

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 75-79

Chapter 75: Lin Fan... Is He Really A Newbie?

The roles of the actors in the television drama Joy of Life were finally decided.
The male lead, Lin Fan.

The female lead, Xia Wangiu.

Xu Yang, Su Xiaoyu, Lin Jingjing, and the others were all important supporting actors.

There were also some other famous actors and veteran actors who were also involved in the filming of this television drama.

Among them was the famous Teacher Chen Qing who played the role of the Qing Emperor in Joy of Life.

Chen Qing's acting skills were very good and he was even an old actor recognized by the country and countless audiences. Hence, many people called him Teacher Chen Qing.
Other than that, there was also the old actor, Teacher Wu. He was also very important.

In Joy of Life, the female lead, Lin Wan'er, the Qing Emperor, Chen Pingping, the Eldest Princess, Fan Ruoruo, Wang Qinian, Si Lili, Fan Sizhe, and other important characters, all had important relationships with the male lead and required very good acting skills to pull off well.
And these characters were all played by actors with very good acting skills.

Only Lin Fan was a newcomer.

Lin Fan drove to the filming location.

Lin Fan and Xia Wangiu were sitting in the same car.

"Meow, meow?"

"What are you thinking about?" Xia Wangiu looked at Lin Fan curiously.

"I'm going to film in a while. It's also my first time acting in my life." Lin Fan smiled and looked at the girl beside him.¹

"Well, you're the male lead of this drama. Whether it can become popular or not will depend on you."
Xia Wangiu blinked and smiled sweetly.

"You're the female lead in this drama you know." Lin Fan looked at Xia Wangiu.

"Of course. If the two of us work together, we'll definitely be able to produce a very good television drama." Xia Wangiu's beautiful eyes were also filled with anticipation.

Lin Fan sat beside Xia Wangiu and smiled. "Then... why don't we tell the director later that we'll finish the kissing scenes first?"

Xia Wangiu's face turned red. "Jerk, jerk, I don't want to."

Lin Fan continued, "Anyway, there will be a day when we have to film a kissing scene. Why don't we finish all the relationship scenes at once? Otherwise, every time I act in a relationship scene with you, I'll have to get into character first. After all, in the drama, you're my fiancée."

Xia Wangiu blushed and asked, "If you're filming with me, why do you have to get into character first?"

Lin Fan smiled. "If I don't get into character, what if I can't hold it in and I don't want to let go after kissing you?"

Xia Wangiu glared at Lin Fan. "Stupid Lin Fan, how dare you!"

"Fierce!" Xia Wangiu put on her cat ears hat and stretched out her two cat claws, looking at Lin Fan with a fierce expression.

When the driver heard Lin Fan and Xia Wangiu's words, he sweated.

Was there such a public display of affection?

The key was that Xia Wangiu was so beautiful that he almost couldn't take it anymore.

The driver sighed. Lin Fan and Xia Wangiu were together every day and they were still so loving. How could Lin Fan stand it?

'When they arrived at the filming location, they put on makeup and put on ancient clothes.

The makeup artist looked at Lin Fan and sighed.

"I've been a makeup artist for years, and this has never happened before," the makeup artist said.

"In the past, when I put on makeup for people, sometimes it was to emphasize the character. Other times, it was to make the character look better on screen. But this is the first time I've seen someone as handsome as you. Without much makeup, you still look very good on screen. You're at least at the Prince Charming level." The makeup artist looked at Lin Fan.

How did Lin Fan's face become so handsome?

There were no flaws on screen.

Furthermore, this was the first time the makeup artist had seen Lin Fan.

Although the makeup artist didn't know how good Lin Fan's acting skills were, just by looking at his face, she was already impressed.

If she were a dozen years younger, she might have wooed Lin Fan instead.

“Haha, thank you for the compliment. Actually, it doesn’t matter what you look like. The key is that you have to rely on your acting skills to film a television drama and let the audience remember you using your acting skills.” Lin Fan smiled.

After the makeup artist heard that, she looked at Lin Fan approvingly.

He was such a righteous artiste and was so handsome.

After the makeup was done, filming officially started.

After all, all the actors had their schedules. In order to speed up the progress, they had to film a few scenes simultaneously.

The one who received the most attention was Lin Fan.

Because Lin Fan was the male lead in this movie, and in this movie, the male lead had the most scenes.

Therefore, basically all the plots revolved around the male lead.

Other than the first episode, which required a child actor to act as the male lead when he was young.

Towards the end, Lin Fan had to act with everyone.

