

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 390-394

Chapter 390: Since You Want to Fight, Bring It On!

Xia family.

When Gao Yong entered, he was cheered on by everyone.

After all, his identity was obvious.

Gao Yong saw Lin Fan immediately and his eyes darkened.

He was from Jiang City, and the Xia family was also in Jiang City.

It could be said that the Gao family and the Xia family had been working together for a long time.

The girl Gao Yong liked the most was Xia Wanqiu.

Therefore, Gao Yong immediately planned to deal with Xia Wanqiu's father.

In fact, the effect was very good.

The cooperation of the Gao family and the Xia family made both companies earn a lot of money.

The Xia family and the Gao family also had a large scale in Jiang City.

Gao Yong also had a good relationship with Xia Wanqiu's father and was a business partner.

When Gao Yong found out that Xia Wanqiu had become a big star but had never filmed a kissing scene, he was extremely happy.

Who wouldn't like such a pure and beautiful girl?

But... not long after, Xia Wanqiu got together with Lin Fan.

Earlier, Gao Yong investigated Lin Fan and realized that he had opened two entertainment companies. That was all.

What made Gao Yong even angrier was that Lin Fan even filmed a kissing scene with Xia Wanqiu.

Gao Yong could not accept such an ending.

He had schemed for so long and even Xia Wanqiu's father was almost done. However, the final victory was taken away by Lin Fan.

Today, Gao Yong drove his Maybach here.

He wanted everyone to see how strong the Gao family was.

He wanted Xia Wanqiu to know how many times better than Lin Fan he was.

....

Gao Yong walked in and towards Lin Fan.

Lin Fan extended his hand and prepared to shake hands with Gao Yong politely.

However, Gao Yong ignored Lin Fan and didn't shake his hand.

The security guard in black beside Gao Yong looked at Lin Fan in disdain and said disdainfully, "In the future, before you shake hands, open your eyes and see clearly what kind of person CEO Gao is. Is he someone you can get close to?"

The security guard's sarcasm made the surrounding atmosphere stiffen.

Lin Fan's hand stopped in midair as he looked at Gao Yong.

As the male lead, Lin Fan immediately felt Gao Yong's hostility.

There were many people in the world who looked down on others, and Gao Yong was one of them.

Everyone around looked at Lin Fan.

One could imagine how awkward it would be if you extended your hand to Boss Ma in public, but Boss Ma ignored you and the security guards beside him mocked you.

The atmosphere turned silent.

No one spoke.

One could hear a pin drop.

The eldest son of the Gao family, Gao Yong, the existence of Jiang City, didn't give Lin Fan any face.

Gao Yong didn't want Lin Fan to leave the stage at all.

Soon, Xia Wanqiu walked to Lin Fan's side and smiled sweetly. She held Lin Fan's arm and looked at the security guard and Gao Yong. "This is my boyfriend, Lin Fan. The security guard is right. Everyone in the Xia family can't match up to CEO Gao's status. Why did CEO Gao come to the Xia family?"

Xia Wanqiu's words were very obvious.

If the people around Gao Yong were disrespectful to Lin Fan, Xia Wanqiu wouldn't respect them either.

When Gao Yong heard that, his expression did not change. He smiled and said, "Qiuqiu, so it's your boyfriend, Lin Fan. I didn't discipline the servant well and let him speak nonsense outside."

"Lin Fan, the chairman of Jiaxing Entertainment and Emperor Entertainment. Not bad. The market value of both companies is four billion. However, Jiaxing Entertainment has just been established. I'm afraid they don't have much cash. If you have any difficulties, you can look for me," Gao Yong said calmly as he looked at Lin Fan.

Xia Wanqiu defended Lin Fan in front of him, which made Gao Yong's expression even gloomier.

The woman he liked had become someone else's girlfriend.

How could he tolerate such a thing?

If he hadn't established a good image in front of Xia Wanqiu, Gao Yong wouldn't even have bothered with Lin Fan.

Lin Fan smiled and said, "Jiaxing Entertainment doesn't need anyone's help."

Seeing that the two big shots were hostile to each other, Xia Lan hurriedly came out to smooth things over.

On one hand, it was Gao Yong. The Xia family could not afford to offend him.

On the other hand, Lin Fan was also a big boss. Furthermore, Lin Fan was Xia Wanqiu's boyfriend. Just this status alone couldn't let Lin Fan suffer.

As they spoke, Old Master Xia arrived.

