

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 45-49

Chapter 45: Screenwriter Level: Master Level

“Mr. Lin... Am I dreaming?” The salesperson Ling Ling looked at the bank card Lin Fan handed her and couldn’t believe what was happening.

This was a car worth 6.4 million yuan. It was a Rolls-Royce Cullinan. Ordinary people would have to hesitate for a long time to buy a car worth 100,000 yuan. They would ask many questions and even ask for the price and a discount.

However, Lin Fan directly let her swipe his card. He was so straightforward that he didn’t even ask her questions to understand more about this car.

Were all rich people like this?

“Of course you’re not dreaming. I’ll swipe my card and finish the rest of the procedures.” Lin Fan smiled. As for insurance, he left it to the car dealership.

“Okay, okay. Mr. Lin, please wait for a moment.”

“There’s tea made from the best Da Hong Pao here. Mr. Lin, please sit here for a while. Please wait a moment,” Lingling said and took the initiative to make a pot of tea for Lin Fan.

The best tea leaves, Da Hong Pao, in the car dealership were usually prepared for VIPs and VIP customers.

Lin Fan had already reached the level of the VIP customers in their shop.

Such a person could only be described with one word: rich!

“Mmm.” Lin Fan sat on the sofa and took a sip of the Da Hong Pao tea. It tasted pretty good.

The service attitude here was not bad.

When the salesperson Ling Ling took his bank card and went to swipe his card for the paperwork, the other salespeople here had envious expressions.

“Is this the life of a tycoon? I can’t imagine it. I’m so envious of Lingling. When can such a tycoon come to my place to buy a car?”

“Not only is he handsome, but he’s also so rich. He doesn’t even blink when buying a car. I just feel that this hunk looks quite familiar.”

“Oh, oh, oh, I remember now. He’s Lin Fan. He runs a small restaurant called Hundred Flavour Garden and a Bugatti that’s worth hundreds of millions. What’s the English name again? Anyway, it’s over a hundred million yuan, a limited edition!”

“D*mn, no wonder Lin Fan doesn’t even need to ask about buying a car here. He has a sports car worth hundreds of millions. I remember now. He and Xia Wanqiu were on the hot search list a few days ago.”
“Look at him. Not only is he rich and handsome, but he can also see big celebrities. I heard that Lin Fan is also a top chef. His cooking is also very delicious!”

Many salespeople said softly. Their impression of Lin Fan had changed silently.

Seeing Ling Ling running around, the crowd couldn’t help but feel envious. If she sold a car worth 6.4 million yuan, they wondered how much commission she would get.

Most importantly, she had even recruited such a big client for the company.

Lin Fan was so rich, the salespeople didn’t think that he was just a small boss who opened a restaurant.

Lin Fan was definitely a rich second-generation heir who had come out to experience life.

To be able to afford a sports car worth hundreds of millions, how rich was Lin Fan’s family fortune?

Not long after, the paperwork was completed.

‘The car dealership manager brought Lingling over and handed the bank card to Lin Fan.

“Mr. Lin, hello. The procedures have been completed.”

“This is a VIP card for you. It has VIP services in all of our car dealerships and all of our branches. At the same time, we’ve given you a 5% discount on the car you’ve purchased this time. I received a total of 6.08 million dollars from you. Here is the invoice and the relevant property rights certificate.” The manager walked in front of Lin Fan with a smile on his face.

“Sure.” Lin Fan nodded. The service attitude of this shop was pretty good. He didn’t lower the price but the car dealership still gave him a discount. After all, it was cheaper by 320,000.

“Te already registered the car plate and insurance for you. Mr. Lin, if you have any other requests, you can let us know.” The manager bowed slightly and said.

The car dealership naturally would not offend such a tycoon client.

“Alright, I’ll drive the car away then,” said Lin Fan.

A brand new car was in front of Lin Fan.

The high-end, grand, and black SUV exuded a luxurious air.

The thick, dignified, and domineering SUV bonnet had The Spirit of Ecstasy on it as well.

A luxury car worth 6.4 million yuan.

Rolls-Royce Cullinan SUV!

Lin Fan sat in the car and stepped on the accelerator. The engine roared as the Rolls-Royce Cullinan drove along the roads of Shanghai.

Although Shanghai was the economic center of the country, that didn't mean that luxury cars could be seen anytime.

A luxury car could always attract the attention of countless people.

"D*mn! Am I seeing things? Isn't this a Rolls-Royce? Does anyone know what model this car is and how much it costs?"

"I don't know what model this is either, but this car is definitely a Rolls-Royce. A Rolls-Royce car should cost at least a few million yuan!"

