

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 190-194

Chapter 190: Su Xiaoyu Was Moved to Tears. It Was All Lin Fan's Credit!

"Lin Fan, Lin Fan, Lin Fan!"

"Oh my god, how can Lin Fan be so handsome!!"

"Boohoo, Lin Fan and Xia Wanqiu are so sweet. They're really a couple. They look so happy together. I seem to have returned to the time when I was watching the drama 'The Legend of Sword and Fairy'. Please get married on the spot!"

"Today is the Golden Eagle Festival. Brother Fan will definitely win the award!"

"The Legend of Sword and Fairy and Joy of Life are so good. I don't believe that Brother Fan won't win an award!"

"Ah ah ah, Lin Fan and Xia Wanqiu are holding hands. Sweet, sweet!!!"

Countless screams rang out.

There were no gaps in the comments on the live broadcast platform.

Many fans were already excited.

Today, they saw their idol again here!

When he reached the center of the red carpet, Lin Fan looked at the many celebrities and directors present and smiled.

Xia Wanqiu's face was slightly red as she stood beside Lin Fan. It was as if they had formed the most beautiful painting.

Lin Fan didn't know many of the actors present.

Lin Fan had never even seen Lin Kexin in person.

After standing steadily, before he could speak, the audience was already clapping.

There were many actors and celebrities present.

Although these people were celebrities, they also followed other celebrities and would usually watch dramas.

Many celebrities were fans of the Legend of Sword and Fairy and Lin Fan.

These celebrities also knew that Lin Fan was a master-level screenwriter. Every script he wrote could become extremely popular.

Other than that, Lin Fan was also a big director.

Director Lu Benkai was amazed by Lin Fan's work.

Many female celebrities present looked at Lin Fan, unable to shift their gazes away.

Especially the celebrities Lin Kexin and Chu Yaoyao. The two girls were very good friends.

They had seen many big celebrities before.

Today was also the first time they saw Lin Fan in real life.

"Wow... Yaoyao, how can Lin Fan be so handsome?" Lin Kexin looked at Lin Fan, her eyes seemingly shining with fanaticism.

"Kexin, you're the school belle of Beijing Film Academy. You're such a popular superstar. Pay attention to your image. But then again... Lin Fan is really super handsome!!!" Chu Yaoyao was the same, her eyes filled with excitement.

“I’ve seen Lin Fan’s ‘The Legend of Sword and Fairy’ before. At that time, I thought it was alright, but now that I’ve seen him in person, Lin Fan is super handsome. Yaoyao, I’ve decided. From now on, I’m Lin Fan’s fan ~” Lin Kexin said.

“I’m also Lin Fan’s fan. Boohoo, Lin Fan already has a girlfriend. We don’t have a chance anymore,” Chu Yaoyao said.

The moment Lin Fan appeared, he had already charmed the two girls.

Lin Kexin was the school belle of Beijing Film Academy back then. There were countless boys wooing her in Beijing Film Academy but she had never agreed to or even praised a boy like this.

The main thing was that Lin Fan was too handsome. She couldn’t help it.

It wasn’t just Lin Kexin and Chu Yaoyao who were infatuated. Many female celebrities were the same.

“Ah ah ah, Lin Fan is really handsome.”

“He’s so handsome, so handsome. No one in the entertainment industry can compare to such a handsome superstar like Lin Fan.”

“The key is that Lin Fan is so awesome. He can clearly rely on his face to make a living, but he wants to rely on his acting skills.”

“Sigh, if I were a few years younger, Lin Fan would definitely be mine.”

Some female celebrities looked at Lin Fan and smiled.

Actually, the reactions of female celebrities were very normal. You could imagine how modern fans would react when they saw celebrities.

After all the artistes finished walking on the red carpet,

The host also started today’s official award ceremony.

“Everyone, our Golden Eagle Festival is an annual award ceremony. It’s the largest award ceremony in the country. There are outstanding actors, outstanding acting skills, amazing directors, and popular television dramas on the Internet here. Today, we will announce the first award, the Best Performing Arts Actress Award, Su Xiaoyu!”

When she heard the host announce it, Su Xiaoyu walked to the center of the stage.

All the cameras were focused on Su Xiaoyu.

Although Su Xiaoyu had acted in many dramas in the past, she had never received such an award.

Today, she did it.

