

## **Blessed 300**

### [Chapter 300 Disable His Tool](#)

Baring his teeth out of pain, Alvaro covered his burning cheek and cried out, "Dad, why did you hit me?"

However, his father became even angrier at his words.

After all, his son was so stupid that he still didn't know who he had offended!

Thinking about it, Sheppard slapped Alvaro harder again.

Just like that, each subsequent crisp slap was accompanied by a tragic howl.

Soon, Alvaro's face was swollen and red.

Looking at the scene in front of them, Abbott asked Trevor, "Mr. Sanderson, how do you want to deal with Alvaro?"

Staring at Alvaro, Trevor said with a frown on his face, "I'll make sure to lock him up in the prison and never let him out."

Hearing his words, Alvaro was frightened.

After all, he had already been arrested once.

Without caring about anything, Alvaro grabbed Sheppard's clothes and begged, "Dad, I don't want to go back to jail! Please, help me!"

Looking at his son with disappointment, Sheppard finally sighed deeply and pleaded bitterly, "Mr. Sanderson, I will discipline my son strictly from now on. Can you please let him go this time?"

However, despite his begging, Trevor looked indifferent. Looking at Sheppard, he asked, "Well, if you could discipline him in the first place, he wouldn't be able to do so many despicable things! Do you know how many women he has assaulted?"

Hearing his answer, Sheppard's face darkened. After all, he knew what kind of person his son was. Therefore, he didn't know how to refute.

In fact, Trevor's words made him extremely angry as no one had ever dared to talk to him like this until today!

After all, he was a scary man whose hands were stained with blood.

Narrowing his eyes, Sheppard clenched his fists and tried his best to hold back his anger.

Now that the Duffy family went bankrupt, he no longer had power like before.

On the other hand, Alvaro had no idea about it.

Therefore, he couldn't figure out the reason why his father had to endure all the insults and humiliation from Trevor.

Since Trevor didn't intend to let him go, Alvaro became even more violent. Glaring at Trevor, he shouted angrily, "What's wrong with me playing with woman? It has nothing to do with you! Let me tell you, Trevor. If I could get out of prison once, I can get out of it for the second time! So, even if you put me in jail, I will take revenge on you once I come out! Do you know what I will do after that?"

After saying that, Alvaro chuckled dryly and said, "And then I will rape Selma!"

While talking, Alvaro looked like he had gone crazy. Selma got so scared that she screamed subconsciously.

His words made Trevor really irritated. 'This bastard still dares to act arrogant right now!' Trevor thought.

Looking at Alvaro coldly, Trevor ordered Abbott and the others, "Disable this guy!"

Immediately, Abbott and the others rushed over to catch Alvaro and pressed him on the ground.

Then, Bradley picked up a steel rod from the ground with his foot and raised it up. With a cold expression, he hit hard in the middle of Alvaro's legs!

"Ahhh!!!!!!!"

A loud scream rang out through the hall.

Blood streamed down from Alvaro's crotch. His only tool for harassing women was completely destroyed.

Alvaro's face was distorted in pain. After wailing loud cry, he passed out in an instant.

Of course, Sheppard didn't expect this to happen!

With wide eyes, he shouted in despair, "Son!"

Alvaro was his only son who he had been spoiling ever since he was a kid.

In fact, the real reason why Sheppard endured all the insult and humiliation was to protect Alvaro.

However, to his surprise, Trevor just asked someone to disable Alvaro in front of him!

At that time, Sheppard couldn't hold back his anger anymore. He rushed towards Trevor with a ferocious face to revenge!

Since Sheppard was a big shot who had been in the underworld for decades, he wasn't a docile sheep. All of a sudden, he took out the butterfly knife from his pocket and stabbed Trevor!
