

I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 80-84

Chapter 80 He Can

Lu Benkai continued to praise, "CEO Li, a talent like Lin Fan must be roped in. I feel that just this drama, Joy of Life, alone will definitely be popular on the Internet. Our cast of actors is very luxurious. Coupled with Lin Fan and Xia Wanqiu's outstanding acting skills and the breathtaking plot, it will be enough to attract the attention of the audience."

"What's worth mentioning is that the filming of Joy of Life hasn't been completed yet. If it becomes really popular at that time, countless fans will look forward to the second season of Joy of Life. Many companies will also fight to ask Lin Fan for a new script," Lu Benkai said.

CEO Li nodded. He realized that he had underestimated Lin Fan's ability.

He thought that Lin Fan could only write scripts...

But he hadn't expected that other than scriptwriting, Lin Fan's other abilities were also shocking

CEO Li smiled. With someone like Lin Fan around, he could push the entire country's cultural and entertainment industries forward!

As for if Joy of Life became popular, CEO Li would naturally buy Lin Fan's scripts for adaptation at a high price.

If that was the case, classic television dramas might even be released one after another!

"There aren't many actors who can receive such praise from Director Lu. Looks like Lin Fan is really not ordinary," CEO Li said with a smile.

Lu Benkai shook his head. "CEO Li, you know what kind of person I am. I've seen many people with good acting skills but this is the first time I've seen someone with Lin Fan's acting skills." "It's not only his acting skills, but also his character. The meticulousness he shows towards his works makes me deeply understand that such a person is a true talent, the hope of the country's future, and also the hope of our entertainment industry. In the entertainment industry, not only does one need good acting skills, the more important thing is one's character."

"After working for so many years, I've never been impressed by anyone. Lin Fan is the first," Lu Benkai praised.

After working with him for more than a month, Lu Benkai had the easiest job as the director.

The actors' acting skills were all so good that they could basically pass all the scenes after filming once.

In the past, when filming a television drama, some actors would recite numbers if they could not memorize their lines. Some actors would even have to send themselves to the hospital if their fingers were scratched. Some handsome young celebrities were even more so. Some big-name celebrities did

not even come and just asked the film crew to help with editing their scenes. With such an attitude, how could they produce outstanding works?

Therefore, this was also the reason why Lu Benkai was impressed by Lin Fan.

They were all handsome young celebrities, but Lin Fan was much better than those famous actors.

At the same time, the cast of “Joy of Life” was officially announced on Weibo. TV drama: “Joy of Life”

[Director: Lu Benkai]

(Lead Actors: Lin Fan, Xia Wanqiu)

[Main actors: Xu Yang, Su Xiaoyu, Lin Jingjing, Lin Yanran, Guo Riyu) Original Author: Lin Fan

When the official announcement was made on Weibo, the popularity immediately soared.

10,000, 100,000, 1 million, 2 million, 3 million, 4 million!

In less than half a day, the popularity soared to four million.

The expectations of the public were too high.

This was because there were many outstanding actors and veteran actors gathered in the drama.

There were countless viewers online and many of them were Xia Wanqiu’s fans. They were even more excited and started promoting crazily on Weibo.

Xia Wanqiu had not filmed new dramas for a year.

There were many haters who said that Xia Wanqiu did not know how to act in relationship scenes, and there were even people who spread rumors that Xia Wanqiu was banned.

But on this day, it was officially announced on Weibo.

Filming started for Joy of Life!

And it had already been filming for more than a month!

This drama would be Xia Wanqiu’s first film after a year of retreat.

The audience also knew that Xia Wanqiu had high expectations for the script. This made countless fans anticipate this show even more.

The official announcement of Joy of Life caused a stir on the Internet.

Because the female lead was Xia Wanqiu, and this drama was also where she would film her first relationship scene!

“Ah ah ah, Qiuqiu has finally announced it! Everyone, please pay more attention to the television drama ‘Joy of Life’.”

“Qiuqiu is the female lead and is going to film relationship scenes. I’ll definitely binge this drama! Qiuqiu is so beautiful!”

“Xia Wanqiu! Love you, love you!!”

“Wow, this drama will definitely become popular. I’ll definitely binge it!!”

“It’s been a year and there’s finally a drama to watch. Does anyone know when it will be released?”

The discussion on Weibo was just the beginning.

Attentive members of the audience found something very serious.

There was no doubt that the female lead was Xia Wanqiu.

All the audience knew that Xu Yang was the number one male actor in Yuehua. In many dramas, Xu Yang was the male lead.

However, only in Joy of Life, Xu Yang was not the male lead.

The male lead was... Lin Fan! Lin Fan, a newcomer in the entertainment industry who had never filmed before!

Lin Fan becoming the male lead of this drama immediately caused a heated discussion on the Internet.

“D*mn, did you guys notice? The male lead for Joy of Life is Lin Fan!”

“I know Lin Fan. He’s the owner of the restaurant who makes delicious food. He’s also Xia Wanqiu’s high school deskmate. I heard that he’s very handsome.”

“The script for this show was also written by Lin Fan. Could it be that other than cooking well, Lin Fan also knows how to write scripts? D*mn, that Lin Fan is too awesome.”

