

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 485-486

Chapter 485: Lin Fan Is Her World

Lin Fan and Su Xiaoyu didn't go home immediately. Instead, they went to the villa in Blue Wave Bay.

There was no one in the villa in the Blue Wave Bay district, so it was normal for them to come back occasionally.

And then...

Lin Fan and Su Xiaoyu tried again.

In the end, it was still only five minutes.

Lin Fan was angry.

If he was only at this level, how could he want both in the future?

If he couldn't even withstand one, why would he want two?

Su Xiaoyu searched online and immediately understood.

"Master, Master, it's fine. Maybe I was too nervous. It'll be fine next time." Su Xiaoyu lay in Lin Fan's arms and giggled.

"D*mn, I don't believe it. Try again." Lin Fan threw the pillow away.

"Master!" Su Xiaoyu felt wronged, but she did not dare to say anything.

In the end... the ending was still the same.

Lin Fan couldn't figure out why.

He probably could not let go at all.

“Why do I feel like I’m having an affair? I feel like I’m a scumbag,” said Lin Fan. He had already become a scumbag.

“Hehe... Master is it. Then I’m Master’s little lover ~” Su Xiaoyu blinked.

Lin Fan said to Su Xiaoyu seriously, “Don’t let others know about this first, especially in the outside world. If they find out, it’ll be trending on Weibo soon. We can’t let Wanqiu know either. I still have to think about how to convince her. If she doesn’t agree...”

Was there a need to think about this? Although Xia Wanqiu said that she was willing on the surface, she was still a girl.

Was there really a girl who was willing to share her boyfriend with other girls?

Most girls were unwilling.

Especially a girl like Xia Wanqiu. Lin Fan wasn’t sure if she would agree.

If he said it out loud, he would be courting death.

Su Xiaoyu hugged Lin Fan’s arm. “I’ll keep it a secret ~ I’ll start a secret relationship with Master.”

However, Su Xiaoyu still lowered her head. “Master, I’m not that kind of girl. I don’t like to be a mistress either. I’m very happy about what happened today. You don’t have to be responsible for me. Xia Wanqiu is my sister, so you have to be with her well. Keep this matter a secret forever.”

Hearing Su Xiaoyu say that, Lin Fan felt a headache.

The two girls were quite nice.

But was Su Xiaoyu willing to be a mistress?

Was she the kind of girl who would seduce others behind their backs? She was not like that.

Lin Fan was sandwiched between the two girls. He felt a little frustrated.

It was really difficult to handle this matter well.

However, he had to calm Su Xiaoyu down.

Lin Fan couldn't bear to let Su Xiaoyu run around alone again.

Damn it, what was the point of thinking so much?

Men should be more domineering. He wanted both of them!

Lin Fan touched Su Xiaoyu's face and said, "The two of you are both my women and will never change. I'll go confess to Wanqiu. It's not good to keep hiding like this. It's not good to use those tricks either."

Su Xiaoyu saw Lin Fan's sincerity. "Mmm! I believe you."

Lin Fan smiled and said, "Then... why don't we do it again?"

Lin Fan didn't want to either, but who would have thought that he would be so blissful?

Every time, it was five minutes. Lin Fan felt very sad.

Su Xiaoyu stuck out her tongue. "No way, pervert. I'm leaving."

She understood and didn't want Lin Fan to keep enjoying himself. Otherwise, the man would quickly lose interest.

Su Xiaoyu ran away just like that...

When she returned home, Xia Wanqiu had been waiting for a long time.

“Lin Fan, how’s Xiaoyu’s health?” Xia Wanqiu asked.

“It’s alright. She went to the hospital to take a look. It’s mainly because she was too stressed and busy with work. Qiuqiu, you have to take care of your health too,” said Lin Fan with a smile.

“Mmm, don’t worry.” Xia Wanqiu nodded.

Su Xiaoyu smiled sweetly. “Sister Wanqiu, Master, I’ll go rest first.”

She cleverly ran away first.

After she ran away, only Lin Fan and Xia Wanqiu were left.

However, Xia Wanqiu’s expression was not as happy as it looked.

“What’s wrong? Are you under too much pressure at work?” Lin Fan walked forward and held Xia Wanqiu’s hand. He was a little flustered. Damn, could Xia Wanqiu really have found out?

Lin Fan was thinking about how to say it. After all, he felt a little guilty for doing such a thing.

Xia Wanqiu shook her head and looked at Lin Fan with a beautiful smile.

She didn’t say anything and just hugged Lin Fan.

Then, everything happened naturally.

This time, he lasted half an hour.

Finally, it was over.

