

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 185-189

Chapter 185: From Today Onwards, You Are My Girlfriend

In a hospital.

When Lin Fan woke up, he felt much more energetic.

Although Lin Fan had the system, the main function of the system was to let Lin Fan experience life.

Being hit by a car would hurt him. Being sick would weaken him. Everyone would be like this. Lin Fan wasn't Superman, so he wasn't an exception.

Lin Fan had already woken up and hadn't opened his eyes.

Thinking about how he hadn't gotten Xia Wanqiu's answer, Lin Fan felt a little regretful.

If only he could last a little longer.

He just had to wait a few more seconds for Xia Wanqiu.

He confessed to Xia Wanqiu.

He had not received Xia Wanqiu's response or even seen her expression.

He even proposed to Xia Wanqiu.

After he fainted, the proposal was ruined.

The most important thing about proposing was the sense of ceremony. Being with the person she loved, she usually wouldn't refuse.

Lin Fan waited for such a good opportunity but he fainted because of his discomfort.

Lin Fan had lost such a good opportunity. Of course, he regretted it.

Damn it, he was so close to wooing Xia Wanqiu.

At least he could see the change in her expression and see her attitude towards his confession.

In reality, Lin Fan wasn't confident that he could woo Xia Wanqiu.

After all, he was a little nervous about proposing to Xia Wanqiu.

What if he had misunderstood Xia Wanqiu all this while?

If he had received Xia Wanqiu's response back then, Lin Fan wouldn't have had to do this.

Lin Fan touched his pocket and realized that his suit had been taken off. He was wearing hospital pajamas.

Furthermore, Lin Fan realized that he had lost his box.

There was a diamond ring and necklace worth hundreds of thousands in the box. They were to be used to propose to Xia Wanqiu.

If he lost them, how could he propose to Xia Wanqiu?

Lin Fan didn't know where the diamond ring and necklace had gone. After all, there were many people at the scene. Someone might have taken the opportunity to pick them up.

When Lin Fan opened his eyes, he saw a beautiful girl in front of him.

She was... Xia Wanqiu.

When his vision gradually cleared, Lin Fan saw Xia Wanqiu.

Xia Wanqiu was still so beautiful. Her eyes were looking at him, and her eyes were clearly filled with excitement.

“You’re awake?” Xia Wanqiu looked at Lin Fan and smiled sweetly.

“Mmm, I’m awake.” Lin Fan looked at Xia Wanqiu and smiled.

When he saw Xia Wanqiu’s face, Lin Fan couldn’t hold it in anymore.

He had already lost a chance. Now that he had finally woken up, he naturally could not miss it again.

Taking this opportunity, Lin Fan held Xia Wanqiu’s hand.

Looking at the girl in front of him, Lin Fan didn’t want to hold back anymore.

“I like you.”

“You haven’t replied to what I said yesterday.” Lin Fan held Xia Wanqiu’s hand and asked directly.

At this moment, men had to take the initiative.

Lin Fan wouldn’t let go of this opportunity again.

Feeling the warmth of the girl’s hand, Lin Fan could really feel Xia Wanqiu’s existence.

It was great to have her around.

Xia Wanqiu’s face was slightly red as she looked at Lin Fan.

This blockhead’s first words after waking up were to confess to her again.

Xia Wanqiu looked at Lin Fan with her beautiful eyes and retracted her hand that was held by Lin Fan. She said, “Take it back. You’re not allowed to say it anymore.”

Hearing Xia Wanqiu's reaction, Lin Fan was stunned.

He even had some doubts about himself.

Could it be that Xia Wanqiu did not like him?

Or rather, Xia Wanqiu did not have him in her heart.

He was overthinking everything.

Being rejected by a girl like this, Lin Fan's thoughts would naturally run wild.

Then, Xia Wanqiu spoke again. "No, I like you."

After Xia Wanqiu finished speaking, she became even shyer. A blush appeared on her beautiful face and she lowered her head.

This was also her first time confessing to Lin Fan.

Lin Fan was immediately angry.

So this was what that detestable woman wanted.

Did she want to fight for the initiative?

He was the one who liked this woman first.

Lin Fan was almost deceived again.

Lin Fan said seriously, "I liked you first. I liked you since high school."

Xia Wanqiu acted like a kitten. She wore a cat ears hat and said to Lin Fan, "Meow meow? Hmph, I've liked you since junior high."

Lin Fan refused to admit defeat. "Then I've liked you since elementary school!"