Xia Wanqiu's father, Xia Jiancheng, was also here.

"What are you talking about?" Old Master Xia asked. Even though he was already old, he still walked with a hint of dignity.

When they saw Old Master Xia and Xia Wanqiu's father, many relatives hurriedly surrounded them.

The status of the Xia family's old master was naturally self-evident.

When he saw Old Master Xia, Gao Yong immediately walked up. "It's me, Gao Yong. I wish Old Master a happy birthday and a long life!"

When the old man saw Gao Yong, he smiled in relief. "I didn't expect so many people to come for my birthday. It's rare for you to take the time to celebrate my birthday with me."

Gao Yong laughed and walked forward to support Old Master Xia. "No, no."

Old Master Xia also saw Xia Wanqiu. "My precious granddaughter is here too. It's been half a year."

Xia Wanqiu also walked to the other side of Old Master Xia and smiled. "It's been a long time since I last came to see Grandpa. I wish Grandpa a happy birthday ~"

Lin Fan just stood in the distance and watched.

He could tell at a glance that Gao Yong liked Xia Wanqiu very much.

Furthermore, Gao Yong had a good relationship with Old Master Xia.

If Gao Yong wanted to woo Xia Wanqiu, he could do it through Old Master Xia. Then, Old Master Xia might agree.

Furthermore, he knew that Gao Yong and Xia Wanqiu's father had a good relationship.

Lin Fan had settled Xia Wanqiu, and Gao Yong had settled Xia Wanqiu's father and grandfather.

If Xia Wanqiu's father and grandfather gave her pressure, would they let her marry Gao Yong?

Now that it was Xia Wanqiu's grandfather's birthday, Gao Yong walked up consciously.

Xia Wanqiu was the old master's granddaughter, so she had to go up.

Lin Fan had thought that Gao Yong was here to target him.

Unexpectedly, Gao Yong was here to snatch Xia Wanqiu.

How could he tolerate such a thing?

Furthermore, Lin Fan could tell that Gao Yong was here to show off.

If they were to compete in showing off, Lin Fan might not be able to win against Gao Yong now.

Of course, Xia Wanqiu would also care about Lin Fan's feelings. When she helped Old Master Xia sit on the main seat, Xia Wanqiu took the initiative to walk in front of Lin Fan. She held Lin Fan's arm and smiled sweetly. "Grandpa, I forgot to introduce you. This is my boyfriend, Lin Fan ~"

Lin Fan also walked in front of Old Master Xia. "Hello, Grandpa. I'm Wanqiu's boyfriend, Lin Fan. I'm here today to celebrate your birthday with you. Happy birthday, Grandpa."

After saying that, Lin Fan looked at Gao Yong.

Others could even try to steal his girlfriend.

How could he tolerate such a thing?

If he did not perform well today, he would definitely lower his score in the hearts of Old Master Xia and Xia Wanqiu's father.

Since he wanted to fight...

Then, bring it on!

Chapter 391: Old Master Xia's Favor, Su Muqing Arrives!

The old man sized up Lin Fan and nodded. He wasn't as enthusiastic as he was towards Gao Yong.

Beside him, Gao Yong also smiled meaningfully, as if he was already declaring victory.

Xia Wanqiu's marriage had to be approved by her grandfather.

Gao Yong's relationship with the old man was obviously better.

Lin Fan had just arrived. To the old man, they had just met. His attitude was very normal.

He could feel the premonition of war.

This was Gao Yong's challenge to him. Lin Fan naturally wouldn't back down.

After Lin Fan wished the old man a happy birthday, he immediately looked at Xia Wanqiu's father and smiled. "Hello, Uncle Xia."

Xia Wanqiu's father, Xia Jiancheng, also smiled. "You're Wanqiu's boyfriend? You took so long half a year ago. I've only seen you today. Not bad, you're even more handsome than the young man in the photo."

The old man was also sizing Lin Fan up.

He deliberately pretended to be cold.

Lin Fan was going to snatch his granddaughter away.

Who could accept this?

The old master doted on Xia Wanqiu the most in his life, but she was going to be taken away.

At this moment, Gao Yong started to strike first.

Clap, clap, clap.

Gao Yong applauded gently.

At the door, a row of men in black walked in with exquisite wooden boxes.

"Old Master, today is your birthday. The Gao family has some gifts for you."

“The flying phoenix gifts a golden comb.”

“For smooth lucky, here’s a jade abacus.”

