

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 105-109

Chapter 105 This Should Be Confirming Their Relationship, Right?

Lin Fan stood up and patted Xu Yang's shoulder.

"Work hard, work hard. You'll be able to experience how it feels to be like me in the future," said Lin Fan with a smile. Xu Yang: "... Was this the realm that a human could achieve through hard work? 100-200 million... It was very difficult for even a superstar to earn so much money.

"Meow, meow?"

Xia Wangiu stood at the office door. She popped her head out and looked at Lin Fan and Xu Yang

Xia Wanqiu was exceptionally beautiful today.

She was wearing shorts, revealing her two long, snow-white legs.

She was still wearing a cat-eared hat. Today, Xia Wanqiu was not only cute, but also a little sexy.

The thing is... her legs are too long.

"You guys chat first. Ahem, I'm going out," Xu Yang said. He quickly slipped away. If he didn't, Lin Fan and Xia Wanqiu would stuff him with dog food again. "You're still writing scripts?" Xia Wanqiu walked in and served Lin Fan another bowl of tea.

"Mmm, I'll write a new script for you." Lin Fan smiled and took the tea from Xia Wanqiu.

Such a life was pretty good.

Lin Fan looked at Xia Wanqiu's long legs and didn't look away for a moment. "What are you looking at?" Xia Wanqiu's face turned red and she glared at Lin Fan. It was common for girls to wear shorts and this was also very pretty. "You can't wear this in the future," Lin Fan said as he looked at Xia Wanqiu.

"Hmph... Lin Fan, I'm not your girlfriend." Xia Wanqiu's cheeks turned even redder and she tilted her head to the side. That day, before Lin Fan could finish speaking to her, she was already called away by Yang Qing.

When Lin Fan heard that, he smiled and stood up. He closed the office door.

Xia Wanqiu took two steps back and looked at Lin Fan. "Lin Fan, why are you closing the door? Don't bully me..."

Lin Fan walked to Xia Wanqiu's side and held her hand. Looking at the girl in front of him, Lin Fan smiled brightly.

“That’s right, you’re not my girlfriend yet, but whose hand am I holding now?” Lin Fan held Xia Wanqiu’s hand and put both of her hands together.

Although this was Yuehua and they were in Lin Fan’s office.

There were people passing by outside but Lin Fan was still holding Xia Wanqiu’s hand.

He had not held her enough the last time, how could he let her off this time?

“I’m not talking to you anymore, pervert,” Xia Wanqiu said softly. Her face was red and she retracted her hand.

“Even if you woo me, I won’t agree to be with you. How can you woo a girl like that?” Xia Wanqiu stomped her feet angrily. If she agreed so quickly, wouldn’t Lin Fan think that she was easy to woo?

“Then how should I woo you?” Lin Fan looked at Xia Wanqiu and smiled gently.

“Hmm... Of course you have to be more romantic.” Xia Wanqiu gently tapped Lin Fan’s shoulder.

Lin Fan held Xia Wanqiu’s hand again and said seriously, “No matter what, you’re not allowed to wear such short pants in the future. Even if you want to wear them, you have to wear a skirt first.”

Xia Wanqiu looked at the serious Lin Fan and smiled gently. “Don’t you like it?” Lin Fan leaned forward and gently kissed Xia Wanqiu’s forehead.

“No, I like it.”

“Even if you want to see it, only I can see it in the future,” said Lin Fan. Xia Wanqiu’s face turned even redder as she hammered Lin Fan’s chest. “Scumbag, scumbag, bad guy! So you had these bad thoughts for a long time. I won’t go to your house in the future,” Xia Wanqiu said angrily. “I’m off. I’m not coming to your office anymore. You only know how to bully me,” Xia Wanqiu pouted and said softly. Looking at Xia Wanqiu’s back view, Lin Fan didn’t stop her and just smiled.

Now, he and Xia Wanqiu... should have confirmed their relationship, right?

Even if they had not confirmed their relationship, Xia Wanqiu was still his cat. She could not run away. He would not let Xia Wanqiu run out either.

This was the third time he had kissed Xia Wanqiu.

It felt... so good.

If others were to capture this scene, Lin Fan would be chased by countless fans of Xia Wanqiu.

Lin Fan had kissed their goddess, Xia Wanqiu.

Xia Wanqiu’s birthday was in another month.

On this day, Lin Fan didn't work anymore. He drove the Bugatti to a crystal restaurant in Shanghai.

