

## I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 35-40

### Chapter 35: Pretending to be a Girlfriend

After running for a long time,

Xia Wanqiu's face was red and she couldn't breathe. She followed beside Lin Fan and hid from the fans and media that could appear at any moment.

She didn't care about being discovered by others, but Lin Fan would consider her future. Xia Wanqiu's heart felt warm.

"There shouldn't be anyone around now." Lin Fan smiled and turned back to look at Xia Wanqiu. He was still holding her hand and he could feel her warmth.

"Oh, let go of me." Xia Wanqiu lowered her head and said softly.

"Sorry, I didn't notice it in the heat of the moment." Lin Fan scratched his head and let go of Xia Wanqiu's hand. If the photo of him holding Xia Wanqiu's hand was taken, then their relationship would be solidified online.

"From now on... don't hold hands without my permission."

"I'm not your girlfriend yet," Xia Wanqiu said softly, her cheeks flushed.

"If you were my girlfriend, your 80 million fans would have already attacked me with knives." Lin Fan smiled and didn't take it to heart. He and Xia Wanqiu were indeed on better terms, but they weren't really boyfriend and girlfriend.

Although there were people on Weibo who would praise Lin Fan for being handsome, there were also people who were defaming Lin Fan. If they really confirmed their relationship, there might really be people who would chase after Lin Fan.

After all, most of the people who liked Xia Wanqiu were male fans.

Xia Wanqiu looked at Lin Fan with an apologetic expression. She tugged at Lin Fan's arm. "Lin Fan, I'm sorry."

"It's all my fault that there are so many scandals on Weibo. With so many people scolding you, it won't be easy to open your restaurant for the time being," Xia Wanqiu said. She was sincerely apologizing to Lin Fan.

"So just now, holding hands... is your compensation." Xia Wanqiu's smile was enchanting. She looked at Lin Fan's face and put on the cat ears hat. She would only meow in front of Lin Fan and Su Xiaoyu because she felt that this was very cute.

"Why do I feel like I've lost out?" Lin Fan looked at Xia Wanqiu and said intentionally. There were many people who liked him.

"Stupid Lin Fan, believe it or not, I'll really bite you!!" Xia Wanqiu's face was fierce as she punched Lin Fan's chest.

"Where is your home?" Xia Wanqiu looked around. "You bullied me just now, so you have to compensate me with braised fish tonight. You also have to make delicious fish soup and the vegetable salad you prepared for me."

"My house is a villa. It's very big," said Lin Fan.

"Only a pig would believe that. I haven't bought a villa yet." Xia Wanqiu stuck out her tongue. "We're almost home, and you're still lying to me?"

Xia Wanqiu knew Lin Fan very well. They were classmates in junior high and high school. Lin Fan's family was from the countryside. How could he afford a villa?

The villas in Shanghai cost at least ten million yuan, and such ten-million-yuan villas were not something ordinary people could afford.

"Shouldn't the remuneration for a big star be over a hundred million dollars? What about your remuneration?" Lin Fan turned around and asked. In his impression, this was the case. Furthermore, Xia Wanqiu was so popular.

"I saved it as my dowry." Xia Wanqiu blinked and smiled.

“Fine, one has to give a lot of betrothal gifts when one gets married. There are very few dowries.”

“When you get married, not only does your family “lose” a daughter, they’ll also have to pay so much dowry.” Lin Fan knocked Xia Wanqiu’s head.

“Let’s go home.” Lin Fan walked forward.

Looking at Lin Fan’s back view, Xia Wanqiu gritted her teeth and her chest heaved up and down. She was a little angry.

In the entertainment industry, once there was a situation of defaming an artist, the artist would definitely stand up to clarify at the first instance, especially a celebrity like Xia Wanqiu.

She still hadn’t expressed her attitude. What was it for? Lin Fan was really a big idiot.

...

“Put on a mask and a hat first. Later on, pretend to be my girlfriend. Don’t let anyone recognize you. Otherwise, tomorrow, the hot search will be about me bringing you home to have sex,” said Lin Fan with a smile as he looked at the girl beside him.

He naturally knew what Xia Wanqiu meant. Xia Wanqiu was on the second level, and he was already on the fifth level.

If a girl was willing to go home with you, it could already prove something. Lin Fan wasn’t a fool. However, if he were to express his lust for the girl now, wouldn’t it lower her impression of him?

Would he bring a girl home just to sleep with her?

At least Lin Fan wouldn’t.

Although Xia Wanqiu was really beautiful and everyone wanted to sleep with her, they could still tell the difference between sleeping with her once and sleeping with her forever.

Besides, if he couldn't sleep with her now, he wouldn't be able to sleep with her anymore.

Relationships were something that had to be slowly developed over time. The deeper one went, the stronger it would be. Lin Fan felt that it wasn't the right time yet.

He liked Xia Wanqiu as well, but if he wanted to be with her, he had to give her a romantic confession and make an official announcement to let everyone know that he was with Xia Wanqiu.

Not only that, on that day, he wanted everyone to know that he had the right to protect Xia Wanqiu.

This was also the reason why Lin Fan acted dumb in front of other girls. He wouldn't flirt with other girls except for Xia Wanqiu.

"Who wants to have sex with you? Shameless." Xia Wanqiu pouted and put on her cap and mask.

"Speaking of which, which neighborhood is this? I feel like the houses here are all pretty high-end," Xia Wanqiu said softly. She naturally held onto Lin Fan's arm as if they were a match made in heaven.

"You'll know in a while. Now, keep a low profile and enter the district. You have to act more like my girlfriend. You can't do this," said Lin Fan.

"Then what else do you want?" Xia Wanqiu looked at Lin Fan. How would she know how to act as Lin Fan's girlfriend?

"Just hold on to me with both hands." Lin Fan chuckled.

"Like this?" Xia Wanqiu asked, the blush on her pretty face deepening.

"Yes, that's good." Lin Fan nodded.

"Why do I feel like you're bullying me again?" Xia Wanqiu said softly. She was still hugging Lin Fan's arm sweetly.