Lin Fan’s first scene was a fighting scene.

Director Lu Benkai, some staff, the martial arts director, and producer Liu were also here, watching this scene.

Xia Wangiu, Xu Yang, Su Xiaoyu, and Lin Jingjing were also watching Lin Fan’s first scene.

They were all very concerned about Lin Fan. If his acting skills weren’t good, they could go forward and talk to him and share their experience.

“Lin Fan, don’t be too nervous. It’s normal for a newcomer to not perform well in their first drama,” Lu Benkai said. He patted Lin Fan on the shoulder and didn’t want to give him any pressure. Acting required very good acting skills. Although Lu Benkai said that on the surface, he was actually a little worried.

If Lin Fan didn’t act well, it would affect the overall quality of this drama.

It might even cause this drama to fail. No matter how good the script was, if the performance was not good enough, the audience would not approve of the drama and it would look ridiculous.

“Lin Fan, you can do it.” Xu Yang consoled Lin Fan.

Lin Fan’s first scene attracted a lot of attention. Even the veteran actors, Teacher Chen and Teacher Wu, stood beside Lin Fan.

Lin Fan was a newcomer after all and his acting foundation wasn’t strong enough.

If he didn't act well, the effect of this drama would be greatly reduced.

Lin Fan was acting with Xia Wangiu and acting as the male and female leads. If something happened to Lin Fan's acting, there might be countless criticisms online.

After communicating with the martial arts director, Lin Fan and Teng Zijing's actor officially started acting.

The main plot of this episode was that Lin Fan had been framed and someone wanted to kill him. Teng Zijing received a secret order from the prosecutor's office to kill Lin Fan. Then, he fought with Lin Fan. In the end, Lin Fan pretended to kill Teng Zijing. In order to investigate the truth about his parents, he bid farewell to Uncle Wu Zhu and then Lin Fan went to the capital.

Although this series of events seemed simple, it required a lot of acting skills.

'The expression when he was framed, the battle and duel between him and his opponent, the thoughts of the protagonist, and the strong acting skills when he wanted to investigate the truth, every detail was very important.

"I declare that the filming of Joy of Life has officially begun!" Lu Benkai said. He was still a little worried but he didn't show it.

After filming officially started, Lin Fan started acting for the first time in his career.

Don't forget that this script was written by Lin Fan. No one knew better than Lin Fan how to control and shape the characters.

'Whether it was the martial arts scenes or the other details, Lin Fan acted out everything vividly.

And it only took one take... for the plot to pass!

Director Lu Benkai and producer Liu were completely stunned when they saw the effect on the screen.

Lin Fan's acting skills were... actually so good!

Every detail and action was too perfect. Not to mention Director Lu Benkai, even the martial arts director at the side could not discover any problems.

Lu Benkai could not help but doubt his life.

Wasn't Lin Fan a newcomer?

'There was only one way to describe Lin Fan's acting skills.

God-level acting skills!

They were perfect!!!

Chapter 76: God-level Acting, Shocking Everyone!

“You’ve worked hard. We’re finally done filming this scene.” Lin Fan shook hands with the actor.

“Brother Fan, you’ve worked hard. Your acting skills are really amazing. I’ve been acting for five years. I only have a lot of pressure when I act in front of Teacher Chen and Teacher Wu. Today, I met you. Your acting skills shocked me. You don’t lose to the two teachers,” the male actor praised and gave Lin Fan a thumbs up.

Lin Fan smiled and said humbly, “Teacher Chen and Teacher Wu are both seniors in the industry. Furthermore, they’re both veteran actors. Their acting skills are amazing. My ordinary acting skills are still far from theirs.”

The male actor shook his head. “If your acting is called ordinary acting, I’ll eat this rock on the spot!”

‘When Lin Fan finished acting, Su Xiaoyu picked up a bottle of mineral water and handed it over.

“Master, drink some water.” Su Xiaoyu held a bottle of water and looked at Lin Fan.

“The scene you acted in just now, wow, your acting skills are even better than mine. Sister Wangiu was also stunned,” Su Xiaoyu praised.

“Is that so? I think there’s still a lot of room for improvement.” Lin Fan smiled.

“Of course. Look, even Sister Wanqiu is blushing.” Su Xiaoyu giggled.

“You’re the one who’s blushing.” Xia Wanqiu pouted and rolled her eyes at Su Xiaoyu. However, she felt happy for Lin Fan.

On the other side, many actors went to surround Lu Benkai to look at the finished product.

