

## **I signed In For A Billion Dollar Mansion From The Very Beginning Chapter 95-99**

### **Chapter 95 Neither Heaven nor Earth Are As Beautiful As You**

“It’s a little cold. Can I borrow your hand to hold?”

Lin Fan’s words entered Xia Wanqiu’s mind. The waves crashed, and everything in the world froze.

Lin Fan waited for Xia Wanqiu’s response silently and extended his hand to her.

Looking at the pretty girl in front of him, Lin Fan suddenly had an illusion.

Was it just one-sided love between him and Xia Wanqiu?

The air seemed to have stopped flowing. Lin Fan felt like he had done something wrong.

Perhaps Xia Wanqiu did not have that kind of feeling for him.

“Will you return it after you borrow it?” Xia Wanqiu smiled sweetly. There was a beautiful blush on her pretty face. She blinked her eyes and looked at Lin Fan.

“I’m not returning it.” Lin Fan smiled and held Xia Wanqiu’s soft and warm hand.

The moonlight shone, reflecting this scene.

Lin Fan took the initiative to hold Xia Wanqiu’s hand.

It turned out that girls’ hands were so soft.

Seeing Xia Wanqiu’s reaction, how could Lin Fan not understand?

After holding her hand, she didn’t resist and just let Lin Fan hold her hand.

The two of them remained silent as they walked along the beach.

After a long time. Lin Fan looked at the sea and said, “The sea is really beautiful.”

Xia Wanqiu nodded lightly. “Yes.”

Lin Fan held Xia Wanqiu’s hand and looked at the moon and stars in the sky. “The moon and stars are really pretty.”

Xia Wanqiu’s beautiful eyes followed Lin Fan’s gaze. “Mmm, they are indeed beautiful.”

Lin Fan turned around and held Xia Wangiu’s other hand in his palm.

“But I feel that neither heaven nor earth are as beautiful as you.” Lin Fan looked at Xia Wanqiu’s beautiful face and said these words from the bottom of his heart.

“Stupid Lin Fan, since when would you say such corny words of love? Where did you learn them from?” Xia Wanqiu blushed and lowered her head.

It was a happy thing to be praised by anyone for being pretty, and she was even praised by Lin Fan. No matter how good Xia Wanqiu’s acting skills were, her shyness at this moment was real.

“They’re not corny words of love. They’re my true thoughts.” Lin Fan smiled and said seriously.

“I believe you, but my fans also praise me like that,” Xia Wanqiu said with a smile. Looking at the waves by the sea and wearing Lin Fan’s clothes, she felt that it wasn’t so cold by the sea anymore.

“No, I’m not like them.”

“They like many celebrities and people.”

“But I only like one person.” Lin Fan held Xia Wanqiu’s hand and smiled brightly. “Hmph, trash,” Xia Wanqiu said as she looked at Lin Fan with her beautiful eyes, waiting for him to say something.

At this moment...

A voice came from afar.

It was Xia Wanqiu’s manager, Yang Qing.

rea

“Wanqiu, where are you?” Yang Qing shouted as she walked towards Lin Fan and Xia Wanqiu.

Seeing that Yang Qing was here, Lin Fan and Xia Wanqiu released their hands.

The two of them walked along the beach towards Yang Qing.

After all, there were more people here. Once someone secretly took a photo of them, they would definitely be trending again.

Before Lin Fan and Xia Wanqiu could confirm their relationship, Yang Qing called for a pause.

“Wanqiu, Lin Fan, you two... have to be more careful.”

“Even if you’re dating, you have to find a place with no one. It’s too dangerous here. Now that Joy of Life is about to start airing, who knows how many competitors want to find gossip about you at this juncture.” Yang Qing sighed.

This was the filming location of Keep Running. There were all sorts of people. Although no one would say anything on the surface about Lin Fan and Xia Wanqiu acting intimately with each other, everyone could tell.

Although the current Lin Fan was the main lead of Joy of Life, the television series hadn't started airing yet so Lin Fan couldn't be considered a celebrity yet.

If he wanted to be with Xia Wanqiu, if he wanted to obtain the recognition of countless fans and make them stop doubting him like before, Lin Fan had to produce his works and show his results.

Furthermore, it was not the time to officially announce it yet. Especially Xia Wanqiu, she could not be affected by this gossip. Otherwise, the competitors might directly replace Xia Wanqiu. "Sister Yang, I know."

