### Chapter 961 Giving Up the Bloodline Inheritance

Old Master Qin glared at Lin Haocheng. "You stinky brat, I watched you grow up since you were a child. I thought you were very well-behaved, but I didn't expect you to be so well-behaved..."

He coldly snorted.

When he faced Qin Sheng, Old Master Qin instantly became loving. "Sheng Sheng, don't listen to his nonsense. Yufei and I can't lie. Of course, there's no rush for this, take it slow. Think about it, Yufei and I can wait."

Although Old Master Qin said this, he was extremely anxious in his heart.

He was hoping that Qin Sheng would agree to come to the Qin family immediately and be his god-granddaughter.

Lin Haocheng muttered, "Who knows? What if Uncle Qin really has a daughter? Then how awkward is Sheng Sheng's position in the Qin family?"

Qin Yufei's heart was touched.

Old Master Qin looked at Qin Yufei and said in disdain, "Yufei has been here for over 40 years. He doesn't even have a wife now. He's already old. What woman would like him?"

Previously, Old Master Qin had wanted Qin Yufei to get married, but all he wanted was a granddaughter.

Now that he had Qin Sheng, he naturally did not need him to get married anymore.

Upon hearing this, Lu Ming, "..."

He bit his chopsticks and was speechless. "Uncle Qin is a famous bachelor in the Imperial Capital. Now that his eyes have recovered, he only needs to wave his finger and many women will come to him. Do you think he'll lack a wife?"

Although Qin Yufei couldn't see, he had a good family background and a handsome face.

Countless daughters of the wealthy families in the Imperial Capital wanted to marry Qin Yufei.

However, Qin Yufei only cared about his work. There was never a woman by his side. Those women also slowly calmed down.

Even so, there were still women waiting for Qin Yufei.

The news that Qin Yufei could see had been widely reported after the banquet.

Many people had other thoughts.

The Qin Corporation had developed so well even before Qin Yufei could see it clearly, let alone the future.

However, Qin Yufei was still engrossed in his work as usual.

He had no interest in those women.

There were even reports suspecting that Qin Yufei had a cold personality.

Upon hearing Lu Ming's words, Old Master Qin said with certainty, "Don't worry, Qin Yufei will only be a bachelor for the rest of his life."

In order to abduct Qin Sheng, Old Master Qin was going all out.

Old Master Qin was afraid that Qin Sheng would not believe him. He looked at Qin Yufei again. "Yufei, don't you think so?"

There was a warning in his voice.

Qin Yufei nodded helplessly. "En."

Old Master Qin was satisfied. He turned to Qin Sheng and said, "So, Sheng Sheng, you don't have to worry about having a sister or a stepmother."

Lin Haocheng looked at all of this, dumbfounded.

Didn't Old Master Qin's generation value bloodline?

He swallowed his saliva. "Grandpa Qin, you don't want your Qin family's bloodline inheritance anymore?"

"No," Old Master Qin waved his hand forthrightly.

Lin Haocheng: "?!!"

How ruthless!

Lin Haocheng was at a loss for words, not knowing what to say.

Qin Sheng frowned, a strange feeling rising in her heart.

Fu Hanchuan was deep in thought.

Perhaps, Qin Sheng was really not Qin Hai's daughter.

Fu Hanchuan hoped that his guess was right.

Qin Hai was a profit-seeking person. He was not worthy of having a daughter as good as Qin Sheng.

After Old Master Qin expressed his loyalty to Qin Sheng, he left happily with his hands behind his back after dinner. Clearly, he was in a good mood.

Chapter 962 Qin Churou Finds Out About Her Past

Qin Churou's side.

At night, she returned to the apartment she rented outside the school.

Qin Churou felt that living with the people in the school would lower her class, so she wanted to live outside.

In front of Qin Hai, she had secretly mentioned that she wanted to buy a house nearby.

However, property prices in the Imperial Capital were not low, not to mention that it was near the Capital Film and Television University. A small house would cost tens of millions.

Qin Real Estate's capital was not working well, and Qin Hai was not willing to spend this money.

Qin Churou had no choice but to rent an apartment.

She kicked off her high heels and sat down on the sofa barefooted.

Qin Churou's expression was still very ugly. She still could not forget what Lin Haocheng had said about Qin Sheng being his sister.

Qin Sheng took all the good luck.

She was clearly the lucky star. For the past 17 years, her life had been smooth sailing. It was only after Qin Sheng returned that everything changed.

Qin Sheng must have stolen her luck.