Xia Wanqiu looked very fierce as she looked at Lin Fan. "You didn't even know me yet in elementary school. Tell me, who did you like in elementary school?"

Lin Fan had a bitter expression on his face. "I was wrong, but I like you more than you like me."

Xia Wanqiu snorted. "No, I clearly like you the most."

Xu Yang stood at the door and was about to deliver lunch to Lin Fan when he heard this scene.

Xu Yang: "F*ck... my mentality has collapsed."

Xu Yang felt like vomiting blood.

What kind of f*cking words were those?

In the past, Lin Fan and Xia Wanqiu were quite reserved when they showed off their love.

The two of them had simple interactions at most.

Even if they were filming a kissing scene, it was necessary for the plot of a television drama. Xu Yang could still accept it.

In the past, Xu Yang still had some fantasies.

Maybe Lin Fan and Xia Wanqiu were acting. He might still have a chance.

In the past, Lin Fan and Xia Wanqiu's public displays of affection only caused Xu Yang dozens of health points.

Then, the critical hit now had caused tens of thousands of damage to a single dog like Xu Yang!

After all, they had always been very reserved in the past.

Now, they were too direct!

It was too domineering!

It was too shocking!

Xu Yang felt like he had been hurt thousands of times after hearing them say I like you to each other repeatedly.

This was like an arrow that pierced through Xu Yang's weak heart.

How could they show off their love like this?

Xu Yang felt very bitter.

When had he ever been so bitter?

Xu Yang decided to stand at the door and wait for the two of them to finish showing off their love before entering. The two of them had already shown off so bluntly that Xu Yang felt like he was already immune to all poisons.

Could Lin Fan and Xia Wanqiu have sex in the hospital?

Xu Yang was not afraid. No matter how much they showed off their love, it would never hurt him anymore.

Lin Fan looked at Xia Wanqiu and smiled brightly. "Then what's our relationship now?"

Looking at such a beautiful girl, Lin Fan's heart melted.

He had worked hard for so long and liked her for so long. Everything had finally come to fruition.

He had been waiting for this day for a long, long time.

Right now, Lin Fan only wanted to hear Xia Wanqiu promise him.

In that case, their relationship would be officially confirmed.

The blush on Xia Wanqiu's face deepened. She sat beside Lin Fan and said softly, "What do you think?"

Lin Fan said without hesitation, "I announce that from today onwards, you are my girlfriend."

1

Xia Wanqiu raised her beautiful eyes and looked at Lin Fan. Her eyes were filled with fondness as she nodded gently.

"Mmm ~ ~ ~"

Chapter 186: Official Announcement!

Xu Yang, who was standing at the door,:" ..."

It seemed like he had underestimated Lin Fan and Xia Wanqiu.

They had f**king... confirmed their relationship.

From today onwards, Xu Yang knew that he could no longer have any designs on Xia Wanqiu.

In the future, Xia Wanqiu would be Lin Fan's woman.

This way of showing off their love had refreshed Xu Yang's understanding.

Xu Yang just wanted to call Jingjing over.

1

Only with Jingjing by his side could Xu Yang calm his injured heart.

...

After Lin Fan heard that, his eyes lit up.

“Then, wife, come and give me a hug,” said Lin Fan with a smile.

Xia Wanqiu pouted and glared at Lin Fan. “Fierce! You’re not allowed to hug me.”

Lin Fan: “???”

Xia Wanqiu: “I’m your girlfriend, but you can’t bully me casually. It’s the same even if we get married in the future.”

Looking at Xia Wanqiu behaving like this, Lin Fan smiled. “We’ll get married in the future?”

Xia Wanqiu blushed. “Ah ah ah... bad person!”

Lin Fan sighed and said, “Wanqiu, I lost the ring I wanted to give you. I originally wanted to propose to you. This way, I can kill two birds with one stone and skip the girlfriend stage to make you become my wife.”

Xia Wanqiu looked at Lin Fan. “Dream on.”

“Also, you didn’t lose the ring. It’s on my hand and I’m wearing the necklace. Do you think it looks good?” Xia Wanqiu looked at Lin Fan with her beautiful eyes and extended her hand.

Lin Fan held Xia Wanqiu’s hand and looked at the diamond ring on her finger. His heart felt warm.

This silly girl had even put on the diamond ring.

This meant that in her heart, she had already tacitly agreed.

Only married girls would wear a diamond ring on their left ring finger.

If she went out to film endorsements or attend events, any boy who saw her would not woo her anymore.

On Xia Wanqiu's left ring finger was the diamond ring Lin Fan had given her.

