Chapter 0041

To show off in front of Leon. Kailey slowly spoke and gave different suggestions, "Although your cold solution is good, it can't solve the root of the problem. If this matter can't be solved, it will become a stumbling block in his career. At that time, how can he make more people know him and like him?"

Leon felt that Kailey's words made sense.

Susan shot a disdainful glance at Renea and quickly added, "Hubby, I think Kailey is right. What we are doing now is not to escape, but to solve this problem."

Leon looked at Kailey and asked, "Do you have any ideas?"

Kailey was delighted to see that Leon had agreed with her. She said, excitedly, "I have checked and found out that the first person to reveal the scandal was a marketing account. The owner of this market account is a paparazzo. As long as we can bribe him with money and ask him to change his confession, Dylan will naturally clear his name."

"Yes," Leon nodded, "That's a good idea."

Nowadays, there is nothing that money cannot solve. At most, he could spend more money.

Susan took the opportunity to praise her and said, "Honey, look, Kailey is the smartest."

Kailey looked at Renea and a provocative look flashed through her eyes. She thought to herself, 'Renea, no matter how hard you try, you will never compare to me.'

Renea smiled and turned to return to her room. She didn't take Kailey's provocation seriously at all.

"You guessed right, they contacted me." The man's excited voice came from the phone.

Renea smiled and asked, "How much did they offer?"

"Five hundred thousand dollars." The man was even more excited. He would never be able to earn so much money, even if he were to be a paparazzi for the rest of his life.

"You agreed."

"Don't worry. You'll get what you deserve. How about \$100,000? I'm generous enough, aren't I?" The man said.

"Humph!" Renea laughed coldly. "Just \$50,000 enough to make you compromise. Its look like I have misjudged you!"

"What do you mean?" he asked.

"Don't tell me your goal is only \$50,000. Don't you want to be the best paparazzi in the entertainment industry?" Renea asked.

Renea's words stunned the man.

She continued, "If you expose the evidence that Dylan tried to bribe you and then reveal more information about Dylan, you will become the first paparazzo in the entertainment circle who doesn't care about power and dares to speak the truth. From then on, even if you make up some nonsense, the netizens will choose to believe you, and you will become a

paparazzo all the actors fears. Do you think there will be a fewer people willing to pay you hush money then?"

The man had already imagined such a glorious scene in his mind, which was more exciting than getting \$50,000.

"It's up to you how to do it. If you want \$50,000 then I can find someone else. Since there are so many paparazzi in the entertainment industry, I think there must be someone more ambitious."

She made concessions to gain advantages. The man becomes anxious, "No, I'm just discussing it with you. What do you think I should do next? I'll do what you say."

To be honest, the man was not just moved by Renea's words. He admired Renea's meticulous thoughts and the unknown shocking news she had.

Renea's snorted coldly. Vincent is still the same. He hadn't changed at all. She hoped that he would not be so silly and greedy in this life.

In her previous life, Vincent took the video of Kaliey and Jasper having an affair. However, Kailey set a trap for him and accused him of extortion. He was then taken to the police station and tragically suffered a heart attack and died while in custody

As for the real reason for his death, only he knew.

Leon had just contacted Vincent, and Vincent immediately exposed it. He also exposed the other unknown relationship of Dylan.

"The Morris family is desperate. They are starting to bribe the reporter. It seemed that the news is true."

"The most favoured actor in Bluerecords is actually a playboy. That

explained it. He has such a strong background, but he is just a third rate artist after three years in the entertainment circle. There is a reason why he is not popular.”

“An artist who is notoriously indiscreet about his private life should be banned.”

For a time, the netizens scolded Dylan even more fiercely and Bluerecords was also affected by the unprecedented influence. Blue Records stock price took a sharp tumble in less than a half day.

Leon was so furious that he scolded Dylan, Kailey, and Susan.

Kailey never thought that a paparazzo would not be tempted by \$50,000.

“Look what you have done!”

At this moment, Leon wished he could kick them out of the house.

Dylan lowered his head and didn't dare to make a sound. Susan behaved and also did not dare to make any sound.

Kailey was slapped in the face, so she was even less qualified to speak.

Renea, who was sitting on the couch seemed, particularly leisurely. She slowly sipped her coffee as if she had nothing to do with it.

Looking at her, Susan went berserk, “Are you still in the mood to drink coffee after such a big thing happened at home?”

“Home” Renea smiled. “Is it my home?”

“You...”

Kailey pulled back the angry Susan. She looked at Renea and sat in a

lecturing tone, "Renea, how can you say that? Although you are not the biological daughter, you are now living in the Morris family, and you are one of us. How could you honor and disgrace of the Morris family have nothing to do with you?"

"I wanted to leave, but didn't you guys stop me?" Renea's smile deepened as if she was purposefully provoking Kailey.

Susan could no longer suppress her anger.

Compared to her, Kailey was surprisingly calm this time. "So now that something bad has happened to the Morris family, and you want to leave, right?"

As long as Renea left, it would prove that Renea was an ungrateful person. She wanted to see how Renea would enter the entertainment industry.

"Do you regard such a small matter as something bad?" Renea was dismissive.

Her confidence made Kailey and Susan Angry, but it also gave Leon hope.

"Renea, do you have any ideas?"

Right now, all he wanted to do was to protect Blue Records.

Renea spoke slowly, "You have missed the best opportunity previously and now Vincent instead has the evidence that you tried to bribe him. If you want this matter to come to an end, you can only show your attitude and quell the anger of the netizens so that Bluerecords won't be implicated."

Leon listened carefully

Renea looked at him and continued, "Dylan isn't suitable for staying in the entertainment industry anymore. Also, he can't stay in the Morris family for the time being."