Qin Churou bit her lip.

After a long while, she turned on her phone and turned her attention to Weibo.

This time, she wasn't just looking for news related to the entertainment industry.

Suddenly, her eyes stopped.

This was a piece of news related to the Lin family. The Lin family had recognized their granddaughter, and there was a name mentioned in it – Lin Shuya.

Lin Haocheng had said today that Qin Sheng was his sister.

Qin Sheng was most likely the Lin family's new member.

As for Lin Shuya, she was the daughter of the Lin family.

Qin Churou had never heard of anyone from Lin Shuya's side.

Whenever she asked, Lin Shuya would scold her with a dark expression, saying that children should not interfere in adults' affairs.

Qin Churou knew that she had touched Lin Shuya's sore spot and did not ask further.

She did not expect Lin Shuya to be a member of the Lin family in the Imperial Capital.

If a person like Qin Sheng, who had been chased out of the Qin family, could return to the Lin family, then wouldn't she be able to?

Qin Churou's mind started to wander.

If Qin Sheng could go back, so could she.

She had plenty of ways to make the Lin family accept her.

Qin Churou called Lin Shuya to confirm. "Mom, you've never mentioned anything about Grandpa to me. What happened between you two?"

"Churou, this is my private matter. You don't have to worry about it," Lin Shuya said unhappily.

"Mom, I saw a piece of news saying that the Lin family has already acknowledged their granddaughter, and your name was mentioned in it. Also, Lin Haocheng said that Qin Sheng is his sister, so I guessed it."

Lin Shuya was silent.

She wasn't afraid that Qin Churou would find out about this. Qin Churou would listen to her anyway.

Therefore, she did not say anything else.

Qin Churou asked carefully, "Mom, are you prepared to go back to the Lin family?"

Currently, Lin Shuya's situation in the Qin family was not good. These days, Qin Hai had been bringing women back without any restraint.

Lin Shuya had no one to rely on. Other than quarreling with Qin Hai, she had no other choice.

Qin Churou felt that Lin Shuya had already made up her mind to return to the Lin family.

Lin Shuya gritted her teeth and said, "I won't go back to the Lin family."

Qin Churou could only say, "Okay, Mom. I support your decision. Um, I still have things to do. I'll go first."

After hanging up, Qin Churou threw her phone on the sofa.

She was very dissatisfied.

Lin Shuya was usually very vain. The Lin family was so rich, but she did not go back.

Even if Lin Shuya had severed ties with the Lin family, Qin Sheng had already been brought back to the Lin family. The Lin family would definitely forgive Lin Shuya.

Chapter 963 Breaking News On Weibo!

Lin Shuya was really an idiot!

With the Lin family there, Lin Shuya would not even go over to curry favor with them.

It seemed like she was the only one who could get into the Lin family.

With the Lin family's help, she would have a much better life in the entertainment industry. Those people would take the initiative to give her resources in order to curry favor with her. Would she still have to worry about resources?

And those people would not look down on her.

Qin Churou had made up her mind to become the Lin family's granddaughter.

If a cold and unapproachable person like Qin Sheng could return to the Lin family, why couldn't she?

Qin Churou's face revealed a determined smile.

——

The next day.

A copy of Star Creator Entertainment's illegal evidence was sent to the police anonymously.

After the people at the police station received it, they began to arrange an investigation.

At the same time, a verified account on Weibo also revealed some information.

He posted a Weibo message about Gu Qinyue, mainly about how Gu Qinyue acted like a big shot and her private life was a mess.

The photos attached to the Weibo post were unsightly.

[Vitality Girl: F\*ck! What did I just see? This Qinyue was playing so hard, two men and two women together? The noble circle is too chaotic and can't be provoked. It seems that Gu Qinyue is going all out for resources.]

[Richard Took Off His Glasses and Thought: Isn't this Gu Qinyue a pure goddess? Tsk, tsk, this is clearly a loose woman.]

[Appraisal Master: It has been appraised. These photos are real and not photoshopped.]

Gu Qinyue's fans were mostly otakus.

Originally, Gu Qinyue had slandered Lin Haocheng on Weibo, both openly and secretly. This matter didn't have much of an impact on otakus, and it was usually female fans who lost their fan status.

But now, these ambiguous pictures of Gu Qinyue with all kinds of men had been released, and they often fantasized about Gu Qinyue. The otakus who treated Gu Qinyue as their girlfriend couldn't sit still anymore.

