

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 130-134

Chapter 130 One Song, A New Peak!

After the video call with Xia Wanqiu,

Lin Fan looked at Xia Wanqiu's profile picture and was a little angry.

That detestable woman. How was he going to sleep?

How could anyone else withstand Xia Wanqiu's sweet attack?

Lin Fan couldn't help but take a shower before falling asleep.

Under normal circumstances, Lin Fan didn't have any feelings for other girls.

Only Xia Wanqiu.

Damn cat.

When the day came that they were really together, Xia Wanqiu would not be able to withstand his attacks.

How did Xia Wanqiu treat him now?

On that day, Lin Fan would let Xia Wangiu have a taste of what it felt like to be unable to withstand it.

The next day, Lin Fan woke up as usual and signed in. This time, he received a bottle of mineral water.

Lin Fan felt that life was a little loveless. He opened the fridge and there were already 20 bottles of mineral water.

There were also eighteen bottles of Coca-Cola, sixteen bottles of iced tea, and twenty-three bottles of Pulse.

Other people's systems could all give them amazing things. Meanwhile Lin Fan could only receive mineral water from his system.

This was already the 20th bottle of mineral water. At least Pulse still cost four yuan a bottle. Mineral water only cost one yuan a bottle.

The system was becoming more and more unreliable.

After Lin Fan woke up, he went to his restaurant to work.

As for the company, Lin Fan didn't have to go every time. He had a transcendent status in the company.

When he arrived at the restaurant, there was already a large group of fans waiting for Lin Fan.

The restaurant had been closed for a long time, but there were still some fans who were willing to wait there every day.

“Ahhhhh, Brother Lin Fan is here!”

“Brother Fan is so handsome. Brother Fan is driving a Koenigsegg One this time!”

“Oh my god, it’s really Brother Fan. Isn’t Brother Fan filming? He actually came to the restaurant to cook a feast for us!”

Lin Fan looked at the passionate fans and smiled brightly.

After walking into the kitchen and busying himself for two hours, Lin Fan had more than 6,000 yuan in business income.

Although Lin Fan’s dishes were home cooking, the fans all ordered expensive meals.

After he was done, Lin Fan felt that his cooking skills had improved a lot again.

On the other hand, the fans exclaimed.

Because Lin Fan’s dishes were all equally delicious.

No matter how expensive the feast was, or if it was the cheapest Egg Fried Rice, it would definitely be delicious after being cooked by Lin Fan.

Which fan would not like such a feast?

“Brother Fan, your feast is really delicious.”

“Especially this bowl of Egg Fried Rice. Although I can’t afford other expensive things, this bowl of Egg Fried Rice is too delicious.”

“How can there be such delicious lobsters? It’s so much better than those buffet and seafood shops. Brother Fan is awesome!”

“I ate the feast that Brother Fan personally made for me. How can Brother Fan be so handsome? No matter which angle I take his photo from, he’s so impeccable.”

“Lin Fan, Lin Fan, Lin Fan!”

Many fans were eating Lin Fan’s feast seriously. The entire restaurant was filled with customers. Many customers had already set up tables outside the restaurant and started eating.

Lin Fan had a relaxed day today and had been running his restaurant.

After three hours, many fans were impressed by Lin Fan.

However, these fans were of high quality and didn't ask Lin Fan for a photo or autograph.

However, there was a fan who downloaded the QQ Music app and exclaimed, "Brother Fan's 'Love Confession' is on QQ Music! I want to download and listen to it and help Brother Fan get on the rankings!"

"It's true. I also discovered this song. Previously, if I wanted to listen to Brother Fan sing 'Love Confession', I had to look for videos on Weibo. Now, it is available on QQ Music."

"Whatever, I'll download it first."

"Brother Fan's singing is too good. I feel like my ears are about to get pregnant."

"Ah ah ah, I want to help Brother Fan go up the rankings. How can this song be so good?"

"What kind of voice is that? It's simply amazing, really amazing!"

Many fans said. In Lin Fan's restaurant, they ate Lin Fan's feast while listening to his songs.

After Lin Fan busied himself for three and a half hours, the ingredients in the restaurant were all depleted.

"Everyone, that's all for today."

"Thank you for your support and I'm very grateful for your support of my song. See you next time." Lin Fan smiled and sat on the Koenigsegg One, leaving the restaurant.

After Lin Fan left, everyone felt a little regretful.

