### [Chapter 242 Unexpected Turn](#)

"Ha-ha. Doesn't he know who Mr. Brown is? Well, since he dares to provoke Mr. Brown, he's dead meat!"

Luisa, who was waiting outside the office, turned white as a sheet upon hearing this.

Her eyes brimmed with tears, and she looked like she was on the verge of crying. Moreover, fear and regret swept over her.

Had she just danced in front of Keanu with her injured feet, Trevor would not have been involved in the matter and have ended up being expelled from the school.

Meanwhile, Boris looked around and gazed at everyone's face. He was morose as he almost did something that he would regret for the rest of his life.

Without further ado, he cleared his throat and announced his decision.

"Keanu, the school has decided to expel you from the university. Please leave the school premises at once."

A collective gasp was heard in the crowd. Everyone stopped talking at once. It seemed that they, too, did not expect that Keanu would receive the short end of the stick.

But what Boris said next surprised them most.

"After the investigation, it was proved that Trevor had acted bravely to protect his schoolmate without caring if he would get himself an enemy. Thus, we would like to praise Trevor in front of everyone," he said with a proud look on his face.

Keanu was in utter shock.

He could not believe what he had just heard.

Once he got ahold of himself, he strode forward and said to Boris, "Mr. Cohen, what happened? You saw with your own eyes that I was the victim!"

To Keanu's surprise, Boris looked back at him with disdain.

"Keanu, do you have any idea what you've done? You harassed Luisa. Trevor just protected her against you."

Nevertheless, Keanu did not feel an ounce of shame and even continued to twist the situation.

With a snort, he asked sarcastically, "So what? She should be grateful that I like her. I'm the brother of the manager of the Sanderson family. Do you have the guts to face the wrath of the Sandersons?"

Boris sneered. How dare Keanu threaten him with the Sanderson family in front of Trevor?

With a wry smile, he fished out his phone from his pocket and dialed a number. Then, he handed it to Keanu and said, "Sure. I'd like to talk to your sister in person."

Keanu took the phone and saw that Boris had called Jeanne, his sister.

He was bewildered.

Boris should be scared at the mention of Jeanne's name, should he not?

Keanu could still remember how enthusiastic Boris was when he found out that Jeanne was Keanu's sister.

Boris' sudden change in his attitude perplexed Keanu. To think, Boris even called Jeanne himself.

Nevertheless, Keanu put the call on speaker without thinking too much.

At this moment, a familiar voice came from the other end of the line. "Hello?" Jeanne said.

Keanu immediately poured out his grievances to his sister.

"Sister, I was beaten! A loser hit me on the head and insulted me. But even though I was the one who got hurt, Boris expelled me from the university. You have to help me. Punish them for me!"

Thinking that his sister would be on his side, he looked at Trevor with a smirk and eyes glinting in malice.

However, Jeanne's response shattered his expectations.

"Boris is right. You're a fool. I've spoiled you too much. Now, go home and stop making trouble!"

She hung up the phone without even waiting for Keanu's response.

Meanwhile, Keanu was dumbfounded.

Those who revered him left when they heard that Keanu was expelled. It was as if they did not care about him anymore.

Seeing that Keanu was still there, Boris looked at him fiercely and said, "Why are you still standing there? Do you want me to ask the security guards to drive you out?"

Keanu's face turned red in rage and humiliation.

He still could not figure out why the situation took a sudden turn. Unfortunately for him, there was nothing else he could do but accept his fate. He stared daggers at Trevor and left in a huff.

Now, only Luisa, Trevor, and Boris were left at the door of the office.

Even Luisa was stunned when she saw that the situation had taken an unexpected turn.

Not only was Trevor not expelled from the school, but he was also praised for his heroic deed in front of so many people.

It took a while before everything finally dawned on Luisa.

She rushed forward, hugged Trevor tightly, and sobbed, "Trevor, I'm so sorry. You almost got expelled because of me."