“As a pair of dragon and a phoenix, here’s a pair of golden bracelets.”

“The moon in the sky, a night pearl.”

“Sky Golden Pearl, one precious pearl.”

“A show of love, a set of golden bowls and chopsticks.”

“I know you like to collect porcelain, Old Master. I specially gave you a Primeval Azure Flower Ghost Valley Vase.”

“The value of these gifts is not very high. I hope that Old Master will accept them. I wish Old Master luck and longevity!”

Gao Yong sent someone to bring so many gifts with a calm expression.

He stood there, feeling the joy of showing off.

Each of these gifts was priceless.

The golden comb, golden bracelet, night pearl, and precious pearl all sounded priceless.

Coupled with the last “Primeval Azure Flower Ghost Valley Vase”, it could be said to be porcelain from an extremely historical era.

When Gao Yong took out so many gifts, the entire Xia family was shocked.

“D*mn, I’ve searched up this porcelain. It’s worth 249 million. All the gifts might add up to 300 million.”

“What? A gift of 300 million... CEO Gao is really generous. He gave a gift of 300 million at once.”

“CEO Gao is too rich. As expected of a big boss in Jiang City. I’m afraid only CEO Gao can give such a gift.”

Seeing the porcelain, the old man naturally liked it very much. He liked to collect these porcelain antiques the most.

The old man was shocked and said, “This is Yuan Dynasty blue and white porcelain, and it’s real. This is something worth 249 million...”

Gao Yong laughed and said, “It’s fine. It’s fine as long as you like it. As a birthday gift, you have to accept it.”

The old man smiled and said, “Then I’ll accept it. Gao Yong can already support the Gao family now. You can say that he’s really young and promising. You guys have to learn from Gao Yong.”

Faced with the old man’s praise, many relatives and friends looked at Gao Yong enviously.

A few girls even wanted to throw themselves at him.

The reality was always like this. The rich would never lack women by their side, especially tycoons like Gao Yong, the future heir of the Gao family.

Gao Yong looked at Lin Fan and smiled. “I wonder what gift Lin Fan prepared for Old Master.”

Gao Yong’s security guard also said, “The superstar, Lin Fan, can definitely afford very good gifts. He shouldn’t disappoint everyone.”

Xia Lan and Su Guoqiang looked at Lin Fan expectantly.

After all, Lin Fan was the big boss of the four billion company. He definitely wouldn’t disappoint everyone.

However, what was certain was that no matter what gift Lin Fan gave, it couldn't compare to Gao Yong's.

Gao Yong directly displayed a blue and white porcelain vase that was worth hundreds of millions. Who could compare to this?

Only a tycoon like Gao Yong could casually take out 300 million and give it away.

Lin Fan smiled and said, "Grandpa, I didn't prepare any expensive gifts for your birthday this time. I did prepare some tea leaves for you. West Lake Longjing, Anxi Iron Guanyin, and Da Hong Pao. These tea leaves taste very good. I also brought you a few bottles of wine. This is National Cellar 1573, this is 1960s Wuliangye, and there's also wheel-brand Maotai wine. You can try them all."

When they saw Lin Fan's gift, the bodyguard in black beside Gao Yong couldn't help but laugh. "CEO Lin's gift is really different from ordinary people's. These tea leaves are probably worth tens of thousands. These wines are not bad either. They're probably worth hundreds of thousands."

Gao Yong shook his head. He thought that Lin Fan was someone who could at least give some decent gifts.

In the end, Lin Fan's gifts were all cheap things. How could they compare to him?

Xia Lan hurriedly smiled and said, "These gifts are fine. They're all good tea and wine. They're worth hundreds of thousands."

When the old man saw these gifts, he smiled. "Sure, Lin Fan is thoughtful. It's not bad to drink tea."

Chapter 392: Old Master Xia's Favor, Su Muqing Arrives!

Lin Fan looked at Xia Wanqiu in surprise. Didn't she say that her grandfather liked to drink tea and wine the most?

In the end, why did he look like he did not want to talk to him? His expression was completely different from when Gao Yong gave his gift.

After a while, many gifts from relatives and friends were given to the old man.

After that, Gao Yong and the others left the Xia family.

Many relatives and friends also had lunch together.

In the afternoon, the old man carefully opened the tea leaves that Lin Fan had given him. He walked forward and smelled them. Instantly, the coldness and seriousness on his face disappeared and he smiled.