"This is an SUV, a Rolls-Royce Cullinan. It's another luxury car. Do you know that I've seen a Bugatti La Voiture Noire, a Koenigsegg one, and today's Rolls-Royce Cullinan? I've seen three sports cars. Could it be that the same person is driving these three sports cars?"

"Who cares? What do so many sports cars have to do with my monthly salary of three thousand yuan? F*ck, when can I be so rich that I can afford to drive such a luxury car?"

"Actually, it doesn't matter what car it is. I just think the owner is very handsome. I wonder if the owner has a girlfriend

Lin Fan sat in the car. He was already used to this kind of life.

'Whether he was driving a luxury car or riding a tricycle out, many people would be surprised.

As for buying this Rolls-Royce Cullinan, Lin Fan could use it to pick up Xia Wanqiu and Su Xiaoyu or go back to his hometown to pick up his parents.

'When they returned to the Blue Wave Bay district, a few security guards looked at Lin Fan's car and looked at each other.

"E*ck, this is Brother Fan's third luxury car, right?"

"D*mn, it's another luxury car. Leslie, it's worth at least a few million."

"Brother Fan is really rich now. This is the life of a rich second-generation heir."

Let alone these security guards, even many property owners in the Blue Wave Bay district couldn't help but swallow their saliva when they saw Lin Fan driving such a car.

This was... really rich!

A Lake Heart Villa worth more than 200 million, two sports cars worth hundreds of millions, and a Rolls-Royce Cullinan worth millions. Just these assets alone were worth more than 500 million!
Just how rich was Lin Fan?

‘They were starting to doubt Lin Fan as a rich second-generation heir. Just the car and the house he lived in alone had already exceeded 500 million dollars in assets. Even an ordinary rich second-generation heir wouldn’t be able to produce so much money.

After returning home, Lin Fan started to study how to write scripts.

[Author Level: Master Level]

{Screenwriter Level: Master Level}

With these two skills, countless amounts of professional knowledge surged into Lin Fan’s mind.

Lin Fan started to look at some of the works that he had written three years after graduating from university. With his current level, he could completely change these scripts into outstanding works! And the name of this work was “Joy of Life”!

Once the adaptation was successful, Xia Wangiu would act as the female lead in this drama... Coupled with him acting as the male lead, this drama might become extremely popular!

Chapter 46: Who Wants to Pretend to Be Your Girlfriend?

After a busy afternoon, Lin Fan stretched his back.

After he had master-level writing skills and screenwriter skills, he vividly grasped the beginning, causes, experiences, and results of the story in the script. One wonderful story after another appeared under Lin Fan’s pen.

Not for any reason, but for Xia Wangiu.

Without a good script, no matter how popular Xia Wanqiu was, she would eventually lose her glow in the entertainment industry and be replaced. However, with him around, he could solve the problem of the script.

At that moment, Lin Fan received a call from a girl.

The property agent in Blue Wave Bay District, Xia Ranran.

“Hello.” Lin Fan picked up the phone.

“Lin Fan... sorry to disturb you. Can you pay the property maintenance fee? It’s 23,825 yuan in total.” Xia Ranran’s voice rang out. After all, with such a good villa, the property maintenance fee naturally wouldn’t be low.

“Sure,” Lin Fan said. Xia Ranran gave him a good feeling and was very polite to others.

After Lin Fan agreed, Xia Ranran blushed.

She had mustered her courage to call Lin Fan.

Lin Fan was so handsome and outstanding. Which girl wouldn't like him?

She was the same. Ever since she parted ways with Lin Fan last time, she had started to have some feelings for him.

If she didn't take the initiative, she might never be able to woo Lin Fan again.

"Is there anything else?" Lin Fan smiled and asked.

"Lin Fan, I want to ask you a question. Can you answer me seriously?" Xia Ranran asked seriously, her face turning even redder.

"Do you... have a girlfriend?" Xia Ranran took the initiative to ask and was already very shy.

Although it was through the phone, he could still feel her nervousness, worry, and a little anticipation.

It was said that there was a veil between a woman and a man when a woman chased a man. This was the first time she took the initiative to woo a boy.

Lin Fan naturally understood what Xia Ranran meant.

At this moment, he had three types of answers.

First, he had a girlfriend, so he would reject her decisively.

Second, he didn't have a girlfriend yet.

Third, you're a good person, but.

There were a total of three types of answers, and Xia Ranran only had a chance with the second type of answer.

And these three answers were usually the kind of standard answers girls would give boys when they rejected them. They might tell them that they were a nice guy and say that they were busy studying and working.

However, the roles had reversed now.

Xia Ranran was waiting for Lin Fan's answer.