"Then let's go home first." Xia Wanqiu smiled and held Yang Qing's arm. She ignored Lin Fan.

She was a little angry. Why couldn't Lin Fan have said it faster?

Now that they had been caught, they could not continue to be together secretly.

Lin Fan looked at Xia Wanqiu's back view and understood a lot.

It was not the time to officially announce it yet. Xia Wanqiu did not care, but he did.

He would take Xia Wanqiu's career and future into consideration and could not announce his relationship with her unless he could stand on the same level as her.

The current him was not enough.

The most urgent matter at hand was to busy himself with the launch of Joy of Life.

The next day, the company was having a meeting

The post-production for Joy of Life had been completed and the approval process had been approved.

What they had to do next was to decide who would get the rights to premiere Joy of Life. After discussing the premiering rights, Joy of Life could officially premiere.

Everyone arrived at the company and started working on the premiering rights. On the other hand, the people from Joy Media were also in a meeting.

The person in charge of Joy Media, Zhao Rui, looked at the surrounding staff and said, "Everyone, Yuehua's Joy of Life is about to premiere. If nothing goes wrong, our company's television drama General and I will premiere at about the same time as Joy of Life."

"We've spent a lot of money to hire popular actors to star in 'General and I'. With Wang Menghan, Zhao Ziyue, and other celebrities among the cast, the reputation of our show will definitely not lose to that of 'Joy of Life'."

Zhao Rui was confident. Although Joy of Life's script was well written, it was still a script written by a newcomer.

"A newcomer's script was actually sold for an astronomical price of 400,000 per episode. Do they really think Lin Fan is some master in the screenwriting industry?"

"Also, Yuehua did something that made people laugh. They have celebrities like Xu Yang, Xia Wanqiu, and Su Xiaoyu, but they chose Lin Fan to be the male lead." Zhao Rui smiled calmly.

"Boss Zhao, is Yuehua's brain fried? I think Lin Fan is really handsome and he's rich. However, does Lin Fan really know how to act in dramas? How can he be the male lead without any acting skills?"

"That's right. Yuehua didn't use their number-one male artiste, Xu Yang. Instead, they used Lin Fan. That will be the biggest failure of their television series. If the male lead's acting isn't good, then the reputation of this series won't be good."

"How can Yuehua's Joy of Life vie with our General and I? Lin Fan probably became the male lead by pulling strings. You can imagine how horribly this television drama will fail."

Many of the employees of Joy Media said. It was obvious that they didn't think highly of Lin Fan or Joy of Life.

Zhao Rui pondered for a moment and smiled confidently.

"Therefore, what we need to do this time is to... let the reputation and popularity of General and I completely crush that of Joy of Life!"

"Yuehua will lose terribly because they made a huge mistake!"

### **Chapter 96 Lin Fan's Weibo Exploded, Joy Media Evenly Matched with Yuehua**

Zhao Rui continued, "Of course, we shouldn't underestimate 'Joy of Life' too much. They have a lot of celebrities and have the ability to fight with us."

"Therefore, during this period of time, we have to make use of the public's opinion to attack Lin Fan online."

"It's useless to attack people like Xia Wanqiu and Xu Yang on the Internet. They don't have many dark spots on them, but Lin Fan is a weak point."

"A restaurant owner who also has a considerable net worth. In the end, he pulled strings to be the male lead of Joy of Life. By making use of these details, we can directly reduce the audience's anticipation for Joy of Life, causing Joy of Life's reputation to plummet."

"At the same time, contact the broadcasting company. General and I and Joy of Life will premiere at the same time. We must crush Joy of Life completely!"

“This way, the investors will pay more attention to Joy Media in the future. This is also a good opportunity to attack Yuehua.” Zhao Rui smiled with strong confidence.

The goal of Joy Media was to crush Yuehua!

And Lin Fan, who had no acting skills, became Yuehua’s biggest weak point!

At the same time, all sorts of news about Lin Fan went viral.

The entire Internet was criticizing Lin Fan. All sorts of haters and keyboard warriors appeared out of nowhere.

“Lin Fan isn’t suitable to be the male lead of Joy of Life. Lin Fan is just a restaurant owner. I suspect that he pulled strings to become the male lead!”

“Lin Fan is a little handsome, but can he compare to the handsomeness of the male lead of General and I? Lin Fan, who has no acting skills. Urgh, whoever watches Joy of Life is a moron?”