As for the porcelain from Gao Yong, it was placed in an underground corner by the old man. That kind of collection was suitable for watching from afar.

The old man took some tea leaves and placed them in the teacup. He poured hot water into it and started to make tea.

The fragrance of the tea leaves filled the air, and the old man felt refreshed.

“Dad, how are the tea leaves and wine?” Xia Wanqiu’s father, Xia Jiancheng, asked with a smile.

“Haha, Lin Fan is really thoughtful. He knows what I like and gave me tea leaves and wine. These West Lake Longjing tea leaves, Anxi Iron Guanyin, Da Hong Pao are all really good tea leaves. Furthermore, they are good tea leaves produced in Yungui District during the founding of the country. They should have been preserved for nearly 70 years. These tea leaves can be said to be out of production. The tea leaves now no longer have the taste of the past.”

“I didn’t expect Lin Fan to give me such good tea leaves. There are only so many of these tea leaves in the world. I heard that they’re not for sale. I wonder where Lin Fan got these tea leaves from.”

“Look at the taste of this tea... It’s really too delicious.”

“There’s also these wines. Every bottle of wine is already out of print. There are only three bottles of wine in the national cellar 1573. It’s a special wine for national banquets. Ordinary people can’t drink it.”

“Also, this 1960s Wuliangye is brewed in the 1960s. It’s the only bottle in the world!”

“This wheel brand Maotai was produced in 1959. At that time, it was worth at least a million yuan. Guess how much this wine is worth now. These wines all have historical memories and are all out of stock.”

“Lin Fan must have put in a lot of effort to prepare so many gifts for me. Hahaha.” The old man carefully put away the tea leaves and wine, forming a sharp contrast with the porcelain that was casually placed underground.

It was obvious what gift the old man preferred.

Hearing the old man say this, Xia Jiancheng was a little dumbfounded.

“Dad, in other words, these wines and tea leaves are the best of the best. Many people can’t even buy them. Can I drink a little?” Xia Jiancheng asked expectantly.

“I can give you a cup of tea. Don’t even think about the wine. I have to treasure this wine and savor it slowly,” the old man said. He protected the wine and the smile on his face became even more obvious.

“Dad, why are you so selfish? It’s just a glass of wine.” Xia Jiancheng was unhappy.

“What do you mean by a glass of wine? This is a limited edition wine. It was even given to me by my grandson-in-law. Hahahaha.” The old man smiled even more brightly.

“Dad, why are you calling him your grandson-in-law?” Xia Jiancheng was even more unhappy. The old man’s expression changed too quickly. In the morning, he seemed to like Gao Yong more and was very cold to Lin Fan. Why was he calling him his grandson-in-law when he got home?

“What do you know? Don’t you see how much Wanqiu likes Lin Fan? On the other hand, Gao Yong doesn’t know how to act decently. He’s far inferior to Lin Fan,” the old man said. “Do we need an outsider to point fingers at the man my granddaughter likes?”

Xia Jiancheng nodded. “Indeed, there’s a difference between Gao Yong and Lin Fan. Although he’s indeed much richer than Lin Fan, in terms of character, he’s still far inferior. Wanqiu didn’t choose the wrong person. Let me drink this tea too.”

The old man was anxious. “Pour less, pour less. There’s only so little tea leaves and you still poured so much.”

Xia Jiancheng smiled bitterly. "I only poured a little."

The old man said, "I won't let you drink it next time. What a waste."

Looking at such a "petty" old man, Xia Jiancheng could only smile bitterly.

Who asked Lin Fan to give her such a good gift...

To others, this was only a gift worth hundreds of thousands.

Only someone like the old man who knew his stuff could know that these gifts were truly priceless.

"It's delicious, it's delicious... Dad, this tea is too delicious. It tastes mellow and fragrant. One sip and I'll never forget it." Xia Jiancheng was stunned. No wonder the old man liked this tea so much.

If it were him, he would like it very much too.

"Needless to say, Lin Fan's gift is really good." The old man's smile became even brighter.

"Dad, then why was your attitude towards Lin Fan in the morning so cold?" Xia Jiancheng was puzzled.

The old man shook his head and said, "I only have two granddaughters. One of them has already been snatched away by Lin Fan. My precious granddaughter, Qiuqiu, is about to be stolen by Lin Fan. How can I not be angry?!"