If Lin Fan said that he didn't have a girlfriend, Xia Ranran would find a way to meet him and she wouldn't give up.

From the time Lin Fan was born until now, it had been 886 times that he had been wooed by girls.

Xia Ranran was indeed not bad and was quite pretty.

But.

Lin Fan looked at the kitten at home.

He already had an answer in his heart.

“Thave a girlfriend,” Lin Fan replied with a smile.

“Oh... know. When you have time, can Tingting and I meet your girlfriend? She must be very pretty, right?” Xia Ranran asked softly.

“Yes, she’s beautiful,” said Lin Fan.

“Mhm, mhm, then I’ll hang up first. Remember to pay the property management fee. If you don’t, I’ll have to go to your house to rush you to pay up,” Xia Ranran said with a smile.

Lin Fan didn’t hear the change in Xia Ranran’s emotions, but relationships were always like this.

Although he didn’t have a girlfriend yet, Lin Fan didn’t want to flirt with other girls and didn’t want to give them hope.

This was the best response.

“Qiugiu.” Lin Fan touched the kitten that was sleeping at the computer desk.

“Meow ~” The kitten meowed and crawled into Lin Fan’s arms.

Lin Fan looked at the screen on the computer. In it was the script he was revising. The wallpaper was a photo of Xia Wangiu in a dress. She was very pretty.

If fans saw this photo, they would probably go crazy.

The Xia Wanqiu in this photo was devastatingly beautiful. Furthermore, this photo was taken when Lin Fan was alone with Xia Wangiu.

It was late at night and stars filled the sky.

One man, one cat, and a wallpaper of a girl were enjoying the night’s beauty and peace.

In the middle of the night, Lin Fan was working when he suddenly received a WeChat message from Xia Wanqiu.

[Xia Wangiu: “~ ~ ~”

{Lin Fan: “???”}]

Lin Fan: “Someone just confessed to me and asked me if I have a girlfriend.”

[Xia Wangiu: “Who?”]

Lin Fan: “The property agent here. She’s quite pretty.”

[Xia Wangjiu: “Hmph, how did you reply?”]
Lin Fan: “I said I have a girlfriend.”

[Xia Wanqiu: “Fierce!!!”]

[Xia Wangjiu: “You really... do?”]

[Lin Fan: “Not yet, but my mother is urging me. Why don’t you pretend to be my girlfriend and come home with me? Let’s handle my mother first.”]

[Xia Wangjiu: “Angry! Stupid Lin Fan, who wants to pretend to be your girlfriend? You only know how to bully me.”]

Just as he finished speaking, Lin Fan received a request for a video chat from Xia Wanqiu. After accepting it, Lin Fan saw Xia Wanqiu’s expression.

She had just taken a bath and was wearing pajamas. She had a delicate figure and a breathtaking bare face.

Even the cat in Lin Fan’s arms was stunned. It looked at Xia Wangjiu and meowed continuously. Xia Wangjiu was too beautiful without makeup. This was also one of the reasons why she could become popular quickly.

Lin Fan: “What are you doing?”

[Xia Wanqiu giggled. “Meow meow ~ ~ Checking on you! Don’t move!”]

{Lin Fan: “Check on me? Miss, I don’t think I’m your boyfriend yet.”}

[Xia Wanqiu pouted and said, “Hmph, then try hanging up the video call on me.”]

(Xia Wangjiu: Let me see your room ~)

{Lin Fan silently circled the house with his phone.}

[Xia Wangjiu: “Your performance was not bad.”]

Lin Fan: “Why do I feel like I’ve lost out? Let me see your room too.”

[Xia Wanqiu: Meow, meow ~ ~ There’s no one at home.]

Lin Fan: “...”

Lin Fan: “Then should I go to your house?”

[Xia Wangjiu: “How dare you!!!”]

[Xia Wangjiu: “Dream on. Hmph, you’re just thinking of bullying me.”]

Lin Fan: “I’ve already slept with you before for two nights. It’s fine, I didn’t lose out.”

[Xia Wangiu's pretty face turned red and she said coquettishly, "Who slept with you, scum? It was all because you stayed at my house and didn't leave. As for that night at your house... it was all your fault!!"]

[Xia Wangiu: "Let's continue. Show me your computer screen."]

{Lin Fan: "You're going too far. What else can be on my computer screen?"}

[Xia Wangiu mumbled, "Who knows? Who knows if there's anything unhealthy in the computer."]

Lin Fan said righteously, "Am I that kind of person? Even if I am, what do those unhealthy things have to do with you?"

Lin Fan was a little angry. Xia Wangqiu actually didn't believe him and even checked on him.

It's ok that she checked on him. After all, he also checked on her.