“D*mn, Brother Fan’s acting skills aren’t weaker than that of an A-list celebrity. Look at his expression and actions. I feel like he was refining it. How can a newcomer be at this level?”

“F*ck, not only does Brother Fan know how to write scripts, he’s also handsome and has such good acting skills. Who was the one who said that Brother Fan wasn’t suitable to be the male lead? Look at how face-slapping this is. Brother Fan is the most suitable person for the male lead.”

“Tm f*cking stunned. I’m suddenly looking forward to Brother Fan and our superstar Sister Wangiu acting in a relationship scene.”

“Yeah, Brother Fan’s acting is so good, and Xia Wanqiu’s acting is also top-notch. Most importantly, this is Xia Wangiu’s first time acting in a relationship scene! It’s also her first time acting in a kissing scene. I’m envious, jealous, and hateful. I also want to be the male lead.”

“Forget it. Let me tell you secretly. Xia Wanqiu chose Brother Fan as her male lead. If Brother Fan doesn’t act as the male lead, she might not act as the female lead. This is Brother Fan’s unique charm. They were high school deskmates.”

A group of actors sighed. Not only were they impressed by Lin Fan’s acting skills, but they were also looking forward to the next scenes.

Especially how it would look like when Lin Fan and Xia Wangiu acted together.

Liu Mou and Lu Benkai sat together.

“If anyone dares to say that Lin Fan isn’t suitable to be the male lead, I’ll definitely f*cking beat them up. Others act like cr*p, while Lin Fan can clear a scene after just one take. Who can compare to Lin Fan?” Mr Liu said.

“This feels terrible, Ma Fei. I’m completely convinced of his acting skills. I was quite worried previously, but now, it seems like the most suitable male lead is Lin Fan. Coupled with Lin Fan’s handsome looks, this drama is almost guaranteed to do well!” Lu Benkai exclaimed.

On the other side, Teacher Chen and Teacher Wu, who were called the two veteran actors, also smiled happily.

The younger generation would surpass them in time.

His acting was perfect.

“Old Wa, I don’t think I’ve seen such an amazing newcomer in a long time. The last person I saw with such good acting skills was Su Xiaoyu.” Teacher Chen smiled.

“Old Chen, you’re going too far. The last person with such good acting skills was clearly Xia Wangiu,” Teacher Wu said.

“But I have to admit that Xia Wanqiu and Su Xiaoyu’s acting skills are pretty good. However, when they were just newcomers, they also encountered a lot of difficulties. The improvements afterwards were very obvious, but Lin Fan is completely different.”

“It’s just like playing Fight the Landlord, Lin Fan started off with a rocket. Lin Fan’s acting is amazing. With such acting skills, wait until the day it broadcasts, who knows how much popularity it would attract. I think... Lin Fan might become a super superstar in the future!” Teacher Chen sighed.

“Lin Fan is really young and promising. I heard that the script for this drama was written by Lin Fan. There was a company whose CEO wanted to sleep with Xia Wanqiu and was forced back by Lin Fan. Guess what happened to that company now? They were shut down and the company’s boss was even arrested. They have to be sentenced to at least ten years in prison,” Teacher Wu said.

“Haha, maybe you and I will have to act in other scripts written by Lin Fan in the future. I really like this drama, Joy of Life. I can act in it without any remuneration.” Teacher Chen nodded.

‘The other surrounding actors could not help but gasp.

The two old actors in the entertainment industry who were respected by everyone were actually praising Lin Fan.

This was the first time they had praised someone like this in their lives.

In fact, their evaluation of Lin Fan was that... Lin Fan might become a superstar in the future!

‘They had never even given Xia Wanqiu and Su Xiaoyu such an evaluation.

One could imagine how important Lin Fan was to the two old actors.

After filming this scene, Lin Fan went to watch the film.

After looking through it, Lin Fan shook his head.

“Director Lu, to be honest, there’s still room for improvement in this scene. Look, if you shoot from this angle, the image and effects will be better.”

“It’s the same for fighting scenes. If you change the angle, not only will you be able to perfectly show the expressions and actions of the characters, but you will also be able to see some of the differences in light and shadow,” said Lin Fan as he looked at Lu Benkai.

After all, Lin Fan had god-level directing skills now. This was a script written by Lin Fan. Lin Fan’s attainments in this drama were too high.

“Therefore, I have a small suggestion. Let’s reshoot the scene that we just filmed. What do you think? Some details can be improved. Only these details can make the audience like a drama,” said Lin Fan.

After hearing Lin Fan’s suggestion, Lu Benkai was enlightened!