"From another perspective, I'm also protecting Lin Fan. After all, Gao Yong is still present. If I treat Lin Fan too well and Gao Yong targets him, I'm afraid Lin Fan's two companies won't be able to stop him. Our Xia family won't be able to stop the Gao family either..."

After all, the Gao family was a tyrant in Jiang City. If they really attacked, it would be difficult for many companies to withstand their fierce attacks.

Chapter 393: Old Master Xia's Favor, Su Muqing Arrives!

Xia Jiancheng shook his head. "Dad, there's still Xiaoyu. With Xiaoyu around, how can we be afraid of the Gao family?"

The old man's eyes lit up. "Haha, Xiaoyu is also my granddaughter. She didn't come to see me this time and didn't celebrate my birthday with me. I wonder how Xiaoyu is doing..."

Xia Jiancheng sighed. When he thought of Su Xiaoyu, he felt that he had lost money.

Although Su Xiaoyu was not his biological daughter, he was willing to treat her like his own daughter.

Su Xiaoyu's biological mother rarely saw her, causing her childhood to be very lonely.

After a moment of silence, Xia Jiancheng changed the topic. He looked at the old man and asked, "Dad, what do you think of Lin Fan?"

The old man thought for a moment and said, "Lin Fan knows how to be polite and is ambitious. Furthermore, Lin Fan's character and character crush Gao Yong's in all aspects. Today, Gao Yong and the security guards around him targeted Lin Fan twice. The second time, they even directly mocked Lin Fan for giving ordinary gifts. The surrounding people were very embarrassed. Anyone else would have come out to explain, but Lin Fan didn't."

"From beginning to end, Lin Fan's performance was very good," the old man praised.

Xia Jiancheng frowned and said, "Dad, it can be understood that Lin Fan doesn't dare to stand up for himself or explain himself. He's more cowardly."

The old man smiled calmly. "No, Lin Fan isn't that kind of person. Let's not talk about who's better between Lin Fan and Gao Yong. I've investigated everything that happened to Lin Fan previously."

"There was a company's CEO who wanted to sleep with my granddaughter. Lin Fan stood up and publicly slapped that company's CEO to take revenge. In the end, the company declared bankruptcy the next day."

"Lin Fan even saved a little girl on the streets. Her name was Tang Xinran. Because of that, he destroyed a sports car worth hundreds of millions. Although it was repaired later, after the sports car was damaged, it could no longer be compared to the original sports car. This means that Lin Fan doesn't value money that much."

“Most importantly, I can tell Lin Fan’s character. He can even protect an unfamiliar little girl, so how can he not protect my precious granddaughter?”

“Today, Lin Fan faced mockery and didn’t stand up because he didn’t want to ruin the atmosphere at his birthday. It doesn’t mean that he’s afraid.”

“Also, what I want to tell you is that the beautiful assistant beside Lin Fan is called Su Muqing. Su Muqing is the second daughter of the Su family. The Su family is the head of the four major families in Shanghai. Their overall strength is not weaker than the Gao family. However, the Su family is willing to let their precious daughter be Lin Fan’s assistant. If Lin Fan doesn’t have the ability, how can Su Muqing be willing to be Lin Fan’s assistant?”

“As far as I know, Su Muqing’s ability is definitely not inferior to Gao Yong’s. Although she can’t compare to Xiaoyu, she’s just as amazing as Xiaoyu,” the old man said.

Xia Jiancheng nodded. “In that case, Lin Fan is really a good person.”

...

Lin Fan and Gao Yong fought a battle that hadn’t started yet.

That afternoon, Gao Yong was already overjoyed.

He saw the difference in the old man’s attitude towards him and Xia Wanqiu.

“It looks like it should be easy to deal with Old Master and Xia Jiancheng.”

“The person we have to settle for now is Xia Wanqiu. She embarrassed Lin Fan in the Xia family today. Compared to her, Xia Wanqiu must feel embarrassed because of such an incompetent boyfriend, right?” Gao Yong smiled calmly.

The security guard in black beside him smiled and said, “CEO Gao, as long as we can settle Xia Wanqiu, there won’t be a big problem. Lin Fan is just the boss of a small company. He’s just in the entertainment industry. Compared to you, CEO Gao, he’s nothing.”

“Does he think he’s worthy of fighting with you for Xia Wanqiu? Does he really think that he can eat just because he’s handsome? This is society. This is reality,” the security guard said.

Gao Yong nodded. “Yes, let’s go.”

“What I need to do next is to settle Xia Wanqiu. With my charm, what woman can’t I settle?”