“I was wondering why Lin Fan’s restaurant wasn’t open. So he went to film. The relationship scenes they filmed must be very sweet. I’m looking forward to it!” “It’s not fair! Lin Fan is just a newcomer. What right does he have to be the male lead of this drama? The male lead should be Xu Yang.”

“Can Lin Fan be the male lead with his acting skills? I don’t think he graduated from Beijing Film Academy.”

At the same time, many negative comments about Lin Fan appeared on the Internet.

There were positive comments and many negative ones.

And the negative comments were far more than the positive ones. This was because there were too many capable actors in this drama. Lin Fan was a newcomer and he seemed out of place in this drama.

There were even more doubts about Lin Fan on Weibo.

This was normal. Let alone Lin Fan, even if it was a popular young hunk, if he didn't have acting skills, he would be criticized badly online.

Yuehua still had many competitors, and their competitors would take the opportunity to attack Joy of Life. They wanted to make the reputation of this drama hit rock bottom before this drama was broadcast.

The comments on Weibo were also quickly led by the marketing accounts.

"Can Lin Fan really be the male lead? If he doesn't act well, won't this show be ruined?"

"Lin Fan didn't even graduate from Beijing Film Academy. How can a restaurant owner be the male lead?"

"Change the male lead, or I won't watch!"

"Can you all be a little more rational? At least watch the drama before you speak."

As the comments flooded in, Xia Wanqiu's Weibo post made countless fans fall into great shock.

Xia Wanqiu's Weibo post... only had two words.

These two words immediately dispelled all the fans' doubts. [He can.]

Chapter 81 Kissing Scene

Xia Wanqiu's Weibo post made countless fans exclaim.

In the past, when faced with all sorts of negative news, Xia Wanqiu would never post on Weibo.

But today, when Lin Fan was doubted by the entire Internet, Xia Wanqiu took the initiative to post on Weibo.

There were not many words, but they were very powerful.

She supported Lin Fan.

One Weibo post from Xia Wanqiu was not enough. Soon after, Su Xiaoyu also posted something [Everything depends on the work. Lin Fan's acting is superb.] Lin Jingjing didn't post on Weibo, but she liked both of Xia Wanqiu and Su Xiaoyu's Weibo posts, representing her attitude.

Xu Yang also came out and wrote a Weibo post. It also included a photo of him and Lin Fan with their arms on each other's shoulders.

[Lin Fan's acting is very good. Everyone, don't worry. The roles of protagonist and supporting actor are all the same. As long as they can produce the most perfect work, that's good enough.]

Xu Yang was speaking up for Lin Fan.

As for that photo, it was to tell the outside world that he had a good relationship with Lin Fan.

Even the famous director, Lu Benkai, posted on Weibo to support Lin Fan.

When everyone in the industry stood forward, the doubts on the Internet gradually disappeared.

"Yes, yes, yes. Qiuqiu is right. It depends on the work."

"The television series hasn't even been released yet. What are some haters doing? Did Lin Fan do something wrong? Why are they attacking him?" "Lin Fan is so handsome. I still have photos of him and Xia Wanqiu in high school. They're really pretty. Maybe they'll act very well in this drama!"

"I'm looking forward to it. Brother Lin Fan, we believe in you. You're so handsome and have such a good character. You'll definitely be able to slap those haters' faces with your acting

skills."

In the crew, Xu Yang sat there silently. He looked at Xia Wanqiu's Weibo post and felt bitter.

This was probably the difference between him and Lin Fan.

They were both men, so why couldn't he get Xia Wanqiu's liking?

In the past month or so, Xu Yang had felt the pleasure, anger, sorrow and joy of life.

"No matter what, no matter how loving the two of you are, you can't force dog food on me."

"When you guys film, I'll hide far away," Xu Yang said and sighed. As long as he stayed far away, could he be stuffed with dog food again?

Filming had always been going smoothly, but today, there was a problem.

There was only one scene today.

And this scene was especially important.

That was the kissing scene between Lin Fan and Xia Wanqiu.

In the drama, they had many kissing scenes too, but most of them were deleted.

There had to be more hazy beauty between relationships. There were many kissing scenes in the first and second scripts of Joy of Life.

There weren't many kissing scenes in Joy of Life's first script, but this kissing scene was extremely important.

This was Xia Wanqiu's first kiss on screen, and also her first kiss in real life.

Most importantly, Lin Fan and Xia Wanqiu's acting skills were quite superb.

But Lin Fan and Xia Wanqiu both had a flaw.

That was... they had never acted in a kissing scene before.

Even such a handsome Lin Fan and such a beautiful Xia Wangiu still had their first kiss.

If they were filming a kissing scene, they could not just kiss each other. That way, there would be no feelings and the audience would not be passionate. A kissing scene represented that the two of them were naturally very close, and it was a result of a deep relationship.

If the kissing scene was filmed well, countless fans would be moved.

This kissing scene could further establish the height of this drama.

If they did not act well, this scene would probably become a hot topic.

No matter how good their acting skills were, it was difficult for someone who had never filmed a kissing scene to act out a kissing scene properly. For example, if an actor wanted to act as a doctor, it would be best if they worked in a hospital for a period of time and learned from the ground.

If they wanted to act as a farmer, they had to go deep into the life of a farmer and understand their methods. This was a process of growth that every actor had to experience. It was impossible for them to fantasize in their minds.

If they were acting as a farmer or a doctor, it would be easier for the actor to act well.

