was one of the top ten wealthy families in the Imperial Capital, but now, Qin Sheng had become Lin Haocheng's sister.

What kind of good luck did Qin Sheng have?

At this moment, Qin Churou did not expect Qin Sheng and Lin Haocheng to be biological cousins. She only thought that Lin Haocheng had taken Qin Sheng as his godsister.

"Qin Churou," Lin Haocheng warned, "you'd better not play any tricks in front of Sheng Sheng. You can't afford to offend the Lin family."

Qin Churou's face turned pale and she was on the verge of collapsing.

Li Xueyun stood up and said, "Lin Haocheng, you have already terminated your contract with the company and are no longer a part of our company. It's not your place to teach Churou a lesson."

Li Xueyun was very hostile to Lin Haocheng and Yan Feng.

It was because of these two people that she was suppressed in every aspect of the company.

Now that they had left the company and joined an entertainment company that had just started, Li Xueyun was naturally happy.

Chapter 959 Living Like a Nanny

Lin Haocheng chuckled. "I'm just reminding her not to do things she shouldn't. Also, Manager Li, Qin Churou's acting is indeed realistic and she's a good seedling, but her character..."

Lin Haocheng clicked his tongue and shook his head, then said, "Be careful not to screw up one day."

Li Xueyun naturally knew what Qin Churou was like, but Qin Churou was used to acting. She would not do things that would affect her future.

Li Xueyun crossed her arms in front of her chest and said sarcastically, "You don't have to worry about this. You should worry about yourself. After all, Shenghe Entertainment is just a small company. As long as Star Creator Entertainment suppresses it, it will be difficult for it to survive."

Lin Haocheng blinked and looked puzzled. "Then why did Star Creator Entertainment apologize and agree to my termination of contract during this job-hopping crisis?"

Li Xueyun's face stiffened. Lin Haocheng's words had hit her sore spot.

Star Creator Entertainment was the leading company in the Chinese entertainment industry. Which entertainment company didn't suffer a crushing defeat when they went up against it?

Only Shenghe Entertainment could make Wu Yongli apologize.

The person behind Shenghe Entertainment couldn't be bad.

"Oh, that's right, you'd better find a way out." Lin Haocheng smiled and said, "Maybe Star Creator Entertainment doesn't have many days left before it falls."

After that, Lin Haocheng didn't stay any longer. He left with one hand in his pocket, humming along the way. Obviously, he was in a good mood.

Li Xueyun's expression was very ugly.

"Sister Yun," Qin Churou called out carefully.

Li Xueyun glanced at Qin Churou. "If you don't want to be suppressed by Lin Haocheng and be sought after by everyone, then work hard and reach Lin Haocheng's level. That way, no one will dare to look down on you."

Qin Churou clenched her fists and nodded. "Okay, Sister Yun, I will work hard."

Li Xueyun nodded in satisfaction. Qin Churou had an unyielding spirit, and she would give it her all for what she wanted. With this kind of personality, it was easier for her to survive in the entertainment industry.

She hoped that Qin Churou would not let her down in the end.

—

After Lin Haocheng left Star Creator Entertainment, he ran straight to Fu Garden.

The moment he entered the living room, he saw Old Master Qin and Qin Yufei.

Lin Haocheng, "..."

He also went to the sofa and sat down. He looked at Qin Yufei and Old Master Qin vigilantly and muttered, "Why are they so persistent? Sheng Sheng doesn't want to come to the Qin family. They even go to the Fu Garden every night. It's already been a month, and they still haven't given up?"

Qin Sheng was Lin Haocheng's younger sister.

Now that someone was trying to abduct Qin Sheng, Lin Haocheng was naturally unwilling.

Old Master Qin slowly savored the tea in his hand and didn't pay attention to Lin Haocheng.

Qin Yufei was also reading a magazine.

Lin Haocheng came to the kitchen and saw Fu Hanchuan cutting vegetables in a peppa pig apron.

He lowered his eyes and focused on the anvil.

Under his knife, the radish turned into countless radish shreds. Their size and thickness were all surprisingly uniform.

All of this made Fu Hanchuan smell like smoke.

Every time Lin Haocheng saw it, he couldn't help but be secretly amazed.