It was too much to look at the computer screen. After all, Xia Wangiu's photo was on the computer screen.

If she saw this, wouldn't she be able to suppress him forever?

[Xia Wangiu said pitifully, "Lin Fan, you're not allowed to look at those unhealthy things. Am I... not pretty?"]

[Xia Wangiu was very aggrieved. She seemed to have tacitly agreed that Lin Fan was looking at that kind of thing on the computer. Her beautiful eyes were a little disappointed and a little angry. one couldn't help but pity her. She's moving and looks like she's about to cry.]

Looking at Xia Wangqiu, Lin Fan still couldn't refuse.

Wasn't it just being suppressed by her in the future? So be it.

It would be fine if he could suppress her again in the future. He could not let Xia Wangqiu doubt his upright character.

'When Xia Wangqiu was still on the second level, he was already on the fifth level. Although he could only be suppressed by Xia Wangqiu, Lin Fan could give her a surprise when she suddenly checked on him.

Lin Fan: "I really didn't go see those unhealthy things. If you don't believe me, I'll show you my computer desktop."

Xia Wangiu raised her beautiful eyes and looked at the changes in Lin Fan's video.

In the camera, Lin Fan's image turned into Lin Fan's computer desktop.

On the computer desktop, only a Word document was opened. It was the script of Joy of Life.

Lin Fan's computer wallpaper was a photo of Xia Wanqiu wearing a skirt.

Under the sunlight, she was wearing a dress and walking on the beach. She had long, snow-white legs. In the photo, she looked back and smiled. She was devastatingly beautiful and everything in the world seemed to stop for her.

Xia Wangqiu looked at everything blankly.

So Lin Fan hadn't seen those unhealthy things.

He didn't want her to see the wallpaper on the computer.

This was because.

The female lead on the wallpaper was her.

Chapter 47: You're Jealous

When Xia Wangiu wanted to check up on him, Lin Fan was already prepared.

His computer wallpaper had always been Xia Wanqiu.

Xia Wangiu's sudden video chat made her take the initiative to look at Lin Fan's computer screen. In the end, it was her photo on the computer screen.

Lin Fan gave Xia Wangiu a surprise.

Xia Wangiu looked at the photo on Lin Fan's wallpaper and her face was flushed.

[Xia Wangiu: "Stupid Lin Fan, you secretly took photos of me!"]

Lin Fan: "Really? I took it openly."

[Xia Wangiu: "Hmph, secretly using my photo and using it as your computer wallpaper. Shameless."]

Lin Fan: "Alright, I'll change the photo immediately. I shall change it to Su Xiaoyu's photo. She looks pretty good anyway."

[Xia Wangiu: "How dare you!!!"]

Lin Fan smiled and said deliberately, "Why not? You're not my girlfriend."

[Xia Wangiu: "Scumbag, you're trying to goad me. So be it. There are many guys who use my photos as wallpapers and phone screensavers. Do you look at my photo every day hundreds of times?"]

On the wallpaper on Lin Fan's computer desk, the most eye-catching thing was Xia Wanqiu's long, snow-white legs and her beautiful face. There were no flaws.

Lin Fan: "Who looks at your photo? Every day, when I go out, there are many girls who want to see me. Today, there was a pretty girl who asked me if I had a girlfriend."

[Xia Wangiu: "Explanation is concealment."]

Lin Fan: "Actually, I don't look at it a few hundred times. Every day, when I turn on the computer, I just take a look. It's pleasing to the eye."

Xia Wangiu: '~~~~'

She looked at the Word document on Lin Fan's computer table. It was the script that Lin Fan was changing.

It was late and he was still working hard. Xia Wangiu could not help but feel happy.

[Xia Wangiu's pretty face was slightly red and the corners of her lips curled up slightly. She said, "When you're not busy at night, we can... video call."]

[Xia Wangiu: "Lin Fan, don't work so hard. Anyway, I haven't acted in a year. Maybe the company will have a good script."]

Lin Fan: "That won't do. I have to finish it early. I have to arrange a few kissing scenes in the script and a few bed scenes."

[Xia Wangiu: "You only know how to bully me. Meow meow, I'll bite you! You're not allowed to add bed scenes. When the time comes, there'll be so many people at the recording venue. Hmm, if it's a bed scene, I'll have to take off my clothes. Maybe I'll even have to show my shoulders."]

Lin Fan: "Show your shoulders? That won't do."

[Xia Wangiu: "Hmph, I'm not your girlfriend yet.)

Lin Fan: "That won't do either. The weather is cold."

(Xia Wangiu: "It'll be summer then-~ ~~")

Lin Fan: "If I say no, it means no. The bed scenes have been deleted."