This crystal restaurant was specially designed for high-end people. Only true tycoons could afford to eat here.

The Crystal Restaurant's service was high-end and grand. Some of the dishes inside were also very good. They could even customize different scenes and music for customers.

As long as the customers made a request, the staff of the Crystal Restaurant would try their best to satisfy them.

When Lin Fan arrived, the eyes of the staff in the Crystal Restaurant lit up.

Even if they served high-end people and had seen many luxury cars before, this was the first time they had seen someone as rich as Lin Fan. Lin Fan was driving a sports car worth hundreds of millions... a limited edition Bugatti!

The Bugatti made a perfect arc over the crystal restaurant and stopped.

The two girls standing in the crystal restaurant immediately prepared themselves.

The two of them were stunned.

The person coming would definitely be a tycoon boss.

Only a true tycoon boss and some rich second-generation heirs could afford to drive such a luxury car.

They had high standards to begin with and weren't like people on the streets who would scream when they saw a sports car or Lin Fan's looks.

When Lin Fan got off the car, the two girls' eyes lit up.

Because Lin Fan looked... way too handsome.

Lin Fan was wearing sunglasses when he went out this time. The two girls didn't recognize him.

"Hello, sir." The two girls smiled and bowed very politely. "Well, hello."

"I'm here to book the Crystal Restaurant for August 1st. I'll book it for the whole day. When the time comes, help me make some arrangements. At the same time, help me arrange for a piano," said Lin Fan with a smile.

After walking around the Crystal Restaurant, Lin Fan realized that it was indeed pretty good. He had already participated in the recording of the last episode of Keep Running. When that day came, Lin Fan would appear in the crystal restaurant to give Xia Wanqiu a surprise and celebrate her birthday.

All these years, Lin Fan had never held a birthday party for Xia Wanqiu. This time, he would let her have a blissful and happy birthday.

Didn't she like romance?

Then he would prepare a surprise for her.

After hearing Lin Fan's request, the two girls' eyes lit up.

Lin Fan was indeed a tycoon.

It cost 700,000 yuan to book the Crystal Restaurant for an entire day!

Other than that, there were all sorts of custom-made stuff. In short, as long as one was here, they would enjoy heaven-like treatment.

After Lin Fan paid, he took off his glasses and looked at the Crystal Restaurant's environment. After saying his request to the two girls, he left.

The two girls remembered it in their hearts. They looked at Lin Fan's back view and exclaimed

When Lin Fan took off his sunglasses, they recognized him.

Wasn't this... the male lead of the popular television series, "Joy of Life"?

Oh God...

They did not expect to meet him in person!

Lin Fan had just appeared in front of them.

When they saw Lin Fan's face, the two girls felt like they were in love.

Was this... the true superstar, Lin Fan?

Lin Fan's aura, his speech, his looks, and the car he was driving had broadened the horizons of the two girls. They were originally just two waiters from the crystal restaurant, but they were actually lucky to meet a superstar today, Lin Fan!

Chapter 106 Lin Fan and Xia Wanqiu Are Together!

"Wow... that person just now was really Lin Fan. Lin Fan is a big star. I didn't expect him to be so much more handsome than on television."

"Lin Fan drives a Bugatti sports car. This sports car looks like it's worth hundreds of millions."

"What a pity. I didn't ask Brother Lin Fan for a photo. It would be good to have his autograph too."

The two girls from the crystal restaurant were shocked.

They were also employees and knew how to watch dramas.

A tall, rich, and handsome man like Lin Fan was the Prince Charming of many girls.

If they could live with Lin Fan, they would never have to worry about food and clothing for the rest of their lives.

Most importantly, Lin Fan's looks made many girls fall for him.

Only a truly handsome person would know how many girls would take the initiative to get into your car and how many girls would invite you to their house.

That day, the news that a mysterious tycoon had reserved the Crystal Restaurant spread throughout Shanghai.

After all, the Crystal Restaurant was a very high-end restaurant. Very few people would reserve the Crystal Restaurant for an entire day. It was equivalent to reserving the entire Crystal Restaurant. It was expensive to book the entire Crystal Restaurant. Besides, the Crystal Restaurant was usually a place for guys and girls to go on dates or for rich second-generation heirs to play in.

There were professional services and some corresponding planning. Even confession scripts and so on would be prepared.

As long as the customers were willing to make a request, the Crystal Restaurant would satisfy them.