Looking at the girl in his arms, Lin Fan hugged Xia Wanqiu. He hadn’t expected to have a major breakthrough in just a day.

Xia Wanqiu blushed. "Lin Fan, I've known you since junior high. Now that we've known each other for so many years, I really... like you a lot. So, no matter what happens in the future, you have to marry me, understand?"

Lin Fan nodded. "Mmm, I'll definitely marry you."

Xia Wanqiu said softly, "Lin Fan, no matter what in the future, 60% of your heart must be with me. I don't want much. I just want you to treat me a little better. I agree to Xiaoyu's matter."

Lin Fan: "You know?"

Xia Wanqiu nodded obediently. "I'm not a fool. I'm also very smart. You smell like Xiaoyu, and Xiaoyu smells like you too. Also, your clothes are so neat. You must have worn them again. Xiaoyu helped you put them on."

Lin Fan was silent for a long time and realized that he had underestimated Xia Wanqiu.

They were all born to the same mother. Su Xiaoyu was so smart, so Xia Wanqiu was naturally not bad.

However, Xia Wanqiu was still willing to give everything to Lin Fan.

Lin Fan nodded. "I really like you too."

Only then did Xia Wanqiu fall asleep in Lin Fan's arms. "But I'll always be your official girlfriend. There's one more thing. You can't look for any girl other than me and Xiaoyu. This is the bottom line. Otherwise, I'll break up with you and you'll never be able to find me again."

Lin Fan nodded. "Don't worry, I won't."

Xia Wanqiu even said, "Hmph, don't even think about me and Xiaoyu sleeping with you in the future. This is different from ancient times."

Lin Fan looked at Xia Wanqiu and gently kissed her face.

“You’re really good, but I can swear to you that without Su Xiaoyu, I wouldn’t have liked any girl other than you,” Lin Fan promised.

“Mmm, I believe you ~” Xia Wanqiu smiled sweetly and lay in Lin Fan’s arms, gradually falling asleep.

Although she agreed, it was also because that girl was Su Xiaoyu, her biological sister.

But she would definitely not agree with him having other women.

From today onwards, she was Lin Fan’s woman.

“Lin Fan, bring me home for the new year, okay?” Xia Wanqiu smiled sweetly.

“Alright, it’s time to bring you to meet my parents. If my parents knew that they had such a pretty daughter-in-law, they would be overjoyed.” Lin Fan laughed.

“Hmph, coaxing me again.” After Xia Wanqiu said that, she turned around.

To her, she didn’t want much, and Lin Fan was her entire world.

Chapter 486: What If A Beautiful Girl Acts Coquettishly?

At night.

Xia Wanqiu had been curled up in Lin Fan’s arms like a cat.

This made Lin Fan feel guilty.

Xia Wanqiu wanted to treat her sister Su Xiaoyu well, so she was willing to accept it.

However, she still liked Lin Fan very much.

How could she really be willing to share Lin Fan with others?

Lin Fan felt that he was really a scumbag who had done something wrong to Xia Wanqiu.

He had also wanted to be with Xia Wanqiu forever.

But it was modified by a great and handsome mysterious power. He had no choice.

If he could be in another parallel world, he would have already married Xia Wanqiu and lived happily ever after.

...

"I'm sorry, my girl, Xia Wanqiu," Lin Fan said. He gently hugged Xia Wanqiu and kissed her forehead.

"I can guarantee that when I'm with you, my eyes and mind will be filled with you alone," said Lin Fan with a smile.

Of course, when he was with Su Xiaoyu, he would say such things.

Since he had already become a scumbag, he would continue on the path of a scumbag.

Lin Fan didn't care about that.

Perhaps some people would feel that their relationship with Su Xiaoyu would be very sudden, but sometimes, relationships were just so sudden.

With such a beautiful girl by your side every day, can you withstand it?

Furthermore, Lin Fan had wanted to be with Su Xiaoyu later but he couldn't hold it in anymore yesterday.

That kind of thing had already been done. Although it was only five minutes and was unexpectedly short, since it had been done, he could not tell Su Xiaoyu that he only treated her as a friend...

Wasn't this asking for a beating?

Since he had already done it, he should take responsibility.

This had always been Lin Fan's principle.

In the past, he would never flirt with other girls because he did not want to have anything to do with them.

He had already taken away Su Xiaoyu's most precious thing, so it was only right for him to be responsible for her.

Fortunately, there was no harem. However, the two girls might still have some psychological barriers.

However, these were all small problems. Lin Fan believed that he could handle this problem well.

One day, Xia Wanqiu and Su Xiaoyu might be able to accept each other 100% in their hearts.

"Scumbag," Xia Wanqiu said softly as she gently bit Lin Fan's arm.