Su Xiaoyu looked at Lin Fan with her beautiful eyes. She pursed her red lips and was a little happy.

Look, Master, if she worked hard, she could be so outstanding too ~

The Best Performing Arts Actress Award was mainly about Su Xiaoyu’s acting skills.

The host’s voice rang out. “The person who won the Best Performing Arts Actress Award for China’s Golden Eagle Festival is Su Xiaoyu. She acted as Haitang Duoduo in Joy of Life. Her superb acting skills have received countless praises. She acted as Lin Yueru in the Legend of Sword and Fairy and displayed what true acting skills are. She deserves to receive this award. Let us congratulate Su Xiaoyu together!”

At the same time, the atmosphere had already exploded.

Su Xiaoyu stood in the middle of the venue.

Su Xiaoyu’s fans were all cheering.

Xia Wanqiu, Lin Jingjing, and Xu Yang were all clapping excitedly.

This award was most suitable for Su Xiaoyu.

Her hard work for such a long time was worth this award.

Lin Fan smiled brightly. Everyone could see how hard Su Xiaoyu worked on set.

Under the applause, Su Xiaoyu's eyes turned red.

Su Xiaoyu's family did not lack money. Why would she want to be a celebrity?

She liked acting and being an actress.

She wanted to prove herself to the relatives at home. Without the help of her family, she could still do very well working alone outside.

She had never won an award.

When she was with Xia Wanqiu, it was as if all the glory was on her.

Today, she had everyone's approval.

The usually cute Su Xiaoyu revealed a sweet smile today.

She was usually very cute, but the smartest girl was also her.

The host looked at Su Xiaoyu and smiled. "Su Xiaoyu, this is the first time you've received such an award since you became an artiste. How do you feel now?"

Su Xiaoyu looked at Lin Fan and smiled.

She held her chest and bowed in Lin Fan's direction.

Everyone present fell silent.

Even the host was stunned.

After a long time, Su Xiaoyu looked at Lin Fan and smiled. "Everyone must know that I usually like to call Lin Fan Master because he's really my Master."

"In the past, my acting skills weren't that good. When I acted in Joy of Life, there were always many problems. It was Lin Fan who always encouraged me, supported me, and taught me."

"When I was acting in the Legend of Sword and Fairy, I was under a lot of pressure. I was afraid that I wouldn't be able to act the role of Lin Yueru well. It was Lin Fan who stayed up late with me every day to read the script and act with me. That was how I could produce such a perfect work."

"Compared to others, my acting skills are indeed not good, but I'm working hard. I've been working hard all this while, wanting to catch up to Sister Wanqiu."

"I never thought that I would be able to win an award one day."

"In the past, I always felt that I was just an ugly duckling. But ever since I met Lin Fan, he changed my life and changed me."

"I was able to receive the award because of Lin Fan."

"Today, I want to take this opportunity to say thank you to Lin Fan."

Su Xiaoyu smiled brightly, her tears blurring her face.

She was usually very cute, but she also had such a weak side.

After receiving the award, she silently walked down under everyone's gaze.

It was great that she had such a Master.

When Su Xiaoyu walked down, everyone's eyes were on Lin Fan again.

Many girls' eyes were filled with disbelief.

They knew that Su Xiaoyu had improved tremendously, but they didn't expect that all of this would be related to Lin Fan.

It was because of Lin Fan... that two classic television dramas were created!

It was because of Lin Fan that Su Xiaoyu could improve so much.

Lin Fan... was simply like a god!

He had created two classic television dramas in Chinese history.

He even brought "The Legend of Sword and Fairy" to a brand new height!

And all of this was related to Lin Fan!

Chapter 191: Golden Eagle Award's television drama of the year, "The Legend of Sword and Fairy"!

Lin Fan looked at Su Xiaoyu and smiled. "Xiaoyu, you worked hard to achieve what you have today. I'm proud of you too. You've done it."

Su Xiaoyu giggled. "I don't care. Anyway, Master is the best. Without Master, I wouldn't be who I am today. Next, it'll be up to Master to win an award~"

After announcing the first award, the second award was announced. The best performing arts actor was Xu Yang.

After that, it was time for the third award.

It was also the highlight here.

The most popular actress!

The camera stopped on two girls.

Xia Wanqiu, Lin Kexin.

The two girls were both very beautiful and popular.

“Everyone, the most popular actress in this year’s Golden Eagle Awards is... Xia Wanqiu!”

