

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 285-289

Chapter 285: How Can My Wife Be So Beautiful?

Sure enough, not long after,

Xia Wanqiu was already at the door.

When she heard the commotion in the villa, Xia Wanqiu stuck her head out.

“Meow?” Xia Wanqiu looked at Lin Fan with her beautiful eyes and smiled brightly.

“You’re back? You weren’t bullied when you were working outside, right?” Lin Fan smiled and walked forward to hold Xia Wanqiu’s hand.

“Mmm ~ Of course I won’t be bullied. Sister Yang is here and there are security guards. The many security guards will protect me,” Xia Wanqiu said, letting Lin Fan hold her hand.

In the villa, Lin Fan and Xia Wanqiu openly displayed their affection.

Everyone was used to it.

Other than that, Yang Qing also came with Xia Wanqiu.

“Isn’t this Sister Yang? Come in quickly. You must be tired today. Have some water first.” Lin Fan smiled and hurriedly welcomed Yang Qing in.

This was why Lin Fan was especially popular. He was very friendly to everyone and would not be arrogant just because he was a celebrity.

Moreover, Yang Qing was Xia Wanqiu’s manager and was in charge of Xia Wanqiu’s work.

As a big celebrity, Xia Wanqiu was usually very busy. She could not do without Yang Qing’s support.

“Lin Fan, don’t, don’t. I’ll pour myself some water. You guys go ahead.” Yang Qing smiled. She was already used to Lin Fan and Xia Wanqiu being so clingy.

However, Lin Fan's enthusiasm made Yang Qing feel very comfortable.

Why were all the celebrities she met so nice? Xia Wanqiu was also very good to her, let alone Lin Fan.

Logically speaking, as managers, they did not dare to offend a celebrity.

This made Yang Qing very satisfied with Lin Fan.

With Lin Fan protecting Xia Wanqiu, anyone would be at ease.

If Xia Wanqiu's father agreed, Lin Fan and Xia Wanqiu could really get married.

Yang Qing worked for the Xia family. Originally, while she was Xia Wanqiu's manager, she could also protect her from being seduced by other men.

Moreover, Yang Qing also played an important role, which was to observe Lin Fan on behalf of Xia Wanqiu's father.

Even Xia Wanqiu did not know this secret.

It was precisely because Lin Fan was usually so amiable that in Yang Qing's eyes, Lin Fan had already passed.

Not many people in the entertainment industry could compare to Lin Fan's good character.

"Come, get ready the lamb skewers, pork skewers, potatoes, mushrooms, eggplants, chicken wings, beans, and so on and put them on the barbecue."

"We don't have any cumin and chili powder left at home. Qianwei, go buy some cumin and chili powder." Lin Fan smiled and looked at Lin Qianwei.

Lin Qianwei nodded and jogged out of the room.

After everyone was busy for a long time, Lin Fan officially began to roast the skewers.

In fact, the final steps of the barbecue were all completed by Lin Fan alone. The others were just helping out.

The others were fine, but Su Xiaoyu was already craving the barbecue. Before the barbecue was ready, Su Xiaoyu already wanted to eat chicken wings.

After a while, many lamb skewers on the barbecue, as well as mushrooms, sausages, and so on, were cooked.

The chili powder and cumin that Lin Qianwei had bought were sprinkled on these skewers. There were oil stains and smoke from the charcoal fire.

Lin Fan fanned the charcoal fire. Many of the skewers were ready.

There was also some seitan in the barbecue and they tasted delicious.

The first person to eat was naturally the foodie, Su Xiaoyu.

Su Xiaoyu could not wait any longer.

“Oh, yummy yummy!!”

“Master, the meal you made was too delicious. I’m crying,” Su Xiaoyu said. The barbecue was very hot, and she ate it while it was hot. She no longer looked like a reserved girl and no longer cared about her image.

The key was that she didn’t care about her image but still looked super beautiful and cute when she ate barbecue.

But Lin Fan already had Xia Wanqiu. Without Xia Wanqiu, no man would be able to withstand it.

“Is it really that delicious? I’ll have a bite too.” Xu Yang smiled and picked up a lamb skewer. After eating it, his gaze changed.

“Damn, this is way better than what they make at the Old Street Grill out there. Is this the charm of a big chef?”