“It seems like there’s something between Lin Fan and Xia Wanqiu? They might have been in a relationship since high school. No matter what, this television series must not be good.”

“Lin Fan is really f\*cking trash. His acting skills aren’t good and he only knows how to cook. What right does he have to be the male lead? Doesn’t that mean that I can be the male lead too?”

“Shocking. I’ve found the reason why Lin Fan was the male lead. Lin Fan is a tycoon. He drives a Rolls-Royce and a Bugatti. He really took the back door. Tsk, tsk, tsk. Yuehua really can do anything for money.”

At that moment, the entire Internet was denouncing Lin Fan.

Some people even found Lin Fan’s Weibo and started commenting fervently.

“Trash backdoor dog, get out of the entertainment industry!”

“What right do you have to be the male lead? You even acted with our Qiuqiu. What right do you have to be the male lead through connections?”

“Yuehua looks so disgusting doing anything for money. I won’t watch Yuehua’s dramas in the future.”

Joy Media was indeed a big company and negative public opinion was spreading quite fast.

They had fabricated news about Lin Fan’s acting skills, abilities, and going through a back door and started to fan the flames.

Lin Fan didn’t have a fanbase and not many people believed him.

Even if there were, they would be beaten by the keyboard warriors. This was the power of an entertainment company. If they wanted to mess with Lin Fan, it would be easy. The most important thing in the battle between the two dramas was public opinion.

Some passers-by who didn't know the truth also criticized Lin Fan on Weibo.

In an instant, Lin Fan's Weibo was attacked by the public.

There were even people who said that with so many celebrities speaking up for Lin Fan previously, it meant that Lin Fan had gotten in through the back door.

Countless torrents attacked at the same time, as if they wanted to crush Joy of Life.

Yuehua Entertainment.

Su Xiaoyu was very angry. "These despicable keyboard warriors are bullying Master again. I really want to scold these people back."

Xia Wanqiu was also looking at Weibo. Her beautiful eyes were cold. She had seen so many people attacking Lin Fan again.

Xu Yang slammed the table in anger. "Damn it, how dare someone bully my brother! Which company did it? Who did it? Investigate!"

CEO Li's expression was also volatile. This was clearly someone who wanted to destroy the reputation of "Joy of Life" and even Yuehua.

If the quality of Joy of Life was really poor, then all of Yuehua's celebrities would probably be affected.

Even all the actors acting in Joy of Life would be affected.

Once this television drama was defined as a lousy film, it would be very difficult for the celebrities in this drama to make a comeback in the future. They would forever be labeled as having acted in a lousy film.

At this moment, Lin Fan walked into Yuehua.

When everyone looked at Lin Fan, they were surprised to see that he wasn't angry at all. "Master, people are scolding you. I want to scold them back. What should I do?" Su Xiaoyu ran over. Looking at so many Weibo messages, she got angrier and angrier. They were really infuriating.

"I'm very angry!" Xia Wanqiu nodded as well, her face fierce.

Director Lu Benkai and producer Liu Mou were even angrier for Lin Fan.

After all, Lin Fan's acting was so good. But before these people could see it, they started to defame Lin Fan online. "You don't have to be angry. Only one company would do such a thing. Joy Media." "In the beginning, Joy Media wanted to buy my script for the cheapest price but I rejected them. Now, Joy Media's television drama, "General and I", is about to premiere. It will probably be at the same time as

Joy of Life. Therefore, Joy Media will seize this weakness of mine and attack me directly,” said Lin Fan with a smile.

When everyone heard Lin Fan’s words, they nodded their heads.

Although Lin Fan didn’t have much status or works in the entertainment industry, among Yuehua’s people, Lin Fan would forever be a god and had some prestige. Even Xu Yang was very polite to Lin Fan. He even called him brother. It was obvious how well Yuehua’s people interacted with Lin Fan.

However, some passers-by who didn’t know the truth on the Internet were led astray and started to scold Lin Fan.

“Lin Fan, how do you think we should fight back? What Joy Media is doing now will only affect the reputation of Joy of Life.” Xu Yang looked at Lin Fan and asked.

Lin Fan was very calm. He said, “We don’t need to do anything, nor do we need to prove ourselves. We don’t need to join this scolding battle on the Internet either. It’ll make us seem low-level.”