They went to Gu Qinyue's Weibo and scolded her before leaving her as a fan.

Many of them were good at computer-related industries, and they couldn't take it anymore, so they also hacked into Gu Qinyue's phone and dug out her address and all kinds of information.

More of Gu Qinyue's dark past was revealed.

And all of this happened in a short hour.

By the time Gu Qinyue reacted, there were already many people blocking the entrance of the community.

Gu Qinyue had gone to the company today and happened to come back. She saw a group of people from afar.

Her heart skipped a beat as she had a bad feeling.

"Stop the car."

The driver stopped the car and asked with a frown, "What's wrong?"

"Go back," Gu Qinyue ordered.

Gu Qinyue was sitting in a nanny van, and the male fans recognized her at a glance.

Someone pointed at Gu Qinyue and shouted, "It's Gu Qinyue, Gu Qinyue has returned."

In an instant, everyone looked in Gu Qinyue's direction and swarmed over.

Gu Qinyue could see the situation behind the car through the rearview mirror.

Because of what happened last time, her reputation started to become bad, and a large number of fans left her. Gu Qinyue didn't have the confidence to think that these people would come over to support her.

She opened her Weibo.

These days, Gu Qinyue had been hiding. She didn't look at Weibo and didn't even take her phone.

Her intuition told her that something had happened on the internet.

At first glance, Gu Qinyue saw that her name was at the top of Weibo's hot search.

Gu Qinyue bit her lip, her hands trembling.

After seeing those photos, she completely broke down.

How could this be?

How did these photos get leaked?

Her public image had collapsed, and she was completely finished.

At this moment, the driver spoke. "Miss Gu, where are we going?"

Gu Qinyue's voice trembled. "To the office."

She was now counting on Star Creator Entertainment to help her clear her name.

Chapter 964 There's a Trap in the Contract

Wu Yongli's subordinate also told him about it.

Wu Yongli rushed back to the company. In the car, he had a general idea of the situation.

In the office, Wu Yongli was trembling with anger. "This must be Shenghe Entertainment's doing!"

In the company, the most profitable one was Lin Haocheng, followed by Gu Qinyue and Yu Jiafei.

It wasn't enough that Shenghe Entertainment poached Lin Haocheng away, they even wanted to destroy Gu Qinyue.

What about the next one? Wouldn't it be Yu Jiafei's turn?

The assistant frowned. "Chairman, didn't we sign an agreement with Shenghe Entertainment that they can't they expose the negative material of those employees?"

"Yes, yes, yes."

Wu Yongli ran to his desk and found the agreement.

He looked at the terms above.

He laughed. "This Shenghe Entertainment is indeed a company that loses 800 of their own. Just the penalty alone would cost 5 billion. Let's see if they can afford it."

The assistant frowned. He felt that there was something fishy about this, but he couldn't figure out what it was.

Wu Yongli picked up his phone and called Su Yixiu.

As soon as he spoke, he said sarcastically, "President Su, your company is really going all out to deal with Star Creator Entertainment. Have you forgotten our agreement?"

One Gu Qinyue in exchange for 5 billion was naturally worth it.

With this 5 billion, he could train at least six Gu Qinyues.

Su Yixiu smiled and did not say anything.

Wu Yongli didn't hear Su Yixiu's voice, so he thought Su Yixiu regretted it.

"President Su, have you prepared the 5 billion?" he continued.

No matter how rich Shenghe Entertainment was, they couldn't take out 5 billion in one go. Even if they did, their capital chain would break.

If he were to do something, Shenghe Entertainment would not be able to survive.

He had thought that the person behind Shenghe Entertainment had some powerful means, but he was just an idiot!

Su Yixiu chuckled. "Chairman Wu, are you sure you've finished reading the contract?"

Wu Yongli frowned and asked, "What do you mean?"

Su Yixiu put down the textbook in his hand. He had been self-studying and rarely went to class, with the permission of the principal.

Su Yixiu was also a rare freak.

The principal had agreed to all of his requests.

Of course, Su Yixiu also guaranteed that his total score would be able to rank first in his major.

"That contract only states the celebrities and scandals shown in the information. Gu Qinyue didn't appear in the information," he said, raising his eyebrows.

Wu Yongli's pupils shrank and he clenched his cell phone tightly.

The angry words were squeezed out from between his teeth. "Su Yixiu, you dare to trick me?"

"You can only blame yourself for being too relaxed and not seeing anything strange about us. Just those black materials are enough to bring you down. Lin Haocheng's contract will expire in ten days. Why do we need to raise those conditions with you?"