But if it was a kissing scene, the male and female actors would be nervous and it would not have any effect.

This scene was destined to not be filmed in a way that concealed their faces. They had to really kiss.

Even if they were filmed in that way, the audience would be able to tell that they did not really kiss.

Su Xiaoyu held a thick banana. She peeled the banana skin and licked the banana, feeling happy and excited.

“Oh yeah, Sister Wanqiu is going to film a kissing scene with Master today. I’m going to take a video of it with my phone and save it. This is Sister Wanqiu’s first kiss, and also Master’s first kiss. I’m so envious.” Su Xiaoyu gently took a bite of the banana and swallowed

it.

“A kissing scene... I’ve acted in some before. It’s actually normal. As long as the actor opposite is handsome enough, it’s still acceptable,” Lin Jingjing said from the side.

“But if Lin Fan and Qiuqiu were to act in a kissing scene, I don’t think it would be difficult. Aren’t they very close? Xiaoyu, do you think they’re really together?” Lin Jingjing asked.

Su Xiaoyu shook her head. After taking a bite of the banana, she said, “Not yet. Sister Wanqiu doesn’t dare to say it. Master isn’t taking the initiative. Although they have a good relationship, the better their relationship is, the harder it is to film a kissing scene. It would be easier to film a kissing scene with a stranger.” Lin Jingjing nodded in agreement. “I wonder where Xu Yang went today. Why didn’t I see him?”

Xu Yang, who was hiding in his room, lay on the bed. He had already seen through everything. He knew that Lin Fan and Xia Wanqiu were filming a kissing scene today, so he had long hidden far away. Lying in a house, could he still be stuffed with dog food? Xu Yang was very confident in this.

At the filming location, the kissing scene had already started filming. There was no transition or wait.

Lin Fan looked at Xia Wanqiu and felt a little nervous.

Xia Wanqiu lowered her head, her face slightly red as her heart thumped.

This was her first kissing scene. Xia Wanqiu, who had always been relaxed, did not know how to film this scene today. So many people... were still watching. In the future, when the television drama was released, there would be many viewers.

na was

Xia Wanqiu knew the importance of this kissing scene, but she still felt nervous.

Lin Fan stood in front of Xia Wanqiu and gently touched her head.

Lin Fan’s hands cupped Xia Wanqiu’s cheeks and slowly kissed her red lips.

Before he could kiss her, the director shouted cut.

Lu Benkai looked at Lin Fan and Xia Wanqiu and said, “No, the feelings aren’t right. Also, your expressions aren’t good. You’re both too nervous. It’s obvious that you don’t have any experience in kissing scenes. If you continue acting like this, you won’t be able to pass the scene.”

“Meow, meow -“

“Stupid Lin Fan, you’re bullying me.” Xia Wanqiu leaned against the wall and felt a little wronged. She didn’t know how to film a kissing scene.

“Ahem, isn’t this what the plot needs? It’s fine, let’s do it again. This time, I want to kiss you faster. That way, I’ll be able to kiss you.” Lin Fan smiled.

“Fierce! I’ll hit you!!” Xia Wanqiu hit Lin Fan’s chest.

In the eyes of others, their hearts almost melted.

Could Lin Fan and Xia Wanqiu show off their love like this?

“Come, do it again,” Lu Benkai shouted.

Lin Fan had learned his lesson this time and quickly kissed Xia Wanqiu.

As long as he was faster than the director, he could kiss her first.

After all, this was a job, and he wasn’t taking advantage of her.

Then... before he could kiss her, the director shouted cut.

“Stop, stop, stop. Lin Fan, why are you rushing so quickly? This is a kissing scene, not a fighting scene.” Lu Benkai was a little helpless.

Faced with two people who did not know how to film kissing scenes, Lu Benkai felt a little helpless.

“Where’s Xu Yang? Quickly call Xu Yang over and ask him to impart his experience to Lin Fan. After all, Xu Yang has filmed many kissing scenes,” Lu Benkai shouted. He immediately called Xu Yang, who was lying in the house.

After hearing that, Xu Yang dropped his phone on the bed.

Xu Yang stood in the room, motionless. Was this f**king... impossible to avoid?

Chapter 82 She Was the Only One In His World

Xu Yang was dressed. His life was bleak.

In the end, he did not manage to dodge it.

However, he could not refuse this matter.

Although Xu Yang did not want to be stuffed with dog food, he wanted to see Lin Fan and Xia Wangqiu film this scene well.

Even though Lin Fan was Xu Yang’s competitor, Xu Yang would still help him.

He had always emphasized on fair competition with Lin Fan.

if he didn't enter hell, who would?

Wasn't it just a kissing scene between Lin Fan and Xia Wanqiu?

Anyway, he had filmed so many kissing scenes. Could he be stuffed full by Lin Fan and Xia Wanqiu's dog food?

When he arrived at the filming location and saw Lin Fan and Xia Wanqiu, Xu Yang felt a little envious.

Xia Wanqiu was so beautiful.

Her first kiss was going to be given to Lin Fan.

Why wasn't he Lin Fan?

However, this was all acting. Xu Yang comforted himself. It was all acting.

If it was reality, how could Xia Wanqiu agree to kiss Lin Fan?

In reality, Lin Fan and Xia Wanqiu were just friends. They weren't even boyfriend and girlfriend. Xu Yang was certain of this.