"Don't. Brother Fan is leaving now. I still want to chat with him."

"Yeah, Brother Fan's feast is really too delicious... I haven't eaten it yet."

"I'm going to camp to see Lin Fan. In the future, I'll come here regularly to camp. Maybe one day, when Lin Fan is in a good mood, he can cook us a feast."

"If only I had such a handsome boyfriend who can cook so well."

In three and a half hours, Lin Fan's restaurant earned 13,000 dollars.

This was only a small restaurant. If he transformed the small restaurant into a big restaurant, coupled with Lin Fan's brand effect, he would probably be able to earn hundreds of thousands of yuan a day!

If he opened branches in various places, who knew how much money Lin Fan's restaurants would earn.

Lin Fan had calculated all these things before. He wasn't interested in opening so many restaurants.

||

On

Although the feasts he made were delicious, Lin Fan didn't really care about money.

It did not matter if he was rich or not. What was important was that he could live happily every day.

On this day, many fans discovered that Lin Fan's song "Love Confession" was officially released on QQ Music!

This song, which was extremely popular on Tiktok, also attracted the praise of many music lovers after it was uploaded to QQ Music.

Love Confession was completely popular on QQ Music!

"D*mn, what kind of godly song is this?"

"Is this song sung by the superstar Lin Fan? It's simply amazing!"

"I'm shocked, I'm shocked. Lin Fan's song has such a charming and unique voice..."

On QQ Music, if one wanted to download a high-quality version of the song, Love Confession, they had to pay three yuan.

Many songs were free, but Lin Fan's song was completely different. Many songs required a fee as well. Just like how one had to pay a fee to read novels, they were all a reflection of copyright.

Even if they needed to spend money, Lin Fan's song had 300,000 downloads in a day.

What did this mean?

In just a day, he had earned 900,000 yuan with one song!

The staff of QQ Music were all stunned.

Even if it was an album produced by a professional singer, it was impossible to earn 900,000 yuan in a day.

This was enough to show...

Lin Fan's song was simply too popular!

After going on QQ Music, Lin Fan's "Love Confession" reached a new peak!

Chapter 131 First on the List, Heavenly King Zhou's Shock

Lin Fan's "Love Confession" received excellent results.

The next day, Lin Fan also recorded the theme song "A Will Forever".

These two songs were both his original creations.

After both songs were on QQ Music, they became popular at the same time.

In a day, the two songs earned a total of 1.3 million yuan.

Of course, when a new song was first released, the sales would definitely be high at first, but they would slowly decrease later on.

However, Lin Fan's songs were completely different.

The two songs rose against the trend.

In QQ Music, the staff were even more shocked.

"Holy sh*t..."

"This is too against human rules. The sales of Lin Fan's two songs are still increasing!"

"The fans' enthusiasm is too high. Not only that, Lin Fan's two songs are constantly rising on the QQ Music's Rising List, Hot Songs List, and New Songs List. They have even surpassed the songs of some professional singers!"

"Lin Fan is too strong. The two songs he sang were indeed nice, but I didn't expect the data for these two songs to rise so quickly," the staff said.

The operations department head, Liu, smiled and said, "You have to promote these two songs well. I've asked the professionals in the industry about Lin Fan's singing skills. He's not inferior to any professional singer."

"It's no exaggeration to say that if Lin Fan wasn't a big star and wanted to take the path of a singer, Lin Fan would have become a true superstar. He has endless potential, but it's a pity... However, with just these two songs, if they're promoted well, there will be very high benefits."

"Lin Fan's two songs not only have the support of Lin Fan's fans, but also our own users. It's enough to promote this song," said the operations department head, Liu, with a smile.

The entire QQ Music was promoting Lin Fan's two songs.

All of this was thanks to the quality of Lin Fan's songs.

These two songs had already become golden songs!

Under the intense promotion of QQ Music, more and more people knew about Lin Fan's two songs.

Not only that, but it also became a trending topic on Weibo again.

[The sales of Lin Fan's two songs reached 1.5 million in a day, becoming the third-place in the Chinese music industry!]

e were

When this trending topic reached the top, everyone was really stunned. In the Chinese music industry, there were countless singers, including the four Heavenly Kings, the Heavenly Queen, and others.

Many of the songs these people sang were already known to everyone.

And with their sales reaching 1.5 million in a day, these two songs had already reached third place.