“I thought that the big chef was only good at cooking. The problem is, how did Lin Fan make the barbecue so delicious? Everyone knows how to make barbecue, but the difference is so huge,” Xu Yang said with envy.

“Jingjing, have a lamb skewer too.” Xu Yang picked up a lamb skewer and placed it in Lin Jingjing’s hand. He rubbed Lin Jingjing’s head.

“Okay ~” Lin Jingjing nodded obediently with a blissful smile on her face. After taking a bite of the lamb skewer, she was also stunned.

“It’s really delicious. It’s really not easy to get to eat Lin Fan’s barbecue,” Lin Jingjing said as she took small bites of Lin Fan’s lamb skewers.

“Amazing, it’s really delicious!!!” Yang Qing praised.

“Lin Fan is really amazing. It’s fine if he’s so outstanding at work, but why is he so extraordinary when making barbecue as well?” Yang Qing said.

“Ranran, eat something delicious.” Lin Fan smiled and placed the barbecue in Tang Xinran’s hand.

“Thank you, Brother Lin Fan.” Tang Xinran nodded. After eating the barbecue, she cried.

“Why are you crying?” Lin Kexin held Tang Xinran’s hand and smiled gently.

“I’ve never eaten anything so delicious since I was young. Boohoo.” Tang Xinran had a lamb skewer in her left hand and a sausage in her right. Her mouth was greasy, and the skewers were so spicy that she wanted to drink water. Most importantly, she still wanted to eat.

“Wife, come and eat some too.” Lin Fan smiled and looked at Xia Wanqiu. In reality, he hadn’t eaten a bite yet. He definitely had to take care of Xia Wanqiu first.

“Here, you’ve been busy for so long. Drink some water first~” Xia Wanqiu smiled sweetly and wiped the sweat off Lin Fan’s forehead with a towel.

“Okay.” Lin Fan took the glass and drank the water Xia Wanqiu handed him.

Everyone was eating. If there was anyone who cared about Lin Fan the most, it was Xia Wanqiu.

She wasn’t in a hurry to eat. She poured water for Lin Fan first and handed it to him.

After Lin Fan finished drinking the water, he put down the glass and held Xia Wanqiu’s hand.

“My wife is so nice.” Lin Fan smiled.

“Let’s eat together.” Xia Wanqiu blushed. She was especially beautiful when she blushed.

“Meow~” Qiuqiu also ran out. Every time they ate barbecue, Qiuqiu was very happy. It was better to have a kitten in the villa.

When Qiuqiu saw Lin Fan, she hid. She looked scared and a little angry.

It had actually been caught by Lin Fan last time and sterilized. Damn human. It would no longer bother with him.

During the feast, everyone looked impressed.

Even the kitten ate heartily.

Xia Wanqiu and Lin Fan sat together. As they ate, they waited for the second season of “Joy of Life” to premiere.

After the feast, it was officially time for the second season of “Joy of Life” to premiere.

Apart from Lin Fan, no one present had seen what the second season of “Joy of Life” really looked like after being produced.

They knew that Lin Fan was the one who sang the theme song for the second season of “Joy of Life.”

The television series had officially begun.

When they heard the theme song, everyone’s eyes widened as they looked at Lin Fan.

Xia Wanqiu, Su Xiaoyu, Lin Jingjing, Lin Kexin, Tang Xinran, Xu Yang, Yang Qing, and the others were stunned.

When they heard the theme song for the second season of Joy of Life, they heard a heavenly voice.

Lin Fan could even sing the theme song so well!

Chapter 286: Lin Fan’s Theme Song Shook the Entire Internet!

“How can Master’s theme song be so good? The theme song for the second season of Joy of Life is much better than the first season’s,” Su Xiaoyu said with a look of amazement.

“It’s really nice. It’s as nice as my Jingjing’s singing.” Xu Yang smiled and showed off their love.

After all, Lin Jingjing was also a famous singer. She could earn a lot of money from holding a concert.

“I knew that Lin Fan was invited to sing the theme song for the second season of Joy of Life. It’s indeed different. The theme song alone is so good. I want to see how the second season of Joy of Life looks like after post-production,” Xu Yang said.

At the same time, many of Yuehua Entertainment’s staff, including the post-production team, the dubbing team, the directing team, and many of Yuehua Entertainment’s shareholders, as well as CEO Li, were paying attention to the television series.