That’s right, why didn’t he think of that?

In the process of communicating, Lu Benkai discovered a very shocking fact.

He was already a famous director. He realized that in terms of directing, Lin Fan knew more than him and had even deeper knowledge than him!

Lin Fan’s attainments in acting were even higher than his!

Was Lin Fan... really just a small screenwriter?

Why was he so proficient in directing and acting? He felt like Lin Fan was omnipotent.

“Lin Fan, I’m stunned. How do you know more about directing than me?” Lu Benkai sighed and asked.

“I just know a little.” Lin Fan smiled.

1

“You’re too humble. F*ck, I saw a monster today. He has good acting skills, writes good scripts, and is even a director. I’ll listen to you. If this scene is filmed again, it will definitely have the most perfect effect.” Lu Benkai laughed. There was no jealousy, only surprise.

He hadn’t expected that by being a director and filming a television drama, he would be able to learn something from Lin Fan.

Lin Fan's seriousness towards filming, his attainments in various fields, and even his knowledge in directing were all top-notch in his eyes!

Chapter 77: Xu Yang: Why Is My Life So Tragic

"Director Lu, Lin Fan's acting... is too amazing."

"The thing is, isn't he a screenwriter? How does he know how to direct?" Mr. Liu asked with a blank expression.

Usually, when acting, it was the director who was picking on the actors.

If the actor did not act well, the director had the right to NG and ask the actor to reshoot until he was satisfied.

In other words, the director had a lot of power.

Just now, Lin Fan and the actor's opening scene, fighting scenes, and gazes were all impeccable.

However, after Lin Fan saw the scene after it was shot, he immediately gave Lu Benkai more suggestions, including how to position the camera and which angle to shoot from. There were also some details that Lin Fan handled better than Lu Ben.

This surprised Liu Mou.

Lin Fan was way too amazing.

"How would I know? Not only is Lin Fan's acting skills very good, the key is his attitude towards acting. He even knows more about directing than me. He's probably an all-rounder talent."

"Let's go for a second take, we'll shoot again until it's perfect. Previously, I was still worried about Lin Fan's acting skills. Now, it seems like my worries were unnecessary. With such a good actor and so many veteran actors with good acting skills, we will definitely be able to make this drama, Joy of Life, a classic work!" Lu Benkai said and patted Liu Mou's shoulder.

Thus, many of the actors present watched Lin Fan and the male actor act together again.

This time, many of the details were done better.

Everyone could not help but fall into a daze.

Even Xu Yang, who had superb acting skills, praised this scene.

"Lin Fan is really not an ordinary person. His acting skills... 'm impressed. When I act with Lin Fan, I can't possibly lose to him, right?" Xu Yang said.

"Master is too handsome! Look at this backflip and this punch. It's so handsome ~" Su Xiaoyu held Xia Wangqiu's arm and screamed at the side like she was Lin Fan's fan.

"Xiaoyu, take note of your image," Xia Wangqiu said softly with a blush.

“alright, alright. I’ll be dignified, a lady, and maintain a pretty image. But Master’s acting is still so good.” Su Xiaoyu was a big star. When she saw that Lin Fan’s acting was so good, she cheered like a child.

“Sister Wangiu, I’m a little envious of you. You’re able to be the female lead, act with Master, and even have kissing scenes.” Su Xiaoyu blinked.

“You want to act in a kissing scene too?” Xia Wanqiu’s beautiful eyes looked at Su Xiaoyu.

“Yes, yes, yes. I’ve never acted in a kissing scene before!” Su Xiaoyu nodded excitedly and took another bite of the cucumber.

“Fierce!” Xia Wangiu glared at Su Xiaoyu.

“Ahwooh... I don’t dare anymore. Ahwooh, Sister Wanqiu, you’re fierce again.” Su Xiaoyu had an innocent look in her eyes and looked pitifully.

When Lin Fan and the actor named Teng Zijing were done filming, they went to Lu Benkai with Lin Fan and looked at the scene that had just been taken.

“God, he’s really godly!”

“Lin Fan, the effects of using the technique you just taught me are many times better than before. This technique seems to be quite novel in China. Lin Fan, could it be that you’ve studied it in Hollywood?” Lu Benkai asked.

The actor acting as Teng Zijing exclaimed, “Amazing! I only made a few simple actions and filmed it using this method. It feels so cool. Brother Fan, I worship you!”

Lin Fan just waved his hand. “No, I just know a little about directing.”

Then, after filming this scene, it was time for Lin Fan and Xia Wanqiu to act together.