“Xia Wanqiu, you belong to me!”

...

At the same time, a girl had already arrived in Jiang City.

Behind her were many bodyguards from Jiaying Entertainment.

Su Muqing was here too.

Initially, Su Muqing didn’t plan to come. However, she was Lin Fan’s assistant. Even if she wasn’t by Lin Fan’s side, she could still think of a way to know what happened to him.

Especially when Su Muqing found out about what happened today and took a plane to Jiang City.

“Miss Su, everything has been arranged,” a security guard said.

“Yes.” Su Muqing nodded gently.

Su Muqing raised her beautiful eyes with a hint of coldness.

She was originally a pure and sweet girl, but after knowing what happened today, she could no longer suppress the anger in her heart.

She also wanted Gao Yong to know that there was always someone better!

In the past, the Su family was not afraid of the Gao family.

And now, other than being the second daughter of the Su family, she was also Lin Fan's assistant in various companies.

Including... Bugatti, Estee Lauder, LV, Chanel...

And most importantly, Alibaba!

Su Muqing brought her people and set off together.

As Lin Fan's assistant, no matter what, she would be by his side.

"If someone bullies the boss, no matter who it is, I won't agree."

"Today, we have to humiliate Gao Yong back how he treated our boss!"

...

Chapter 394: Su Xiaoyu Is Here Too

In the afternoon, at the Luohe Park.

Lin Fan drove the Koenigsegg One to pick up Su Xiaoyu, who had just arrived in Jiang City.

Su Xiaoyu was wearing a JK dress, revealing her snow-white long legs. She was filled with youth and vitality.

"Master, Master, long time no see." Su Xiaoyu sat on a park bench and looked at Lin Fan.

"Why are you in Jiang City? You even secretly called me and asked me to pick you up," said Lin Fan. He sat on the bench and looked at Su Xiaoyu.

"Aiya, I forgot the way." Su Xiaoyu lowered her head.

“???” Lin Fan.

Didn't she use her brain to lie?

Some people were really directionally challenged and could not even find their way.

However, Su Xiaoyu was a genius girl. Not to mention a few sections, she could even memorize countless complicated formulas, let alone a few sections.

Even if she didn't know the way, how could she not recognize the map?

Su Xiaoyu smiled sweetly. “Master, you don't have to care about so many details. Today is Grandpa's birthday, so of course, I have to come. I was also afraid that someone would want to bully Master, so I rushed over to help you.”

“Help? Are you wearing this to help?” Lin Fan placed his hand on Su Xiaoyu's long legs.

Su Xiaoyu blushed and pushed Lin Fan's hand away. “Ah ah ah, Master, where are you touching? Others will see you. Sister Wanqiu isn't around, you can't bully me like this. Boohoo.”

Lin Fan knocked Su Xiaoyu's head. “You still know how to be taken advantage of? You went out alone and you're still wearing a JK short skirt. Are you wearing safety pants? Is there anyone protecting you? You know that there are so many bad people now. What if someone wants to bully you?”

“You can't even find your way home alone. How dare you come out? What if a criminal sees you and has designs on you? You're still a big star. You've never even taken a kissing scene before. What if you're bullied?”

Lin Fan asked a series of questions as he looked at Su Xiaoyu.

Su Xiaoyu stuck out her tongue. “Hmph, you can't touch my legs.”

Lin Fan said, “I'm telling you that you can't wear such a short dress, understand?”

Su Xiaoyu shook her head. "I don't know ~ I only know if Master is jealous and if he likes me."

Lin Fan stood up. "Alright, let's not talk about this. Prepare to go home for dinner. Also, if you don't know the way in the future, you have to tell me in advance. I'm worried about you being alone outside."

Su Xiaoyu stood up as well. A breeze blew through Su Xiaoyu's hair. She nodded gently. "Yes!"

Lin Fan smiled brightly. "Mmm, I'm not pretending to be cute now."

Su Xiaoyu pouted. "Ahwooh, I'm not pretending to be cute. I've always been so cute ~"

Lin Fan rubbed Su Xiaoyu's head and smiled. "Let's go home. I wasn't planning on making a feast. Since you're here, I'll make a feast."

Su Xiaoyu nodded. "Alright, I can eat Master's noodles again."

Sitting in the car, Lin Fan brought Su Xiaoyu back to the Old Master's house.

After returning home, Su Xiaoyu did not see Old Master and Xia Jiancheng.

