### [Chapter 203 An Unexpected Kidnapping](#)

On the other side, Arjun also replied a message saying, "I see. Everything is ready here too."

Seeing the message, the corners of her mouth curved up before it disappeared instantly.

Then, she urged everyone to go out quickly while it was still early.

Under the lead of Aggy, everyone swarmed out.

Looking at the back of Aggy subconsciously, Trevor was uneasy as he felt that something was wrong.

However, when he couldn't think of any problem, he shook his head and went to the guest room.

As the trip was to the mountain area, Trevor deliberately brought a few novels to kill time.

While reading one of the novels, Trevor took a few sips of tea, enjoying the cozy atmosphere.

After a period of time, his phone suddenly rang which broke the comfortable silence.

Seeing that it was an unknown number, Trevor suddenly became worried.

With a frown on his face, Trevor picked up the phone. From the other end of the phone, a gloomy familiar voice sounded, "Trevor, I must admit that you are really good at acting. I almost thought that it was a misunderstanding that I was beaten up by Maison last time but when I followed him to take revenge, I found out that you are the mysterious Mr. Sanderson in Jork!

I am giving you twenty minutes to come to the stream near the campfire field or else you will never see that beauty named Luisa ever again in your life!"

After saying that, he hung up the phone directly, without even waiting for his reply.

Immediately, Trevor's face changed dramatically and he clenched his fists angrily.

Of course, he knew that it was Arjun!

How dare he kidnap Luisa like this!

Although Trevor was flustered, he calmed himself down and thought. An idea flashed into his mind and he decided to call Evie first.

"Sister, my friend Luisa is kidnapped!"

Even though Evie was surprised to hear that, she said in a calm voice, "Calm down. Where was she kidnapped?"

"By the stream near the campfire field in the southwest hot spring hotel of Jork!"

"Okay, stay where you are and wait till my men get there. I'm going to send people to rescue her right away and they'll be there in half an hour."

After saying that, Evie hung up the phone.

In the guest room of the hotel, Trevor was pacing back and forth anxiously.

What if something happened to Luisa while he was waiting for his sister's men?

Thinking about it, Trevor couldn't wait anymore. He mustered up his courage and rushed out of the hotel.

Once Trevor got near the stream beside the camp, he saw several fierce looking men.

Arjun was following them cheerfully while making a flattering look.

In the middle, Luisa and Aggy were tied together and they couldn't move.

Besides, Luisa's mouth was stuffed with something so, she couldn't say anything.

Honestly, Trevor was surprised to see Aggy there too. However, he didn't have time to think about it carefully.

Glaring at Arjun, he said, "I'm here. Let Luisa go!"

When Arjun saw that Trevor came alone, he was overjoyed. After all, he could take revenge now.

After that, he turned to look at the leading man and said, "Leif, you might not know him because you have been travelling outside for the past two years. This brat here is a true cash cow in Jork. He has the Sanderson family behind him and they are very rich!"

Hearing the word 'rich', Leif, who was playing with the butterfly knife in his hand, immediately looked up at Trevor with a ferocious smile on his face. He had some scars on his face.

Only then did Trevor know that the strong men Arjun brought were the criminals who were wanted with a high reward by the police in Jork.

Over the years, they had committed a lot of crimes and all of them were extremely vicious people.

The moment Arjun found out about Trevor's real identity from Aggy, he wanted to do something big.

If he kidnapped Trevor, not only he could take a revenge, but also receive a large sum of money to flee from the country.

However, what happened next changed his face drastically.

All of a sudden, Leif waved his hand and in an instant, the other strong men took out their knives and surrounded Trevor!