“Let’s go. We’ll be fine once we pass through the entrance of the district safely,” said Lin Fan with a smile. After all, the security in the Blue Wave Bay district had always been very good. They wouldn’t let strangers enter the district.

If they were recognized, Lin Fan couldn’t guarantee that the security guard wouldn’t spill the beans. If he didn’t think for himself, he still had to think for his future wife.

When they reached the entrance of the district, the eyes of several security guards lit up.

Lin Fan’s girlfriend had a great figure.

“Good evening, Brother Fan.” A security guard looked at Lin Fan enviously.

“Evening.” Lin Fan nodded.

“Brother Fan, your girlfriend is really pretty,” another security guard said. He didn’t dare to keep staring at Xia Wanqiu in front of Lin Fan.

“It’s alright. If there’s nothing else, I’ll head back first.” Lin Fan waved his hand and brought Xia Wanqiu through the entrance of the district.

“Alright, take care, Brother Fan,” the security guard said in a friendly manner.

After Lin Fan left, a few security guards gathered together.

“Did you guys see that just now? Brother Fan’s girlfriend is really very pretty. Although she’s wearing a hat and mask, I can still feel that Brother Fan’s girlfriend is very pretty.”

“Yeah, she looks so much better than the girl who came to deliver clothes last time. Brother Fan is so lucky, he’s going to get some action tonight.”

“It’s just that I feel that this girl looks a little familiar. Sigh, I don’t care anymore. This is the life of a rich second-generation heir. He can get any pretty girl he wants.”

“I also want to have a beautiful girlfriend like Brother Fan.”

“Alright, alright. Let’s not talk about Brother Fan’s matters, let alone Brother Fan’s girlfriend. Otherwise, if Brother Fan gets angry, all of us will have to bear the consequences.”

1

...

After entering the neighborhood,

Xia Wanqiu laughed. She felt that Lin Fan’s acting skills were even better than hers.

Xia Wanqiu looked around.

Shouldn’t Lin Fan be living in a very small rented apartment?

Why were the security guards so polite to Lin Fan?

As far as the eye could see, the houses here were all high-rise residential areas. The environment was beautiful, and the trees provided shade. There were street lamps along the streets, and there were gardens all around. There was also a very good view of the sea.

She felt that the place she came from was like a paradise. It was different from the harsh living environment she imagined Lin Fan to be living in.

Lin Fan, lived in such a place?

### **Chapter 36: Xia Wanqiu Is Shy**

The further in they went, the more dazed Xia Wanqiu became.

It was completely different from what she had imagined.

Any house in this place would cost a lot of money.

The environment, security, and atmosphere here were all top-notch in her eyes.

Xia Wanqiu thought of the villa that Lin Fan had mentioned previously. Could it be that Lin Fan really lived in the villa?

She still had a bet with Lin Fan. If she really lost the bet, wouldn't she have to kiss him...

No, I can't let Lin Fan take advantage of me.

Xia Wanqiu remembered that Lin Fan had just given a few security guards cigarettes. She immediately looked at Lin Fan. "Smoking is harmful to your health. You're not allowed to smoke."

When Lin Fan heard that, he looked at Xia Wanqiu and smiled. "I don't smoke. I'm just sending cigarettes to distract the security guards. I don't want them to recognize you."

"Really?" Xia Wanqiu raised her beautiful eyes as the corners of her lips curled up slightly.

"Yes," said Lin Fan.

Xia Wanqiu held Lin Fan's arm as they walked along the garden path. The surroundings were silent. He could feel her breathing and her warmth.

The moonlight shone on Lin Fan and Xia Wanqiu. Although they had already passed the entrance of the district, Xia Wanqiu still held onto Lin Fan's arm naturally.

"This is the Blue Wave Bay neighborhood, so the greenery, environment, and security here are all very good. The property prices here are also more expensive. I have a small house here that can be used for living."

"I'm a property owner in this place. That's why the security guards are so polite to me," Lin Fan said as he walked. There was no need to hide the fact that he had a Lake Heart Villa from Xia Wanqiu.

He knew that Xia Wanqiu had some hazy feelings for him, but when it came to matters of the heart, the couple had to be well-matched.

Xia Wanqiu could ignore his family background, but Lin Fan could not.

When they were together in the future, they could make those fans on Weibo shut up.

He wanted to bring Xia Wanqiu home to give her a sense of security.

Xia Wanqiu had once asked him to be her manager or act with her at the company. In her heart, she hoped that Lin Fan would become more outstanding.

And now, Lin Fan wanted to show it to Xia Wanqiu bit by bit. He wanted to show it to all the fans who felt that he wasn't worthy of her.

"A property owner in Blue Wave Bay district?"

"The property prices here might be above 10-20 million yuan for an ordinary house. If it's a villa area, it might be over 100 million yuan."

"Lin Fan, are you really... living in a villa here?" Xia Wanqiu looked at Lin Fan in surprise. She had heard of the Blue Wave Bay District before. It was a high-end district in Shanghai.

"Mmm, it's right here." Lin Fan brought Xia Wanqiu to the entrance of the villa.

When she saw the Lake Heart Villa, there was a trace of shock in Xia Wanqiu's beautiful eyes.

Lake Heart Villa, the most luxurious villa in the entire Blue Wave Bay district.

The environment and geographical location here were indescribably good.

Moreover, she had seen the news before. The villas here were worth 200 million yuan.

Xia Wanqiu had never stayed in a villa before. She was very knowledgeable, but when she saw Lin Fan's villa, she couldn't help but be shocked.

Lin Fan... lived in a villa worth 200 million?

He walked to the door and automatically activated iris recognition. After verifying it, the door opened automatically.

They had just entered the main door. The hall was more than 200 square meters. There were robots that served automatic services, neatly arranged furniture, and gorgeous crystal chandeliers. There were three floors.

The living room, kitchen, bedroom, eSports hall, recording studio, exercise room, everything.

It was very spacious and luxurious. There were many famous paintings and artworks on the wall.