Helpless, Su Xiaoyu could only be with Lin Fan.

Lin Fan opened WeChat and realized that Xia Wanqiu had gone out to buy groceries with her sister, Xia Qianqian.

Lin Fan: "Where did you go to buy groceries?"

[Xia Wanqiu: "Let's go to the market not far away. The food there is cheaper. Don't worry."]

Lin Fan: "Tell me the address. I'll look for you."

[Xia Wanqiu: "Mmm ~ ~"]

Lin Fan didn't expect that while he was looking for Su Xiaoyu, Xia Wanqiu had gone shopping.

If he went to buy groceries normally, Lin Fan might not have said anything.

But today, the situation was different.

Gao Yong was still around.

Who knew what Gao Yong would do?

Just then, Su Muqing called.

"Boss Lin, I'm already near the Xia family. I'll visit Wanqiu's grandfather tonight." Su Muqing's gentle voice sounded.

"Alright, did you bring anyone? Come with me to do something," said Lin Fan.

"Yes, I did." Su Muqing nodded.

"Wanqiu went to buy groceries. I'm worried that something will happen. Bring your people to the market with me," said Lin Fan.

...

At the market.

Xia Wanqiu and Xia Qianqian were buying groceries.

Xia Qianqian looked at Xia Wanqiu and said, "Sister, Brother-in-law is really handsome. His songs are also very nice. Can you listen to him sing a few songs tonight?"

Xia Wanqiu shook her head. "That depends on whether Lin Fan is willing or not."

Xia Qianqian giggled. "Sister, how did Brother-in-law confess to you back then?"

Xia Wanqiu thought for a moment and knocked Xia Qianqian's head. "Study hard. Children shouldn't think so much every day."

After buying the groceries, a few men in black suddenly held knives and blocked Xia Wanqiu and Xia Qianqian.

"Stop, we're robbing you," the man in black said.

These men in black looked fierce and held knives in their hands. They looked like they were really here to rob them.

Not only that, but the man in black was also driving a van. He grabbed Xia Qianqian's hand and wanted to drag her into the car.

"Sister..." Xia Qianqian panicked.

"What do you want to rob? How much do you want? I have both. Don't hurt my sister," Xia Wanqiu said as she grabbed Xia Qianqian desperately.

Not only did Xia Qianqian panic, she even started to cry.

Then, a slap landed on Xia Qianqian's face.

"Cry a few times. If you cry again, I'll kill you here." The man in black held the knife and pressed it against Xia Qianqian's body.

"And you, Xia Wanqiu, right? Behave yourself. Otherwise, I'll kill the two of you now. Don't ask me how much I want. Not only do I want your money, but I also want your people. You're so beautiful. I wonder how it tastes." The man in black smiled lecherously.

Although he said that, the man in black did not dare to touch Xia Wanqiu. He pulled Xia Qianqian with a rough expression.

A few men in black surrounded them and wanted to drag Xia Wanqiu and Xia Qianqian into the van.

If they really dragged him into the van, who knew what would happen?

Xia Qianqian was already 16 years old and was a teenage girl. These criminals might even...

At such a critical moment, dozens of bodyguards rushed over.

The headlights of another car hit everyone in the van.

Boom!

This sports car... was a Maybach!

A person walked out of the car.

It was Gao Yong.

“Let go of them,” Gao Yong said calmly.

When the men in black saw Gao Yong, their expressions changed drastically.

“D*mn, isn’t this Gao Yong...”

“D*mn, how unlucky. I can even meet Gao Yong when I’m out robbing people. Gao Yong is the son of the Gao family. I can’t afford to offend him...”

“Consider yourself lucky. Goodbye!”

The men in black immediately let go of Xia Qianqian and ran away.

Then, Gao Yong walked towards Xia Wanqiu and Xia Qianqian step by step and smiled gentlemanly.

The plan was perfect!

How to capture a girl's heart was the best way to save a damsel in distress.

At critical moments, girls would automatically become attached to males. As long as there were appropriate benefits, they could capture the hearts of girls.

When was the best time to woo a girl? For example, when a girl had just fallen out of love and took advantage of it.

Or perhaps everyone around the girl had a boyfriend except her. It was very easy to woo her now.

Saving a damsel in distress was also a way now. As long as he could get closer to Xia Wanqiu and create some chance encounters, Gao Yong was confident that with his excellence, a woman like Xia Wanqiu would be easy to capture!
