

## **Blessed 293**

### [Chapter 293 It Turned Out To Be Him!](#)

At that time, Trevor was a little puzzled.

Was the public security in Jork so bad?

He felt that he had encountered several gangsters recently.

After all, he met Arjun, Alvaro and now the one who harassed Selma!

Just as Trevor was thinking about it, Selma suddenly pulled his sleeve in panic.

In a low voice, she said, "That nasty guy is coming again!"

Trevor was shocked when he saw the man's face clearly.

With a frown on his face, he thought, 'Why is he here? Shouldn't he be in prison right now?'

It turned out that the one who harassed Selma was none other than Alvaro!

Only then did Alvaro notice Trevor.

In fact, Alvaro had planned to chase after Selma.

Actually, he met Selma a few days ago at a party. Since then, he was attracted by her beauty instantly.

Especially, her unique arrogant temperament of the daughter of the Moran family aroused his desire to conquer.

Since then, Alvaro started to force her into a relationship.

Therefore, when he heard that Selma was going to attend the party, he sneaked in.

Alvaro had never thought that he would meet Trevor here. What was more, he had even called the police to catch him in Mary Hotel. So, obviously, he was furious.

When he was taken to the police station, the Duffy family had to use a lot of effort to bail him out.

This experience was indeed a great humiliation to him and his family. Therefore, as soon as he was released, he sent people to investigate and collect every information about Gavin and Trevor.

At that time, he didn't hear Gavin calling Trevor as Mr. Sanderson because he was beaten seriously and was already unconscious in Mary Hotel.

Therefore, after investigating, he found out that Trevor was an ordinary college student who often worked part-time.

When Alvaro saw that Trevor was standing close to Selma and it seemed that they were familiar to each other, he became more furious.

In fact, Selma was holding Trevor's sleeve. However, from Alvaro's point of view, he thought that the two of them were holding hands.

With a long look on his face, Alvaro came over towards him aggressively, roaring, "You loser, step away from the woman I like!"

There was malevolence in Alvaro's eyes when he threatened Trevor. He looked even more frightening than Arjun.

Even a bold and shrewish girl like Selma feared him.

However, Trevor wasn't afraid of him at all! Feeling the nervousness of Selma, he reached his hand out and pulled her behind him, blocking her from Alvaro's eyes. Then, he looked firmly at Alvaro.

The dispute between them attracted everyone's attention.

As it was the large-scale party hosted by the mysterious person, many rich people in the city were invited. Immediately, they started discussing.

"Who is this man? How dare he quarrel with Mr. Duffy? He is courting death!"

"He must be crazy! How dare he offend someone who has a criminal background?"

"Young people nowadays are just so impulsive..."

Most people who recognized Alvaro were the rich people from Ripon.

Therefore, they knew how powerful the Duffy family was. Thinking about it, they all looked at Trevor with pity.

Of course, they could guess that Trevor wasn't an ordinary person as he was also invited to this party.

However, there was still a huge gap between the people. In fact, the Duffy family was the underground king of Ripon and now they were extending their power to Jork.

They couldn't believe that this young man dared to contend with him!

After all, no one thought highly of Trevor.

In fact, there was still some time before the party officially started. Therefore, only a few local rich people in Jork were present for now. Truth be told, Selma came here early in order to get rid of Alvaro.

On the other hand, most of the rich people from the other cities came here in advance so that they could attend the party on time.

Hence, when the other people heard what the people from Ripon said, they all thought that Trevor was doomed!

Trevor didn't care about the discussions around him at all. He just questioned Alvaro coldly, "How on earth did you get out of the prison?"

With a scornful smile on his face, Alvaro said arrogantly, "You underestimated the power of the Duffy family. How can they not release me? You bastard! How dare you report me to the police? You are going to die miserably!"

After saying that, Alvaro rolled up his sleeves, revealing the bulging muscles of his arms before reaching his hand out to push Trevor hard.

Then, he kicked hard on the side of Trevor's thigh!

As the pain spread, Trevor groaned.

Because of the force, he lost his balance and stumbled to the table behind him.

Seeing that Alvaro's face was filled with hideousness, Trevor became furious.

A scumbag like him became even more arrogant after being released from the prison.

Without thinking much, Trevor picked up a plate from the table and smashed it heavily on Alvaro's head!

A loud crack echoed throughout the hall!

The plate broke on Alvaro's head!