It was no exaggeration to say that when the television drama premiered, the results on the first day could determine the future of the television drama.

With a good reputation, this television drama would definitely become more popular.

Countless viewers also opened the second season of Joy of Life at the same time.

Three episodes were updated at once. Such news made the fans ecstatic.

The comments on iQiyi and Tencent Arts' video apps filled the entire screen as soon as it started broadcasting.

The fans were too enthusiastic.

After all, not to mention how well this television drama was filmed, just the actors of this television drama were enough to shock everyone.

The male lead was Lin Fan, and the female lead was Xia Wanqiu.

There were also Lin Jingjing, Su Xiaoyu, Lin Kexin, Xu Yang, and other veteran actors. All of them were big celebrities.

Nowadays, the audience would be very regretful when the second season of some television dramas was filmed. Due to the different schedules of various celebrities, it was extremely difficult to gather the original cast to film together. Therefore, many television dramas' second seasons would not perform as well as the first season.

Every actor in the original cast had already entered the audience's memories.

The second season of Joy of Life was completely different.

Every actor was from the original cast. With the addition of the superstar Lin Kexin, the fanbase of this television drama increased.

"The second season of Joy of Life is finally out. Everyone cry!"

"I've been waiting for a long time. The first season of Joy of Life is really super good. Now, I can watch dramas every day and watch Lin Fan's television dramas again."

"I have to say, just by looking at the theme song, I feel that this television drama is different. Look at the clothes of every character in this television drama, they're all really pretty."

"Xia Wanqiu, Su Xiaoyu, and Lin Kexin look too beautiful in these clothes. Xu Yang and Lin Fan are also very handsome. Don't the production team lack money?"

"D*mn, the special effects of this television drama are also very good. It's finally not like the crappy special effects of other television dramas. It's amazing."

"Lin Fan, Lin Fan! I see Lin Fan again! I can finally watch Lin Fan's television drama. Furthermore, this television drama was written by Lin Fan and directed by him. I love it!"

Countless viewers were quietly watching the theme song.

Almost no one would choose to fast forward.

When many people watched television, especially online, they naturally would choose to fast forward.

The audience did not have the patience to finish watching the theme song.

When the audience heard the theme song for the second season of Joy of Life, they could not help but be stunned.

"666666!"

"Who sang this theme song? Which big singer sang this theme song? Why is the theme song for the second season of Joy of Life so nice? It's much better than the first season's."

"I saw it. Lin Fan sang this theme song. Lin Fan sang the theme song for us. What kind of heavenly voice is this? Lin Fan's voice is too nice. Let's not talk about it anymore. I won't skip the theme song in the future. The ending song might also be sung by Lin Fan. Brothers, I'm leaving first to listen to the ending song."

"Lin Fan is really a god of songs. If Lin Fan chooses to pursue a career in music, Lin Fan will definitely become a god of songs!"

....

What was the first thing audiences saw when they watched a television drama?

It was the details.

Including scenes in the television drama, special effects, actors, and the theme song.

Every detail could not be ignored.

The second season of Joy of Life received a lot of investment, so Lin Fan invested a lot of effort into this television drama.

The goal was to slap the faces of the haters on the Internet and Huace Pictures.

Many people said that he couldn't do it, that Lin Fan was trash, and that Lin Fan couldn't film a good television drama.

Then, Lin Fan would use facts to prove that many people would like the television dramas he filmed.

Lin Fan had relied on his hard work for the past month to make the television series so popular.

After all, there were only four months left until he had to meet Xia Wanqiu's father.

In these four months, Lin Fan wanted to become even more outstanding. Only then could he obtain Xia Wanqiu's father's approval.

Lin Fan participated in the design of every character and every fight.

It could be said that this television drama was Lin Fan's television drama.

Of course, there were also many staff working together.

For the second season of Joy of Life to have such an effect, it definitely had to do with Lin Fan.

Lin Fan gave this television drama life and pushed it to its peak in the second season.

Many television dramas were very calm at the start. They advanced step by step, developed their worldview, and developed their characters.

Then, they would let the audience understand this world bit by bit and make them like this television drama.

However, the second season of Joy of Life was completely different.

The second season of Joy of Life started with the climax!

In the first season, the audience had already seen all of the plot.