"Lin Fan, Xia Wanqiu, kissing scenes aren't filmed like this."

"Most importantly, you have to invest in your character and the current plot. Then, you have to slowly kiss each other. You have to have feelings for each other and treat each other as your true lover," Xu Yang said.

"True lover?" Xia Wanqiu blinked, seemingly understanding.

"Right, communicate with each other. I'm going to leave soon."

"It's not difficult to act in a kissing scene. The most important thing is to put your heart and soul into it," Xu Yang said and patted Lin Fan's shoulder.

Beside him, Lu Benkai stopped Xu Yang. "Xu Yang, don't leave yet. Watch them finish acting. If there are any problems, you can continue to guide them."

Xu Yang felt his life turn dark again. "Director Lu, I need to watch them... finish acting?"

This was simply killing someone's heart!

He really didn't want to be stuffed with dog food, but there was nothing he could do.

Lin Fan looked at Lu Benkai and said, "I want to talk to Wanqiu alone. Can we film later?"

Lu Benkai nodded. "Hurry up and come back."

Lin Fan and Xia Wanqiu walked to an empty corner.

Xia Wanqiu's face was slightly red. She did not speak and looked very quiet.

She was still wearing ancient clothes. Most importantly, she was still so beautiful in ancient clothes, like a true fairy. Anyone who saw her would be tempted.

This scene was her first kiss.

Hence, this scene was exceptionally important. Lin Fan wanted to film this scene properly with Xia Wanqiu.

"Wandiu, I know you don't really like kissing scenes, but there's nothing we can do about it. We have to film it well this time," Lin Fan said with a smile.

"Trash, you don't like kissing scenes." Xia Wanqiu pouted and turned around.

"So you... like kissing scenes?"

"Then, shall we give it a try now?" Lin Fan's eyes lit up.

Xia Wanqiu was angry. Her chest heaved up and down. "Hmph, do I look like such a casual girl?"

"Trash, trash, dumb pig trotter!" Xia Wanqiu said angrily with a fierce look.

It wasn't that she didn't like to finish filming, she just wanted to film a kissing scene with the person she liked.

But Lin Fan couldn't even tell that and only knew how to bully her.

This idiot, Lin Fan, actually dared to persuade her.

The man had to take the initiative when filming a kissing scene.

She just stood there, waiting for Lin Fan to kiss her.

It was all Lin Fan's fault but now, he was still bullying her. He even wanted to film more kissing scenes. He was too annoying.

Lin Fan smiled and grabbed Xia Wanqiu's arm. "Let's go and film. We'll definitely film well this time, as long as I can think of you as a lover."

Xia Wanqiu looked at Lin Fan and nodded her head gently, smiling sweetly.

She was standing in front of Lin Fan. There was no need to think of her as a lover.

Returning to the filming location, Xia Wanqiu was still standing at the same spot, her face slightly red.

This time, she was serious too.

She had to give up her first kiss on the screen and her first kiss in real life eventually.

This scene was almost the highlight of the entire drama, so she had to film it well.

As long as she treated Lin Fan as a lover.

Xia Wanqiu looked at Lin Fan with her beautiful eyes, recalling many, many stories.

In high school, they were often together. Whether it was in class or after school, many people thought that they were a couple.

Only Lin Fan and Xia Wanqiu knew that they weren't a couple.

In the hazy days of high school, many people wooed Lin Fan and Xia Wanqiu but they rejected others.

She still remembered that afternoon when she and Lin Fan were studying in the classroom. For some reason, someone locked the classroom door.

She was tired from studying and fell asleep quietly on Lin Fan's shoulder.

When it was time for class, she was still in the same position.

Lin Fan was studying seriously. Xia Wanqiu leaned against Lin Fan and fell asleep. It was very sweet.

Someone even took a photo and posted it online.

The last time Lin Fan and Xia Wanqiu's scandal was trending, it was because of that photo.

Xia Wanqiu never knew how it felt to be someone's lover.

But in this scene, she was Lin Fan's fiancée and had countless connections with him.

The current her was truly immersed in her role and treated herself as Lin Fan's future wife.

In the plot, Lin Fan would need a long time to reach a dangerous place. This was the last time she would see him before she left.

Therefore, Lin Fan would kiss her and tell her that he would marry her when he returned.

They were a sweet couple in the drama, and she wanted to send him off.

In the plot,

Xia Wanqiu was also Lin Fan's mental support and his fiancée.

She was about to leave the person she loved the most. There was a lot of reluctance in her heart, and it was also what this scene was about to film.

Lin Fan was serious as well. He perked up and treated Xia Wanqiu as his lover. They were playing in the sea of flowers and chasing each other. High-pitched laughter rang out from time to time.

Following the director's announcement,

Lin Fan and Xia Wangiu strolled through the sea of flowers and immediately said many touching words of love.

Looking at the girl in front of him, Lin Fan seemed to have figured something out.

She was already a superstar, why would she take the risk to come to his restaurant?

Faced with scandals, she could have just refuted them but she had to ask Lin Fan's attitude first.

She never filmed kissing scenes and never acted in relationship scenes. She would rather give up many chances to continue climbing up, and she would stick to her original intention.

It wasn't that she didn't like to film kissing scenes.

But because...

She was waiting for someone.

This person was Lin Fan.