Especially Lin Fan's Love Confession...

In other words, Lin Fan's song had already reached the forefront!

In the Chinese music industry, Lin Fan reached the top three using this song.

For a complete newcomer in the music industry to have such results, it was enough to describe it as a miracle.

Furthermore, this was only the beginning.

Lin Fan's name started to enter the sights of those in the Chinese music industry.

"Impressive, who asked Brother Fan to sing this song so well? Brothers, go to QQ Music and help Brother Fan reach the top of the new song rankings."

"Charge, charge, charge. Brother Fan sings well. It's only right to support Brother Fan!"

"How can there be such a nice song? Let's not talk about it anymore. I'm also going to top up money to help Brother Fan climb the charts. Isn't it just some money? I'll support Brother Fan!"

"That's right. I've already become a VIP to watch Joy of Life. If I can hear Brother Fan's songs, so what if I become a VIP again?"

All sorts of comments swept through Weibo.

QQ Music's rankings included the Rising list, hot songs list, new songs list, and the popularity index.

And at the top of every list, the first place was all taken up by one of the Four Heavenly Kings of the Chinese music industry, Heavenly King Zhou. His full name was Zhou Tianhai. Zhou Tianhai's "The Wind in Autumn" was also praised by countless people.

However, ever since Lin Fan's "Love Confession" was uploaded to QQ Music,

The ranking of Love Confession on the Rising list, Hot songs list, New songs list and the popularity index were all rising rapidly.

At night, Lin Fan's "Love Confession" had already reached second place on the four rankings!

After another night, at 12 noon, "Love Confession" officially climbed to the top of the QQ Music Rankings!

First place on the Rising List.

First place on the Hot songs list.

First place on the new songs list.

First place on the popularity index.

It completely crushed Heavenly King Zhou's new song, "The Wind in Autumn".

"Brother Fan has rushed to first place!!!"

"Brother Fan is awesome!!!"

"This song is simply a blessing. Whoever hears it will have their ears get pregnant. How can there be someone with such a nice voice?"

"I'm envious. I really want to have such a voice too. Lin Fan's singing is simply too amazing. Let's put it this way. It's not an exaggeration to say that he can get first place."

"Is this Brother Fan's true ability to sing? In my heart, Brother Fan is a big superstar!"

QQ Music.

All the staff looked at the data of "Love Confession" and doubted their lives.

Such figures had risen too terrifying fast.

In just two and a half days, Lin Fan's "Love Confession" had rushed to the top of the four rankings and suppressed Heavenly King Zhou's new song!

Needless to say, Heavenly King Zhou's status in the Chinese music industry was extremely important.

Every new song he released and concert he held had a lot of fans supporting him.

However, his new song was suppressed by Lin Fan's song on all the four major rankings on QQ Music.

At the same time, Heavenly King Zhou, who was resting, also received this news.

The assistant said, "Brother Xinghai, there's a person called Lin Fan. He sang 'Love Confession' and reached the top of QQ Music's top four charts at the same time. He's very strong. Should we use some methods to manage it and snatch back the throne of our song?"

When Zhou Xinghai heard that, he opened his eyes.

All along, Zhou Xinghai had always felt lonely at the top. As Heavenly King Zhou, he had already sung countless famous songs.

When he heard that Lin Fan's new song had completely surpassed his, Zhou Xinghai couldn't help but feel a little shocked.

Zhou Xinghai immediately downloaded Lin Fan's "Love Confession". After hearing that, Zhou Xinghai's eyes widened and he stood up.

"This song... is really not bad."

"Whether it's the accompaniment, the lyrics, the mood, the melody of the song, or the feelings Lin Fan put into this song, the effect of singing it is too good."

"We don't need to use those methods. With my strength, I won't use those unorthodox methods. Lin Fan won this new song, 'Love Confession', with his own strength. His song should be so popular."

Zhou Xinghai was full of praise.

The assistant was stunned.

In front of her was Heavenly King Zhou, who could shock the Chinese music industry with a stomp of his foot.

When had Heavenly King Zhou ever praised such a person highly?!

It was difficult for him to express his approval of Lin Fan!

Lin Fan's song had actually obtained the approval of Heavenly King Zhou!

Chapter 132 Xu Yang: Why Am I So Tragic

At this thought, Heavenly King Zhou opened Weibo and followed Lin Fan.