[Xia Wangiu: "You're jealous."]

Lin Fan: "Angry.jpg"

1

Xia Wangiu: '~~~~'

[Xia Wangiu: "I'm going to sleep. I still have work tomorrow. Come to the office in the afternoon to pick me and Xiaoyu up. The dog wants to eat the delicious food you make."]

After hanging up, Lin Fan smiled and shook his head.

Xia Wangqiu's video chat with him made him much happier.

Although this kind of life was indeed quite good, one had to admit that there was still a distance between Lin Fan and Xia Wangqiu.

This distance was not something that money could measure. It was a common language between the two parties. There was also a difference between their values and the things they had to busy themselves with every day.

If they were far apart, friction would gradually appear in their relationship.

This was like how girls didn't understand the world of guys and boys didn't understand girls' thoughts.

Therefore, even though Lin Fan didn't lack money now, he still had to work hard.

Xia Wangqiu had not acted in a year. If this went on, the company would definitely be unhappy with her.

Thinking up to this point, Lin Fan continued to edit and perfect the script.

He wanted to unleash 100% of his power.

Because this movie would be Xia Wangqiu's first relationship scene and her first kissing scene.

At the same time, it was also his and Xia Wangqiu's first movie.

For the cat, he could only throw caution to the wind.

The next day, he got up and signed in.

This time, he received a cash lottery ticket. What made Lin Fan feel pity was that ever since the system upgraded to version 2.0, he had to complete missions to get something better.

Each time, the mission was different. However, Lin Fan still went to the restaurant to work for a few hours as usual.

This time, Lin Fan was driving the Rolls-Royce Cullinan SUV.

It had to be said that when he drove out the Rolls-Royce Cullinan, it gave off a grand feeling.

'When he arrived at the restaurant, there were already many fans queuing up.

Ever since it started trending on Weibo, Lin Fan's restaurant had become extremely popular.

He didn't know how many people wanted to make a reservation, but they couldn't.

The key was that Lin Fan's opening hours were not fixed. Yet, he only opened the shop for two hours a day.

"Wow, Lin Fan has changed cars again. He's not driving a Bugatti anymore. Isn't this car a Rolls-Royce Cullinan?"

“If you don’t understand, ask. What kind of car is a Rolls-Royce Cullinan? I’ve only heard that Rolls-Royce seems awesome.”

“Of course. A Rolls-Royce is a luxury car. No ordinary person can afford to drive it. Lin Fan is too handsome. This car should cost at least a few million dollars.”

“Brother Lin Fan, how can you be so handsome and how can the food you cook be so delicious? I just want to ask, do you have a girlfriend? If not, can you consider me?”

Many girls gathered together and looked at Lin Fan. They all had a question in their hearts.

Boys who were handsome, rich, and could cook were extremely attractive. Moreover, Lin Fan was still single. Countless girls wanted to woo him.

However, Lin Fan naturally kept a safe distance from these girls.

“I’m here to open a restaurant, not to date. I won’t take photos or sign autographs here. Just sit down and eat quietly,” said Lin Fan with a smile.

After everyone ordered, Lin Fan started to get busy.

The small restaurant was left behind by his parents for him. Although it wasn’t very profitable, Lin Fan enjoyed this kind of life.

It was Lin Fan’s attitude that made these girls have a better impression of him.

Lin Fan was upright, handsome, and clean. He was the Prince Charming of many girls.

If Lin Fan liked multi-people exercise, who knew how many points he would lose in the hearts of girls.

“Wow, hunk, I love you, I’ll listen to you. Let’s eat here.”

“It’s good as long as I can eat your cooking, Brother Lin Fan, you’re too handsome.”

“Brother Lin Fan is really a righteous person. Although we can’t take a photo together, we can still secretly take a photo of him. If Brother Lin Fan becomes a big star in the future, I’ll make a fortune.”
Lin Fan busied himself for two hours. With over a thousand dollars in income, it felt pretty good.

He looked at the time. It was three in the afternoon and he was about to close shop.

While many customers were reluctant to leave, Lin Fan’s restaurant closed.

He drove the Rolls-Royce Cullinan not out to show off, but because

This afternoon, he and Xia Wangiu... had an appointment!

Chapter 48: The Cat Is Angry, The Consequences Are Serious

“Why is Brother Lin Fan closing the shop? He only opened for two hours. Sigh, it’s only three in the afternoon.”

“Yeah, we can only come back tomorrow. If only the restaurant could remain open.”

“A restaurant selling such delicious food only opens for two hours a day. I’ll give a poor review!”

Many customers sighed and left. The customers in the queue had no choice but to come back tomorrow.