"6666. August 1. Who booked the Crystal Restaurant?"

"What a tycoon. That's 700,000 a day. Who would be so rich to book the entire Crystal Restaurant?"

"I wonder which girl is going to be confessed to. I'm so envious."

"Maybe this girl will be brought home by a tycoon tonight. This is what makes people envious, okay?"

Some of the onlookers' public opinion had already spread.

At the same time, Lin Fan contacted the director of Keep Running, Lin Hong.

On the last day of filming, at the last moment, he hoped to celebrate Xia Wanqiu's birthday and give her a surprise.

The venue for her birthday celebration was the Crystal Restaurant.

At that time, he just needed the production team to bring Xia Wanqiu over.

Some time ago, Su Xiaoyu had arranged for Lin Fan to appear in the last episode of Keep Running

During this period of time, Lin Fan acted in Joy of Life and wrote its script, allowing his popularity to increase tremendously.

In that case, no fans would find it strange if Lin Fan filmed Keep Running.

After all, Keep Running was inviting a big star who had just become popular, Lin Fan!

Su Xiaoyu giggled and walked in front of Xia Wanqiu with half a cucumber. She said deliberately, "Hehe, I don't know who reserved the crystal restaurant, and it's on the first of August. I heard that the crystal restaurant is very good at holding birthday banquets and it happens that the first of August is also Sister Wanqiu's birthday. I wonder what master will give you."

Xia Wanqiu raised her beautiful eyes and looked at Su Xiaoyu. She sighed softly. "I still have to film a variety show on August 1st. If I can't meet him, how can he give me a gift?"

"I'm usually busy with work. It's been a long time since I had a birthday celebration. As for things like the Crystal Restaurant, I can only envy it. That blockhead Lin Fan... even if he gave me a vegetable salad, I would be very happy. There's no need for a birthday gift." Xia Wanqiu smiled beautifully.

She was the happiest when she was spending time with Lin Fan.

She wanted romance too, and she wanted to be a happy, blissful, and free girl. However, things like romance belonged to others.

She had to film a variety show, how could there be romance?

"What if Master is also romantic?" Su Xiaoyu blinked.

"If he's romantic... then I'll bite him ~" Xia Wanqiu blushed and sighed inwardly.

If Lin Fan was really romantic, she might have gotten together with him in high school.

Until now, she and Lin Fan had never really confirmed their relationship. However, Xia Wanqiu didn't care about that. She was willing to wait for Lin Fan to stand higher and higher in the entertainment industry.

When that time came, if she officially announced her relationship with Lin Fan, those haters wouldn't gossip.

Xia Wanqiu thought of Lin Fan and felt a little sweet in her heart.

With him around, it was as if she had the motivation to do anything.

If they were together, they would probably have to hide from everyone if they showed off their love every day.

Unknowingly, half a month had passed.

In this half a month, Lin Fan was writing scripts while Xia Wanqiu and Su Xiaoyu were working

There was only half a month left to Xia Wanqiu's birthday.

On the Internet, the popularity of Joy of Life continued to rise.

Joy of Life had already broadcasted a total of 32 episodes, and its popularity had reached 800 million!

The views on the entire Internet for Joy of Life reached an astonishing tens of billions.

Meanwhile, Lin Fan's Weibo fans were also increasing

It had increased from the previous few million to 9.98 million!

In just a month, Lin Fan's fans had increased to almost ten million.

The current Lin Fan was already a big star.

He had many more fans under him.

At the same time, Xia Wangiu's popularity was rising continuously. Her fans had reached 90 million!

It was close to 100 million!

On this day, the entire Weibo exploded.

Because the episode with Lin Fan and Xia Wanqiu's kissing scene was officially broadcasted.

When they saw Lin Fan and Xia Wanqiu kissing, the entire comments section went crazy.

"Ah ah ah, my goddess gave her first kiss on screen to Lin Fan!!"

"Lin Fan also gave Xia Wanqiu his first kiss on screen. They seem to be high school classmates, childhood sweethearts. This kind of relationship is not normal."

"The key is that their acting skills are too good. I'm so touched that I'm crying. I've never seen a male and female lead with such good acting skills. I feel like they're a real couple."

"There's also that photo from before. Lin Fan and Xia Wanqiu's photo in high school. It looks so sweet. Oh my god, could Lin Fan and Xia Wanqiu really be together?"

"Look at this trending topic. When Xia Wanqiu was recording Keep Running, Lin Fan even went to visit her. He even gave her a flower."