In the eyes of others, this meant that Xia Wanqiu was already Lin Fan's wife.

In this way, those who wanted to woo her would never approach her again.

Lin Fan held Xia Wanqiu's hand and looked at the diamond ring on her hand. Then, he looked at the necklace around her neck and smiled brightly. "It's very pretty. After wearing the ring, you'll be my fiancée."

Xia Wanqiu shook her head and said, "No, you still have to go through my parents. My parents have very high expectations for their future son-in-law."

Xia Wanqiu said sincerely, "My parents have really high expectations, so I'm not your fiancée yet."

Lin Fan looked at Xia Wanqiu and said, "What if I can't get past your parents?"

Xia Wanqiu gently leaned on Lin Fan's shoulder and said seriously, "Then I'll... elope with you ~"

When Lin Fan heard that, he felt like his heart was really going to melt.

Xia Wanqiu leaned on his shoulder. Lin Fan's hand slowly moved up, wanting to hug her waist.

It would be good to elope with her.

How could Xia Wanqiu be so sweet?

Lin Fan's hand gently wrapped around Xia Wanqiu's waist and felt the warmth of her skin.

Was this... the feeling of being in love?

Lin Fan hadn't felt it for long when Xu Yang walked in.

Su Xiaoyu and Lin Jingjing were also outside.

"Xu Yang, what are you standing at the door for?" Su Xiaoyu skipped towards Xu Yang.

"Lin Fan and Xia Wanqiu were talking, so I didn't go in first," Xu Yang said with a smile.

"Lin Fan is awake? Then we have to go in and take a look. He hasn't eaten in a long time. He should be very hungry," Lin Jingjing said.

"Master, Master, how are you feeling?" Su Xiaoyu walked in and saw Lin Fan and Xia Wanqiu together.

"I'm almost done," Lin Fan said with a smile. He quietly let go of Xia Wanqiu's waist.

"That's good. Master, it's time for lunch. You must be very hungry," Su Xiaoyu said.

"It's alright." Lin Fan smiled. "How's Ranran? Help her arrange to go to school. I happen to have a school district house in Begonia Garden. It'll be convenient for her to go to school near there.

Su Xiaoyu nodded. "It's all arranged. Ranran has already gone to school and we've bought her a new phone. She'll be back during the holidays."

Lin Fan nodded and started eating his lunch.

After lunch, Lin Fan's stamina had recovered a lot.

In the afternoon, the doctor had already removed the bandage on Lin Fan's forehead.

After all, it was just a scratch. It was not a big deal. He would get better slowly. He did not need to be hospitalized.

The first time Lin Fan fainted was mainly because of the impact of the car accident.

The second time, he fainted when he confessed. That was because Lin Fan had stayed up all night previously and didn't have a good rest.

The current Lin Fan was completely fine.

In the afternoon, the discharge procedures were officially completed.

After being discharged, Su Xiaoyu, Lin Fan, Xu Yang, and Lin Jingjing walked together.

Xu Yang hugged Lin Fan's shoulder and asked, "Brother, are you really together with Xia Wanqiu?"

Lin Fan smiled. "Yes."

Xu Yang patted Lin Fan's back. "Then you must take good care of her in the future. You can't let her be bullied. Everyone dotes on Wanqiu in Yuehua. If she's bullied, everyone won't let you off."

Lin Fan smiled brightly and said, "Don't worry. With me around, no one can bully her. As for you, when will you be able to woo Jingjing?"

Xu Yang said, "Stop it. Things haven't even started yet. Although my relationship with Jingjing is better, it's not to that extent."

Lin Fan said seriously, "What do you mean by that? Jingjing is quite a nice person. Furthermore, she treats you very specially. Even I can tell that. Can't you, a veteran in dating, tell?"

Xu Yang was furious. "Get lost. I'm not a veteran in dating. On the other hand, you managed to woo Xia Wanqiu. You have to celebrate this kind of good thing with me. At least treat me to a big meal. It's not too much, right?"

Lin Fan smiled. "Of course."

Xu Yang laughed. "That matter is set then. I shall make you spend a lot of money this time. Arrange for lobsters, abalones, bird's nest, and a few bottles of good wine. We won't go home until we're drunk. We haven't relaxed for so long. We have to relax now."

Lin Fan waved his hand and said, "It's just delicacies. How much could I possibly spend? The most expensive red wine, Romanée-Conti, is only a few hundred thousand dollars a bottle. It's not even as much as my daily interest."

Xu Yang: "..."

He had almost forgotten that Lin Fan was a tycoon.