The room was large, and after they entered the front door of the mansion, they found another garden. On the ground were cobblestone paths, wide swimming pools, and barbecue grills. A football field...

“Wow... Lin Fan, this place is huge.”

“Although I’ve seen some villas before, I’ve never been inside one before. Today, I feel that the villa is really big.” Xia Wanqiu’s beautiful eyes looked around.

“It’s alright. Isn’t it fine as long as the house can accommodate people? As for where to stay, what’s the difference?” Lin Fan smiled and looked at Xia Wanqiu’s expression.

“The Lake Heart Villa is worth more than 200 million. Lin Fan, where did you get so much money from?” Xia Wanqiu looked at Lin Fan curiously. She couldn’t believe it.

“I’ve been working hard since I was in university. I’ve achieved something now.”

“After all, you’re already so outstanding. I have to do some things too. Otherwise, how can I catch up to you?” Lin Fan said. As for what he did, he didn’t tell Xia Wanqiu. He couldn’t tell her that he had a system, right?

“Lin Fan, I believe in you. I’m not worried about what you do as long as you don’t break the law.”

“I thought you had always been renting a small house. So you opened a small restaurant just to experience life?” Xia Wanqiu said.

“The small restaurant is a business that my parents left for me. I’m only interested in opening a small restaurant so I don’t care if there are many businesses,” said Lin Fan. “Sit down and have a drink.”

Xia Wanqiu sat on the sofa and looked at Lin Fan with her beautiful eyes. She mumbled, “Unknowingly, you’ve become so outstanding. However, no matter how much you’ve changed, you’re still my deskmate and my personal chef. Meow ~ ~ Where’s the vegetable salad today?”

1

For Lin Fan to have such achievements, other than feeling pleasantly surprised, Xia Wanqiu also felt happy for him.

As for where Lin Fan lived, she didn’t care. What she cared about was him.

Thinking up to this point, Xia Wanqiu finally understood why Lin Fan wasn’t willing to act with her and be her manager.

While she was not looking, Lin Fan had been silently working hard to catch up to her.

Xia Wanqiu’s heart ached. Lin Fan must have put in an unimaginable amount of effort behind her back.

3

That kitten, Qiuqiu, was sleeping in Xia Wanqiu’s arms.

Lin Fan smiled. Luckily, Xia Wanqiu didn’t ask him what he was doing. Otherwise, it wouldn’t be easy to explain.

“I’ll help you make a vegetable salad later. I still have something important to do,” Lin Fan said. He sat beside Xia Wanqiu and took the kitten away from her. The kitten was very angry. Looking at Lin Fan, it ran away.

“What’s wrong?”

“Lin Fan, even if there’s only you and me in the room, you’re not allowed to bully me...” Xia Wanqiu spoke first. Who knew if Lin Fan would suddenly do something bad.

“Why would I bully you?”

“This is indeed where I live. It’s the Blue Wave Bay district and the Lake Heart Villa. Do you want to see my title deed?” Lin Fan smiled.

“Ah... no.” Xia Wanqiu suddenly remembered something. Her face turned red and she buried herself in the sofa.

She had a bet with Lin Fan.

If she lost, she would have to kiss Lin Fan.

But how could she have expected that Lin Fan really lived in a villa?

“Does that bet still count?” Lin Fan sat down beside Xia Wanqiu and asked with a gentle smile.

Xia Wanqiu raised her beautiful eyes and looked at Lin Fan. Her face was flushed red. She looked a little shy and a little aggrieved.

Lin Fan was bullying her again.

However, that was a bet she had personally agreed to. If she didn’t fulfill it, she would forever be suppressed by Lin Fan and would never be able to raise her head again.

Looking at Lin Fan’s expression, Xia Wanqiu had an urge to give him a good bite.

Xia Wanqiu took a deep breath and mustered her courage. Slowly, she approached Lin Fan. Looking at Lin Fan who was so close, she said softly,

“So... can you... close your eyes first?”

**Chapter 37: The Most Popular Person!**

Lin Fan closed his eyes, his heart filled with anticipation.

Xia Wanqiu had never had intimate contact with any man on screen.

This was probably her first kiss.

Xia Wanqiu raised her beautiful eyes and mustered her courage. Her heart was thumping as she leaned forward and slowly approached Lin Fan.

When she got close to Lin Fan, he opened his eyes and looked into Xia Wanqiu's eyes.

When Xia Wanqiu saw Lin Fan, her face turned red.

Before she could react, Lin Fan gently kissed her forehead. A sweet fragrance wafted into her nose, and a warm sensation traveled to her heart.

"I'm going to make dinner for you. What do you want to eat?" Lin Fan looked at the girl in front of him and asked softly.

"Mmm... anything's fine." Xia Wanqiu nodded her head. Her beautiful eyes looked at Lin Fan's back as he was preparing dinner. She then realized that Lin Fan had just kissed her forehead.

"Smelly Lin Fan, you bullied me and bullied me again. Damn it." Xia Wanqiu pouted her lips. However, she had a better impression of him.

The feeling of getting along with Lin Fan was really good.

Lin Fan was handsome and he was such a nice person. It was so embarrassing for her to take the initiative to kiss a guy. Hence, Lin Fan took the initiative to kiss her.

"Dinner. How about braised fish?" Lin Fan turned around and smiled.

Hearing the words braised fish, Xia Wanqiu immediately became happy.

“Meow, meow ~” Xia Wanqiu made a cute gesture and expression at Lin Fan.

“Lin Fan, then I’ll post on Weibo. Otherwise, the popularity of the hot searches on the Internet will increase.” Xia Wanqiu seemed to be seeking Lin Fan’s opinion.

“Mmm, send it out. Clarify that we’re not a couple. You’re clearly my little piggy,” Lin Fan said with a smile.

“Hmph, you’re the little pig I’m raising. You’re my personal chef!” Xia Wanqiu looked at Lin Fan fiercely.

“Your fierce look is a little cute.” Lin Fan said seriously.