Not only that, Heavenly King Zhou even personally wrote a Weibo post.

"I suggest that everyone listen to Lin Fan's 'Love Confession'. His singing is really nice. I'm very happy that someone like Lin Fan can appear in the Chinese music industry. When I hold a concert, I want to invite Lin Fan. Would you be willing to come? @Lin Fan."

When he posted on Weibo, there were immediately hundreds of comments.

“Heavenly King Zhou actually posted on Weibo!!”

“Brother Fan’s song is quite nice, but even Heavenly King Zhou thinks so highly of Brother Fan’s work. I love it!”

“Oh my god, Heavenly King Zhou is actually inviting Brother Fan to his concert. I’ll definitely buy tickets!”

“Brother Fan is going to be a big singer in the future. To be able to work with Heavenly King Zhou, Brother Fan is really amazing!”

After Lin Fan saw the news, he posted a comment on Heavenly King Zhou’s Weibo post.

[Next time you hold a concert, remember to invite me. I’ll treat you to a meal.]

After Lin Fan posted the comment, Heavenly King Zhou quickly replied, “No problem. I heard that you’re also a chef. Haha, I’ll have to taste it properly then.”

Just like that, Lin Fan and Heavenly King Zhou followed each other.

One was a big star in the entertainment industry.

The other was Heavenly King Zhou in the Chinese music industry.

The two of them originally had nothing to do with each other, but because of Lin Fan’s outstanding ability and the song “Love Confession”, which was sung too well, Heavenly King Zhou attached great importance to Lin Fan.

Only those who knew music could know the difficulty of music.

Although “Love Confession” sounded simple and was easy to sing, how could one create such a song without a certain foundation and ability?

Heavenly King Zhou could naturally tell that Lin Fan’s musical talent wasn’t something that ordinary people could compare to.

This was like how only a painter could know how good Van Gogh and Picasso’s paintings were.

If you were a physicist, you would know how great Einstein was.

Heavenly King Zhou thought highly of Lin Fan. How could he not be interested in Lin Fan, who was very sensitive to music?

Furthermore, Lin Fan’s feast was very delicious. It was publicly acknowledged on the Internet that Heavenly King Zhou had long wanted to try Lin Fan’s feast.

Even celebrities liked to eat big meals.

If he didn't like it, it must be because the feast wasn't delicious enough.

At the same time, another piece of news went viral on Weibo.

The finale of Joy of Life was about to air!

The grand finale of Joy of Life would be updated at 10pm on iQiyi and Tencent Arts.

"Hurry, hurry, hurry. I want to watch the finale of Joy of Life tonight!"

"Su Xiaoyu also appeared. Su Xiaoyu is really beautiful. I think her character is called Haitang Duoduo. She's very skilled in martial arts in the drama. Su Xiaoyu has such a good figure and is so beautiful. The scenes of her fighting in the drama are simply too beautiful. My heart is about to melt."

"Yeah, Lin Jingjing's role is also quite good."

"There's also Xia Wanqiu. Xia Wanqiu's female lead role is the best."

"Ah ah ah, the finale is tonight. Lin Fan will definitely be super handsome. Let's see the finale!"

Compared to singing, more people liked Lin Fan's television drama, Joy of Life.

And tonight, the finale was going to be officially broadcasted.

On the sofa, Lin Fan and Xia Wanqiu sat together. Su Xiaoyu, Lin Jingjing, and Lin Yushi were also watching the finale together with them.

The three girls were very sensible and gave up their seats to Lin Fan and Xia Wanqiu.

Hence, Lin Fan and Xia Wangiu got closer and closer...

Although the two of them were watching a television drama, this unintentional small action was still showing off their love.

It was worth mentioning that Xu Yang was also watching the television drama at Lin Fan's house.

Especially when Xu Yang saw Lin Fan and Xia Wanqiu falling in love and exchanging glances, he still felt his heart turn cold.

He was just here to watch the finale of a television drama. Why was it so tragic?

"Ahwooh, Xu Yang, come watch the drama here~ Don't be affected by Sister Wanqiu and Master's dog food." Su Xiaoyu smiled cutely and looked at Xia Wanqiu.

"Alright." Xu Yang sighed, still looking at Xia Wanqiu.

When he saw Xia Wanqiu giggle from time to time and hit Lin Fan twice, he felt that this was the difference in life.

