

Chapter 8 The club

"After what we have done for her and this is how she will pay us back. I must teach her a lesson of her life" Geraldine added.

"Enough all of you. Lala never wanted anything from me. She rejected everything her lawyer requested as her compensation. All she wanted was her freedom and I have given her that, so I don't want anyone talking about her again in this house" Lucas screamed and walked out on her mother and sister.

The two women looked at each other in confusion.

"Come dear today is your freedom day, let's go to a club and celebrate," Nancy announced happily. While pushing their way into the crowded clubhouse.

Lala was glad to go out with Nancy, this was her first time going to the club. She needed to celebrate her freedom from the cage she called marriage and her newfound happiness and wealth.

"Here you go, sit down here. Let me get something for us to drink" Nancy said and went out to get the drink.

Lala sat down. She was amazed at how so many people were in the club at that time. She was still admiring the excitement in the atmosphere when she saw Luca and Dolly seated at the far end of the club.

Immediately Dolly saw her, she grabbed Lucas, face and started kissing him passionately. Lucas who has taken so much drink because of his divorce from Lala tries to push her away, however, Lala saw his struggles as a passionate kiss because of the dim light in the room. Just then Nancy came in with their drink.

"Hello," Nancy shouted for the third time at Lala who was still watching Lucas and Dolly in disgust.

"Oh dear I am sorry" Lala responded immediately after Nancy nodded her.

"What is wrong with you?" Nancy asked and follow her gaze to see Dolly who was coming over to their table.

"Oh, Lala you are here? I don't even know that you will come to a place

like this. Oh dear, you must have been hurt about the divorce huh? Is that why you came here to find for yourself another man? Aren't you ashamed of yourself to come out quickly to look for another husband? No wonder Lucas can't stand you. You are such a shameless idiot. You disgust me" Dolly taunt

"Dolly, if I disgust you why are you always tailing after me huh? Or are you afraid that Lucas will abandon you and come after me? Don't worry because I will not accept him back even if he comes back to beg, because I was the one that rejected him and not the other way around. You know what two of you disgust me and you two are just a perfect match. It fits both of you, disgusting animals" Lala responded.

Dolly was taken by surprise, she thought that Lala will start crying or become Moody she never expected this outcome, however, she was determined to humiliate her for what she just said.

"You know that Lucas will never choose you over me because he loves me very much. He hates you with passion and can't stand you" Dolly fired back.

Just then Luca saw Dolly talking with two women and want to know what was going on. Immediately Dolly saw him coming, she took the glass of red wine on the table which Nancy brought and splash it on her white clothing. She started whimpering immediately after she saw Lucas. Hearing her cry Lucas rushed toward her and asked

"What is wrong? " he then diverted his attention to Lala and his eyes became cold however, Lala was calm.

"What did you do to her?" He asked furiously. Lala ignored him. Luca looked at Dolly who is still crying and asked gently

"What did she do to you"

"She poured her drink on me. Look at my clothes" Lucas saw the stained clothes and the next thing Lala heard was Slap on her cheeks forcing he face to turn to the right with her hair covering her face. She gently removes the hair and pushed them back.

Slap!

Lucas's smooth face burns with Lala's hard slap.

"How dare you raise your filthy hands on me. I will make sure you pay for this" With that, Lala took her bag and left the club. Leaving Lucas standing in shock. Nancy couldn't explain how happy she was. She never imagined that Lala could do a thing like that, especially to Lucas. "Where

did she get her strength from," She thought in her mind and happily followed her friend outside.

"That woman is insane, I told you she was never good for you. See what she has done to you" Dolly said.

Lucas was not hurt by the slap, however, he was hurt to see the monster Lala has become because of him. He walked out of the club depressed. Dolly ran after him

"Lucas, don't allow what that animal did to affect you. She is insane" Dolly said as she followed Lucas to his car.