“Her first relationship show, Joy of Life, made all the audience remember her.”

“And her second relationship show, The Legend of Sword and Fairy, allowed her to reach her peak.”

“The role of Zhao Ling’er has already become the goddess in the hearts of many young people, so the name of the most popular actress is definitely Xia Wanqiu!”

The host’s voice rang out.

The crowd cheered again.

Xia Wanqiu walked onto the podium and smiled brightly.

“I was able to receive this reward not only because of my hard work, but also because of the hard work of everyone in our film crew. It was the result of everyone’s hard work.”

“Here, I also want to thank someone specially.”

“The person I like... who is also my boyfriend, Lin Fan.”

When Xia Wanqiu said this,

The entire livestream exploded.

All the fans below the stage and some celebrities even screamed.

Xu Yang watched this scene silently. He clapped and smiled happily.

Su Xiaoyu was the same. She smiled sweetly.

Xia Wanqiu was telling the entire world.

The person she liked was Lin Fan.

Her boyfriend was also Lin Fan.

“I’m crying, I’m crying. Qiuqiu admitted it herself. I’m envious.”

“How can you stuff us with dog food like that? I’m full again today!”

“Damn it, I’m just here to watch an award ceremony. How can I be stuffed with dog food? This doesn’t make sense!”

“I’m so envious of Lin Fan. Xia Wanqiu is so beautiful. If I were Lin Fan, I would hug my wife forever and never go out, haha.”

After a long time, the screams finally subsided.

Xia Wanqiu looked at Lin Fan with her beautiful eyes and her cheeks were slightly red.

“Without Lin Fan, I wouldn’t be who I am today.”

“Lin Fan and I were deskmates in junior high. We grew up together, went to school together, matured together, and walked together until now.”

“Ever since a long time ago, the person I liked was Lin Fan.”

“Now, with him by my side, I can focus on performing good works.”

“Him being around is the luckiest thing that’s happened to me.”

Xia Wanqiu’s words were deeply imprinted in Lin Fan’s heart.

Lin Fan stood up and walked to the stage. He gently gave Xia Wanqiu a hug.

How could a girlfriend be so good at talking?

Lin Fan sighed. He would probably have to endure it every day in the future.

He might really not be able to resist such a beautiful cat.

But they were not married, and they could not do that thing yet.

Before he had a girlfriend, Lin Fan felt that it was somewhat painful.

Now that he had a girlfriend, it was even more painful.

The cat was so good and beautiful. She would say so many sweet nothings to him every day. Who could resist it?

If he was not careful, he would be seduced by his wife.

After Lin Fan gave Xia Wanqiu a hug, he brought her back and returned to their seats together.

The two of them held hands and looked at each other.

“It’s so sweet. I’m crying. How can there be such sweet love?”

“When will Lin Fan and Xia Wanqiu get married? I knew it. Xia Wanqiu liked Lin Fan a long time ago. Otherwise, she would definitely accept kissing scenes.”

“D*mn, I also want to have a boyfriend as handsome as Lin Fan. Just looking at Lin Fan makes me want to go to the toilet.”

After giving out the awards, the host smiled.

“Next, we won’t be giving out awards one by one.”

“Because the following awards all belong to one person.”

“The final results of this year’s television drama of the year are already in my hands. Only a television drama that is recognized by countless viewers and officially recognized can become the television drama of the year.”

“The television drama of the year doesn’t just depend on the popularity of a television drama. It also depends on its value orientation, its effect on society, and its influence on an entire era,” the host said.

After the host finished speaking, many people started discussing.

After all, “Joy of Life” and “The Legend of Sword and Fairy” had already become popular.

However, don’t forget that “Star Garden” had also broken the viewership record of the entire Internet. The television drama starring Lin Kexin was still very popular.

Furthermore, the Golden Eagle Award would judge television dramas released across the whole year before deciding who to award the television dramas of the year award to.

This year, there were also many outstanding works that promoted positive energy and Chinese traditional culture. They also had a lot of influence. Although the viewership ratings were not as good as the Legend of Sword and Fairy, the annual Golden Eagle Awards rarely selected the most popular television drama.

Therefore, any television drama could become the television drama of the year.

This would be the official recognition of this television drama.

It would also be the highest honor a television drama could receive!

“I think Star Garden might have a chance.”