After everyone left, Lin Fan closed the restaurant’s door.

At this moment, a girl ran to Lin Fan’s side.

“The shop is already closed. Come back tomorrow.” Lin Fan smiled and closed the door.

“Lin Fan, you’re really here,” the girl said. Her eyes were a little red and she was crying.

The girl was Lin Fan’s university classmate, Xu Shiyin. She was selling clothes previously and she looked pretty good.

“Xu Shiyin, why are you here?” Lin Fan smiled. Ever since Xu Shiyin came to his house to sit for a while, they hadn’t seen each other again.

“Lin Fan, my brother... is critically ill.”

“The hospital issued a notice of critical illness and he needs surgery, but... but I don’t have money.” Xu Shiyin cried powerlessly in front of Lin Fan with red eyes.

How would it be easy for ordinary people to deal with the torture of illness while needing to pay an astronomical surgery fee? The astronomical surgical fee was enough to crush a family. Previously, Lin Fan knew that Xu Shiyin’s brother was sick, so he bought over a hundred thousand dollars worth of clothes. This way, Xu Shiyin could get a good commission.

Lin Fan knew Xu Shiyin very well. She usually worked hard and had a lot of self-respect. Many rich second-generation heirs didn’t manage to woo her.

Although Lin Fan was rich, if he had given Xu Shiyin money back then, it would have hurt her pride.

Lin Fan knew that Xu Shiyin wouldn’t ask for help casually unless she was really desperate.

“What illness does your brother have?” Lin Fan asked.

Xu Shiyin lowered her head and gritted her teeth. “Leukemia.”

"I've already found a suitable bone marrow for my brother, but our family can't afford the surgery fee of 300,000 dollars. Lin Fan, can you lend me 300,000 dollars? I'll definitely pay you back in the future."

"As long as you can help me, I can do anything. Lin Fan, I'm still... a virgin." Xu Shiyin mustered her courage and grabbed Lin Fan's sleeve.

She knew that Lin Fan was her last hope.

Her family had borrowed money from all the places they could. After so many days of treatment and surgery fees, it was enough to crush Xu Shiyin's family.

After Xu Shiyin said this, she felt that she was very shameless.

She had always treated Lin Fan as her Prince Charming, so she also wanted to be a perfect girl in Lin Fan's heart. At least she wouldn't chase after Lin Fan just because he was rich. This would only make Lin Fan think that she was a gold digger.

However, she was not a gold digger. Which girl would not have a Prince Charming in their hearts?

After saying those words in front of Lin Fan. She felt that his impression of her had been shattered forever.

Lin Fan might treat her as a woman who was willing to sell her body for money.

But she wasn't.

There was nothing she could do to explain.

After saying such words, what right did she have to woo Lin Fan in the future?

Xu Shiyin just wanted to find a hole to hide in.

Seeing that Lin Fan was stunned for two to three seconds without any reaction, Xu Shiyin cried again.

"I'm sorry, I'm sorry. Thank you. I know you have your difficulties. I'll take my leave first." Xu Shiyin didn't have the face to stand in front of Lin Fan. She just wanted to escape.

Her attitude in front of her favorite boy had already hurt her self-esteem.

A sentimental girl was always like that, thinking about many things.

"Xu Shiyin." Lin Fan grabbed Xu Shiyin's arm.

"Isn't it just a matter of money? I'll lend you 600,000 dollars to help your brother treat his illness. Also, your health is important. You have to take care of your health too," said Lin Fan with a smile as he looked at Xu Shiyin.

"Huh?" Xu Shiyin raised her beautiful eyes and looked at Lin Fan. She hadn't expected Lin Fan to reply to her like that.

The moment Lin Fan opened his mouth, he was willing to lend her 600,000 dollars.

In reality, three hundred thousand was only a basic fee for surgery. Her brother needed to be hospitalized, and her family needed to be taken care of. There were also some other costs that were not small.

Lin Fan gently patted Xu Shiyin's head and said sternly, "Don't treat me as such a lecherous person. A girl should give her first time to the person she loves most. Don't make that kind of request to me again." "Although you're indeed beautiful, I'm not that kind of person. Take good care of yourself. If you ever say such things in front of me again, I won't lend you money," said Lin Fan with a smile. Lin Fan was a man and he liked pretty girls. However, that didn't mean that Lin Fan would have any improper thoughts about any girl.

Xu Shiyin stood rooted to the ground, her beautiful eyes looking at Lin Fan as she nodded lightly.

So Lin Fan wasn't that kind of person. Lin Fan didn't think of her as that kind of person.

It was great to have such a friend.

"Lin Fan, thank you... really thank you."