“Meow, meow. Damn you, smelly Lin Fan. I’ll scratch you, scratch you ~ ~ ~” When Xia Wanqiu heard that, she got even angrier.

Seeing that Lin Fan was preparing dinner for her, Xia Wanqiu smiled sweetly. She picked up her phone and took a selfie. She looked really good.

At the same time, Xia Wanqiu opened Weibo and wrote a few simple words.

[We’re not together yet.]

After confirming that there was no mistake, she clicked send.

Xia Wanqiu and Lin Fan weren’t a couple yet. Faced with the uproar online, these few words were Xia Wanqiu’s response to the Internet.

The moment she posted it, countless fans immediately reposted and commented.

10,000. 100,000. 200,000.

The comments and popularity were also increasing.

In less than five minutes, Xia Wanqiu’s Weibo post was already trending.

“Qiuqiu is the most beautiful!”

“I told you that our Qiuqiu is not in a relationship yet. Stop spreading rumors.”

“Love you, Qiuqiu ~ It’s time for those haters to take a look. Qiuqiu’s official statement is that she’s not in love, you’re not allowed to spread rumors. It’s illegal to spread rumors!”

“Qiuqiu was only going to the restaurant for a meal. Besides, the food there is really delicious. Don’t let others with any ulterior motives deceive you.”

Many fans were commenting excitedly. After all, the trending topic had been trending for almost a day, and Xia Wanqiu finally responded.

When Xia Wanqiu responded, Yuehua Entertainment’s official Weibo account immediately reposted it.

On the other side, Su Xiaoyu bit her lollipop and commented on Xia Wanqiu’s Weibo.

[Sister Wanqiu and I were just going for a meal. That restaurant’s food is really delicious.]

Su Xiaoyu’s comments were quickly pushed to the front.

Even Su Xiaoyu stood up to refute the rumors.

After commenting, Su Xiaoyu went to sleep.

“Aiya, Sister Wanqiu, I can only help you guys here. Ahwooh, the dog is going to sleep,” Su Xiaoyu said, then took off her clothes, revealing her long, snow-white legs. She was preparing to take a bath, then have a good sleep after taking a bath.

On the other side, another trending topic was pushed to second place.

Lin Fan’s Restaurant—Hundred Flavour Garden

The comments below were all praising Lin Fan's restaurant.

"Wow, did you guys know? Boss Lin Fan's restaurant is really delicious. I think Qiuqiu and Xiaoyu went to the restaurant to eat delicious food."

"That's right. I even tried it today. It's really too delicious. It's a pity that it only opens for four hours a day. Other times, Lin Fan doesn't open a restaurant."

"It's said that good wine does not fear deep alleys. Could you tell me where Lin Fan's restaurant is?"

"I also went to Boss Lin Fan's restaurant to eat. It's really amazing. Lin Fan's dishes are even better than famous chefs'. However, the location is quite remote. Maybe it's because he doesn't have much money. Can I sponsor Lin Fan?"

After Xia Wanqiu posted on Weibo, the comments underwent a reversal.

No one scolded Lin Fan anymore. Instead, more people praised Lin Fan's restaurant.

This way, not only would the restaurant become popular, even Lin Fan would become popular.

All sorts of fans on the Internet took photos of Lin Fan, attracting the liking of many female fans.

Meanwhile, Lin Fan's Weibo was also found by the fans.

The number of fans increased from 132 to 10,000. 100,000... 1 million!

In just one night, the number of Lin Fan's fans had reached a million!

At that moment, Lin Fan was still cooking the braised fish seriously. He didn't know that he already had millions of fans.

At the same time, many companies started contacting Lin Fan.

There were restaurants, management companies, and live streaming companies. There were too many people who wanted to contact Lin Fan.

“200,000 a month. Invite Lin Fan to our company to be a chef and share some of the company’s shares with Lin Fan. Quickly contact Lin Fan!”

“Does Lin Fan have any plans to become an artiste? Seize the opportunity and find a way to contact Lin Fan. If Lin Fan becomes an actor, he’ll definitely become famous overnight! If Lin Fan can collaborate with Xia Wanqiu for a movie, I’m afraid it’ll completely blow up!”

“Does anyone know Lin Fan’s contact details? If you don’t, go to the restaurant and stop him. Our company is willing to take out a live broadcasting contract of five million dollars a year and quickly sign Lin Fan. If Lin Fan wants to raise the price, he can even get ten million dollars a year!”

“Hurry, hurry, hurry. Re-post Lin Fan’s news. Any news of Lin Fan must be reposted immediately. Lin Fan’s potential is too great. The company must capture such a talent!”

In this era, if there was popularity, there would be capital.

Lin Fan was handsome and his culinary skills were superb. What was even more amazing was that Lin Fan knew Xia Wanqiu.

Such a relationship was enough for countless people to value Lin Fan.

It wasn’t just those foodie fans or fans who liked him because of his looks. Lin Fan’s commercial value had increased rapidly.

It was too difficult for the current Lin Fan not to become popular.

After Lin Fan finished cooking dinner, he quietly tapped on his phone.

Lin Fan saw that there were countless private messages on his Weibo. There were all sorts of comments from various companies that wanted to work with Lin Fan, including the first-tier live broadcast company, Bilibili, Douyu, Huya, etc.

There were even all sorts of variety shows that wanted to invite Lin Fan and they were all private messages from official Weibo accounts.

The main reason was that none of these companies had Lin Fan's contact information!

Right now, Lin Fan had completely become a popular person!

### **Chapter 38: Fair Competition!**

"Sigh, I'm completely popular now." Lin Fan sat beside Xia Wanqiu and silently looked at all the news on Weibo.

His phone was almost jammed.

Fine, he had to buy a new phone.

As for how popular he had become, Lin Fan didn't care at all. No matter how popular he was, would he be as popular as his "wife"?

"People should be happy when they become popular. Why do I feel like you're different from others?" Xia Wanqiu looked at Lin Fan curiously.

"Handsome people will always have their troubles. There are usually many girls chasing and blocking me on the streets, wanting to take a picture with me."