“No, I think it’s a television drama filmed at the beginning of this year. It’s called Snow Leopard Commando Unit. It’s very positive and the filming is closely related to our country. It was quite popular at that time.”

“There’s also a television drama that was filmed by veteran actors. It’s called Great Country 1949. It’s also very good.”

“Have you guys forgotten? There’s another television drama that’s very popular this year. Someone remade one of the four famous novels, ‘Romance of the Three Kingdoms’, and it received widespread praise. I remember that at the beginning of the year, this television drama had already received many awards.”

“In that case, it will be very difficult for ‘The Legend of Sword and Fairy’ to be selected. Although the viewership is high, who knows how the officials will evaluate it?”

While everyone was puzzled and guessing,

The host spoke.

“In 2020, many outstanding television dramas appeared. Every television drama received a lot of good reviews from the audience.”

“But... there was a television drama that broke the historical viewership ratings of China that had been held for nearly 30 years!”

“The dubbing, directing, production, plot, value orientation for the audience, and the philosophy of life reflected in this television series have all reached the peak!”

“The cast of this television drama is also very luxurious. It’s because of everyone’s hard work that such a television drama exists.”

“Now, I officially announce that according to the results of the Golden Eagle Awards, in 2020, the name of the television drama of the year is...”

“The Legend of Sword and Fairy!!!”

Chapter 192: Shocking Everyone, The Most Popular Actor Award Winner, Lin Fan!

The moment the announcement was made,

The entire livestream platform was filled with comments.

There was thunderous applause.

The Golden Eagle Award’s television drama of the year was Lin Fan’s “The Legend of Sword and Fairy”!

Lin Fan’s television drama received the highest evaluation and recognition from the officials!

The Legend of Sword and Fairy had really won an award!

The host continued, “The television drama ‘The Legend of Sword and Fairy’ has a very perfect script, and the theme of this television drama is predestination. It is also the first Xianxia drama in the country to reach its peak, and it has pioneered Xianxia television dramas. Every character in the television drama is made of flesh and blood, and is very three-dimensional.”

“Such a television drama has a viewership of 7.53%, becoming a true classic masterpiece!”

“Such a classic work’s script was written by Lin Fan.”

“The director of this television drama is also Lin Fan.”

“Even the male lead in this television drama is Lin Fan.”

“It can be said that the success of this television drama cannot do without Lin Fan!”

As soon as the host finished speaking, the comments in the live broadcast room, all the staff of Yuehua Entertainment, and the venue erupted in applause.

“The Legend of Sword and Fairy” received an award and everyone’s approval!

Furthermore, the officials gave Lin Fan an extremely high evaluation.

It could be said that without Lin Fan, there wouldn’t be a television drama like “The Legend of Sword and Fairy”!

“6666666, Brother Fan is too awesome. The television drama ‘The Legend of Sword and Fairy’ actually won an award!”

“That goes without saying. Don’t you know who Brother Fan is? He’s our company’s genius director and a master-level screenwriter!”

“I’m already stunned. Brother Fan is too awesome. Every television drama he filmed became popular. Now, ‘The Legend of Sword and Fairy’ has even achieved such results!”

“Haha, I said back then that Lin Fan’s script would definitely become popular. At that time, the entertainment companies outside weren’t optimistic. Now, Lin Fan has proven something to everyone. No one can surpass the scripts he write!”

“He won, He won. The Legend of Sword and Fairy is the television drama of the year!!!”

Countless fans were very excited.

At the same time, it caused a stir in the entertainment company.

All the directors and major entertainment companies were shocked.

“Oh my god, he really won an award. Lin Fan is a true genius director. How can he be so amazing? Both television dramas are so popular.”

“I’m so impressed with Lin Fan. He just debuted not long ago and has already achieved such results in two television dramas.”

“Lin Fan is really a winner in life. Not only did he win an award, but he also has such a beautiful girlfriend. Who wouldn’t be envious?”

“Hurry, hurry, hurry. We’ll find Lin Fan’s contact details immediately. After he’s done, he’ll contact Lin Fan immediately. Regardless of price, we must ask Lin Fan to direct our television drama.”

“We can’t let go of a talent like Lin Fan. Let him be the main lead of our television series and give the highest remuneration in the industry!”

“It’s good to ask Lin Fan to help us write a script. When will Lin Fan write a new script? I’m looking forward to it!”