Lin Fan understood everything.

He suddenly remembered back in high school. If he could hold her hand that afternoon, their fate might have already changed.

All his feelings were integrated into this plot.

Looking at the girl in front of him, Lin Fan slowly walked forward. His gaze was focused and he seemed to only have eyes for her.

And in her world, he was the only one.

He gently brushed her cheek.

Then...

He kissed her..

Chapter 83 Xia Wangqiu's First Kiss

Everything in this world froze.

This scene would forever be fixed in the video camera.

That touch was cold and tender, sweet and wonderful.

He gently hugged her waist and kissed her red lips.

Lin Fan had already forgotten everything about the world.

All he could see was the girl in front of him.

Even though it was just acting, Lin Fan treated it as reality.

There were many girls who threw themselves at Lin Fan, but Lin Fan had never taken advantage of any girl.

He also wanted to give his first kiss to the person he liked the most.

Lin Fan had already forgotten what happened next.

He could only feel the girl in his arms.

Then, Lin Fan slowly let go of Xia Wanqiu's lips. Looking at the girl in front of him whose face was slightly red, Lin Fan continued to finish the plot.

When countless people saw this scene, their hearts had already melted.

Su Xiaoyu licked a banana, her eyes filled with tears and envy.

Such a relationship... was wonderful.

If she could have such a relationship, how wonderful would that be?

Xu Yang smiled.

This scene was really well filmed.

He just felt bitter for some reason.

He felt sure he didn't have to eat tonight.

He was stuffed full with dog food.

Director Lu Benkai, producer Liu Mou, and all the actors were immersed in such a beautiful scene.

Lin Fan's eyes were so sincere. He was so reluctant to part with the woman he liked and was filled with endless love.

Xia Wanqiu treasured the scene before her: sending the man she loved far away.

Lin Fan and Xia Wanqiu had acted this scene to the extreme. Almost no one could surpass Lin Fan and Xia Wanqiu's act.

Their relationship was sincere and their hearts were clear. Only two people who truly loved each other could have such an effect.

Everyone wanted to praise Lin Fan and Xia Wanqiu for their acting skills.

Their acting skills were too perfect.

Many girls' eyes turned red when they saw this.

Some of the younger girls were already crying.

As for the kissing scene, they had already forgotten about it.

What they saw was not just a kissing scene, but two true lovers.

They would hold hands and grow old together.

Although this idiom was not used to describe lovers, it could still reflect the mood in front of him.

The best scene was probably this.

The director only came back to his senses after filming.

Everyone applauded.

After this scene was filmed, it meant that the filming of the first season of Joy of Life was completed.

The order of filming was different from the order of broadcasting a television drama. It had to be edited and processed later on.

Joy of Life's filming was done!

Many male actors wanted to film a kissing scene with Xia Wanqiu, but when they saw the scene between Lin Fan and Xia Wanqiu, they felt ashamed.

They were not like Lin Fan.

Lin Fan's acting was perfect.

The kissing scene was even sweeter for everyone present.

If such a kissing scene could really be released, who knew how much of a stir it would cause.

Xia Wanqiu's first kiss on the screen was given to Lin Fan.

Lin Fan's first kiss had also been given to Xia Wanqiu.

Although the kissing scene between the two of them was not that skilful, and even a little distant,

However, this did not affect the feelings one would feel after watching this scene.

It was precisely because of the kissing scene between the two of them that this drama was even more perfect.

In Joy of Life, the male and female leads never had any relationship scenes to begin with. They were not familiar with kissing scenes, but it could make people feel the reality of this movie even more clearly.

After filming, Xia Wanqiu's face turned red and she gently pursed her red lips.

Lin Fan was still craving for more. He wanted to kiss her more but the plot didn't allow it.

Damn it. He said that he would NG more than ten times, but he only kissed her once.

"Director, look at the scene just now. Do you want to film again? I feel like it's not done yet," said Lin Fan with a smile.

"No need. You guys filmed this scene perfectly." Lu Benkai said and gave Lin Fan a thumbs up.

"I think so too." Liu Mou nodded.

"Stupid Lin Fan, the director already said that filming once is enough. Or... do you still want it?" Xia Wanqiu said softly as she looked at Lin Fan.

Her red lips were so tender and soft that Lin Fan had the urge to continue kissing them.

But the filming was over. They couldn't kiss anymore.

If he kissed her again... it would be a public display of affection and he would be trending all over the Internet.

Lin Fan looked at Xia Wanqiu and was a little angry. She couldn't seduce people like this.

The next time he brought Xia Wanqiu home, if Xia Wanqiu still dared to challenge his physiological limits like this, Lin Fan wouldn't have to tolerate it anymore. He would directly teach her how to be a human and let her bid farewell to her period for ten months.

"No matter how much you want it, I won't give it to you."

"Hmph, time to eat dinner." Xia Wanqiu looked at Lin Fan's expression and smiled.

After all, she and Lin Fan didn't have a close relationship. No matter how many times they kissed in dramas, it was impossible to really kiss in reality.

Xia Wanqiu was extremely smart. She could tell that Lin Fan still wanted it. This was also the reason why she was happy.

So Lin Fan had feelings for her...

Xia Wanqiu was very happy in her heart, but she couldn't show it on the surface. Girls still had to be reserved.

And even if he wanted to kiss her... he couldn't do it in front of so many people.

