

Blessed 204

[Chapter 204 Chop His Fingers Off](#)

Seeing what Leif and his men did, Arjun was stunned.

Although he wanted to extort some money, he didn't expect for them to do such a thing. In a hurry, he said, "Leif, didn't we agree to extort some money? This is different from what we have agreed."

As if he just heard a joke, Leif laughed and said, "Arjun, did you forget that we are wanted criminals? If I follow the rules, how would I be a wanted criminal? Since you want to extort him, why don't we kidnap him directly and make more money?"

Hearing his words, Aggy's face turned pale with fear.

The only thing she wanted was to take revenge on Trevor and Luisa.

What she didn't know was that her action could ruin her own life! Having been living in the ivory tower of the campus, she had never expected that her action was like asking a tiger for its skin.

At that time, it seemed that even the weather changed according to her mood.

In an instant, the rain poured down.

Feeling overwhelmed with everything, Aggy cried out in regret.

Her tears mixed with rain which made the make-up on her face look terrible.

Regardless of everything, Aggy begged Leif, "Leif, you want to kidnap Trevor, right? Let the two of us go first!"

When Leif heard her words, he turned to look at Aggy.

Because of the heavy rain, the two girls' clothes became wet instantly.

Their clothes were soaked in rain and clung to their bodies like second skin.

Which meant their curvy figures were faintly visible.

As the clothes were wet, their underwear was faintly visible which tempted the guys.

Licking his lips, Leif greedily looked at the two girls with his eyes filled with lust.

"Guys, it turns out that we not only kidnapped a young man from a rich family, we happened to bring two beautiful girls here. What do you think we should do with them?"

Hearing his question, Leif's men shouted in unison, "We should sleep with them!"

Spreading out his hands with his palms facing the sky, Leif put on a helpless expression as he said, "Beauties, you have heard it. My men can't wait any longer. I can't stop them now."

Hearing their words, Luisa got so frightened that her face turned pale while sobs came out from her mouth.

To escape from the restraints, she kept struggling her body.

On the other hand, Aggy looked like she was on the verge of collapsing. Suddenly, she shouted at Arjun, "Arjun, this is not what we agreed! This is entirely different from our plan!"

Obviously, her words made Trevor angry. Glaring at Aggy, he said angrily, "Aggy, Luisa is your best friend. How can you do this to her?"

All of a sudden, he realized that Aggy colluded with Arjun and set this trap!

However, now that she was in trouble, she exposed everything without thinking too much!

Because of the things that turned out, Arjun became anxious as he didn't have the guts to kidnap.

As he was alone, how could he do anything to Leif and the others?

Leif was satisfied to see that he had succeeded in scaring everyone.

Narrowing his eyes, he said ruthlessly, "Guys, let's tie Trevor up and chop off all his fingers to send them to the Sanderson family. Let's see if they dare not give money to us!"

His words only made Trevor sweat even more.

At this point, he was very nervous.

His sister promised that her men would arrive here in half an hour.

Now, more than twenty minutes had passed since he called his sister.

The so-called reinforcements were still nowhere to be found.

If the reinforcements couldn't arrive in time, both of them would be in danger!

Thinking about it, Trevor became a little anxious. After looking around, Trevor tried to calm himself down first.

Then, he said in a calm voice, "Guys, why don't we talk this matter out? If I'm not hurt, you can get more money from the Sanderson family. There's no need for you to do a business at a loss."

The truth was he only said that to the gangsters to buy some more time before his sister's men arrived.