Look at how happy Lin Fan and Xia Wanqiu were when they were together.

The only guy Xia Wanqiu had ever hit was Lin Fan. Every day, she would hammer Lin Fan's chest.

Su Xiaoyu was wearing a short skirt. With her legs together, she looked exceptionally beautiful.

Xu Yang looked at Su Xiaoyu and realized... that Xiaoyu was also so pretty.

When Xu Yang wanted to take a look, Su Xiaoyu had already covered her legs with a blanket.

Xu Yang:" ..."

Wasn't he just looking at her legs? Su Xiaoyu actually noticed it!

It was better to be by Jingjing's side.

Xu Yang sat beside Lin Jingjing silently. When Lin Jingjing saw Xu Yang coming over, her face was slightly red and she just smiled at him.

Furthermore, Lin Jingjing also had long legs. She did not cover her legs with a blanket like Su Xiaoyu.

"Xu Yang, do you want some water?" Lin Jingjing asked.

"Mmm, let's drink together?" Xu Yang looked at Lin Jingjing.

"No need... you drink it. I'll get you some water," Lin Jingjing said.

Seeing Lin Jingjing bring the water to him, Xu Yang felt that his life had returned to normal.

See, Jingjing treated him the best.

As for Su Xiaoyu, that cute little dog, she would not show him her long legs.

There was no need to mention Xia Wanqiu. Ever since he came in, Xia Wanqiu had never greeted Xu Yang. This was not because she was rude, but because she had been talking to Lin Fan.

The public display of affection between Lin Fan and Xia Wanqiu made Xu Yang doubt his life.

Looking at Jingjing's long and fair legs, Xu Yang could not help but smile happily.

It was best to be by Jingjing's side!

"If you spread dog food everywhere, the dogs won't have anywhere to live," Su Xiaoyu complained. "In that case, I should stay by Master's side."

Su Xiaoyu sat beside Lin Fan and inadvertently removed the blanket, revealing her snow-white slender legs.

It had to be said that Su Xiaoyu's figure was amazing. Although her breasts were a little small, her other body parts were amazing.

Although Su Xiaoyu was a foodie, she usually liked to eat things like cucumbers and bananas.

Usually, Su Xiaoyu would prepare these fruits and vegetables to eat.

Beside Lin Fan, Su Xiaoyu didn't deliberately cover her long legs.

Xu Yang looked at the blanket silently.

He felt the difference in his life.

Forget about being stuffed with dog food by Xia Wanqiu.

Even Su Xiaoyu treated him differently.

Why was he... so miserable?

Chapter 133 Xia Wanqiu's Face Turned Red. Was She Too Proactive? __

"~ ~" Xia Wangiu looked at Lin Fan.

"Hmm?" Lin Fan smiled brightly and looked at the girl beside him.

"Stupid Lin Fan, you're too close to me," Xia Wanqiu said aggrievedly. Her face was slightly red. The sofa was originally very big. She sat in the corner and Lin Fan sat beside her.

"Aren't there many people on this sofa?" Lin Fan smiled.

"But... I keep feeling like you're bullying me," Xia Wanqiu said.

Lin Fan knocked Xia Wangiu's head. "Tell me, how did I bully you?"

When Xia Wanqiu heard that, she glared at Lin Fan and took a small bite.

Ahwooh!

When a cat was fierce, it would bite too.

Lin Fan was already so close to her. Wasn't this bullying her?

If there was a terrifying scene later, Lin Fan would pounce on her again.

In Xia Wanqiu's eyes, Lin Fan was such a bad person.

Lin Fan was bitten until it hurt and he hurriedly admitted defeat.

How could his cat bite him? "Qiuqiu," Lin Fan said softly as he looked at Xia Wanqiu. "Fierce!" Xia Wanqiu exploded and looked at Lin Fan warily. When did Lin Fan's way of addressing her change to be so mushy and intimate?

"Do you want to eat vegetable salad? I made something even better tonight." Lin Fan smiled.

"Mmm ~" Xia Wanqiu nodded.

"I need a reward before I can get you the vegetable salad," said Lin Fan as he gently leaned his face over.

Xia Wanqiu's face was red. She didn't seem to be Lin Fan's girlfriend yet. Since when did Lin Fan dare to push his luck like this?

At this thought, Xia Wanqiu tapped Lin Fan lightly with her finger.