“The opponent wants to destroy us. Basically, the opponent is afraid that our drama will become popular.” “In reality, Joy Media has walked into a mistake. They used a large number of keyboard warriors to attack me, which will only make Joy of Life even more popular. It will become popular almost before it even broadcasts.”

“For example, previously, there were many people on the Internet who hated on Battle Through The Heavens for transforming their chi into horses. The more haters there were, the more people there were who wanted to see what transforming chi into horses was. When they watch the television drama, they will realize that this television drama was actually filmed so beautifully...”

“The audience are not fools. Everything is determined by the works. The more people criticizing us now, the more the rumors will collapse on their own when the television drama is released. On the other hand, the reputation of our television drama will experience a reversal!”

“The final victors will be us!!!”

## **Chapter 97 Breaking The Doubt With The Truth!**

After hearing Lin Fan, Xu Yang, Lu Benkai, and Liu Mou all gave him a thumbs up.

Lin Fan was right. No matter how much the Internet criticized him, it was useless.

These haters were just paid keyboard warriors who were spreading rumors.

Just using haters and keyboard warriors would only make Joy of Life more popular.

No matter how many rumors the keyboard warriors spread, it was all an illusion. Without concrete evidence, it could not form a true trend.

Therefore, Yuehua only needed one move to completely disintegrate the haters and allow Yuehua to achieve the final reversal.

This move was to use the truth to fight back.

Using facts to break these people's doubts about the television series Joy of Life.

CEO Li also walked out and looked at everyone. He smiled and said, "Lin Fan is indeed different from the rest. He hit the nail on the head."

"Everyone, you have to have confidence in this television series we're filming. There are extremely good-looking male and female leads with good acting skills. There are also great beauties like Su Xiaoyu and Lin Jingjing. There are also actors like Xu Yang and veteran actors. Almost every detail of the television series will not be inferior to any opponent. Including the choice of script, I believe in my choice."

"The script for General and I was written by an old screenwriter from Joy Media. Their ability is equally good. Since Joy Media wants to fight with Yuehua, let's fight with them!"

"Everyone, let's get to work!" CEO Li said.

Joy Media wasn't weak after all. In just two days, they had already started to defame Lin Fan on the Internet.

These haters even started hating on Xia Wanqiu and Su Xiaoyu too.

U loo.

Anyway, as long as something could be hated on, they would hate on it.

There were even people who criticized Su Xiaoyu for often holding cucumbers and bananas. They wondered if she was too thirsty and did those things alone.

There were all sorts of haters on the Internet.

Lin Fan didn't look at these Weibo posts. He didn't care how the haters on the Internet scolded him.

Right now, Lin Fan was writing a new script.

No matter how the people on the Internet defamed him, Lin Fan was very confident.

Wds

"Joy of Life" was only the beginning.

After working for so many days, Lin Fan had many ideas for scripts in his mind.

Exciting stories appeared on the paper.

Although the new script wasn't finished, Lin Fan had already thought of a name.

This name... was "The Legend of Sword and Fairy"!

Lin Fan was also in the midst of creating "The Legend of Sword and Fairy".

At the same time, Joy of Life was about to begin broadcasting.

On this day, Producer Liu Mou, as well as Director Lu Benkai, were discussing an agreement with four companies regarding the premiering rights.

The companies decided to let Joy of Life premiere on the Internet.

There were a total of four video companies. They were iQiyi, Tencent Arts, Happy Fruit, and MangoTV.

These four video websites had many audiences.

These four companies were extremely competitive. Both Happy Fruit and MangoTV had already paid a high price to sign the premiere rights for the drama "General and I". "Pleasure doing business with you," said Wang Lele, the manager of the Happy Fruit.

"Pleasure doing business with you." Zhao Rui smiled.

The MangoTV staff, Li Mangmang, also spent a huge sum of money. This was because the popularity of "General and I" was higher, and the actors inside were all popular celebrities.

When Lu Benkai spoke to the two companies, he encountered some problems. Happy Fruit's Wang Lele said, "It's not that we don't want to buy your premiere rights. If your male lead is Xu Yang, we can still buy it. But your male lead is Lin Fan. Look at how much he's being hated on the Internet now. We don't know how much money we'll have to lose if we buy the premiere rights for 'Joy of Life'."

MangoTV's Li Mangmang nodded. "Your male lead's popularity is too low, and he has been criticized by the entire Internet. I'm sorry, but I'm afraid we can't work with you on this drama. We can still buy your premiere rights, but our company can only bid 10 million at most."

