

Chapter 0019

"Kailey, stop running." Jasper snatched the megaphone from Kailey's hand and threw it onto the ground.

Upon seeing Jasper, Kailey burst into tears in a grievance.

"Jasper..."

Looking at Kailey's tearful eyes, Jasper heart's ached immediately.

Just like that, the two of them looked at each other and exchanged affectionate gestures.

Renea looked at them with an indifferent expression.

Looking at Renea's calm and indifferent expression, Stella couldn't help but feel curious. She asked, "Aren't you angry?"

"Why should I be angry?" Renea turned to look at Stella and asked with a smile.

"A bitch matching with dog! I think they are a perfect match! So, in that case, shouldn't I wish them a happy ending instead?" Renea said with a cold smirk.

Hearing her words, Stella felt that she was right. Stella agreed with her so much that she had nothing else to say.

"Kailey, let's go." Jasper took Kailey's hand and was about to leave.

"Where are you guys going?" Renea blocked their path and asked coldly.

Looking at Renea, Kaiely tugged Jasper's sleeve and hid behind him.

"Renea, don't go to far!" Jasper said angrily.

Hearing his words, Renea couldn't help but smile mockingly. She thought, 'This was the guy who claimed he loved me several days ago.'

"If you want her to leave, then of course she can leave... However," Renea paused for a moment, then said, "Only if you can take her place and continue to run..."

Hearing Renea's words, Jasper's face was ashen with anger. He couldn't help but think, 'This woman has always been following me like a dog in the past. How dare she speak to me in such a manner now?'

"What's the matter? Aren't you a gentleman? Are you not willing to do so?" Renea asked.

Jasper remained silent. Of course, he wasn't willing to do something so embarrassing.

However, when he saw Kailey looking at him with a pitiful look on her face, Jasper felt speechless.

"Jasper, you don't have to worry about me." After saying that, Kailey ran away in tears.

Jasper glared viciously at Renea before chasing after Kailey.

Besides, Kailey, Sophia, and the others didn't miss a lap for the 100 laps. Running those laps had nearly cost them half of their lives and

made their throats sore.

The video of them running laps as a punishment was quickly shared on the school forum.

In an instant, the whole school knew about it.

Sophia was also summoned to the vice principal's office.

Shane was so angry that he scolded, "You reckless fool, you are ruining my reputation!"

"Dad, you can't blame me for this. Renea was the one who caused all of this. She is the one being overbearing!" Sophia said resentfully.

"I can't believe you still have the nerve to say that!"

Sophia immediately lowered her head and dared not speak again.

Shane's cold gaze darkened as a glint of fierceness flashed across his eyes. He said, "Renea dares to bully my daughter. I think she doesn't want to stay in this school any longer."

"Dad, don't they hold an award ceremony for the top scorer of the preliminary exams every year? Let her embarrass herself at the ceremony and then use her alleged violation of school rules to have her expelled," Sophia whispered.

Sophia harbored an intense hatred for Renea. If she couldn't get Renea kicked out of the school, her grudge would be hard to ease.

Shane pondered with an unfathomable gaze. After a long while, he said coldly, "Alright, I have my own arrangements for her. You had better keep a low profile for a while."

"Fine!" Sophia replied perfunctorily.

However, she already had a perfect plan in her mind.

"Renea!"

Renea and Stella were heading toward the canteen when Ria and Tia stopped them.

"Renea, we are sorry." Ria lowered her head and apologized.

Tia also lowered her head and spoke softly, "Renea, we were at fault previously. We shouldn't have listened to Kailey and betrayed you. We are sorry."

Ria crossed her arms over her chest and looked calmly as the two of them put a show in front of her.

"Renea, can you forgive us?" Ria looked at her expectantly.

Renea looked at them with a smile without saying anything.

Ria and Tia exchanged glances as neither of them could understand what Renea's smile meant.

Ria plucked up her courage and said, "Renea, my birthday is the day after tomorrow. I have reserved a restaurant, just like before. I hope you can come."