"Stupid Lin Fan, we're already like this and you still want a reward. Shameless," Xia Wanqiu said softly.

"There's no reward? Then I'll get one myself." Lin Fan was about to lean forward.

"No!" Xia Wanqiu blushed.

She said something that made Lin Fan even more unable to take it.

If Xia Wanqiu said no or I don't want to, it would be normal.

But she said, "There are many people here."

Then, Xia Wanqiu retracted her head and said gently.

Lin Fan's eyes lit up.

He could not resist it.

Didn't this mean that as long as there were fewer people, he could ask for rewards?

It was this small action that Xu Yang saw.

After all, Xu Yang still liked Xia Wanqiu. He was also a loyal person.

Even though he had withdrawn from the competition, it was still difficult to forget Xia Wanqiu's words.

Xu Yang had only wanted to come to Lin Fan's house to have a feast.

But he saw Lin Fan and Xia Wanqiu's small actions.

Xu Yang felt that the world had turned gray, even though there was a beauty beside him.

Lin Fan looked at the girl in front of him and felt his entire body heat up.

This wasn't his fault. Lin Fan wasn't lecherous, but in front of such a beautiful cat, he really couldn't take it.

Furthermore, Xia Wanqiu was wearing the same clothes as Su Xiaoyu today. They were both wearing short skirts, revealing their slender, snow-white long legs.

Her figure was perfect, even better than Su Xiaoyu's.

She had a voluptuous chest, slender waist, beautiful and outstanding face, and such perfect acting skills. Most importantly, she was so charming.

"If you want to eat vegetable salad, come and wheedle," said Lin Fan with a smile as he looked at Xia Wanqiu.

Xia Wanqiu blinked and made a cute cat's paw. Her face was shy as she said coquettishly, "Meow, meow?" A sweet voice rang out, penetrating straight into one's heart.

Lin Fan felt like his life had become different.

Such a voice and such a girl acting coquettishly in front of Lin Fan. Just this alone made Lin Fan submit to her.

There was no other way. His wife was too beautiful and he could not take it.

The key was that Lin Fan wanted Xia Wanqiu to wheedle and give her a vegetable salad, so she really did as he said.

"Go on, I want to eat." Xia Wanqiu held Lin Fan's arm with both hands and said softly.

"Mmm, I'll go get it for you," said Lin Fan with a smile. He picked up a blanket and covered Xia Wanqiu's long legs.

The main thing was that Xu Yang was also sitting on the sofa. It would not be good if Xu Yang saw it.

Xu Yang only needed a beauty like Lin Jingjing to accompany him. The cat was his.

When Lin Fan returned, he was holding a vegetable salad. He looked at Xia Wanqiu and smiled brightly.

Then, Lin Fan silently moved the blanket that was draped over Xia Wanqiu's long legs towards her stomach. More parts of her long legs were revealed.

Xia Wanqiu: "???"

She understood everything.

How could he be so direct...

If he wanted to see it, he could tell her. She could wear such clothes to Lin Fan's house every day.

Or she could change into such clothes after coming to Lin Fan's house.

So Lin Fan was actually so shameless.

He liked to look at girls' long legs and didn't want other boys to see them.

Xia Wanqiu pretended that nothing had happened. Her beautiful eyes looked at Lin Fan and she asked gently, "Do you want to see?"

Hearing Xia Wanqiu's voice, Lin Fan smiled deliberately and said, "See what? I'm just afraid that you'll get hot."

Xia Wanqiu blinked and smiled sweetly. "Oh, I'm indeed a little hot."

Xia Wanqiu moved the blanket on her body up a little more.

Xia Wanqiu blushed.

She was still a little hesitant.

Was she being too proactive by doing so?

Was she not reserved enough?

Then, Lin Fan took off the thick blanket on Xia Wanqiu and changed it to a thin blanket. He gently covered Xia Wanqiu's long legs.

Xia Wanqiu glared at Lin Fan.

"Stupid pig trotter, blockhead, scum!" Xia Wanqiu said softly. This time, she did not take the initiative to remove the blanket.

She had already taken the initiative but Lin Fan still didn't appreciate it.

"You won't be hot after I cover you with this," said Lin Fan with a smile. Of course, he knew that if he took off the blanket, he could see Xia Wanqiu's long legs, but he wasn't that kind of person.

He wanted to see it, but that didn't mean he would look at it like this.