When Lu Benkai heard that, he glared at Li Mangmang and said, "You're bidding 10 million? Don't we have popular celebrities in Joy of Life too?"

Li Mangmang smiled and said, "Xia Wanqiu, Xu Yang and Su Xiaoyu? That's right, they are indeed very popular, but you chose the wrong male lead for this drama. Also, I want to tell you that Xia Wanqiu, Xu Yang and Su Xiaoyu's popularity cannot compare to that of Wang Menghan and Zhao Ziyue of Joy Media."

Happy Fruit and MangoTV had spent 60 million RMB to buy the premiere rights of "General and I". They naturally could not afford to buy the premiere rights of "Joy of Life" as well.

The two video companies chose the latter when it came to the choice between “Joy of Life” and “General and I”.

In terms of popularity, Wang Menghan and Zhao Ziyue were indeed more popular than Xia Wanqiu.

After all, Xia Wanqiu had not filmed in a year. Her only work was the variety show Keep Running, but works were the core of an actor’s soul.

Only works could make the audience remember an actor.

Lu Benkai and Liu Mou left angrily.

Happy Fruit and MangoTV looked down on Lu Benkai.

It was time to negotiate with Tencent Arts and iQiyi.

Both companies looked troubled.

They also felt that it was better to choose “General and I”.

However, there were also a lot of seasoned actors and actresses acting in the drama “Joy of Life”. Therefore, these two companies were a little tempted but also a little hesitant.

“Director Lu, can we take a look at the sample before deciding?” Tencent Arts’ staff asked.

“Same for us.” The staff member of iQiyi nodded.

“Of course. The sample shows the first three episodes. You can take a look. As for the rumors on the Internet, the quality of his acting skills will have to be determined by the work, right?” Lu Benkai said.

“Of course,” the staff from both companies said.

Hence, after the staff members of iQiyi and Tencent Arts watched the three episodes of the sample,

The staff from both companies were stunned.

“Holy sh\*t... the male lead of this drama, how can Lin Fan be so handsome? He’s even more handsome than Xu Yang.”

“Also, I’m really stunned by Lin Fan’s acting skills. His acting skills are really good. Why is everyone online defaming Lin Fan?”

I LIIS

“Lin Fan and Xia Wanqiu’s acting together was simply amazing. I suddenly understand why Lin Fan could be the male lead of this television series. Such a handsome male lead with such good acting skills. Everyone would want Lin Fan to be the male lead.”

“There are really a lot of haters on the Internet. Are the plot of this television drama, the filming methods, post-production works, and even the dubbing so top-notch as well?”

“With such a method of filming, the scenes presented are simply at the peak of perfection. Especially the acting skills of the male lead Lin Fan, they have far exceeded our imagination!”

“Director Lu, our company wants to buy your premiere broadcast rights. Let’s sign the contract now. Once such a work is broadcasted, it will definitely not lose to any television drama!”

### **Chapter 98 The Battle Begins For The Two Major Television Dramas!**

The staff members of Tencent Arts and iQiyi were all stunned.

Previously, when so many people were defaming Lin Fan on the Internet, these video website companies had some doubts. They wanted to buy the premiere rights of the television series. If this television series did not become popular, then their video websites would lose everything. Premiere broadcasting rights would cost them 100-200 million, or even 300-400 million, and that was still low.

The copyright fees would be very high.

Now, the staff of the two video companies had seen the acting skills of the male and female leads in Joy of Life.

This was especially so for Lin Fan’s acting skills. They were extremely outstanding.

It was completely different from the one-sided comments on the Internet.

Lin Fan’s looks and acting skills were enough for him to be the male lead.

“Director Lu, Tencent Arts is willing to buy your premiere broadcast rights for 70 million yuan, plus the corresponding dividends. What do you think?” Tencent Arts’ staff asked.

“Director Lu, iQiyi is also willing to pay 70 million yuan for the premiere rights. However, there is a condition. The premiere rights can only be in the hands of iQiyi and Tencent Arts. We will then add on the corresponding dividends of the television drama. We believe that the television drama Joy of Life will be extremely popular.” the iQiyi staff said.

The bids from the staff of the two companies were very high.

This price was even higher than that of Joy Media.

It was originally impossible to get such a high price. Most importantly, these two companies had seen the sample and seen Lin Fan’s acting skills.