Lin Fan was one of the investors of "The Legend of Sword and Fairy". He could earn a lot of money from it.

Furthermore, Lin Fan was the main actor and his salary wasn't low.

Xu Yang looked aggrieved. "How can we split the land between the tycoons? Forget it, let's eat some home-cooked food. I don't like abalones."

Lin Fan patted Xu Yang and said, "Don't worry, I'll definitely make a feast. When the time comes, invite Xiaoyu, Jingjing, and Wanqiu to my house. I'll make a super delicious feast for you guys. However, there's not much time to rest. We're about to film the second season of Joy of Life and the third season of the Legend of Sword and Fairy."

"The third season of the Legend of Sword and Fairy? What about the second season?" Xu Yang asked.

"We'll make the second season into a game and not film a television drama. We'll film the third season directly. The script for the third season is very interesting. We'll definitely be able to create another masterpiece." Lin Fan smiled.

He had no choice. He wanted to slack off too.

But now that he had a girlfriend and so many fans supporting him, it was difficult for him to slack off.

“Meow, meow?” Xia Wanqiu walked to Lin Fan’s side and looked at Xu Yang. Xu Yang walked away consciously.

“Wife, what instructions do you have for me?” Lin Fan smiled and held Xia Wanqiu’s hand.

“Mmm... I’m not your wife yet. The two of us are still the top trending topic on Weibo. The rumors about us have spread again.” Xia Wanqiu’s cheeks were slightly red.

“No, that’s not a rumor.”

“That’s the truth,” said Lin Fan with a smile. He picked up his phone and wrote a Weibo post.

“What are you posting?” Xia Wanqiu looked at Lin Fan and smiled sweetly.

“The official announcement of our relationship!”

Chapter 187: The Rest of My Life Is Yours. Xia Wanqiu Is Lin Fan’s Girlfriend!

When Lin Fan said this, he looked at Xia Wanqiu and waited for her opinion.

After all, he was no longer alone. He could not make some decisions alone.

He already had a girlfriend, and she was wearing the diamond ring he gave her.

Although she hadn’t officially agreed, in Lin Fan’s heart, Xia Wanqiu was his fiancée and would be his future wife.

“Mmm, let’s officially announce it~” Xia Wanqiu smiled sweetly, her cheeks slightly red.

Previously, no matter how many scandals they had, she and Lin Fan had never come out to defend themselves.

The first time she posted on Weibo, she only said that they weren’t together yet.

Now, the two of them had really gotten together.

“Wait, I’ll find a photo of us together,” Xia Wanqiu said and flipped through her phone.

“There’s no need to look for one. Let’s take a photo now.” Lin Fan smiled and looked at Xia Wanqiu.

“Mmm ~” Xia Wanqiu nodded.

Xu Yang, Lin Jingjing, and Su Xiaoyu all felt the aura of dog food.

Lin Fan and Xia Wanqiu were openly showing off their love.

They were bullying a group of single dogs.

Especially Xu Yang and Lin Jingjing, they were both hurt.

And the dog was used to it.

Under the sunlight, Lin Fan turned on his phone’s camera and took his first photo with Xia Wanqiu after they got together.

Lin Fan held Xia Wanqiu’s hand naturally. Xia Wanqiu gently leaned on Lin Fan’s shoulder. The warm sunlight shone down, and the maple leaves fell from the sky. The world seemed to freeze.

He pressed the camera. There were no beauty enhancements or filters. This photo was already the most beautiful.

Looking at Lin Fan and Xia Wanqiu’s photo, Su Xiaoyu revealed an envious expression.

1

“Ahwooh, it’s so pretty. It’s too sweet ~ Sister Wanqiu and Master are finally together!” Su Xiaoyu said excitedly.

“That’s right. How can it be so sweet? Lin Fan and Qiuqiu are really compatible together. Even when they were taking photos together, they looked so good. The key is that Lin Fan is so handsome,” Lin Jingjing praised.

“I’m handsome too.” Xu Yang walked to Lin Jingjing’s side and said unhappily.

He had already been stuffed with dog food by Lin Fan and Xia Wanqiu. Now, even his handsomeness couldn’t compare to Lin Fan’s?

“Yes, you’re handsome too ~ but not as handsome as Lin Fan.” Lin Jingjing looked at Xu Yang and said with a smile. Her face was slightly red.

“Jingjing, don’t run. I’ll teach you a lesson,” Xu Yang shouted.

“Fine, fine. I’m telling the truth.” Lin Jingjing giggled.