"Now that I'm so popular, it's hard for me to keep a low profile," said Lin Fan. He just wanted to be a God-level nouveau riche quietly and live a relaxed life. The reason why he was always trending was because he was too handsome.

"Meow, meow ~ ~ You're asking for it!" Xia Wanqiu giggled.

"It's good to be popular. Actually, I also want to try a relationship scene, but there's never a suitable male actor." Xia Wanqiu sighed, looking a little disappointed.

Girls were naturally emotional. She could act better in some emotional scenes, but there was no other way. Although those male actors were handsome, Xia Wanqiu had no intention of working with them.

Shouldn't holding hands, hugging and kissing be done with the person you love?

Only when she was with the person she loved could she be more invested and her acting skills become more realistic.

"It's fine. There will be one in the future." Lin Fan smiled.

"Fierce!!! In the future, even if there's a suitable male actor, I don't want to act either." Xia Wanqiu flipped her long hair.

"Why?" Lin Fan asked. Looking at Xia Wanqiu, his heart felt warm.

"Hmph, there aren't so many reasons. If I don't want to act, then I don't want to act." Xia Wanqiu glared at Lin Fan. He was really a blockhead.

Her relationship scenes, her first kiss on the screen, why would she give it to those male actors? Those male actors might have great acting skills, but... they weren't Lin Fan.

Lin Fan could tell what Xia Wanqiu was thinking but he didn't point it out. He just touched Xia Wanqiu's cat ears hat and said, "If I become an actor one day, I'll act with you in a relationship scene. I'll be the male lead and you'll be the female lead. How about that?"

Xia Wanqiu's pretty face turned red, and she said coquettishly, "Shameless. Who wants to act with you? Do you want to bully me? Do you want to openly bully me while acting? Do you want to NG more than ten times with the director during kissing scenes?"

Lin Fan said righteously, "Why do I feel like I'm the one at a disadvantage when I'm filming a kissing scene with you?"

Xia Wanqiu heard that and her chest heaved up and down. She looked at Lin Fan angrily and bit towards his arm.

She didn't want to be a cat today. She wanted to be a dog.

Roar! Bite!

“It hurts, it hurts, be gentle...” Lin Fan said, “Are you a dog?”

“Ahwooh! Ahwooh!” Xia Wanqiu’s lips curled up. Who asked Lin Fan to bully her just now?

“You look like a husky when you howl.” Lin Fan chuckled.

“Ah ah ah, smelly Lin Fan, I’m not talking to you anymore!” Xia Wanqiu was so angry that her chest hurt. Damn Lin Fan. She was such a cute little puppy, yet she was called a husky?

...

At Yuehua Entertainment, Xu Yang sat in the office, silently reading the news on Weibo. He was lost in thought.

Faced with such a huge controversy, Boss Li was a little angry.

The most important thing for female celebrities was gossip.

If it was a normal official relationship, perhaps the fans would not be so agitated and would only give their blessings.

However, if a female celebrity had a scandal with an ordinary person, it would be fatal. No fans would tolerate it, and the company would not tolerate it either.

If the rumors were true, it would affect the career of female celebrities and they might lose their endorsement products. Many companies might not work with female celebrities.

Lin Fan and Xia Wanqiu’s high school photo, as well as the video of him protecting Xia Wanqiu at the entrance of the restaurant and beating up the burly man, were linked together and a rumor spread.

Although it was the top trending topic on Weibo, the impact was not fatal.

Why? Because there was no concrete evidence.

What could a high school photo prove? At most, it meant that they were close in high school.

Who didn't even have a photo with a classmate of the opposite sex in high school?

Hence, CEO Li only wanted to give Xia Wanqiu a warning. The company still followed the normal process of refuting rumors.

Xu Yang felt a glimmer of hope.

The reason why Xia Wanqiu hadn't filmed kissing scenes for so many years, how could it be because of Lin Fan?

In Xu Yang's eyes, Lin Fan was just a small fry who ran a restaurant. Even if Lin Fan signed a company and entered the entertainment industry, it would be extremely difficult to surpass him.

After this piece of news was exposed, Xia Wanqiu only needed one sentence to completely refute the rumors.

As expected, Xia Wanqiu's simple sentence immediately caused the reputation of the restaurant to turn around. Coupled with some of the company's operations, it also brought about the popularity of Lin Fan's restaurant.

However, Xu Yang felt his heart turn cold.

Xu Yang carefully looked at Xia Wanqiu's post on Weibo: [We're not together yet.]

To an ordinary person, it might seem like a simple denial, but Xu Yang did not think so.

Xia Wanqiu's denial actually had another meaning—"We're not together yet, but that doesn't mean we won't be together in the future."

As for the comments on the Internet, the ambiguity between the two of them, the photos, the crush, the love, or perhaps the reason why Xia Wanqiu didn't act in the kissing scene was because of Lin Fan.

Xia Wanqiu did not respond to all the comments.

She acquiesced.

In other words, there was a high possibility that the reason why Xia Wanqiu didn't act in kissing scenes and refused to get close to male actors was because of Lin Fan.

Xia Wanqiu was not denying the rumors. Instead, she was telling Xu Yang that the person she liked was Lin Fan.

"Wanqiu, are you trying to make me give up?"

"After spending so many years with you in the company, I thought that I would be able to win you over. Now, it seems like it was just a dream."

"But... relationships aren't child's play. Even the best of lovers might break up. Not to mention you two haven't really been together."

"Lin Fan, although my position is higher than yours, my background is deeper than yours, and my family is richer than yours, let's have a fair competition." Xu Yang looked up with some confidence.

With Lin Fan's ability, there was still a long way to go before he could get close to Xia Wanqiu's career.

At this thought, Xu Yang called his assistant.

"Master Xu, it's late. What's the matter?" the assistant asked.

"Contact Lin Fan and ask him if he wants to enter Yuehua as an artist. We can discuss the signing fee. He's a newcomer with potential. I can help him in the entertainment industry unconditionally," Xu Yang said.