Wu Yongli was stunned.

Indeed, Shenghe Entertainment's actions were suspicious. However, he was so overwhelmed by the series of events that he could not calm down and think.

Therefore, he didn't notice anything unusual.

Wu Yongli gritted his teeth. "Su Yixiu, don't think that you can bring down Star Creator Entertainment just because you've ruined Gu Qinyue's reputation. Do you really think we're a small company?"

Qin Sheng had left everything to Su Yixiu to handle, so Su Yixiu naturally knew what Qin Sheng was planning.

He poured a glass of water and drank it. "Don't rush, take it slow. There's still a good show to watch later."

In the end, he even kindly reminded, "Oh, right, you'd better go back and check which artistes are not on that document."

Chapter 965 Give Up on Gu Qinyue

Wu Yongli was panicking inside, but he looked calm on the surface. "What's your purpose?"

Su Yixiu just smiled and ignored Wu Yongli. He hung up the phone and went back to his study.

Now that he had paid off his debt to Qin Sheng, his salary had risen to 300,000 a month after he became the general manager of Shenghe Entertainment.

He was not short of money now, so he hired a nanny to take care of his grandmother.

Su Yixiu spent most of his time studying and working.

His time was very tight, and he didn't have much time to waste on Wu Yongli.

In the chairman's office of Star Creator Entertainment.

The assistant stood far away. Although he didn't hear the conversation between Su Yixiu and Wu Yongli, he saw Wu Yongli's ugly face and understood that this matter was not simple.

Wu Yongli threw his phone on the table.

The assistant carefully asked, "Chairman, this..."

Wu Yongli didn't say anything. He found the document and threw it to the assistant. "Find out who's not in this list."

He thought of something and added in a deep voice, "Focus on Yu Jiafei."

“Yes, sir!” the assistant answered respectfully and left the office with the documents.

Gu Qinyue had also arrived at the company and she went straight to the chairman’s office.

She entered without knocking.

When Wu Yongli saw Gu Qinyue, his already unsightly face darkened even more.

Gu Qinyue didn’t notice it. She said anxiously, “Chairman, the people from Shenghe Entertainment want to deal with me. Please come out and help me, or I’ll be finished. You know that I’m a pure and innocent character. Now that those photos have been exposed, my image has been completely destroyed.”

Wu Yongli asked in a deep voice, “Those videos and photos are real. How do you want me to clarify for you? It’s fine if you’re just playing, but you’re even taking photos and recording videos?”

Wu Yongli didn’t question Gu Qinyue about her ambiguous relationship with someone else.

After all, many of Star Creator Entertainment’s A-List artists would engage in such transactions to obtain resources.

He had also slept with Gu Qinyue before, so he wasn’t too surprised by this.

Gu Qinyue said, feeling wronged, “They just have this hobby. They took photos, but I’m not sure.”

Wu Yongli sat in his office chair and asked, “Tell me, how did these come out?”

Gu Qinyue lowered her head. “I’m not sure.”

Wu Yongli suddenly frowned, thinking of the internal system of the company that had been hacked and destroyed.

It seemed that Gu Qinyue’s things were also the work of that hacker.

Wu Yongli felt helpless.

The other party had such a powerful hacker and even had access to the dark secrets of the A-List celebrities in his company.

How could he be compared to them?

Wu Yongli remembered Su Yixiu’s words.

He clenched his fists. What would Su Yixiu do next?

“Chairman,” Gu Qinyue pleaded, “You have to help me. Tell the public relations team to clear my name.”

She had only been popular for half a year. Usually, because she wanted to save face, she had to buy as many things as possible and spend a lot of money. Although she had earned more than 100 million in the past six months, there was not much left now.

If her popularity died down...

She basically had no way out.

Wu Yongli looked at Gu Qinyue coldly. “I can’t help you with this.”

Obviously, Wu Yongli was going to give up on Gu Qinyue.

Gu Qinyue's heart turned cold. She ran over and grabbed Wu Yongli's arm. "Chairman, I've also made a lot of money for the company. I'm the most popular female artiste in the company now, you can't give up."

Chapter 966 That's All He Has

Wu Yongli just sat in his office chair and ignored Gu Qinyue.

The evidence was irrefutable. It would be a waste of time and energy to clear Gu Qinyue's name.

Someone like Gu Qinyue, he would just cultivate another one.

At this moment, the assistant came in.

He was holding a list of names. "Chairman, they're all here."