Who asked Lin Fan to act so seriously just now? If he said one wrong line, he could do it all over again.

"I'm so regretful." Lin Fan shook his head. He had said that he would NG more than ten times but he still hadn't done it.

Lin Fan wasn't someone who would brainlessly take advantage of Xia Wanqiu. Although he said that on the surface, he wouldn't actually do that.

When he was filming a kissing scene with Xia Wanqiu, he would not extend his tongue out rudely.

Although Lin Fan really wanted to...

he still didn't do it.

This was also the reason why Xia Wanqiu had such a good impression of Lin Fan.

Lin Fan was always different from the others. When she interacted with him, she was very happy.

"As expected, the feelings in the shows are all fake. It's better to have feelings in reality." Lin Fan looked at the sky and recalled what he had just experienced.

He wanted to continue discussing the kissing scene with Xu Yang, but Lin Fan could no longer find Xu Yang. He didn't know where Xu Yang had gone.

Then, Lin Fan went to Director Lu Benkai to take a look at the scene.

After looking at it, the surrounding crowd exclaimed again.

"Hey, Lin Fan's acting skills are so cool. The kissing scene here is also super warm. We really can't compare."

"Once this drama gets broadcasted, it'll definitely become extremely popular on the Internet. Lin Fan's godly acting skills will definitely dispel the prejudices of those people on the Internet against him."

"D*mn... How can Lin Fan act so well? I'm just a little envious. I also want my goddess's first kiss!"

Listening to everyone around him,

Lin Fan smiled.

Even though it was filming, he really took Xia Wanqiu's first kiss.

Suddenly, he couldn't bear to wash his face..

Chapter 84 Why Don't You Give Me a Kiss?

Unknowingly, more than a month of filming had passed.

After Lin Fan and Xia Wanqiu's kissing scene was completed, it announced the completion of the filming of Joy of Life.

Lin Fan's first script was finally completed.

Next was the post-production, and after a series of procedures, it could officially premiere.

As this was a parallel world, the flow of television dramas here and in real life was not identical. The auditing speed in this world was much faster.

n other words, after filming was completed, it wouldn't take long for the television series to be on screen.
n the film crew.

Everyone gathered together.

Director Lu Benkai, the producer Liu Mou, as well as many actors and staff were here.

Xia Wanqiu, Su Xiaoyu, Lin Jingjing, Xu Yang, and many others were taking photos for remembrance.

Su Xiaoyu was excitedly taking a photo with Lin Fan.

The main thing was... Lin Fan was too handsome.

Many actors looked at Lin Fan in admiration and excitement.

How can Lin Fan be so handsome?"

Lin Fan, can we take a photo together?"

Lin Fan, can I get your autograph? | feel that after this television drama airs, it will definitely become popular."

'The key is that Lin Fan is dressed so simply today but he's so handsome. All these years, I've never seen anyone as handsome as Lin Fan. | wonder if Lin Fan has a girlfriend."

Don't even think about it. Lin Fan is a rich and handsome man who drives a sports car worth hundreds of millions. He's also an investor of Joy of Life. Do you know how much he invested? 100 million!"

D*mn, is Lin Fan that awesome? His script was well written, he's handsome, and his acting skills are so good. In the end, you told me that he's very rich. I think I'm in love with him."

After many actors worked with Lin Fan, they were convinced by his acting skills and character.

They had gradually forgotten Lin Fan's original identity.

Lin Fan was rich and handsome...

n the entire Shanghai, Lin Fan's net worth could be ranked at the forefront.

Just Lin Fan's car and villa alone would make many people look up to him.

Lin Fan was still a restaurant owner and could cook a delicious meal.

The most attractive thing was that Lin Fan was still single!

o matter how well Lin Fan and Xia Wanqiu acted in the drama, no matter how sincere and invested their relationship was, Lin Fan was still single in real life.

Many girls had thoughts.

They could predict how good Lin Fan's future would be.

Even if they couldn't be Lin Fan's girlfriend, they just had to build a good relationship with him. Think about it. If Lin Fan wrote another stunning script and they could get one or two roles, it would be very beneficial to their development.

The acting skills of an actor were very important, but everyone knew that an outstanding script was even more important!

Lin Fan was a script master. Just this alone was enough to attract many outstanding actors.

Many actresses surrounded Lin Fan, wanting to take a photo with him,

There were also some 18 to 19-year-old girls who had not graduated from Beijing Film Academy. All of them had fair skin and beautiful long legs and they surrounded Lin Fan. It was just a simple photo and there weren't any ambiguous actions. Lin Fan didn't reject these actresses.

After all, there were many male actors taking photos with him. Lin Fan wasn't the type to avoid girls.

He was also a normal person, so taking photos was no big deal.

"Sister Wanqiu, do you think the photo looks good?"

"Master is really handsome. Taking a photo with him gives the feeling of a fairy taking a photo with a prince." Su Xiaoyu happily walked to Xia Wanqiu's side with her phone. Xia Wanqiu only smiled, her pretty face still a little red.

She had just filmed a kissing scene with Lin Fan...

Her first kiss had also been given to Lin Fan.

Although she and Lin Fan were just ordinary friends and their relationship wasn't that good, for some reason, Xia Wanqiu still blushed.

Seeing that others were taking photos with Lin Fan, Xia Wanqiu finally mustered her courage.