In the script, the male protagonist entered the capital and first went to the temple to exchange blows with a cold-faced guard. Then, the male protagonist entered the temple and saw that the offering table was moving. The male protagonist hesitantly lifted the tablecloth and saw a beautiful little fairy holding a drumstick looking at him in shock. Then, the male and female protagonist’s scenes officially started.

In this scene, the male protagonist had to perform the feeling of falling in love with the female protagonist at first sight. The male protagonist’s acting skills had to be very good, and the female protagonist had to act pure and beautiful, like a goddess descending to the mortal world. This scene could be said to be one of the beginning stages of the entire drama. Furthermore, with Xia Wangqiu’s popularity, if she could film it well, it would make this drama, Joy of Life, extremely popular. But the most important thing in this scene was their acting skills.

Lin Fan and Xia Wangiu had never acted in a relationship scenes before, which worried Lu Benkai.

If they didn’t act well here, the entire drama would collapse.

Some people were indeed good at acting, but relationship scenes were different from other scenes.

This required someone with experience to act well. For example, if a four-year-old child acted as an emperor, no matter how good his acting skills were, he would not be able to act like an emperor. Could Lin Fan and Xia Wangqiu act well in this drama?

“Lin Fan, Xia Wangqiu, don’t be too nervous. Think of the other party as your first love and then start acting,” Lu Benkai said.

“By the way, Xu Yang, you can share your experience with them.” Lu Benkai looked at Xu Yang.

Xu Yang, who was eating a popsicle, heard the director call his name and could not help but freeze.

Lin Fan and Xia Wangqiu were acting out a relationship scene and acting out the feeling of love at first sight. Did he have to come along?

Xu Yang could not help but feel bitter. He still could not avoid these two’s public display of affection

1

Why was his fate so dark

However, Xu Yang could not refuse. He could only bite the bullet and walk to Lin Fan and Xia Wangqiu.

“Ahem, Lin Fan, act like you fell in love with Xia Wangqiu at first sight.”

“Xia Wangqiu, act out this feeling too.”

“Yes, yes, yes. That’s it. You’ve acted well. You have to look each other in the eye.”

“Well, you guys can train by yourselves first...” Xu Yang watched Lin Fan act out his love for Xia Wangqiu at first sight. Xia Wangqiu’s face was red, her heart was moved, and her sweet smile was lively and cute like a fairy.

Looking at the intimate interaction between the two of them,

Xu Yang’s mentality collapsed.

He was initially glad that he did not have to watch their public displays of affections, but now, he could not even hide.

After the two of them finished practising the script, Xu Yang decided to leave.

“Um, Xu Yang, don’t go yet. The filming is about to begin. If the don’t act well the first time, you can go up and teach him, After all, you have experience in dating,” Lu Benkai said.

Xu Yang: “F* ...”

Lu Benkai said, "What did you say? I didn't hear you clearly."

Xu Yang took a deep breath, closed his eyes, and opened them again. He smiled and said, "Alright."

Fine, the public display of affection just now was just a prelude.

Now that filming was about to begin, he still couldn't avoid it.

The director had already spoken, how could he refuse?

He could only stand in the corner and watch the two of them show off their love.

He seemed to be the only person in his world.

Lonely and cold.

Of course, no one noticed Xu Yang's miserable state.

Lin Fan looked at Xia Wanqiu.

Xia Wangiu took a look as well, her face slightly red.

They were about to begin filming their first relationship scene!

Chapter 78: Damn Woman, Pay Me Ice Cream!

This scene was rather important.
It attracted everyone's attention.

The male and female leads were the souls of a television drama. Director Lu Benkai and all the staff also started working seriously.

The purpose was to film this scene well.

"Director Lu, do you think they can act out this scene well? I feel like it's a little difficult. After all, the two of them don't have any experience," Liu Mou said.

"Let's give it a try. If they don't do a good job, they can practise more. We have so many veteran actors with good acting skills here. If they can't do it once, we'll shoot it ten times. They'll do a good job eventually," Lu Benkai said.

Under everyone's worried gazes, Lin Fan and Xia Wangiu's officially started filming their scenes.

The cameras focused on Lin Fan and Xia Wangiu.

According to the script, Lin Fan slowly lifted the tablecloth and saw the girl who was as beautiful as a goddess, Xia Wanqiu.

Lin Fan's eyes widened as everything around him seemed to freeze up.

Lin Fan looked at Xia Wangiu and perfectly displayed the feeling of love at first sight.

Then, it was their conversation.