Furthermore, the air conditioner in the villa was switched on. It would get cold over time.

This could also prevent a wardrobe malfunction.

Lin Fan had always been a good person. He rarely looked at other girls' long legs except for his cat's.

Looking at how Lin Fan behaved, Xia Wanqiu's heart warmed.

She had always known that Lin Fan was such a person.

Even if she and Lin Fan were sleeping on the same bed, Lin Fan wouldn't take advantage of her.

When they were filming the kissing scene in Joy of Life, Lin Fan could have deliberately Nged more than ten times or even dozens of times. As long as the filming wasn't good, the kissing scene would have to be filmed again.

But the kissing scene between her and Lin Fan was over in one take.

He had always been such a person. This was also one of the reasons why Xia Wanqiu had a good impression of Lin Fan. He wasn't like other men who would always look at girls' long legs.

Lin Fan looked at Xia Wanqiu and adjusted the position of the blanket for her. He said softly, "The main thing is that my cat is too pretty. If I don't cover her with a blanket, I won't have the mood to watch Joy of Life's finale later."

Xia Wanqiu blushed and glared at Lin Fan.

Lin Fan thought that Xia Wanqiu would be angry, but her reaction exceeded his expectations.

Xia Wanqiu was a little shy and lowered her head. She was wearing a skirt and her legs were together. When she sat down, she would not expose herself.

Xia Wanqiu smiled sweetly and moved all the thin blankets off her body and put them to the side.

"Actually... you can see it."

"You can see it anytime you want. You'll have to overcome it in the future ~"

Chapter 134 A Peak Work Is Born In Front Of Everyone's Eyes!

At this moment, Xu Yang passed by from behind.

He held a plastic cup and planned to get some water to drink.

He happened to hear Xia Wanqiu's fierce words.

He could look at it anytime he wanted...

And he would have to overcome it in the future.

Xu Yang could not help but drop the cup in his hand and he was completely unaware even when it hit his foot.

So Lin Fan and Xia Wanqiu had already reached this stage?

This f*ck...

Xu Yang felt that his mentality had collapsed.

However, he had to work hard and be strong. He could not be defeated by the dark forces.

Damn it, he was here to watch television, but he was stuffed with so much dog food.

If he was still in the same crew for his next movie, how could he survive...

Xu Yang could imagine how Lin Fan and Xia Wanqiu would show off their love after they were really together.

At that time, the entire world would probably know how good their relationship was.

Lin Jingjing jogged over and helped Xu Yang pick up the cup. She asked in concern, "Are you alright?"

Xu Yang smiled bitterly and nodded. "I'm fine."

Lin Jingjing said worriedly, "But I think you don't look good."

Xu Yang took the cup and smiled. "I want some space to myself (Translator's note: The Chinese text for wanting some space to oneself is Jingjing, which is also Lin Jingjing's name)."

Lin Jingjing blushed. Xu Yang... wanted her?

Then, Lin Jingjing turned around and ran away shyly. She returned to Su Xiaoyu's side with an embarrassed expression.

Xu Yang wanted Jingjing, but wasn't she Jingjing? It turned out that Xu Yang had dropped the cup because he was thinking about her.

Xu Yang did want some peace and quiet. After being stuffed with so much dog food, who didn't want some peace and quiet?

However, Xu Yang did not know that his casual words had already made the girl who had a crush on him unable to sleep.

When Xu Yang returned, Lin Jingjing sat quietly beside him without saying a word.

"Jingjing, what's wrong? Why is your face so red? Do you have a fever?" Xu Yang touched Lin Jingjing's forehead and asked.

"Ah... I'm going to the washroom." Lin Jingjing stood up and jogged away.

Looking at Lin Jingjing's back view, Xu Yang complained, "How can she be sick? Xiaoyu, is there any fever medicine here? Prepare some medicine for Jingjing and a cold towel for her."

When Xu Yang looked at Su Xiaoyu, he realized that she had fallen asleep like a dog with half a cucumber in her hand.

Lin Fan and Xia Wanqiu were showing off their love. Lin Jingjing was flirting with Xu Yang. Xu Yang was stimulated by the couple and only Su Xiaoyu was sleeping soundly.

The world of dogs was always so simple and full of fun.

As for showing off their love, she was already a dog. Why would she be afraid of being stuffed with dog food?

No matter how much dog food there was, Su Xiaoyu would eat it all.

