

Now, they were about to turn the tables in today's press conference! It was all a trap, and Judson had fallen for it.

As reality dawned on him, Judson broke out in cold sweat.

He had severely underestimated his opponents!

They fooled him!

Rupert nodded to Finley, who then pressed a button on the remote control. The next second, a video started to play on the big screen in the conference room.

The setting of the video seemed to be in some fancy hotel.

A man and a woman were lying in a bed in the center of the room.

The man was undoubtedly Judson, while the woman was none other than Marilyn, the chief designer of Love Jewelry.

The two of them were cuddling in bed. After a while, Marilyn asked, "Honey, do you love me?"

"Of course." Judson's eyes were glazed over with lust.

"Why don't you prove it?" Marilyn pouted, wrapping her arms around Judson's neck.

"How? I'll do anything for you!"

"Really? Are you willing to do anything for me?" Marilyn asked in a low, sensual tone.

"Yes!" Judson squeezed Marilyn's ass. "I'll do anything as long as you are willing to marry me."

"Okay, I'll marry you on one condition." Suddenly, Marilyn's

eyes turned cold. "Do you know about the plagiarism thing?"

Judson was stunned for a moment. "You mean Ice and Fire?"

Marilyn nodded. "Yes! That bitch, Annabel, humiliated me! Everything I worked for—my hard-earned career and reputation—was ruined because of her! She and Rupert have to pay!" 4

Marilyn's anger flared up at the thought of how she went from famous designer to plagiarist in the blink of an eye.

Things wouldn't have turned out like this if it weren't for Annabel and Rupert.

She had to take revenge!

She wanted Annabel and Rupert to get a taste of their own medicine and more. She wanted to destroy them!

Judson fell silent for a moment. Then, he made up his mind and said firmly, "Marilyn, I love you. Tell me, what do you need me to do?"

A hint of viciousness flashed through Marilyn's eyes as she said, "Annabel's Ice and Fire project—it has to fail! Her reputation has to be destroyed!"

"Oh, that? A piece of cake!" Judson pulled Marilyn close. "I'll make sure the Ice and Fire jewelry will have a fatal flaw. At that time, Annabel and Rupert will be in big trouble!"

"Honey, as long as you destroy the both of them, I promise I'll marry you!" Marilyn climbed on top of Judson and started kissing him. What happened next was strictly rated R.

Seeing this, Finley immediately picked up the remote control and turned off the video.

Rupert then turned his icy cold gaze to Judson. "So, how do you explain that video?" 4
