Chapter 124B

Chapter 124 Suspicion

should have seen the look on her face just now. She's truly worried about you," Finley quipped.

Rupert cast an indifferent glance at him. "The fewer people know, the better."

Rupert had only gotten a minor injury after he was hit by the sheet of metal.

However, the explosion was strange.

It seemed like it was specifically targeted at him and Annabel.

Rupert decided to pretend to be in a coma.

In this way, the person behind the attack would think their plan worked.

He was waiting for the culprit to let down their guard and make a wrong move, so he could catch them unawares.

Thinking of this, Rupert asked in a low voice, "How's it going?"

"As expected, there is a lot of negative news about the company," Finley reported.

"Look into Judson," Rupert ordered with a frown. ③

Finley was stunned for a moment. "Do you suspect that he has a hand in this?"

Rupert nodded. "Check to see if he has any affiliation with Love Jewelry."

"Okay." Finley's face darkened.

After Rupert finished giving the orders, he lay back on the bed and closed his eyes.

Chapter 124 Suspicion

Back in Annabel's ward, she couldn't sleep a wink.

She sat on the bed and turned on her phone. She saw that the news about the explosion was all over the internet.

Intense comments were still pouring in.

"Benton Group is more corrupt than we thought. It appears that they deceived consumers and produced the goods with substandard materials that unfortunately caused the explosion."

"Something tells me that the explosion was intentional. The management must have done that to get rid of all traces of their illicit affairs. The dead can't speak, so no one can testify to what they saw in there!"

"How can you say that? You seem to forget that even the CEO was injured in the explosion. Rupert is not that kind of man!"

Staring at the phone screen for a while, Annabel rubbed between her eyebrows and carefully recalled what happened before the explosion.

She and Rupert got injured. However, Judson received a call and left before the explosion occurred.

What a coincidence?

Annabel couldn't shake the suspicious feeling brewing inside her, so she called Anthony.

"Hello, Ada!" Anthony's concerned voice came through. "I saw the news. Are you okay?"

"I'm fine," Annabel said. "I need you to look into someone for me."

"Who is it? I will look into anyone as long as it's not Candy." Anthony agreed on one condition.

"Look into Judson," Annabel uttered, rubbing her eyebrows. ①

The moment she ended the call, Rupert's pale face appeared in her mind. She couldn't stop thinking about him.

She had no choice but to go back to his ward.

Before she got to the door of the ward, the bodyguards stopped her. "Miss Hewitt, you can't go in."

Annabel seemed to hear a familiar voice coming from the ward. It sounded like Rupert's voice.

She was abuzz with excitement at once.

Did Rupert wake up? ①