Xu Yang sighed. “But when Lin Fan is with Xia Wanqiu, it feels really good.”

At the same time, Lin Fan and Xia Wanqiu posted the same photo on Weibo.

Lin Fan: “Official announcement, this is my woman, @Xia Wanqiu.”

[Xia Wanqiu: “Official announcement ~ ~ ~ I’ll spend the rest of my life with you, @Lin Fan.”]

Under their Weibo accounts, there was a photo of them from just now.

Lin Fan held Xia Wanqiu’s hand. Behind him were the setting sun and maple leaves. It was beautiful.

Xia Wanqiu leaned on Lin Fan’s shoulder again.

This scene melted the hearts of countless fans.

Just as he posted it, there were dozens, hundreds, and tens of thousands of comments under Lin Fan’s Weibo post.

“Ahhhh, it’s official!”

“Lin Fan and our Qiuqiu are really together. I’m crying. You have to have a blissful relationship!”

“Little thief, you have to take good care of our Qiuqiu. You can’t let our Qiuqiu be bullied.”

“I love it, I love it. How can Lin Fan be so handsome? You already have a girlfriend. Looks like I have no chance.”

“Lin Fan and Xia Wanqiu look so sweet together. They’re even sweeter than when they act in television dramas. I finally understand why the two of them act so well. They’re simply acting as themselves!”

There were already 100,000, 200,000, 300,000 comments under Xia Wanqiu’s Weibo post.

It was unknown how many fans were excited, and how many fans were already moved to tears.

Their favorite Lin Fan and Xia Wanqiu were finally together.

Before Lin Fan became famous, if Lin Fan and Xia Wanqiu were together, everyone would definitely object.

However, Lin Fan and Xia Wanqiu acted in two television dramas.

“Joy of Life” and “The Legend of Sword and Fairy”.

In these two television dramas, the first relationship scene was very sweet. Xia Wanqiu’s first kiss on screen was given to Lin Fan.

The relationship scenes in the second drama were even sweeter, but they were also very torturous. Xia Wanqiu and Lin Fan got married and every scene was acted perfectly.

The final ending was also deeply imprinted in the hearts of all the fans.

Xia Wanqiu died in Lin Fan's arms in the final ending.

The television series ended with such a scene. "The Legend of Sword and Fairy" was undoubtedly a tragedy. It was precisely because of the tragedy that it was deeply rooted in people's hearts.

All the fans were crying when they saw this television drama.

They only hoped that the scenes in this television drama were fake. They hoped that Lin Fan and Xia Wanqiu would really be together.

Now, they were really together.

Of course, television dramas were all fake.

However, through these two television dramas, many of Xia Wanqiu's fans had gradually acknowledged Lin Fan.

Of course, there were also some fans who didn't acknowledge Lin Fan.

Although Lin Fan had filmed two popular television dramas, his popularity couldn't compare to Xia Wanqiu's.

Xia Wanqiu was a true top celebrity in the entertainment industry.

During the livestream yesterday, Lin Fan gave Xia Wanqiu her most romantic birthday celebration.

Lin Fan had even saved two people and gotten into a car accident. Even so, he had to celebrate Xia Wanqiu's birthday with her and confess to her.

Lin Fan even prepared a necklace and ring.

Lin Fan's character was highly praised by the fans.

All the fans saw Lin Fan's actions.

These fans had already acknowledged Lin Fan.

Lin Fan was their idol and also their Prince Charming.

All the fans believed that Lin Fan had the ability to protect Xia Wanqiu.

"It's official!"

"Our Qiuqiu has to be happy."

"Lin Fan, this is Qiuqiu's first love. You have to take good care of her."

"Oh yeah, my idol Qiuqiu and Lin Fan are finally together. In the future, they'll probably be showing off their love to us."

At the same time, many celebrities commented on Xia Wanqiu and Lin Fan's Weibo posts.

Xu Yang, Lin Jingjing, Lin Kexin, Chu Yaoyao, and other celebrities were all blessing Xia Wanqiu.

Su Xiaoyu's comment was quickly pushed up.

"Sister Wanqiu and Master are going to be happy ~" After Su Xiaoyu finished commenting, she lay on the bed at home.

It was great that she could see the person she liked get together with her best friend!

The popularity of their Weibo posts was also rising rapidly.

Lin Fan and Xia Wanqiu's official announcement had already garnered tens of millions of popularity on Weibo!

At the same time, there was news of Xia Wanqiu and Lin Fan's official announcement in Douyin, Zhihu, and Bilibili.

The two of them were really together!!!