Perhaps in the eyes of others, he would make use of his power and the advantage of being a celebrity to suppress Lin Fan and pursue Xia Wanqiu.

However, Xu Yang wanted to help Lin Fan. He wanted Lin Fan to join the company, cooperate with him, and compete fairly with him.

If Lin Fan's family was poor and he didn't have the resources to enter the entertainment industry, then he would do his best to help Lin Fan. If Lin Fan couldn't solve the problem, he would solve it.

"Okay." The assistant nodded, feeling a little surprised.

Xu Yang was not only Yuehua Entertainment's number one male artiste, but also Yuehua Entertainment's number one artiste.

His popularity was even higher than Xia Wanqiu's. In the entire entertainment industry, he held a pivotal position. If he wanted to promote a newcomer, then the resources of this newcomer would be unimaginable.

As long as the newcomer was outstanding enough, Xu Yang would personally promote them and they would definitely grow quickly.

The assistant didn't dare to imagine Lin Fan's future.

Lin Fan was handsome to begin with. If Lin Fan was willing to join Yuehua Entertainment, he would receive the help of Xu Yang, Xia Wanqiu, and Su Xiaoyu.

Perhaps it wouldn't be long before Lin Fan became an A-list celebrity!

Of course, Xu Yang did not know that the fair competition he wanted did not exist.

Xia Wanqiu refused to get close to any actor, but she was willing to be alone with Lin Fan.

If Xu Yang knew, he would doubt his life.

No matter how hard he tried, he was not on the same starting point as Lin Fan!

Chapter 39: Yes~

The next day, Lin Fan woke up and signed in.

Ding... congratulations host on obtaining [Author Level: Master Level]

Ding... congratulations host on obtaining [Screenwriter Level: Master Level].

“All the relevant information has automatically entered Master’s mind and is integrated into your memory.”

Lin Fan thought that he would be able to sign on to receive a luxury car or school district house. He didn’t expect to learn two skills this time.

After graduating from university, Lin Fan’s novels that he had written for three years had all ended in failure. Then, he opened a small restaurant and slowly worked to where he was today.

After learning these two skills, Lin Fan felt that there was a lot more professional knowledge in his mind. He could understand the pros and cons of a book in an instant. Even his understanding of scripts had increased by a level.

However, these skills didn’t seem to be of much use. Lin Fan had a house and a car now. He only wanted to collect rent every day. He was relaxed and content. Occasionally, he would flirt with girls. It wasn’t bad.

At that moment, Lin Fan’s phone rang.

“Hello, Mr. Lin. I’m Master Xu’s assistant. I’m here on behalf of Yuehua Entertainment to discuss a contract with you.” A female voice sounded.

“Yuehua Entertainment, Xu Yang?” Lin Fan replied.

Xu Yang was also an A-list celebrity and was very popular. He had a scandal with Xia Wanqiu and slept with her for a night. What did that have to do with Xu Yang?

Xu Yang wanted to steal his cat?

Lin Fan immediately understood. After all, Lin Fan had seen such comments on Weibo before. The only person who could match up to Xia Wanqiu was Xu Yang.

There were also some haters who criticized Lin Fan, saying that Lin Fan wasn't worthy of the current Xia Wanqiu.

Lin Fan didn't care about these comments, but the call from Xu Yang's assistant immediately perked him up.

It was fine to work with him, but it was too much to ask for his cat.

"Yes, Mr. Lin. Our company thinks that you have a lot of potential and wants to sign a contract with you to become an artiste of our company."

"I will also promise in the contract that I will give you no less than five shows and variety shows a year. Master Xu will also personally collaborate with you to film."

"Master Xu hopes that you can join the company, and the contract price for you is... one million a year. At the same time, this is only the most basic contract fee. We will give you a certain percentage of all the subsequent dividends from participating in variety shows and films. If you participate in five dramas or five variety shows in a year, then the total income you will receive will be over five million yuan."

"If Mr. Lin performs well, the company is willing to build a [Star Creation] program for you and nurture you to the best of their abilities. The remuneration will continue to increase according to your personal ability. If you can become an A-list celebrity, your annual income might reach tens of millions."

"Of course, if you can reach the level of Xia Wanqiu and Su Xiaoyu, the remuneration for a film might start at 50 million, or even more than 100 million," the assistant said, expressing Yuehua Entertainment's sincerity.

With an annual salary of at least a million, film resources, variety shows, and even the [Star Creation] project, anyone would be tempted by such conditions.

The key was that after entering the company, he could see Xia Wanqiu, Su Xiaoyu, Xu Yang, and other big-name celebrities often. If there was a chance, they could even work together.

Faced with Yuehua Entertainment's sincerity, Lin Fan only smiled.

Lin Fan didn't have much money and his bank account only had two million dollars. But most importantly, Lin Fan didn't lack money.

He was the second-largest shareholder of the New Era Lisheng five-star hotel, and he received tens of millions of yuan in dividends every year.

"I have no intention of joining Yuehua Entertainment for now. Sorry."

"Right now, I just want to collect rent, open a small restaurant and live a simple and peaceful life. Also, I don't lack money," said Lin Fan with a smile.

"Okay. If you have any thoughts of cooperating, you can contact me again," the assistant replied. She was a little surprised but did not say it out loud.

Because... Lin Fan had rejected Xu Yang's invitation!

...

"Meow, meow?" The girl's voice came from behind.

"Who asked you to sign the contract?" Xia Wanqiu's beautiful eyes looked at Lin Fan. She was wearing a facial mask and was a little curious.

"Xu Yang." Lin Fan looked at Xia Wanqiu and smiled.

"I didn't make things difficult for you, right?" Xia Wanqiu blinked, and her voice became gentle.

"No. The contract fee is one million dollars a year. There's also a Star Creation Project and countless resources and so on. I rejected it," said Lin Fan with a smile.

After hearing that, Xia Wanqiu was a little angry. She looked fierce and cute.

“Hmph, you’re my personal chef. Who dares to poach my people?”