In the second season, Lin Fan cut to the chase. In the second season, the plot did not beat around the bush at all.

When they were watching television dramas, there would be many viewers posting bullet comments.

But after the television drama started, there were very few viewers who posted comments.

Some fans might feel that if this television drama did not have bullet comments, it would definitely not be popular.

But Joy of Life was the exact opposite.

That was because from the first episode onwards, it was all awesome scenes without any pee spots.

The plot was interconnected. Every character's appearance attracted the attention of the audience.

As a result, there were no comments in the middle of the plot.

The audience were all watching the television drama nervously. They had no time to post comments.

This was like when you were in math class and lowered your head to pick up a pen. When you looked up again, you didn't know where the teacher was at.

And the second season of Joy of Life that Lin Fan filmed had such an effect!

It was also because of this that more and more viewers surged into iQiyi and Tencent Arts.

Countless fans clicked into the second season of Joy of Life.

After waiting for so long, they could finally see the second season of Joy of Life!

Chapter 287: First Place on Weibo's Trending Topics List, Lin Fan!

"D*mn, d*mn, did you guys notice? Many of the characters' clothes are so exquisite when they appear."

"Yeah, the props and venue of this television drama are also very exquisite, and it doesn't look like special effects at all."

"666666. The film crew is too rich. I think even the supporting actors' clothes will be so exquisite, and the main leads' clothes will be changed often."

"D*mn, this is different from the first season of Joy of Life. How can the first season of Joy of Life be so popular? Although the first season of Joy of Life was filmed well, the cost didn't seem high. But in the second season, this television drama can be said to be perfect!"

"I'm really shocked. There's still such a conscientious television drama now. There are no pee spots the entire time. What if I want to go to the toilet? I'm waiting for a solution!"

"The one who said he wants to go to the toilet, can't you pause before going to the toilet?"

"But how can I bear to pause such a good television drama? To be honest, I've been holding it in for more than an hour."

“Lin Fan’s television drama is really extraordinary. Originally, many people thought that the quality of the second season of Joy of Life would decrease. Who would have thought that the quality of the second season of Joy of Life would increase so much? It’s simply perfect!”

....

Soon, more than two hours passed.

The three episodes of Joy of Life’s first day were all broadcasted.

There were also more comments. After many viewers finished watching, they started discussing this television drama.

“Oh my god, the acting skills of all the characters in the second season of Joy of Life are too perfect. The character design of every supporting character and the scenes of every supporting character are so vividly portrayed that it’s so satisfying to watch.”

“This is Director Lin. Director Lin’s television drama is even better than the first season of Joy of Life. Director Lin has almost pushed this television drama to its peak!”

“I’m so looking forward to the following plot. Why is this television drama updated so! D*mn! Slowly!”

“Please update, please update. Does anyone have any resources?”

“Lin Fan is really handsome, and his acting skills are really amazing!”

“I’m Lin Kexin’s fan. Our Xinxin is too pretty. Boohoo, especially when she acts with Lin Fan. I feel that Xinxin and Lin Fan’s scenes are very good.”

“Stop talking nonsense. No matter how pretty she is, how can she compare to Lin Fan and our Qiuqiu? Their gazes are too loving.”

“This little girl is so beautiful. Tang Xinran, Tang Xinran!!”

“How can a ten-year-old girl be so pretty?”

“Don’t fight with me. Tang Xinran is my wife!”

“...”

Then, the second season of Joy of Life became a trending topic on Weibo.

In less than three hours, all the news about the second season of Joy of Life reached the top of Weibo’s trending topics list.

Xia Wanqiu and Su Xiaoyu had a lot of fans, and these were all their original fans.

When Lin Kexin also acted in the second season of Joy of Life, her original fanbase doubled!

There were too many people who liked Lin Kexin.

There were all sorts of good comments on Weibo.

Huace Pictures had hired so many haters, and they could not fight against the good reviews from so many fans.

Paper could not cover fire. The second season of Joy of Life was filmed almost flawlessly. It was because of this that the audience was even more surprised by this television drama.

The audience’s eyes were bright. They could tell the effect of this television drama and saw such an interesting plot. How could anyone discuss haters?

In the Lake Heart Villa, Lin Fan and everyone had finished watching three episodes of the television drama.