"I love it, I love it. Lin Fan and Xia Wanqiu's relationship is really good. Don't tell me they're really a couple? If they're a couple, I'll give them my blessings!"

"No wonder the film crew let Lin Fan be the male lead and Xia Wanqiu be the female lead. Because these two people are so compatible."

“Is Lin Fan really worthy of our Qiuqiu? No matter how good Lin Fan’s acting is, he’s just a newcomer.”

The trending topic on Weibo was trending again because of Lin Fan and Xia Wanqiu. This time, Lin Fan’s visit to Xia Wanqiu at the filming location of Keep Running was discovered by someone.

From the flower Lin Fan gave Xia Wanqiu and those subtle expressions, these fans could already give concrete evidence. If they weren’t together, why would they make such intimate actions?

Including this television series and some videos and photos of Lin Fan’s visit, it could all be explained...

Lin Fan and Xia Wanqiu were really together!

It was precisely because of this information that the trending topic on Weibo was trending again.

Sina Weibo’s server was only so big, and the load capacity was not very big. If too many people flooded the screen at the same time, it might get stuck. And now, a trending topic on Weibo was rising rapidly.

[It’s true that Lin Fan and Xia Wanqiu are together!]

Chapter 107 Xia Wanqiu Admitted It? _

Then, a video was uploaded.

It was the scene that happened after Lin Fan went to visit Xia Wanqiu.

Lin Fan gave Xia Wanqiu flowers and helped her put on her hat.

However, this small action made many girls envious.

If only Lin Fan could be so warm to them.

“That can’t be. Could it be that Lin Fan and Xia Wanqiu’s relationship is really that good?”

“Look, Lin Fan and Xia Wanqiu were deskmates in high school. Their relationship was very good. When they were filming a kissing scene, they were in a very good state. It was as if they were a real couple.”

“D*mn, doesn’t this mean that Lin Fan and Xia Wanqiu have an extraordinary relationship? And there were so many photos of them together.”

“If Lin Fan and Xia Wanqiu are together, I’ll be the first to object! Although Lin Fan is very handsome, our Qiuqiu is a fairy. Not everyone can be worthy of her.”

Countless comments exploded at the same time.

Xia Wanqiu had a scandal with Lin Fan again. Such a scandal was actually not good for Xia Wanqiu.

If a female artiste had too many scandals, it would only make many fans stop being fans of her.

In the entertainment industry, many people were still very strict with girls.

If a girl's private life was very messy, she would basically never be able to debut again.

Xia Wanqiu's negative news would also make the businesses and advertisers not satisfied with her. They might even remove Xia Wanqiu's endorsements.

Faced with such pressure, Xia Wanqiu might face pressure from many aspects.

Initially, everyone thought that Xia Wanqiu would come out to clarify.

She didn't do that.

Lin Fan didn't come out to clarify either.

The two of them maintained a good tacit understanding and did not clarify things with each other.

"My dear lady, look at the negative news on the Internet. Qiuqiu, these negative news are not good for you. Even if you clarify with a lie, you can get rid of these rumors. Otherwise, the advertisers and investors might not be satisfied with you." Yang Qing was very anxious.

She knew Xia Wanqiu's character too. It was usually very difficult to change it. However, with continuous scandals about her and Lin Fan, the company's public relations department could not suppress the trending topics.

Xia Wanqiu shook her head and said, "I don't want to clarify. What they said... is actually the truth."

Hearing Xia Wanqiu say this, Yang Qing felt that she had no love. Xu Yang, who was walking past the office door, was also stunned.

Even though he had already chosen to withdraw.

However, there was another woman hidden in a man's heart. Such feelings could not disappear immediately.

When Xu Yang heard Xia Wanqiu admit it herself, he smiled bitterly and shook his head.

Xia Wanqiu admitted it herself.

Those fans were telling the truth. Could it be that Lin Fan and Xia Wanqiu were really together?

Did he really have no chance at all?

Xu Yang eventually sighed helplessly and pretended not to hear anything. He also pretended that nothing had happened and continued working.

"Qiuqiu, you... can't admit it directly."

“I know you have a good relationship with Lin Fan, but this concerns your career and your future. You have to reconsider.”

“Even if you don’t clarify, you have to be careful the next time you go on a date with Lin Fan. If you’re discovered again...” Yang Qing said.

“Sister Yang, I’ll take responsibility.” Lin Fan smiled.