Wu Yongli shook off Gu Qinyue's hand and picked up the name list.

When he saw Yu Jiafei's name, his eyes were filled with hostility.

The other artistes on the list had made it out of the industry with their acting skills, and they refused to rely on their bodies to get to the top.

Of course, there were very few of these artists.

It seemed that Yu Jiafei was the next artiste that Shenghe Entertainment wanted to deal with.

"Heh, this Shenghe Entertainment is indeed despicable." Wu Yongli sneered.

"Chairman, I have a feeling that this matter isn't as simple as it seems," the assistant analyzed.

Wu Yongli's face stiffened.

He forced an explanation. "Maybe Su Yixiu is just scaring us and they don't have anything else."

However, as soon as he finished speaking, an employee from the Public Relations Department ran in anxiously. "Chairman, Shenghe Entertainment has made a move on Yu Jiafei again. It's similar to the leak when they dealt with Gu Qinyue. Now, Yu Jiafei's Weibo has exploded."

Wu Yongli quickly took out his phone.

In just a few minutes, the topic of Yu Jiafei had already reached the second most searched topic on Weibo.

Gu Qinyue was still in first place. Her popularity would not go down for a while.

Wu Yongli's hope was completely gone, and he was trembling with anger.

"Shenghe Entertainment is really bold!"

The assistant was very observant. Seeing Wu Yongli's expression, he tried to minimize his presence as much as possible.

And Gu Qinyue heard that Yu Jiafei was also in trouble.

Her eyes lit up and she came to Wu Yongli's side again.

She analyzed, "Chairman, it's not a big loss for the company if I'm the only one who's in trouble. However, Yu Jiafei has been dealt with by Shenghe Entertainment. What about the next one? So, Chairman, you have to help me and Yu Jiafei clear our name. We are the most popular female artistes in the company. If something happens to us, it will be a great loss to the company. And if we clear our name, Shenghe Entertainment will not do such a thankless thing."

"Idiot!" Wu Yongli vented his anger on Gu Qinyue. "The evidence is conclusive. Can you clear your name? You've damaged the company's reputation and caused such a big incident during the contract period. I'm already being very kind by not asking you for compensation."

It was obvious that Wu Yongli had made up his mind to give up Gu Qinyue and push her out to shirk his responsibility.

Gu Qinyue's face turned pale.

After that, Wu Yongli ordered the members of the Public Relations Department, "Post on Weibo to clarify the relationship between Gu Qinyue, Yu Jiafei, and the company. The company has no idea what they have done."

Hearing this, Gu Qinyue suddenly grabbed Wu Yongli's arm and pleaded, "Chairman, you can't do this. I've also made a lot of money for the company. Even if I don't have any credit, I've worked hard."

Wu Yongli shook Gu Qinyue off and ordered the Public Relations Department, "Still not going?"

"Yes." The member of the Public Relations Department left without any hesitation.

Wu Yongli didn't want to see Gu Qinyue again, but Gu Qinyue refused to leave, so he asked the security guard to take her out.

"Chairman, what should we do next?" the assistant asked carefully.

Wu Yongli fell back into his office chair, his face pale. "There's no hurry. There's not much black material on this list except for Gu Qinyue and Yu Jiafei. Perhaps that's all Shenghe Entertainment has."

#### Chapter 967 Compensation For Breach of Contract

The Public Relations Department quickly followed Wu Yongli's instructions and edited a Weibo post and posted it on the official Weibo of Star Creator Entertainment.

[Star Creator Entertainment V: After our company learned about the news about Yu Jiafei and Gu Qinyue on the internet, we quickly investigated and found that the situation was true. We will not tolerate such behavior and will deal with them seriously.]

Star Creator Entertainment had arranged for a lot of fake reviewers to control the comments below.

They were all talking about how good the attitude of Star Creator Entertainment was. Being able to quickly deal with the two most popular stars in the company was an extremely rare act among so many entertainment companies.

There was also a portion of comments from the internet water army that said that Yu Jiafei and Gu Winyue's actions had nothing to do with the company.

This was to help Star Creator Entertainment get out of this storm.

However, because there were too many people following it, even if these comments were pushed to the top of the hot comments by the likes and replies of the internet water army, they were quickly swept down.

[Koi Fish: Tsk, tsk. Star Creator Entertainment is really good at planning. They're trying to get away from us. Do they really think we're easy to fool? If Star Creator Entertainment doesn't know about this, I'll wash my hair upside down.]