They were the main leads and knew all the plot, but they did not know how the post-production was done or how the dubbing was added.

After watching three episodes of the television drama, many celebrities were looking forward to the next episodes of the television drama.

If they acted well, the effect on the screen would be even better.

At this moment, Lin Kexin took out her phone and opened Weibo.

“Everyone, come and look at Weibo. I’ll read out the top five trending topics on Weibo for everyone to see who’s at the front.” Lin Kexin smiled sweetly and looked at everyone.

“Sure.” Xu Yang nodded. “I’m so handsome and have so many fans. I’m definitely the first.”

“Xu Yang, go away. The first place is definitely mine ~ Ahwooh!!” Su Xiaoyu said. She was also very confident in her acting skills.

“Maybe it’s our Ranran.” Lin Fan smiled and looked at Ranran.

Lin Kexin said, “The fifth place on the trending topics list on Weibo, Xu Yang’s acting skills.”

When he heard that he was fifth, Xu Yang looked at Lin Kexin in disbelief.

Wtf?

He was Yuehua’s number one male celebrity, the current big star, but he was only ranked fifth on Weibo’s trending topics list?

“F*ck!” Xu Yang was unconvinced.

Lin Kexin continued, “The fourth place on the trending topics list on Weibo is Xiaoyu ~ Also, Jingjing and I. The comments online are all praising us for being beautiful.”

Su Xiaoyu took another bite of her apple. “Of course, hehe.”

Lin Jingjing nodded as well. It seemed like the audience had good taste.

“The third place on the trending topics list on Weibo is Ranran. Ranran’s acting skills have received too much praise from netizens,” Lin Kexin said.

Everyone was even more surprised. Tang Xinran immediately rushed to third place on Weibo’s trending topic list.

There was no need to mention Tang Xinran’s looks and acting skills. She was a living beauty, and she was so cute and young. Who would not like such a cute and beautiful little girl?

“The second place on the trending topics list on Weibo is Teacher Chen from our film crew. The Qing Emperor he plays is too outstanding. To be honest, I was a little afraid when I acted with Teacher Chen,” Lin Kexin said with a smile. It was natural for Teacher Chen to be second.

“Me too.” Xia Wanqiu nodded.

“That’s right. Teacher Chen’s acting skills are superb. I think my acting skills are already very good. However, compared to a veteran like Teacher Chen, there are still many things to learn,” said Lin Fan with a smile.

The Emperor Qing played by Teacher Chen could be said to be amazing. His aura was not weak when facing anyone.

He acted out the demeanor and austerity of an emperor, making the people who acted with him a little stressed.

Even if Lin Fan had godly acting skills, it was the same. Some veteran actors’ acting skills were difficult to surpass even if one was cheating.

He was not only an experienced actor, but also a senior artist who was respected by countless actors and audiences.

“Oh right, the top trending topic on Weibo...”

“It’s Lin Fan!”

Lin Kexin looked at Lin Fan, her beautiful eyes seemingly shining.

Lin Fan's name was once again trending on Weibo!

It was not only because of Lin Fan's theme song and ending song, but also his acting skills, directing skills, and scriptwriting skills that the television drama had such an effect!

Therefore, countless viewers liked Lin Fan.

The top trending topic on Weibo should belong to Lin Fan!

Chapter 288: 200 million popularity, another historical record!

"Master is the best!" Su Xiaoyu said happily.

"Yes, of course," Lin Kexin said with a smile, her face a little red.

Lin Fan was so outstanding. No girl would be able to withstand him.

However, Lin Kexin knew her status very well. It was already good enough that she could be an actress.

She only admired Lin Fan a little.

Lin Fan already had a girlfriend. If he didn't, she would definitely muster her courage to woo him.

Although a girl might not be too reserved by doing this, the problem was that Lin Fan was so handsome and outstanding. Not to mention women, even men wouldn't be able to withstand it.

When you become outstanding, the spotlight of the world will be on you. You will be that unique and dazzling star.

Xia Wanqiu looked at Lin Fan with her beautiful eyes and smiled sweetly.

Of course, she was also trending on Weibo.

The title of the top trending topic on Weibo was...

Lin Fan, Xia Wanqiu

The current Lin Fan and Xia Wanqiu was already a model couple in the entertainment industry.