Today, all the major entertainment companies finally realized Lin Fan’s value.

Previously, some of them didn’t believe Lin Fan and didn’t believe that “The Legend of Sword and Fairy” could become popular.

Today, when they saw the truth in front of them, they finally understood how big the difference between them and Lin Fan was.

Everyone could not help but think of the artist, Van Gogh.

When Van Gogh was alive, his paintings were called junk and no one bought them.

At that time, no one in the world could understand Van Gogh.

In their eyes, Van Gogh was a fool.

After Van Gogh died, people in the future gradually discovered the value of each of his paintings.

Only later generations knew that Van Gogh was such a genius.

Others laugh at me for being too crazy, but I laugh at them for not being able to see through me.

Today, Lin Fan was exactly the same.

Under the circumstances where no one, not even the investors, thought highly of him, Lin Fan changed his fate and created a classic television drama in Chinese history!

It was extremely popular across the entire Internet and the viewership ratings broke history!

Now, this television drama had even become the television drama of the year and received the highest-level award in the country!

These entertainment companies were not fools. They had not discovered the popularity of “The Legend of Sword and Fairy” previously because they could not understand it.

Now, everyone understood.

Lin Fan was a talent, a genius in the entertainment industry!

From today onwards, every script that Lin Fan wrote and every drama that he directed would have an endless stream of investment. There would also be countless entertainment companies who wanted to buy the rights to every script that Lin Fan wrote.

Because he was Lin Fan.

He was someone that many top screenwriters in the country respected.

Countless directors in the country also admired Lin Fan.

Many actors in the country liked Lin Fan too.

Such a genius was worth roping in!

Although Lin Fan hadn't become a true superstar in Chinese history, he already had such a status in everyone's hearts!

Countless entertainment companies were envious of Yuehua for having a talent like Lin Fan.

At the same time, Lin Kexin had an idea.

She had yet to sign a contract with any entertainment company.

However, she only wanted to become an artiste under Lin Fan.

She felt that by being at Lin Fan's side, her future would be even brighter.

Even if she had to fork out money, she wanted to sign with Lin Fan.

The former number one female artiste in China, the school belle of Beijing Film Academy, Lin Kexin, had already had such thoughts.

If Lin Fan didn't already have a girlfriend, then Lin Kexin... might take the initiative to woo Lin Fan.

He was such a handsome person with such a good character, how many girls wouldn't like him?

Everyone was clapping for Lin Fan.

Xia Wanqiu looked at Lin Fan with her beautiful eyes and smiled blissfully.

Everything that Lin Fan had today was what he deserved!

Lin Fan walked to the center of the stage. Just as he was about to speak, the host smiled again.

"Mr. Lin Fan, don't be anxious."

"The awards haven't all been given out yet. Now, I'll announce the next award."

"The nomination for the television drama of the year—Joy of Life!"

“The most popular television drama on the Internet—The Legend of Sword and Fairy!”

“TV series song award—Lin Fan’s ‘A Will Forever’!”

“The most promising newcomer in China—Lin Fan!”

“The nomination for Best Actor in Performing Arts—Lin Fan!”

“...”

All the audience were stunned.

All the actors present were shocked.

Even Yuehua’s staff and CEO Li were shocked.

Su Xiaoyu, Xu Yang, Lin Jingjing, and Xia Wanqiu looked at everything in front of them in disbelief.

Today’s award ceremony seemed to exist for Lin Fan!

Until now, he had already given Lin Fan a total of sixteen awards!

A total of 16 awards!

Just getting nominated for some of the awards was enough to prove their approval of Lin Fan!

The host was still talking.

Everyone was stunned.

Was this... not over yet?

It had already been sixteen awards, but it was still not over!

Lin Fan had received too many awards.

The protagonist of the Golden Eagle Award today was none other than Lin Fan!

Even the fans in the livestream were stunned.

Their idol, Lin Fan, was actually so outstanding!

The host smiled and looked at Lin Fan. “Now, let’s announce today’s seventeenth and most important award!”

“At the 21st Golden Eagle Awards, the most popular actor award goes to...”

“Lin Fan!!!”

Chapter 193: How Can You Show Off Your Love Like This?

The crowd cheered.

All the celebrities present stood up and applauded Lin Fan.

Lin Fan was the most popular actor in the mainland.

It was also because of Lin Fan that such a classic masterpiece was created!