[Cream Boy: I suspect that many artistes in Star Creator Entertainment have such deals. Disgusting.]

[I Love To Eat Apples: This is done by Shenghe Entertainment, right? Tsk tsk, this Star Creator Entertainment thought that it was easy to control a company that had just started. They didn't expect to meet a tough rock. I'm starting to wonder what Shenghe Entertainment is going to do next.]

It could be seen that these netizens had not been deceived by Star Creator Entertainment.

Of course, it was inevitable that some holy fathers and holy mothers would choose to forgive Star Creator Entertainment. Under the post, the sarcastic ridicule toward those people from Shenghe Entertainment was all rebuked by the netizens without exception.

— —

After Gu Qinyue left Star Creator Entertainment, the high-end community she lived in was most likely crowded with people, and it was even more likely that they would sneak into her house.

She did not dare to go back.

She asked her manager to book a hotel room for her.

Gu Qinyue sat on the sofa, her face pale.

Her phone was thrown on the coffee table.

Gu Qinyue didn't dare to look at Weibo again. She didn't need to think to know what kind of abuse was being hurled at her.

Even her fans were probably only left with one or two million.

Before she could react, her manager had already called Gu Qinyue.

"Qinyue, all the endorsements you took before came to me. They want you to compensate for the losses," he said anxiously.

Before the shoot, the artist would sign a contract with the company.

If the artist's reputation was damaged during the duration of the contract, it would have a great impact on the company, and they would have to compensate the company for the loss.

In the past six months, Gu Qinyue had exploded in popularity. She had taken this opportunity to take on many endorsements, all of which were for big brands.

The amount of compensation was unimaginable.

Gu Qinyue clenched her fists. "What do you mean by 'caused losses'? Weren't they the ones who begged me to be their spokesperson? Now that I'm involved in a scandal, they want me to compensate them for their losses, ha!"

The manager frowned.

Gu Qinyue said sarcastically, "Do they really think I'll be down and out like this? See, after I clear my name, won't they still come back and beg me?"

The manager frowned. "Qinyue, we don't have a choice now. We can only compensate. If this matter blows up, it'll be difficult for you to turn things around."

Gu Qinyue bit her lip.

There was a moment of silence.

After a long time, she finally opened her mouth, her lips trembling. "This costs at least 30 million. Where am I supposed to get it for them?"

"Sell the house, jewelry, and clothes. That should be enough."

Chapter 968 Complete the Research Within a Month

"Impossible!" Gu Qinyue called out subconsciously.

The manager rubbed his brows. "You're on your own. We don't have to contact each other anymore."

He also understood that Gu Qinyue couldn't make a comeback, and continuing to be Gu Qinyue's manager would only be a waste of time.

He hung up the phone.

With a "bang," the phone fell to the ground, and the screen shattered.

Gu Qinyue's entire body was drained of strength, and she fell back onto the sofa.

Her entire mind was filled with the thought that she was finished...

— —

After Qin Sheng threw all the evidence to Su Yixiu to deal with, she rarely asked about it.

She would only occasionally check on Weibo to see how things were going.

These days, Xie Hen would often go over to look for Qin Sheng.

Of course, he was only using the excuse of a chance encounter.

Qin Sheng had always kept a distance from Xie Hen. Her attitude was clear as well. She would never leave Fu Hanchuan. Qin Sheng had never given Xie Hen a single glimmer of hope.

Every night, Xie Hen would hide behind the tree and watch as Fu Hanchuan came to pick Qin Sheng up.

There seemed to be an invisible barrier between the two of them, blocking him outside and preventing him from entering.

However, Xie Hen still harmed himself as he watched the two of them get close.

On this day, Qin Sheng was still doing experiments.

Gao Yongliang came to Qin Sheng's side with his hands behind his back.

Zhao Xiang was also in the laboratory. When she saw Gao Yongliang, she immediately greeted him respectfully, "Professor Gao."

"En." Gao Yongliang gave a perfunctory reply. He looked at the cells in Qin Sheng's test tube and saw the liquid inside.

He frowned. "Qin Sheng, what are you doing?"

"I'm testing the immune cells' resistance to this liquid."

"Have you reached this stage?" Gao Yongliang couldn't help but ask.

Before Qin Sheng could say anything, Zhao Xiang saw Gao Yongliang's expression and sneered. "Qin Sheng, you're in the middle and late stages of your research, aren't you? It's only been two months, and you've already achieved this? Don't be in a rush for success, or are you intentionally trying to show off your talent?"