The key was that Lin Fan and Xia Wanqiu showed off their love every day, regardless of whether they were acting or not.

If Xu Yang did not already have a girlfriend like Jingjing by his side, Xu Yang would definitely not be able to take it.

...

At the same time, Yuehua's people cheered when they saw the popularity of Joy of Life on Weibo.

The leader of the post-production team, Xue Kexin, said, "I love Lin Fan too much. Why is he so outstanding in everything he does? I admire him."

The dubbing master, Mei Lan, also smiled and said, "It's precisely because he's Lin Fan that he's so different from the rest. His two theme songs really stunned me. I really want to bring him into the music industry. Lin Fan must be a music genius."

Xue Kexin and Mei Lan had a high status in the company.

These two people were usually very arrogant. In their respective fields, they believed that they would not lose to others.

They had worked with many celebrities and veteran actors before, but Lin Fan was the first person who could make them praise him so much.

Everyone saw how outstanding Lin Fan was.

Some staff even treated Lin Fan as their idol.

In the same company, these staff had seen all sorts of celebrities.

The person who could be their idol was Lin Fan.

“I wonder when Brother Fan will come to our post-production team. Brother Fan’s acting skills are amazing.”

“I won’t beat around the bush. I just want to eat Brother Fan’s feast. Ever since Brother Fan left, I’ve never eaten such a delicious feast.”

“That’s right. Brother Fan can even make home-cooked food as delicious as a feast. Who can compare to him?”

“Brother Fan will forever be a god in my eyes!”

“Even if we can’t eat a feast, it’s good to see Brother Fan’s television drama.”

“Lin Fan and Xia Wanqiu have such a good relationship. When are they going to get married? I’m a little envious of their relationship. This is probably the best way a relationship can look like.”

“When Brother Fan gets married, we might even be able to attend Brother Fan’s wedding. If that day really comes, we’ll be so happy!”

“We all have to give Brother Fan red packets if we want to attend his wedding. Hahaha, it’s our honor to be able to attend Brother Fan’s wedding.”

Many staff in the company liked Lin Fan.

Lin Fan was too popular in Yuehua Entertainment.

Not only did he have a good relationship with the company’s executives, but he also had a good relationship with the employees below.

This was the embodiment of a person's charm. Even the security guards got along very well with Lin Fan.

If anything happened, it could be said that everyone in the company would protect Lin Fan.

When the company's higher-ups saw such popularity, they all smiled.

They all liked Lin Fan very much, so much so that when Lin Fan signed Su Xiaoyu and Lin Kexin, the company's higher-ups didn't say anything.

"Our company's Lin Fan is too awesome. I wonder what kind of popularity Joy of Life's first day premiere will create," an executive said.

"Haha, needless to say, although the second season of Joy of Life is broadcasted online, the popularity of this television drama will definitely not be lower than that of the first season. After the company received so much investment, the production of this television drama, the special effects, and many other details were handled very well."

"Lin Fan isn't just an outstanding screenwriter. He's also an outstanding actor and director. His excellence is all because of his hard work," CEO Li said.

"The success of this television drama can be said to be all because of Lin Fan!!" CEO Li stood up happily. If it wasn't for the fact that the occasion was more serious, he would have danced.

"It's so good to have such a good talent in Yuehua. If it wasn't for Lin Fan, our company wouldn't have reached our current state," the company's executive praised.

The current Lin Fan had already become Yuehua Entertainment's signboard.

And the next day.

The data for the premiere of Joy of Life on iQiyi and Tencent Arts was also released.

The employees of both companies were shocked.

“Manager, how can the data for the second season of Joy of Life be so good...” The employee looked at the manager of Tencent Arts.

“How’s the data?” The manager hurriedly looked at the computer.

“Manager, the second season of Joy of Life has created 200 million clicks on Tencent Arts yesterday!”

“Of course, these 200 million clicks don’t mean that there are 200 million viewers. There’s no limit to the number of clicks. It can be calculated repeatedly. It’s equivalent to 200 million popularity a day. And this kind of data is even more than double that of the first season of Joy of Life!” the employee said.

“What?”

“200 million clicks and popularity? Are you kidding me?” The manager of Tencent Arts’ jaw dropped and he gasped.

It could create such popularity on the first day.

The popularity of the second season of Joy of Life was too ridiculous.