She also wanted to take photos with Lin Fan.

After graduating from high school for so many years, she rarely took photos with Lin Fan.

"Want to take a photo together?" Lin Fan smiled and walked to Xia Wanqiu's side.

"Mmm ~" Xia Wanqiu nodded her head gently. She picked up her phone and took a photo with Lin Fan.

Lin Fan was very handsome and she was very pretty.

When people saw the two of them taking photos together, they felt that they were really a match made in heaven.

“Lin Fan, that won’t do. Your pose isn’t pretty. Change your pose.” Xia Wanqiu looked at Lin Fan and smiled sweetly. She corrected Lin Fan’s pose.

“Hmph, if you want to take a photo, just take it. You can’t touch my shoulder and you’re bullying me.”

“I’m fierce to you! Meow ~” Xia Wanqiu made her kitten gesture again and it was still so cute.

When Lin Fan took photos with the other girls, Xia Wanqiu wouldn’t be jealous.

No matter how pretty those girls were, they were not as pretty as her.

The image on the phone camera froze at this moment.

Xu Yang was about to take a photo with Xia Wanqiu when he saw Lin Fan and Xia Wandiu taking photos together. He silently chose to turn around and leave.

His background seemed a little lonely.

When he saw Xia Wanqiu make such a cute gesture at Lin Fan, acting coquettishly, and pretending to be angry, Xu Yang understood.

There were some girls that he could not woo.

Beautiful girls all had cute sides, but only the people closest to them could see this side of them.

If she turned into his wife, she would also have a coveting side in bed too. However, only by turning her into his wife could he see how she looked in bed.

Xu Yang sighed silently. This world belonged to Lin Fan and Xia Wangqiu, not him.

Xu Yang saw Lin Jingjing, and Lin Jingjing saw Xu Yang.

“Want to take a photo together?” Xu Yang smiled.

“Sure.” Lin Jingjing nodded. Her cheeks were slightly red and she smiled like a flower.

As for what Su Xiaoyu was doing, she was holding a cucumber in her mouth. She took a small bite and touched her stomach.

The dog was hungry, but there was no one to cook for her.

She was aggrieved, weak, and helpless.

“Master, I’m hungry.” Su Xiaoyu pouted and looked aggrieved. Ever since she got used to eating Lin Fan’s dishes, she didn’t want to eat other people’s dishes.

“Mmm, I’m hungry too. I haven’t had a feast in more than a month.” Xia Wanqiu looked at Lin Fan.

“Alright, you want me to help you guys cook up a feast?” Lin Fan smiled and looked at Xia Wanqiu and Su Xiaoyu.

Xia Wanqiu nodded. Her favorite dish was braised fish.

There was no need to mention Su Xiaoyu. Su Xiaoyu had been craving for Lin Fan’s noodles for a long time. Especially the egg noodles, noodles in bean paste, and sliced noodles, they were all very delicious. Lin Fan smiled brightly and leaned forward to joke with the two girls.

“You can ask me to make dinner. But how about... you give me a kiss in return first?”.

Chapter 85 At The Celebratory Banquet, Lin Fan’s Culinary Skills Shocked Everyone

“Mua ~”

Su Xiaoyu didn’t think too much about it. She leaned forward and kissed Lin Fan.

“Master, we can eat the dinner you make now.” Su Xiaoyu giggled and held Xia Wanqiu’s arm, quickly dodging back.

When she returned, Su Xiaoyu realized what she had done wrong.

When she heard there was going to be delicious food, she just couldn’t help it...

That was it...

Now the cat was angry. She was going to be bitten.

“You really kissed me. I was just joking.” Lin Fan smiled. It felt good to be kissed by a beautiful woman. It was a pity that it wasn’t the cat that came to kiss him.

“Ahwooh, Sister Wandiu, I was wrong.” Su Xiaoyu pulled Xia Wanqiu, looking aggrieved.

“Stupid Lin Fan, you keep your word. If I remember correctly, that was Xiaoyu’s first kiss.” Xia Wanqiu looked at Su Xiaoyu. She knew Su Xiaoyu’s character. Although she was angry, she had already kissed him. What else could she do?

If she got angry here, wouldn’t others think that she had a closer relationship with Lin Fan?

“Ah... Master, you’re too naughty!” Su Xiaoyu’s chest heaved up and down.

Lin Fan: “...”

He didn’t seem to have done anything.

Even if it was a kiss, it was Su Xiaoyu who kissed him on her own accord.

How did he become a bad person?

“It’s fine. I’ll go talk to Director Lu. I’ll cook a feast for you guys tonight.” Lin Fan smiled and walked forward. He gently patted Xia Wanqiu’s head and turned to leave. Lin Fan knew that it was time for his peaceful life to end.

Today was the last day he could enjoy. After today, he had new work to do.

For the past month, although he had been filming, he had been completely focused. The filming process had been very smooth and he enjoyed this feeling.

Everything was simple when he was in the production team. Once he left the production team and faced the entire society, he would face all sorts of dangers.

Lin Fan knew that the current him wasn’t strong enough to protect Xia Wanqiu.

The waters of the entertainment industry were very deep. Joy of Life was his first work, and it would also be a start.

Only by becoming truly strong could he protect Xia Wanqiu from any grievances.