"Twon't make that kind of request again." Xu Shiyin looked at Lin Fan gratefully.

"Isn't that good? Also, you have to return this money in the future. It's not a free gift. When you earn big money in the future, you can return it to me," said Lin Fan with a smile.

"Of course. After I treat my brother, I'll definitely work hard and return all the money to you!" Xu Shiyin finally smiled. Even if Lin Fan didn't want her to pay him back, she would. This was her principle. "Give me your bank card and I'll transfer the money to you now," Lin Fan said. 600,000 wasn't much to him but to Xu Shiyin, it could save her brother's life.

"Yes!" Xu Shiyin nodded and gave her bank account number to Lin Fan.

"Alright, the transfer is successful. Go back and see your brother. If it's not enough, you can borrow more from me," said Lin Fan.

"Lin Fan, thank you. I will forever remember your life-saving grace." Xu Shiyin looked at Lin Fan. She felt that the boy in front of her had become so tall and handsome.

She held the bank card in her hand, feeling touched.

Only those who had borrowed money everywhere would know the difficulty of borrowing money.

She raised her beautiful eyes, mustered her courage, and hugged Lin Fan.

No matter what, she had to thank Lin Fan.

She had no choice but to thank him in this manner.

Looking at the weak girl in front of him, Lin Fan didn't place his hand on her to take advantage of her. He just let her hug him for a few seconds.

A simple hug without any complicated meaning could give her the best comfort.

"I'm leaving now." After Xu Shiyin said that, her face turned red and she jogged away.

Xu Shiyin's appearance took up quite a bit of his time.

At this moment, Lin Fan opened his phone.

He realized that Xia Wangiu had already sent him a WeChat message ten minutes ago.

[Xia Wangiu: "Come and pick me and Xiaoyu up from work, let's have dinner together ~"]

[Xia Wangiu: "?2?"]

[Xia Wangiu: "Jerk, you're not replying."]

[Xia Wangiu: "I'm angry!"]

[Xia Wangiu: "Fierce!!!"]

There were a total of 32 unread messages on WeChat, all from Xia Wangiu. There were also 18 missed calls from Xia Wangiu.

Seeing so many unread messages and missed calls,

Lin Fan felt a chill down his spine.

That was it.

If the cat was angry, the consequences would be dire!

Chapter 49: How Could Lin Fan Be So Handsome?

Lin Fan: "I'm going to pick you up right now. I was busy just now."

[Xia Wangiu: "~ ~ ~")

Su Xiaoyu: "Master is coming soon. If you don't come, Sister Wangiu will be bullied."

(Lin Fan: "???"

Su Xiaoyu: "With me around, Sister Wangiu won't be bullied by others. Master, I'm hungry. Ahwooh, I want to eat a big meal ~"

'When Lin Fan saw Su Xiaoyu's message, he was a little angry.

Was the cat going to be bullied?

Who dared to bully his cat?

Xu Yang, it must be Xu Yang!

The last time Xu Yang invited Lin Fan to Yuehua Entertainment, it was already a declaration of war.

Lin Fan sat in the Rolls-Royce Cullinan. He stepped on the accelerator and headed for Yuehua Entertainment.

On the way, everyone exclaimed. Shanghai was very big, but there were very few people who could see sports cars every day.

The roar of the SUV's engine and its cool and luxurious appearance became a unique scenery on Shanghai's streets.

Yuehua Entertainment.

As a top entertainment company, Yuehua had many top celebrities under it.

Xu Yang, Xia Wanqiu, Su Xiaoyu, and many other celebrities were under Yuehua Entertainment. They also nurtured trainees who participated in all sorts of girl group shows in the hopes of debuting. In the company, every celebrity was in a hurry.

Even Xu Yang was the same.

Except for Xia Wanqiu. She had not taken on any scripts for a year and had only taken on a variety show recently.

Su Xiaoyu happened to be free and rested with Xia Wangiu.

Xu Yang was wearing a sweater, jeans, and white shoes. He was tall and handsome. He was Yuehua Entertainment's top artiste, and he was even more popular than Xia Wangiu.

The moment he entered the company, many people looked at him with respect.

"Good afternoon, Master Xu."

"Is Master Xu back from work? You've worked hard. Do you want some tea?"

"Master Xu, the office has been cleaned for you. There's also tea here that has been brewed for you. I even specially bought two cups of milk tea." The assistant walked over and looked at Xu Yang, two cups of milk tea in her hand.

"Mmm." Xu Yang took the milk tea and sat in his office.

After resting for a while, Xu Yang knocked on Xia Wangiu's door with the milk tea.

“Wangiu, do you want some milk tea?” Xu Yang smiled gently. His smile was infectious. He took the initiative to hand Xia Wangiu the milk tea.