“Director Lin is too amazing. Our company paid 300 million yuan to buy the premiere rights of Director Lin’s television drama, but we didn’t lose out at all,” the manager of Tencent Arts said.

With so many people entering Tencent Arts, how could they lose out?

On the contrary, Tencent Arts could earn a lot of money with so much traffic.

This was the power produced by working with Director Lin.

None of them called Lin Fan by his name anymore. They all called him Director Lin. This was a form of respect for Lin Fan.

On the other side, the higher-ups of iQiyi were also alarmed.

“That’s impossible. There’s definitely something wrong with the data.”

“How did the popularity of the first day exceed 200 million? There are at least tens of millions of viewers watching the second season of Joy of Life at the same time. Director Lin’s appeal is too terrifying.”

“What? This data is real and our system isn’t wrong?”

“If that’s the case, then Director Lin’s second season of Joy of Life can be said to have broken historical records!!!”

Chapter 289: Lin Fan, Estee Lauder’s Largest Shareholder!

“D*mn, has it already broken the record?”

“This is too exaggerated. Our iQiyi received nearly 200 million clicks on the first day. If Tencent Arts also has 200 million clicks, then the total popularity of the two companies will be as high as 400 million.”

“This at least confirms that millions of viewers are watching this television drama. Director Lin’s second season of Joy of Life is really popular!”

“This is Director Lin’s charm. He has 400 million popularity on the first day. How much does the audience like Joy of Life?”

....

Tencent Arts and iQiyi were both pleasantly surprised.

The two companies spent a huge sum of money to buy the premiere rights of this television drama.

The final outcome did not disappoint them.

It was right to buy Lin Fan’s television drama.

Lin Fan’s television drama was once again recognized by the audience.

The news quickly spread to the higher-ups of Yuehua Entertainment.

CEO Li looked at the executives and smiled. "Lin Fan is too awesome. The premiere of the second season of Joy of Life created 400 million popularity!!"

"That's right. Our television drama has become popular. Now, let's see who else on the Internet dares to defame it."

"Director Lin Fan's second season of Joy of Life is popular again. It looks like our company can earn a lot of money later on."

"How did Lin Fan do it? Is he a prophet? Every time he films a drama, it can become popular. I guess this is what strength looks like"

After the executives praised him, CEO Li looked at everyone and said, "Everyone, I happen to have something to tell everyone."

"Lin Fan is destined to be an outstanding talent. The popularity of his three television dramas has already proven Lin Fan's ability."

"In order to rope Lin Fan in, I want Lin Fan to be able to get some company shares. It's best if he becomes one of the top three shareholders of the company," CEO Li said.

If they wanted Lin Fan to become one of the top three shareholders of Yuehua Entertainment, all the shareholders would have lower shares.

And this also involved the interests of many people.

CEO Li had thought that many people in Yuehua would agree, but to his disappointment, these Yuehua executives did not agree when it came to their interests.

"CEO Li, isn't it pretty good now? Lin Fan works in our company and needs to use our company's resources. Why must he still be a major shareholder?"

"I think we've already given Lin Fan enough benefits. There's no need for Lin Fan to become a shareholder of our company anymore."

“CEO Li, this doesn’t quite follow the rules...”

Under the joint protest of Yuehua Entertainment’s major shareholders, CEO Li sighed helplessly.

Lin Fan was a true talent.

Could these people not see Lin Fan’s future ambitions?

Lin Fan didn’t have any resources now. His status in the entertainment industry wasn’t high enough and his connections weren’t wide enough.

The current Lin Fan had just established himself in the entertainment industry, but with the popularity of the second season of Joy of Life, it was enough for Lin Fan to reach a brand new level.

Su Xiaoyu and Lin Kexin were already artistes under Lin Fan.

Xia Wanqiu was Lin Fan’s girlfriend, and needless to say, she would sign under him as well.

Xu Yang and Lin Jingjing had a good relationship with Lin Fan too.

If one day, Lin Fan had the ability to build his own entertainment company, these celebrities would follow him.

With Lin Fan’s ability, he could do it without Yuehua Entertainment.

Therefore, CEO Li wanted to give up his shares to make Lin Fan a major shareholder of the company.

In that case, Lin Fan would take care of Yuehua Entertainment.

However, the company’s shareholders only cared about benefits. CEO Li had long known this.