“I’m honored to receive this award.”

“This award is also the result of everyone’s hard work.” Lin Fan smiled and walked down with the trophy to sit beside Xia Wanqiu.

The audience in front of the livestream were also completely shocked.

As the most authoritative Golden Eagle Festival in the country, the main character of the 21st Golden Eagle Awards was Lin Fan!

After the awards were given out, the popularity of the entire livestream increased again.

“6666666.”

“Lin Fan is too awesome. He’s already the best male actor in the country!”

“Of course. Brother Fan is worthy of this title. His television dramas are really too good!”

“Lin Fan is so humble and he’s so handsome. I like him so much.”

“Sigh, it’s a pity that such a handsome Lin Fan already has a girlfriend. I’m crying.”

No one expected Lin Fan to receive a total of 17 awards.

Such a reward was like the entire Golden Eagle Festival was held for Lin Fan.

Lin Fan’s photo was on the LED screens everywhere.

The host’s excited voice was still introducing how Lin Fan filmed the Legend of Sword and Fairy.

Photos of Lin Fan appeared on different LE screens.

Fireworks filled the air and soared into the sky.

Countless fireworks lit up the sky.

Lin Fan’s name was also left on the mark of the 21st Golden Eagle Awards.

Golden light shone on Lin Fan.

Lin Fan was the protagonist of this year's Golden Eagle Award!

After the Golden Eagle Award ended, all the major entertainment companies wanted to recruit Lin Fan.

Someone as outstanding as Lin Fan was too rare.

When they arrived at the company, Lin Fan put down the trophies.

To him, being able to receive an award was also a form of recognition.

Just as he was resting, Lin Qianwei walked in.

"Brother Fan, an entertainment company contacted you. They want to pay 800,000 per episode for you to write a script for them. They want any script as long as it's written by you." Lin Qianwei looked at Lin Fan.

"I'm not accepting it for now," said Lin Fan.

Recently, Lin Fan had been busy.

He had to film a television drama and woo his wife. Recently, he had a car accident and was discharged from the hospital.

Let alone 800,000 per episode, even if a company offered him 1 million an episode, Lin Fan would not write a script for them.

After writing a new script, he could still consider it.

"Alright." Lin Qianwei was a little shocked. Her boss, Lin Fan, was always so different from the rest. Of course, Lin Qianwei wouldn't say anything.

With a price of 800,000 per episode, if he wanted to film 46 episodes, he could sell the script for a total of 36.8 million.

There were already entertainment companies who were willing to pay 36.8 million yuan to buy Lin Fan's script.

However, Lin Fan rejected them!

36.8 million was already an astronomical price.

However, Lin Fan still chose to reject them because he didn't have any intention of writing a new script yet.

It would take some time to write a 46-episode script.

"Sorry, Brother Fan said that he won't be taking on new scripts for the time being," Lin Qianwei replied over the phone.

"Aiya, we can raise the price again. Let's see if Lin Fan can reconsider. A good script now is extremely important to the entire company," the entertainment company said.

"I'm very sorry." Lin Qianwei hung up immediately.

During this period of time, as Lin Fan's manager, she was too busy.

She basically had endless work every day.

Especially after the Golden Eagle Awards ended, Lin Fan's popularity became even higher.

All the major entertainment companies wanted to rope Lin Fan in.

So much so that Lin Qianwei had to answer many calls every day.

After a long time,

Lin Qianwei walked in front of Lin Fan again. "Brother Fan, there's an entertainment company that wants to invite you to act in the latest television drama, Legend of Mei Luo. I heard that the remuneration is very high and they're willing to pay 18 million yuan."

Lin Fan smiled and looked at Lin Qianwei. "Help me reject these things and events. If someone wants to buy the copyright to my two television dramas, you can accept them. You can reject any other commercial performances, events, advertisements and scripts."

Lin Qianwei nodded. "Alright."

This was the first time she had seen such a boss.

In the past, when an artiste became popular, they would be very busy.

They had almost no time to rest.

Furthermore, these celebrities would also make use of their popularity to earn money.

But Lin Fan was completely different from these celebrities.

Until today, Lin Qianwei still didn't understand why.

She only knew that Lin Fan was very awesome and rich. He was also a big star and he was super handsome.

As for Lin Fan not accepting endorsements or advertisements, the company wouldn't restrict him.

In other words, Lin Fan was completely free.