In the company, everyone knew that Xu Yang was a warm man. He treated many people well and often bought milk tea for everyone.

Of course, Xu Yang was special to Xia Wangiu. He was so good to many people that it was convenient to give her milk tea.

“Thanks, but I’m not thirsty.”

“And I’ll get fat if I drink milk tea,” Xia Wangiu smiled and replied politely.

“That’s right, that’s right. Xu Yang, you actually gave Sister Wangiu milk tea. Are you trying to make us fat? Hmph.” Su Xiaoyu held Xia Wangiu’s arm and rejected Xu Yang’s milk tea.

“You’re right.” Xu Yang smiled apologetically and took back his milk tea.

“Wangiu, Xiaoyu, I have to work in a few days. Keep Running is a very popular variety show. Do you need my help?” Xu Yang asked thoughtfully.

Xia Wangiu shook her head lightly, but Su Xiaoyu spoke first. “No, no. I’ll take good care of Sister Wangiu.”

Xia Wangiu looked at Su Xiaoyu with her beautiful eyes, She understood her.

Usually, when she wanted to reject something, Su Xiaoyu would take the initiative to reject it for her.

Xu Yang did not pay much attention to it. He was very magnanimous. He smiled and said, “Wangiu, you haven’t accepted a good script for a year. Are you really unwilling to film a kissing scene?”

“Yes, I don’t want to,” Xia Wangiu replied.

Xu Yang nodded. “It’s fine. There’s no hurry. I’ll help you pay attention to good scripts.”

Xia Wangiu just sat there quietly. She looked completely different from how she looked in front of Lin Fan.

She was also a little angry.

That despicable Lin Fan didn’t come to pick her up earlier.

“Alright, is there anything else? Sister Wangiu and I are preparing to get off work.” Su Xiaoyu looked at Xu Yang.

“I’m going off work too. I’ve been too busy these days. Why don’t I treat you guys to dinner tonight?” Xu Yang smiled.

Fine, Xu Yang’s real goal was to treat them to a meal.

Su Xiaoyu's eyes lit up. She was tempted when she heard about food.

Xia Wangiu immediately tugged at Su Xiaoyu.

Su Xiaoyu looked at Xia Wangiu pitifully. Compared to Xu Yang bringing them to eat, how could it be as delicious as Lin Fan's feast?

Xia Wangiu smiled gently and said, "I'm not hungry."

Su Xiaoyu immediately followed. "Ahwooh, I'm not hungry either."

Unknowingly, the three of them had already reached the entrance of the company.

Xia Wangiu and Su Xiaoyu both rejected Xu Yang.

At this moment, a Rolls-Royce Cullinan stopped at the entrance of the company.

It was time to get off work. Some employees of Yuehua Entertainment were also surprised.

Even the company's security guards were the same. They knew this car.

Rolls-Royce Cullinan SUV!

"D*mn, a luxury car!"

"Isn't this a Rolls-Royce Cullinan worth six to seven million yuan? Oh my god, don't stop him first. Let's see what the driver does."

"Did you guys see that? The owner of the car seems to be a handsome guy. He seems to be very handsome..."

"This person seems a little familiar... right, he's Lin Fan!"

While everyone was exclaiming, Lin Fan slowly got out of the car.

Leaves fell from the surrounding trees. It was like a scene from a movie. The surrounding world seemed to freeze.

Lin Fan got out of the car. He was wearing a simple gray hoodie but he had an extraordinary appearance and an unparalleled aura.

He walked over step by step like the Prince Charming of many girls. As he slowly walked forward, everything in the world seemed to lose its color.

The surrounding girls and security guards watched everything quietly.

They had seen Lin Fan's photo before but when they saw him in person, they realized.

Lin Fan's aura was extraordinary. It was an aura that could not be described with words. His appearance added some beauty to this midsummer night.

Many girls looked at everything in a daze. Even the male lead in movies had never had such a temperament and handsome face like Lin Fan.

The security guard didn't stop Lin Fan. All the security guards just looked at Lin Fan quietly.

No one spoke.

Lin Fan's gaze looked at Xia Wanqiu at the entrance of the company. Their eyes met.

Just one look and Xia Wangiu blushed.

Lin Fan... How could he be so handsome?

She had seen many male celebrities before. Most of the male celebrities in the entertainment industry were very handsome. However, there were very few like Lin Fan.

Lin Fan walked up the stairs step by step. Everyone's eyes were focused on him.

'When Lin Fan arrived in front of Xia Wangiu, Xu Yang was completely eclipsed.

Everyone only had one thought.

This was... an instant kill!
