

Blessed 267

[Chapter 267 Come To A Disgraceful End](#)

At that exact moment, Trevor's men arrived, along with Gavin and Trevor.

With his eyes wide open, Alvaro looked at the people at the door.

Before he could even come back to his senses, a dozen of strong men in security uniforms rushed into the room one after another.

Seeing the scene in front of him, Alvaro's face turned pale with fear as he asked, "Who are you guys and where are my subordinates?"

Without saying anything, the security guards grabbed him roughly.

Of course, Alvaro was taken aback because of their sudden actions. Obviously, he now realized that his men outside must have been controlled.

Not long after that, more security guards came in under the lead of two young men.

Alvaro immediately knew the identity of one of them.

Before he came to Jork, his father had told him about all the powerful families in Jork.

Therefore, he knew that Gavin was from one of these families and the fat man in front of him looked like Gavin.

Seeing Gavin, Alvaro said tentatively, "You must be Gavin. I'm Alvaro from the Duffy family in Ripon. Do you think we can have a talk about this matter?"

Alvaro uttered those words with great reluctance. He wouldn't want to show his cowardice if not for the fact that there were a lot of people surrounding him.

However, he wasn't worried about his own safety.

In fact, he never doubted the reputation of the Duffy family as they were famous in the neighboring cities, including Jork.

Especially recently, the Duffy family had annexed the industries of Arjun's family and it got more and more powerful.

In fact, Alvaro brought all his men to do business in Jork.

Therefore, he thought that Gavin would respect him.

Even though he had no idea why these people came here, he believed that they were willing to talk with him.

It wouldn't be too late to revenge when he could contact his men!

Even though Alvaro was furious, he still composed himself and acted friendly.

Seeing that Alvaro didn't feel an ounce of regret about what he had done, Trevor asked him with a frown on his face, "Bastard! Do you know that you are committing crime by acting this way?"

Only then did Alvaro turn to look at Trevor. Thinking that he was just one of Gavin's men, Alvaro said with a sneer, "So what? Do you think you have the right to speak here? You are just a dog that follows Gavin. Don't ever talk to me like that!"

Hearing his words, Gavin's expression suddenly changed.

He didn't expect that among so many people, Alvaro would dare to insult Trevor.

Therefore, Gavin got so angry that he shouted, "Alvaro, you are an arrogant jerk. Guys, beat him right now!"

Just as he finished talking, he rushed towards Alvaro and punched him in the face for several times.

When the security guards from the Vitoria Casino saw Gavin's actions, all of them didn't dare to disobey him.

So, they rushed up and punched and kicked Alvaro together.

"Gavin, did you forget that I'm from the Duffy family? Aren't you afraid of being punished?" Alvaro retorted.

However, as everyone beat him too hard, he couldn't withstand the pain anymore.

Then, he started to cry and beg for mercy, tears streaming down his face profusely.

"Ouch...it hurts. Please stop it... I was wrong. I did a mistake. Please forgive me.

Why are you doing this? I can give you money if you want."

After beating Alvaro so hard, Gavin's face turned red. Later, he signaled his men to stop beating.

At that time, there were bruises all over Alvaro's body. Several teeth were broken and his nose ring was pulled off.

All of his wounds were stained with blood. Not being able to stand it anymore, Alvaro fell to the ground as he slipped into unconsciousness.

Looking at Alvaro's miserable condition, Gavin was satisfied.

After that, he came over towards Trevor and asked for instruction in a low voice. "What do you think we should do next, Mr. Sanderson?"

Nodding his head, Trevor coldly looked at Alvaro who was now lying on the ground and ordered, "Call the police to arrest him."