“If no advertisers or companies are willing to look for her. I have a way to make them look for her.” Lin Fan smiled and stood beside Xia Wanqiu.

When she saw Lin Fan, Xia Wanqiu’s cheeks were slightly red.

Yang Qing sighed. She had no choice but to run.

She already didn’t know what to say to Lin Fan and Xia Wanqiu.

How could they publicly display their love and even do it in front of her? As a manager, she could only watch helplessly.

Was this how people who were in love were like?

Yang Qing felt like she was being stuffed with dog food.

Forget it, that was it.

If things really didn’t work out, they would officially announce their relationship.

This way, Lin Fan and Xia Wanqiu could openly display their love. Then, Xu Yang and Yang Qing wouldn’t be the only ones hurt, countless fans would be hurt as well.

If these fans saw Lin Fan and Xia Wanqiu showing off their love every day, their hearts would probably shatter.

Their goddess and Prince Charming were together every day and could do some embarrassing things occasionally. How could everyone not be envious?

Yang Qing left just like that.

Lin Fan looked at Xia Wanqiu and smiled. “What did you say? Are the things that the fans on Weibo said the truth?”

Xia Wanqiu pouted and looked at Lin Fan with a fierce expression. “What they said isn’t the truth. I’m just too lazy to clarify. Hmph, if you want to clarify, I’ll do it too.”

Lin Fan smiled and said, “Actually, I can’t be bothered to clarify too. You go first.”

Xia Wanqiu said fiercely, “You do it first!”

Lin Fan said, "Then forget it. We're not going to clarify anything." Xia Wanqiu: "Scumbag, if you don't clarify, so be it. Even if you do, you can't clarify."

Lin Fan looked at Xia Wanqiu and smiled brightly.

There was indeed no way to clarify.

However, Su Xiaoyu was also there. Su Xiaoyu was a big star and she was also very pretty.

Lin Fan didn't give the flower to Su Xiaoyu but to Xia Wanqiu.

Coupled with the kissing scene aired by Joy of Life, no matter what Lin Fan and Xia Wanqiu said now, it would be wrong.

Most importantly, Lin Fan and Xia Wanqiu didn't look like they wanted to clarify anything.

Su Xiaoyu ran in front of Lin Fan and looked at him. She asked softly, "Master, Master, when are you going to be with Sister Wanqiu? I'll support you guys!" "Children shouldn't care so much." Lin Fan looked at Su Xiaoyu and smiled.

"Master, I'm no longer a child. I'm 22 years old now, and my breasts have grown bigger and my legs are longer. How can you call me a child?" Su Xiaoyu looked aggrieved.

"Your breasts have grown? I couldn't tell." Lin Fan took a look and shook his head. They were still the same as before.

"Ahwooh, Master, I'll bite you!" Su Xiaoyu became even fiercer.

"I'm going to tell Sister Wanqiu! I'll tell her that you prepared a surprise for her on her birthday and even reserved the crystal restaurant," Su Xiaoyu said fiercely.

"Alright, alright. Your breasts have indeed grown up. I'll call them Big Bear," said Lin Fan.

"Master, you're so bad." Su Xiaoyu glared at Lin Fan with a red face.

"She always wanted romance, so... let's just wait until her birthday. Let's surprise her." "As for when I'll confess, your master isn't standing high enough right now. When I'm standing high enough, when I'm really capable of protecting her, she won't be able to escape."

Lin Fan smiled with absolute confidence.

Joy of Life was only the beginning of his scriptwriting journey. For every subsequent script, Lin Fan was confident that he could make the television series adapted from his scripts popular.

It would not be too late to confess to his cat then.

The most important thing about wooing girls was the sense of ceremony.

When Lin Fan felt that the time was right, he would strike out for real!

Chapter 108 I'm Not Interested in Money

After Joy of Life aired for a month, Yuehua Entertainment officially held its first press conference.

The reason why they didn't hold a press conference previously was because Lin Fan was a newcomer and the entire Internet was defaming Lin Fan. Hence, they were worried about Lin Fan encountering any danger during the press conference and decided not to hold it.

After broadcasting for a month, the reputation was very good.

Yuehua's press conference had officially begun!

Not only would there be a lot of media and fans at the press conference today.

When the news spread, countless media outlets and fans wanted to see Lin Fan and Xia Wanqiu.

Of course, there were also some other celebrities who were very popular.