No woman had ever been able to get close to Fu Hanchuan.

Although there were countless girls pursuing him, Fu Hanchuan did not even look at them. He was twenty-two years old, but he was still single.

Lin Haocheng had thought that Fu Hanchuan would be single for the rest of his life.

However, he did not expect Fu Hanchuan to fall for Qin Sheng within a year and even successfully make Qin Sheng his girlfriend.

Every day, Fu Hanchuan prepared breakfast and lunch by himself.

In front of Qin Sheng, Fu Hanchuan was living like a nanny.

If he was a girl, he would be moved if a man put in so much effort for him.

Chapter 960 They Look Like Father and Daughter

Lin Haocheng gritted his teeth. This was Fu Hanchuan's brilliance, using his cooking skills and thoughtfulness to make Qin Sheng unable to leave him.

He didn't like Fu Hanchuan, but he couldn't do anything to him.

In Qin Sheng's heart, Fu Hanchuan's status was far more important than his.

Lin Haocheng suppressed the resentment in his heart and walked into the kitchen. "Fu Hanchuan, don't you find it annoying that they come over every day? If it were up to me, they shouldn't have been allowed in."

'They' was naturally referring to Qin Yufei and Old Master Qin.

Fu Hanchuan's hand that was cutting the radish paused. "No need."

Although Qin Sheng did not agree to their request, it was obvious that she did not reject Old Master Qin and Qin Yufei.

Qin Sheng also rarely smiled.

In the days that Old Master Qin had been at Fu Garden, there had been a visible smile on her face.

Fu Hanchuan had always considered Qin Sheng's feelings first. Since Qin Sheng did not reject them, he naturally had no reason to stop Old Master Qin and Qin Yufei from entering.

Lin Haocheng frowned and went out, muttering.

He didn't ask Fu Hanchuan for the reason, because he knew that Fu Hanchuan would most likely not tell him.

After Fu Hanchuan finished cooking dinner, he went to pick Qin Sheng up.

When Old Master Qin heard the sound of footsteps, he walked up and said in a familiar tone, "Sheng Sheng, you're back. You must be tired. Hanchuan has already prepared dinner."

At this moment, Qin Yufei also put down the magazine and stopped reading.

He had an extremely cold personality. When he was with others, he would not be too close or too far away, let alone care about someone.

It was only when he was with Qin Sheng that his face would have a little more gentleness.

Qin Yufei nodded. "You're back."

Old Master Qin turned around and glared at Qin Yufei. He was very displeased. With such a personality, how could he abduct Qin Sheng and make her his daughter?

No wonder he didn't even have a girlfriend even though he was already in his forties.

Qin Sheng nodded. "En."

Old Master Qin sized Qin Sheng up and could not help but nod. "Sheng Sheng, look at you. You and Yufei look like father and daughter. Look at those eyes and those eyebrows. They are almost carved out of the same mold. You see, you're both fated to be father and daughter."

Old Master Qin now completely treated Qin Sheng as his granddaughter.

In the past month, Qin Sheng had rejected him many times. Although Old Master Qin felt a little defeated, he did not give up.

He had already made up his mind that as long as Qin Sheng did not agree to it, he would pester her.

Old Master Qin did not think that Qin Sheng did not know what was good for her. Instead, he thought that she was a true person.

It just so happened that the granddaughter of the Qin family should have such a straightforward personality.

Qin Sheng only smiled and did not say anything.

Fu Hanchuan, on the other hand, took Old Master Qin's words seriously. He frowned and looked at Qin Yufei.

Fu Hanchuan was very familiar with Qin Sheng.

At this moment, he could actually see Qin Sheng's shadow in Qin Yufei.

They were indeed very similar...

A thought emerged in his mind.

It seemed like it was time for him to investigate Qin Sheng's background.

Fu Hanchuan already had a plan in mind, but he did not tell Qin Sheng about it.

He did not want Qin Sheng to be disappointed.

During dinner.

Lin Haocheng put food into his bowl and said, "Sheng Sheng, these two people are obviously up to no good. Don't be fooled by them. After all, our Lin family is also a wealthy family. What they can give you, our Lin family can also give you."