Chapter 188: The lethality of this dog food is a little too great!

Lin Fan's Bugatti was scrapped.

This Bugatti was a limited edition sports car. After it was scrapped, although his heart ached, Lin Fan could only shake his head.

Fortunately, he did not lack that bit of money now.

Lin Fan's garage still had a sports car worth hundreds of millions, the Koenigsegg One, and a Rolls-Royce Cullinan.

Lin Fan held Xia Wanqiu's hand and walked to the entrance of Blue Wave Bay.

Along the way, many people were taking photos.

But Lin Fan didn't need to hide it anymore.

There was no need for him and Xia Wanqiu to be careful every day lest they were discovered.

Now, she was his girlfriend.

After the official announcement, there would be no more scandals.

She was his woman. That was enough.

When they arrived at the entrance of the Blue Wave Bay district, a few security guards looked at Lin Fan respectfully.

"Brother Fan, good afternoon!" A security guard smiled.

“Mmm, good afternoon,” Lin Fan replied with a smile.

In the past, when he brought Xia Wanqiu to the Lake Heart Villa, he would always sit in a car, afraid that others would recognize him.

But now, he was not afraid.

In front of everyone, he held his beloved girl’s hand and walked in from the entrance of Blue Wave Bay.

“Brother Fan, your girlfriend is really pretty. She’s a real fairy who has descended to the mortal world.” The security guard couldn’t help but praise.

He knew Xia Wanqiu. When he saw her in reality, he knew that she was better-looking and had a better figure than on television.

He had such a beautiful girlfriend and many security guards were envious.

If they had such a beautiful girlfriend, who would go out in the future?

With such a beautiful wife, even the emperor would not want to attend morning court assembly.

“Thank you.” Lin Fan smiled and looked at Xia Wanqiu.

“Let’s go.” Xia Wanqiu looked at Lin Fan.

“Mmm, let’s go home.” Lin Fan held Xia Wanqiu’s hand. He felt very blissful.

When they reached home, Lin Fan and Xia Wanqiu sat on the sofa.

After they were a couple, they could do strange things together.

His wife was so beautiful that Lin Fan couldn’t take it.

The two of them just sat together and watched television dramas and movies. Unknowingly, it was already night time.

“Wanqiu, why don’t... we go to sleep?” Lin Fan looked at Xia Wanqiu and smiled brightly.

Xia Wanqiu’s pretty face was slightly red. “No way. Stupid Lin Fan, you only know how to bully me. That kind of thing... can only be done after we get married.”

Lin Fan laughed and said, “I didn’t say we were going to do that. I just want you to sleep. It’s getting late.”

Xia Wanqiu glared at Lin Fan fiercely. “Stupid Lin Fan, be careful or I’ll bite you. Even if you’re my boyfriend, you can’t bully me like this. Today’s reward is gone!”

Lin Fan: “???”

There was a reward? Why didn’t you say so earlier?!

Xia Wanqiu smiled sweetly and lay gently in Lin Fan’s arms. She looked at Lin Fan and said seriously, “Lin Fan, I like you.”

Lin Fan touched Xia Wanqiu’s cheek and nodded. “Mmm, I know.”

Xia Wanqiu smiled happily. “Lin Fan, because of this, we have to work hard together in the future and become better together. We can’t stop working hard just because we’re together.”

“My father has very high expectations for my other half, so Lin Fan... no matter what, you have to get my father’s approval before we can really get married in the future.”

“So, you have to work hard too. I don’t want to marry anyone other than you,” Xia Wanqiu said.

Looking at such a girl, Lin Fan’s heart skipped a beat.

Was there anyone who said sweet nothings like that?

How could he stand it?

A girl said in front of him that she did not want to marry anyone else other than him.

Lin Fan had always had a slacker mentality. It was indeed good to lie at home and collect rent.

Xia Wanqiu's words today made Lin Fan realize that he couldn't just stay in his comfort zone like that.

He had a girlfriend now, so he had to work hard.

At the very least, he had to obtain Xia Wanqiu's parents' approval.

He could not really elope with her.

Lin Fan nodded seriously and said, "Wife, of course I'll work hard and get your parents' approval. Your parents will be my parents in the future, won't they?"

Xia Wanqiu smiled cutely. "Meow, meow ~"

"Also, I'm not your wife yet ~"

"It's fine. You will be in the future."

"Hmph, that's not the case now."

"You're already wearing the ring I gave you. You're my future wife, unless you take it off."

"Scumbag, I'm not taking it off ~"

....