"Meow, meow?" Xia Wanqiu was already standing at the door.

"Wife, what's wrong?" Lin Fan smiled and stood up.

Hearing Lin Fan call Xia Wanqiu his wife, Lin Qianwei was stuffed with dog food and quickly went to work.

“Lin Fan, my father wants you to call him back,” Xia Wanqiu said with a blush.

“Call your father? Am I going to meet your parents so soon?” Lin Fan smiled.

Xia Wanqiu’s face was slightly red as she glared at Lin Fan. “Fierce!”

“My father is very strict. If he finds out that I have a boyfriend, maybe... he really wants to see you.”

“Lin Fan, you have to perform well ~” Xia Wanqiu said as she looked at Lin Fan.

“If I perform well, I can marry you and bring you home,” said Lin Fan with a smile.

Xia Wanqiu made a cute gesture. “~ ~ ~”

“Wanqiu, after my mother found out that you were my girlfriend, she was especially happy. She even planned to let me bring you home to take a look,” said Lin Fan. He walked forward and held Xia Wanqiu’s hand.

“Then I’ll accompany you ~” Xia Wanqiu said.

“Then, the entire village might envy me for having such a pretty girlfriend.” Lin Fan sighed. When he was in the village, he had many friends.

Right now, those friends were probably still single. Only he would bring back a girlfriend who was super pretty. Those friends would be envious.

“You’re such a sweet talker~”

“When you call my father later, don’t talk back to him. Everything else will be fine.”

“If he really doesn’t agree to the two of us being together...” Xia Wanqiu looked at Lin Fan.

“Then what?” Lin Fan looked at Xia Wanqiu expectantly.

“I’m already yours. What else... do you think we can do?” Xia Wanqiu smiled shyly as Lin Fan held her hand.

“Ah ah ah, you’re bullying the dog!”

Su Xiaoyu, who was outside the door, cried.

How could these two people show off their love like this!

Chapter 194: Once You Get My Dad’s Approval, I’ll Marry You ~

“Since when did you belong to me?”

“Why don’t I remember? Then why don’t you not go home tonight? Just stay in the same room as me.” Lin Fan smiled brightly.

“No ~” Xia Wanqiu blushed and turned around.

“Then when can I? My wife is so beautiful. It’s very uncomfortable.” Lin Fan held Xia Wanqiu’s other hand.

“When we get married!”

“So, you have to get past my father first,” Xia Wanqiu said with a blush.

“We can do that once we get married?” Lin Fan asked. He looked at the girl in front of him and smiled.

“Mmm ~” Xia Wanqiu lowered her head shyly.

“Do you really feel uncomfortable?” Xia Wanqiu raised her beautiful eyes and looked at Lin Fan.

“Of course I feel terrible. Otherwise, why would there be so many rapists outside?” Lin Fan said. His blood was boiling. It wasn’t that he was a pervert. This was just the behavior of a normal person.

When Xia Wanqiu heard that, her pretty face turned red. She gently leaned in front of Lin Fan and kissed his cheek. She said gently, “Do you still feel uncomfortable now?”

Lin Fan said aggrievedly, “I feel even worse.”

Xia Wanqiu gently leaned on Lin Fan’s shoulder and her voice became even gentler. “Then you have to work hard. After you get past my father, I’ll marry you. Then you won’t feel bad anymore.”

Lin Fan’s hand gently wrapped around Xia Wanqiu’s back. A soft and fragrant feeling came. Just as Lin Fan was about to kiss her, Xia Wanqiu had already slid away from his embrace.

Lin Fan could only sigh. He had no choice.

Xia Wanqiu was good everywhere.

If she said that he could only do it after they got married, Lin Fan would respect her opinion.

After all, they were still only boyfriend and girlfriend.

The next step was for Lin Fan to get the approval of Xia Wanqiu’s parents. Then, he could officially marry her.

After getting married, he could do whatever he wanted.

At that time, he could bring his wife around the world.

“Wanqiu, what kind of personality does your father have? I’ll refer to it first,” said Lin Fan. He had heard from Xia Wanqiu that her father wasn’t easy to get past. After all, her father’s expectations were quite high.

“Do you want to get in through the back door?” Xia Wanqiu asked with her hands behind her back.

“Of course.” Lin Fan nodded.

“Well... my father is very strict. He likes to play Chinese chess and watch television. Of course, my father usually does business and is very busy.”