“Even if they want to poach you, one million a year is too little,” Xia Wanqiu said gently. She took off her mask, revealing her breathtakingly beautiful face.

“My Little Piggy is right.” Lin Fan smiled.

“Stupid Lin Fan, who’s your little piggy? Shameless to the extreme.” Xia Wanqiu glared at Lin Fan and stretched her back. It felt really good to sleep in Lin Fan’s house for a night.

“Can you send me to Xiaoyu’s house? She and I have a new variety show to shoot, and we’ve taken on an advertisement in the past few days. We’re a little busy,” Xia Wanqiu said with a tired expression.

“Mmm, I know. You have to rest well after you’re done. You can’t overwork yourself,” Lin Fan said. He knew that Xia Wanqiu had been very tired these few days. She would only be so relaxed when she was by his side.

After hearing Lin Fan’s words, Xia Wanqiu was a little shy. Her beautiful eyes looked at Lin Fan. “Stupid Lin Fan, why are you suddenly so concerned about me?”

“You’re my big sugar mommy. Eating braised fish costs money. I can’t even open a small restaurant anymore. I’m just waiting to scam some of your food,” said Lin Fan with a smile.

Xia Wanqiu pouted and looked at Lin Fan pitifully, “Meow ~”

Looking at Xia Wanqiu, Lin Fan couldn’t bear to see her like this.

Women were so good at acting and so pretty. How could men stand it?

It was only Lin Fan who had strong self-control. If it was someone else with weaker self-control, they would have already gone up to eat her up.

“It’s mainly because... you look good.” Lin Fan spoke the truth. After all, Xia Wanqiu had good looks worth 9.9 points out of 10 and was very pretty. Occasionally, she was cute and her acting skills were superb. Her long legs were eye-catching and her breasts were big.

“Really?” Xia Wanqiu became even more shy. Her face was slightly red as she slightly lowered her head and lightly pursed her red lips like a pure and sweet girl.

“It’s fake. How pretty can a piglet be?” Lin Fan complained. If he praised Xia Wanqiu again, he really wouldn’t be able to take it.

“Meow, meow ~ I’ll bite you!” Xia Wanqiu bit down on him. Her innocent and naive image from before was completely gone.

After the two of them bickered for a while, Xia Wanqiu’s face turned pink and she panted heavily.

Lin Fan was the same. The sofa was in a mess.

“When are you going to film a movie? I haven’t seen your work in a year.” Lin Fan looked at Xia Wanqiu and asked.

“Well... there aren’t any good scripts. Some scripts are better, but there aren’t any suitable guys to act in them, so I haven’t acted in a year.” Xia Wanqiu flipped her long hair and smiled gently, as if she didn’t care at all.

“Lin Fan, I remember that you used to write books. If you have time, do you want to write a script for me? Hmm... the kind that doesn’t involve kissing.” Xia Wanqiu looked at Lin Fan expectantly.

“Writing scripts? I can give it a try. I’ve written a lot of scripts in the past, but I’ve never published them.”

“However, without the relationship scenes, it would be more difficult for the script to stand out. After all, the market is more interested in watching the male and female leads’ good looks and relationship scenes. Of course, the plot is also the most important,” said Lin Fan.

“No, I don’t want to kiss anyone else.” Xia Wanqiu pouted. This was her bottom line. She knew that the market was changing as well, but she didn’t want to give her first kiss to other celebrities.

Lin Fan looked at Xia Wanqiu and was very angry. If she didn’t produce anything in the entertainment industry for a few years, no matter how popular she was, she would be forgotten very quickly.

Just relying on variety shows and advertisements could not allow her to penetrate into the memories of the people.

Only works could allow an artiste to stand firmly in the entertainment industry.

But Xia Wanqiu was unwilling to kiss.

Lin Fan understood.

It just so happened that he had the skills of a master writer and a screenwriter, so it was not difficult for him to come up with a good script.

For Xia Wanqiu's future, if I don't enter hell, who will?

Lin Fan looked at Xia Wanqiu who was still pouting and patted her head. He smiled and said, "I'll help you write the script. I'll act this scene with you. How about it?"

Xia Wanqiu raised her beautiful eyes and looked at the serious Lin Fan. Her smile could topple cities.

"~ ~ ~"

"Yes!"

#### **Chapter 40: Damn Lin Fan Took Her Cat Away**

After Xia Wanqiu nodded, her face turned red.

"Stupid Lin Fan, are you trying to bully me again?" Xia Wanqiu raised her beautiful eyes. Lin Fan actually wanted to act with her. Wasn't he trying to bully her?

"Am I that kind of person?" Lin Fan asked righteously.

"Who knows?" Xia Wanqiu muttered softly.

“Do you really believe that I can write a script? After graduating from university, I wrote for three years. No one read the books I wrote and I was often rejected by publishers,” said Lin Fan with a smile.

Xia Wanqiu looked at Lin Fan and smiled sweetly. “Mmm, I believe you.”

It wasn't that she didn't want to film a kissing scene, she just wanted to film a kissing scene with the right person.

But that right person never appeared.

The right script did not appear either.

However, she had an inexplicable trust in Lin Fan. She believed that Lin Fan would definitely be able to write a good script.

“Then I won't let you down. The prerequisite is that I have to collect money for the script.” Lin Fan smiled. He had finally written a script and of course, he had to earn money. He wouldn't write it for nothing.

“Of course, I'll help you earn a fortune.” Xia Wanqiu made a cute expression.

“I'm going to shoot an advertisement with Xiaoyu for the next few days. I'll be filming a variety show soon, but during my break, you have to come to the company to pick me and Xiaoyu up for dinner.”

“I paid for it.” Xia Wanqiu winked at Lin Fan. “You're not allowed to reject it. Prepare a vegetable salad for me every day ~”

“Let's go. Send me to Xiaoyu's house. I still have work today. Here's the address.” Xia Wanqiu sent the address to Lin Fan.

“Get in the car.” Lin Fan brought Xia Wanqiu out of the door and went to the garage.

