

Blessed 236

[Chapter 236 The Rich New Studen](#)

When the truth came to light, Drake felt a little guilty.

However, when Mattie shouted at him, he felt really embarrassed.

He decided to act recklessly and yelled in return, "Do you even know what you look like to other people? Did you think you were a beauty like Aggy? You don't deserve to receive authentic products!"

Mattie's face became pale and she stuttered in anger, "Y-you've gone too far!"

She threw the perfume bottle at Drake's face and then stormed away.

Drake's face was left with a bruise.

The bottle fell to the ground and smashed into pieces.

A pungent smell filled the entire shop.

Drake frowned.

He decided to leave because he was so embarrassed.

After Mattie and Drake left, Trevor couldn't help bursting into laughter.

The duration of their relationship, from courtship to break-up, was so short!

Trevor told Wendy, "Thank you. Once again, you've helped me out."

Wendy grinned and casually replied, "I'm glad to be of any help to you! If you really want to thank me, why don't you throw a party for us like Gavin did?"

Trevor smiled but did not answer her directly.

After chatting for a bit, the two parted ways.

Trevor rushed back to school and made preparations to give the phone to Luisa.

But as soon as he returned to the dormitory and put a SIM card into the new phone, the phone rang.

It was Jeanne who was calling.

"Mr. Sanderson, as you ordered, I have signed the contract for the acquisition of Landy Bookstore. Its

operation manual and evaluation reports have been sent to your mailbox."

"Well done!"

Trevor nodded in approval.

He then sensed that Jeanne had something more to say but was hesitating. "Anything else?" he prompted.

Jeanne was a little embarrassed, but she explained as respectfully as she could, "Mr. Sanderson, my brother transferred to your school today. His name is Keanu Brown. Please look after him or support him when you can."

Trevor didn't think too much about that request after ending the call.

He downloaded some popular apps into his phone. After opening the class group chat, he realized that there had been many messages exchanged an hour ago.

【Monitor: @ all the members, in order to welcome Mr. Brown to our school, the student union will hold a welcome ceremony in the auditorium. Everyone must be present by 19:00!】

What followed were several messages from students who just wanted to chat.

【I heard that Mr. Brown is from a very wealthy family. Do you think that's true?】

【It's true! I heard from my uncle who is a teacher in our school that when Mr. Brown came, the Brown family donated the building behind the auditorium!】

【Damn! He is so powerful. Whoever dares to offend him is doomed.】

Everyone in the group chat talked about "Mr. Brown" with a lot of excitement.

Trevor skimmed through the messages.

'This Mr. Brown must be Jeanne's brother, Keanu,' he thought.

He had not expected Keanu's arrival to cause such a stir.

Trevor shook his head and did not join in the fun.

It was already seven o'clock but he had yet to have dinner.

No matter how rich Keanu was, was he richer than Trevor?

Pressing a hand over his grumbling stomach, Trevor made his way to the canteen.

On the way, he passed by the auditorium.

Even though he was by the doorway, the auditorium seemed to pulse with excitement. The people inside were cheering.

Trevor had no intention of seeing what the fuss was about, but a few students walked out of the hall and started talking.

Their words stopped Trevor in his tracks.

"Who was that girl? It's obvious that Mr. Brown has a crush on her. He wanted her to perform, but she refused. How could she be so arrogant?"

"I heard her name's Luisa. She is quite pretty, but she doesn't know how to liven up the atmosphere. How boring."

"That's right. If she offends Mr. Brown, she's going to have a hard time in school."

Trevor frowned when he heard this.

His temper rose upon hearing that Luisa was potentially in trouble.

He rushed into the auditorium, regardless of the fact that he had been about to have dinner.

He then saw several people dragging a girl to the platform.

The girl being dragged looked uncomfortable.

It was Luisa!