"It hurts," said Lin Fan. This really hurt.

"It's good that you know it hurts. Lin Fan, in the future... you're not allowed to find other girls. Just me and Xiaoyu are enough, right?" Xia Wanqiu looked at Lin Fan with tears in her eyes. She felt a little aggrieved.

"Enough, enough. I've never looked for other girls before," said Lin Fan with a smile as he sat up again.

"Come, let's do it again."

"No, wu..."

"..."

...

Lin Fan had thought that he could live a truly happy life in the future.

He could flip the sign every night. Wasn't this a man's ultimate dream?

That was to flip the sign!

It was very possible for an ancient emperor to flip over a few ugly women.

But now, no matter which one Lin Fan flipped, she would be a beauty!

In the future, this kind of life every night could be imagined.

It was worth mentioning that Lin Fan didn't take any protective measures. It wasn't that he wasn't willing, but the main thing was that he didn't have any at home.

Only men knew that there was a huge difference between wearing gloves and not wearing gloves.

In the end, the two girls seemed to have reached a special tacit understanding the next day.

Although their relationship with Lin Fan was still very good, Lin Fan couldn't bully them anymore.

Lin Fan complained, "Is there a boyfriend who lives so miserably?"

Xia Wanqiu blinked and held Lin Fan's arm. "We're not married yet. How is it miserable? If you still want it... then wait until we get married."

Su Xiaoyu nodded as well. "That's right, Master. If Sister Wanqiu says no, then no."

Looking at the two girls, Lin Fan felt a little helpless.

Xia Wanqiu held Lin Fan's hand and smiled sweetly. "Alright, we'll talk about it in the future. Work is more important now. You two are not allowed to be too intimate outside. Otherwise, if you're photographed by reporters, Weibo will be trending and Xia Wanqiu will be cheated on."

"If there's nothing else, I'll get to work first." Xia Wanqiu looked at Lin Fan. She was still so beautiful and had such a good personality.

Even if her boyfriend and sister were together, she would not be angry.

How could there be such a good girl in the world?

If only he could marry her.

Even so, Xia Wanqiu was satisfied.

After all, she was Lin Fan's girlfriend on the surface. If she went shopping outside and got close to Lin Fan, the passers-by wouldn't find it too exaggerated.

However, it was definitely impossible for Lin Fan and Su Xiaoyu to be so intimate outside. After all, it was a monogamous law and the audience's tolerance for adultery was very low.

If this news really broke out, all the companies under Lin Fan would be affected. They might lose billions or even tens of billions.

Don't forget that Lin Fan was still a major shareholder in many companies.

"Yes." Lin Fan looked at Xia Wanqiu.

"What?" Xia Wanqiu only had eyes for Lin Fan.

Lin Fan hugged Xia Wanqiu and gave her a kiss.

Five minutes later.

Lin Fan let go of Xia Wanqiu reluctantly.

“Be careful,” said Lin Fan as he held Xia Wanqiu’s hand.

“Mmm, bye.” Xia Wanqiu smiled and walked to the door. Her manager, Yang Qing, was already waiting for her.

After sending Xia Wanqiu off, only Lin Fan and Su Xiaoyu were left.

Lin Fan looked at Su Xiaoyu and smiled. “Look, Wanqiu has already left. Why don’t we...”

Su Xiaoyu stuck out her tongue. “No way. I’m going to work today too. Then I’m leaving too ~”

She was about to leave when Lin Fan grabbed her hand. “No, you haven’t recovered yet. Don’t work for now.”

Su Xiaoyu tilted her head and looked at Lin Fan. “Then go work. I’ll wait for you ~ or I can work. Leave the assistant work to me.”

Lin Fan frowned. “That won’t do.”

Su Xiaoyu held Lin Fan’s hand and shook it. She looked a little coquettish and confident. “Master, I’m also very capable. Although I’m your girlfriend now, I’ll definitely do better than Su Muqing in business!”

Although Su Muqing was very good at business, Su Xiaoyu was a true genius.

If she were to do many things, she would definitely do them as well as Su Muqing.

Lin Fan pinched Su Xiaoyu’s face and gently kissed her forehead. He smiled and said, “I know you didn’t do any worse than anyone else, but you’re Madam Lin now. Take care of yourself. Leave those things to others.”

Su Xiaoyu shook Lin Fan’s sleeve again and lowered her head. “But I just want to be with you. If you go to work, there won’t be anyone to accompany me. Sister Wanqiu isn’t around, and you’re not around either. I can’t go to work...”

Lin Fan was swayed by Su Xiaoyu.

Damn it, how can I resist a pretty girl acting coquettishly? Tell me! I'm waiting!