When she opened the garage door, Xia Wanqiu was stunned.

In front of her were two cool sports cars and a tricycle.

She still knew these two cars. The first was Bugatti La Voiture Noire, and the second was Koenigsegg One.

Both sports cars were worth hundreds of millions!

There was no doubt that both cars were limited edition sports cars.

Since when did Lin Fan live in a villa with two sports cars?

Xia Wanqiu was seeing things.

Her beautiful eyes were a little moist. To fight to such an extent, what kind of hard work had Lin Fan put in during his university days and three years since graduation?

She wasn't like other girls who would scream and admire sports cars or even want to throw themselves at Lin Fan. She wasn't a materialistic girl.

She only felt her heart ache for Lin Fan subconsciously. If he wanted to fight for an asset worth hundreds of millions, he would have to go through unimaginable hardships.

Xia Wanqiu turned around and looked at Lin Fan. Her voice became gentle as she said, "Lin Fan, all these years, we haven't contacted each other much. You must have had a hard time."

Lin Fan smiled and opened the Bugatti's car door. He said, "It's nothing. Get in. Wear your mask and hat. Don't let anyone recognize you."

Xia Wanqiu pouted. She had hundreds of millions of yuan worth of assets too, and only she knew the hardships required to obtain them. She had also started from zero and slowly developed until now.

Stupid Lin Fan. He had worked so hard but he still didn't tell her.

When it came to entrepreneurship, she was willing to help Lin Fan. However, Lin Fan never came to her for help.

After they got into the car and fastened their seatbelts, Lin Fan brought Xia Wanqiu along as they drove towards Shanghai.

Many girls screamed along the way.

“Ah ah ah, Bugatti, I see the hunk driving the Bugatti again. This hunk is super handsome!!”

“What’s so cool about it? Maybe there’s a hunk in the car. This car might only be worth a few million. It might even be a second-hand car. What’s there to brag about?”

“Pfft, what do you know? This is a limited edition sports car, how can it be second-hand? And its price is 126 million!”

“A few days ago, I saw hunk driving a Bugatti on the streets. Maybe he doesn’t have a girlfriend yet.”

“Oh dear, if only I could have such a handsome boyfriend. The main thing is, I’d like to ride in a sports car like Bugatti. Maybe this hunk’s stamina is very good and he can do it in the car...”

....

Xia Wanqiu could see the people outside the car window, but the people outside could not see her.

Every time she saw these girls’ expressions, she couldn’t help but smile brightly.

She understood why Lin Fan did not want to become popular. She also understood why Lin Fan was unwilling to accept Xu Yang’s invitation to become an artist of the company.

Just driving the sports car alone made so many girls chase after Lin Fan. If he became popular, wouldn’t there be even more girls?

Xia Wanqiu felt warmth in her heart.

For the past few years, Lin Fan had never been in a relationship. Was it because of her?

Soon, Lin Fan arrived at Su Xiaoyu's house.

Su Xiaoyu had been waiting here for a long time. She held a thick cucumber in her hand and there was no one around.

After taking a bite of the cucumber, Su Xiaoyu saw a Bugatti parked downstairs.

Opening the car door, Lin Fan and Xia Wanqiu alighted.

Su Xiaoyu was stunned.

She looked at Lin Fan with her beautiful eyes and stood rooted to the ground.

She had thought that Lin Fan would be riding a tricycle or driving an ordinary car. But how could she have known that Lin Fan was driving a Bugatti!

Su Xiaoyu did not recognize the Bugatti, but she had her phone. After a quick search, she realized...

It turned out that this Bugatti was a limited edition luxury car in the world. It was priced at 126 million yuan, making many rich second-generation heirs flinch.

Even Su Xiaoyu couldn't afford such a sports car. If he had more than 100 million in liquid funds to buy a sports car, how rich would Lin Fan be?

Lin Fan's assets had to be worth at least 500 million or even one billion!

This was a conservative estimate by Su Xiaoyu. Who would have thought that Lin Fan was even richer than her!

"Sister Wanqiu, Lin Fan has such a good sports car. 126 million. Why haven't I heard of it before?" Su Xiaoyu came back to her senses and held Xia Wanqiu's arm.

“He also has a Lake Heart Villa that’s worth over 200 million in the Blue Wave Bay District. He opened a small restaurant just to enjoy life. Lin Fan is even more amazing than the two of us.” Xia Wanqiu looked at Lin Fan with her beautiful eyes and praised him. However, she was a little happy in her heart. After all, who wouldn’t want their little piggy to be outstanding?

“Wah wah wah wah!!! Awooh, Lin Fan, can I acknowledge you as my master?”

“Master is on top, I’m on the bottom. Let me cozy up to you, okay?” Su Xiaoyu looked surprised. A 200 million Lake Heart Villa and a 100 million sports car. It turned out that Lin Fan was so outstanding.

Although she was also a big star, the remuneration she earned had to be split by the company. Although she could also afford a villa and sports car, she would be completely broke after buying them.

Earning four to five hundred million yuan in cash was very difficult for her and Xia Wanqiu, who had just entered the entertainment industry for a few years, even though they were already big stars.

“Xiaoyu, take note of your image.” Xia Wanqiu giggled and scratched Su Xiaoyu with a red face.

“Ahwooh! Lin Fan, can I go to your house in the future? Hehe, I’ll go to your big villa with Sister Wanqiu to freeload off you!” Su Xiaoyu cheered, still unable to conceal the excitement in her heart.

“Of course.” Lin Fan smiled.

Looking at Lin Fan and Xia Wanqiu,

Su Xiaoyu blinked and suddenly understood something. She looked at Xia Wanqiu and Lin Fan and asked softly, “Sister Wanqiu, were you at Lin Fan’s house last night?”

After hearing Su Xiaoyu’s words, Xia Wanqiu lowered her head and blushed even more.

Seeing Xia Wanqiu’s reaction, how could Su Xiaoyu not understand?

That despicable Lin Fan had actually taken away her cat so quickly!

.....