"Let me ask you something. Are you an assassin?"

"Don't think so."

"Were you sent by an immortal?"

"Don't think so."

"But I think you are."

Immediately after, they slowly stood up from under the table.

Xia Wangiu had a devastatingly beautiful face and she looked pure and beautiful when she was wearing ancient clothes. She was wearing a pure white long dress and looked like a daughter of a rich family. At this moment, the scene froze again.

As for the protagonist, Lin Fan, he was injured previously and spat out another mouthful of blood.

"What happened to you?" the female lead, Xia Wanqiu, asked.

"I'm used to coughing blood." Lin Fan replied.

Then, in the later scenes, Xia Wanqiu ran away, revealing a perfect back view and the unique shyness of a girl.

The entire scene was very smooth.

Lin Fan and Xia Wangqiu acted out the feeling when the male and female leads first met.

'When the performance was over, everyone in the production team stared blankly at everything.

This was the first time Lin Fan and Xia Wanqiu acted in a relationship scene. The acting was so sincere and smooth the entire time. Whether it was Lin Fan's love at first sight or Xia Wanqiu's acting skills, they were both very good.

After all, in this drama, Xia Wanqiu was Lin Fan's fiancée. There were too many scenes between the two of them.

"D*mn... Lin Fan and Xia Wangiu acted too well. There weren't any flaws. Lin Fan's look of love at first sight completely exceeded my imagination."

"Havent the two of them never acted in a relationship before? Why are they so good at their first relationship scene? They're completely acting as themselves."

“It’s so sweet. I’m an actor and I’m already moved. It makes me think of Xia Wanqiu leaning on Lin Fan’s shoulder in high school. It’s so sweet that it’s explosive. I didn’t expect the two of them to act so well together.”

“It’s really amazing, if this show really broadcasts, I don’t know how much of a reaction it will cause. Xia Wangiu is the goddess in many people’s hearts. Her first relationship scene is so beautiful.”

“Lin Fan’s acting skills are really... too perfect. He’s not only good at acting in martial arts scenes, he’s also very good at normal scenes. Now, even his relationship scenes are so perfect.”

Many actors were shocked. After seeing Lin Fan and Xia Wanqiu’s acting, they even felt like they were in a relationship.

This also made many actors more confident in this drama.

Director Lu Benkai and producer Liu Mou applauded.

The two of them looked at each other with indescribable surprise.

Lin Fan was so handsome and Xia Wanqiu was so beautiful. Coupled with their acting skills, the work they presented was perfect.

“Lin Fan, Xia Wangiu, I have to say that your acting skills impressed me. If you can maintain this state and continue, this drama will definitely become popular!” Lu Benkai praised.

Liu Mou nodded as well. “I feel like these two roles belong to you guys. No one can replace you, and no one can act better than you guys.”

“You flatter me. Wangiu and I were just acting as ourselves. These two roles really suit us.” Lin Fan smiled.

Xia Wangiu blushed and wanted to bite Lin Fan.

She wasn’t acting out her true colors with Lin Fan.

She was Lin Fan’s fiancée in the movie. She didn’t have such a close relationship with Lin Fan in real life.

She was not acting out her true colors. That despicable Lin Fan was bullying her again.

However, Xia Wangiu could not say it yet, or even express it.

She and Lin Fan were only colleagues in front of everyone.

There were so many people here. If there was really any scandal, it could be posted online at any time.

Watching Lin Fan and Xia Wangiu leave,

Xu Yang looked at their backs silently and felt bitter.

Was he ignored again?

Other people did not know Lin Fan and Xia Wangqiu's relationship, but Xu Yang did.

The details between the two of them and some small actions were not something ordinary friends would do.

For example, Xia Wangqiu would wear a cat-eared hat in front of Lin Fan and make cute gestures and meow.

However, Xia Wangqiu was always very polite in front of Xu Yang. She kept her distance and smiled. As for any cute actions, forget it.

Only Su Xiaoyu would occasionally be cute in front of Xu Yang. This was Su Xiaoyu's nature, she was the same to everyone.

'When a goddess acted cute in front of others and kept her distance in front of you, Xu Yang understood everything.

His goddess dream shattered.

The filming continued. The weather was hot and the clothes were warm.

Lin Fan bought some ice cream and held an umbrella silently as he walked to Xia Wangqiu's side.

"Huh?" Xia Wangqiu raised her beautiful eyes and looked at Lin Fan.

"Do you want some ice cream?" Lin Fan took out an ice cream and held the umbrella with his other hand. Most of the angle of the umbrella was on Xia Wangqiu's side.