"Zhao Xiang, don't interrupt me. I'm asking Qin Sheng a question," Gao Yongliang said unhappily.

Zhao Xiang choked and could only shut her mouth.

As expected, all of them were on Qin Sheng's side.

She could not understand why Qin Sheng's life was so good.

With good results, she still had the Lin family behind her!

Gao Yongliang ignored Zhao Xiang and turned to Qin Sheng. "Go on."

"Yes." Qin Sheng's voice was very calm. "I'm prepared to complete this research within a month."

And this was a conservative statement.

She had already reached the later stage of this research and had made some progress.

At most, it would only take three weeks to complete.

Qin Sheng had actually messed up the order of the research. What was happening now was not the middle and late stages as Gao Yongliang and Zhao Xiang had thought.

Zhao Xiang was stunned for a moment, and then sneered. "Aren't you afraid of pricking your tongue when you speak?"

After nearly two months, what she was doing now was only the preliminary stage of the research.

Yet, Qin Sheng had actually dared to say that she would be done in a month.

Moreover, Gao Yongliang had said that the success rate of this research was only 5%.

Zhao Xiang did not believe that Qin Sheng was better than Gao Yongliang.

Gao Yongliang was a famous figure in the international medical community.

Gao Yongliang was also shocked. He asked doubtfully, "Qin Sheng, are you sure?"

Qin Sheng said with certainty, "I'm sure."

Gao Yongliang naturally did not believe that Qin Sheng could do it, but he still said, "Alright, Qin Sheng. I'll wait for the results of your research in a month's time."

Perhaps Qin Sheng could create this medical miracle.

"Do you guys have any questions?" he asked after looking at the time.

Zhao Xiang took out a few questions that she had recorded and asked Gao Yongliang to help her answer them.

Qin Sheng, on the other hand, went back to her experiment.

Chapter 969 Directly Jump To Fourth-Year

The moment Gao Yongliang left, Zhao Xiang could not help but mock, "Tsk, Qin Sheng, don't think that just because you're the top scorer in the National College Entrance Examination, you're omnipotent. Why don't you take a look at what you're capable of? Even Professor Gao couldn't complete the research, yet you can? What a joke!"

Zhao Xiang knew that this research could not be done.

Therefore, she didn't want to waste time on this.

Qin Sheng smiled. "Then we'll wait and see."

Zhao Xiang crossed her arms in front of her chest, her eyes filled with disdain. "Alright, I'll look. Do you think I'm afraid of you?"

Zhao Xiang firmly believed that Qin Sheng would not be able to complete the experiment in a short month. She was waiting to see Qin Sheng make a fool of herself.

If Gao Yongliang knew that Qin Sheng had lied, his attitude toward her would not be good.

A cell phone rang.

Qin Sheng looked at the remarks. It was Su Yixiu.

She answered the call.

"Sheng Sheng." Su Yixiu's gentle voice came from the phone.

"I have something to do," Qin Sheng said with a frown.

“When are you going to bring the final evidence to the police station?”

Qin Sheng thought for a while before she answered, “Tomorrow, I guess.”

“Alright,” he said.

Su Yixiu did not disturb Qin Sheng anymore.

After he hung up, Qin Sheng put her phone aside.

Zhao Xiang had been paying attention to Qin Sheng. Although she could not hear what they were talking about, she did hear a male voice.

“Qin Sheng, just how many men do you have?” Zhao Xiang laughed.

Zhao Xiang knew very well that Qin Sheng was the granddaughter of the Lin family.

The man who had gone to pick Qin Sheng up back then was also Lin Haocheng.

The chances of Qin Sheng being kept were very low, but Zhao Xiang could not help but use this matter to mock Qin Sheng.

Qin Sheng stopped what she was doing and looked at Zhao Xiang with a cold gaze.

“Qin Sheng, what do you want to do?” Zhao Xiang asked warily.

Qin Sheng chuckled. “At the banquet last time, the Zhao Corporation suffered a huge loss because of you. Have you forgotten what your father said?”

Zhao Xiang’s expression stiffened, and her hands that were hanging by her sides slowly clenched.

Qin Sheng continued, “Since you’ve forgotten about it, I’ll give you a kind reminder. Your father told you not to provoke me. After all, I have the Lu family and the Lin family behind me. No matter which family it is, the Zhao family can’t afford to offend either of them.”

Zhao Xiang gritted her teeth and glared at Qin Sheng.