Lin Fan didn’t want to see investors wanting to sleep with Xia Wanqiu anymore.

When he turned around, Lin Fan’s eyes were exceptionally clear.

At the celebratory banquet.

Many people sat together, chatting happily.

Only Lin Fan wasn’t around.

“Speaking of Lin Fan, where did he go?” Lu Benkai looked at Xia Wanqiu.

Xia Wandiu raised her beautiful eyes and said, “He went to make dinner.”

“Make dinner? There’s no need for that. I invited a few Sichuan Cuisine masters for today’s celebratory banquet. It’s enough to make a delicious feast for everyone.”

“Lin Fan is the main actor. Filming is already so tiring. How can he cook personally?” Lu Benkai said. He didn’t say the other sentence. No matter how good Lin Fan’s acting was, how could his cooking skills compare to that of those Sichuan cuisine masters?

Sichuan Cuisine masters were all top-notch chefs. Usually, these people worked in five-star hotels and were chefs of five-star hotels.

It was already very good of him to be able to invite them here to cook. No matter how good Lin Fan was at cooking feasts, he couldn't cause trouble for the two Sichuan Cuisine masters. After all, there were specialists in every field.

"That's right. Wanqiu, Xiaoyu, this is your fault. You have to believe that the Sichuan Cuisine masters we found for everyone make very good food. Don't make Lin Fan work so hard," Liu Mou said. Xu Yang nodded as well. "I know that Lin Fan owns a small restaurant. I heard that the food he makes is pretty good, but I feel bad about letting Lin Fan cook for all of us."

Xia Wanqiu looked at everyone and blushed.

Lin Fan was clearly cooking a feast for her.

Everyone might have some doubts in their hearts, but they didn't know that although Lin Fan only opened a small restaurant, his culinary skills weren't inferior to any master's.

Xia Wandiu said, "Lin Fan's food is quite delicious."

Su Xiaoyu nodded as well. Could a five-star chef be more amazing than her master?

Her house was filled with top chefs but when compared to Lin Fan's feast, there was no comparison.

Even the cucumbers and bananas at Lin Fan's house were so delicious.

Lu Benkai shook his head and said, "That won't do. I'll personally invite Lin Fan back and eat the dinner made by the two Sichuan cuisine masters."

On one hand, Lu Benkai didn't want Lin Fan to work so hard to cook. On the other hand, he felt that Lin Fan's feast definitely couldn't compare to those two Sichuan Cuisine masters. Xia Wanqiu didn't say anything else. Lu Benkai wanted to look for Lin Fan but she couldn't stop him.

When Lu Benkai walked into the kitchen, the scene before him completely stunned him.

The two Sichuan Cuisine masters that he had invited were standing beside Lin Fan politely and helping him out.

One of them was holding soy sauce and vinegar while the other was holding salt and other condiments. The two Sichuan Cuisine masters stood respectfully beside Lin Fan like apprentices. Then, he looked at how Lin Fan cooked. It was simply... smooth like flowing water.

"Add oil and salt," said Lin Fan.

"Master Lin, I understand," Li Xuewen said. He was also a famous Sichuan Cuisine master. In the past, he was the one who taught others how to cook. But today, he was helping Lin Fan.

"Cut this tomato. Remember to cut it well. If you don't cut it well, you can't use it," said Lin Fan. He looked at the other Sichuan Cuisine master, Li Xueping.

“Alright, alright. Master Lin, this is the first time I’ve seen your cooking skills. Also, how can your feast... be so delicious...” Li Xueping said with some admiration in his eyes.

When Lin Fan entered, he immediately found some problems with their cooking.

Then, Lin Fan started cooking. The two Sichuan Cuisine masters were both stunned.

Lin Fan’s cooking skills, control of the fire, and proficiency in cooking, as well as some details, had completely exceeded their understanding.

Even steamed pork slices could give off a fragrant smell. It was fragrant, tender, and smooth. It looked very delicious. When the two Sichuan Cuisine masters took a bite, they realized that Lin Fan’s feast had far exceeded theirs.

This was simply... a delicacy!

When Lin Fan continued cooking, all the details were seen by the two Sichuan Cuisine masters. Their eyes were filled with shock.

It was as if they had discovered a new world. They looked at Lin Fan’s feast. It was on a completely different level from theirs.

Most importantly, Lin Fan’s cooking skills even exceeded theirs by a lot.

The Egg Fried Rice that they made could at most be called delicious Egg Fried Rice.

After eating a mouthful of Lin Fan’s Egg Fried Rice, the two Sichuan Cuisine masters felt that they were about to fall in love with such Egg Fried Rice.

The feeling of eating one mouthful was as though they had discovered an immortal-grade feast in a paradise. Taking a sip of Lin Fan’s fish soup was like discovering a fine wine. Even if they were masters in cooking, there was a huge difference in their cooking skills.

These were culinary skills and national techniques, and they had been handed down for thousands of years. Only those who had reached a certain level of research in cooking could cook such a feast. The two Sichuan Cuisine masters were completely stunned. They hadn’t expected to learn so much from cooking a feast for everyone here.

Looking at the respectful attitudes of the two Sichuan Cuisine masters,

Lu Benkai stood rooted to the ground.

But you two are masters of Sichuan cuisine...

Could it be that Lin Fan’s feast was even better than that made by these two Sichuan Cuisine masters?!