At this thought, CEO Li shook his head.

If Lin Fan really wanted to leave one day, they wouldn't be able to stop him.

After all, Lin Fan wasn't an employee of Yuehua Entertainment to begin with.

....

When the second season of "Joy of Life" became popular.

Lin Fan's photos were everywhere on Weibo.

Lin Fan's fans were also increasing.

The current Lin Fan had already become extremely popular online.

On the other side, at Huace Pictures, CEO Liu's face was dark.

"Why? Why is Lin Fan still so popular?"

"So Lin Fan's television drama has an investment of 400 million. With an investment of 400 million, I can become popular too."

"Lin Fan's television drama is also popular. If we let Lin Fan continue to grow, he will sooner or later surpass Huace Pictures. Therefore, from now on, immediately prepare the filming plan for our next television drama. I want to destroy Yuehua Entertainment and Lin Fan completely!" CEO Liu said, his eyes cold.

Who would have thought that after doing so much public opinion online, Lin Fan's second season of Joy of Life would still become popular?

If a director could film a popular television drama every time, it would definitely attract the envy and jealousy of many people.

Immediately after, the fourth to sixth episodes of the second season of Joy of Life were broadcasted.

There were also many comments online.

Until now, the Internet was still filled with good comments.

“What is acting? This is f*cking acting!”

“The plot of the second season of Joy of Life is really good. I’m already impressed by the Qing Emperor’s acting skills.”

“Lin Fan’s acting is also super good. Compared to the first season, Lin Fan’s acting skills seem to have improved again.”

“Oh my god, what kind of scene production is this? It’s too conscientious!”

“I want to give this television drama a good review!!!”

Originally, the television ratings that Huace Pictures shot down were only about three points.

After two days, the ratings for the second season of Joy of Life rose to 9.2!

To be able to give a rating of 9.2 meant that this television drama was already very popular!

At the same time, in a small group.

“Bro, are you also here to defame the second season of Joy of Life?”

“Yeah, I’m also here to defame the second season of Joy of Life. I took their money, so I have to do things professionally.”

“But even if I want to defame the second season of Joy of Life, I have to be more professional. I’ll go and watch the plot first. If there are any flaws in the television drama, I’ll immediately point them out and criticize them!”

....

A few hours later.

The atmosphere in the group changed.

“I took the money to defame Lin Fan and the second season of Joy of Life, but this television drama was filmed too well. What should I do?”

“It’s over. I’ve already fallen in love with this television drama. Who asked me to defame this television drama? The second season of Joy of Life is so good. There’s nowhere to criticize it.”

“Lin Fan’s television drama is too good. In the future, I’ll follow this television drama. I’ll refund the money. I can’t defame such a good television drama.”

There were originally many haters on the Internet, but after watching the television series,

The key was that they really could not find anywhere to criticize.

After a night, the ratings for the second season of Joy of Life rose to 9.4!

This news almost angered Liu Xian of Huace Pictures to death.

He found professional haters, but they all changed sides!

....

Faced with the popularity of his drama on the entire Internet, Lin Fan smiled brightly.

It had been so long, it was time to sign in.

Let’s see what good things he could get this time.

“Ding!”

“Congratulations to Master for signing in successfully and obtaining 19% of Estee Lauder’s shares.”

“Congratulations Master for becoming the largest shareholder of Estee Lauder!”

“The relevant procedures have been completed. Congratulations Master for breaking the historical record and officially becoming the boss of Estee Lauder.”

The system’s voice sounded.

Lin Fan was in disbelief.

Previously, he had always received enough shares to become the second-largest shareholder of a company.

But today, Lin Fan had drawn another top luxury brand.

Estee Lauder was one of the largest skincare, cosmetics, and perfume companies in the world.

And today, Lin Fan had become the largest shareholder of Estee Lauder, the CEO of Estee Lauder.

When Lin Fan saw the market value of Estee Lauder, his eyes lit up.

Estee Lauder’s market value was 69.03 billion USD!

In RMB, it was a big company with a market value of more than 400 billion yuan!

And now, the CEO of a big company worth more than 400 billion yuan had been changed.

As the world’s top cosmetic brand, it was extremely famous. The company’s CEO had changed today.

Lin Fan had become the company’s largest shareholder!!!