But Lin Fan and Xia Wanqiu were especially eye-catching. Because the two of them had just had a scandal. It was worth mentioning that neither of them stood up to refute the rumors.

There could be two reasons.

First, what the fans said was true.

Second, Lin Fan and Xia Wanqiu felt that there was no need to refute the rumors. After all, they were just rumors. Big stars didn't have to stand up to refute everything. There were many celebrities in the entertainment industry who often had scandals.

On the day of the press conference, many of Yuehua's celebrities gathered together.

Today's ceremony was exceptionally solemn. The popular television drama Joy of Life had already attracted a lot of attention and discussion in the entire country.

A lot of people already knew about this television drama.

Even Lin Fan's high school classmates would tag Lin Fan in the group everyday, wanting to meet him.

After all, not only was Lin Fan handsome, he was also a big star.

Those high school and university classmates were all trying to contact Lin Fan.

There were also many girls who wanted to woo Lin Fan but Lin Fan ignored them.

On the day of the press conference, the main leads of Joy of Life were basically all going.

Today, Lin Fan was wearing a very formal suit.

At such an official event, Lin Fan couldn't just wear flip-flops. That would make him look like he had a low IQ and EQ.

It was because Lin Fan was wearing a suit and sitting in the car that when Lin Fan arrived at the venue of the press conference and was about to get off the car, he was greeted with cheers.

"Wow, wow, wow, wow. Lin Fan's clothes are so handsome. Lin Fan is much more handsome in person than on television!"

"Lin Fan, please can I get your autograph and take a photo with you-"

"Lin Fan, Lin Fan, Lin Fan!!"

Cheers rang out one after another.

Lin Fan looked over and greeted them with a smile.

As expected, he still lived in the way which he didn't want to live.

In the past, when Lin Fan was handsome, he kept a low profile. When he went out, he would try to ride his tricycle. This way, not many people would pay attention to him.

But even so, there was once when many aunties chased after Lin Fan.

He had become a big star now and many fans were holding his support boards. These fans were too fanatic. "Xia Wanqiu, Xia Wanqiu... Xia Wanqiu!"

"Xia Wanqiu is the most beautiful!!"

"Su Xiaoyu is so pretty too!!" "How can Xu Yang be so handsome? I'm shocked, but Xu Yang doesn't seem to be as handsome as Lin Fan. Lin Fan is Yuehua's most handsome superstar!"

"Lin Jingjing is here too. Lin Jingjing is my goddess!"

Today, Xia Wanqiu was wearing a long dress, and her aura was extraordinary.

When Xia Wanqiu went up the stairs, Lin Fan silently followed behind her and helped her lift her skirt.

The two of them did not avoid gossip because they had a scandal.

Lin Fan would even help his cat lift her skirt, afraid that she would fall.

After all, Xia Wanqiu was wearing high heels today and had a very good temperament. She completely looked like a superstar, and her devastatingly beautiful looks attracted the liking of countless people. "Wow, I love it, Lin Fan is so gentlemanly."

“Are Lin Fan and Xia Wanqiu really a couple? They look very sweet.”

“I’m already stunned. Lin Fan and Xia Wanqiu’s relationship is really so good. Maybe they’re good friends, not a couple.”

Many fans were saying, and the cameras were also snapping

There was even a live broadcast that was focused on the venue of the press conference.

There were already close to a few million people watching the live broadcast. The live broadcast of the press conference was accompanied by a lot of audience and fans, as well as many media outlets at the venue. When the main leads of Joy of Life went on stage, they signed their names. Immediately after, the crowd cheered.

Following that was the host’s speech and a long process.

When it was time to ask questions, a media outlet asked, “Xu Yang, you didn’t become the male lead this time but gave the male lead to a newcomer. Why is that? Is Lin Fan’s acting better than yours?”

The questions from this media outlet were very tricky. Did they mean that Lin Fan had stolen Xu Yang’s role of male lead? As everyone knew, Xu Yang was Yuehua’s top male artiste. He had a lot of resources and had rarely been a supporting character.

Xu Yang smiled when he heard that. “Lin Fan is my brother. It doesn’t matter who is the male lead. Besides, I believe everyone knows how good his acting is.”

Xu Yang’s reply was met with gasps of admiration.

Xu Yang did not directly compete with Lin Fan in acting skills, nor did he let the outside world think that he had a bad relationship with Lin Fan.

Lin Fan was his brother. Just this sentence was enough.