When Xia Wangqiu saw the ice cream, her eyes lit up and her face turned slightly red. "Help me open the ice cream packaging."

"Alright." Lin Fan nodded. After tearing open the ice cream packaging, he handed the ice cream to Xia Wangqiu.

"Thank you, official." Xia Wangqiu smiled sweetly. She put her hands together and bowed slightly. She was like the female lead in the drama, immortal and like a real fairy.

Lin Fan saw Xia Wangqiu suddenly start acting, Furthermore, she was so beautiful that it made his heart flutter.

The ice cream in Lin Fan's mouth fell to the ground.

"Hehehe..." Xia Wangqiu looked at Lin Fan's embarrassed expression and giggled. Her smile was so beautiful that it seemed to melt Lin Fan.

"Damn woman, pay me my ice cream!!" Lin Fan was furious and his heart ached. In such a hot day, an ice cream could save lives.

“Twontt, I refuse to pay. I’m running ~” Xia Wanqiu ran off.

Lin Fan chased after her while Xia Wangiu ran in front.

The weather was hot and Lin Fan and Xia Wangiu’s hearts were warm.

When Xu Yang was about to give the ice cream to Xia Wanqiu, he saw everything.

Bang.

Xu Yang’s ice cream fell to the ground..

Chapter 79 Conquered By Lin Fan’s Acting Skills

Xu Yang looked at the ice cream on the ground, picked it up, and silently placed it in the trash can.

The weather was hot, but Xu Yang’s heart was cold.

Why did Lin Fan do everything that he could think of?

And the two of them were still fighting with each other.

At this moment, Lin Jingjing walked to Xu Yang’s side and handed him a bottle of mineral water. Her pleasant voice came. “Do you want some water?”

“Thank you.” Xu Yang nodded. He looked at Lin Jingjing beside him and remembered that his world did not seem so lonely.

“Are you unhappy? Do you want me to sing you a song?” Lin Jingjing sat beside Xu Yang. Her legs were closed as she silently watched Lin Fan and Xia Wanqiu fight.

“Alright.” Xu Yang nodded.

“Then I’ll sing ‘Miss you 3000’.” Lin Jingjing started singing. Her singing was very good, and Xu Yang listened to Lin Jingjing’s singing silently.

“You sing really well,” Xu Yang praised.

“Thanks. I’ll get to work first.” Lin Jingjing nodded happily and jogged away.

“What are you doing?” Xu Yang looked at Lin Jingjing as she picked up half a box of mineral water.

Lin Jingjing pointed at Lin Fan in the distance. “Lin Fan has worked so hard filming. I’m planning to send half a box of mineral water to him and buy him two ice creams. Do you want to join me?”

Xu Yang silently looked at the bottle of mineral water in his hand, then looked at Lin Jingjing and shook his head.

Seeing Lin Jingjing carry half a box of mineral water to Lin Fan and say that she wanted to buy ice cream for him, Xu Yang once again felt the difference between Lin Fan and himself.

When Lin Jingjing went to his side, he had a fantasy that perhaps he should treasure the person in front of him.

Then, the person in front of him carried a bunch of mineral water and went to look for Lin Fan.

Xu Yang's mentality really collapsed this time. This was not how it should be!

So Lin Jingjing came here to give him a bottle of water because he happened to be on the way...

As for singing, it was just that she simply wanted to sing a song.

Xu Yang had even had an illusion that she liked him.

Now that he saw the reality in front of him, Xu Yang finally understood the ruthlessness of reality.

He also wanted to eat ice cream. Why didn't Lin Jingjing buy him ice cream?

On the other side, Yang Qing ran in front of Lin Fan and Xia Wanqiu. Yang Qing was a little anxious. Xia Wanqiu was Yuehua's signboard and the goddess in many people's hearts.

There was no need to talk about the many Xia Wanqiu fans on the Internet. Even in the entertainment industry, many people liked Xia Wanqiu.

Xia Wanqiu's looks, temperament, and character were all very likable.

Furthermore, Xia Wanqiu's family background was very simple. She usually lived very thriftily, was simple and pretty, and had her own principles. She never filmed kissing scenes, making other male actors like her even more.

"Wanqiu, we're still in the film crew. You have to take note of your image. You have to keep your distance when you should. You can't stick together every day," Yang Qing said with a bitter expression.

If a video were to spread, they could barely explain why they were together every day using the excuse of discussing scripts.

But the film crew were not stupid.

