"Terminate the news from the search engines. I will send you something new to replace it" Lala told Evans

"Settled," Evans said and hung up.

The next morning another trendy news emerged. It was the video of Nadia putting the Golden wristwatch in Lala's handbag.

Nadia's face was broken. She never expected that things will turn out like this within a short time. Lucas, her brother has refused to release her unless she apologizes to Lala. Dolly also has abandoned her to rot in the cell. Dolly never wanted to get into Lucas's bad book again, after how he treated her, because of what she did to Lala.

Nadia was disappointed because she did everything just for Dolly and yet she left her here. Looking at the latest news on the internet, Nadia's face burns with so much hatred not only for Lala but also for Dolly.

"I told you that Dolly can not be trusted," Molly who brought the ugly news to her said.

"What can we do now?" Nadia asked.

"My brother does not want to help me," Nadia said looking more miserable.

"Look, I will call your brother, and you will concur with him. You have to promise to ask for Lala's forgiveness once he gets you out of here. Molly suggested

"That sounds like a good idea, but I can't descend so low to do that," Nadia said.

"You have to, you don't seem to have any other option or do you?". Molly persuaded.

Nadia finally agreed to her suggestion and they called Lucas. After promising to beg Lala, Lucas came and billed her out. However, he did not take Nadia home, instead, he called Elise

"Send me Lala's address, I want to talk with her." He said.

"Well come to my office she is here with me" Elise answered

"What! What is she doing in your office?" Lucas asked with fury

"What does a man do with a beautiful woman?" Elise fired back.

"You bastard! I will kill you" Lucas roared

"You bastard! I will kill you" Lucas roared

"What is wrong with you? Lala is no longer your wife remember and she has every right to choose whomever she wanted to be with. If she chooses me then I don't see how that is your problem" Elise replied.

Lucas felt defeated, he almost forgot that Lala was no longer his. The pain of losing her to his best friend hurt him deeply. However, he intended to punish Nadia for putting up with such a disgraceful act and so he said.

"Tell her that I am coming with Nadia"

"I will do that," Elise said and hung up.

"Come over to my office Lucas wants to see you," Elise said through the phone.

Lala left her office and drove to Elise's office, which was a few minutes drive from her office. She barely came in when Lucas entered with Nadia. Immediately Lala saw them, she left the office and walked away, however, Nadia was able to get hold of her shortly after she entered the large hall where the junior workers were working.

The staff left their work and started watching what was going on.

"Nadia what is it," Lala asked with an icy voice. Just then Lucas and Elise joined them.

"I am sorry, for lying about your name," Nadia said.

"Tell me exactly what you did?" Lala asked.

Nadia was embarrassed, but she have no options. She knelt and grab Lala's leg.

"I was the one who put that golden wristwatch in your bag. I was so angry with you that I have to do that" Nadia was crying hard this time not because she was truly sorry but because she was going to make another headline on the Internet and that hurt her the more.

This time, the whole workers were busy with their phones, they recorded everything on their phones because they saw the humiliating video of Lala on the internet.

Lala smiled that was why she left Elise's office in the first place so that the news will be circulated.

"Is okay Nadia, I forgive you" Lala gently pulled her up and wiped out the tears in her eyes.

This gentle act is to make people see her as a kind-hearted person and made Nadia look evil in the sights of the people.

Nadia knew that, but then again she has to endure it to obtain mercy from her dear brother Lucas.

"Thank you, Lala," Lucas said and took his sister away. The pain in his eyes can never be mistaken. Lala grinned. This was the first time he had used such a word on her.

Within a short time, the news of Nadia's apology spread like wildfire. People were abusing, and cursing her for humiliating such a good woman like Lala. They went ahead and praise Lala for being such a forgiving woman. The pictures of how she was embarrassed at the party were displayed once again and this brought another pain to Lala's heart.

"I will make you all pain for stepping on my toes," she said and picked up her phone.

"Honey, I am so happy. I can't believe I am going to sign this contract tonight" Anabel told her husband.

"I know you will be famous one day, you have worked so hard to be where you are now," George her husband said.

Anabel received a call from Mrs. Han two days ago, the woman told her that someone recommended her company to her.

She told Anabel that her company will handle all the interior decoration of their newly established hotel in Newland. According to Mrs. Han, Anabel should come to Blueberry restaurant with her proposal, hopefully, they will study the contract the same day if she likes her previous works and proposal.

Anabel was delighted, being her first time handling such a big deal she jump into the business without asking many