This television drama was made too well, so both companies offered 70 million yuan.

Buying such a television drama for 70 million was enough to prove how much importance these two companies placed on “Joy of Life”. “Sure.” Lu Benkai nodded and signed the agreement.

Both companies took out 70 million yuan, which was 140 million yuan in total.

This was only the beginning. If this television drama could really become popular, the subsequent income and commercial value it would generate would be immeasurable!

The television series “Joy of Life” had a total of 46 episodes. Yuehua and the two companies had agreed that they would broadcast eight episodes a week.

They only needed a month to finish broadcasting Joy of Life.

And the premiere of “Joy of Life” was scheduled for Friday, Saturday, and Sunday at 8 pm.

Every Friday and Saturday, three episodes would be added while two episodes would be added on Sunday. The eight episodes every week would all be added during prime time.

After signing the contract, the official Weibo account of “Joy of Life” officially released the first broadcast notice.

(Joy of Life will be officially broadcasted on Friday, July 24th, at 8pm, with eight episodes added per week. The premiere broadcasting platforms are iQiyi and Tencent Arts.)

[Male Lead: Lin Fan, Female Lead: Xia Wanqiu]

At the same time, Joy Media’s official Weibo account also sent out the first broadcast notice of “General and I”.

As a television drama of Joy Media, “General and I” would premiere on the two video websites, Happy Fruit and MangoTV.

“Joy of Life” and “General and I” were like mortal enemies clashing with each other. They announced their premiere timings one after another. Even the broadcast timing and dates were the same.

Joy Media wanted to crush Yuehua directly.

After the two companies released the first broadcast notice, Lin Fan, Xia Wanqiu, Su Xiaoyu, Xu Yang, Lin Jingjing, Teacher Chen, Teacher Wu, Director Lu Benkai, and producer Liu Mou all reposted the Weibo post.

At once, “Joy of Life” became a trending topic.

The atmosphere was still the same as before. Now, there was no need for keyboard warriors. The people on the Internet had a unified style.

These people all supported “General and I” and not “Joy of Life”.

After Lin Fan reposted the Weibo post as well, hundreds of thousands of haters went to his Weibo and started scolding him. “Trash, get lost, quit the entertainment industry!”

“People like you who take the back door lead television series astray. You filmed all sorts of lousy dramas and even became the male lead. Do you really think you can act? No way, right?”

“Just you wait. If the television drama doesn’t look good on Friday, your entire family will die!”

“Our Qiuqiu’s first relationship scene was destroyed by you. It would have been great if Xu Yang had been the male lead.”

All sorts of comments filled Lin Fan’s Weibo.

Furthermore, because there were too many haters, some irrational haters even smashed Lin Fan’s restaurant.

At once, everyone was furious.

Of course, most people were led astray.

These people who fanned the flames were very scary. There were also all sorts of marketing accounts. There was an overwhelming amount of hate towards Lin Fan and the television drama “Joy of Life”.

At the same time, a famous blogger with the nickname “Liu Dada” posted on Weibo.

(Lin Fan is a rich man who doesn’t know how to act. Don’t dirty the entertainment industry!)

There were more than 2000 words in it. They were all about boycotting Lin Fan. Furthermore, the famous blogger Liu Dada, usually liked to scold celebrities. He had scolded some handsome hunks before and now, he was scolding Lin Fan.

Many marketing accounts also started reposting Liu Dada’s Weibo post.

The denouncement on the Internet was getting more and more heated.

What was Lin Fan doing?

He was in the Lake Heart Villa. There was a barbecue rack with all sorts of lamb skewers, mushrooms, eggplants, steak, etc. Xia Wanqiu, Su Xiaoyu, Lin Jingjing, Xu Yang, Lu Benkai, and the others were all in Lin Fan’s house.

It was a large gathering.

As for the news on Weibo, Lin Fan wouldn’t look at it.

These news would only affect Lin Fan’s mood. However, it didn’t change the fact that Lin Fan could still live such a comfortable life.

It was peaceful, and happy, and there was a lot to eat.

Most importantly, with the cat around, Lin Fan wouldn't get angry easily.

When he was angry, he would look at Xia Wanqiu and not be angry.

Two days later, Friday arrived. "Joy of Life" and "General and I" were officially premiering!

On this day, Xia Wanqiu was sitting at Lin Fan's house.

There was no one else at home but Lin Fan and Xia Wanqiu.