The poor thing she had thought of was actually a member of the Lu family. The Lu family was one of the top ten companies in the country.

How could such an outstanding man like him fall for Qin Sheng!?

She was very unwilling.

But at this moment, she did not dare to rashly provoke Qin Sheng again.

With Qin Sheng around, she felt uncomfortable, but she did not dare to do anything to her.

Zhao Xiang was in the middle of her experiment and was really not in the mood to do so. She kept making mistakes.

She simply packed her things and left the laboratory.

She had to beat Qin Sheng in this semester’s exams and become the top student in her major.

Qin Sheng had never attended class before and rarely studied. She spent her entire day in the laboratory. She did not believe that Qin Sheng would be able to surpass her.

Qin Sheng did not know what Zhao Xiang was thinking.

Of course, even if she knew, she would not care.

She would soon skip to her fourth year and write her undergraduate thesis. She did not plan to take the first-year medical examination.

On Su Yixiu's end, he sent the key evidence to the police the next day.

The police station was still anxiously looking for evidence.

Now, after seeing the evidence provided by Su Yixiu, they immediately sent people to Star Creator Entertainment to search.

Chapter 970 Shenghe Entertainment's Long Hands

In the chairman's office of Star Creator Entertainment.

Wu Yongli couldn't sleep the whole night. Although he kept comforting himself that Shenghe Entertainment wouldn't have the ability to continue to do anything to Star Creator Entertainment...

However, he still couldn't help but feel flustered.

Overnight, a few strands of his hair had turned white.

At 10 am, the front desk called his assistant.

The assistant hurriedly informed Wu Yongli, "Chairman, the police have arrived downstairs and said that they will search our company."

"What?" Wu Yongli suddenly stood up from his seat in a panic. "Search for what?"

The assistant lowered his head.

Wu Yongli thought of something and laughed sarcastically, "Hehe, it must be Shenghe Entertainment's doing. They want to kill us. If we go bankrupt, the leading enterprise in the entertainment circle will be gone, and Shenghe Entertainment can use this to develop. It's really a good plan!"

"Even if we didn't deal with them and Lin Haocheng, their company would also attack Star Creator Entertainment for the sake of development, because we blocked their way."

It had to be said that before this, Qin Sheng had wanted to compete fairly with Star Creator Entertainment.

Wu Yongli's actions also gave Qin Sheng a reason to deal with them.

Of course, she wouldn't let go of Gu Qinyue and Yu Jiafei.

The assistant lowered his voice and said, "Chairman, our company has done a lot of things. If they find out about..."

"What are you afraid of?" Wu Yongli sneered, "Does Shenghe Entertainment really think that they have all the means in the world? I can't stop the public opinion, but are the connections behind me just for show?"

The assistant didn't say anything else. He frowned, feeling that things weren't as simple as they seemed.

Soon, four police officers appeared in the chairman's office.

One of them showed Wu Yongli his police ID and search warrant.

Wu Yongli's expression remained unchanged.

The leading police officer said expressionlessly, "Wu Yongli, we need to search your company's information. Please cooperate."

"Okay, I'll ask my assistant to cooperate with you. If you need anything, just look for him."

Wu Yongli left the office with his phone.

He came to a corner and looked around. There was no one nearby.

Wu Yongli then dialed the phone and said in a very respectful tone, "Chief Li."

This time, Li Haiyang wasn't as friendly to Wu Yongli as before. "Chairman Wu, what's the matter?"

Wu Yongli stated his purpose, "Chief Li, four police officers came to our company to search today. Can you deal with this matter?"

It was obvious that Wu Yongli wanted Li Haiyang to cover up for the company.

Li Haiyang did not say anything.

"Chief Li, you've done me such a big favor. I won't let you do it for free. How about 6 million yuan?" Wu Yongli said. "To you, this is something that can be done with a single sentence."

Chief Li refused, "Chairman Wu, I can't help you with this."

Wu Yongli frowned. He thought that Li Haiyang didn't care about the 6 million yuan.

He was very dissatisfied, but he still changed his words. "10 million. Chief Li, I'll give you 10 million."

"This isn't a matter of money, Chairman Wu. If I help you this time, the higher-ups will find out that I'm involved. I can't lose my job or even go to jail just to help you, right?"

Wu Yongli was stunned.

6 million was a lot. Normally, Li Haiyang would have agreed to it without a second thought.

This time, however, Li Haiyang had rejected him again and again.

It was obvious that he had his reservations.

Had Shenghe Entertainment's influence reached this far?