Everyone saw it. Lin Fan and Xia Wanqiu's relationship was really not ordinary. "Lin Fan, you too. Even if you want to show off your love, you can't go overboard. Otherwise, everyone will be stuffed with your dog food," Yang Qing said. She was just a manager, so she didn't dare to speak too harshly.

When Xia Wanqiu heard that, her face turned red and she glared at Lin Fan fiercely. "I have nothing to do with him. We're really discussing the script," Xia Wanqiu said, taking the initiative to defend Lin Fan.

“Sister Yang, we’re indeed discussing the script. It’s normal to hold an umbrella for a girl in such hot weather. Eating ice cream can lower one’s temperature,” said Lin Fan with a smile.

“Alright... Then take note not to go too far. If you really can’t hold it in anymore... you have to go to the room too.” Yang Qing sighed. This was her final bottom line. They couldn’t just do that in broad daylight, right?

After Yang Qing finished speaking, she left.

She couldn’t stay here anymore. She would be stuffed with dog food every day.

The main thing was that Lin Fan and Xia Wanqiu’s acting skills were too good. There was no fault in them and no one could help.

Over the next month or so,

The filming for Joy of Life was carried out in an orderly manner. The entire filming process was very smooth.

The main leads of Joy of Life were almost all capable actors, and there were also many veteran actors who joined them.

The entire drama’s atmosphere immediately soared.

Coupled with the acting between Lin Fan and Xia Wanqiu and the complete script, Lin Fan helped Lu Benkai a lot. The entire television drama was filmed very quickly.

The busiest were Xia Wanqiu and Su Xiaoyu. The two of them would even find time to film the variety show “Keep Running”.

After more than a month, more than half of the script had been filmed.

The entire filming process was exceptionally smooth. In a few days, it would be over.

During this period of time, Lu Benkai was completely impressed by Lin Fan.

“Alright, this episode is done.”

“It’s been more than a month and I’ve never filmed Lin Fan’s scenes a second time. He almost always only needs one take. His acting skills... are simply too perfect,” Lu Benkai said with a smile.

The veteran actor, Teacher Chen, nodded and said, “I’ve worked with so many actors before. Lin Fan’s control of his acting skills and his own aura are all very strong. This is still Lin Fan’s first television drama, right? If he films a few more shows, his improvement might be even greater, and he might even surpass us old actors.”

When Lin Fan heard that, he smiled and said, “Teacher Chen and Teacher Wu are my seniors. There are still many things I want to learn from you guys.”

Hearing that, Teacher Chen smiled. There were too few newcomers like Lin Fan who had such good acting skills and ability but were still so humble.

In the past, Teacher Chen looked down on some young actors. This was because these young actors refused to suffer. They had to stop working even if their fingers were scratched. They even had to shout 1234567 when memorizing lines. As a result, there were no good works in the entire country's entertainment industry. There were rarely any phenomenal works among television dramas and movies. Hollywood had even far surpassed them. Regarding the current development of the country, these veteran actors could only express their helplessness.

But now that Lin Fan had appeared, Teacher Chen felt a little more hopeful.

There weren't many talents like Lin Fan!

Perhaps in the future, the development of the entire country's entertainment industry would be inseparable from a talent like Lin Fan.

After filming for such a long time, Yuehua's CEO Li contacted Director Lu Benkai.

"How's the progress? Lin Fan is a newcomer and his acting skills are not mature enough. He might meet some problems during filming. You have to pardon him. You have four months to shoot the script. Take your time," CEO Li said on the phone.

Lu Benkai laughed bitterly and shook his head. "CEO Li, you don't know but Lin Fan's acting skills have really won over everyone in our film crew. Even the two veteran actors are praising Lin Fan. To be honest, I feel that as a director, I'm not as useful as Lin Fan. During the entire filming process, Lin Fan often points out some problems for me. His understanding of directing is deeper than mine."

"The filming process was also very smooth. There was almost no need for retakes. We only spent a month or so and we had already filmed 70% of the script. We originally thought that it would take a long time, but it was mainly because Lin Fan's acting skills were too good. Of course, the cast this time is also very strong," Lu Benkai praised.

CEO Li held his phone. When he heard Lu Benkai praise Lin Fan, he was stunned.

This... how was this possible?

Other than being a screenwriter, Lin Fan also had such good acting skills. Most importantly, Lin Fan was even better at directing than Lu Benkai. Furthermore, the filming progress was so fast...

CEO Li was completely shocked.

Lin Fan, a newcomer to the entertainment industry, actually had such strong abilities!