The two of them sat together and waited for the drama to air. During this period of time, Lin Fan had nothing to do. Occasionally, he would write a new script.

Finally, it was time.

Four episodes of "Joy of Life" were officially updated on iQiyi and Tencent Arts.

MangoTV and Happy Fruit also uploaded four episodes of "General and I".

The official battle between the two companies' television dramas began now!

At Joy Media, Zhao Rui was sitting on a chair, her eyes filled with confidence.

"After so many days of fermenting public opinion, I want to see how this television drama Joy of Life will fight with General and

I..."

"Without a doubt, the final winner will be General and I!"

"Yuehua, prepare to pay the price for choosing Lin Fan as the male lead!"

### **Chapter 99 Explosive Reputation, God-level Acting Skills, Lin Fan's Became Extremely Popular!**

When the two television dramas were broadcasted at the same time, there were a large number of viewers on both iQiyi and Tencent Arts.

There were also some people in the audience who wanted to see how lousy Lin Fan's acting was.

Countless comments appeared on the screen.

"Come, come, come. Let's see how Joy of Life is like. If Lin Fan's acting skills are really bad, I'll go scold him."

"That's right. People defamed Lin Fan for so many days on the Internet, how did Lin Fan offend them? Maybe Lin Fan's acting is very

good."

“Hehehe, actually I’m here to see Xia Wanqiu. Our Qiuqiu is the most beautiful. I don’t know when I’ll be able to marry her.”

“The one in front who wants Qiuqiu to be his wife, don’t run away!”

“I was here...”

The opening of “Joy of Life” was a theme song with a lot of accompanying music.

There were many beautiful scenes in it too.

When the audience heard the song and saw the scenes, the comments had already changed.

“D\*mn, the male lead, Lin Fan, is a little handsome. Such a handsome hunk looks even more handsome than Xu Yang.” “Not only is Lin Fan handsome, he’s even more handsome than the male lead of General and I. Even this background music is especially nice. D\*mn, what kind of godly music is this?”

“There’s a kissing scene between Lin Fan and Xia Wanqiu... Ah, why didn’t they kiss? I want to see the kissing scene. Lin Fan’s acting skills seem to be a little good.”

“D\*mn, who was the one who said that Lin Fan’s acting skills weren’t good? I just saw the opening scene and I felt that Lin Fan’s acting skills were extraordinary. There are really too many haters on the Internet.” After Joy of Life entered the first episode’s plot, these audiences were deeply engrossed in this plot.

They were all stunned by the plot.

At the start of the plot, it was the acting skills of a veteran actor. Such acting skills could not help but surprise everyone.

By the time they finished watching the first episode, the comments no longer had any doubts.

“666666, this television drama looks a little good. The opening theme is too interesting.”

“They’re all good actors with good acting skills. It’s just that the male and female leads haven’t appeared in the first episode. Let’s see how the male lead Lin Fan performs. I hope he doesn’t destroy this television series.”

“I have to say, the scenes of this television drama, the post-production, the actors’ acting skills and status, and the setting of this script are all very interesting!”

The audience’s eyes were bright.

An outstanding work could naturally move these people’s hearts.

They would not say that a good work was bad.

When it came to the second episode, Lin Fan and Xia Wanqiu finally appeared.

Then, the two of them appeared on screen for a very long time. In the first episode, the comments were only showing that they were watching, and they were only praising the background music and post-production. When it came to the second episode, as the male and female leads appeared. The entire floating comments section exploded!

“D\*mn, Lin Fan is so handsome. How can there be such a handsome person? Lin Fan didn’t even put on any makeup and he’s already so handsome.”

“Lin Fan’s fighting scenes, his martial arts scenes... and the scene of the male and female leads meeting, I feel like my heart is going to melt. Lin Fan’s acting skills are really amazing!”

“Also, Xia Wanqiu’s acting skills are superb. This is Xia Wanqiu’s first relationship scene. I didn’t expect it to have such a good effect. Lin Fan and Xia Wanqiu look so compatible. I wonder when these two people in the show will be together. I’m looking forward to the next episode.”

“In the future, I’ll be Lin Fan’s fan. If anyone dares to scold Lin Fan, I’ll scold them back. With such good acting skills, we could even compare him to veteran actors.”

After the audience watched two episodes, the reputation of the drama had already changed.

Then came the third episode...

After watching those three episodes, the entire comments section was already one-sided.