Just like that, Xia Wanqiu slept in Lin Fan's house.

What was worth mentioning was that Lin Fan and Xia Wanqiu still wouldn't be too intimate.

Lin Fan and Xia Wanqiu wouldn't have premarital sex.

No matter how close they were, they had to wait until the day they got married.

The two of them gave each other their most precious things and mixed them together. That was the most blissful thing.

Even if Xia Wanqiu was Lin Fan's girlfriend, the two of them were only limited to holding hands. Occasionally, they would hug or at most kiss each other on the forehead. They had never even kissed each other on the lips before.

1

The next day, Yang Qing came to pick Xia Wanqiu up to work. The recording of the game endorsement for "The Legend of Sword and Fairy" was about to begin.

"Lin Fan, I'll get going first." Xia Wanqiu looked at Lin Fan reluctantly.

"Mmm, go ahead. Stay safe on the road," said Lin Fan with a smile. He helped Xia Wanqiu put on her hat, afraid that she would catch a cold.

"But..." Xia Wanqiu pouted and looked at Lin Fan.

"What's wrong?" Lin Fan smiled gently.

"I want a hug," Xia Wanqiu said shyly with a blush.

Lin Fan walked forward and hugged Xia Wanqiu.

Her figure was very proportionate. Even if she didn't open her arms, Lin Fan could still hug her completely.

Lin Fan gently kissed Xia Wanqiu's forehead. "I'll pick you up tonight."

Xia Wanqiu blushed. "No, otherwise others will think that we're living together."

Lin Fan smiled and said, "Mmm, I know. Then tell me when you want to come."

Xia Wanqiu nodded and finally left reluctantly.

Beside her, Yang Qing, Xia Wanqiu's manager, felt that she had no love in life.

Damn it. She was already in her thirties and had yet to find a boyfriend. Every day, she would watch Lin Fan and Xia Wanqiu show off their love.

In the past, before the two of them got together, Yang Qing could still say a few words to let Lin Fan and Xia Wanqiu restrain themselves.

Now that the two of them had officially announced that they were really together, Yang Qing could not say another word.

After all, Lin Fan and Xia Wanqiu were a true couple.

Even if there were rumors, they were fearless.

It was just that... the lethality of this dog food was a little too great!

Chapter 189: Facing Everyone As A Couple

After Lin Fan and Xia Wanqiu made an official announcement, Lin Fan and Xia Wanqiu could be seen everywhere in Yuehua Entertainment.

Hence... all the employees of Yuehua Entertainment were eating Lin Fan and Xia Wanqiu's dog food.

And today, Yuehua Entertainment received a huge piece of news.

“Brother Fan, our ‘The Legend of Sword and Fairy’ has been nominated for the China Television Golden Eagle Award! Tomorrow is China Television’s Golden Eagle Festival. It’s a national comprehensive television art award organized by the Chinese literary and art industry and the China Association of Television Artists. This is a national television art award.”

“The Legend of Sword and Fairy, Star Garden, Joy of Life, and some other outstanding television dramas have all been nominated!”

“Brother Fan, the two television dramas you filmed have already been noticed by the country. Also, China’s Golden Eagle Festival has officially invited our company’s artistes, Brother Fan, Xia Wanqiu, Su Xiaoyu, Xu Yang, and Lin Jingjing. They’re going to attend the award ceremony, walk the red carpet, and take photos and autographs,” Lin Qianwei said.

She was Lin Fan’s manager and she was responsible for these things.

This time, Yuehua Entertainment was really popular.

The popularity of “The Legend of Sword and Fairy” and “Joy of Life” received official attention.

The Golden Eagle Award was a top-tier award in the country and the award ceremony would officially begin tomorrow!

This symbolized affirmation of the various television dramas and actors.

It also symbolized glory!

The annual Chinese television Golden Eagle Festival would be officially held tomorrow night!

After Lin Fan and Xia Wanqiu officially announced their relationship, almost no one on the Internet objected.

In their eyes, Lin Fan and Xia Wanqiu were the most compatible. No one could replace them!

“Sure. Send me the time the ceremony would be held tomorrow and the corresponding procedures,” said Lin Fan.

“Alright.” Lin Qianwei nodded.

At the same time, everyone in Yuehua knew about this.

Everyone felt a little excited.

This was the China Television Golden Eagle Award!

One of the most authoritative awards in Chinese television dramas!

It was everyone’s honor to be able to step onto such a stage, and it was also the glory of an artiste!

“Oh my god, the China Television Golden Eagle Award. This represents the highest achievement in the industry.”