“Our family isn’t very rich. I think my father only has assets worth tens of billions, so his expectations for his future son-in-law are especially high. Oh, that’s why I said it’s very difficult,” Xia Wanqiu said.

Lin Fan:” ...”

Assets worth tens of billions were considered not very rich.

Tens of billions could definitely allow them to make it onto China’s tycoon list. They might even be ranked at the top.

In other words, Xia Wanqiu’s father was a businessman.

It was just that he had never seen Xia Wanqiu’s father before, so Lin Fan couldn’t judge her father’s character.

Lin Fan sighed. It was too difficult for him.

Xia Wanqiu’s family and his were not of equal status.

Lin Fan’s family was from a village and they didn’t have much money usually.

Xia Wanqiu’s family was completely different. They were very rich.

Why were the girls around him all from such good families?

Xia Wanqiu’s family was very good. However, Xia Wanqiu had been developing outside all these years and was rarely taken care of by her family. She was more independent and had developed so well alone.

Otherwise, it would be very difficult for ordinary girls to become famous without a background.

If she didn't film kissing scenes and relationship scenes, and acted arrogantly, it would be very difficult for such a girl to survive in the entertainment industry.

It was because Xia Wanqiu had such a family background and good resources that she became a big star in three years. As for the unspoken rules, Xia Wanqiu had only encountered them once recently and Lin Fan had already helped her resolve them.

There was no need to mention Su Xiaoyu's family background. Her father had already said that no matter how rich one was, they would not be as rich as the Su family. It was fine as long as Su Xiaoyu could find someone she liked. However, there was also a condition, which was that they had to marry into the Su family.

Su Xiaoyu's father doted on her so much. He could not let her live in an ordinary house with her future husband.

Lin Fan patted Xia Wanqiu's head. "It seems like there's still a long way to go before I can meet your father's requirements."

Xia Wanqiu smiled sweetly. "It's okay. Anyway... the person I like is you. No one can change that."

Looking at such a girl, Lin Fan's heart melted.

No matter what, he should work hard.

If he wanted to have hundreds of millions in savings and spend his life in a mansion, that would indeed be fine. Lin Fan didn't lack women and there were many girls who were willing to marry him.

But if that was the case, Xia Wanqiu's parents would definitely not agree.

If that was the case, he would not be able to continue being with Xia Wanqiu.

It was because of this possibility that Xia Wanqiu said such things to Lin Fan.

The person she liked was him. No one could change that.

With Xia Wanqiu's words, Lin Fan wouldn't be afraid no matter what he did.

After getting through to Xia Wanqiu's father, Lin Fan smiled and said, "Hello, Uncle Xia. I'm Lin Fan."

A rough voice sounded, "Are you Lin Fan, the boyfriend Wanqiu got together with recently?"

Lin Fan smiled and nodded. "Mmm, yes."

Xia Wanqiu's father said, "Since that's the case, I'll make it clear to you. I suggest that you guys break up."

"What I want to tell you is that when it comes to relationships, the most important thing is to be well-matched in social status. I've also checked your family background. They're all villagers. I'm not looking down on villagers, I just want to tell you this fact."

"Since ancient times, men and women have to be well-matched in terms of social status before they can really get together. If I use this sentence to make you guys break up, won't you think that I'm very unreasonable?" Xia Wanqiu's father said.

Lin Fan smiled and said, "Uncle Xia, I think the most important thing in a relationship is for two people to like each other. I like Wanqiu. She's the only girl I like, so no matter what, I won't give up."

Xia Wanqiu's father smiled. "Alright, I won't scare you anymore."

"Qiuqiu likes you a lot. This is the truth. I'm very happy that she can find someone she likes."

"There's one more thing I have to tell you."

"You have a mansion worth hundreds of millions in Shanghai and a few sports cars. But that doesn't mean much. Even if you have nothing, as long as Qiuqiu likes you and is willing to let you be her boyfriend, I won't object."

“Qiuqiu is my only daughter in this life. As a father, I want to see her happy. I don’t want her to marry a rich man and be bullied.”

“Lin Fan, so before you get married, you have to get my approval.”

“I have to consider all aspects of you starting with your character. I will not judge you based on whether you can earn money or not. Half a year later, I’ll come back to see you.”

“If you can get my approval then, I’ll allow the two of you to get married.”