Then, another media outlet asked, this time directly asking Xia Wanqiu, “Xia Wanqiu, what do you think of the rumors between you and Lin Fan on the Internet? Is the reason why you haven’t filmed kissing scenes for so many years because of Lin Fan?”.

When this question was asked, the audience in the broadcast room seemed to freeze.

This media was too direct.

Xia Wanqiu did not reply to the scandals online. Instead, at this moment, the media asked Xia Wanqiu directly.

Xia Wanqiu had to give an answer.

Faced with such a question, Lin Fan spoke first. “Wanqiu and I are very good friends. We were deskmates in high school and had good chemistry. We were basically childhood sweethearts. As for everyone’s concern about whether Wanqiu and I are together, I don’t think there’s a need to explain.”

“We’re not together yet. Wanqiu prioritizes her career. I just write scripts casually. Acting occasionally is not bad as well.” Lin Fan smiled.

Under such circumstances, of course he had to stand up and deny it. After all, Lin Fan was telling the truth. He and Xia Wanqiu were really not together yet.

| W

If they were together, at this press conference, he would hold Xia Wanqiu’s hand. Who knew how many singles would be stuffed with dog food.

Moreover, the conference this time was mainly to promote Joy of Life. After Xia Wanqiu heard that, she looked at Lin Fan with her beautiful eyes and nodded her head gently.

With Lin Fan around, she wouldn’t be worried when facing so many reporters.

This was the sense of security Lin Fan gave her. It was unique. Then, the media continued to ask, “Lin Fan, are you acting and writing scripts to earn money? Or is it for your personal interests and hobbies? The script for ‘Joy of Life’ is too interesting.” Lin Fan smiled and said, “Actually, I’m not interested in money. It doesn’t matter if I earn money or not. What’s important is that I can write good scripts and make some contributions to the entire country’s film industry.”

When Lin Fan said this, the audience roared with applause.

Lin Fan... was indeed not an ordinary person.

Countless fans below the stage were even more tempted.

They had never expected the superstar Lin Fan that they liked to be such a righteous artiste!

Chapter 109 Lin Fan’s A God of Singing!

On the live broadcast platform, countless comments flooded in.

“666666. Lin Fan is so handsome and has such upright morals. I’m just a little envious. D*mn, he’s actually not interested in money.” “Lin Fan looks like he’s really rich. I heard that he has dozens of mansions and dozens of sports cars.”

“The guy who said Lin Fan has dozens of mansions, don’t go. I have hundreds of luxury houses.”

“Lin Fan is my Prince Charming. I look forward to Joy of Life and I look forward to Lin Fan writing a new script. I couldn’t even stand watching the television dramas in the past. Now, I finally have a television drama that I can watch.”

“Joy of Life was really written too well. Lin Fan’s screenwriting level is really top-notch. The key is how can he be so handsome and how can his screenwriting skills be so strong. Can’t he just rely on his looks to make a living?”

When Joy of Life started broadcasting, the public opinion on the Internet had already changed tremendously. The people who had attacked Lin Fan had already disappeared. The current Lin Fan had already become a superstar with tens of millions of fans.

A television drama had allowed Lin Fan to gain so many fans.

This television drama had made Lin Fan really popular. At the press conference, the media asked Xia Wanqiu and Su Xiaoyu many questions.

When the press conference was about to end, the host looked at Lin Jingjing and said with a smile, “Lin Jingjing, the theme song for Joy of Life, ‘A Will Forever’, is really quite nice to listen to. Was it composed by you? Can you sing this song for us too?”

Lin Jingjing was a sweet singer and was very good at music.

As expected, after the host finished speaking, a series of cheers sounded from below the stage.

Lin Jingjing shook her head and looked at Lin Fan with her beautiful eyes. “The theme song ‘A Will Forever’ was written by Lin Fan. The theme song he wrote was very good. If he were to sing this song, it would definitely feel different. Furthermore, Lin Fan’s singing is also very good.”

Therefore, everyone’s attention was on Lin Fan again.

The theme song “A Will Forever” was written too beautifully and was very nice to listen to.

As such, these audience members were repeatedly listening to the theme song. Especially every time Joy of Life aired, very few people would fast forward.

This theme song was simply heavenly.

Some even played the theme song repeatedly on their phones.

Whether it was the lyrics, the mood, or the song... they were all pretty good.

Every note and rhythm could seduce everyone’s heart.

This was also the reason why the host wanted Lin Jingjing to sing live.