“Brother Fan’s scripts and television dramas, whether it’s ‘The Legend of Sword and Fairy’ or ‘Joy of Life’, have already been nominated.”

“D*mn, this is too awesome... Brother Fan is really popular now.”

“This is only the nomination for television dramas made in one year. Most importantly, the China Television Golden Eagle Award has the best actor or actress award and the most popular actor or actress award. Maybe Brother Fan can win an award!”

“If Brother Fan can become the best actor, wouldn’t he become the fastest person to become the best actor since his debut?”

“The award for best actor is very hard to get. Only by being recognized by the country and the audience can you become the best actor.”

...

The next day, Lin Fan looked at Xia Wanqiu in front of him and was a little tempted.

Today, Xia Wanqiu was wearing an evening gown. Her aura was unique and she was exceptionally beautiful.

Lin Fan smiled brightly and said, "It's really pretty."

Xia Wanqiu blushed. "Let's go. We're going to attend the gala."

Lin Fan nodded. "I never dreamed that one day, I would walk on the red carpet with you, be photographed by many media outlets, be interviewed together, and attend the Golden Eagle Festival with you."

Xia Wanqiu looked at Lin Fan and smiled sweetly. "No, I never dreamed that I would be able to be with you. In the future, I won't be afraid of anyone in the entertainment industry ~~~"

On the other side, Su Xiaoyu also came in a dress. Her figure was perfect. Other than her small breasts, she was beautiful in all other aspects.

Lin Jingjing and Xu Yang were also walking together.

"Alright, Master, stop showing off your love. You guys go in first. I want to see Master win an award today~~~" Su Xiaoyu waved her small fists and looked confident.

Lin Fan smiled and said, "The Golden Eagle Awards and the Flying Apsaras Awards have both become the two top Chinese television drama awards. The former represents the highest achievements in the industry. There are many outstanding television dramas this year. It's already good enough that I was nominated. I won't consider winning the award."

Su Xiaoyu shook her head. "Master, in Xiaoyu's heart, you're the most outstanding one. How can other television dramas compare to my master?"

Lin Fan smiled. To him, it was naturally better to receive an award.

The scripts for "Joy of Life" and "The Legend of Sword and Fairy" were written by him word by word.

If he could win an award here, it would be equivalent to obtaining everyone's approval.

It was just that it was too difficult to win an award at the Golden Eagle Festival.

Such an award had to be approved by everyone.

It was not enough to rely on viewership ratings.

It was naturally better if he could win an award. If he couldn't, he wouldn't lose anything.

At five in the afternoon, artistes had already started walking down the red carpet.

Lin Fan and Xia Wanqiu stood before the red carpet.

Lin Fan took a deep breath and didn't have any distracting thoughts.

Today, everyone would be watching.

As long as he stepped on the red carpet, he would be photographed by countless media outlets.

He was ready for this day.

The success of "The Legend of Sword and Fairy" received the approval of many viewers.

Then, let's see if "The Legend of Sword and Fairy" could obtain official recognition.

There were many big celebrities walking on the red carpet. There was also Director Lu Benkai, superstar Lin Kexin, superstar Chu Yaoyao, and all sorts of celebrities and directors.

Only the truly capable could enter this place. This place represented the highest glory of television dramas in the country.

This was a symbol of strength and glory.

Only those who were truly capable could come here to today's Golden Eagle Festival.

This place would definitely attract the attention of everyone in China!

Lin Fan and Xia Wanqiu walked onto the red carpet at the same time.

Very naturally, Lin Fan held Xia Wanqiu's hand and walked towards the center of the stage with a smile.

Many fans screamed and looked at Lin Fan and Xia Wanqiu.

Their idol, their Prince Charming, Lin Fan, was here!

The goddess in their hearts, who was also Lin Fan's girlfriend, Xia Wanqiu, also came here.

Countless reporters and media frantically pressed their shutters.

If not for the strict security here, these reporters would have rushed forward.

Other than that, there were also countless fans cheering outside.

Furthermore, at the same time, it was being broadcast live on television and the Internet!

As China's Golden Eagle Festival, it was also a very important day. It was broadcast live on all 28 Internet platforms and 12 television platforms!

Seeing Lin Fan and Xia Wanqiu walking together so sweetly, the crowd surged and there was only the sound of fast shutters.

This was the first time Lin Fan and Xia Wanqiu had attended an event together after the official announcement of their relationship.

For this event, the two of them held hands and faced everyone as a couple.

The entire Internet was in an uproar because of this scene!