If it wasn't for the grand finale of "Joy of Life", Su Xiaoyu would have already returned to her room to sleep.

The dog's daily life consisted of eating big meals, sleeping, and watching television ~

If one asked Su Xiaoyu how she was going to live like this and who would support her in the future, they had to consider that she was so beautiful, did she need to worry that no one would support her in the future? Furthermore, she had a father who would give her hundreds of millions of yuan in pocket money.

Such a rich lady was beautiful, pure, and cute. She was simply like a female lead.

Lin Fan stood up and patted Xu Yang's shoulder silently. "Jingjing isn't sick. I feel like you're sick."

Xu Yang: "???"

Xu Yang felt that his EQ had always been high. Was there a problem with him caring about Jingjing's health? How could he be sick?

At that moment, Xu Yang felt that he knew nothing about life.

Lin Jingjing's face was so hot. What else could it be other than a fever?

Xu Yang sighed. He did not understand the people around him. Everyone was drunk but he was the only one sober.

It seemed like he had to find a time to teach Lin Fan medical knowledge.

After a while,

Lin Jingjing returned and her face was no longer red.

At this moment, Xu Yang patted his chest and said, "Look, I just felt like she had a fever. She'll be fine after washing her face. Your body can't be too tired. Jingjing, you have to rest too."

Lin Jingjing nodded gently and did not say anything

Lin Fan and Xia Wanqiu looked at Xu Yang silently.

This child was hopeless.

Xu Yang had a high IQ and a high EQ, but his EQ in love seemed to be negative.

Finally, it was almost ten at night.

The finale of "Joy of Life" was about to start airing

Lin Fan and Xia Wanqiu sat together on the sofa, preparing to watch television.

This was their first television drama together, and also Xia Wanqiu's first relationship scene.

But unfortunately, because the script for Joy of Life was too long, the 46 episodes of the first season ended on a cliffhanger and did not complete the story of Joy of Life.

Due to the lack of investment funds, they were unable to finish filming the second season's finale.

Many television dramas and even cartoons might end halfway through.

For example, "Homer and Landau- Hero's Comeback", and "The Black Troop of the Divine College".

However, today, Joy of Life was going to broadcast the finale of the first season. It was also worth looking forward to.

The last three episodes including the finale would be broadcasted at the same time.

In this episode, there were not only Lin Fan and Xu Yang's scenes, but also Lin Fan and Su Xiaoyu's scenes. There were also the sweet and kissing scenes when Lin Fan and Xia Wanqiu parted ways.

Many scenes were mixed together, which made countless fans tempted.

Under the comments section of Tencent Arts and iQiyi, there were already countless fans leaving comments. "Ah ah ah, I want to watch the finale, why aren't you updating it?"

"I'm already extremely tempted just by looking at the preview. The sweet kissing scene between the male and female leads. This is our Qiuqiu's kissing scene."

"Lin Fan and Su Xiaoyu's scenes are also worth looking forward to. Also, Lin Fan and Xu Yang are the kings of the acting world."

"Hurry, hurry, hurry. I'm waiting for the update, the melon seeds and beer are ready." "I'm looking forward to the finale of Joy of Life. I'm looking forward to Lin Fan!"

– We

There were too many fans waiting in front of the screen for 10 pm.

“Joy of Life” had been broadcasting for so long. Because the copyright was well protected, there were no pirated versions.

Initially, Tencent Arts and iQiyi wanted to broadcast it ahead of schedule but Lin Fan rejected them.

No matter what, Lin Fan would maintain his original intention.

The television dramas he filmed were all screened for the audience. It was enough for the audience to become a member and not waste the audience’s money.

Lin Fan wouldn’t do something like asking for an additional fee after the audience signed up to be a member.

Under Lin Fan’s strong objections, the two companies didn’t broadcast Joy of Life ahead of schedule.

Therefore, it was not until tonight that the finale of this drama was officially broadcasted.

Finally, at 10 pm, it was updated.

Tencent Arts and iQiyi broadcasted the finale of “Joy of Life” at the same time.

Even Yuehua’s staff, Director Lu Benkai, Producer Liu Mou, CEO Li, and the various big celebrities were all paying attention to the finale.

They all had inexplicable confidence...

When the finale of “Joy of Life” was broadcasted, this television drama would definitely be able to create the peak of television dramas in Chinese history!

A masterpiece was about to be born!