Lin Jingjing was known as the Goddess of Songs. Not only that, but she would also do some voice acting. Now, all the audience below the stage and the audience in the broadcast room were looking forward to it.

The song goddess in their hearts, Lin Jingjing, had actually recommended Lin Fan to sing this song.

The main reason was that the song “A Will Forever” was composed by Lin Fan!

The audience below the stage were already shocked.

There were also some artistic big shots who knew music. They also knew the difficulty of creating music.

This was too amazing...

It was already very good that Lin Fan had such strong screenwriting skills. The screenwriting skills were mainly used to create scripts and write a perfect story. It had nothing to do with creating theme songs.

Now, even Lin Jingjing was praising Lin Fan.

Was Lin Fan’s singing really that good?

“It’s alright. But if you want to listen, I can try singing it once.” Lin Fan smiled and didn’t reject.

When he was working on the post-production of Joy of Life, Lin Fan had already thought about all of this.

In a television drama, the script, actors, acting skills, and post-production were all very important.

But what could move people the most? It was the details.

He would take a look at every voice-over and every soundtrack. He would listen to them and try to see if there was a better way to do things.

Perhaps to other screenwriters, they didn’t have the ability to compose music, but Lin Fan had this ability.

Not only was he a screenwriting master, his singing ability was also unique. When both of them were combined, the lyrics and music created by Lin Fan would fuse together to form a perfect masterpiece!

Faced with the anticipation of so many people and with Xia Wanqiu, Su Xiaoyu, Lin Jingjing, and company beside him, Lin Fan didn’t reject and prepared to sing the theme song live.

As the accompaniment sounded, Lin Fan started singing. (Have you heard of the Snow Mountain Cliff?)

[It made people lost in a reverie]

Just as Lin Fan opened his mouth, a unique sound was heard along with his singing.

The entire venue fell silent.

Everything around them seemed to freeze.

Everyone was looking at Lin Fan in the middle of the stage... Their eyes were filled with a hint of shock and amazement.

Even the audience who knew music were stunned when they heard Lin Fan's first sentence.

Some of the audience were still eating their ice cream, and they were completely unaware that their ice cream had fallen to the ground.

Because... Lin Fan's singing was too good. Just the first sentence alone was enough to shock everyone present.

An ethereal and pleasant note accompanied Lin Fan's voice and entered everyone's ears.

This was... the sound of the heavens.

With just one sentence, these people were deeply immersed in Lin Fan's singing.

Even Lin Jingjing was the same. Her beautiful eyes looked at Lin Fan and she smiled sweetly. She was also a song goddess, but in front of Lin Fan, she felt that she couldn't compare to him.

Even Teacher Mei Lan praised Lin Fan so much. His attainments in music had already exceeded many others!

There were millions of viewers watching the livestream. After hearing Lin Fan's voice...

The entire livestream had an empty window of two seconds.

In these two seconds, almost no one posted a comment.

Two seconds later, the entire livestream exploded!

[I'm kneeling, I'm kneeling. This is a god of singing. The theme song for the television series seems to be sung by a master. I feel that masters aren't as good as Lin Fan.]

(Why do I feel like I'm at Jay Chou's concert? Lin Fan sings so well... He's really a god of singers!)

At the venue, Lin Fan was still singing.

All of his emotions were invested in the theme song of Joy of Life. Hence, when Lin Fan sang, there were deep emotions in the song.

The media forgot to take photos and the audience was mesmerized by Lin Fan's voice.

After singing the entire song, Lin Fan and the rest quietly left the venue.

The audience was still mesmerized by Lin Fan's singing

At some point, they realized that Lin Fan was no longer singing. He had already left.

Even though Lin Fan had already left, the crowd was still cheering! "D*mn, d*mn... Lin Fan's singing is really amazing. He's like a god of music!" "Lin Fan, don't go. Sing it for us again. We can even pay for it." "Lin Fan, why don't you become a singer? You can release an album and we'll definitely go to your concert!" "I didn't expect Lin Fan to sing so well. It's even an original composition of his. I love it ~" "Lin Fan, Lin Fan, Lin Fan!"

At the press conference, there were many celebrities.

Lin Fan, Xia Wanqiu, Su Xiaoyu, Xu Yang, Lin Jingjing, and the others' fans were all there.

But at the end of the press conference,

Everyone was shouting Lin Fan's name.

Lin Fan's looks, character, acting skills, and singing had completely won over the audience!
