Chapter 135 You Care About Him

She glared at Annabel. Was she secretly seeing another man late at night?

Anika's car pulled up beside Annabel. She rolled down the window and stated, "Annabel, get in the car."

Annabel then opened the door and sat in the passenger seat.

Annie only saw Annabel enter a white Maserati, but she didn't catch a glimpse of the driver. ①

Annabel, she reasoned, was seeing another man behind Rupert's back.

Annie hastily stopped a cab. "Follow the vehicle in front."

Anika looked at Annabel and asked, "What's wrong with you? Did Rupert anger you again?"

"Don't bring him up!" Annabel became angry when she heard his name.

At this, Anika cracked a grin. It looked like her hunch was right once again.

Only Rupert could infuriate Annabel to this degree.

Anika walked Annabel to the bar, sat her in a corner, and poured her a glass of red wine. "Tell me. What did Rupert do this time?"

Annabel drank the wine all at once. "I don't know what to say."

"What do you mean?" Anika couldn't be more puzzled.

Annabel poured herself another glass of wine and gently shook it. "Rupert is in love with another girl."

Annabel then gave Anika a quick summary of the story of Rupert and Candy.

Anika nodded. "Do you think Rupert treats you as a substitute for Candy?"

"Isn't that the case?" Annabel scowled and seemed to be thinking deeply about something.

"I don't think that is true." Anika shook his head. "Since Rupert is pursuing you, why are you still hesitating?"

"When it comes to romantic relationships, I'm a neat freak," Annabel declared. "I can't allow partner to be constantly missing someone else."

"Alright. And what about Rory? He loves you deeply, but you still reject him." Anika pursed her lips disapprovingly. "Would you mind if Rory had someone else in his mind?"

Annabel's concern over Rupert's first love suggested that she had feelings for him.

"Rory?" Annabel was shocked. "We are just friends. It doesn't matter whether he has someone else in his mind or not."

"See? That's the point!" Anika smiled. "Annabel, you have fallen in love with Rupert. Otherwise, why would you be bothered by Candy?" ①

"Is that so?" Annabel stroked her forehead irritably. "Can you just stop talking about Rupert?" ①

When Anika saw Annabel's face get red, she grinned and quickly changed the subject. "Will you be attending tomorrow night's auction for charity?" ①

"Of course." Annabel nodded slightly.

The charity auction was sponsored by Leo Studio. At first, Annabel had no intention of attending, but she suddenly changed her mind.

Annie arrived at the bar. She wore a hat to cover her face and looked around for Annabel.

It would be great if she saw the man Annabel was having an affair with.

Annabel had caused her so much pain. She had to repay her thousands of times! ①
