

The Hidden Billionaire Heiress (Lyra Melvin) Chapter 69

"Bastard!"

Melvin's veins on his hands bulged and he grabbed his collar and punched him hard in the face, "From which position did she jump? Where did she fall?"

Fred was dizzy from the punch by him.

He wiped the blood seeping out of the corner of his mouth and just laughed, not answering.

Melvin kicked him in the stomach.

Fred fell to the ground and rolled. It took a long time before he covered his stomach and struggled to get up.

"Sorry, Boss. Even if you beat me to death here today, I won't tell you Lyra's whereabouts."

"When I find her, I'll come back and fix you."

After saying that, Melvin left Fred's apartment, sending someone to put him in the apartment bedroom before leaving, and letting a bodyguard to keep an eye on him.

Coming out of the apartment, Melvin immediately made a phone call.

"Jay, immediately check Lyra's flight last night and what her location would be. Be quick."

He sat in the car and lit his cigarette with annoyance.

When the eighth cigarette was smoked, the phone finally rang.

He didn't even think about it and answered it immediately.

"I got it. Last night her flight went through a mountain range from Frayton to the neighbor city. There's a good chance she fell there. How's that? I'm quick this time, right?"

Jay, who was on the other end of the phone, was helpless, "I didn't expect Fred to be so bold this time. However, that mountain range is very large. If she really jumped from the plane, there is no way she can still be alive. Melvin, are you sure you want to find her?"

Melvin wrinkled his eyebrows. His black eyes suddenly dilated uncontrollably, "Bring her back, dead or alive."
