

## Chapter 0050

Renea raised an eyebrow playfully and looked at Stella with confusion. Then looked back at Tia.

At this moment, Tia's face becomes more and more unpleasant.

"What did she say?" Renea asked.

Stella smiled and said, "She said you are dating a sugar Daddy and that your intention is to get close to me for my status."

"Don't you think so? With a friend like you, I can build ties with the Kingston family. If I marry into the Kingston family, it will be a lifetime of glory of and wealth."

Renea said seriously without any hint of joking. The conspiracy theories in the school had already spread when she became friends with Stella.

People just believe the rumors. Who could trust anyone without any suspicion?

"Then, it would be my honor to be used by you," Stella said.

It may sound like a joke, but it shows Stella's attitude. The wall that Renea had built around her heart had cracked at this moment.

Watching the two of them leave while talking and laughing, Tia was furious. Her clenched fist had sunk into her palm, and her eyes were filled with venom.

"By the way, Renea, what did you do the day before yesterday? I couldn't find you when I came out of the teacher's office." Stella asked.

Renea looked at Stella, who seemed clueless, and understood what was going on.

"I went to have dinner with your uncle."

Stella felt as if she had been struck by lightning in an instant. This news was a bold from the blue for her.

'Sure enough, it was like this.'

'That old man, Uncle Yama, had taken fancy to Renea.' She thought.

"What did the teacher ask you to do? I have been waiting for you a long time, but you didn't come back."

Renea's words stunned Stella once again.

Noticing that Stella was wearing a distressed expression, Renea questioned again, "What's wrong?"

"I'm fine." Stella forced a smile as she replied to her.

She didn't expect his third uncle, uncle Yama is a person who pays more attention to his lover than his niece.

Renea didn't inquire any further after hearing Stella's reply. She wasn't someone who liked to probe either.

Besides, each person also had something they were either willing or unwilling to speak.

Richard: "Renea, your performance just now was simply too amazing. You should make your debut. I guarantee that you will be able to get the award for the best female actress next year." Richard sends Renea a text

message at this time.

Richard had watched the clip just now several times already. Even the time he watched Renea's acting skills would continue to astound him in new ways.

Mike, who had witnessed him getting crazy over Renea's performance, couldn't help but look at him with disdain.

'Did he have to fanboys so hard for Renea?' He thought.

Renea: "Thank you, however, that's not my ambition."

Richard! "Why? You want to be behind the scenes?"

Renea! "Yes."

Richard: "That will be a waste of your talent. I'm very confident that not many young actors in the entertainment industry can compare with you in terms of your acting skills."

Renea! "Thank you."

Richard: "As long as you want to be an actress, I'm glad to offer you help."

Later, Richard put down his phone in disappointment when he didn't receive any reply from Renea after a long time.

To be honest, he didn't have anything complicated in his mind either. He simply had a good impression of Renea plus her acting skills were indeed quite good. Therefore, he didn't want such a promising candidate for the acting field to go in the wrong direction.

Suddenly, something came to Richard's mind, and he immediately sent

the clip to Kevin.

Richard" "How is the acting of the girl who is delivering the love letter? Doesn't she have great potential?"

After reading Richard's text message, Kevin clicked on the clip. After watching it, he paused the clip at the scene where Renea looked back.

He noticed that Renea's pretty eyes resembled his a lot. It could even be said that their eyes looked the same. However, there was no light in Renea's eyes.

He could not believe that there was no light in the eyes of an 18-year-old girl. Her dull eyes made people feel sympathy for her as if she had experienced lots of hardships.

At this time, Zale leaned over and took a look at Renea on the screen. He then furrowed his brows slightly and wondered, "Isn't this the fake daughter of the Morris family? Isn't this Renea who stole your person?"

"The fake daughter of the Morris family?" Kevin looked up at Zale with a blank face.

Zale was slightly speechless.

Kevin was in the entertainment industry, but he didn't know any gossip at all.

"The news was widely spread some time ago. It was said that the real daughter of the Morris family had already returned home, but the fake daughter still didn't leave. She was scolded as well."

"By the way, at the birthday party of the real daughter, Master Richard even asked Zayden to send a gift to support the fake daughter."

Hearing this Kevin's gaze returned to the screen again, he then clicked on the video and watched it again.

Zale chuckled before continuing, "Did Master Richard take a fancy to Renea? He even looked at her to the crew."

Kevin however ignored Zale's words and ordered, "Go and contact her. I want to meet her."

"Huh?" Zale had yet to react.

'Was it because she stole the person Kevin had his eyes on so he wanted to get back at her.' He thought.

Kevin just shot Zale an icy glare when he heard that. He never spoke the same thing twice.

"Yes, Sir!" Zale immediately answered.

Renea had been told that someone looking for her as soon as the class ended.

Later, Renea walked out of the school with puzzlement. Seeing her Zale walked up to her and said, respectfully, "Miss Morris, nice to meet you. I'm saying Mr. Kevin White's assistant from Star Media."

Zale was no stranger to Renea. His name constantly appeared on the news reports.

She was just curious why Zale had come to find her.
